FOND DU LAC NEWS.

WILL CONTINUE SUIT.

Fond du Lac, Wis., Feb. 23.—[Special.]—Henry Rueping has decided upon further court proceedings in his suit for damages against the North-Western railway and a notice of trial has been filed by Attorney Thompson with Clerk of Courts Wortbing, which means that a new complaint will be forthcoming at this term of circuit court. The case has been in court for some years and on the last appeal to the supreme court a de-cision giving nominal damages or a new trial was handed down. The former was not satisfactory to Mr. Rueping. The litigation is the result of injuries received in a wreck at Depere.

St. Petersburg, Feb. 23.-In diplo natic circles a story is afloat to the effect that the opinion expressed by German military authorities based on reports from military experts at the front, that the situation is by no neans hopeless, has greatly influenced the Emperor and encouraged him against the idea of concluding peace.
