GREAT CROWDS AT CIRCUS.

Many People Here Plan to see Barnum and Bailey at Fond du Lac.

Kewaskum will be well represented at Fond du Lac on Thursday, July 29th, when the Barnum & Bailey greatest show on earth exhibits there on that date, for a great many of our citizens have already expressed themselves as having made up their minds to attend. A glance at the list of wonders to be seen with this big show would lead one to believe that the limit in tremendous size as well as number of novelties to be seen has finally been reached. Barnum & Bailey present this year under their city of 14 acres of tents more things new than have been offered by all other shows in years "Jupiter, the balloon horse," Karoly's troupe of 16 Hungarian coal black stallions, the musical elephants, celebrated Konyot troupe of equestrians, seven troupes of foreign acrobats, four troupes of aerialists and hundreds of other arenic novelties all go to complete a circus performance that has never been equalled. The big menagerie has been augmented by the addition of many new strange beasts and is larger than all the zoological gardens in this country combined. The street parade so gorgeous and so tremendous in size, beggars description and in all is a fair index to the wonderful performances that follow.

BOY DROWNS IN POND.

The boy was a nephew of Jacob Schlosser of this village. Mr. Schlosser attended the funeral at Schleisingerville Monday.

Smith, who served it on Barth Tuesday, but the latter could not be taken from the house on account of being quite badly injured in a runaway accident the day before. His physician says that he will be laid up at least a week or more, therefore the case had to be postponed.—Hartford Times.

DEATH OF MRS. McQUEEN.

Well Known Kewaskum Lady Passes Away at her Home in Barton.

Mrs. Daniel McQueen, nee Louisa Mary Carrel, died at her home in the village of Barton last Friday, July 16, 1909, after a five days illness with gall stones, complicated with kidney disease. Mrs. McQueen was born in the town of Kewaskum on May 18, 1853. She married Daniel McQueen in that town on Dec. 31, 1874, and a year later they came to reside on a farm in town Barton. Eleven years ago they sold the farm and made their home in the village of Barton ever since. Two children—Hattie of Wyoming, and James at home—survive, besides their father and three sisters—Miss Adella Carrel, Mrs. Wm. Colvin and Mrs. Emma Wright, all of Kewaskum. Mr. McQueen was a woman of more than ordinary ability and the manner in which she upheld righteousness caused her to be a favorite among a circle of friends, and they were many.

Deceased was well known here and surrounding, and was highly esteemed for her christian character, charitable deeds and cheerful disposition. She was a member of the Ladies' Aid of the Methodist Episcopal church of West Bend.

The funeral took place Sunday afternoon from the residence to the Union cemetery at West Bend, Rev. Lowther officiating. The large cortege which followed the casket to the grave gave silent evidence of the high esteem in which she was held. The bereaved relatives have our sympathy.

Married.

Donald Harbeck and Miss Rose Remmel were united in marriage at the Holy Trinity church at 7 o'clock Tuesday morning, July 20th. Rev. Ph. J. Vogt tying the nuptial knot. The bride was beautifully gowned in a dress of french batiste and carried a white prayer book. She was attended by her cousin, Miss Agnes Schaefer, as maid of honor, and Miss Maymie Remmel, sister of the bride, as bride's maid. Both were becomingly attired in champagne and lavender voile and carried sweet peas to match. The groom's attendant was Mr. Jake Marx of Minneapolis. After the ceremony the bridal party repaired to the home of the bride's parents, where a wedding breakfast was served and a reception held during the day, with near relatives in attendance.

The bride is a daughter of Mr. and Mrs. Nicholas Remmel and is an accomplished young lady, having a large host of friends. The groom, who has been employed in the Statesman office for the past eight years, is an industrious and trustworthy young man with good character and habits. He is also well liked by his many acquaintances here.

Mr. and Mrs. Harbeck left on the evening train for a two weeks wedding trip to the southern part of the state. Upon their return they will make their home in this village. We join with the many friends of the happy couple in wishing for their future success and happiness.

A NEW OIL LAW.

The state laws regulate the sale of product from petroleum in order to give the public higher grades of oil and in an effort to lessen the number of accidents, which result annually from products containing gasoline handled by the purchasers, often in a dangerous manner, unwittingly.

Hereafter all oil coming into a town or city will be examined by inspectors while it is still in the car tank and will be subject to a flash, burning and gravity test. This record will be printed upon the tank wagon delivering the oil.

It is provided that all persons who violate the law will be subject to a fine of not less than \$50 or more than \$500.

In case any person is injured by using condensed oil, the merchant who sold the oil will be held responsible for all accidents. Persons found guilty of adulterating oil will be fined not less than \$50 or more than \$500, or a jail sentence of not more than six months.

LOCALS WIN IN FOURTEENTH

Defeat Random Lake Team by a Score of 5 to 4.

Last Sunday the locals, through clouds of dust, journeyed to Random Lake, only to bring home with them another victory, by defeating their team by a score of 5 to 4 in a fast fourteen inning game. The game was very interesting from the start until Witzig caught a fly in right garden in the fourteenth retiring Random Lake's side which ended the game.

The Random Lake boys were the first to score, which was brought across the initial bag in the second inning, Hamm, the brewer man got a three base-hit on a fluke, ball being hit in the right garden and lost amongst the Canada thistles, and was sacrificed home on the umpire's decision of a fair hit, which should have been called a foul hit, Wolf hitting a grounder outside of the third base line. In the locals half of the third is when they found Jeske and batted him very hard. Martin was an easy out, Doyle singled, J. Schaefer sacrificed, being caught out at first. Schmidt got first on an error, stole second, Doyle took third, A. Schaefer lined out a pretty two base-hit to left, scoring Doyle and Schmidt. Koch was hit by a pitched ball, stole second, Taylor got a clean single scoring Schaefer and Koch which netted the locals four runs. Backus struck out. In the fourth Random Lake scored two runs on the locals poor playing, after two men were out. They tied the score in the sixth, when again the locals played ragged ball, after this they held their opponents so that they were unable to get further than second.

The locals hit Jeske frequently, getting 8 hits off his delivery, but luck was against them at the proper time.

The windup ended to the taste of the locals, Taylor, the hero of the day, first man up, got one of his timely singles, stole second by making a wonderful slide, Backus sacrificed him to third, but was an easy out on first, Witzig hit a fast grounder to Jeske, who was unable to field same, bringing home Taylor, and the winning run, Martin and Doyle being easy outs. Random Lake in their half went out in one, two and three order.

Both pitchers pitched good ball considering the length of the game. Jeske for Random Lake allowed eight hits and struck out 9, while Doyle for the locals allowed 5 hits, struck out 9, and passed one to first base.

Score by innings	
Kewaskum	0 0 4 0 0 0 0 0 0 0 0 0 0 0 0 0 0 0 0 0
Random Lake	0 1 0 2 0 1 0 0 0 0 0 0 0 0 0 0 0 0 0 0

Summary: Hits Kewaskum 8; Random Lake 5; two base-hits—Kewaskum 1, Random Lake 1; three base-hit—Random Lake 1; struck out by Doyle 9, by Jeske 9, base on balls—off Doyle 1, hit by pitcher—by Doyle 1, by Jeske 1.

NOTES:

Doyle was there with his batting eye.

Taylor was easily the star of the game.

Jeske had Backus going, striking him out 3 times.

The locals speak very highly of treatment accorded them while at Random Lake.

Only two men of Random Lake went further than second base after the sixth inning.

Koch bounded like a rubber ball in the third, when he fell going after a foul fly and fell.

John Wolf for Random Lake pulled off the batting honors, getting 3 hits out of 6 times to bat.

Backus made a remarkable catch in the first inning robbing Haas of a single over short stop by bringing down the sphere with his bare hand.

The pea canning factory of Adell is being operated at full capacity at present, in order to take care of the crop of peas, which is unusually large this year. The total output for a day is about 3000 cans.

The W. H. Froehlich Co., have discontinued their saloon, which they have run for many years, in connection with their store at Jackson. A. B. Froehlich and Mr. Sydow have taken charge of Geo. Gilbert's saloon with Emil Boettcher as manager.

The old flume at the Gadow mill at Barton is being replaced by one of concrete construction. It will accommodate three of the very latest type of turbines. Prisoners Must Work.

Through the efforts of Senator E. E. Brown of Waupaca, says the Republican Post of that city, who led the fight in the state senate and overturned the unanimous report of the committee on state affairs, the county boards of the state are obliged to furnish stone piles and apparatus and compel the prisoners confined in the county jails of the state to work in breaking up stone for our highways. There are at all times several thousand able bodied men confined in the county jails of the state, who are living in idleness and faring better than many law-abiding citizens of the state. Plenty of good hard work will do more to reform criminals than anything else and the professional hobo who has in the past found our county jails a quite abiding place in the winter, where he is free from care and furnished with a steam heated room and plenty of smoking tobacco, will pass on to other states, where a stone pile is not one of the accessories to the jail. We consider this practical and timely legislation.

Mar-vel-ous!

At a baseball game in Chicago the gatekeeper hurried to Comiskey, leader of the White Sox, and said:

"An 'umpire with two friends!" gasped Comiskey. "sure!—Everybody's Magazine."

CORRESPONDENCE

FOREST LAKE.

A surprise party in honor of Mr. and Mrs. Will Vanderburg, of Chicago, was given by Dr. and Mrs. C. N. Trompen at their Forest Lake cottage, on the 16th inst. Mrs. Vanderburg, formerly Miss Jennie De Young, was married to Mr. Vanderburg on Wednesday evening by Rev. John Stunenberg, and the young couple started for Forest Lake, Wis., Thursday morning, to spend their honeymoon with Dr. and Mrs. Trompen.

A number of Roseland friends at Forest Lake were invited at the reception and they came prepared to give a serenade worthy of remembrance. As the young people were singing, the visitors led by Mr. Harry Enigenberg, quietly bivouacked upon the large front porch of the Trompen cottage, and at the appropriate time gave the accompaniment to the music with horns, pans, irons and almost any other kind of musical instrument to the surprise and delight of the bridal couple.

After the serenade the visitors were made welcome, and a very enjoyable evening was spent. Dr. and Mrs. Trompen had spared no pains to make everything as pleasant and attractive as possible. At Mrs. Vanderburg had been the Dutch Goddess of Liberty at the great Roseland celebration on the 5th of July, her bridal chamber was beautifully decorated to receive her as the Columbia, the American Goddess of Liberty, and the bed was trimmed to resemble a float, being decorated with flags, bunting, ribbons, lace work in red, white and blue and wedding bells. The large wedding bell suspended above the bed concealed, a string of sleigh bells, which operated by electricity, pealed forth "Wedding Bells" at intervals during the night, with a large horn and a gong for a base accompaniment.

An attractive program was given, Mrs. John Engelsman, the leading soprano of the Bethany church choir of Chicago, sang several solos to the great enjoyment of not only the company, but also the people who were out on the lake in their boats. Mr. John Modderon made an eloquent little speech in which he congratulated the young bridal couple upon the step they had taken, and declared that from his own experience, he knew that marriage was a great success. Master Paul Lobig then sang several songs in a very acceptable manner. Mr. G. A. Brennan in a short talk emphasized the need of mutual forbearance in married life, and that each member of the firm should try to please the other one, and thus have a happy home.

After the program refreshments were served, and a sociable evening was passed. The guests departed at a late hour with many thanks to Dr. and Mrs. Trompen for their courtesv, and congratulations to Mr. and Mrs. Vanderburg.

Among those present were Mr. and Mrs. John Modderon, Mr. and Mrs. Harry Enigenberg, Mr. and Mrs. G. A. Brennan, Mrs. A. A. Tininga, Mrs. John Engelsman, Mrs. Howard Custer, Mr. and Mrs. Aug. Watch**

One that will not go AT ALL—
doesn't cause as much bother
as one that runs now fast now
slow, in an erratic fashion.

The first you don't pretend to
depend upon—the other is a
constant source of annoyance.

Most people can afford a watch,
but no one can afford an un-
certain fast and slow one.

And when our repair depart-
ment is so close at hand there
is really no excuse for carry-
ing anything but an accurate
timepiece, no matter what the
first cost was.

Consult us about any watch
troubles that may arise.
