Fire Siren to Sound Beginning Of Mothers' March on Polio

Name Co-Workers For House Canvass Next Wednesday

RESIDENTS ASKED TO TURN ON PORCH LIGHTS FOR WORKERS

At seven o'clock on Wednesday evening, Jan. 30, the sounding of the fire siren will tell all residents of Kewaskum that the Mothers' March against polio has begun. Everyone is asked to light the way of the worker who will call on you between seven and eight o'clock by turning on a porch light.

The need for funds is still great and all contributions, be it dimes or dollars, will be welcome. Have your contribution ready when the worker in your area calls.

The drive is again being conducted by the Kewaskum Woman's club members with Mrs. Donald Koerble and Mrs. James Morrissey as co-chairmen. The following co-workers have been assigned to particular areas so the job can be carried out quickly and completely:

Mmes. H. O. Backus, W. Bade, W. H. Bartelt, W. D. Becker, O. E. Behnke, Richard Edwards, Jr., N. W. Held, K. Wm. Haebig, C. Haug, A. M. Hron, Jr., R. G. Kroncke, E. LaMarche, P. N. Landmann, R. J. Marx, M. A. Martin, C. E. Mitchell, L. N. Peterson, R. Pledl, J. D. Reigle, C. E. Reigle, T. Rohlinger, G. N. Seil, N. W. Sengpiel, A. A. Tessar and J. R. Tessar, Jr.

Remember the date, Wednesday, Jan. 30, between the hours of 7 and 8 p. m. THE MARCH OF DIMES MUST MARCH ON.

HOMEMAKERS OFFER \$100 SCHOLARSHIP FOR GIRLS

The Washington County Homemakers club is sponsoring a \$100 scholarship to be awarded to a deserving high school senior girl who plans to continue studies in home economics or nursing. The homemakers clubs in Washington county sponsor this scholarship.

There is a very simple application to be filled out and a homemakers' committee will study the applications and choose the most deserving applicant. Applicants must be a resident of the county. For further information contact the Kewaskum High school office, the county home agent, post office building, West Bend, or call Mrs. Sylvester Bales at Kewaskum 172F5.

CAR AND TRUCK COLLIDE IN TOWN AUBURN MISHAP

Norman H. Burkhardt, 33, Campbellsport, sustained a bruised knee, nose and mouth at 3 p. m. Thursday when his auto and a Cities Service gasoline truck collided at the Butzke farm driveway where the road curves near Auburn lake in the town of Auburn. The truck was operated by Henry Kraemer, Campbellsport.

REIGLE BABY BAPTIZED

The infant daughter of Mr. and Mrs. Richard Reigle was baptized in Peace E and R church Sunday by the Rev. F. L. Rodenbeck. She received the name Cynthia Ann.

Firemen Bowl in Badger Tourney

Twenty members of the Kewaskum fire department, comprising four teams, bowled in the second annual bowling tournament sponsored by the Badger Firemen's association at Held's Recreation in Menomonee Falls on Saturday night. Many of the gals accompanied the bowlers. Some of the bowlers returned to Falls Sunday afternoon to participate in the singles and doubles events.

At least one of the four teams placed high in the prize money and some of the firemen did well enough in the singles or doubles to cop some green stuff. Results of the tourney will not be announced until the close of the meet, which ends this week end. The following bowlers represented Kewaskum: Lee Honeck, Ollie Staehler, Des Smith, John Geidel, Bill Harbeck, Lee Fellenz, Bob Schmidt, Ted Rohlinger, Harry Koch, Bill Martin, Sappy Martin, Harry Schaefer, John Milewski, Joe Schwind, Hank Weddig, Jr., Armin Oppermann, Byron Bunkelman, Bob Staehler, Bob Ours and Rog Reindl.

IMPORTANT MEETING FOR ALL SPORTSMEN MONDAY

A sportsmen's meeting will be held on Monday evening, Jan. 28, at 8 p. m. at Heisler's tavern, at which a final decision will be made by the Kewaskum club whether to join the West Bend-Barton Sportsmen's club or continue the local club. This will be an important, decisive meeting and all interested sportsmen are urged to attend. Postcards will also be sent out by Donald Koerble, club president, so that there will be no excuse by members that they did not know of the meeting.

WISCONSIN ASSOCIATION OF BEAGLE CLUBS MEETS HERE

The Association of Beagle Clubs of Wisconsin, with representatives from the Manitowoc, Green Bay, Wisconsin Rapids, Milwaukee, Badger and Wisconsin beagle clubs in attendance, held a meeting in Kewaskum at the municipal building on Sunday afternoon. The association decided to hold the state spring derby championship trial at Kewaskum again this year. Joe Eberle of here, Wisconsin Beagle club president, was host to the state group.

ATTEND MEHLOS-RYAN WEDDING AT MADISON

Louis Klein, son Ray and Mr. and Mrs. Walter Schmidt attended the wedding of their grandson and nephew, Kenneth Mehlos, to Mary Lou Ryan on Saturday, Jan. 19, at Madison. Kenny is a graduate of the University of Wisconsin and a member of Kappa Sigma fraternity. The young couple left on a honeymoon to Florida. They will return and then leave for Fort Benning, Georgia, on Feb. 11 where Kenny will enter army service.

Kewaskum Mutual Hunter Shoots Self in Leg

The fifty-sixth annual meeting of the Kewaskum Mutual Insurance company was held in the company's office in Kewaskum, on Thursday morning, Jan. 17.

Carl F. Schaefer and Robert W. Schmidt were re-elected directors for the term of three years. Other directors are August E. Koch, Edward E. Miller, M. W. Rosenheimer and Theodore R. Schmidt.

The board of directors met immediately after the policyholder's meeting and the following were elected officers; M. W. Rosenheimer, president; Theodore R. Schmidt, vice-president and general manager; Robert W. Schmidt, secretary-treasurer; Miss Edna Schmidt, assistant secretary.

CHILD FALLS INTO WINDOW AND SUFFERS SEVERE CUT

Kerry, 1½-year-old son of Mr. and Mrs. Robert Staehler, Kewaskum, suffered a severely cut cheek when he fell into a plate glass window at his home last Thursday morning. Kerry was playing on a sofa and hung onto a drape which gave way and he fell into the glass. The laceration extended from the mouth to the cheekbone and required the taking of from 15 to 20 stitches to close the wound. The little fellow was taken to St. Joseph's hospital, West Bend, where he was confined until this week.

HOSPITAL NEWS

Mary Ellen, daughter of Mr. and Mrs. Gregor Nigh, Kewaskum, returned home from St. Joseph's hospital, West Bend, Saturday after being confined there for medical treatment.

Kenny, son of Dr. and Mrs. Charles Ogi, Kewaskum, submitted to a tonsillectomy at St. Joseph's hospital last Wednesday.

Do the People Of Kewaskum Want a Theatre?

The Kewaskum theatre will close its doors on Feb. 4, 1957, unless there is a favorable response to the following request:

The present management would like the people of the village of Kewaskum and from the surrounding trading area to mail a postcard to the Kewaskum theatre stating that they DO want a theatre. If the response is great enough indicating that enough people, including children and adults, are interested in keeping the theatre open, there is a chance that it will remain open.

There will be no obligation on the part of those persons who mail cards to attend the shows, the only objective being to show they favor continuing the operation of the theatre. Names need not be signed to the cards if you prefer not to.

Please mail your card to the theatre before the first of February if you want to have movies in Kewaskum in the future.

A young Milwaukee hunter accidentally shot himself in the right leg while hunting on the Kettle Moraine state park public hunting grounds at about 11:45 a. m. Sunday. He is Andrew C. Meyer, 20, of 3702 N. 28th st.

Meyer was hunting with three Milwaukee companions at the time. The group included his cousin, Carl Meyer, 18, of 5152 N. 28th st., James Plato, 3572-A 14th st. and Dennis Gother, 19, 5314 N. 35th st.

Meyer was walking with his companions and was carrying his rifle in his arm with the nozzle pointed downwards. He touched the trigger and the gun, which apparently was cocked, went off, the bullet lodging in his leg.

The young man was treated by a local physician and then released to his family doctor in Milwaukee. It is reported that an operation will have to be performed to remove the bullet.

Where Your 1957 Tax Dollar Goes

Out of every dollar you pay in real or personal property taxes, the village of Kewaskum receives 25 cents. The balance, or 75 cents, goes to the state, county and schools as shown in the following schedule:

State's share	\$.01
County's share	.19
Schools' share	.55
Village's share	.25

1956 TAX LEVY FOR 1957 BUDGET PURPOSES

State	\$ 1,482.59
County	31,635.88
School Dist. No. 1 & 2	88,921.73
Village of Kewaskum	40,287.45

The tax levy summary for the five-year period from 1951 through 1955 is as follows:

1951—State, \$769.21; county, \$18,384.03; schools, \$39,727.18; village of Kewaskum, \$19,032.49; total, \$77,912.91.

1952—State, \$1,174.98; county, \$22,368.85; schools, \$46,018.93; village of Kewaskum, \$26,057.70; total, \$95,620.46.

1953—State, \$1,273.11; county, \$23,275.78; schools, \$39,698.70; village of Kewaskum, \$40,418.56; total, \$104,666.15.

1954—State, \$1,293.40; county, \$24,027.53; schools, \$54,060.30; village of Kewaskum, \$33,678.47; total, \$113,059.70.

1955—State, \$1,396.33; county, \$30,253.61; schools, \$71,326.74; village of Kewaskum, \$36,591.79; total, \$139,568.47.

You will note in the above summary that the village taxes were higher in 1953 when they were \$40,418.56, than they are in 1956, when they are \$40,287.45.

SCHOWALTER NAMED TO ASSEMBLY COMMITTEES

Assemblyman Elmer J. Schowalter of R. 1, Jackson, Washington county's representative in the state legislature, has been appointed to two major committees of the assembly. Schowalter was appointed by Robert Marotz, Shawano, speaker of the Wisconsin state assembly, as a member of the Agriculture and Enrolled Bills committees.

Kewaskum Ahead In Ticket Sales For Polio Dance

The Washington county "Teens Against Polio" group asks your help to break last year's record ticket sales of \$590.00 for the county polio dance. How can you do this? Give a 75 cent donation to the March of Dimes. In return you receive a ticket for the polio dance on Saturday, Jan. 26, at McLane school gym, West Bend, from 8:30 p. m. to 12:30 a. m.

The first 300 donors in each high school area will receive a small blue crutch clip to wear. This dance is sponsored by the "Teens Against Polio."

There is an advance sale of tickets started among the four high school areas in the county. Amounts collected as of last Friday show Kewaskum well ahead, reports Luella Cypher, "Teens Against Polio" chairman for the county. Kewaskum had collected \$90 with a goal of \$150, West Bend \$30 with a goal of \$350, Slinger \$20 with a goal of \$150, and Hartford \$16 with a goal of \$175.

The chairman stated that it is evident that sales are a long way away from last year's record of \$590.00 for the county. So get in touch with a high school student today and they will be able to obtain the tickets for you at school. Help your school to be on top.

The Tony Berres orchestra will play modern and old time music which they are doing as a donation to the March of Dimes. There are no expenses because businessmen have been so generous and donated tickets, posters, soda water, the hall and other things. This means every cent you give goes to help someone recover from polio.

The four high school chairmen are Ralph Mayer, Hartford; Aldwin Seefeldt, Kewaskum; Sue Kissinger, West Bend, and Marilyn Wolf, Slinger.

There will be parents to chaperone. If you are unable to obtain a ticket before Saturday evening you can purchase them at the door. Remember, both young and old are invited.

It is your 75 cents that is needed to help repair the damages done and to conquer this dread disease of polio.

BIRTHS

STAEHLER—A son to Mr. and Mrs. Robert Staehler, Kewaskum, Sunday, Jan. 20, at St. Nicholas hospital, Sheboygan. The Staehlers now have two sons and a daughter.

RILEY—A son, Richard Roger, weighing 6 lbs. and 12 oz., to Mr. and Mrs. H. Roger Riley of Des Moines, Iowa, Saturday, Jan. 19. Mrs. Riley is the former Vernette Backhaus of Kewaskum. She had been working as one of the head nurses at Mercy hospital in Des Moines the past two years.

WESTOVER—A daughter, Kathy Ann, 8 lbs. and 4 oz., on Tuesday, Jan. 15, at Sandhills General hospital, Valentine, Nebr., to Mr. and Mrs. Alton Westover. Mrs. Westover is a daughter of Mr. and Mrs. Paul Hoffman of Kewaskum.

EGGERT—A daughter to Mr. and Mrs. Harold Eggert, R. 1, Kewaskum, Tuesday, Jan. 22.

Let's Finish the Job!

Thanks to the vaccine, polio protection for most Americans can be an easy matter of inoculations.

But there are many thousands for whom victory is not so quick, and not so easy. These people still suffer from polio, and they need much more than an inoculation. They need braces and aids for arms and legs and lungs. They need help in rebuilding shattered lives.

And these victims of polio are only part of the unfinished business behind the 1957 March of Dimes. To help finish the fight against polio, the January campaign must raise \$46,900,000 for these reasons:

TO HELP POLIO PATIENTS. The National Foundation has pledged aid to every polio victim who needs help. And despite the Salk vaccine, an estimated 16,000 men, women and children were stricken with polio this year. Many still need the care March of Dimes funds provide. More than 80,000 patients stricken in earlier years may now be able to achieve maximum recovery through new treatment methods. To help the severely disabled, \$5,000,000 of the money raised in January will provide for intensified rehabilitation. Additional millions will support 20 respiratory and rehabilitation centers.

TO ASSURE VACCINATIONS. Until adults as well as children get the full series of three Salk shots, there can be no national immunity against polio. \$10,000,000 of 1957 March of Dimes funds will help provide protection for those unable to afford or obtain vaccinations.

TO TRAIN EXPERTS. The March of Dimes must continue to finance training of physicians, physical therapists and others urgently needed to fight polio.

TO CONTINUE RESEARCH. March of Dimes grants supported the research that led to the Salk vaccine. Scientists are now searching for even more effective, long-lasting vaccines that are easier to make and administer. Clinical researchers will continue work to improve methods for treating the disabled.

These are the polio programs—the unfinished business—the March of

Dimes must tackle in 1957.

LET'S HELP FINISH THE JOB!

DATES SET FOR 99TH ANNUAL COUNTY FAIR

The Washington county junior fair will again be held on the same corresponding dates in 1957 as in 1956. The dates in 1957 will be July 25 through the 28.

Previously the fair board had expected to conduct the fair centennial in 1957. They supposedly had been conducting the fairs numerically up to this point, however, some research in the information

found that the first fair in Washington county was held in 1858. Therefore, this is not the centennial year but is the 99th year of the fair. The centennial of the fair will not be held this year but will be

conducted in 1958.

Chevs Beat Cedarburg, Tie for First; Rosendale Quints Here on Sunday

The Kewaskum Chevs continued their winning ways at Cedarburg Sunday night where they won by a 64-53 score. The victory was the team's second in this half and moved them into a first place tie with Beaver Dam, which team also has 2 and 0. Kewaskum already has the first half title tucked away.

Cedarburg, which ended up in second last place in the first half, gave the Chevrolets a closer battle than expected, losing by a margin of only 11 points. Free throws again played a big part in the win, the Chevs sinking 20 to their opponents' 11. Kewaskum probably has the best free throw shooting unit in the circuit.

The winners were ahead all the way but never by too large a margin. They outscored Cedarburg in every period but the second in the low scoring contest. Scoring was exceptionally light in the first half, which ended 28-23. The Chevs tallied 16 points in the first quarter to Cedarburg's 8 and were outscored 15-12 in the second stanza. The winners dropped in 16 buttons to the losers' 11 in the third period to increase their advantage to 44-31. The final quarter saw Kewaskum making good on 20 points and the Burgers on 19.

John Tessar had another one of his big nights in scoring and wound up with high honors on 32 points, made on 12 field goals and 8 free throws. The nifty center, with his 32-point splurge, came close to taking over the individual scoring lead. Fred Miller of Beaver Dam made 18 against Rosendale. Tessar now has an average of 26.1 points per game to Miller's 27.0.

The rest of the Chev scoring was evenly divided amongst the team with no one else scoring many points. LeRoy Keller ranked second with 7 points. Top men who kept Cedarburg in the running were Bartell with 21 points and W. Fischer with 12.

This Sunday night Kewaskum entertains Rosendale, which has split two games this half. The Chevs should take this one without too much trouble but the Dalers always give them a pretty good run. After meeting three of the weaker

teams the going will get real tough for the Chevs the rest of the way starting the following Sunday at Beaver Dam.

LAND O' LAKES STANDINGS (Second Half)

	Won	Lost
Kewaskum	2	0
Beaver Dam	2	0
Hartford	1	1
Mayville	1	1
West Bend	1	1
Rosendale	1	1
Horicon	1	1
Fox Lake	1	1
Cedarburg	0	2
Green Lake	0	2

Scores last week end—Kewaskum 64, Cedarburg 53; Fox Lake 73, Horicon 70; Beaver Dam 97, Rosendale 81; West Bend 88, Mayville 87 (overtime).

Games this week end—Saturday: Beaver Dam at Mayville, Cedarburg at Hartford; Sunday: Rosendale at Kewaskum, West Bend at Horicon, Green Lake at Fox Lake.

HUSTISFORD GIVEN GOOD BATTLE BY RIVERS TEAM

Playing one of their best games of the season, the Kewaskum Rivers cagers gave Hustisford' first half champions a real workout before losing there Sunday, 66-51, Hustisford was expected to win by a much wider margin.

The winners were ahead all the way but Kewaskum always stayed within catching distance and made them fight throughout the contest. The score was 16-10 at the quarter, 32-22 at halftime, and 43-34 at the end of the third period.

Russ Rodenkirch was the scoring star of the tilt with 30 points, easily his best performance of the campaign. The Hustisford scoring was more evenly divided with Annis making 15, Held 14, Schommer 11 and Zubke 10.

This Sunday night Rosendale

plays Kewaskum in a preliminary to the Chevs-Dalers Lakes game here.

County 4-H Leaders Association Elects

Mrs. Robert Friedemann, R. 3, West Bend; Ira Oelhafen, R. 4, West Bend, and Mrs. Donald Grewe, R. 1, Germantown, were the three new officers elected to the executive board of the Washington county 4-H Leaders association, at their annual meeting on Jan. 17. They have been elected for a two-year term and are replacing the former president, Mrs. George Arnold; vice-president, John Kopp, and treasurer, Robert Friedemann.

The complete slate of officers for 1957 are: Roland Bast, R. 1, Richfield, president; Mrs. Lee Kisinger, R. 2, West Bend, vice-president; Mrs. Bob Friedemann, secretary; Ira Oelhafen, treasurer, and Mrs. Grewe, reporter.

Other business at the meeting included a report of the activities at the state leaders conference, given by Mrs. Donald Grewe and Mrs. Gordian Lierman, both leaders of the Victory Center 4-H club at Germantown.

Each of the regular committees of the leaders association also reported plans for the coming year. Mrs. Wallace Freund, chairman of the activities committee, reported that most clubs will be working on various phases of farm, home and highway safety. Complete plans were given to each of the leaders. Mrs. Art Rinzel, chairman of the project committee and Mrs. Philip Williams, chairman of the recreation committee, also reported on plans for the coming year.

Around The Town

Now that we are well over the holidays and the cold weather (we hope) and time and space permit again, we thought we better start pestering you with this column again.

That cold weather of last week when the temperature dropped to zero or below for seven days in succession made us wonder more and more why we stay around here and freeze while others in warmer climates are lying in the sun. The only place we were really warm was up in the shanty where, with two degrees below zero weather outside "Smoky" poured on the coal until it was about 100 degrees inside. For a while we had to open the door and would have sat on the front porch if we had one.

Before we forget it we want to thank Mr. and Mrs. Louis Bath for the big basket of oranges and grapefruit they sent from Florida. They are juicy and delicious and just the thought of where they came from helped warm us up last week.

Along with the Corner Drug Store and Gamble store, you can now purchase single copies of the Statesman at the Fair Variety store where the Ray Caspers are selling them since the first of the year. Or you can save a few cents by ordering it by the year through the mail. But don't miss a single copy because there might be some news in one of 'em.

See where the proprietors of a Beechwood teen-age beer bar have been charged with permitting minors to loiter in their place of business as the result of a raid on the place on a recent Friday night by Sheboygan county sheriff's deputies. When the deputies raided the bar and rounded up 25 youths, they found 20 of them were under the age of 18 years. Some of them, girls as well as boys, were 14, 15 and 16 years old. Right at this time legislators are debating as to whether or not to raise the beer drinking age from 18 to 21. If operators of minor bars are going to insist on permitting younger ones to patronize them and break the law, they are going to spoil it only for themselves and have the laws changed. And if the 18-year-olds want to keep their beer-drinking privileges they better help keep the younger ones out and policing their ranks.

The businessmen of Kewaskum were canvassed this week for donations to the March of Dimes drive. According to the solicitor who visited our office the returns were coming in very good with most businessmen donating from \$5 to \$25. But this worthy cause is not only for the businessmen to support. Pri-

vate residents both in town and the rural districts should give equally. And they will have their chance when the Mother's March on Polio is conducted next Wednesday evening. Turn on your porch light between 7 and 8 p. m. when the solicitors will call and be generous. It is needed.

A good picture of our retired postmaster, Frank Heppie, showing him on one of his last days at work, appeared in a recent issue of the Fond du Lac Commonwealth-Reporter. Some guy with his coat collar up, wearing a hat and glasses was also on the picture on the other side of the counter. It was no hold-up, was it Gerry?

By now all of us have found out that it's easier to break a New Year's resolution than a habit.

18.17 miles per gallon on North America's toughest truck run!

That's the gas mileage reported by the Cameo Carrier after covering the entire length of the Alcan Highway in less than 45 hours! All six new Task-Force trucks that made the run turned in top scores for performance and economy!

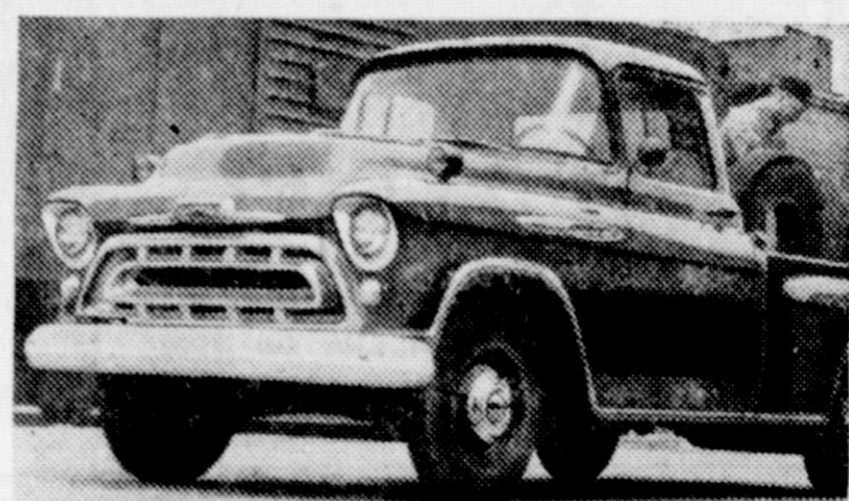

Supervised and certified by the AAA.

New Task-Force 57 Chevrolet Trucks

Six heavily loaded Chevy trucks ran all the way up the rugged Alcan Highway in less than 45 hours! That's cutting more than a full day off the normal running time! They ran right around the clock, stopping only to refuel.

But the important fact about this run was that it proved new Chevy trucks through and through. The Alcan Highway is a supreme test of every truck component. Engines had to

prove their power up high-climbing grades and through washouts. Frames and suspensions flexed their muscles over axle-deep ruts and miles of pounding gravel. "And not a single truck turned back or dropped out due to mechanical failure," states the official AAA report of the test. Every model proved its over-all economy by its ironclad ability to stay on the job! Stop by; we'll talk about it.

Choose your model from among Chevrolet's famous economy-proved Alcan Champs! Short-stroke V8's are standard in all heavyweight truck models and in many of the middleweights. They're loaded with modern features and built to take it!

Proved on the Alcan Highway Champs of every weight class!

Annual Winter Meet Of County Holstein Breeders on Jan. 28

The Washington County Holstein Breeders association would like to take this opportunity to invite Holstein breeders and potential members to their annual winter meeting, which will be held Monday, Jan. 28, at 8:00 p. m. The meeting will be held in the Wisconsin Electric Power company building, 337 N. Main, West Bend.

The board of directors have prepared a very interesting program and are sure that all of the persons who take part in the meeting will be interested in what has to be said. The meeting will be called to order at 8:00 p. m. The annual meeting will be conducted with the election of officers and the board of directors. Following this will be a report of the 1956 sire calf project by County Agent Maurice J. Hovland. He will be showing slides of the bulls that were in the project in 1956.

Harvey Swartz of Waukesha will give a talk and show slides of his judging and classification of Holsteins while on a trip to South America last year.

There will be a brief look at the future of dairying by Charles Brace, National Holstein fieldman, then get into the 1957 sire calf project and at this time all the boys that will take part in the project as well as the breeders will be introduced. Lunch will be served by the Washington County Holstein Breeders association.

This opportunity is taken to invite potential Holstein breeders and potential Holstein association members to this meeting. Here is an opportunity to find out what can be done for the good of breeders through such an association.

OUR POLICE CHIEF SAYS:

The 1957 bicycle license plates are now available at the municipal building. The license fee is 50c. All bicycles driven in the village must be licensed and these include bicycles from the rural districts driven within the village limits.

(1) It's not how much your clothes cost — it's how well-groomed you are that counts! (2) There's one answer for sagging pockets, bagging skirts, soiled necklines, tired-looking jackets — regular dry cleaning at OURS. (3) Service—quick, courteous. Workmanship—thorough, experienced. Cost—economical.

LOCAL ESTABLISHMENTS REPRESENTED AT FOOD INSTITUTE IN COUNTY

The final sessions of the annual food personnel institute was concluded Thursday evening at the West Bend city hall.

A total of 247 food personnel attended. 86 individual badges and certificates were issued, and 22 establishments received awards for having had over 50% of their employees in attendance. Of the 43 establishments represented 16 were from the city of West Bend, 8 rural West Bend, 3 Kewaskum, 5 Hartford, 2 Barton, 2 Hubertus, 2 Slinger, 2 Colgate, 1 Allenton and 1 Newburg.

The program was conducted by the Hotel and Restaurant division, State Board of Health, in cooperation with the West Bend Board of Health and the Washington County Public Health nurse's office.

The institute is designed to aid the food personnel in providing better service as well as protecting the health of their patrons and also themselves. Over 70 million people are eating out daily throughout the

nation thereby placing more responsibility on the food service industry.

Why Teenagers Need Milk

Why do nutritionists recommend a quart of milk or more each day for teenagers? One answer is contained in the top part of chart, above, prepared by the National Dairy Council, showing the substantial amounts of vital nutrients which young people 13 to 15 years of age receive daily from a quart of milk. America possesses an abundance of basic foods. Adequate meal planning, utilizing these foods, insures healthier future citizens. Yet surveys repeatedly reveal that teenagers, in partic-

ular, need to improve their food habits. Milk, the Council says, is one of the teenagers best means for improvement because of its singular ability to "fill out" an otherwise inadequate meal. Milk is also a good buy, money-wise. As shown in the lower part of chart, per person income (after taxes) has risen about 40% since 1947 while the average price of a quart of milk has increased only 20%, according to the Agricultural Marketing Service of the U. S. Department of Agriculture.

He Still Needs Your Help!

YOUR Victory Over Polio

Through the March of Dimes, which financed Dr. Salk's work on the vaccine against polio, victory over this devastating disease has now been brought within the reach of mankind. Two things more—both possible, both practical—need to be done to finish the job and clinch the victory.

ONE: If everybody gives generously to the 1957 March of Dimes, new hope, new usefulness, a new and better life for many of those who have already been stricken by polio will be a possibility of the future.

TWO: If everybody between the ages of six months and 35 years gets vaccinated, polio itself would very shortly be a thing of the past.

Ever since it began its fight to wipe out this crippling, life-blighting affliction, the March of Dimes has marched a two-way street—to give help to those who needed it and to protect those who didn't.

Today, with victory in sight, joining the March of Dimes means, more than ever before, giving and getting.

In this 1957 March of Dimes, let's express our gratitude by giving to help those for whom the vaccine is too late. And let's safeguard ourselves by getting vaccinated early. Best time to do both is now.

Indians Downed By Unbeaten N. Fondy But Upset Brandon

As could be expected the Kewaskum Indians lost to undefeated, league-leading North Fondy here last Friday evening, 72-56, but registered another big upset on the home floor Tuesday evening by surprising second place Brandon with a 65-56 setback. Kewaskum also upset Hustisford, tied with Brandon for second, in a recent game.

North Fondy's 16-point victory over the Indians was their eighth straight of the season and moved them a notch closer to the Tri-County conference championship. The win was the Orioles' second over Coach Mitchell's boys this season.

Gary Steinke was the scoring ace for the winners with 24 points. Bob Johnson contributed 14 points, Norman Arenz 13, and four others figured in the scoring. Scoring honors for Kewaskum were taken by Dave Mertzig with 21 points, Gerry Oppenorth with 19 and Dave Fickler with 12.

North Fondy jumped to a 21-12 lead in the first quarter for a fast start. The second period was the only one in which the Indians outscored them, 14-12, to bring the halftime count to 33-26. In the second half the Orioles outscored Kewaskum, 39-30.

It was a different tune Tuesday night as the Indians dropped Brandon. Kewaskum got off to a good start and scored 22 points in the first period to the visitors' 14. The Mitchellmen also outscored Brandon in the second quarter by a slim margin, 14-13 to bring the score at the intermission to 36-27. In a low-scoring third stanza, the only one in which the opponents outscored Kewaskum, they made 8 points and the winners 7. Twenty-two points for the Indians and 21 for Brandon brought the final count to 65-56 in a fine upset victory.

The win gained a tie for fifth place with Oakfield for the Indians. Mertzig again was the scoring hero for the winners with 26 points, followed by Oppenorth with 18. Eugene DeBoer was the leading point producer for the losers with 19.

DeBoer leads the conference in scoring with 179 points, followed by

Mossbert of Rosendale with 150. Mertzig of Kewaskum is 7th with 118, Oppenorth 10th with 96, and Fickler 19th with 78.

Friday Kewaskum plays at Rosendale and next Tuesday Oakfield comes here.

4-H Leaders of County Plan Safety Campaign

The activities committee of the County 4-H Leaders association have decided that 4-H clubs can work on a special safety campaign in 1957 and made various plans to help carry out those ideas. Mrs. Wallace Freund, West Bend, is chairman of the committee. Other members of the committee are Mrs. Gilbert Zache, Mrs. James Harth, Mrs. Wilbert Roemer, and Mrs. Math Bies.

The committee drew up a list of suggestions that clubs can work on in the safety program and sent these to each leader of the club. Here are some of the things that they are planning during the year. Clubs can have safety movies at their club meetings. During the month of April a 4-H movie will be made available from the 4-H club office which any club may ask for.

Safety inspection in the homes and on the farms of the members will be made during the week of April 21-27. Inspection sheets and the skull and cross bones signs can be gotten from the 4-H office. A reinspection of the farms and homes that were originally inspected will be made during the first week of July, to see what was done about correcting the hazards that were found.

Window displays will be put up by 4-H clubs during National 4-H Club Week, March 3-10. These windows will be judged and awards will be given by the leaders association.

The speaking contest on some phase of safety will be held the evening of March 26. One member from a club may enter the county contest in each of the junior and senior divisions. The award for the first place winner in the senior group will be a trip to State Club Week to participate in the state speaking contest. The blue award winners in both the junior and senior division will win 4-H pencils.

A campaign to put red reflective tape on the rear of farm implements or other vehicles will be conducted during the first week of July. Clubs may order their supply of reflective material from the 4-H office. They will make a composite order and send it to the state.

Safety scrapbooks can be made by clubs and exhibited at the county fair.

Clubs will distribute cards explaining the Wisconsin traffic violation point system to the automobile drivers in the community to remind them to drive safely.

These are all activities which the clubs are urged to take part in and they may also do other things in the line of safety. The activities committee has done an excellent job of planning safety activities and it will make our homes and communities much safer places in

which to live if all of the club members take part in it.

FARM ACCOUNT AND RECORD BOOKS ARE AVAILABLE AT COUNTY EXTENSION OFFICE

Farmers who are interested in keeping good accurate records of all of the inventories, production, income and expense on their farm, may be interested in the farm account book available in the county extension office. The University of Wisconsin prepares these books and sells them to people who are interested in maintaining such a book. This book is of tremendous value at income tax time. The university makes a charge of 25c for this book and you may have it for 25c by coming to the extension office or contacting the office through the mail or by phone and they will be glad to send it out to you.

The nation's dairymen will probably produce about five billion pounds more milk than our population will consume in 1957, says Truman Graf, University of Wisconsin dairy economist.

INCOME TAX FACTS No. 1

How to Save Tax Dollars

(This is one of a series of articles on federal income tax filing. These articles are based on information provided by the American Institute of Accountants, and the Wisconsin Society of Certified Public Accountants in cooperation with the Internal Revenue Service.)

Between now and April 15 over sixty million Americans must file a tax return to report their 1956 income to the federal government. On the basis of past experience about 1 out of every 4 returns filed will contain an error of \$2.00 or more. Last year these errors totaled over \$100,000,000.

To help you prepare a correct return and avoid mistakes that cost you tax dollars, this newspaper is printing a series of eight articles prepared with the help of the national and state organizations of certified public accountants.

Today's article deals with problems faced by almost anyone who has to make out a return. Later articles will give special hints on deductions you may take, particularly if you own a car, home or business. Use this series along with the official instruction book which comes free with your tax forms.

Common Mistakes

According to the results of a sampling by the Internal Revenue Service, the mistakes most often made by taxpayers fall into these four groups:

(1) Incorrect listing of income. This is the main source of error, partly because of debatable questions involving business income. Individuals make mistakes too by leaving out such items as interest on savings accounts, dividends and contest winnings, or by including items which are exempt.

(2) Errors in personal deductions. This category includes the deductions taken when the 10 per cent "standard deduction" is not used. Important deductions from income are: state and local taxes, interest paid on loans, charitable contributions, medical expenses, losses from storm, fire, flood or theft.

(3) Claiming too many or too few dependents. Exemptions are allowed for the taxpayer himself and for certain persons he supports, if they fit the definitions in the instruction book.

(4) Faulty arithmetic. This is the cause of the fewest number of errors, but approximately 30 per cent of these arithmetical mistakes are made by the taxpayer against himself, resulting in approximately \$19,000,000 in overpayment of taxes.

The first thing to determine is whether you should file a return or not. Everyone whose gross income was \$600 or more in 1956 must file

a return by April 15, 1957. Even if your income was less than \$600 you should file a return if any tax was withheld by your employer and you wish to receive a refund. In any case, if you had as much as \$400 earnings from self-employment you must file a return to report those earnings for social security purposes.

Non-Taxable Income

It is important to remember that all income is not taxable. You should not include in your return any income which is listed in the official instruction book as exempt. This includes interest on state and municipal bonds, most government payments to veterans and their families, life insurance proceeds upon death, gifts and social security benefits. The tax instructions from the Internal Revenue Service contain a list of the types of income which should be included and those which should be omitted from your return.

If You Changed Jobs

Here is a special point to watch if you worked for more than one employer during 1956. You may have overpaid your social security tax. Each employer is required to withhold social security amounting to 2 percent of the first \$4200 of your wages. If you worked for only one employer, this would amount to \$84. However, if you worked for several employers, more than \$84 might have been withheld. Check your W-2 withholding slips and see whether the total F.I.C.A. (Federal Insurance Contributions Act) is more than \$84. If it is, you can claim credit for the excess in the "taxes withheld" column of your income tax form.

The instruction book which comes with your tax forms gives further information. Help is also available by telephone or at offices of the Internal Revenue Service. The Revenue Service urges you to consult properly qualified advisor if you decide to seek outside help.
