Kohler and Proxmire Win Nominations for Senator

Village, County Voting Follows State Outcome

ONLY 183 VOTES ARE CAST IN
VILLAGE, 50 IN TOWNSHIP;
DAVIS WINS IN TOWN

Former Gov. Walter J. Kohler, Jr., three times governor of Wisconsin, was the victor for the Republican nomination for United States Senator to succeed the late Sen. Joseph McCarthy at the special primary election in Wisconsin Tuesday. William E. Proxmire, three times defeated for election as Democratic candidate for governor, won the Democratic nomination in Tuesday's primary. The two will run for the senate election at a special election to be held Tuesday, Aug. 27.

Kohler defeated his nearest competitor, Glenn R. Davis, of Waukesha by approximately 9,000 votes in the state. Kohler's victory was recorded in a heavy Kohler vote in Milwaukee county, where he polled 34,175 votes to 15,107 for Davis. Rep. Alvin E. O'Konski finished third in the race, winning over Lt. Gov. Warren P. Knowles. Henry P. Hughes, Oshkosh, came in fifth. State Sen. Gerald D. Lorge, Bear Creek, was sixth, and John C. Schafer, Milwaukee, finished last.

On the Democratic ticket Proxmire easily won the nomination over Rep. Clement J. Zablocki. Only in Milwaukee did Zablocki run far ahead of Proxmire.

The vote throughout the state was very light. The trend in Washington county closely followed the state pattern. The candidates finished in the same order in the county as they did in the state returns. An estimated 4,252 votes were cast in the county, less than 50% of the vote cast last November. Voting in the village and town of Kewaskum also was very light. A total of 183 votes, less than one-third of those eligible, were cast in the village and only 50 persons voted in the township.

Results in Washington county were as follows: Republican—Kohler 1,273, Davis 1,104, O'Konski 360, Knowles 314, Hughes 113, Lorge 196, Schafer 16. Proxmire easily won over Zablocki with the figures not being available.

Village of Kewaskum results were: Republican—Kohler 59, Davis 41, Knowles 15, O'Konski 13, Hughes 6, Lorge 5, Schafer 2. Democratic—Proxmire 20, Zablocki 17.

Town of Kewaskum results—Republican—Davis 14, Kohler 8, O'Konski 6, Lorge 5, Knowles 4, Hughes 0, Schafer 0. Democratic—Proxmire 7, Zablocki 5.

Theatre Closed During Street Construction

The Kewaskum theatre will be closed during the time that Fond du Lac ave. is being reconstructed in the village. The theatre will re-open as soon as the street is completed. It will be closed starting this week end.

Ralph Schellinger, Two Others Killed In Car, Semi Crash

Ralph Schellinger, 30, of R. 3, Hartford, and two other persons were killed outright at 6:15 p. m. Monday in a car-semi-trailer truck collision at a Waushara county intersection north of Berlin known as "dead man's crossing." Schellinger is a driver for the Bird Trucking Co. of Waupun, which formerly operated out of Kewaskum. He spent much time in Kewaskum and was well known here, being a very close friend of other Bird drivers from the village.

The accident occurred when a car driven by Noah Sudow, 58, Stevens Point failed to stop at the intersection of Hwy. 49 and 21 near Auroraville and crashed into the semi-trailer driven by Schellinger. Sudow and his brother, Sam Sudow, 68, of Chicago, were killed in addition to Schellinger.

Officers said Sudow apparently missed and sped through the stop sign at the intersection and Schellinger swerved his truck off the road in a futile attempt to avoid the collision. The truck skidded about 49 yards after the crash, landing in a ditch on the opposite side of the highway, where it tipped over.

Investigating officers reported the truck and car were total wrecks and that steel stanchions, beams and cattle drinking cups carried by the truck were strewn along the highway.

Funeral services for Schellinger will be held Friday morning at 9:30 o'clock at St. Lawrence church, St. Lawrence. The Rev. Alfred Weber will officiate and burial will take place in the parish cemetery. The body was in state at the Rothenbach funeral home, Hartford.

Schellinger was born in the town of Addison on Jan. 8, 1927. His marriage to Joan Heppie took place in Holy Angels church, West Bend, on Oct. 12, 1949. The couple lived in Jackson and in 1950 moved to their present home.

Surviving are the widow, three children, David, Daniel and Carol; his parents, Mr. and Mrs. Arthur Schellinger of R. 3, Hartford; four brothers, Florian of R. 4, West Bend, Bernard of R. 3, Hartford, and Franklin and Eugene at home, and two sisters, Victoria (Mrs. Walter Theisen) of R. 1, Allenton, and Eileen (Mrs. Marvin Hoffmann) of R. 1, West Bend.

Mrs. Mertes Married

Mrs. Clarence (Emma) Mertes of Kewaskum and T. R. Hayes of Florence, Ala. were married on Thursday, July 18, at the First Methodist church, Tueplo, Miss. The couple will make their home in Florence, Ala.

Seefeldt Family Has 18th Annual Reunion in Park

165 MEMBERS REPRESENTING
17 COMMUNITIES ATTEND;
OFFICERS RE-ELECTED

The 18th annual Seefeldt family reunion was held on Sunday, July 28, at the Kewaskum village park. This community is the original settlement area of the pioneer Seefeldt families of Christian Friedrich Seefeldt.

The 165 persons in attendance enjoyed a picnic dinner at noon. Group singing, led by Albert Zimmerman of Reedsville, included the family reunion theme song and German melodies.

Pioneer member of the family honored at the reunion was August Seefeldt, son of Christian Friedrich Seefeldt and Anna Sophia Kobs of Plantkrow, Germany. August was one of the seven children who immigrated to America, arriving in New York by sailboat with two brothers, William and Carl, and a sister, Wilhelmina, in 1856. After a short stay in Milwaukee, August and his brother William purchased 80 acres of virgin farm land in Section 3 of the town of Kewaskum, in 1856.

Grain was the main crop. Sheep were raised for wool which was carded, spun and knitted. Also grown was flax which was dried in the outside oven and processed and woven into linen cloth. A few cows were raised for milk which was made into cheese and butter.

This farm is now owned by Herman Seefeldt. The Louis Seefeldt and Oscar Seefeldt farms were later acquired by August Seefeldt. He was born and raised on a farm in Germany but had learned the trade of a "schneider" or tailor. For a time after coming to America he still followed his trade and the shears August used in Germany were shown at the reunion. Early farming methods were described and the family's activity in the community were related.

August Seefeldt cast his first vote in America in 1860 which the early settlers considered very important, for the records show that 202 votes were cast at the election. He was elected supervisor for five years and during his term in 1871 the proposition of the North (CONTINUED ON PAGE EIGHT)

PHEASANTS RELEASED BY SPORTSMEN'S ASSOCIATION

Approximately 450 of the 700 pheasants that were raised by the Kettle Moraine Sportsmen's Association, Inc. of Kewaskum this summer were distributed to members of the club Sunday to be released in the surrounding area. Thirty more birds were released by members on Monday, making a total of 480. Eight birds were distributed per member.

About 50 or 60 hens and several roosters will be kept until spring and then released when they are fully grown. The pheasants were acquired from the conservation department just after being hatched.

Cancer Fund Drive Under Way in County

L. ROSENHEIMER, A. SEEFELDT
VILLAGE, TOWN CHAIRMEN;
GOAL 10% HIGHER

The 1957 cancer campaign for Washington county is being conducted from July 29 to Aug. 10, inclusive, according to D. J. Kenny, West Bend, cancer chairman for Washington county. Letters from local village and town chairmen were received by county residents this week.

Kenny said the campaign will be conducted entirely on a voluntary basis again this year since this type of drive always has proved successful in the past. The goal for Washington county this year is about 10% higher than the 1956 quota, but the chairman said he is confident that the people of Washington county will respond generously to the appeal. He asked that contributions be returned early in order that the campaign can be completed in a short time.

The number of deaths caused by cancer is increasing each year in Washington county. Surveys indicate that 1 out of every 4 people will be a victim of cancer. That (CONTINUED ON PAGE THREE)

Young Man Shoots Self in Right Leg

At about 11:45 a. m. Sunday John A. Kluwin, Jr., age 18, of 5346 N. Santa Monica Blvd., Whitefish Bay, accidentally shot himself in the right leg at the summer home of his father two miles east and one mile north of Kewaskum off of Hwy. 28, near the former turkey farm. The youth was practicing target shooting with a .38 calibre Colt revolver when the mishap occurred. The bullet entered the calf of the leg and came out above the ankle. The young man was brought to a local physician's office by his father, John Kluwin, Sr. of the same address. The physician then conveyed him to St. Joseph's hospital, West Bend.

OPEN ANOTHER TEMPORARY ROAD AT VILLAGE LIMITS

Another temporary street has been laid out at the south village limits to be used for local and light traffic only while Fond du Lac ave. (Hwy. 45) is being reconstructed. The road runs from Fond du Lac ave West to South st. and enables traffic to pass through Roseland Heights to enter the village.

The blacktop street was built through the efforts of the village board in co-operation with Mr. and Mrs. Walter Mellahn, owners of the land, who allowed the street to pass through their property. The road most likely will be removed again after the street construction is completed.

Trucks carrying loads of more than one ton will not be permitted to use this temporary road. All vehicles traveling the road or any other temporary roads in the village will do so at their own risk.

RECENT WEDDINGS

NELDNER-BLUMER

Miss Dixie Lee Blumer, daughter of Mr. and Mrs. Jacob Blumer, R. 2, Campbellsport, became the bride of Kenneth J. Neldner, son of Mrs. Gladys Neldner, R. 3, Campbellsport, during a double ring ceremony performed by the Rev. Norbert Mielke at 2 p. m. Saturday, July 20, in Trinity Lutheran church, Dundee.

"The Lord's Prayer" and another prayer were sung by Mrs. Richard Hornburg. Organ music was played by Mrs. Larry Roehl.

Given in marriage by her father, the bride wore a floor length gown of embroidered tulle in floral lace design styled with a full tiered bouffant skirt of nylon tulle. Scroll-edged illusion formed the veil which was gathered to a clip hat. She carried a cascade bouquet of white roses with pink miniature roses throughout the bouquet.

Mrs. Richard Virginia Leuck, sister of the bride, from Watertown, was matron of honor. She wore a gown of pink lace net designed with a fitted bodice, bouffant floor length skirt of lace and net. A cap sleeve jacket was worn over her strapless gown. She wore a matching clip crown of horsehair and pearls with a pearl studded face veil. Her flowers were Nile green carnations and baby mums.

The bridesmaids were Arlene Lühse, Betty Arndt and Eileen Volm. They wore gowns of Nile green lace designed with molded bodice, bouffant floor length skirts of lace and net ruffles. A cap sleeved lace shrug covered their shoulders. They wore clip crowns like the matron of honor. Their bouquets were of pastel pink carnations and mums. The junior bridesmaid, Sandra Narges, niece of the bride, wore a gown and crown identical to the matron of honor and carried a miniature bouquet like that of the honor attendant. Barbara Blumer, niece of the bride, as flower girl, wore a full floor length gown of nylon dotted Swiss. She wore a lace poke bonnet and carried a miniature of the bride's bouquet.

Best man was Robert Neldner, brother of the groom, while David Brown, Donald Backhaus and Dick Leick served as groomsmen. Ushers were Paul Blumer and J. Henry Blumer. The groom and groomsmen wore dinner jackets of white with black trousers. Steve Blumer, nephew of the bride, was ring bearer, wearing an all white suit.

He carried a lace and net satin pillow, heart shaped, bearing the wedding rings.

Dinner was served and a reception held at Fahn's Kettle Moraine Lake resort. Dinner was served to more than 500 guests. Later a public dance was held.

The couple left on a honeymoon to Wisconsin Dells. The bride's traveling costume was a white sheath dress of linen. Mr. and Mrs. Neldner both are graduates of Campbellsport high school. He is employed as an accountant for the Miller Brewing Co., Milwaukee.

ROEHL-NAUMANN

Miss Eunice Nauman, daughter of Mr. and Mrs. George T. Berg, Milwaukee, and Ronald L. Roehl, son of Mr. and Mrs. Erwin Roehl, Campbellsport, were married at 7:30 p. m. Saturday, July 6, in St. John's Ev. Lutheran church by the Rev. Karl J. Otto.

The organist, Richard Hawley, played Bach's Air G. String for the processional and Trumpet Voluntary as recessional.

The bride wore a candlelight satin princess style gown fashioned with a chapel length train, lace bodice, Sabrina neckline and long sleeves. A crown headpiece of seed pearls held her fingertip veil. She carried yellow long stemmed roses.

The bride was attended by Mrs. Richard Neubauer as matron of honor. She wore a gold crystallette waltz length dress. Her flowers were natural white daisies and ivy. The bridesmaid was attired the same as that of the matron of honor. Sandra Neubauer was flower girl.

The bridegroom was attended by his brothers, Robert and Larry Roehl. Ben Nauman and Dennis Kiefner ushered.

A reception was held in the church basement for over 300 guests and open house was held at the bride's home for 50 persons.

Following a wedding trip to Canada and northern Wisconsin, the newlyweds are now at home at 1411 Appleton st. in Appleton. The bride and her husband both attended Bethany Lutheran college. He will teach school at Fox Valley Lutheran high school.

CANCER DRIVE

(CONTINUED FROM PAGE ONE) means that almost 10,000 residents of Washington county will develop cancer during their lives. The disease strikes irrespective of sex, race, creed or geographical location.

"Washington county has never failed to answer the cancer appeal wholeheartedly, generously and promptly, and we are sure that this year will be no exception. Residents of this county have always given more than was asked to aid the fight against cancer through research and education. If everyone will give just a little more this year than last, we will be assured of reaching our quota," he said.

Letters are not being mailed to residents of West Bend, Hartford and Barton in that the Community Chests of these communities have already contributed to this cause. However, each year there are many people who desire to make their own individual donations. Such donations should be mailed to the American Cancer Society, Security Building, West Bend, or to Walter Cbenberger or H. E. Pelzer, co-chairmen for Hartford.

Assisting in the 1957 campaign are the following village and township chairmen: Thomas J. Kenny, county campaign chairman; William Kratz, village of Slinger; Lehman L. Rosenheimer, village of Kewaskum; Chester Rheingans, village of Jackson; Ray Heigendorf, village of Germantown; Joseph Kowanda, town of Trenton; Ben J. Dickel, town of Richfield; Adolph

Schmidt, town of Polk; Alfred Seefeldt, town of Kewaskum; Reuben Schmahl, town of Jackson; Adam Schaefer, town of Hartford; Reuben Gauger, town of Germantown; Ray Meier, town of Erin; Louis Kuhaupt, town of Addison; Paul J. Cypher, town of Barton; Guido Schroeder, town of West Bend; Victor Bauer, town of Wayne, and B. W. Wierman, town of Farmington.

Residents of the county are urged to return their contributions in the return envelope which is enclosed with each campaign letter being sent out. It is hoped that the letter will not be put aside to be taken care of later. Every member of the family is urged to read the enclosed leaflet, and to particularly note the "Seven Danger Signals of Cancer."

FAIR ROUGHAGE EXHIBIT OF INTEREST TO FARMERS

Farmers showed a great deal of interest at the Washington county fair in the improved roughage exhibit that was in the Wisconsin Electric company tent. This exhibit was prepared by farmers who own mow driers in Washington county.

The samples were judged by George Werner of the University of Wisconsin, who grouped them into blue, red and white placings. The Wisconsin Electric company has made this program possible.

Sometime prior to the end of the fair, samples number 2 and 10 were removed from the exhibit and the names and placings and cash awards of those two will have to be held up until the names of each are made available to the extension office or to the Wisconsin Electric company, West Bend. Therefore, County Agent Maurice Hovland asks any farmer who removed his sample to let him know as quickly as he can what his name and address would be so that he can follow through on the payment of the

prize and ribbon.

Harvesting of oats and other grains (threshing time) is in full swing and this means the summer season is also waning, as much as we regret to think of it. The days getting shorter are becoming noticeable. Here it is August and only a month from Labor Day and the start of school again. But summer is still definitely with us as the weather the past week proved. It was in the high 80's every day.

Driving south of West Bend on the way home from the Braves twin bill Sunday evening and again on the way to the county fair later in the evening we were alarmed by the strong odor of gas in the car. Later we found out that the gas fumes were caused by a leak in a pipe on the Diefenbach gas line near the Wagon Wheel on Hwy. 45 south of West Bend at the Jackson gate substation. Officials of the Milwaukee Gas Light Co. reported there was no danger from the leak. The odorant is added to the natural gas as a safety measure as natural gas is odorless, colorless and tasteless. The odor from the "gas leak" was especially strong because it came directly from the container of the highly concentrated additive placed in the gas. No doubt many other drivers were also alarmed by the fumes as the Gas Light Co. was swamped with calls.

While paging through the Milwaukee phone directory between games Sunday and looking up a name beginning with the letter K,

we noticed there are a lot of Kohls in the phone book. But we couldn't find a Rabbi Kohl. This name would be listed in the directory as Kohl Rabbi. They sure are good fresh out of the garden at this season of the year.

Back to the county fair again. County Agent Maurice Hovland reports that this year's fair was a tremendous success and played to record breaking crowds. The attendance was estimated at about 20 per cent above average. The weather was very favorable for the four day fair from Thursday through Sunday. There's something about these county fairs, even though they're always pretty much the same each year. We go mainly to see the string beans on exhibit.

An experience occurred over the week end which can serve as a lesson to everyone. Don't leave your valuables in an unlocked, parked car. On Saturday a high priced, over-under shotgun was taken from an auto parked on a village street. Luckily, in this case, the owner had an idea of who might have lifted the gun and got it back. You may not be so fortunate.

As expected, the turnout of voters was very small at Tuesday's primary. Not even one-third of the eligible voters in the village cast their ballots. Next will be the regular election on Aug. 27. Whoever is

electd may not be our best senator but he will be our, highest priced when you figure the cost of the special elections.

One local tavernkeeper had a birthday Tuesday and all of the other taverns co-operated by closing for the day in observance of the occasion. Of course, the election had something to do with it, too.

On Saturday the "wurst" city in the world will be at its best on the "wurst" day of the year. That is when Sheboygan will celebrate its annual Bratwurst Day, sponsored by the Jaycees. Pretty tasty, frying delicious brats over a glowing charcoal fire, biting slowly through a fresh, hard roll and into juicy, succulent, spicy sausages. There will be a brat breakfast with stands all along Main st. A queen will be selected, there will be bratwurst eating contests, free entertainment and concerts, carnival, dances and just about every possible type of fun for free. Streets will be renamed "Bratwurst Boulevard," "Sammel Strasse," "Pickle Place," "Onion Oasis," "Mustard Moll," "Charcoal Court," "Smoky Lane," etc.

A total of 1,108,983 people were licensed to fish in Wisconsin last year, including residents and non-residents. People over 65 years old are not required to pay a license fee and unlicensed youngsters swell the total of the state's fishermen.

WHERE THOUSANDS DIE!

91 killed—3,150 injured! If that were the report of an explosion, wreck or other disaster, it would be front page news. People would be horrified! But worse—it's just *one day's* automobile casualty list in the United States. It happens every day, week in, week out. *Four deaths, 131 injured—every hour.* At year's end 33,500 lives snuffed out, over a million injured or maimed for life. That's what happened last year. This year's record threatens to be even higher.

Speed—reckless, wanton speed—drunken driving—defiance of safety rules and regulations—and careless, jaywalking pedestrians, top the list of causes for this grim toll.

What can you do about it? Will the speeding wheels of your car add one death to this mass murder of the highways? Not if you, the driver—and you, the pedestrian—take your individual responsibilities seriously. Drive carefully at all times, under all conditions, and be alert when walking.

Don't be one of the thousands to kill, or be killed. Drive safely—and live!

Chevs Shade Jackson In 10 Innings, 6-5

PLAY CAMPBELLSPORT HERE SUNDAY, RANDOM LAKE THURSDAY NIGHT

In another thrilling Lakes battle that went 10 innings, Kewaskum nosed out Jackson of the South Section here. Sunday afternoon, 6-5. The Chevs held onto fourth place with a record of 8 wins and 6 losses.

With the contest knotted at 5-all at the end of nine innings Jackson made a serious threat to ice the victory in the 10th when they filled the bases with only one out. But pitcher Dave Mertzig came through with flying colors to escape being scored on by striking out Klumb and Schloemer to end the threat.

Kewaskum bounced right back to snare the win in their half of the 10th. After Peevee Stenman singled and Mertzig was hit by a pitched ball, Bob Dreher came through with a timely single to score Stenman and win the game.

Freddie Bruhn started on the mound for the Chevs and was relieved by Mertzig after four innings. He gave up seven hits and three runs. Mertzig went the rest of the way, holding Jackson to 7 more hits and 2 runs. Gumm and Kusler shared pitching duties for the losers and were nicked for 13 hits.

Trailing 3-1, the Chevrolets went ahead, 4-3, with 3 big runs in the 6th. Jackson pushed over 2 in the 8th to take a 5-4 advantage but Kewaskum scored 1 in the same frame to tie the score. Neither team scored in the 9th, forcing the tilt into extra innings.

The Dreher cousins, Bob and Fuzzy, starred at the plate with 3 hits each for the winners. Fuzzy's blows included a triple. John Tessar chipped in 2. E. Harth set the pace for Jackson with 3 for 5. Herman, Klumb, Herbst and Gumm each connected safely twice.

Kewaskum will play two home games this coming week. On Sunday afternoon last place Campbellsport will pay a call and next Thursday night under the lights Random Lake comes to do battle. The Chevs would like to take this one to get up in the standings. Random is in third place a game ahead of the Chevs.

North Beats West in All-Star Game, 3-1; Local Players Star

The North shaded the West, 3-1, in a Land o' Lakes all-star game played at Regner city park diamond in West Bend last Thursday night. It was the fourth straight year that the North won the game, witnessed by about 150 fans.

The North outit the West, 6 to 3, in a well-played contest. Pitchers Don Gumm, Ken Schaezel and Steve Bartkowski sewed up the Western stars in every inning but the third when the losers scored their lone run on a single and double.

The North beat the West, 12-7, in 1954, in which game John DeMerit of Port Washington, now with the Milwaukee Braves, hit a 3-run homer. In 1955 the score was 18-5 and 3-1 last year.

Schaezel was the winning pitcher for Manager Harry Jensen's North team. With the score tied at 1-1, he pitched hitless ball for three innings.

The North took a 1-0 lead in the first frame when Bud Helm, Mequon, tripled and scored on a double by Don Didier, Saukville. After the West knotted the count in the third, the score was deadlocked until the sixth when the winners collected their two winning markers.

In the sixth Dick Russart, West Bend, singled and John Tessar, Kewaskum, was safe on a drag single. On a double steal, the runners advanced, with Russart scoring on an error and Tessar held at second. The West catcher tried to pick Tessar off of second on a dropped third strike, but John slid back safely. He scored on a double play.

A number of fine defensive plays were made by the stars, including an over-the-head running catch by shortstop Herb Fisher of Kewaskum and a good catch of a line drive by outfielder Tessar that averted a run. Kewaskum's other representative in the tilt was catcher Bob Dreher. Tessar was the only one of the trio to get a hit.

LITTLE LEAGUERS "NOSED OUT" BY WEST BEND 25-3

In a one-sided tilt, West Bend grubbed Kewaskum in a 5-inning Little League baseball game Friday, 25-3. No telling what the score would have been if the boys had played 9 innings.

West Bend used in the neighborhood of 20 players (no count was taken) in the game and most of them got at least one hit. Hammer was the winning pitcher and also hit a homer. Holt, the catcher, got five hits in five times at bat. Miller led Kewaskum in batting, getting the team's only hit.

BIG PUDDLES TEAM WINS ONE FROM NEWBURG, 10-6

Kewaskum's big Land o' Puddles team played Newburg here last Thursday afternoon and won by a 10-6 score. The winners pushed over 3 runs in the 1st inning, 6 in the 3rd and 1 in the 6th. Newburg scored 2 in the 4th, 2 in the 6th and 2 in the 7th.

Kewaskum players were Billy Koenen, pitcher; Otto Ramthun, catcher; Terry Koch, first; Harvey Ramthun, Jr., 2nd; Dick Cook and Tommy Bartelt, 3rd; Roger Yeadeke short; Con Sadownikowa and Jim Fickler, center; Wally Ewert, right, and Bob Ewert and Jim Marx, left. King and J. Meyer pitched for Newburg. Koenen struck out 6 and King and Meyer 9.

Kewaskum will play a return game at Newburg Aug. 8.

First place for modeling aprons was won by Catherine Guttman, Donna Schaefer and Jean Felix; second to Diann Ramel, Ann Schaefer, Janet Dreher and Grace Bercraft, and third to Jean Schaefer, Eileen Ruplinger and Mary Reindl. For modeling a dress and skirt and blouse second place went to Diann Ramel.

HOT WEATHER EATING—

Cheese and Corn Skillet Dinner Gets You Out of Kitchen in a Jiffy

Summer is not the time for spending hours in the kitchen. But it is the time for eating outdoors or as near there as possible.

Here's a quickie meal that will get you in and out of the kitchen in a jiffy. And it whisks easily to the back porch or patio for cool, cool dining.

The main course is called "cheese and corn skillet dinner."

With it goes a tossed salad of crispy fresh vegetables and tall glasses of ice-cold milk.

As the name implies, the cheese and corn dish is cooked atop the stove—no turning on the oven in this hot weather. It may be served just as is or spooned onto hot toasted buns generously spread with creamy butter.

Begin the simple preparation by browning versatile ground beef, along with green pepper, onion, and celery, in butter. Add

a can of corn and the remaining ingredients except cheese.

When the corn is heated through, mix in sharp Cheddar cheese. As soon as it melts, the dish is ready. Add a bit of the shredded cheese around the top of the casserole for the finishing touch.

A distinctive, fine flavor develops when the Cheddar seeps through the mixture. Moreover, as in so many dishes using cheese, the flavor improves with time. So don't hesitate about serving this entree the next day if you have some left over.

The refreshing taste of milk goes perfectly with skillet dinner. Here's a tip about serving milk. Keep it in the refrigerator until you're ready to eat, then pour it icy cold.

The bubbles that appear on top of the glass result from aerating the milk. Air not only gives a

frothiness that is eye-appealing, but it enhances the flavor as well.

CHEESE AND CORN SKILLET DINNER

4 servings

2 tablespoons butter
¾ pound ground beef
2 tablespoons chopped green pepper
1 medium onion, chopped
2 tablespoons celery, chopped
½ cup chili sauce
1 dill pickle, chopped
2 cups frozen or canned whole kernel corn, drained
1 teaspoon salt
¼ teaspoon pepper
