## CANDIDATE FOR CONGRESS

Well Known Fond du Lac Attorney a Candidate for Congress. Has a Splendid Record.

Mr. Reilly was born in the town of Empire and secured his earlier education at the district school. He was graduated from the Oshkosh Normal, class of '89; the University of Wisconsin, college of letters, class of '94, and from the law department of the university, class of '95.

He made a splendid record as a student, and won exceptional laurels as an orator, being class orator at the Normal; one of the commencement orators at the university.

Mr. Reilly was district attorney for Fond du Lac county, two years; City Attorney, five years; delegate to the Democratic National convention at Denver, Col., in 1908 and is serving his sixth year as chairman of the Democratic city committee. He has practiced law in Fond du Lac for the past thirteen years, being senior member of the law firm of Reilly, Fellenz and Reilly. Both as a prosecutor and as counsel for the defense, as well as in civil actions, and in fact all branches of legal practice, Mr. Reilly has been signally successful, being especially effective in the summing up of evidence and in jury pleas.

Mr. Reilly's democracy is of the "dyed in the wool variety" and he will make the run for congress on no other platform than the plain tenets of that party. While still a student at the State university he took the stump in the campaigns of '90, '92 and '94, and in every campaign thereafter, has been active both as an orator and an organizer always fighting in the van guard without intent or expectation of material reward.

Both in private and public life, Mr. Reilly's career has been without a blemish. He is known as a lawyer of high standing; a citizen ready to do his duty as he saw it without fear or favor, and a man with both the ability and energy to carry out whatever he may undertake.—Daily Reporter, Fond du Lac, Wis., June 4, 1910.

## BURKE'S NOMINATION ALMOST A CERTAINTY

He is Running Very Strong in all the Counties of This District.

Leading newspapers of the state and of the middle west predict that Mayor M. E. Burke of Beaver Dam will be the next representative in Congress of the sixth district. The "Milwaukee Daily News", in the issue of Tuesday, August 30th, says that "It looks like Burke in the sixth district", and it publishes the following regarding the candidacy of Mayor Burke of Beaver Dam for Congress:

"All reports from the sixth congressional district indicate the nomination by the Democrats for Congress in that district of Michael E. Burke of Beaver Dam.

Mr. Burke is running stronger in all of the counties of the district than are either of his opponents, M. K. Reilly or Mayor Everett Clarke, both of Fond du Lac.

In the first place because the two candidates are from Fond du Lac county, the vote of that county will be divided. What is more, Mr. Burke has many friends in Fond du Lac county and there are predictions that he will have about as much support in Fond du Lac county as either of the home candidates.

In the other counties of the district besides Fond du Lac county, Mr. Burke will run way ahead of either of the Fond du Lac county candidates. In the first place, he is known throughout the district as a strong and able progressive Democrat who has not feared to take a stand openly for progressive Democratic ideas and principles at all times.

This standing is aiding Mr. Burke very considerably and the prediction now is that he will have an ample plurality in the primary election."

**For Lieutenant Governor**  
On the Republican Ticket

**GEORGE B. HUDNALL OF SUPERIOR**  
Senator from the Eleventh District 1902-1910

Senator Hudnall is a graduate of the University of Wisconsin Law Department, Former Assistant City Attorney of Superior and a Leader in Progressive Legislation

He was one of the strongest men in the Senate during the period from 1902 to 1910 and helped to shape much of the legislation of that time. He was chairman of the committee which drew up the Wisconsin Public Utilities Bill, recognized as being the most efficient act of its kind on the Statute Books. He is a firm supporter of the policies of Roosevelt and Taft.

**Vote For Him**  
At the Primary, Sept. 6

**MEANS MUCH TO FARMERS**

When the filled cheese evil threatened the existence of the Wisconsin cheese business, Samuel A. Cook, then a representative in congress, saw the evil and rose to the occasion. Carefully preparing a bill, and the arguments to back it up, he introduced his bill and worked for it so long and so hard that it became the law. That law saved the dairy industry in Wisconsin, so far as cheese was concerned, and was a wonderful stimulus for the dairy industries as a whole.

But it was not all that Samuel A. Cook did for the farming and dairy interests. He worked for pure seed and for pure food while in congress, and since then as a member of the National Dairymen's, the Wisconsin Buttermakers and the Wisconsin Cheesemakers associations, has worked for the betterment of the dairying industry, for higher standards and for higher grade products, for the greater productivity of the soil and for the improvement of farm life and farm work.

A man who will do these things is certainly a friend of the dairymen and the farmers. He is a man who can do things and who has proved it by doing things. Samuel A. Cook knows the problems of farm and dairy life, and owning and operating a model dairy himself, knows how to solve those problems.

Mr. Cook's services to Wisconsin have meant millions to the farmers and dairymen of the state and they will remember those services when they vote at the primary election, September 6, 1910.

Valedictory. I desire to announce to the public that I have transferred my interest in the Kewaskum Statesman to my associate, Geo. H. Schmidt, and retire from the business with this issue of the paper. Mr. Schmidt has been half owner of the Statesman for the past one and one-half years. He is an energetic young man of good qualities and he is well qualified to maintain the high standard of the paper. His work in the past has been highly valuable and with the experience he has gained he is now even better equipped for his duties. The Kewaskum Statesman was established by me Oct. 5, 1895, and is now just completing its 15th year. With the generous patronage of the public it has grown steadily in circulation and influence and it is now a welcome weekly visitor in more than twelve hundred homes. These fifteen years of business have been very pleasant to me and it is with regret that I sever my connection with the paper and the relations which have grown up between me and the large number of patrons. In bidding goodbye to the office of the Statesman where I have labored so long, I desire to thank all who have assisted me in my work and aided me in bringing the paper up to such a high degree of efficiency. I hope that in the future my friends will extend the same generous treatment and support to my successor who by the change becomes the sole owner of the Statesman. Chas. E. Krahn. One Dollar Deposits Do not hesitate to make a deposit of One Dollar in the Citizens State Bank. Most people imagine that the Bank does not want to be bothered with small deposits. This is a mistaken idea. The oftener you deposit, the more you save, for it removes the temptation to spend, and the danger of loss. CITIZENS STATE BANK KEWASKUM, WISCONSIN.

In the LAST LEGISLATURE Dr. Hoyt voted for the "COMMISSION BILL," the measure the Brewery and Saloonkeepers' associations WANTED to regulate saloons and the issuing of licenses.

In a letter, under date of Aug. 22, 1910, to the Waukesha Republican club SENATOR LA FALLETTE urges his friends to vote for Dr. Hoyt as follows:

"I am very much gratified over the good work which your club is doing in behalf of the progressive cause and the progressive candidate, Dr. George E. Hoyt.

"I am told that some of my friends are supporting the opposition candidate. I do not see how this can be. No man who really wants to see the progressive cause win, or me re-elected to the senate, will vote for the opposition candidate if he understands the situation. No one can be a progressive unless he absolutely cuts loose from the Connor organization. I trust you will make it plain to all my friends that if they really wish to support me they will vote for the legislative candidates who will support me.

"Thanking you for the good work of the club, I am,  
Very truly yours,  
"ROBERT M. LA FOLLETTE."

Dr. Hoyt is for LA FOLLETTE OR THE PRIMARY NOMINEE for United States senator. The opposing candidate has REFUSED to tell PUBLICLY for whom he will vote for that office or whether he would vote for the PRIMARY NOMINEE.

Vote for and urge your friends to vote for

**DR. GEORGE E. HOYT**

A vote for Dr. Hoyt for state senator is a vote for Senator Robert M. La Follette for United States senator.

KEWASKUM, WISCONSIN

Democrats Urged to Attend  
the Primaries.

The great political campaign for nomination to the various county, state and congressional offices is drawing to a close and soon the voters will be called upon to perform their duty at the polls. It is hardly necessary to again urge upon the voters in the sixth congressional district that it is of the utmost importance for the success of the democratic party in the state that each and every democratic voter shall cast his ballot on primary day, September 6th. The stay-at-home Democrats who intend to vote the party ticket at the fall election may never get the chance to do so, because the party will not get a place on the ticket if there are not at least 20 per cent of the vote which was cast for the party candidate at the last presidential election polled on coming Tuesday, Sept. 6th. The press of the state has repeatedly called the attention of the voters to this new 20 per cent law, one of the masterpieces of the last republican legislature, and at this time all reports indicate that the democratic voters are sufficiently aroused so that there will be no trouble in getting out the required twenty per cent vote.

The political situation in the Sixth District remains unchanged. Two Fond du Lac county candidates are struggling to gather a few votes in their county, at which occupation they do not seem to be very successful, and they have not so far undertaken to invade any other county for fear of losing the few votes they imagine to have safe, if they left home. M. E. Burke of Beaver Dam, the home candidate of the strongest democratic county in the district, "Old Dodge," who has been the leader in the race ever since the beginning of the campaign, has kept his place, and if Dodge county and the progressive, liberal democratic voter in the district do their duty by him, the democratic nomination on primary day will go to the ablest and worthiest man that the sixth district has to offer as a candidate at the present time.

The record of Michael E. Burke as a democratic legislator and a man of public affairs is an open book. If it were possible to point out one act in his varied public services, for which the motive was not furtherance of the protection of the interests of the people, but personal gain at the expense of the public he should not be sent to Congress. But his record is clear and this is the best guarantee for the voter that Michael E. Burke will take care of his interests in Congress as he has done for his constituents while a member of the state legislature. In all his public acts he has been prompted by an honest desire to do his duty as he saw his duty. In his home city he is the man of the plain people and if the plain people of the sixth district send him to congress he will devote all his time and energy to their cause.

Dodge county especially owes it as a duty to herself to do the very best for the nomination and election of the home candidate. Born, raised and educated in Old Dodge he has spent many of the best years of his life in the service of his home city and county, and the issue before the voters of this and the surrounding counties now is whether some candidate of Fond du Lac county without a public record of any kind worth speaking of, shall come out of the primary with the honor of the nomination for congress, or whether a man of proven ability and worth, a son of the great democratic county in the District which has always given loyal and unselfish support to the candidates of other counties for the good of the cause, without earning many thanks, shall be nominated and elected to the responsible and honorable office of member of the highest legislative body in the nation. # WISCONSIN VOTERS

Prohibitionists know that they cannot win the state by vote so they try to gain parts of it by COUNTY OPTION, which is state-wide Prohibition by degrees.

These County Optionists claim that the Brewers are against County Option in order to DEPRIVE THE PEOPLE of the privilege to say by vote whether they want saloons or not. THIS IS A FALSEHOOD. There is now a state local option law, enacted in 1889, by which the people of any township, village or city, by securing the signatures of ten per cent of the voters, can have an election annually on the question of saloon or no saloons.

SO DON'T BE DECEIVED BY A LOT OF PROFESSIONAL AGITATORS BUT VOTE AGAINST EVERY COUNTY OPTIONIST AT THE PRIMARIES.

ADVERTISE IN THE STATESMAN.
