Trolley Wires Cut. New Orleans, La., Oct. 2.—Beyond the discovery that a large number of wires had been cut in the upper part of the city during the night, there were no other morning developments in the street car strike. DECISIVE VICTORY FOR JOHN W. GATES.

Decision Rendered in Contest for Control of Colorado Fuel and Iron Company. Denver, Colo., Oct. 2.—John W. Gates won a decisive victory in his contest for the control of the Colorado Fuel and Iron Company. Judge Henry C. Caldwell handed down a decision sustaining practically all the contentions of the Gates faction and appointed Seymour D. Thompson of St. Louis master in chancery to conduct a stockholders' meeting for the purpose of electing a new board of directors.

The following paragraph in the opinion gives an idea of the ruling of the court: The stockholders of this corporation are legally entitled to have a meeting of the stockholders, at which they can express their choice for directors of the company, and the court will afford them an opportunity to exercise that right under conditions which will not deprive them of the opportunity to do so. The complainants' remedy at law is inadequate.

EDWARD VII, while Prince of Wales, did not like the comfort of a man kind. He invented the dinnerjackets, introduced the soft Homburg hat, cut down the display of jewelry by men, shortened the length of formal dinners, made tweens and knickerbockers the style for shooting and aided generally in sumptuary reforms. But he made cigarettes and 5 o'clock teas fashionable, and for these many do not thank him.

The PICK-FOHN CO., WEST BEND, WISCONSIN. CLOTHING. High grade clothing does not mean high priced clothing, necessarily. Of course one may go to a tailor, be measured, select a piece of goods, decide on the style, the linings and other accessories of high grade clothing. In due time comes a fitting. Perhaps it fits—quite often it does not, certainly it is expensive. In the higher grades of ready-to-wear garments, one may procure the same fabrics, equally good workmanship and usually more striking styles that can possibly be had of any but the best merchant tailors. What is sometimes more important, there is a remarkable difference in price in favor of the ready-to-wear kind. We show a complete clothing stock in our department and will guarantee a perfect fit. Prices \$5.00 to \$24.00. THE PICK-FOHN CO., WEST BEND, WIS.
