MR. A. RADTKE MEMORIAL SPEAKER

The committee in charge of arranging the program for Memorial Day, next week Friday, May 30th, have practically finished their work.

Mr. Radtke comes here highly recommended as an able speaker and will have something interesting to talk about.

Everyone having the opportunity should avail themselves of it to hear him.

As this is the greatest day in the year to honor the dead heroes, we all owe it to those who sacrificed their lives in all wars, to save our country, to do our duty, not only by decorating their graves, but also by attending the exercises which will be held at the High School after the parade.

We are unable to state at this time just what the line of march will be. All ex-service men whether you belong to the Legion or not are urgently requested to march, and to assemble at the school grounds promptly at 9 o'clock in the morning.

Those who have uniforms and can wear them should do so, those who have no uniform can wear their Legion cap or army cap or hat, at any rate come and march and swell the crowd.

The program as arranged is as follows:

- Song "Anvil Chorus".....High School Glee Club
Recitation "Wearing of the Poppy".....Viola Backhaus
Song "The Stars and Stripes".....7th and 8th grades, Holy Trinity School.

Recitation "For My Country".....Curtis Romaine
Vocal Solo.....John Louis Schaefer
Selection—March Militaire and Intermezzo Russe.....Rhythm Band
Song—Patriotic Numbers.....Girl Scouts

Recitation "Memorial Day".....Marcella Klockenbusch
Song "Soldier Boy".....Boy Scouts
The Girl Scouts will sell poppies on that day, the proceeds of which will be divided equally between the girl scouts and boy scouts.

2500 CHILDREN RECEIVED INJECTIONS
More than twenty-five hundred Washington county children have received toxin-antitoxin injections to prevent diphtheria, according to Miss Ruby McKenzie, R. N., Washington County Nurse.

The program was especially successful in that no ill effects from the injections were reported. As far as can be learned, no child felt sufficiently uncomfortable to keep him from attending school regularly, the teachers reporting splendid co-operation on the part of the children.

"We are very gratified," says Miss McKenzie, "with the number of children who have taken part in our crusade to remove diphtheria from Washington county. By using the simple preventive measure of toxin-antitoxin the fathers and mothers have saved the children from the possibility of being physically handicapped for life."

The Tale the Census Tells By Albert T. Reid

FIRE DESTROYS LOCAL GARAGE

Fire of unknown origin partly destroyed the garage on the Joe Hermann place located on Fond du Lac Ave., early Thursday morning.

The fire was discovered at about 3:45 by a tourist, who was driving by noticed the flames issuing from the garage building which was a frame structure. He immediately gave the alarm and the prompt response of the local fire department, the fire was put under control.

Besides the garage, the Hermann dwelling which is built onto the garage, was also entrapped in flames, the fire having found its way into the building, and damage was done by fire and water to the east end, of the interior of the house which also is a frame structure. None of the furniture was damaged.

Mr. Hermann and family together with a number of citizens, in fact all of the property owners living in the block where the Hermann buildings are located, can congratulate themselves today, that Kewaskum is equipped with a waterworks system, for fire protection, for had it not been for that fact, practically the whole block in which all of the buildings, built of frame and standing closely together would today lay in ashes, and the damage would have amounted to many times more than what the waterworks system actually cost Kewaskum or what it would have cost had it been installed at a much higher price.

Through the splendid work of the fire company, with the aid of the water system, the fire, fanned by a strong wind, blowing from the northwest, just from the right direction to cause the flames to wipe out the entire block making all those who witnessed the scene of conflagration hold their breath in the thought that it would end in the most disastrous fire in the history of Kewaskum, the fire was soon put under control. So effective was their work that only half of the garage building which was entirely enveloped in flames, was burned, and the outside of the dwelling on the east side, was scorched, while most of the damage done in the interior was caused by water. With this new system of fire protection Kewaskum has evidently made no mistake in installing it, which was demonstrated in last Thursday morning's experience. Though it cost several thousand dollars to have this protection, it is but a small amount as compared to the damage which might have resulted had the village been without it. Not only is Kewaskum now equipped with good fire protection, resulting in the lowering of insurance rates, but the city water is of very good quality, and all those who can afford to have it installed are making, we believe, a mistake by not doing so.

The citizens of Kewaskum surely congratulate the members of the local fire company for their splendid work in not only extinguishing the fire as rapidly as they did, but doing as little damage to the house and furniture as they did. The work done by the fire laddies can be pointed to with pride.

The loss is estimated by Mr. Hermann to be between seven and eight hundred dollars, covered by insurance. On Wednesday evening, May 28th,

BOOST FOR KEWASKUM ALUMINUM WARE

The Kewaskum Aluminum factory, one of the few factories in the United States, which is not only running on full time, but employing as many people as the factory will permit, to fulfill the orders, doing a greater business so far this year than it has since it was organized ten years ago, received a fine compliment upon the good products turned out.

The fact that the company is kept busy, is the result of the kitchen utensils turned out by the company which are of such superior quality that its products are known and sold over the United States. That the products manufactured by the company fulfill the requirements of the housewife, is verified by a statement made in a letter by M. Graham Netting, assistant curator of Herpetology of the Carnegie Museum Department of the Carnegie Institute, Pittsburgh, Pennsylvania, who used one of their products, namely, The Kickapoo Camping Set daily for four months of his travels in Venezuela. The letter referred to reads as follows:

April 24, 1930. Kewaskum Aluminum Company Kewaskum, Wis. Dear Sirs:

The Kickapoo Camping set which I purchased from you last July was used daily for more than four months in Venezuela. It withstood the rough usage of camp life and the frequent packing in burro cargos very well. At the end of the expedition it was presented to our camp boy, not because it was worn out, however. I am quite satisfied that no other inexpensive outfit can compare with this set for compactness, lightness and service.

I enclose an order for another set. Very truly yours, M. Graham Netting Asst. Curator of Herpetology.

MEMORIAL DAY EXERCISES AT BOLTONVILLE

Tri-Angle "B" Post No. 193 of the American Legion of Beechwood, Batavia and Boltonville invite you to attend the Memorial Day exercises to be held in the M. W. A. Hall at Boltonville Friday, May 30th at 1:00 P. M. A good program will be given by the pupils of the Batavia and Boltonville graded schools and the Grafton Junior band.

A meeting of Washington county Democrats will be held at Goring's at Big Cedar Lake next Saturday, May 24th, for the purpose of electing delegates to the Democratic state conference.

The fire department will sponsor a benefit dance at the Kewaskum Opera House. The proceeds of which will go towards buying additional equipment for the department. The fire laddies certainly deserve a just reward for their good work done by not only attending the dance but buying a ticket when approached by anyone of the members. Music will be furnished by Billy Marquardt's orchestra.

STAGE HOME TALENT PLAY HERE

The town of Scott Dramatic Club of the Immanuel Lutheran church, will stage a home talent play at the Kewaskum Opera House on Thursday evening, May 29. The play is entitled, "The Winding Road", a three act comedy drama and will be given under the auspices of the Ladies' Aid society of the Immanuel Lutheran church and will be produced by special arrangement with T. S. Denison Company of Chicago. The play was presented at the Firemen's Hall at Batavia on May 14th by the same cast as published below with such an overwhelming success that they have been asked to stage same again.

The play is one full of exciting moments and comedy superb. It is a case of laugh and the world laughs with you, a good chance to drive those blues away. The curtain will rise promptly at 8 o'clock. Admission, reserved seats 50 cents, general admission 35 cents and children 15 cents. Reserved seats will be on sale at Endlich's Jewelry store. The cast of characters is as follows:

Camilla Ray, An orphan in search of a mother.....Mrs. Elvie Staeger
Billy Ray, An orphan in search of a mother.....Leo Gatzke
Pansy Black, An ebony treasure.....Mrs. Lily Mason, Mother, A good imitation.....Mrs. Ervin Krautkramer
Dick Mason, Alias Daddy Johnny Harrison, Not what he seems.....Rudie Bleck
Sheriff Theodosia Flicker, The law in petticoats.....Mrs. Rudie Bleck
Skidwell Flicker, Skid, The sheriff's husband.....Ervin Krautkramer
Kay Ellison, With a problem and a secret.....Mrs. F. Hintz
Ralph Gladden, In love with Kay.....R. L. Bauer
Jim Smith, An ungrateful? son.....Elvie Staeger

Time—The present. Place—A small town in New Jersey. ACT I. Living room in the home of Camilla and Billy Ray on Christmas Eve. ACT II. Same as act I five days later. ACT III. Early evening in June. Time of acting 2:15 hours.

CHURCH NOTICE

St. John's Lutheran church, New Fane. Regular English services, Sunday, May 25, at 7:30 p. m. Annual picnic of St. John's church will be held on the school grounds on Sunday, June 29, under the auspices of the Ladies' Aid. The Freistadt band has again been engaged. Unusual cafeteria lunch will be served.

SALEM REFORMED CHURCH

Wayne Center Special services Sunday, May 25th, at 2:15 P. M. at which service the installation of Rev. A. A. Graf will take place. Rev. C. Rupert of West Bend and Rev. Paul A. Oim of Waubesa will have charge of the services. The members of the congregation are heartily invited to attend. The services will be in the German language. Sunday school at 1:15 P. M. No services in the morning.

JOINED IN BONDS OF MATRIMONY

DELLING-BOEGEL WEDDING A pretty wedding was solemnized at the St. Michaels Catholic church on Tuesday morning at nine o'clock, May 20th, when Miss Eleanor Delling, daughter of Mrs. Nic Uelmen of the town of Kewaskum became the bride of Roman Boegel of St. Kilian. Rev. Joseph F. Beyer officiated. The bride was attended by Miss Marcella Uelmen as maid of honor and Miss Leona Boegel, as bridesmaid. The groom's attendants were Elroy Pesch as best man and Orlando Strobel as usher. Miss Edna Wondra was flower girl and carried a basket of mixed flowers. She was dressed in a green taffeta dress with head band to match. The bride wore a white satin dress trimmed with Spanish lace. She wore a veil in cap effect trimmed with rhinestone and pearls with lace. The maid of honor wore an orchid dress with head band to match. The bridesmaid wore a peach colored dress. Both attendants carried a bouquet of roses, sweet peas and baby's breath. Following the ceremony, a reception was held at the home of the bride with about 75 guests in attendance. The home was decorated with pink, white and green crepe paper. In the evening the bridal party together with about 150 relatives and friends gathered at Kofala's hall at New Fane where the occasion was duly celebrated. Their many friends extend hearty congratulations and best wishes for a happy married life.

ABEL-DOMANN WEDDING The marriage of Miss Clara Abel, daughter of Mr. and Mrs. John Abel, Sr., of West Bend, to Erwin Domann, son of Mr. and Mrs. H. Domann of the town of Auburn, took place Saturday evening at 7 o'clock in St. John's Lutheran church at West Bend. Rev. H. J. Anger performed the ceremony. The couple were attended by Miss Siarella Domann of Sheboygan, as maid of honor and Miss Pearl Schneider, as bridesmaid. The little Misses Pauline Hoese and Ethel Domann were the flower girls. George Abel and Alton Domann, attended the groom. The latter is from Sheboygan. A reception was held at the home of the bride's parents after the ceremony. Mr. and Mrs. Doman will be at home on the farm of the groom's parents.

REPUBLICANS HOLD BIG MEETING Forty regular Republicans met at the Moose hall last Monday evening in the largest meeting of Republicans held in Washington county for a good many years. Delegates were here from three villages, two cities and five townships in the county. Ed. J. Gehl of Hartford and Jos. J. Huber of West Bend were elected temporary chairman and secretary. Delegates to the Conference at Oshkosh were elected as follows: Ralph Petri, Wayne; Art Koch, Kewaskum; Ed. J. Gehl, Hartford; John Rosenheimer, Slinger; J. J. Aulenbacher, Richfield; Henry P. Schmidt, Robert H. Rolfs, Jos. J. Huber, C. S. Hayden, West Bend. Following the election of delegates and alternates the meeting formed a permanent organization with Henry P. Schmidt, West Bend, chairman; Jos. J. Huber, West Bend, secretary and W. E. Kuehlthau, West Bend, treasurer.—West Bend News.

PERSCHBACHER-GARVENS Announcement was made of the engagement of Bernice Perschbacher '30, daughter of Mr. and Mrs. A. A. Perschbacher, Kewaskum, to Howard Garvens '29, son of Mr. and Mrs. O. L. Garvens, Wauwatosa, at the Alpha Delta Pi spring formal Friday night, May 16, which was held at the Madison club. Miss Perschbacher is also a member of Phi Upsilon Omivron. Mr. Garvens is affiliated with Triangel fraternity and is a member of Phi Lambda Upsilon, honorary society. He is now superintendent of the Chromium corporation which is located at Milwaukee. The above clipping was taken from one of the Madison newspapers.

GRADUATION AT ST. MICHAELS NEXT SUNDAY Five pupils will graduate with the highest honors from St. Michaels school next Sunday evening, May 25. The graduation exercises will be in connection with the evening services at 7:30 o'clock at St. Michaels church, and will consist in an address by the pastor Rev. Jos. F. Beyer followed by the presentation of the diplomas to the graduates: Gregory Theusch, Anthony Uelmen, Agnes Gross, Leo Wiedmeyer and Albert Theisen. The solemn services will close with Benediction and Te Deum. The graduates have chosen as their motto "God Our Goal," their class colors, silver and gold rose, their class flower, the lily of the valley and the Blessed Virgin Mary as their class patron.

SALEM REFORMED CHURCH Wayne Center Special services Sunday, May 25th, at 2:15 P. M. at which service the installation of Rev. A. A. Graf will take place. Rev. C. Rupert of West Bend and Rev. Paul A. Oim of Waubesa will have charge of the services. The members of the congregation are heartily invited to attend. The services will be in the German language. Sunday school at 1:15 P. M. No services in the morning.

AIRPORT DEDICATION A BIG EVENT

The dedication of West Bend's new airport, which will take place on Sunday, May 25, promises to bring to West Bend a crowd of five thousand or more. The dedication is sponsored by the local post of the American Legion, and with the help of many other progressive citizens a program is being arranged which will fill an afternoon with real thrills. On Monday evening the committee had another meeting and arranged for additional special attractions for the entertainment of those who will attend the dedication.

It was decided to secure Capt. J. H. Hedley, known as "The Luckiest Man Alive," who will give his brief yet thrilling lecture on "Rambling thru the Air." He will tell how, when over the German lines in the World war and when three miles above the earth, he was thrown out of his plane and fell three hundred feet. While he was falling the plane also shot downward, and he miraculously landed on the tail of his plane and returned safely home. Capt. Hedley will come to the airport in a plane.

It was further decided to secure three planes from Wisconsin Rapids to carry passengers during the day. One of these is a Ford tri-motor plane with a carrying capacity of fourteen persons, and another is a Fairchild cabin plane with a four-passenger capacity. Two parachute jumpers will accompany these planes to make descents from dizzy heights. Six army planes will also come from Elbridge field at Mt. Clemens, Mich. Another splendid attraction for the day will be the American Legion Fife, Drum and Bugle Corps of Fond du Lac, national prize-winners. This organization of thirty-five or more men, fully uniformed, will make a parade on Main street and during the afternoon will give drills on the airport field.

It was decided that in order to be able to meet the expenses a small admission fee must be charged. This will be 25c for adults and 10c for children, with no charge for parking on the airport field. No parking will be allowed on the sides of highway 23, this is to prevent congestion and to assure safe traffic.

REAL ESTATE DEALS That the real estate business is commencing to liven up and again come to its own, after a few dull years, can be seen by the large real estate deal that was closed by A. L. Rosenheimer, last week when he sold 120 acres of their 240 acre farm, formerly known as the Ed. Ferber farm, located near the Gage's cemetery in the town of Auburn to Robert Ramel and Walter Gatzke of near New Fane. The 40 acre farm owned by Mr. Ramel was traded in as part payment on the deal. One of the barns located on the Lomestead will be moved onto the newly acquired land of Messrs. Ramel and Gatzke, and a new dwelling will be built onto same as soon as possible. Possession was given the new proprietors immediately.

Another real estate deal was closed last week when Fred Mehlius of the town of Wayne sold his 80 acre farm to William Engler. Consideration private.

GARAGE OWNERS ARE WARNED Warnings to members of the Association of Commerce, particularly garage and service station owners, were sent out from the association offices Tuesday advising them to be on the lookout for a "fake" salesman with a new pay-in-advance scheme for exploiting workmen and employers. Exhibiting a sample of overalls of an extra fine quality, the salesman offers a great bargain, the only requirement being the down payment of \$1 on each order. The scheme has been worked in Neenah-Menasha and other Fox River valley cities, and it is believed the man may be heading this way. Investigations by associations of commerce in other cities have shown there is no such firm as the St. Louis house which the salesman claims to represent.

DEATH OF JACOB KONRAD Jacob Konrad aged 80 years, of the town of Ashford, died at his home at 8 p. m. Friday, following a several weeks' illness. Deceased was born in Germany on September 16, 1850. He is survived by five children, namely: Oscar and Elizabeth at home, William of Batavia, Mrs. Ida Wissbroeken of Antigo and Mrs. Rose Yockey of Waldo, and a brother Peter, of Batavia. His wife died June 17, 1928, and a son in 1916.

FEED GRINDING After June 1st, we will grind feed on Mondays, Wednesdays and Saturdays only, until further notice.—L. Rosenheimer. 5 23 22.

RUNNING EXPENSES

the expenses of this business, Sam." Partner—"That's usually the case with running expenses, Bill."

Warranted a Sure Cure
Jude Johnson stays at home at nights now.
Mrs. Johnson cured him of "the lodge habit" in this manner:
The other night, on arriving at home, he knocked at the door.
And Mrs. Johnson, whispering through the keyhole, asked, "Is that you, Tom?"—Atchinson Globe.

"Dog-Gone!"
Jones—Sorry, old man, that my hen got loose and scratched up your garden.
Smith—That's all right—my dog ate your hen.
Jones—Fine! My car just ran over your dog.—The Wheel.

On the Movie Lot
"Are these pies to eat?"
"Must be."
"Eh!"
"They are too heavy to throw."

SPORTS POSSIBLE FOR NIGHT PLAY

Games Are Not Likely to Be Popular in Big Cities.

Baseball, racing and college football can be held at night satisfactorily from a technical standpoint. But it is unlikely that any of them will be popular in big league cities except in such cases where the night is climatically preferable to daylight.

Night college football really attracted attention to the possibilities of night baseball promotion. That was a move begun by Southern universities. They found that football practice and intercollegiate contests were objectionable because of the high temperatures prevailing down South during the football season, and tried night because of its greater coolness.

In localities where temperatures are lower, colleges still attract capacity crowds to daylight games—so why turn to the night?

It remained for one institution to discover that its night football program was more lucrative than its day program—Drake university at Des Moines. And it was this financial success that induced Lee Keyser of the Des Moines baseball club to embark on his interesting venture into night baseball.

Primo Carnera, Italy's donation to the list of heavyweight contenders, is barred from appearing in boxing matches in Wisconsin. The state boxing commission announced it would adhere to the suspension of Carnera by the national commission.

According to an announcement of the Madison Square Garden corporation, Jack Sharkey has agreed, in case he defeats Schmeling on June 12, to defend his heavyweight championship of the world against the leading opponent available, the bout to be staged in the Yankee stadium the last week in September. The garden is planning to have Schmeling sign a similar agreement.

Every Friday women and girls are admitted free of charge to the Chicago Cubs' park. Ladies' day has become so popular that the management has been forced to revise the system of handling the crowd. Hereafter, each woman must have an admission ticket to get into the park and only 20,000 will be distributed for each Ladies' day. When the ticket booth was opened at nine o'clock there were 5,000 women outside the park. The limit of 20,000 was reached before noon. Each fair Cub fan is limited to two admission slips.

Ernest Smith, Chicago White Sox shortstop, who had a reputation for going after everything and consequently making many errors, is major leaguing this year under a manager who is capable of full appreciation of the short stop who ranges wide, makes bobbles, but comes up with startling plays.

Donie Bush, leader of the White Footers of Camisley, was that kind of a shortstop himself.

"I never led the American league in anything but errors," said Donie Bush recently.

So it would seem that this former Blue youngster is under a leader who will be patient with him and who will teach him much of the finer points of shortstopping.

France, England, Canada and Cuba will be represented in the international championship star class yacht races, to be held at Gibson Island, on the Chesapeake, starting September 23. New star fleets are forming in Portugal, Spain, and Germany, but it is not probable they will attend the Maryland regatta.

Stanley Purnell of Baltimore, second baseman on the Princeton freshman baseball team, occupies a niche in baseball's hall of fame with a record of having hit two home runs in a single inning, with the bases filled each time—a stunt which never has been performed in organized baseball.

Purnell's eight runs driven in a single inning is two runs above the major league record of six runs driven in, held by Fred Merkle, one-time New York Giants star.

Ralston Hensley, the Pirates' young catcher, already classed as one of the best backstops in the National league, insists that he is not getting enough money for a catcher who has been in the big company for three years. It is said that the Pirates got him to sign a \$3,000 contract this year, which is his third, a \$2,000 bonus if he did certain things. Hensley wanted a \$5,000 salary, but found himself bucking a stone wall.

Several of Pat Page's Hoosier grid-ers who have finished their college careers may join a couple of former Indiana stars, "Chuck" Bennett, former all-conference halfback, and Claire Randolph, former all-conference center, on the pro eleven at Portsmouth, Ohio, this fall.

Faunce, the little halfback who scored the touchdown that beat Michigan two years ago, and Weaver and Ringwalt, guards, are the men thinking of tackling the pro game.

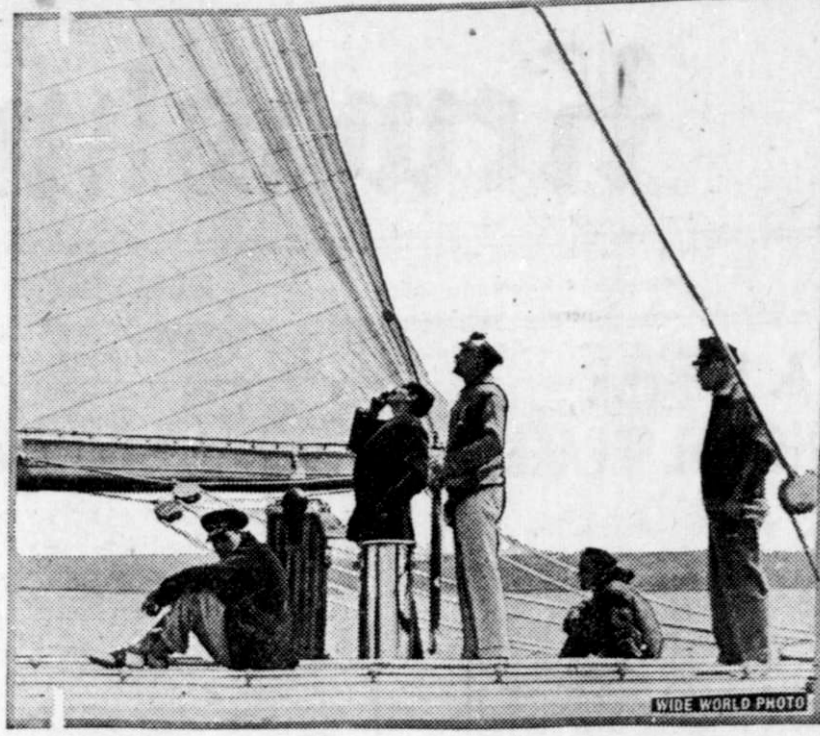

Bennett, who was one of the outstanding backs of conference history, is now with a finance company in Marietta, Ohio.

St. Louis Municipal Baseball association will require every team sponsor to sign a form in which he pledges himself to refrain from paying his players. This is the first time such a step has been taken.

Heretofore only the players were asked to sign an agreement to play without remuneration. The organization embraces 32 leagues and 173 teams.

Milton C. Work was a great ball player before he was ever heard of as a master of whist and bridge, also before masks and chest protectors were heard of. He was the star catcher of the University of Pennsylvania nine in those days.

Skipper Vanderbilt at the Helm

Harold S. Vanderbilt, skipper of the Enterprise, the first of the America's cup defenders to be launched, at her wheel during her first official test which was held off Execution light, Long Island.

Collegians Plentiful on Hartford Ball Team

The Hartford Senators of the Eastern league present quite a collegiate touch. The catchers who have their degrees are Art Newton, New York university, and Herb Bryant, Oglethorpe, Harry Greenberg, on first base, attended New York university; Noble Paynter at second base, was a pupil at St. Mary's, Oakland; John Watson, at shortstop, is from Marshall college, and Hap Briscoe, his rival, from Oklahoma. In the outfield Eke Watson starred at New York university; George Manfred, from New York university, and Walter Brown from Brown.

Schmeling Training

Max Schmeling, German heavyweight seeker for the championship, has got down to hard training for his set-to with Jack Sharkey in the Yankee stadium, June 12.

Two New Captains Have Been Elected by Bears

Two new captains have been named by athletic teams of the University of California, following the completion of the regular intercollegiate season. They are Everett "Spud" Mossman, distance runner, who will head the track team in 1931, and Harry Butler, third baseman, new skipper of the Bear nine.

Mossman, who accomplished the remarkable feat of winning both mile and two-mile runs against Stanford, succeeds Alfonso "Al" Pogolotti, hurdler, as track captain. Butler will fill the shoes of John Vallanos, second baseman.

Primo Is to Continue His Quest for Title

Leon See, manager of Primo Carnera, giant Italian heavyweight fighter, says that Carnera will continue his campaign for the heavyweight championship of the world despite the fact that he was barred by the New York boxing commission.

"Provided Carnera is given a chance to fight for the title, he will have it by the end of this year," the diminutive Frenchman said.

See said he had offers with George Godfrey from California, Tijuana, Mexico, New Jersey, Illinois and Pennsylvania.

Singer Thinks He Has Improved 75 Per Cent

Al Singer believes he has improved 75 per cent since he fought his first bout on December 14, 1928, with Tony Canzoneri as his opponent. That ended in a draw, and because Tony gave Sammy Mandell, lightweight king, a hard battle last year Singer figures he can whip the champion. He believes he is just as fast and has a harder punch than Mandell, and will concentrate on science first and the Rockford Flash on July 17 at the Yankee stadium.

Star Army Coach

Second Lieutenant Harry E. Wilson will report next fall to assist Maj. Ralph I. Sasse, head coach of the Army football team.

Wilson, who was a star halfback at Penn State before he entered West Point and continued his brilliant football career, was graduated in 1928.

He was assigned to the army flying school in Texas and won his wings as a pilot. He has been a member of the crack pursuit group stationed at Selfridge field.

LUMBAGO

A pain in the lower part of the back can torture you. But don't let it. These harmless, pleasant Bayer Aspirin tablets take away the misery of lumbago, rheumatism, neuralgia, headache, toothaches, and systemic poisons. Relief comes promptly. Genuine Aspirin depresses the heart. Look for Bayer cross, this:

Brutus Hero of Play
According to the general opinion of critics and actors, Brutus, hero of the play "Julius Caesar" speaks 727 lines; Antony, 527; Cassius, 507 lines, and Caesar lines. Richard Dudgeon first took the role of Brutus.

FEEL DIZZY
Headache, biliousness, constipation, indigestion, nervousness, etc. Take NR—NATURE'S REMEDY tonight. This mild, safe, effective remedy will have you feeling fine by morning. You'll enjoy free, thorough bowel action without the slightest sign of griping or discomfort.
Safe, mild, purely vegetable. At drug stores—only 25c. FEEL LIKE A MILLION TOMORROW

NR TO-NIGHT TOMORROW

Law-Abiding Swindler
If the number of swindlers decreases at the present rate, men will soon have a serious case of unemployment of prisoners. Today there are only 100,000 in prisons throughout the country. Barberg, a prisoner, accommodates 350 inmates, being the last 15 years since more than two or three prisoners a time. The Engelholm prison was built to hold 200 inmates only one year ago. During the year, although two were on duty throughout the year.

Let Us Show You the McCormick-Deering
New 4 Cultivator
Parallel Gang Action
Pivot Axle Pedal Guide
Clean Accurate Cultivation

THE McCormick-Deering New 4 Cultivator handles so easily that a boy can do a man's work with it. The foot pedals, which pivot the wheels to guide the cultivator, also shift the gangs in the same direction. This is the reason that the New 4 Cultivator does such accurate and close cultivating. It also accounts for its ease in handling. Just sit on the seat of this cultivator once and see how you like it. We have one on our floor.

"Ghost" Only Rabbit
Pupils of the school of Buessan, Scotland, were recently thrown into a panic by the sudden appearance at the side of the blackboard of what they took to be a fluttering apparition in white. They ran home and told of the appearance of either a ghost or an angel. Parents investigated and found that a very large white hare had gotten into the schoolhouse and had been seen to jump from behind the blackboard.

NO OWNER
has paid a cent for service

What greater proof of the supreme efficiency and economy of the General Electric Refrigerator could be asked?

Not a penny for service! What is it that makes such an unheard of thing possible? Look at that small round unit on top of the General Electric cabinet. Your answer is there.

In that amazing unit on top is housed your refrigerator's entire mechanism—sealed forever against dirt, rust—and trouble. And sealed up with it is a permanent supply of oil, that will protect the mechanism as thoroughly in the years to come as on the day you first plug your General Electric Refrigerator into its socket.

Extra storage space, accessible freezing regulator, easy-cleaning features, low running cost, quiet operation—these advantages you will appreciate many times, when you are the owner of a General Electric Refrigerator! Come in, and let us tell you about our surprisingly easy terms.

COME in and let us show you our variety of attractive models.

U. S. Plans London Naval Memorial

London.—The London office of works announced that the United States battle monuments commission has asked authority to erect a naval war memorial here.

FARMERS GRAIN CORP. BUYS HALL-BAKER CO.

Will Pay About \$3,000,000; Space for 6,000,000 Bu.

Chicago.—Outright purchase by the Farmers' National Grain corporation (the government-managed grain pool) of the Hall-Baker Grain company of Kansas City, Mo., one of the largest grain firms in the southwest...

The deal includes leases on nearly 6,000,000 bushels of elevator space in the Kansas City terminal, involving the Kansas-Missouri Elevator company, owned by the Missouri Pacific railroad, and the Murray elevator, owned by the Chicago, Burlington & Quincy. All capital stock of the Hall-Baker company is taken over by the co-operative.

The Hall-Baker Grain company, handling between 30,000,000 and 40,000,000 bushels of grain annually, is the largest exporter of grain through gulf ports and is also the largest merchandiser of milling wheat in the United States. The present intention is to continue operations under the name of the Hall-Baker Grain company, owned and operated by the Farmers' National Grain corporation...

Co-operative grain marketing leaders regard the purchase of the Hall-Baker company as a master stroke. They point out that it not only gives the pool complete control of one of the most successful grain concerns in the country, but at once establishes its port outlet for the southwestern territory.

"This transaction," said C. E. Huff, president of the pool, "indicates the great change which already has taken place, in the grain trade and in the co-operative movement. Many of the best grain firms recognize the absolute right of the farmer to market his own products and are convinced that the present movement is quite certain to succeed. They are willing to withdraw from the field and, in some instances even to aid the co-operatives. Growth of organization among the grain co-operatives has been so great within the past year that the need for additional efficient and trained men with friendly attitude toward the movement is imperative. All of the co-operative agencies in the Southwest have heartily approved this deal and express confidence in the men thus added to the co-operative personnel."

"Farmers' National Grain corporation will face the new crop with the best equipment as to facilities, organization, men and finances ever controlled by a United States grain firm. Our members are confident of the future."

Wisconsin Governor Not Guilty of Slush Charge

Sheboygan, Wis.—A special verdict finding Gov. Walter J. Kohler not guilty on charges of violating the state corrupt practices act was returned by a Circuit court jury here.

Judge Gustave Gehrz will decide within a few days whether the verdict shall stand or be overruled. The charges against Kohler were filed more than 15 months ago by Philip F. LaFollette and three others in the Progressive G. O. P. faction. The governor is a member of the rival "Conservative" faction. He was alleged to have spent more than the \$4,000 allowed by law in the 1928 primaries. The case was tried only after a decision by the Supreme court and lasted 23 days.

Cutter Captures Beer Ship With \$80,000 Load

Green Bay, Wis.—The tramp steamer Ansterberg, with 4,000 cases of Canadian beer and ale aboard, was captured by a crew of the Plum Island coast guard station as it attempted to run into Green Bay from Lake Michigan.

At reported current prices of \$20 a case for Canadian ale, the cargo of the ship is valued around \$80,000. The six men in the Ansterberg, armed with rifles, offered no resistance when the coast guardsmen boarded the ship.

Britain to Build New Giant Dirigible, R-102

London.—England's determination to become mistress of the air as well as mistress of the seas was further confirmed with the announcement that plans have been completed for the construction of a new giant dirigible, named R-102, which will be larger, faster, and more economical than the two recently finished British airships.

Keeps Madrid University Closed

Madrid, Spain.—The authorities ordered that the University of Madrid and the San Carlos School of Medicine be kept closed. The buildings remain under guard as a result of the student riots in support of agitation for a republic.

Miller, S. D.—Mrs. Schwartz Englemann, one of the oldest women in the Northwest, is dead at the age of one hundred and one.

Farm Bureau Backs Shoals Bill

Washington.—The farm bureau federation has given its support to the Reece bill for leasing Muscle Shoals by a commission to be appointed by the President for private operation, it was indicated after a White House conference.

Women's Net Matches June 6-7

Baltimore, Md.—The Sears cup matches, major team tennis competition for women, will be staged at the Baltimore Country club June 6 and 7.

CHIC GLOVES ARE IMPORTANT OUTFITTING OF LITTLE GIRLS

HUSBANDS and fathers please take notice, from now on the dress allowance for wives and daughters must be increased. Henceforth and until further notice the budget must be made to cover the expense of gloves ranging from the most formal types to every conceivable kind such as time place and costume may demand. At every Paris couture opening, the glove is being made a theme of out-

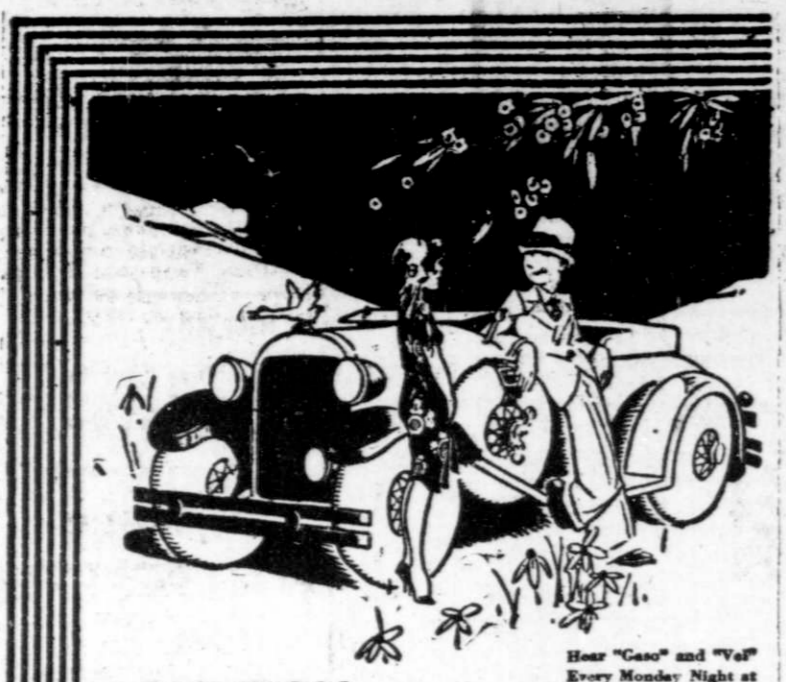

Illustration herewith carries with emphasis. The graceful drooping which this little girl's dress matched to the rose color of her frock. Which is as it should be, even in the little frock, the costume must present a harmonious scheme from head to foot. In this instance the dress is made of shantung with delicate patterning and a blue and rose color background. Designers, manufacturers, family dressmaker and women in general are realizing the wealth of lovely materials this season are at their disposal. Making of little frocks, especially particularly the prettiest, the same time practicality of ed shantungs and printed floursish in the fabric showing wise the wearableness and neatness of printed crepe.

In making up youngsters the very style points which contribute so conspicuously to smartness of adult fashion are exploited in the children's with utmost enthusiasm. From the little dress in the plumed with the popular cape sleeve circular-flare neckline, and a sophisticated jabot made of tertia. Another model which appeals to the mother and grown-up sister is a jacket suit, made of lively grey. Most cunning models in the laying aside to little daughters. Outstanding among these is the et-and-skirt suit of printed crepe.

the other accessories. For afternoon longer slips have become the rage. These are usually of suede or mocha in off-white shades, yellow or pinkish beige to blend with the stockings as a rule. A very smart color note for this season is to have gloves, hat, bag, and shoes of one shade. Pull-ons with decorated flare cuffs are also considered good style. Several interesting types are shown in the upper picture, also the newest lace mitts. With her handsome gown of white beaumont moire, the evening-attired lady as illustrated is wearing an exquisite pair of long pale blue lace gloves. Rhinestone buckles and a bow on one shoulder and at the belt provide the only trimming for her modestly fitted-at-the-waist frock. Attire for Small Girls. The call of the wide-brimmed hat is heard in the children's realm. From juvenile headquarters comes the welcome news that lovely big leg-horners than which there is no more flattering type for youngsters, has come into its own once more. A gay print frock topped with a ribbon sashed or banded leghorn bow with a dainty little miss never fails to make a "perfect picture," and the ti-

Green Seaming A black flat crepe frock, made with an intricately cut molded bodice and tight hipline, has all of its seams made to show the tiniest line of spring green. The yoke and deep cuffs are of green. Green Footwear London boot shops are now offering many new shades of green. From the bronze. Green shades seem to have caught the fashionable fancy and the fair is dotted with green-footed little followers. Short Sleeves For daytime, especially in the little short sleeve is coming in force. There is no sweet print that ends its sleeves above the elbow.

ATTENTION HIGHWAY COMMISSION!

Government experts predict that highways will soon be made of rubber. Gas says, "Maybe it won't be so long before motorists will be able to knock down a pedestrian... and then sock him again on the second bounce".

However, while you are waiting for this development, it is wise to keep your motor free from trouble by patronizing your nearest O'Neil Service Station.

30 DAY OFFER UNTIL JUNE 10TH

\$30.00 FOR YOUR OLD STOVE

INTRODUCTORY OFFER ON THIS NEW SKELGAS STOVE

Probably you have wanted to enjoy the advantages of cooking with Skelgas, but have not wanted to discard your old stove. To introduce an entirely new Skelgas stove, the #570, the most beautiful stove we have ever seen, we are making a very unusual offer.

Your Skelgas stove is supplied with gas from one of your two cylinders of Skelgas which are housed in a beautiful steel cabinet outside your home. They bring you the speediest, safest, cleanest fuel known—the fuel that half the women in America enjoy, and that the other half heretofore have had to do without.

We will pay \$30.00 for your old stove and apply the money on this new 15 feature Skelgas stove. We are doing this to make it possible for you to enjoy the advantages of gas cookery without having to sell your old stove at a great loss. The offer lasts only until June 10, and is good on only a limited number of stoves during that period, so hurry before we have sold our allotment.

Come in and see this new stove. We honestly think it is the greatest bargain ever known in the stove industry, or in the gas industry. And soon it can be in your kitchen, helping relieve household drudgery. Payments if you desire them. But come now.

15 FEATURES...

- 1 Impressive Beauty. In gleaming white, trimmed in soft, blue-tinted gray.
- 2 Stain Resisting Porcelain Enamel. Every part, inside and out, finished in gleaming porcelain enamel.
- 3 Easy to Clean. All corners rounded. Damp cloth cleans every part.
- 4 Four High Speed Top Burners. and One Simmer Burner. Especially designed, giving highest top burner efficiency known. Black porcelain enamel.
- 5 "Turney" Valve Control. Newest, sturdiest type of valve.
- 6 Concealed Manifold. Newest thing in stove construction. Conceals all pipes and valves, leaving only attractive "Turney" handles exposed.
- 7 Stain Resisting Porcelain Drip Tray. Catches all drippings from cooking.
- 8 Roomy Utensil Drawer. Everything you need is within reach. Saves miles of steps each year.
- 9 Over-Size Oven. Large enough for banquet and dinner party meals. Bakes everything evenly, whether on top or lower rack.
- 10 Heat-Tight Oven with specially designed insulation. Rock wool, heavily blanketed and quilted, and dead air space keep the heat in. Abolishes old time over-heated kitchen.
- 11 Bakes from Cold Start. Pre-heating not necessary. Cooks in same time as pre-heated oven.
- 12 Oven Heat Regulation. Put in food, light the oven, set the regulator, then go about your work or even to town. Return at meal time, and find the food perfectly cooked. Appeals to women who like to save time and who want to do other things than cook all day.
- 13 Self-Supporting Oven Racks. Supports are strong enough to hold up loaded oven racks.
- 14 Speedy Broiling Oven. Broiled foods are the epicure's delight. Foods never fat-soaked or hard to digest. Perfect for cooking steaks, chops, bacon, ham and fish.
- 15 Sturdy Gray Iron Legs, fully enameled. Made of best grade gray iron. Legs are typical of the sturdy construction throughout. No utility sheet iron or light steel parts used. Only best gray iron and 20-gauge Armaco enameled stock used throughout.
