Professor on Profanity.

Battle Creek, Mich., for prizes of 31 Prof. Felton of Harvard was a very ly, stooped down to gather the pieces of ivy which in her agitation she had boxes of gold and 300 greenbacks to opped heedlassly to the ground As for Sir Ughtred, he thrust his rect English, and was very much dis-rect English, and was very much disthose making the most words out of As for Sir Ughtred, he thrust his hands into his pockets and, leaning against the trunk of a tree, surveyed his ward with an air of calm but hopeless be-wilderment. His friend Grant had be-haved in a manner which had certainly puzzled him; but Miss Yelverton—well, if she had been the victim of a serious accident the previous evening, there might be some explanation for the pres-ent state of affairs. As it was she was

The contest was started in February, 1906, and it was arranged to have the prizes awarded on April 30, 1906.

When the public announcement appeared many persons began to form the words from these letters, sometimes the whole family being occupied evenings, a combination of amusement and education.

might be some explanation for the pres-ent state of affairs. As it was, she was simply an enigma. "Well, Miss Yelverton, that was the message which I was to deliver to you," he observed, after a moment's pause. "I assure you that those are Capt. Grant's very words. All that I can say in the matter is, that 1 promised to convey them to you." After a while the lists began to come in to the Postum Office and before long the volume grew until it required wagons to carry the mail. Many of the contestants were thoughtless enough to send their lists with insufficient plaint, and proceeded: "I cannot tell you how mortified I am postage and for a period it cost the "Oh, yes, I quite understand, of course!" answered Phyllis hurriedly. "It is very good of you to trouble; but I.—." "I cannot tell you how mortified I am that my brother, in whose character and scholarship I had taken so much pride, should have been reported to the faculty Company from twenty-five to fiftyeight and sixty dollars a day to pay the unpaid postage.

She gave a dreary little shake of her head and looked despairingly about her. "Oh, what do you think? Need I see Young ladies, generally those who had graduated from the high school, "Need you see him?" Sir Ughtred fung away his eigar with a laugh. "Well, really, Miss Yelverton, considering that I were employed to examine these lists and count the correct words. Webster's Dictionary was the standard and each list was very carefully corrected except those which fell below 8,000, for it soon became clear that nothing below that could win. Some of the lists required the work of a young lady for a solid week on each individual list. The work was done very carefully and At a recent inquest in a Pennsylvania town, one of the jurors, after the usual swearing in, arose and with much dig-nity protested egainst service, alleging that he was the general manager of an accurately, but the Company had no idea, at the time the offer was made, that the people would respond so generally and they were compelled to fill every available space in the offices with these young lady examiners, and notwithstanding they worked steadily, it was impossible to complete the examination until Sept. 29, over six

s a mistake then; you have not merely eard of him? So, perhaps, after all, or Grant was not quite so delirious as I hought. There was some reason in what e said?" Phyllis started. "Some reason? Why, what on earth id he say?" Phylic started. "Some reason? Why, what on earth months after the prizes should have been awarded. This delay caused a great many in "What did he say!" Sir Ughtred lunatics. Now, under which heading do you claim exemption?"-Success Magaquiries and naturally created some dissatisfaction. WOMEN WHO CHARM

HEALTH IS THE FIRST ESSENTIAL

It Helps Women to Win and Hold Men's Admiration, Respect and Love

Woman's greatest gift is the power to wears them around his neck. Deer's horn ground into fine paste inspire admiration, respect, and love. There is a beauty in health which is nore attractive to men than mere regularity of feature.

waist thread.

To be a successful wife, to retain the love and admiration of her husband, should be a woman's constant study At the first indication of ill-health, painful or irregular periods, head ache or backache, secure Lydia E. Pinkham's Vegetable Compound and begin its use. Mrs. Chas. F. Brown, Vice-President

Mothers' Club, 21 Cedar Terrace, Hot Springs, Ark., writes:

Dear Mrs. Pinkham :--

"For nine years I dragged through a miser-able existence, suffering with inflammation and female weakness and worn out with pain and weariness. I one day noticed a statepain and weariness. I one day noticed a state-ment by a woman suffering as I was, but who had been cured by Lydia E. Pinkham's Veg-etable Compound, and I determined to try it. At the end of three months I was a different woman. Every one remarked about it, and my husband fell in love with me all over again. Lydia E. Pinkham's Vegetable Com-ound built un my antire system ourset the pound built up my entire system, cured the trouble, and I felt like a new woman. I am sure it will make every suffering woman strong, well and happy, as it has me."

Women who are troubled with painful or irregular periods, backache, bloating (or flatulence), displacements, inflammation or ulceration, that "bearing-down "feeling, dizziness, faintness, indigestion, or nervous prostration may be restored to perfect health and strength by taking Lydia E. Pinkham's Vegetable Compound. All my pains and aches disappeared. I have been well now for nine years since using Doan's Kidney Pills. For sale by all dealers, 50 cents a

CURES CONSTIPATION

It is just about impossible to be sick when the bowels are right and not posssible to be well when they are wrong. Through its action on the bowels,

cleans the body inside and leaves no lodging place for disease. If for once you wish to know how it feels to be thoroughly well, give this famous laxative tea a trial. Sold by all dealers at 25c. and 50c.

PAPERS NOT NECESSARY STRANGE INDIAN REMEDIES. Virtues That Are Ascribed to Claws and Horns.

CANDIDATES' NAMES CAN BE Great virtues are ascribed in India to the claws and horns of certain animals. WRITTEN ON BALLOT. Tiger claws are in great demand with the common people. Supreme Court Sustains Judge Fowler in Ashland Election Contest-Opinion of Wide Importance.

Waiss pros - -

Deer's horn ground into hine paste is an excellent balm for pains and swell-ings. A more curious use is found for the same substance: it is sometimes made into a powder which is supposed to aid the growth of stunted women. The joints taken from the long and slender tail of the black scorpion are supposed to keep illness at arm's dis-tance when children wear them on their waist thread. MADISON, Wis., Oct. 18 .- [Special.] The state supreme court today handed down an important decision bearing upon the primary election law. The court sustained the decision of Circuit Judge Fowler in the case of A. T. Pray and others versus Clerk Yankee of Ashland county.

waist thread. A red or swollen eye is cured by hav-ing it touched with the bolt or chain of a door. A remedy which I have seen applied with considerable effect in more than one epileptic fit is to place a bunch of keys in the palm of the sufferer. I have heard it said that the fit passes away as readily if the keys are placed on the head A rather quaint remedy The appeal was from an order of Judge Fowler requiring Clerk Yankee to place the name of Pray on the official ballot as the Democratic nominee for district attorney.

At the primary election the Democrats of Ashland county did not have the name of any party candidate on the ballot and they wrote in the names of Pray and M. E. Dillon. The former re-ceived a majority of these votes. The county clerk threatoned to refuse to on the head. A rather quaint remedy in the case of a sprained neck is to use an iron measure for a pillow. Sore throat is cured by spitting on red county clerk threatened to refuse to place Pray's name on the official ballot and he appealed to the circuit court.

hot iron-quite the simplest and least expensive cure known to the native doc-tor. Peacock's flesh is a good medicine for acute rheumatism.—Madras Mail. Pray won, and the county clerk appealed for a ruling on the question by e supreme court. A TERRIBLE EXPERIENCE.

The question hung upon the construc-tion of section 18 of the primary law, which reads as follows: How a Veteran Was Saved the Am-

The person receiving the greatest number of votes, at the primary, as the candidate of a party for an office, shall be the candi-date of that party for such office and his name as such candidate shall be placed on the official ballot at the next general elec-tion putation of a Limb. B. Frank Doremus, veteran, of Roosevelt Ave., Indianapolis, Ind., says: "I had been showing symptoms of kidney trouble from the time

hurt.

was weak and help-

This ruling of the supreme court I was mustered out This runng of the supreme court means that it is not necessary for a can-didate to file nomination papers. The court also decided that Rinder was the nominee for treasurer in Dame county on the Republican ticket. The inspectors had admitted that they had of the army, but in all my life I never suffered as in 1897. Headaches, dizziness and sleeplessness first, made a mistake in counting the ballots which gave Packard a majority. and then dropsy. I

Hundreds of Cases.

this characteristic, largely removes re sponsibility from the workman and places it upon the employer by imposing high compensation in cases of accident The employer, therefore, takes extraord nary precautions through his managers This system is by no means a bad one for in presupposing the ignorance and carelessness of undisciplined workmen the chance for accident is reduced to s the chance for accident is reduced to minimum. The government also protects the children. No boy may be employed at man-ual labor, or for a full day until he has attained his fifteenth year. At the age of 13 a boy may go into an office for half days. To encourage schooling a boy who passes the third grade in the common schools is excused from sixteen months soldiering. That such wise laws as these soldiering. That such wise laws as these should be found in connection with an in-dustry where there are absurd restricdustry where there are absurd restric-tions as, for instance, the preventing of practical miners from becoming supe-riors, is typically Russian. The wages of boys amount to about 20 cents per day! Boys and women are em-ployed to pick the slate and refuse stone from the coal. In Pennsylvania the boys who do such work are called "breaker boys." Their pay is from 60 to 75 cents a day. In Russia the women receive not more than 5 cents a day more ican ? to to cents a day. In Russia the women receive not more than 5 cents a day more than the boys. Pony drivers in the pits earn from 40 to 50 cents a day. During a period of four months when I worked as a coal miner in Scotland, I found that by far the most exhausting work in the miner was the work of the work in the mines was the work of th MRS. CHARLES E. BUELL

rention held at Wausau last week is one

drawer-the man who pushes the loaded coal cars from the "face," where it is taken from the rock, to the main pas-sages, where the cars are joined into "races," or trains, and thence by horses or machines to the shaft. In the British mings this work is actionaled heavy of the best known club women of this city. Mrs. C. J. Medberry of Fond du Lac was her only rival for the pres-idency, but she withdrew. mines this work is acknowledged heavy and paid for accordingly, but in Russia a man doing such work receives about 60 cents per day.—Cor.
