NUMBER 3

Sen. Wiley to Address Moraine Scouters at Annual Meeting in Kewaskum Monday Evening

SCOUTERS OF TEN COMMUNITIES IN DISTRICT TO MEET AT HOLY TRINITY PARISH HALL

The annual meeting of the Moraine District of the Badger Boy Scout Council will be held at the Holy Trinity Catholic church parish hall in Kewaskum, Monday evening, Dec. 5. Harold Kocher, West Bend, district chairman, announces the outstanding feature of the evening will be an address by the Hon. Alexander Wiley, senior United States senator from Wisconsin.

The meeting will be attended by Cub, Scout, and Explorer leaders, unit and district committeemen, commissioners, and all those interested in the scouting program. Communities represented will be West Bend, Barton, Richfield, Germantown, Hubertus, Allenton, Kewaskum, Campbellsport, Slinger, and Hartford.

Harold Kocher will preside at the meeting. Also participating will be Harlow Roate, Campbellsport, chairman of the nominating committee; Jack Hopper, chairman of the awards committee; Gerald Muir and Thomas Beggs, scout executives of the Bader Council.

The purpose of this meeting, Kocher states, is the review of the past year's record of activity, recognition of the outstanding scouters of the district, election of officers for the coming year, and a dedication for a new year of service to boyhood.

ENGAGEMENT OF DIANE SCHAEFER IS ANNOUNCED

Mr. and Mrs. Carl F. Schaefer, Kewaskum, announce the engagement of their daughter, Diane, of Minneapolis, Minn., to Eugene McEvoy. Mr. McEvoy is the son of Mr. and Mrs. Harry McEvoy, N. 37th st., Milwaukee.

A graduate of Wisconsin State college, Milwaukee, Miss Schaefer is teaching in Minneapolis. Mr. McEvoy will graduate from Wisconsin State college next year. The young people are planning a June wedding.

Miss Schaefer is affiliated with Alpha Delta, Phi Alpha Theta, and Kappa Delta Pi. Mr. McEvoy's fraternities are Alpha Delta and Eta Sigma Phi.

SPEEDING CAR CRASHES INTO PARKED VEHICLE

Lloyd Bonlander, 18, R. 3, Campbellsport, was arrested for reckless driving when the car he was driving at a high rate of speed struck a parked car owned by Eldon Ramthun, Sr., 51, Kewaskum, on Hwy. H, about three miles west of Kewaskum at 4:30 p. m. Sunday. Ramthun had parked his car on the shoulder of the road for hunting when it was struck in the left rear by Bonlander, who continued on about 300 feet and went into a ditch. Ramthun and his granddaughter Gall were in the car at the time but escaped injury. Both cars were badly damaged.

Plan Christmas Decorating Contest Here Again

Plans are now in progress to hold another Christmas decorating contest in Kewaskum again this season. The contest will be sponsored by the village and local organizations which will donate the prizes. The prizes will be listed in a later issue.

A wider range of prizes will be offered this year in the hope of making the contest the biggest and best ever held. Last year's contest was a very successful one and there were numerous beautiful decorations.

Prizes will include an overall prize for the best religious theme, a general prize for the best door front, a prize for the best business window, first and second prizes for the best doorway, and first and second for the best tree or illumination. Honorable mentions will also be selected.

The committee in charge, date of the judging and amount of the prizes will be announced later.

KIWANIANS HEAR GAME MANAGEMENT DIRECTOR

Armin Schwengel, district director of game management for the Kettle Moraine area, spoke to the Kewaskum Kiwanis club on the activity and duties of the game management division at the club's regular dinner-meeting at the Republican Hotel Monday evening.

Schwengel explained how public hunting grounds are worked over to provide better habitat for game. He also showed slides illustrating what is being done with farm land which is unsuitable for crops but can be turned into game cover with little effort.

GIRL SCOUT DRIVE FOR FUNDS TUESDAY, DEC. 6

Funds are needed to carry out a more effective program for girls in the Girl Scout organization. The purpose of the organization is to build leadership and citizenry for tomorrow. Your help is needed to carry out the plans for the coming year.

A Girl Scout, accompanied by an adult, will call on you on Tuesday night, Dec. 6, between 6:30 and 8:30 o'clock. Any contribution you will give will be appreciated by the Girl Scouts and Brownies.

Over 100 At Open House at Sewage Plant

NEW \$260,000 BUILDING IS SHOWN TO PUBLIC SUNDAY AFTERNOON

More than 100 persons visited and inspected Kewaskum's new sewage treatment and incineration plant during the open house program held from 1 to 5 p. m. Sunday, although the snow storm and cold weather kept many others away. The new plant, located on the Kewaskum hill at the south limits of the village, was erected at a cost of \$260,000.

Visitors from Kewaskum and surrounding area were guided through the plant by village officials and demonstrations were given by Harry Schaefer, superintendent of the new plant. The plant went into operation Oct. 1, one year after construction was started.

The sewage plant is one of the few which processes waste by aeration. Engineers retained by the village reported they know of no other aeration sewage treatment plant in the midwest. Filtration and chemical treatment are the most common sewage processing systems found in this section of the country. Aeration is used by many plants in the East.

The new plant is divided into two sections—one for treating sewage and the other for burning waste in a huge incinerator. All three floors of the building are taken up by furnace equipment. The ash hopper is in the basement, the charging unit on the second floor, and the combustion unit on the third.

Tanks and lift equipment cost about \$207,000. The incinerators cost \$27,000 and the coil filter another \$13,000. The building also contains various miscellaneous machinery. The plant is capable of serving a community of 7,000 persons. The village now has a population of less than 1,500. About 50,000 gallons can be processed each hour.

Construction of the utility was started on orders of the Wisconsin State Board of Health, which had found excessive pollution in the Milwaukee river basin. Kewaskum and other communities discharging treated and untreated sewage into the river were told to revamp or build new plants.

The village used to process sewage in an Imhoff tank which was obsolete and inadequate. The tank discharged sewage which was not fully treated.

Revenue derived from charges for treating sewage will go towards paying \$200,000 worth of bonds issued for the plant construction. Rates for sewage processing will be based on water consumption. Some \$60,000 worth of general obligation bonds have been issued and will be paid for out of the tax levy. The building and equipment will be paid off by 1952 or sooner.

The plant does not manufacture any by-products from treated sewage. Not enough waste is processed to make the venture profitable at this time. The plant now is operated by one full-time worker. Provisions have been made for part-time relief help in busy periods.

Kewaskum Tax Payers Invited to Review Assessment

REVALUATION OF PROPERTY NEARLY COMPLETED; OPEN BOOK PERIOD DEC. 3 AND 9

The revaluation of all real and personal property in the village is rapidly being completed, according to representatives of Doane Appraisals, Des Moines, Iowa, who have conducted the survey.

The reassessment was petitioned for by property owners in August of 1954. The project was approved by the village board May 24, 1955 and the actual work was started in July, 1955. Since last July all buildings in the village have been measured and given exterior and interior inspections, commercial and industrial personal property has been checked for revaluation, land values have been set, and a review of the land has been made that might influence final parcel values.

The final step of the project is now being conducted to assure that all parcels have been accounted for and that all parcels have the proper property cards completed with information regarding that parcel.

It is this information regarding sales of property within the village that provides the basis for computation of values on the properties.

While the main purpose of the evaluation project was to bring about an equalization of values between properties of a like nature, another and equally important purpose was to bring all taxable property up to present day level of value, and to bring items of commercial and industrial property into line with the level of real property values.

With these purposes in mind, and in order to assure absolute impartiality, the village board contracted with Doane Appraisals to make the survey.

With the final operation of the survey now in progress, the entire project will be completed early in December, with the exception of the "Open Book" period. It is during this that interested property owners may determine the valuation placed upon their property, and have opportunity to talk with representatives of the Doane firm (CONTINUED ON PAGE EIGHT)

SANTA CLAUS TO DISTRIBUTE GIFTS AT PARTY, MOVIES SPONSORED BY KIWANIS

On Saturday afternoon, Dec. 17, the Kewaskum Kiwanis club is treating all the village and community youngsters to a Christmas party at the Kewaskum theatre.

Santa will arrive at about 1:45 p. m. to greet the children and will be helped by members of the Kiwanis club to distribute free gifts to everyone attending. A delightful children's movie program will follow after all the children have assembled in the theatre.

So remember that date, kids—Saturday afternoon, Dec. 17, at 1:45 o'clock, at the Kewaskum theatre. Come and meet Santa in person and enjoy another annual Kewaskum Kiwanis club party.

Joseph Theusch Of Village Dies

Joseph Theusch, 82, of Kewaskum, a retired farmer, passed away at St. Joseph's hospital, West Bend, on Saturday, Nov. 26.

Mr. Theusch was born on July 15, 1873, at St. Michaels. He was married to the former Anna Pesch on April 12, 1904, in Holy Trinity church, Kewaskum. The couple operated a farm in the town of Kewaskum many years, located one mile north of the village. They retired from the farm and came to their present home in May of 1940, residing here since.

Surviving are the widow, five children, Helen (Mrs. Ben Volm) of West Bend, Walter and Clara (Mrs. Alvin Wiesner) of the town of Wayne, Eddie on the homestead, and Marian (Mrs. Peter Schrauth) of the town of Ashford; 25 grandchildren, eight great-grandchildren, and one sister, Mrs. Helen Cobb of Milwaukee. Two sisters preceded him in death.

Mr. Theusch was a son of the late John and Lena Theusch.

The body was in state at Miller's Funeral home from 2 p. m. Monday until 9 a. m. Tuesday. Funeral services were held at 9:30 a. m. Tuesday in Holy Trinity church, the Rev. F. C. La Buwi officiating. Burial was in the new Holy Trinity cemetery.

MRS. KARL F. HAUSMANN

Brief mention was made in our last issue of the death of Mrs. Karl F. Hausmann, 70, a former resident of Kewaskum, whose husband practiced dentistry here many years. Mrs. Hausmann, who was active in (CONTINUED ON PAGE TWO)

civic and club affairs, died Wednesday, Nov. 23, in her apartment on the Ripon college campus. She was house mother of Bartlett hall on the campus.

Nee Ermine Weinand, she was born at Newburg on Feb. 18, 1885, moved to West Bend at an early age, and married Dr. Hausmann of Kewaskum in Milwaukee in October, 1911. Following their marriage the couple resided in Kewaskum where Dr. Hausmann practiced dentistry. While a resident of this village Mrs. Hausmann was very

much interested in civic affairs and helped found the Kewaskum public library. She was an active member of the Kewaskum Woman's club and served as its president for a number of years.

Following the death of her husband on April 28, 1928, Mrs. Hausmann lived in Appleton and Sturgeon Bay for a time. She returned to Appleton in 1940 and became house mother at the Phi Cappa Tau house on the Lawrence college campus. She remained there for four years and the past ten years had been at Ripon where she was house mother of Bartlett, Smith, Evans and Scott hall at various times. In her third year at Ripon

and while at Smith hall, she was chosen woman of the year by the Ripon student body.

Surviving are a daughter Dorothy (Mrs. Russell Duket) of Fond du Lac, and two sisters, Mrs. Jos. M. Knippel (Angeline) and Miss Tillie Hoffmann of West Bend.

Funeral rites were held at the Kapfer-Gehl Funeral home in West Bend at 2:30 p. m. Saturday. The Rt. Rev. Dean Ringland of St. Paul's Episcopal cathedral, Fond du Lac, officiated. Burial was in Union cemetery, West Bend.

More Deer Hunters Report; One Is Shot

A couple of more reports of deer shot in Washington county or up north by area hunters were received the past week.

Alfred Schmidt, R. 3, Kewaskum, bagged his buck in the northwestern part of Washington county. His kill brought the county total of deer for the season to 14 reported to date. This ties the number of deer taken in the county last year but more may be learned of.

It is reported that Wallace Geidel and son John of Kewaskum both returned from the north with deer but we haven't heard whether there were more in their party.

A former resident of Boltonville,

Ambrose Fellenz, was wounded during the deer hunting season near Phelps. He was shot in the left wrist and arm and is a patient at St. Mary's hospital, Rhinelander. Although the arm was wounded quite badly it was believed it could be saved. Fellenz, now a resident of Milwaukee, has a brother, Sylvester Fellenz, living at Kewaskum.

Unbeaten Beaver Dam Hands Chevs First Loss, 73-65

The undefeated, league leading Beaver Dam team won their third straight game in the Land o' Lakes Sunday afternoon when they rallied in the last quarter to hand Kewaskum its first loss, 73-65. The contest was played at Beaver Dam with a very large crowd of several hundred howling spectators in attendance. The Beavers now hold sole possession of first place while Kewaskum dropped to a tie for third with Horicon and Hartford.

The game at Beaver Dam was exceptionally close with only one, two or three points separating the teams all the way until the last two minutes of the final quarter when the Beavers forged ahead on several quick buckets. These resulted when the Chevs messed up two or three passes on offense and Beaver Dam players got behind the Kewaskum guards for layup shots just before the game ended. The howling fans went wild in the final, hectic stages of the game.

The Chevs outplayed Beaver Dam in the first three quarters but accuracy on free throws and long shots kept the loop leaders on even terms. The Beaver's defense under the basket had the Chevs tied up and more shots from the free throw circle and beyond might have been more successful.

The scores at the end of the quarters show just how closely contested the game was. At the end of the first period Beaver Dam held a 16-14 lead. It was even tighter at the half, which ended 32-31 in the Beaver's favor. One point still only separated the teams when the third period ended, 50-49, with the Chevs in the lead. The final stanza also was close until those last couple of minutes.

The Chevs filed a protest with League Director Carl Kuss this week because the officials in the game were calling the 3-second rule in the free throw lane when a player didn't have the ball.

Top scorer for the winners was their ace, Fred Miller, who dropped in 20 points. He was closely followed by Paul Cloyd, former university and professional star, who tallied 19. The veteran Beaver Dam squad is managed by Ray Patterson, another former University of Wisconsin star. Displaying his form

of old, high scoring John Tessar paced the Chevs in scoring with 18 points and right on his heels was Frankie Krueger with 17. Augie Bilgo added 12.

This Sunday night Kewaskum returns to the home floor to host Horicon, which is tied with the Chevs with one win and one loss. Although Horicon also has a fine team they are not expected to prove as tough as Beaver Dam. The contest will follow the Kewaskum-Horicon Rivers game at 7:30.

RIVERS FIVE ALSO LOSES FIRST GAME AT SLINGER

In the footsteps of the Lakes cagers, the Kewaskum Land o' Rivers team also lost their first game at Slinger Sunday afternoon, 70-58. Slinger is defending champion.

Slinger led Kewaskum throughout the contest. The halftime score was 38-22. Koepke and Hawig tied for high scoring honors with 17 points apiece for the losers. Seefeldt made 13. Top men for Slinger

were Wolf with 16 points and H. Beine with 14.

This Sunday night the Rivers team entertains Horicon starting at 7:30 p. m.

Oostburg Trounces Indians in Opener

A strong Oostburg High school team, champions in their conference last year, with most of the first team back again this season, trimmed the Kewaskum Indians in the opening exhibition game of the season here Tuesday evening, 79-60.

The Indians played the classy Oostburg five on even terms in the first quarter, which ended in a 16-16 tie. But in the second period the experience and difference in the two squads took its toll. The second stanza was a fatal one for Kewaskum, which could score only 6 points while Oostburg was running up 22. This iced the victory for the invaders because in the final two quarters the Indians again played the Burgers on even terms. Trailing 38-22 at the start of the second half, Kewaskum made 19 points in the third period while Oostburg again scored 22. This brought the count to 60-41. In the last quarter the scoring was again even at 19 apiece to make the final outcome 79-60.

Top scorer for the winners was forward Hilbelink, who dropped in 22 points. Other high point makers

were Potter with 17, Lemkull with 14 and Triphan with 12. High scorer for the Indians was guard Stenman with 17. Peterson contributed 14 and Yahr 12.

In other exhibition contests Tuesday night all other Tri-County conference teams also were defeated. Omro trimmed North Fondy 60-39, Green Lake bested Oakfield 47-35, and Randolph fleeced Brandon 74-47.

The Indians will play their conference opener on Friday evening at Lomira and hope to have a little better going than they did with Oostburg. Next Tuesday, Dec. 6, Kewaskum will play their first conference game at home against North Fondy.

CLYDE SMITHS TAKE OVER LEAD IN BRIDGE TOURNAMENT

Mr. and Mrs. Clyde Smith have taken over the lead in the Woman's club bridge tournament with a total score to date of 10,060. Mrs. Lorinda Schaefer and Mrs. Augusta Clark, who had been in the lead since the start, have dropped to second place with 9,760. Mr. and Mrs. Clifford Rose still hold third with 8,880. The tournament moves into the second last session on Sunday evening, Dec. 4.

Woman's Club to Hold Xmas Party & Silent Auction

Past presidents of the Kewaskum Woman's club will be honored at a Christmas tea when the club meets for its Christmas party on Saturday afternoon, Dec. 10, at 3 o'clock. In addition an interesting program has been planned. Mrs. N. W. Rosenheimer will present a Christmas message and Christmas carols will be sung by the club chorus under the direction of Mrs. Henry Rosenheimer.

There will be no exchange of gifts among the members this year, but there will be a Christmas gift silent auction conducted by Mrs. L. T. Oppenorth. This is a new idea inaugurated by this year's program committee and should prove to be unusual and interesting. Each member who attends is to bring with her an article valued at not less than \$1.00. All the articles will then be silently auctioned by having the bidders place their bids in writing under the article or

articles they are interested in. Many members will be bringing things they have made. What a fine opportunity for club members to complete their Christmas shopping and at the same time the club will benefit through the proceeds. So members, remember 'Christmas shop the easy, silent auction way.'

Hostesses for the afternoon will be Mrs. N. W. Sengpiel, Mrs. K. W. Haebig, Mrs. C. W. Haug and Mrs. G. LaMarche.

Christmas Seals have supported the voluntary fight against tuberculosis in Wisconsin since 1908.

Driving's Exciting Again!

Greatest "Go" On Wheels

No other car performs like a Pontiac because Pontiac alone has the Strato-Streak V-8—most modern and efficient power plant in the industry. And for 1956 this great engine delivers 227 blazing horsepower so smoothly that it must be experienced to be believed. For the "go" of the year, go Pontiac.

Let's say you have just logged an extra-long day's mileage in your '56 Pontiac. Your clock tells you it's time to choose a lodging for the night.

Then it comes to you. You don't want to stop! You just want to keep on and on, piloting this sweet, singing beauty wherever fancy points.

Sound like a wonderful dream? It happens time and again to owners of this fabulous new car. And the lure that leads them on and on is the performance of Pontiac's great new Strato-Streak V-8... the most thrilling performance on the American highway.

Traffic's a delight in this agile car. Power flows smooth as oil when you leave a light, and with the sharp authority of 227 blazing "horses". Brakes respond with crisp, new

certainty. The wheel answers fast as pointing your finger. You're driving with a confidence you've never felt before!

And highway touring is pure pleasure! You swing the curves with new sure-footed certainty... clear a high hill or sweep safely past a loiterer with the happy assurance that you command the greatest "go" on wheels.

And when you settle down to cruising speed on an open highway—that's the real payoff on your good judgment! This is living in a wonderful new way. *Driving's exciting again!*

Come in and try it—you can prove it in 10 minutes as easily as in 10 hours. And you'll prove something else to yourself. Pontiac's glamour matches its "go"—it's the greatest on the road!

Golden Wedding Of Mr. and Mrs. Anton Backhaus

Mr. and Mrs. Anton Backhaus of Kewaskum were honored guests on Sunday, Nov. 20, on the occasion of their golden wedding anniversary, given in their honor by their son-in-law and daughter, Mr. and Mrs. Elmer Moldenhauer of Kewaskum.

The day's festivities began with an anniversary service at 2:30 p. m. in the couple's honor at St. Lucas Ev. Lutheran church with Rev. Gerhard Kaniess officiating. The church was decorated with yellow mums on the altar and baskets of fall flowers in the church.

Following the couple down the aisle were seven of their attendants of 50 years ago, namely Ted Wagner of Manitowoc, Mrs. Art. Stromer of Kewaskum, Mrs. Walter Alberts of Milwaukee, Edwin Klug of the town of Scott, Mr. and Mrs. Herman Klug of Batavia, and Mrs. Selma Janke of Batavia. They were each presented with a corsage of yellow mums tied with a gold ribbon.

After the service, congratula-

tions were in order and a social hour followed. At 5 p. m. a turkey dinner was served to about 100 guests in the church parlors. The tables were decorated in a gold theme for the occasion. Gold candles and gold roses with pink, yellow, white and orchid mums and cat tails decorated the tables. Also on the guests of honor's table was a four-tiered anniversary cake trimmed with yellow roses and gold leaves, presented to the couple by their niece, Mrs. Ed. Garbisch of Batavia, who baked the cake. Gold nut cups and oak leaves on the table completed the decorations.

The name of Mr. and Mrs. Elmer Moldenhauer was the setting for the reception after the dinner for about 40 guests. Cards were played, refreshments were served and social visiting formed the evening's entertainment.

In honor of the occasion Mrs. Backhaus wore a blue crepe dress with a lace jacket, a powder blue hat with pearls and rhinestones and blue gloves. Her jewelry, given to her by her son-in-law and daughter and grandchildren, consisted of ear rings, necklace, and bracelet in gold. She wore a corsage of yellow roses and yellow mums. Mr. Backhaus' boutonniere was a yellow rose

tied with gold ribbon given to them by their great-grandson, Gary Gruendeman.

Mr. and Mrs. Backhaus were the recipients of many flowers, cards, gifts and cash gifts.

The couple was married on Nov. 23, 1905 in Immanuel Lutheran church, town of Scott, by Rev. Otto. Mrs. Backhaus was the former Minnie Klug of the town of Scott. They resided on a farm in Scott township from the time of their marriage until 1910 when they moved to Kewaskum, where they are residing at present.

EXPRESSES THANKS

I wish to extend my sincere thanks to all the friends who sent cards and flowers during my confinement at the hospital.

Dear Friend Bill:

Glad to see you at Kiwanis club meeting Monday evening.

As to polio vaccine, it seems some people just can't see why I am unable to give their children a shot, as of last Saturday but I, and all other family doctors, must have the name and age of every child under 15 years so that the doctor can order the vaccine from the State Board of Health.

At present the back orders for my vaccine go back to Nov. 4. All orders since then have not been

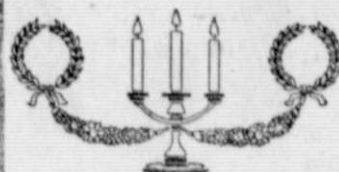

filled. I do hope and expect to get enough to run a 1st shot clinic for all names now registered on Jan. 14, 1956.

I would appreciate it if you could pick out a few facts and place them in a good location of the paper, signed by me as health officer.

See you every Monday night I hope.

ASSESSMENT

(CONTINUED FROM PAGE ONE)
regarding the new valuation.

This "Open Book" period will be held the 8th and 9th of December in the public library in the Kewaskum Municipal Building. The board of review is scheduled for December 14th.

In order to save property owners time and inconvenience when calling to learn their new valuations,

it is urged that they know the tax roll number of their properties. This tax roll number will be found on their old tax statements, or if they wish, they may bring their last tax statement with them.

It is generally known that the property within the village has been carried on the tax roll at figures which are in no way representative of today's market values. The total valuation figures are not available at this time, however, it is expected that the valuations of

the village will be nearly tripled. Of course, it must be remembered that with the increase in valuations, the tax rate per thousand dollars of valuation will go down.

Generally speaking the actual amount of tax dollars paid by the individual tax-payer will vary only in proportion to the increased cost of providing the residents of the village with the municipal services, educational facilities, and other services the citizens expect to receive.
