RAILWAY TAXATION.

Looks as Though Legislature will
Make No Change in Method
of Assessing.

AD VALOREM BILL REPORTED

Assembly, by a Vote of 62 to 24, Refuses
to Concur in Senate's Amendment
to Exempt Railroad Bonds.

NOTHING TO BE ACCOMPLISHED.

Madison, Wis., May 7.—[Special.]—
It begins to look as though no change
will be made in the method of assessing
and taxing railroad property at the
present session of the Legislature. With
final adjournment taking place less than
ten days away, the Assembly has refused
to pass the bill which would change the
assessment and collection of taxes has
reported the ad valorem bill with the
Senate amendments for concurrence with
the exception of the exemption of the
bonds of the railroad companies from
taxation.

Senate Will Not Agree.

The Senate, it is believed, will not, as
heretofore stated, accede to the proposition
to exempt the bonds because of the
contention that the bill would double
taxation. The Assembly committee
maintains that there is no reason why
railroad bonds should be taxed the
same as other bonds, bringing the matter
down to the proposition of the tax on
the value of the property. The bill as
reported by the Assembly committee,
with the exception of the exemption of
the bonds, is believed to be the one
which will be passed.

Turns Down Coal Commission.

By 17 against 14 votes the Senate
refused to pass the bill of the coal
commission. The bill was reported by
the Senate committee on the coal
commission, and was passed by the
Senate on May 6. The bill provided
for the appointment of a commission
to investigate the coal industry, and
to report to the Legislature on or before
the 1st day of January next.

Changes in Child Labor Bill.

Bill 66A, the child labor bill, was on
the calendar for this morning. Senator
East introduced an amendment to
the bill, which would change the
provisions of the bill relating to the
employment of children in mines and
factories. The amendment would
change the age limit from 14 to 16
years, and would also change the
provisions relating to the hours of
work.

Must Use the Knife.

Senator Bid had armed himself with
a large map of the battlefield of
Vicksburg and while making a long
speech in the Senate, he was
interrupted by a member of the
opposition. The member of the
opposition was holding a knife, and
was threatening to use it on Senator
Bid. Senator Bid then drew his
own knife, and the two men
engaged in a struggle. The
struggle was broken up by the
other members of the Senate.

Debate in the Assembly.

The bill taxing railroads on the ad
valorem basis was the subject of
debate in the Assembly this morning.
The bill was reported by the
Assembly committee, and was
passed by the Assembly on May 6.
The bill provided for the taxation
of railroads on the ad valorem
basis, and was opposed by the
opposition.

Ray to Stand by Promise.

Mr. Ray said that in the campaign
last fall he had to give his
dilemma. He had to choose between
the tax commission and the
railroad bonds. He had chosen
the tax commission, and he
intended to stand by his promise.

Refuses to Exempt Railroad Bonds.

After a little more discussion the vote
was taken by roll call and the
Assembly, 22 against 24, refused to
pass the bill which would exempt
railroad bonds from taxation.

Special Investigation Act Lived.

The bill repealing the law authorizing
the governor to appoint a man to
make special investigations of state
institutions, introduced by C. H. Smith,
was passed by the Assembly on
May 7. The bill provided for the
repeal of the law, and was
opposed by the opposition.

Wiped Out State Treasury Balance.

The Assembly refused, 52 to 27, to
appoint the committee on the
state treasury. The committee was
appointed to investigate the
state treasury, and to report to the
Legislature on or before the 1st
day of January next.

KILLS EMPLOYMENT BUREAU BILL.

Huddell Measure Would Have Benefited
Racine, Oshkosh and La Crosse.
The Senate killed without discussion
the bill providing for the
employment bureau. The bill
provided for the establishment of
an employment bureau, and was
opposed by the opposition.
