

LOCAL MAN HAS PROMINENT PLACE WITH LUMBERMEN

The Wisconsin Retail Lumbermen's Association will hold its annual meeting at the Hotel Pfister, Milwaukee, on February 10 and 11. This is the 35th anniversary of the association.

VALLEY VIEW

Mrs. Harold C. Johnson is on the sick list. Lawrence Ketter was a pleasant Sunday evening caller at Lorina.

ALL SET FOR BIG BENEFIT CAGING GAME

All is now in readiness for the big benefit basket ball game to be staged at the Opera House, Kewaskum, tomorrow, Sunday evening at eight o'clock, Feb. 8th, 1925, between Spatz Gang and the Wisconsin All-Stars.

LOCALS LOSE INTERESTING GAME

In one of the cleanest and most thrilling basket ball games ever played here, the Denver Tigers defeated the Spatz Gang by a score of 44 to 38, at the Opera House last Sunday afternoon.

INSPIRATION

YOUR INCOME TAX EXPLAINED

The exemptions under the revenue act of 1924 are \$1,000 for single persons and \$2,000 for married persons living together, and heads of families.

PROMINENT OSCEOLA LADY PASSES AWAY

On Monday, Feb. 2, 1925, at her home in the town of Osceola, occurred the death of Mrs. Henrietta E. M. Dins (nee Bleck), beloved wife of Carl Dins, and a prominent pioneer citizen in the community in which she resided.

DEATH OF MRS. MARGARET KIRSCH

Mrs. Margaret Kirsch, a highly respected and well known citizen of the town of Wayne, passed away in death at her home Thursday night at 11:45 o'clock, February 5, 1925, after having been in ill health for some time with Dropsy.

FORMER KEWASKUM RESIDENT PASSES AWAY IN DEATH

After a lingering illness, brought about by the infirmities of old age, Mrs. Julia Bartel, a former resident of Kewaskum, died at the home of her daughter, Mrs. Charles Backus one mile north of Campbellport, Thursday, at the age of 85 years. Deceased was born August 30, 1842, in Kleinboha, Kreuztmardard, Germany.

MEMORIAL

In loving memory of our dear father, John Schield, who passed away a year ago February 1, 1924. In his grave we loved him deeply.

PURCHASE OF ADJUSTED COMPENSATION CERTIFICATES ILLEGAL

Warning that purchase of Adjusted Compensation certificates from veterans of the World War is illegal has been sent out from State Headquarters of the American Legion by James F. Burns, department service officer of the organization.

WANT RABBIT SEASON SHORTENED

A petition was circulated in this city this week and widely signed, asking that the state game law for hunting rabbits be shortened and that instead of the season opening Oct. 1, it be closed on Nov. 1, instead. Hunters claim that rabbits shot in October are fluffy and not nearly so good to eat as those killed in the colder months when the flesh is more firm.

KAMMERER MAY BE CRONES WHO POISONED SOUP

A question which the authorities of Chicago are looking forward to have answered, is whether John Kammerer, ax slayer, who dies on the scaffold on February 13, is John Cronen, anarchist fanatic. Criminal records have poisoned the soup at a banquet in Chicago in 1916 held in honor of Cardinal Mundelein, then archbishop. All of the 190 guests, including the archbishop and Dr. John B. Murphy, famous surgeon now dead, were taken violently ill. Four guests died within a few months after Cronen injected arsenic in bouillon at the Mundelein banquet although their deaths were not directly traceable to arsenic.

RESOLUTION OF CONDOLENCE

It has pleased Almighty God in his infinite wisdom to take from among us to Realms above our beloved brother Past Grand Albert Glander.

FIVE CORNERS

Lester Nigh spent Tuesday at Fond du Lac. Miss Almeda Senn was a West Bend caller Saturday.

SURPRISE PARTY

About 75 relatives and friends gathered at the home of Mr. and Mrs. Charles Lichtensteiger. The occasion being a surprise party. Music was furnished by Mr. and Mrs. Erwin Prindle and Henry Walsh.

HOME RULE BILL BEFORE SENATE

Madison, Wis., Feb. 5.—The proposed home rule enabling act was introduced in the Wisconsin senate today by the senate judiciary committee. The bill carries out the provisions of the constitutional amendment adopted last November granting home rule to cities and villages of the state.

RAIDTKE-PELEZZI WEDDING

In Holy Angel's parsonage, West Bend, last Saturday, occurred the marriage of Myron Pelezz, son of Mr. and Mrs. Nic. Fellenz of the town of West Bend, and Miss Adelaida Raedtke, daughter of Mr. and Mrs. Carl Raedtke of the town of Kewaskum.

RESIGNS POSITION

Ewald A. Rosenthal, who has been employed as secretary of the Washington County Highway Commission for the past four years, has resigned his position. Mr. Rosenthal has purchased the window cleaning and rug washing business of Jerome Schelzel and will enter upon his new duties the first of March.—West Bend News.

WAYNE CENTER

John Schmidt was a pleasant caller at Milwaukee Tuesday. Philip Arnet was a Kewaskum caller last Friday morning.

WANT LICENSES SENT FROM PRISON

Waupun, Jan. 30.—Declaring that \$30,000 can be saved annually in the distribution of automobile licenses by having them mailed from the state prison direct to auto owners instead of having them sent to the secretary of state at Madison and forwarded from there, the Dodge county board recently passed a resolution asking the state legislature to act to have the former plan carried out.

HOUFSCHILD TRIAL DELAYED 3 WEEKS

Attorneys for Arthur Hauschild, charged with the murder of his three year old son, and whose hearing was to have been held on Saturday, Feb. 3, was granted a continuance of three weeks when the case was called for preliminary examination before District Judge George E. Page. Hauschild suffered a nervous collapse last Saturday night and was taken to the Emergency Hospital suffering from hysteria. He was to break the silence which marked his confinement, the authorities were frank in expressing a belief that the almost unsummonable mass of evidence which is confronting the man is breaking his morale and steel nerves.

HORICON MAN ARRESTED ON A SERIOUS CHARGE

A trail that started with the finding of a package of phonograph records in a snowbank in Horicon ended with the arraignment of Harry Henderson, 45, father of eight children, before United States Court Commissioner A. D. Sutherland on a charge of robbing the mails. Henderson represented by a Mayville attorney was bound over to federal court in Milwaukee under \$500 bond. Unsuccessful in his attempt to get valuable parcels from the mail sack which, it is alleged, he opened at the Chicago, Milwaukee and St. Paul depot in Horicon on Saturday to secure money, he said, for the support of his eight children and their mother, Henderson was repented when he appeared in court and declared that he had not realized the seriousness of his offense. A report of the missing parcels was sent from the Horicon post office Sunday, and United States Marshal William Phillips of Milwaukee was called. After following several fruitless leads, a package of phonograph records, one of the parcels stolen from the mail sack, was found in a snowbank near the Henderson home. Suspicion pointed at Henderson, who, it is said, had been acting strangely for several days. Inspector John Niles, after checking up on Henderson's activities, searched his home but was unable to find the missing packages until he looked in the chicken coop, where the missing articles were found under a nest which a chicken was setting.—Fond du Lac Reporter.

LOST IN MARSH, 2 MEN ARRESTED

A decision of not guilty was returned by Justice of the Peace Becker at Juneau after hearing the charges against Lee H. Burrow and John Leow, two young Washington county farmers who live near Lakeview, who were accused by Deputy Sheriff H. Lisko, Juneau of spearing muskrats on Hustiford pond. The two young men told the justice that they were visiting at Horicon and attempted to take a short cut on the river road to Hustiford, from where they expected to take the concrete to Highway 15. They lost their way in the attempt and had stopped to discuss directions when they were accosted by two men in a car, one of whom developed, was Deputy Sheriff Lisko, who learned from the young men where they lived and arrested them later.—Hartford Press.

CIRCUIT COURT FINISHES WORK

Work in the Circuit Court for Washington county was finished last week Friday by Judge Davison. The case of Agnes Dreyer vs. Mich. L. Weiss et al. came up for trial last Tuesday, the jury brought in a verdict giving the plaintiff \$2560.00. The case of Thos. Melcher vs. W. R. Amidon, both of Hartford, a \$25,000 retention of affection suit, the jury brought in a verdict of \$2,000 in favor of the plaintiff.

ST. LUCAS CHURCH

The annual mid-winter meeting of the Wisconsin Skat League will be held at the Auditorium, Milwaukee, on Sunday, Feb. 8th. Two sessions will be held at the Auditorium. The league has appropriated the sum of \$1000 for the congress and the entry fee has been fixed at \$5.00. Drawing will commence at 9 a. m. and continue until 3:15 for the first session. Drawing of seats for second session will open at 6:30 p. m. and close until 8:15 p. m. Reduced rates on all roads in the state and Chicago, which became effective Feb. 1st, will continue until Feb. 8. The will be closed returning until Feb. 10.

BIG BENEFIT CARD PARTY

The members of the Kewaskum Woman's Club are making preparations to accommodate a large crowd at the card party to be sponsored by them at the Kewaskum Opera House on Wednesday evening, Feb. 11. The proceeds of which will go toward the new high school. The following games will be played: skat, 500, cincinnati, bino and rummy. The purpose of holding the card party is for a good cause, and every individual, who has the interest of the school at heart, and also to have the building, which is now under construction, erected in the most economical way possible, cannot help but feel it to be his own interest to attend this card social. Games start at 8 o'clock. Admission 25 cents. Lunch will be served in cafeteria style after the games. Prizes to be awarded generously by business men of this village. A cordial invitation is extended to one and all.

BAD BILL CIRCULATORS BEHIND THE BARS

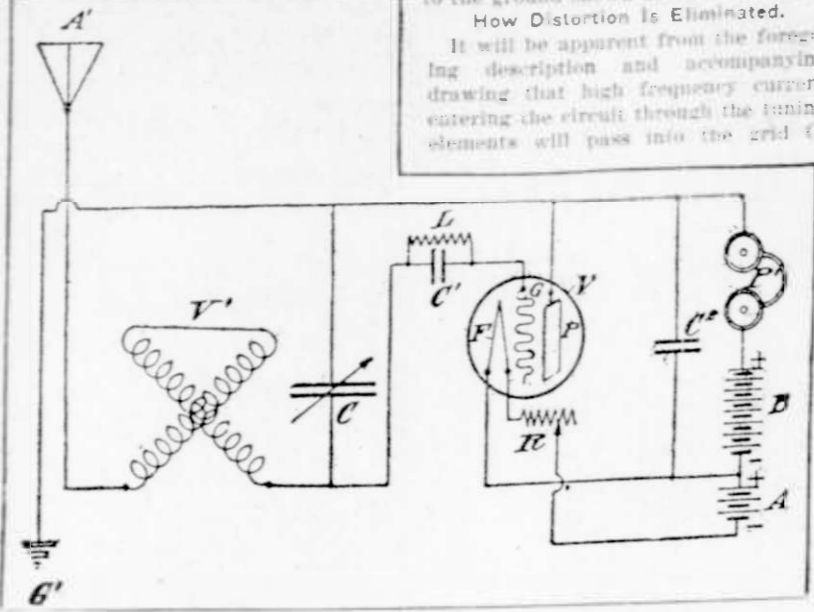

George Mann, 52, Palmyra, was sentenced to four years in Waupun and Nicholas Wleinski, 18, of 147 18th-st., West Allis, was sentenced to three years at the Green Bay reform school by Judge Roscoe Luce in county court at Elkhoron on charges of circulating counterfeit bills. Mann said that he bought a bundle of worthless \$20 bills in Milwaukee and that he gave several to the boys to pass at Whitewater. The boys denied they knew the bills were bogus. It is believed that these bills are part of the bogus money thrown out of a train window near Richfield last June by counterfeiters who were being followed by federal agents. The counterfeiters were arrested later in Minnesota and are now serving prison sentences.

METHODIST EPISCOPAL CHURCH

Sunday school 9:30 a. m., W. W. Hamlyn Supr. Lesson "Christ's Prayer for his Disciples." Divine worship 10:30 a. m. Sermon by the Pastor. Epworth League 6:30 p. m. Evening service 7:30 p. m. Anniversary service of the Adult Bible Class, Addresses by Mrs. R. Knapp, Mr. Brown and Mrs. Colo. Special musical numbers. W. J. C. Perry, Pastor. Subscribe for Statesman now.

RADIO

(Edited by G. Douglas Wardrop, Editor of Radio Merchandising.)

Application of Above Method of Tuning the Grid Provides Tonal Quality That Equals the Crystal, Its Inventor Claims.

A tuned, open grid circuit, arranged so that high frequency current may pass into the grid and thus eliminate objectionable noises occasioned when low frequency or rectified current passes into the grid, is claimed by Charles Kosnik, of New York city, in an application for a patent.

Description of Circuit. Mr. Kosnik's patent description of his circuit follows: Referring specifically to the drawing, the vacuum tube which is shown at V is of the three electrode type, the plate being indicated at P, the filament at F and the grid at G.

Important Improvement in Headphone Receiver

The radio headphone, though retaining many of the original principles, is being constantly improved to increase its sensitivity and electrical efficiency.

The whole secret of good headphones lies in the accuracy to which the air gap between the tip of the pole pieces and the diaphragm is adjusted.

Showing the Various Parts of the Receiver.

The distance between the diaphragm and each of the pole-piece tips should be the same and of the correct proportion so that the maximum volume may be had without distortion.

Correct Resistance of Rheostat Is Problem

The problem of determining the correct resistance of rheostats often confronts an experimenter who likes to design and build his own equipment.

Recharging Dry Cells

Dead dry cells can sometimes be recharged by boiling two holes in the top of the cell, on opposite sides of the center connection, each one-quarter inch in diameter and three inches apart.

Clean Contacts

Be sure that the contacts on the bottom of the vacuum tubes you use are kept clean and bright.

Use No Shellac or Paint

Never paint the coils you use in radio apparatus with any kind of paint, varnish or filler.

Balance Ration for Swine Crop During the Winter Months Feed Turnips, Potatoes or Alfalfa Hay.

The men who take losses on hogs and get out of the business are the men who keep scrub hogs, overlook the essentials of good feeding practice or close one eye to market requirements.

High-priced grain suggests the substitution of the cheaper yet suitable basis roughage for hogs. Cooked turnips or small potatoes, mangel or sugar beets, skim milk and alfalfa may all be used during the winter months.

Boarder Sows Costly.

Boarder sows are as costly as boarder cows. The time has come for checking up the sows whether grade or pure bred. Set a standard for size of litter.

Fresh Air Essential.

Fresh air is as essential for pigs as for other stock. Pigs can stand cold temperatures provided their buildings are dry and they have a warm dry bed to sleep on.

Choice Breeding Hen Is Most Profitable Fowl

A choice breeding hen laying one or two eggs per week may prove far more profitable than a mere layer of market eggs shelling out six and seven eggs per week.

Common Kerosene Oil Is Good for Treating Ulcers

Some people have had great results by treating ulcers with common kerosene oil. Put a spoonful of the oil on a ball of water and dip the heads of the sick birds into it.

Specially Bred Animals

Farmers with dairy experience will do well with specially bred dairy animals. Beginners can grade up herds by using pure bred bulls on their ordinary cows.

Soy Beans Returned Big Profit in Ohio Importance of Inoculation Is Clearly Shown.

Soy beans returned a profit of \$20 an acre on the farm of John Boatman, Gallia county, Ohio, last summer, according to his cost account sheets kept in co-operation with the county agent, P. A. Young.

The various items of cost for an acre of mid-west beans were as follows: Seed \$1.50, Preparing soil \$6.00, Plowing \$5.75, Disking \$5.50, Threshing \$3.25, Hauling \$1.50, Shocking \$3.85, Other labor \$1.40.

The yield was only 13 bushels per acre, but at that they were valued at \$2.75 a bushel, or \$36.75 an acre.

The importance of inoculation for soy beans when grown on ground where they have never been grown before was shown clearly in another demonstration field in Gallia county.

More than 4,000 bushels of soy beans were seeded in the county last year, in the opinion of Mr. Young. Not counting what seed was grown in the county, and then used last spring on the farms for seed, about 3,000 bushels of soy beans were used for planting above what was grown the year previous.

Rag Doll Tester Can Be Used to Good Advantage

The rag doll tester, which can be used to good advantage in testing seed corn, consists of a piece of cloth from 12 to 15 inches wide and of any convenient length—6 to 12 feet.

Three Classes of Pests Controlled by Poisons

Insects are in a general way divided into three classes relative to control measures and there are classes of insecticides for each. Insects that devour the plant tissues outright can usually be killed by a stomach poison such as Paris green, arsenate of lead, arsenate of zinc, etc.

Feeding Alfalfa to Sows

Sometimes brood sows experience difficulty in eating enough alfalfa out of the rack to insure the kind of litters they want.

FARM NOTES

Getting manure this winter for fertilizing the home garden next spring is a good progressive practice.

The raising of improved live stock is not a "game," nor a rich man's hobby; it is a practical farmer's business.

Guesswork does not tell which cows of the herd pay and which ones are boarders. Cow-testing records compel every cow to stand up and face the music.

The present price of corn makes it especially profitable to use a self-feeder for hogs. In addition to the more economical gains made by providing a balanced ration, the feeder avoids the loss of grain which always occurs during wet weather.

By keeping private records or by membership in a cow testing association over a period of six or seven years, it is possible to increase the production of a herd of cows 40 to 50 per cent.

Let Tanlac restore your health

If your body is all fagged-out and run-down, if you are losing weight steadily, lack appetite, have no strength or energy—why not let Tanlac help you back to health and strength?

So many millions have been benefited by the Tanlac treatment, so many thousands have written to testify to that effect that it's sheer folly not to make the test.

Tanlac, you know, is a great natural tonic and builder, a compound, after the famous Tanlac formula, of roots, barks and herbs.

Don't put off taking Tanlac another precious day. Step into TANLAC VEGETABLE PILLS FOR CONSTIPATION.

TANLAC FOR YOUR HEALTH

Real Brotherhood. Some years ago there was a shooting on Eighteenth street. A negro shot another over a dice game. The ign user was arrested by a negro policeman who turned the prisoner over to another dark-skinned member of the force.

Boschee's Syrup. Allays irritation, soothes and heals throat and lung inflammation. The constant irritation of a cough keeps the delicate mucous membrane of the throat and lungs in a congested condition.

Not "Or," but "And." A university president was complaining about the worship of wealth that has seemed to characterize our time.

Genuine BAYER ASPIRIN. SAY "BAYER ASPIRIN" and INSIST!

Unless you see the "Bayer Cross" on tablets you are not getting the genuine Bayer Aspirin proved safe by millions and prescribed by physicians 24 years for

Colds, Headache, Neuralgia, Lumbago, Pain, Toothache, Neuritis, Rheumatism.

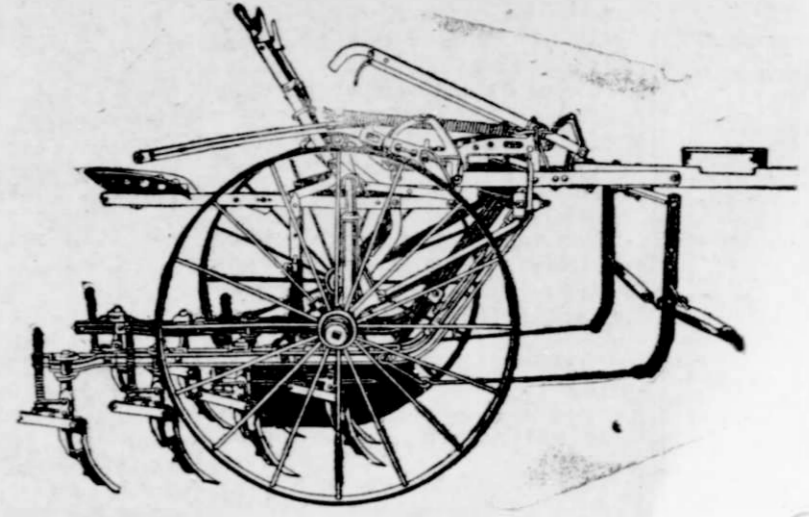

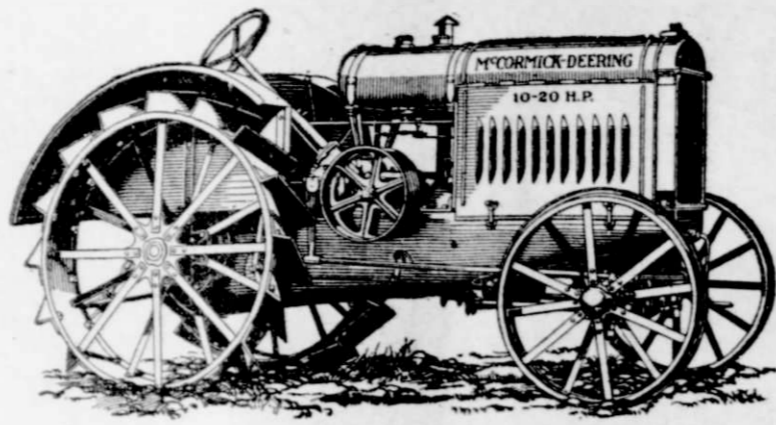

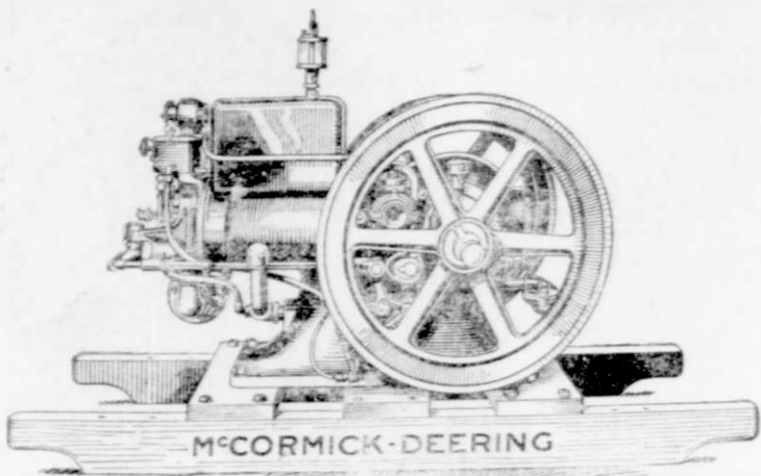

Safe. Accept only "Bayer" package which contains proven directions. Handy "Bayer" boxes of 12 tablets. Also bottles of 24 and 100—Druggists.

If You Have RHEUMATISM DON'T FORGET! Pain in Back or Piles or know of a wound on man or beast that will not heal, try this oil.

Kills Pain and Heals. A 10¢ bottle mailed free for 2¢ stamp. M. R. ZAEGEL & COMPANY, 630 Eighth Street, Sheboygan, Wis.

CANCER. Write today for our fully illustrated booklet on Cancer and its treatment. It is free. DR. WILLIAM'S SANATORIUM, Washburn, Wis.

McCormick, — Deering, — International, — P&O

YOU know these trade names. Your father and grandfather knew three of them. They knew in their time, and you know today that these names stand for the highest quality farm machinery in the world. McCormick built the first practical reaper, Deering sold the first twine binder and was a good-twine pioneer, and William Parlin was one of the first steel plow pioneers. The lines of harvesting machines and plows started by these farm ma-

chine builders have been growing and developing ever since. Other machines have been invented and developed by the same manufacturers, and every new machine and implement has had built into it the years of manufacturing experience and farm knowledge accumulated by McCormick, Deering, Parlin and their successors. Now all of these machines and implements have been merged into one line—the International Harvester. The reputation of every machine and implement in this line is the same.

We Sell the International Line

What does this mean to you as a farmer? It means, first of all, that you can buy any farm machine or implement you may need, right here in this town, without taking chances on experiments or implements that might be "orphaned" one or two years after you buy them because of the manufacturer going out of business. You can always get repairs for any machine or implement in the International line because the Harvester Company will never go out of business. You are assured of reliable machines because every machine in the Harvester line is tried out and tested under actual farm conditions, before being offered for sale to the farmer. The Experimental Department of the Harvester Company is the most thorough and active institution of its kind.

on all of these machines through one concern—us. You don't have to go to the bother and inconvenience of trying to get repairs and service from half a dozen or more different companies. You won't be taking chances on expensive delays waiting for repairs during the busy seasons because we are going to carry a big stock of repairs on hand and any repairs that we might not have we can get for you in a hurry by a 'phone call to the International Harvester branch house.

Tack this advertisement up in your machine shed so that whenever you need repairs for any of your International machines you will know where to go. Also, you will know where to go when you are in the market for new machines or implements of real quality and the highest operating efficiency.

It means, second, that you can get repairs and repair service
