Every Two Minutes

Physicians tell us that all the blood in a healthy human body passes through the heart once in every two minutes. If this action becomes irregular the whole body suffers. Poor health follows poor blood; Scott's Emuloion makes the blood pure. One reason why

SCOTT'S **EMULSION**

is such a great aid is because it passes so quickly into the blood. It is partly digested before it enters the stomach; a double advantage in this. Less work for the stomach; quicker and more direct benefits. To get the greatest amount of good with the least possible effort is the desire of everyone in poor health. Scott's Emulsion does just that. A change for the better takes place even before you expect it.

WOMEN WHO SUFFER

Dr. Williams' Pink Pills the One to that, I suppose you are the more likely to be found out." Remedy Particularly Sulted For Feminine Ilis.

To women who suffer Dr. Williams' Pink Pills are worth their weight in gold. At special periods a woman needs medicine to regulate her blood supply or her life will be a round of pain and suf-fering. Dr. Williams' Pink Pills are absolutely the finest medicine that ever a woman took. They actually make new blood. They are good for men too

-but they are good in a special way for women. "It was three years ago last spring that my health failed me," says Mrs Arthur Conklin, of No. 5 Coldwater street, Battle Creek, Mich. "I suffered leucorrhœa and other troubles that, I presume, were caused by the weakness it produced. I had sinking and exhausted all the time and looked

like a walking skeleton. "My back and limbs would ache almost continually and there were days when I was absolutely helpless from sick headache. I tried one doctor after another but cannot say that they helped me at all. My liver was sluggish and I was troubled some with constipation.

"One day a physician who has now retired from practice met my husband on the street and inquired about my health. He advised my husband to get some of Dr. Williams' Pink Pills for me, said they were a good medicine, better for my trouble than he could put up. I tried them, improved steadily and soon was entirely cured. As soon as the leucorrhoea was cured the headaches and other pains stopped. I am entirely well now but intend to continue to use Dr. Williams' Pink Pills as a spring

The next important step is to limit the expense of new business by prohibiting excessive commissions to agents for securing new business. Prohibit by law the use of proxies and compel companies to permit their policy holders to vote either in person or by mail.
