Poorly?

"For two years I suffered terribly from dyspepsia, with great depression, and was always feeling poorly. I then tried Ayer's Sarsaparilla, and in one week I was a new man."—John McDonald, Philadelphia, Pa.

For liver troubles and constipation there's nothing better in creation than Little Early Risers, the famous little pills.

They always effect a cure and save doctor's bills.

Little Early Risers are different from all other pills. They do not weaken the system, but act as a tonic to the tissues by arousing the secretions and restoring the liver to the full performance of its functions naturally. All druggists.

Due Notice is Served. Due notice is hereby served on the public generally that DeWitt's Witch Hazel Salve is the only salve on the market that is made from the pure, unadulterated witch hazel. DeWitt's Witch Hazel Salve has cured thousands of cases of piles that would not yield to any other treatment, and this fact has brought out many worthless counterfeits. Little Wolf Telephone Sold at Auction.

The Little Wolf Telephone Company's property was sold at auction at Fond du Lac last Monday to Leonard Choate, of Oshkosh, for \$65,000. Only two bids were made, that of Henry Boyle, of Fond du Lac, for \$60,000, and by Mr. Choate for \$65,000. Mr. Choate said after the sale that he was simply bidding in his own individual interest, and to protect himself as a large holder of the bonds of the company.

The bonds of the company amount to \$60,000, though only about \$48,000 were sold. Of the remainder about \$9,000 were deposited as security for a loan, and this amount will have to be paid with the other bonds. There has been no interest paid on the bonds since January, 1901. Of all the outstanding indebtedness of the company, which passed into the hands of Receiver F. H. Sweet about a year ago, there is but one preferred claim, that for labor. This claim will be paid, but the rest of the debts of the company, amounting to \$15,000, will be lost to the holders.

The sale by the receiver does not become operative until confirmed by Circuit Judge Kirwan. The cost of the system has been about \$142,000, and over 450 miles of line are owned. Stock for \$125,000 was issued.

Schmidt The Soul of the Violin. Rose Krueger. Viola Solo. Francis Okenfels. The Child's Dream of a Star. Clara Boffe. The Soul of the Violin. Ida Barmel. The Sioux Chief's Daughter. Amanda Rottel. Vocal Solo. Lillie Schlessler. Spartacus and the Gladiators. Prisca Marx. Toussaint Louverture. Henry Hausfeldt. How the Gospel Came to Oak Jakes. Agnes Weinand. Piano Solo. Prisca Marx.

The first prize was awarded to Walter Schroeder and the second prize to Agnes Weinand, both of West Bend. Miss Florence Wescott was presented with a handsome bouquet as an award for third place.

Weekly Crop Bulletin.

The weather conditions during the week have been very unfavorable, and farming operations have been materially interfered with, especially in the middle and southern sections. The general storm which began the latter part of the previous week continued to about the middle of the present week, resulting in almost continuous rains, and at many points snows. There having been an abundance of moisture in the soil before these rains and snows occurred, it is obvious that the result was far from being beneficial. Following the stormy period came clearing, cooler weather during the last three days of the week, when the temperatures in many places fell to or below the freezing point. Taking the State as a whole, however, the season is fully as far advanced as usual at this date, while the condition of winter grains and grasses is very satisfactory. Spring seeding was advancing rapidly in the middle and southern sections prior to the beginning of the stormy period, and in many parts of the southern and middle sections was fully one-half completed, but owing to unfavorable conditions which followed germination has been very slow, and some reseeded may be necessary. With continued fair weather for a few days the soil will again be in excellent condition for working, and farming operations resumed throughout the State. Some preparations for gardening have been made in the southern section, but elsewhere the season is not sufficiently advanced to permit this work being commenced. Some potato planting had been done before the bad weather set in, but the probability is that the unfavorable conditions have caused rotting in the ground to such an extent that some replanting will be necessary. The continued wet weather has resulted in a remarkably rapid growth of pastures.

New Owner for Marsh.

This week a quit-claim deed of the Horicon marsh property given by Heron Herman, of Milwaukee, to Charles Friedl, of Milwaukee, was entered for record in the office of the Register of Deeds of Dodge county. The land quit-claimed is 17,820 acres and the consideration named is \$1. The deed was executed April 11 and was undoubtedly given by Mr. Herman shortly before his bankrupt condition became publicly known.

The exact interest of Mr. Herman in the Horicon marsh, or the interest which he claims to have, is hard to understand. Mr. Hill, of Indiana, claims the fee title to all this land. Mr. Herman bases his claim to ownership on a deed which he received from the receivers, Scanlan and Ranney—Juneau Independent.

Must Specify.

Hellstern against Archbishop Katzer and others, directing the plaintiff to make his complaint more definite and certain by filing a bill of particulars. All the defendants except the archbishop, Vicar General Zeininger and Chancellor S. Hinner joined in the application. It is particularly requested that the plaintiff show specifically how each of the defendants was connected with or responsible for the expulsion of Father Hellstern from his parish in Washington county. Under the order the bill of particulars must be filed within twenty days.—Sentinel.

OBITUARY.

At the home of his son Matt., who resides about two and one-half miles north of our village, John Geib passed away in death on Friday last week after a lingering and most painful illness, having been unfortunately afflicted with a cancer of the face. Mr. Geib was born in Baldsweiler, Prussia, April 8, 1827. In 1868 he immigrated to this country settling on a farm near Newburg, where he resided for two years. He then moved to Fillmore and after residing there for four years, he moved onto a farm in the town of Scott, where he has since lived. The deceased was married in his native country to Miss Susanna Weins, who preceded her husband in death about six years ago. Their happy union was blessed with six children of whom five survive to mourn the loss of their beloved father; they are: John, of Chicago; Mat., residing on the home-stead; Maggie, (Mrs. Keis) of Random Lake; Peter, of Farmington; Frank, of Sheboygan. The deceased was a good Christian, beloved and respected by all who knew him in this life and an industrious and upright citizen. The funeral which was held last Monday morning was largely attended. The remains were laid to rest in the cemetery adjoining St. John's church; Rev. Muenzer officiating. To the bereaved relatives we extend our deepest sympathy.

A weak stomach may refuse to digest what you eat. Then you need a good digestant like Kodol, which digests your food without the stomach's aid. This rest and the beneficial tonic, Kodol, contains and soon restore health. Dieting unnecessary. Kodol quickly relieves the feeling of fullness and bloating from which some people suffer after meals. Absolutely cures indigestion.

MRS. L. S. ADAMS.

of Galveston, Texas. "Wine of Cardui is indeed a blessing to tired women. Having suffered for seven years with weakness and bearing-down pains, and having tried several doctors and different remedies with no success, your Wine of Cardui was the only thing which helped me, and eventually cured me. It seemed to build up the weak parts, strengthen the system and correct irregularities."

By "tired women" Mrs. Adams means nervous women who have disordered meninges, falling of the womb, ovarian troubles or any of these ailments that women have. You can cure yourself at home with this great woman's remedy, Wine of Cardui. Wine of Cardui has cured thousands of cases which doctors have failed to benefit. Why not begin to get well today? All druggists have 81c bottles. For any stomach, liver or bowel disorder Theodor's Black-Draught should be used.
