## 70 Pints of Blood Donated At Clinic Here

TOTAL IS SHORT OF QUOTA BUT SEVERAL NEW DONORS GIVE BLOOD TO BANK

Seventy pints of blood were donated by residents of Kewaskum and area at the blood donor clinic held at the high school on Monday from 2 to 6:30 p. m. The blood was collected by the mobile unit for the Community Blood Donor club bank.

Don't forget her... next Sunday!

It's Mother's Day. And what a flood of memories that word brings.

No shoulder was softer, no one more understanding than Mother. And throughout the years, her love and affection have been our guiding star.

Next Sunday is a day we honor Mother. Let's not forget the best girl in the world.

## Seniors on Class Trip to Chicago

On Wednesday, May 1, fifty-nine seniors of Kewaskum Community high school took their annual senior class trip to Chicago.

The first stop in Chicago was the Brookfield Zoo. Here the students went in little groups of their own and enjoyed seeing the animals in their natural habitats.

At noon the buses left for the Museum of Science and Industry. In the three hours at the museum, everyone found something of interest to him.

Next came a tour of the Loop, Maxwell Street, and the Skid Row areas. This was a tour which will be long remembered.

After a two-hour tour of their own on Randolph street, the seniors saw the cinerama production, "Seven Wonders of the World."

At 11:15 p. m. the buses were again boarded for the long trip home. Although sleepy, everyone enjoyed and will long remember his senior class trip.

### 4-H Music and Drama Festival

Plans are almost completed and many 4-H club members are working hard to make the county 4-H Music and Drama Festival a success. The festival which will be held on three evenings, will consist of three or four one-act plays and several talent numbers each evening. There are ten clubs giving plays and a dozen or more clubs presenting talent numbers. This means that there will be a completely different program each evening. The public is cordially invited to attend any or all of the evening programs.

The complete schedule of clubs taking part is as follows: Monday, May 13, West Bend high school gym—Plays will be given by Trenton Rangers, Oak Grove, Good Luck and Victory Center 4-H clubs. Each of these clubs will also present a talent number as well as the Trentonaires and welcome.

Sunday, May 19, West Bend high school gym—Plays will be given by the B-Mer-E club, Badger Boosters and Kohlsville Pioneers. The St. Michaels club, Kirchbain Trotters, B-Mer-E club and Badger Boosters will also present talent numbers.

The third program will be at the Slinger high school gym, Monday, May 20. Plays will be presented by the Plat Friendly 4-H'ers, Hilltoppers and Slinger Happy Workers. Each club will also present talent numbers as well as the Jackson Happy Hour also presenting their talent number that evening.

All programs start at 8:00 p. m. The Victory Center club is presenting the play, "Cupid Advertises" and there are a couple of Wild Cat Willie plays to be presented, so it looks as if some good and entertaining plays will be given, as well as several musical and novelty talent numbers.

Tickets are on sale by 4-H members or can be secured at the door. Children under 12 years of age are admitted free.

American farmers indicated this spring they intend to plant some 334 million acres to crops. This is the smallest crop acreage since World War I.

### 'SHUT-INS DAY' TO BE PROMOTED IN COUNTY

"Shut-Ins Day," the first Sunday in June, will be promoted in Washington county for the third consecutive year by the Business and Professional Women's club of West Bend with Mrs. Pauline Day, chairman.

This year, June 2, the club members wish to remind the public to remember the civilian and war veteran chronic shut-in or severely handicapped all through the year, but especially on "their day."

In her announcement Mrs. Day

states that sickness is neither a respecter of youth, or age, rich or poor, and it behooves everyone to give remembrance, encouragement and friendship to those who could be encouraged to improve their health, to become entirely well, or to brighten the lives of those that will remain invalids.

It is hoped that everyone will remember their neighborhood shut-in on Shut-Ins Day, the first Sunday of June, at the suggestion of the Shut-Ins Day association.

### Miss Norma Schulz Bride, Others Wed

Peace Evangelical and Reformed church, Kewaskum, was the scene of a 2 o'clock nuptial ceremony on Saturday afternoon, May 4, during which Miss Norma Schulz, daughter of Mr. and Mrs. Irvin Schulz, R. 2, Kewaskum, became the bride of Eugene Muench, son of Mr. and Mrs. Milton Muench, R. 1, Kewaskum. The Rev. F. L. Rodenbeck officiated at the service.

During the ceremony "O Perfect Love" and "The Lord Is My Shepherd" were sung by the bridegroom's uncles, Norbert Gatzke and Ervin Gatzke.

The bride chose a gown of Chantilly lace fashioned with a Peter Pan collar and train of alternate ruffles of lace and nylon tulle. A tiara studded with sequins and seed pearls held her hand rolled fingertip veil. She carried white roses centered about a white orchid.

The matron of honor, Mrs. Edward Hansen, sister of the bride, the bridesmaids, Mrs. Vernon Muench and Mrs. Loran Backhaus, Jr., and the charm girl, Barbara Bartelt, were gowned identically in Grecian styled dresses of aqua chiffon with a drape caught to a rhinestone pin. Their braided chiffon head bands were studded with rhinestones. They carried heart shaped bouquets of pink and aqua carnations and mums.

The flower girls, Karen and Kathryn Hansen, wore pink chiffon gowns styled like those of the other attendants with sweetheart bonnets. Their flowers were miniature heart shaped bouquets of pink carnations and aqua mums.

LeRoy Muench served as best man for the bridegroom, while Vernon Muench, Loran Backhaus, Jr. and James Muench served as groomsmen. Guests were seated by John Geidel and Edward Hansen.

Supper was served at Bauer's hotel, Campbellsport, and a reception held at the bride's home for 80 guests. A wedding dance was held at Fahn's Kettle Moraine Lake resort.

Following a honeymoon trip to an

undisclosed destination, the couple will be at home in Kewaskum after May 14. The bride, a Kewaskum high school graduate, is employed in the office at the L. Rosenheimer store. Her husband also attended Kewaskum high school and is an employee of Schmidt Electric, Kewaskum.

#### GARBISCH-KUMROW

Miss Beverly Kumrow, daughter of Mrs. Wm. Kumrow, R. 1, Kewaskum, and Charles Garbisch, son of Mr. and Mrs. Raymond Garbisch, R. 1, Random Lake, were married in a ceremony performed by the Rev. Engelking in Immanuel Lutheran church, town of Scott, at 2:30 p. m. Saturday, May 4. The bride was presented in marriage by her brother, Roger Kumrow.

During the service "O Perfect Love" and "The Lord's Prayer" were sung by Mrs. Marvin Kleinke, accompanied at the organ by Mrs. Ervin Krautkramer. White flowers decorated the altar for the double ring ceremony.

The bride wore a floor length gown, fashioned with a bodice of handclipped chantilly lace on net, ruffled net bouffant skirt with over skirt of net and chantilly lace, long tapered sleeves and V neckline of scalloped lace on net. A crown of seed pearls, iridescent sequins and rhinestones was attached to a fingertip veil of French illusion.

Attending the bride as maid of honor was her sister, Alice Kumrow, who wore a gown of blue lace

with molded bodice, bouffant floor length skirt of lace with net ruffles. A cap sleeve lace shrug covered her shoulders. She wore a pillbox half hat of horsehair braid with rhinestone trim and carried a colonial bouquet of roses and carnations to match her dress.

The bridesmaids, Mrs. Ivan Kumrow, Mrs. Leroy Peterson, Jr., and Joy Garbisch, all sisters of the bridegroom, and the junior bridesmaid, Sandra Oppermann, cousin of the bridegroom, all wore dresses and carried flowers like the maid of honor in Nile green, yellow, pink and orchid shades.

The flower girls, Margie Kumrow, niece of the groom, and Dianne Haegler, cousin of the bride, wore white floor length frocks similar to the bride. Their flowers consisted of nosegays of pink and white carnations.

Marvin Mess, cousin of the groom, was best man, while Ivan Kumrow, brother-in-law of the groom, Leroy Peterson, Jr., another brother-in-law, and Ronald Kumrow, brother of the bride, served as groomsmen. Russell Kumrow, brother of the bride, was junior groomsman and ushers were Jerry Thompson, cousin of the bride, and Jerry Kleinke, cousin of the groom.

A reception was held and cafeteria style supper served at Forest Lake resort for about 200 guests. A dance was held there in the evening.

The bride, a Kewaskum high school graduate, is employed at Am-

### LEMON-NUT BREAD

A refreshing lift at any meal and a special bread for Easter Sunday brunch. It's moist and delicious plain as well as toasted and spread with butter or margarine.

NANCY HAVEN

- 4 tablespoons butter or margarine
- 1 1/4 cups Beet Sugar
- 2 eggs
- 1 1/2 teaspoons finely grated lemon rind
- 3 1/4 cups sifted all-purpose flour
- 3 teaspoons baking powder
- 1/2 teaspoon each salt, soda
- 3/8 cup milk
- 4 tablespoons lemon juice
- 3/4 cup coarsely chopped pecans or walnuts

**CREAM** butter or margarine and Beet Sugar together in mixing bowl. Blend in each egg and the lemon rind. Stir in sifted dry ingredients alternately with liquids (milk and lemon juice). Fold in nut meats.

**SPOON** batter into a lightly greased loaf pan (9x5x2 1/2 in.), being sure thick batter is well into the corners of the pan.

**BAKE** in moderate oven (350°F.) 1 hour or until knife inserted in the center comes out clean. Remove from pan, cool.

**HINTS:** If you prefer a nut bread without a cracked top crust, allow the batter to stand in the pan at room temperature for about 20 minutes before baking. Nut bread cuts more easily and flavors are more mellow if it is cooled and wrapped for 24 hours before serving.

## Around The Town

Sunday is the big day for all Mothers. Don't forget her on HER day but make Mother's Day one she will long remember. Send her flowers, candy or a gift, take her out to dine, take her riding, anything that will make HER happy and be queen for a day.

This is the season of much activity—the prom, Mother's Day, graduation, Memorial Day weddings, bowling banquets, baseball games, fishing, motoring, and many other doings. And soon the appetizing aroma of bratwurst sizzling on an outdoor grill will spread over the village in the evening air on these long, daylight saving days. It's a good thing what goes with the bratwurst don't smell, it just tastes. By the time you're sick of bratwurst there's always hot dogs, steak and corn on the cob to barbecue.

Anyway the Easter season is now officially over—we peeled our last of a long line of Easter eggs this week. It was a nice blue one with the inscription "mother" on it. Maybe it was being saved for Mother's Day.

Now that we've had daylight saving time for a couple of weeks, what do you think of it? It seems many of those who were against it at first are changing their minds.

This is annual spring clean-up week so don't forget to take a bath.

Like the rest of the nation, this community was shocked to hear of the death of Senator Joseph R. McCarthy the past week. Whether friend or foe, you got to give him a lot of credit, he was a fighter for what he believed was right and brought out many things which heretofore were kept "hush hush." Even his greatest critics admitted that they admired him for his courage. A man like him may never be elected again. Residents of this area were among those who made the trip to Appleton to view his re-

Tonight is the long awaited and looked forward to night for the students at KHS—the annual junior prom. It is being held in the spacious new school gym for the first time. Understand some of the older persons who will attend have been practicing up on the latest modern steps and are really prepared to cut a rug. The kids are urged to have a good time but make it a sensible prom and get home at a sensible time. We don't want to happen here what occurred after a neighboring prom recently when two young people lost their lives in an auto crash in the early morning hours.

Received copies of the 1957 Wisconsin fishing and hunting regulations from the conservation dept. recently, also a notice, questionnaires and literature on the county public hearings on fish and game regulations and fur rule changes to be held next Monday, May 13. The Washington county hearing will be held at the court house, West Bend, at 8 p. m. It will be supervised by Warden R. J. Lake.

**KOCHER-GIBSON**

Married in Fifth Avenue Methodist church, West Bend, by the Rev. D. L. Wandschneider during a 3 p. m. ceremony on Saturday, May 4, were Miss Diane June Gibson, 214 N. 10th ave. West Bend, and Howard Kocher, R. 2, Kewaskum. Their parents are Mr. and Mrs. Harvey H. Gibson and Mr. and Mrs. Herbert Kocher.

The bride chose a gown of white imported Schiffler embroidery with Venice lace applique. The gown had a fitted bodice with lace accents at the scoop neckline. The sleeves were short and shirred and the floor length skirt was very full. Lace mitts and a fingertip veil of imported illusion secured to a pearl tiara completed her attire. A lavender orchid was centered in her colonial bouquet of white pom pons.

The matron of honor, Mrs. Ervin Terlinden, wore a gown of orchid lace with a molded bodice and bouffant, floor length skirt with net ruffles. A cap sleeved lace shrug covered her shoulders. Her headband matched the material in her gown and she carried white and lavender pom pons. The brides-

maids, Mrs. Marlin Kocher and Mrs. Merlin Kremer, were gowned like the honor attendant in yellow lace with matching head bands and carried white and yellow pom pons in a colonial arrangement. The junior bridesmaid, Jean Gibson, wore a gown of Nile green like that of the other attendants and carried white and green pom pons.

Ervin Terlinden was best man and Marlin Kocher and Merlin Kremer acted as groomsmen. James Gibson was junior groomsman and Robert Leiboldt and Ronald Peterman ushered.

A reception at the church parlors and a dance at West Park ballroom followed.

When they return from a honeymoon in northern Wisconsin the newlyweds will reside in Kewaskum. The bridegroom is a graduate of Kewaskum high school and is a lineman for the Bell Telephone Co. His bride graduated from West Bend high school and is employed at Amity Leather Products Co.

A vegetable gardener who uses poor quality seed can't expect much in the way of a crop, says John Schoenemann, University of Wisconsin horticulturist.

A pessimist is a woman driver who's sure she can't park her car in a tight place. An optimist is a man who thinks she won't try.

A number of proposed changes for the 1957 managed goose hunt on the Horicon marsh national refuge will be voted on at the county game and fish hearings to be held in May. The major proposed change would open the season on migratory birds and waterfowl on Oct. 15 for an area of land bounded by Fond du Lac, Rosendale, Waupun, Fox Lake, Beaver Dam, Mayville and Theresa. The area includes the national refuge but does not include the southern state area.

It wouldn't be such a waste of money paying a doctor for advice if people only had sense enough to follow it.

## Tips on the Vegetable Garden

BY O. E. BEHNKE

Vocational Agriculture Instructor  
Kewaskum Community High School

Gardening is a universal hobby. The vegetable garden is especially enjoyable because fewer hobbies can bring greater benefits in genuine pleasure and good health. It is well to remember that vegetables are essential to good nutrition.

Vegetables grow best in a loose, fertile, well-drained soil. Choose a level spot near the house and away from trees.

A garden fence is helpful at times but has many disadvantages. Fence rows waste soil; they harbor weeds and certain insects and diseases, and are a nuisance at plowing time.

The size of the garden will vary with the family size and the method of arranging crops. Reduce the work of preparing the soil and controlling weeds by using as small an area as possible.

Place perennial crops such as asparagus and rhubarb on one side or at one end of the garden. These crops stay in the same place for years and should be placed where they will not be in the way at soil preparation time. Allow enough space between rows and between plants for good growth and easy

care. Short rows have many advantages. With most crops a 20 to 30 foot row at any one planting is long enough. If more is needed, extra rows may be planted. Sweet corn for an example, will pollinate better when two or more rows are planted together. Long rows often mean more than one crop in each row. This makes gardening more difficult because crops are planted at different times, grow at different rates, and need different amounts of space.

Short rows in gardening, like short lines in reading, are more interesting and less tiring.

If you're short of garden space, an intensive cropping practice may be practical. Using all the garden all the time saves space and labor.

Early radishes, spinach, and set onions, for example, may be planted in the same row before late beets, late carrots (Chinese cabbage, cucumbers or tomatoes).

Early, quick-growing crops like radishes, spinach, early beets, carrots, peas and leaf lettuce may also be planted between rows of sweet

corn, cucumbers, pumpkin, squash or tomato.

This sort of planting means you can grow more vegetables in a smaller space and a smaller garden means less work. But remember, a good loose fertile soil is the important factor.

Check for further garden tips in next week's Statesman.

County game and fish hearings on the night of May 13 will have before them the majority recommendation of the big game committee of the conservation congress setting up deer seasons tailored to area needs as determined by game managers.

### Plymouth Gets Only 3 Hits But Beats Chevs In Lakes Opener, 6-3

A bases loaded triple in the fifth inning by A. Rogers provided the margin of victory as Plymouth defeated Kewaskum in the Land of Lakes opener Sunday, 6 to 3. The tilt was played at Plymouth, one of several new teams in the league this season.

Kewaskum's new pitcher, J. Brunner, hurled a superb game in his first outing in a local uniform, giving up just two safe hits, striking out 9 batters, and walking four in the six and one-third innings he worked. He was relieved by John Tessar in the seventh, who finished up, allowing one more hit, fanning one and walking one in the last one and two-thirds frames. R. Holschuh went the route for Plymouth, also pitching a brilliant game. He allowed seven hits but struck out 15 and passed but three.

Plymouth scored all their runs in two big innings, pushing over four in the fifth and two more in the seventh. Costly errors on the first batter up in each of these two frames really hurt Brunner. These miscues and Rogers' three bagger with the bases jammed decided the outcome. Kewaskum also scored all of its markers in one inning, the fourth, on three hits by Tessar, Herb Fisher and Augie Bilgo, who slammed a triple, two errors and a walk.

Fisher, another newcomer on the team, is a heavy slugger who played with Newburg formerly. The veteran was the hitting star of the game in his first start with three hits in four trips. Plymouth's three safeties were divided among three players.

This Sunday Kewaskum will take on the powerful Sheboygan Kingsburys at Sheboygan. This game is scheduled for Kewaskum but was transferred because the local diamond is not yet in shape. The

Kingsburys will play here on July 14 instead. Last Sunday Sheboygan slaughtered Random Lake, 17-5.

### Indians in Upset Win Over Hustisford, 10-3

The Kewaskum Indians threw the Tri-County baseball conference championship race wide open by upsetting previously unbeaten Hustisford Monday afternoon by a one-sided 10-3 score. The league leaders had won five straight before bumping into the Indians. They still hold a half game lead over Kewaskum by virtue of having played one more encounter.

The victory was the Indians' fourth of the season and gives them a 4-1 record to date. Dave Mertzig was the winning pitcher and also had a triple to his credit. Bob Kuehl and Jack Schlicht led Hustisford with doubles to round out the extra-base blows. The setback left Hustisford with a 5-1 record.

### How to Grow Top Corn Yields

Crib-busting yield (right) comes when corn crop gets heavy pre-planting application of fertilizer, plus starter and plenty of additional nitrogen.

SEVEN steps for getting top yields of corn this year were listed by the Middle West Soil Improvement Committee, based on suggestions by University of Illinois agronomists:

1—Get the soil tested now if this hasn't been done recently. This will allow plenty of leeway to order fertilizer in time for spring planting.

2—If the test indicates the soil is low in phosphate and potash, you will need large amounts of these nutrients. These large fertilizer applications should be broadcast and plowed or worked into the soil before planting. Nitrogen is needed, too. Where corn does not follow a plow-down legume, add anywhere from 80 to 150 pounds of nitrogen fertilizer per acre.

3—If the soil test is high, use maintenance amounts of fertilizer to keep it that way.

4—Plow and prepare a good seedbed, but don't work the soil

to death.

5—Plant 16,000 good kernels per acre of an adapted hybrid.

6—Add a starter fertilizer in the planter attachment as a matter of insurance. In cold, wet weather this can be particularly helpful in increasing yields. The starter fertilizer should include nitrogen, phosphate and potash. This should be applied with the fertilizer attachment a few inches to the side and either at seed level or below seed level.

7—Cultivate only enough to control weeds. Avoid deep cultivation.

T. L. Kurtz, University of Illinois agronomist, points out that a loose, well-drained soil with good water-holding capacity is essential for 100 bushel corn yields. Other essentials include sufficient rainfall, warm days with lots of sunshine and an absence of scorching, dry weather, particularly at pollinating time.

### Services Held for Benjamin Terlinden

Funeral rites were held Saturday afternoon, Apr. 27, for Benjamin Terlinden, R. 3, Kewaskum, at Zion Lutheran church, town of Addison. The Rev. Marvin Volkman officiated and burial was in the church cemetery. Mr. Terlinden, who had been ill for several years, died at his home on Wednesday, Apr. 24.

He was born in the town of Wayne on July 20, 1889, and married Hedwig Pluedemann, Nov. 20, 1920. She survives, together with six children, Leona (Mrs. Charles Westphal), Newburg, Arthur, R. 3, Kewaskum, Ariene, Milwaukee, Alvin, R. 3, Kewaskum, Harold, Milwaukee, and Elmer, Port Washington. The deceased also leaves five grandchildren, a sister, Mrs. Ann Schmidt, R. 3, Kewaskum, and a brother, Julius Terlinden, West Bend rural route.

### BASCOM APPOINTED HEART ASS'N. REPRESENTATIVE

Deane R. Bascom, North Main, West Bend, has been appointed Heart Association county representative in Washington county, according to Dr. John K. Curtis, president of the Wisconsin Heart association. Dr. Curtis said the association is making leader appointments for the 1958 drive, because of the amount of time necessary to organize and plan the annual February solicitation. Bascom, an attorney, has served the Heart Fund drive since 1955.

### SUPERVISORS OF COUNTY SOIL DIST. SUPPORT SOIL WEEK, ROMAINE ANNOUNCES

Supervisors of the Washington County Soil Conservation District wholeheartedly support the observance of Soil Stewardship Week, according to an announcement made this week by E. M. Romaine, Kewaskum, chairman of the local governing body.

The nation-wide program, beginning on Sunday, May 26, is sponsored by the National Association of Soil Conservation Districts.

"Productive soil and abundant water will be reflected in the prosperity and spirit of tomorrow's people far more than is generally believed", the chairman remarked.

"The youth of today, through our rural and urban schools, are learning the meaning and significance of wise stewardship of our natural resources," the chairman went on to say. "It is hoped that our successors will not have to make the statement that is so well phrased in this verse:

For when our sons assume the mortgage

On the land that's had our toil  
Let's not have them ask the question

"Dad, here's the farm; but where's the soil?"

Supervisors of the Washington County SCD in addition to the chairman are Harry Sheski, West Bend; Raymond Bast, Richfield; Alfred Rode, Hartford, and Walter Liepert, Kewaskum.

A woman never makes a fool of a man. She only directs the performance.

### Poppy Day

May 24 will be Poppy Day when everyone in Kewaskum will be asked to wear a memorial poppy in memory of those who gave their lives to protect free America against the threat of twentieth century tyranny which three times has made war on freedom. Wearing a poppy is the individual way of showing remembrance, honor and gratitude for those who died standing between America and its enemies. It is the way to give them a personal salute.

County fish and game hearings will be held in all counties on May 13 the conservation department announces.

## WORTH GETTING UP FOR . . . DUTCH PEACH CAKE

They may sleep through the first peal of the alarm clock but, on the repeat ring, if the tantalizing fragrance of Dutch Peach Cake comes up the stairs, small boys and those grown tall will be down for breakfast.

A hot bread can make a meal, any meal, but at breakfast it's really a treat. That's where our Dutch Peach Cake comes in. Quite obliging it is, as far as peaches are concerned, for it can be made of canned peaches—your own or those from the store—or of fresh fruit when the peach season is on. As for the cake part, use the coffee cake recipe on the box of biscuit mix if you're for saving time, and pro-

ceed from where we're ready to put on the peaches in this—

### DUTCH PEACH CAKE

- 2 cups sifted all-purpose flour
- 1/2 teaspoon salt
- 4 teaspoons baking powder
- 1/2 cup sugar
- 1/4 teaspoon mace
- 1 egg
- 1 cup milk
- 1/4 cup melted butter (1/2 stick butter)

Sift together the dry ingredients. Beat the egg until thick and lemon-colored. Add the milk and stir into the dry mixture along with the melted butter. Do not beat. Spread into a well-buttered nine-inch square glass baking dish or pan.

Peach slices, quantity depends on design

- 1/4 cup sugar
  - 2 tablespoons flour
  - 1 teaspoon cinnamon
  - 2 tablespoons butter
- Crumble the butter into the dry ingredients, using a coarse-tined fork. (Double the quantity if the family likes lots of topping. P.S. We do!)

Arrange peach slices in rows or in any desired design on top of batter. Sprinkle the crumbly butter mixture over the top. Bake in a slightly above moderate oven (375°) for 25 to 30 minutes. Serve hot.
