INCREASE SENATE'S POWER

American Consul General in St. Petersburg Reports That Peace Has

London, Feb. 2.-A dispatch to a news agency from St. Petersburg says the report of the committee of ministers appointed to devise the best means of giving effect to the Emperor's reform ukase of December 25, makes many important commendations, especially in regard to increasing the powers of the Senate over the ministers and safeguarding its independence, urges that the right already belonging to the Senate, of legislative initiative, should be enlarged and favors the establishment of lower administra-tive tribunals connected with the Senate.

St. Petersburg, Feb. 2.—The report circulated by the London Daily Telegraph this morning that Emperor Nicholas has signed a ukase empowering M. Witte, the president of the committee of ministers, to draw up a constitution is incorrect. The report probably originated in the following circumstances:

the following circumstances:

The committee of ministers rejected a motion by M. Witte that the committee motion by M. Witte that the committee should express an opinion regarding the events of January 22 and take steps to prevent a repetition of such incidents. The motion was rejected on the ground that such action was beyond the jurisdiction of the committee of ministers. M. Witte, whose motion was placed upon minutes, thereupon submitted to the Emperor a memorandum which his majesty approved and the committee of ministers held an extraordinary meeting January 31 to consider this memorandum. The question of an inquiry into the incidents question of an inquiry into the incidents of January 22 was discussed and the finance minister was empowered to draft a scheme for the reform of social legislation, particularly applying to the work-men's question.

inqualified endorsement. No other medicine has such a record of cures of female troubles or such

nosts of grateful friends as has Lydia E. Pinkham's Vegetable Compound.

It will entirely cure the worst forms of Female Complaints, all Ovarian Troubles, Inflammation and Ulceration. Falling and Displacement of the Womb, and consequent Spinal Weakness, and is peculiarly adapted to the Change of Life.

It has cured more cases of Backache and Leucorrhœa than any other remedy the world has ever known. It is almost infallible in such cases. It dissolves and expels tumors from the Uterus in an early stage of de-

rregular, Suppressed or Painful Menstruation, Weakness of the Stomach, Indigestion, Bloating, Flooding, Nervous Prostration, Headache, General Debility quickly yield to it. Womb troubles, causing pain, weight and backache, instantly relieved and permanently cured by its use. Under all circumstances it invigorates the female system, and is as harmless as water.

It quickly removes that Bearing-down Feeling, extreme lassitude, "don't care" and "want-to-be-left-alone" feeling, excitability, irritability, nervousness, Dizziness, Faintness, sleeplessness, flatulency, melancholy or the "blues" and headache. These are sure indications of Female Weakness, or some derangement of the Uterus, which this medicine always cures. Kidney Complaints

He was born in New York state and was married in 1834. In 1845 he came to Wisconsin, settling in Troy, Walworth county. Two years later he came to this village, which he helped to found.

Others Are Implicated.

The confession of Schumacher is backed up by confessions made by Douglas Barhyte, A. K. Bolton, David Rooney and Charles Wannamaker. Bolton, in his confession, also implicates John George, the barkeeper in the saloon, and claims that he aided Schumacher in throwing Wren out. All of the men are under arrest with the exception of George.

Schumacher's son is dying, and for this reason two deputies were appointed to the present winter in Milwaukee is groundhog day. At 7 o'clock this morning at the weather bureau office it was 17 below. Said the other: "I do not doubt it, for I have done the same thing, and I will tell you another thing I did. I built two pens close together and put a pig in one of them. I fixed up that pen for a bedroom and fed him in the other. I made a hole in the partition just large enough for him to crawl through comfortably, and every time he was fed he had to go through that hole. Well, yesterday I sold that pig, and he weighed just 400 pounds. He seemed to get through the hole on the last day as easily as he did on the first."
