the End.

VICTIM OF PTOMAINE POISONING.

MILWAUKEE, Wis., March 19,-Major William W. Rowley, quartermaster of the Soldiers' home for the last nineteen years and well known in Grand Army and Loyal Legion circles in Wisconsin, died at 9 o'clock this morning. He had been critically ill for a week and became unconscious Wednesday. With the exception of brief lapses

into consciousness, he remained unconscious until death this morning. Since Wednesday night of last week, Maj. Rowley had been under the con-stant care of Drs. Kreisler, Comfort and Akerley of the hospital staff at the Sol-

Following the war Maj. Rowley took up the practice of law and resided first at Buffalo and then in New York city. Nineteen years ago he was appointed quartermaster of the national home in Milwaukee and took up his residence here. From the first he took an active part in the Wisconsin commandery of the Military Order of the Loyal Legion. He was elected junior vice commander of the Wisconsin commandery in 1898 and in 1905, served as commander.

During a wind storm, more than a week ago, the central crane was being used in unloading a vessel. The track end was clamped securely to the rails end was clamped securely to the rails upon which it is operated and could not, consequently, "give" a great deal. A 50-mile gale suddenly came sweeping down the draw on which the company's docks are built and the huge crane began to sway to and fro. Under ordinary conditions it has a moving leeway of about twenty-five feet in either direction; but in this instance the gale drove it westward a total distance of ninety feet, while the track end remained securely clamped and did not move. This resulted in the complete collapse of the huge machine and it went down with a tremendous crash into the piles of coal in the yard and in its fall demolished a small operating shed at one side of the dock.

I lie awake for hours after I am in bed, thinking of my cousins and the strange house I have entered. What a curious household it is—enough to depress any one! I have taken a dislike to Cousin Elizabeth—she is so cold and self-contained and dull, and seems so wrapped up in her own thoughts. I wonder what has made her like it. She must have been very much attached to her husband for his death to have altered her life so completely. I give a little shudder as I think of her hard black eyes and white face.

Proof is inexhaustible that Lydia E. Pinkham's Vegetable Compound carries women safely through the Change of Life.

Read the letter Mrs. E. Hanson, 304 E. Long St., Columbus, Ohio, writes to Mrs. Pinkham:

"I was passing through the Change of Life, and suffered from nervous-ness, headaches, and other annoying symptoms. My doctor told me that Lydia E. Pinkham's Vegetable Com-pound was good for me, and since taking it I feel so much better, and I can again do my own work. I never forget to tell my friends what Lydia E. Pinkham's Vegetable Compound did for me during this trying period."

### FACTS FOR SICK WOMEN.

For thirty years Lydia E. Pink-ham's Vegetable Compound, made from roots and herbs, has been the standard remedy for female ills, and has positively cured thousands of women who have been troubled with displacements, inflammation, ulceration, fibroid tumors, irregularities, periodic pains, backache, that bearing-down feeling, flatulency, indigestion, dizziness or nervous prostration. Why don't you try it?

Mrs. Pinkham invites all sick women to write her for advice. She has guided thousands to health. Address, Lynn, Mass.

### MIX FOR RHEUMATISM.

The following is a never failing remedy for rheumatism, and if followed up it will effect a complete cure of the very worst cases: "Mix one-half pint of good whiskey with one ounce of Toris Root Compound, and add one ounce Syrup Sarsaparilla Compound. Take in tablespoonful doses before each meal and at bed time." Toris Root Compound is a product of the Globe Pharmaceutical Co., Dayton, Ohio. The

\$100 Reward, \$100. The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is Catarrh. Hail's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hail's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials.

CITIZENS STATE BANK,

**KEWASKUM, WISCONSIN.** 

Br. Hartman has claimed for many years that Peruna is an EXCELLENT CATARRH REMEDY. Some of the doctor's critics have disputed the doctor's claim as to the efficacy of Peruna.

Since the ingredients of Peruna are no longer a secret, what do the medical authorities say concerning the remedies of which Peruna is composed? Take, for instance, the ingredient HYDRASTIS CANADENSIS, OR SOLDEN SEAL. The United States Dispensatory says of this herbal remedy, that it is largely employed in the treatment of depraved mucous membranes, chronic rhinitis (nasal catarrh), atonic dyspepsia (catarrh of the stomach), chronic intestinal catarrh, catarrhal jaundice (catarrh of the liver), and in diseased mucous membranes of the pelvic organs. It is also recommended for the treatment of various forms of diseases peculiar to women.

Another ingredient of Peruna, CORYDALIS FORMOSA, is classed in the United States Dispensatory as a tonic.

CEBRON SEEDS is another ingredient of Peruna, an excellent drug that has been very largely overlooked by the medical profession for the past fifty years. THE SEEDS ARE TO BE FOUND IN VERY FEW DRUG STORES. The United States Dispensatory says of the action of cedron that it is used as a bitter tonic and in the treatment of dysentery, and in intermittent diseases as a SUBSTITUTE FOR QUININE.

OIL OF COPAIBA, another ingredient of Peruna, is classed by the United States Dispensatory as a mild stimulant and diuretic. It acts on the stomach and intestinal tract. It acts as a stimulant on the genito-urinary membranes. Useful in chronic cystitis, chronic dys-

SAYS it is applicable to stomatitis (catarrh of the mucous surfaces of the mouth), follicular pharyngitis (catarrh of the pharynx), chronic coryza (catarrh of the head). This writer classes hydrastis as a stomachic tonic, useful in atonic dyspepsia (chronic gastric catarrh), catarrh of the duodenum, catarrh of the gall duct, catarrh of the intestines, catarrh of the kidneys (chronic Bright's disease), catarrh of the

bladder, and catarrh of other pelvic organs. BARTHOLOW REGARDS COPAIBA as an excellent remedy for chronic catarrh of the bladder, chronic bronchitis (catarrh of the bronchial tubes). BARTHOLOW STATES THAT CUBEB, an ingredient of Peruna, promotes the appetite and digestion, increases the circulation of the blood. Useful in chronic nasal catarrh, follicular pharyngitis (catarrh of the pharynx), increasing the tonicity of the mucous membranes of the throat. It also relieves hoarseness. Useful in atonic dyspepsia (catarrh of the stomach), and in

chronic catarrh of the colon and rectum, catarrh of the bladder, prostatorrhea, and chronic bronchial affections. MILLSPAUGH, MEDICINAL PLANTS, one of the most authoritative works on medicinal herbs in the English language, in commenting upon COLLINSONIA CANADENSIS, says that it acts on the pneumogastric and vaso motor nerves. It increases the secretions of the mucous membranes in general. In the mountains of Virginia, Kentucky, Tennessee and Carolina, collinsonia canadensis is considered a panacea for many disorders, including headache, colic, cramp, dropsy and indigestion. DR. SCUDDER regards it

highly as a remedy in chronic diseases of the lungs, heart disease and asthma. These citations ought to be sufficient to show to any candid mind that Peruna is a catarrh remedy. Surely, such herbal remedies, that command the enthusiastic confidence of the highest authorities obtainable, brought together in proper combination, ought to make a catarrh remedy of the highest efficacy. This is our claim, and we are able to substantiate this claim by ample quotations from the HIGHEST MEDICAL AUTHORITIES IN THE WORLD.

nerves as to make regular and necessary daily practice next to impossible. "I practice from seven to eight hours a day and study Harmony two hours," writes a Mich. music student. "Last September I was so nervous I could only practice a few minutes at a time and mother said I would have to drop my music for a year.

"This was terribly discouraging, as couldn't bear the thought of losing a whole year of study. Becoming convinced that my nervousness was caused largely by coffee, and seeing Postum so highly spoken of, I decided I would test it for a while.

"Mother followed the directions carefully and I thought I had never tasted such a delicious drink. We drank Postum every morning instead of coffee, and by November I felt more like myself than for years, and was ready to resume my music.

"I now practice as usual, do my studying and when my day's work is finished I am not any more nervous than when I began. "I cannot too highly recommend Postum to musicians who practice half
