MOTHER'S PENSION SHOW INCREASE

Fond du Lac county has spent \$275,762.50 in mother's pensions up to and including this year since these payments began in 1925. The amount this year was \$64,293 compared to \$54,277 last year. In 1925, the first year that pensions were paid, the amount expended was \$20,105. During that year the number of persons receiving aid from this source was 79, while in 1932, 214 persons benefited by the law. The

supervision of pensions will in the future be in charge of Judge H. M. Fellenz. Same being transferred from the county court jurisdiction to the municipal court in compliance with the action taken by the Fond du Lac County Board of Supervisors at one of their sessions last November.
The home of Mr. and Mrs. Loren Keller at New Fane was brightened on New Year's Day with the arrival of a baby girl. Congratulations.

Began a Big Industry
The shoe industry of this county was begun in 1829 by Thomas Beard, who came over on the Mayflower on its third voyage and brought hides for making shoes. Seven years later Philip Kertland, of Buckinghamshire, began making shoes in Lynn, Mass. Since that date the state of Massachusetts has come to lead the world in the manufacture of boots and shoes.
Without an Umbrella
Into each life some rain must fall, of course, but some of us seem destined to live in a perpetual waterpout.
