It is a simple matter to reach the lands spoken of, the Canadian Government having agencies established at St. Paul and Duluth, Minnesota; Grafton, North Dakota; Watertown, South Dakota; Omaha, Nebraska; Kansas City, Missouri; Des Moines, Iowa; Wausau and Milwaukee, Wisconsin; Chicago, Illinois; Indianapolis, Indiana; Sault Ste. This is a great opportunity to secure a home free of cost, or if you desire to purchase lands, they can be bought now at prices much lower than will exist in a few months. LABEL will mean as much to you when you have worn a suit or overcoat, as the revolving light on a rocky point to the mariner at night. It is the good-clothes guide for every good dresser who values correctness in apparel and true clothes economy. The woolens and trimmings are the same and the tailoring in Friend's Clothing is better than the to-order tailor gives you, and costs you half his price. Gentlemen:-"I suffered with pain in my right side for over eight years. Doctors said my liver was affected. My complexion was dark and yellow, I had a bad taste in my mouth, and was tired all the time. I took a great deal of medicine, but nothing seemed to do me any good. I read in the paper of Peruna, and decided to give it a trial. I felt better before the first bottle was gone, and after taking three bottles I was cured, and I have enjoyed perfect health since."
