Tarantino Gets 4 Years for Local Burglary Attempt

ALSO SENTENCED TO TWO ONE TO FOUR YEAR TERMS FOR MILWAUKEE BURGLARIES

Nick Tarantino, 27, of Milwaukee received a four-year sentence at hard labor in the Waupun state prison when he appeared before Judge William C. O'Connell in circuit court at the Washington county court house in West Bend last Thursday.

Tarantino was given the sentence following a pre-sentence investigation after he appeared before the court on Oct. 2 and pleaded guilty to a charge of attempted burglary at the L. Rosenheimer store in Kewaskum on the night of Feb. 17, 1957. Tarantino was taken to Waupun by Sheriff Al Schmidt and Police Chief Roland Pledl of Kewaskum the same day to begin serving his sentence.

Tarantino, who was arrested by Chief Pledl and county officers on the same night of the break-in at the Rosenheimer store, had been free on bond pending his appearance in court at West Bend.

Two alleged companions of Tarantino will also face trial in the Rosenheimer break-in. They are Frank Aliota, 25, and Salvatore (Sam) DiMaggio, 40, both of Milwaukee. Aliota is out on bond and is expected to be brought into court at a future date. It is not expected that DiMaggio will be brought to trial before he completes serving his present sentence. He was also out on bond on the Rosenheimer case before he was sentenced for another robbery in Milwaukee.

Tarantino was sentenced on two other burglary charges in Milwaukee Tuesday. After he was sentenced by Circuit Judge Michael T. Sullivan to Waupun state prison for a term of 1 to 4 years, Circuit Judge Leo B. Hanley sentenced him to a third 1 to 4 year term within a few hours. The two terms handed down in Milwaukee will run concurrently with the four year term Tarantino received last Thursday in West Bend to the Rosenheimer burglary.

Judge Hanley said he would be justified in imposing the maximum sentence of 10 years in prison on Tarantino because he had continued burglaries after being picked up for one in 1955.

KIWANIS CLUB GIVES \$100 TO THREE LOCAL SCHOOLS

The Kiwanis club of Kewaskum wishes to announce that besides the previously mentioned \$100.00 gifts given to the Kewaskum Community High school and Kewaskum Graded school, a third \$100.00 gift was also given to Holy Trinity school.

The \$100.00 each school received was designated for recreational purposes.

NANCY HELD ORGANIST AT BEECHWOOD CHURCH

Miss Nancy Ruth Held, daughter of Mr. and Mrs. Norman Held, has accepted a position of organist at St. John's Evangelical and Reformed church at Beechwood. She played her first service on Sept. 22,

Dedication of New High School Sunday, Nov. 10

(Photo courtesy West Bend News)

Plan Appropriate Program, Guided Tour of Building

George E. Watson, State Supt. to Be Principal Speaker

PUBLIC INVITED TO ATTEND FORMAL OPEN HOUSE AT COMMUNITY SCHOOL

The formal dedication of the new Kewaskum Community High school will be held in the school auditorium on Sunday, Nov. 10, at 2:00 p. m.

An appropriate dedicatory program has been planned for the occasion. George E. Watson, State Superintendent of Public Instruction, will be the principal speaker.

Following is the program of dedication:

Presiding—Melvin Riley, President, Community High School Board.

Band Prelude—"Symbol of Honor March," Messing; "Great Gate of Kiev," Moussorsky-Walters; "Four Episodes for Band," Morrissey;

"Deep River Rhapsody," Walters; "Military Escort March," Bennett; National Anthem. Theodore Sinclear, Director.

Invocation—Rev. F. C. La Buwi, Holy Trinity Church.

Welcome and Acknowledgments—Melvin Riley.

Presentation of platform and other guests—Clifford M. Rose, Supervising Principal.

Responses—For the Community: James Reigle, President, Village of Kewaskum; For the Board of Education: Paula Petri, Member, Board of Education; For the Student Body: Gerald Opgenorth, President, Student Council; For the Architects and Builders: Raymond N. LeVee, Architect.

Girls Glee Club—"O Mary Don't

You Weep," Wilson; "To a Wild Rose," MacDowell.

Address of Dedication—G. E. Watson, State Superintendent of Schools.

Piano Solo—Carol Miller.

Benediction—Rev. C. F. Hammen, Peace E. & R. Church.

The people of the Kewaskum Community High School District have every reason to be proud of the fine building and facilities they have provided for the youth of the district in this new secondary school.

The public is cordially invited to attend the dedication and to take a guided tour of the building at the conclusion of the program. Senior students will serve as guides for your tour.

Badger Firemen Hold Annual Meet, Election Sunday

RANDOM LAKE GETS BANQUET, MEQUON TOURNAMENT AND NEWBURG NEXT MEETING

The Badger Firemen's association's annual meeting was held Sunday at Germantown. Representatives from the 20 member departments, including Kewaskum, attended the session.

Officers elected at the meeting included Carl Peters, West Bend fire chief, re-elected president; Erwin Arndt, Random Lake fire chief, re-elected vice-president, and Allen Eruederle, of the Cedarburg department, re-elected secretary-treasurer.

At the session the mid-winter meeting and banquet was awarded to Random Lake again and will be held in March or April. The annual tournament will be held at Mequon on Aug. 2 and 3, 1958. Newburg will be host to next year's annual meeting which will again be held on the last Sunday of October.

Delegates to the meeting voted to change the constitution and by-laws of the Badger association as it was felt that they have, in many instances, become obsolete. The association has been operating under the same by-laws which were set up in 1913. It was decided to have a new constitution and by-laws ready for the next annual meeting at Newburg in October, 1958, at which time members will act on the adoption of the new regulations.

Chief John Padlik of the West Milwaukee fire department was the guest speaker at Sunday's meeting. He addressed members on the new firemen's training bill which is being set up in the state and also discussed fire department work in gen-

Mrs. Swearingen to Be Woman's Club Speaker

When the Kewaskum Woman's club meets for its regular meeting on Saturday, Nov. 9, it will have as its guest Mrs. George Swearingen of Barton, who will speak about and demonstrate "Flower Arrangements." Mrs. Swearingen is active in garden club work and is the Wisconsin Federation of Garden Club's immediate past president. Among other things, she will work with dried flowers, showing how they may be preserved.

This interesting program, unusual and different in nature will follow the 3 o'clock business meeting.

Mrs. Donald Koerble, Mrs. James Morrissey and Mrs. Albet Hron, Jr. will be hostesses.

FALL FESTIVAL, DINNER AT HOLY TRINITY PARISH NOV. 3

The annual fall festival and bazaar at Holy Trinity parish, Kewaskum, will be held on Sunday, Nov. 3. Family style chicken and beef dinner will be served every half hour from 11 a. m. to 6 p. m. The price will be \$1.50 for adults and 75 cents for children. For dinner reservations call 106. There will be needlecraft, home-made candy, refreshment and amusement stands for the entertainment of all. Come and meet your friends.

eral and showed a film on modern methods of fire fighting techniques.

Attending the session from Kewaskum were Chief Harry J. Schaefer and delegates John Geidel and Eddie Keuper.

Morning and afternoon sessions were held with dinner served at the Moonbi Inn. The chief and two delegates from each member department attended.

Burglars Obtain \$1,400 in Break-in At Bowling Alleys

In another break-in at the King Pin bowling alleys in Campbellsport early Monday burglars obtained \$1,400 in cash and approximately \$200 in merchandise. The theft was the fifth one at the alleys since they were opened in 1949.

Geno Scudella, new manager of the alleys since Oct. 1, said the thieves entered the building through a loading chute after attempts to force a side door failed. A new, large safe had been installed to thwart burglars in their robbery attempts.

The burglars fled, leaving their drills, chisels and screw drivers behind after apparently being surprised while still at work in the building. The theft was discovered by Ignatius Klotz, the janitor, when he came to work at 6 a. m. Monday. It is possible the thieves may have been in the building when Klotz arrived as they left by a rear door, probably when Klotz entered the front of the building.

In addition to the \$1,400 in cash taken, the burglars stole candy, gum, cigarettes and liquor. They ransacked the basement, bar room, dining room, office and kitchen. A liquor storage room in the basement was also broken into. Coin boxes on a bowling ball machine, juke box, cigarette and popcorn machines were also looted.

VILLAGE TRUCKS TO HAUL AWAY LEAVES NEXT WEEK

Village residents are urged to refrain from burning the fallen leaves on their property. Rake the leaves and place them at the curb where village trucks will pick them up all next week. It would be appreciated if the leaves are placed in containers.

Wm. Stagy Dies; Pioneer Resident

William Stagy, 87, one of the village's oldest residents, both in age and numbers of years of residence, passed away on Sunday evening, Oct. 27, at St. Joseph's hospital, West Bend. He fell and fractured his hip in August and was taken to St. Agnes hospital at Fond du Lac, where he was confined three weeks. He returned home for two weeks and then returned to the hospital, this time at West Bend, where he was a patient the past four weeks.

A retired farmer, whose farm is located on North Fond du Lac ave., Mr. Stagy was a lifelong resident of the village. He was born here on Aug. 6, 1870 and throughout his life resided on the same farm which belonged to his father before him. He was a son of the late William and Elizabeth Stagy.

His marriage to the former Minnie Laverenz took place on June 3, 1905 at Beechwood and she survives. Two children born to the couple both preceded their parents in death. They were a daughter Emma, who died at the age of 23 years, and a son Alfred, who passed on at the age of one year and nine months. The deceased also leaves two sisters, Mrs. Sophie Kohn and Mrs. August Buss, both of Kewaskum. Four sisters predeceased him.

The body was in state at Miller's funeral home from 2 p. m. Tuesday until 11 a. m. Wednesday and at the Peace E. & R. church from 12 noon until the time of services at 2 p. m. on Wednesday. The Rev. C. F. Hammen officiated at the rites and burial was in Peace cemetery.

BIRTH

RINZEL—A son to Mr. and Mrs. Edmund Rinzel, R. 1, Kewaskum, Tuesday, Oct. 29.

Local News Items

FFA Conducting Mouse, Rat Control Campaign

SENIOR MEMBERS TO EXPLAIN RAT CONTROL PROGRAM ON WBKV SUNDAY

The Kewaskum F.F.A. chapter is conducting a community rat and mouse campaign which began Oct. 28 as a part of the national rat and mouse control campaign, it has been announced by O. E. Behnke, vocational agriculture instructor.

By completing a successful campaign in this community members of the chapter can earn cash trip awards to send representatives from their group to the state F.F.A. convention at Green Lake, Wis. next spring.

General chairman of the campaign is Dick Ehnert, assisted by Ed Habersetter, John Oelhafen and Dennis Pillar. The boys are divided into teams of two members, the top five teams receiving cash awards.

"With modern control methods available an effective rat and mouse control campaign can save tremendous amounts of food and property destroyed by these disease spreading rodents every year," Behnke said. "The government estimates that every rat about your premises costs you \$22 to \$44 per year—\$2 for "board" and \$20 to \$40 for damage.

"Rat killer baits made with Warfarin will be used in the campaign and sold at regular retail prices. Warfarin is the new substance discovered at the University of Wisconsin. With rat killer pellets or meal containing warfarin, rats and mice never become "bait shy," instead, they take the required small amounts over a period of 5 to 15 days. Then, without suffering, they die of internal hemorrhage."

The boys and their instructor intend to do the actual baiting of local area dumps in the school district. The F.F.A. members hope to receive cooperation of the community to help rid farms and homes of

rodents and make them healthier places in which to live.

The senior F.F.A. members will explain the rat control program further on a radio program on WBKV, West Bend, at 12:45 p.m. Sunday, Nov. 3.

In the Service

TRAINING AT FT. HOOD FOR MOVE TO GERMANY

Pvt. Alfred C. Voigt, 22, whose wife, Ramona, lives on R. 1, Kewaskum, is receiving advanced training with the 4th Armored Division at Fort Hood, Tex. in preparation for "Operation Gyroscope," the army's unit rotation plan.

The 4th is scheduled to move to Germany early in January to replace the 2d Armored Division.

Voigt, son of Mrs. Eleanor F. Voigt, R. 4, West Bend, entered the army last July.

BUCHEL HAS NEW ADDRESS

Here is the new address of A/2c Ralph Buchel: A. F. 16510984, 3673 Air Base Sq., A.P.O. 284, New York, N. Y. His Statesman is now going out to this address.

UNITED CHURCH WOMEN OF COUNTY TO OBSERVE WORLD COMMUNITY DAY

The United Church Women of Washington county will observe World Community Day Friday, Nov. 1, at 12:30 noon at the Richfield E. U. B. church, the Rev. Clifford Olsen, minister. The Theme for the Day is: "BREAD, FREEDOM, AND DIGNITY."

This is an opportunity to share as United Church Women in thought, prayer, and material possessions with fellow Christians around the world.

They are asked to bring warm clothing, pieces of denims or woollens, or other serviceable material, household linens, blankets (full size and children's size). These will be "Parcels for Peace" for refugees in

camps in Austria, Germany, Italy, the Near East, and Southeast Asia. As a result of the Soviet repression of freedom in Hungary additional homeless thousands have been added to the many refugees still waiting in camps.

The offering will go to promote self-help projects in underdeveloped areas of Africa, the Middle East, India and Pakistan.

Everyone is asked to bring his own sandwiches for lunch. Coffee and dessert will be furnished by the host church.

LEONARDELLI GUESTS OF IH CO. AT NORTHERNAIRE

Last week end Ernie Leonardelli of A. G. Koch, Inc., International Harvester company dealer in Kewaskum, enjoyed an all-expense paid, week end vacation for himself and his wife at the Northernaire Resort at Three Lakes, Wis. along with eleven other Madison District IH dealers and their wives, announcement was made by R. K. Doerk, district manager of the Madison Farm Equipment Sales District.

Ernie qualified for this recognition by selling and delivering his 1957 quota of Farmall and International tractors and McCormick combines and balers.

Mr. and Mrs. Leonardelli availed themselves of all the wonderful activities available at the luxurious Northernaire, which included golfing, boating, swimming (indoor pool), fishing, horseback riding, or just relaxing. The highlight of the week end program was a special floor show aboard Marty's Showboat.

When you see a man opening the door of an automobile for his wife, you can be sure that either the automobile or the wife is new.

URVE CAREFULLY!

If a fire strikes your home, in what room will it start? The fire department says the most likely place is either the kitchen or living room where one out of every two home fires start. Bedrooms and basements are the next most likely starting places. This is a good time to check all the rooms in your home for fire hazards. Don't give fire a place to start.

FRIDAY, NOV. 1, 1957

Around the Town

Here it is November already and less than four weeks to Thanksgiving and only 44 shopping days left until Christmas. That may seem like a long time but stores will be pushing Christmas merchandise before you know it. And Christmas and New Year's on a Wednesday yet of all days this year.

Word has been received from two reliable sources that the barricades will definitely be removed this week end from the north end of the new Fond du Lac ave. highway, opening the entire street to traffic again. The stretch from Main st. south has been open for a couple of weeks. Oh happy day, no more detours!

We're looking forward to the dedication and open house at the new high school on Nov. 10. Few persons outside of the students and teachers have been through the building and this will be an opportunity to see what has been done with our money. Quite a program is planned for the afternoon.

This is the time of the year when the ladies' sewing circles begin meeting again. Those are gatherings where more husbands are darned than socks and mountains are made out of molehills by piling on the dirt.

Halloween has come and gone and loads of "twicks and tweets" were given out in the village. By the size of some of those "kids" we'd say they were out begging ten years too late. We still say Halloween ain't what it used to be when the pranksters used to change the position of those little houses, almost extinct, and a slip was tragic.

WMVS-TV, new channel 10, the Milwaukee Vocational School station, is now on the air four hours a day since Monday. Not many kids

watch it though because the programs are strictly educational.

Local viewers will have a chance to see a Kewaskum youth, Aldwin Seefeldt, on television Saturday at 11:30 a. m. He and several other county 4-H members will participate in the "Life in Wisconsin" program on WISN-TV, channel 12. And on Sunday at 12:45 p. m. Kewaskum FFA members will explain the rat control program over radio station WBKV, West Bend. West Bend fire department members will also give a demonstration on new WMVS-TV, channel 10, at 8 p. m. Monday, Nov. 4.

The State Health Department reported Tuesday that Wisconsin had 86,682 cases of Asian flu the past week. It would almost have been easier to list the number who didn't have it. Without our family the number of cases would have been only 86,679. We contributed our share to the cause with three cases out of four people. You know who didn't have it yet. We'll surely get it when the rest feel fine again. Most folks who have it get pretty darn sick. How such a little word can cause so much suffering.

Cy Wiator is sitting back waiting to hear how much money he won in last week's Schlitz football contest. He picked the winners and total score right on the button. The first prize is \$500 cash and Cy will share this with what ever other winners, if any, made a perfect guess. Rose Miller also picked the winners but was one point out of the way on the total score and may be in line for one of the smaller prizes of a cigarette lighter.

Hunting in the Waupun area Saturday afternoon, we stopped at Horicon marsh on Hwy. 49 on the way home and never saw the sky filled with so many geese. The migration from Canada was on over the week end according to Ducks Unlimited and the geese came into the marsh by the thousands.

Don't forget those instructions in modern ballroom dancing for married couples start at the grade school gym Monday evening, Nov. 4, at 8:30 and continue for ten weeks. Why dance on your partner's feet when you can learn to dance on the floor?

The hay crusher is really coming into its own in Wisconsin, reports Orrin Berge, University of Wisconsin farm engineer. The crusher, moving right behind a mower, greatly speeds drying time and cuts the bad weather hazard.

HIGH SCHOOL MUSICIANS TO HEAR U. S. MARINE BAND

On Thursday, Nov. 7, the U. S. Marine band is playing at Port Washington. The band, known as "The President's Own," is playing only at Milwaukee and Port Washington in the state of Wisconsin on this year's tour.

The Kiwanis club of Kewaskum is sending the entire 41 members of the Kewaskum high school band to see and hear this wonderful musical organization.

The afternoon session, which the local band will attend, is for students and will consist of a concert and an educational program of each musical instrument. There will also be an evening concert for adults, to which the public is invited to attend.

LITTLE GIRL SUFFERS BUMP WHEN CAR STRIKES HEIFER

Three-year-old Peggy Schultz suffered a bump on the head when a car driven by Joyce Schultz, 25, Kewaskum, struck and killed a Holstein heifer owned by Mrs. Alma Ramthun, R. 1, Kewaskum, at about 5:50 p. m. Saturday on County Trunk "S" (River road), about a half mile north of the village. The driver said she was meeting another

car and was not able to see the heifer in time to stop because of the lights from the on-coming auto. The front of the Schultz car was damaged.

James S. Angyan lost control of his car on Knoeck's curve on Hwy. 4E south of Kewaskum and it struck an auto driven by Lambert W. Jackak, R. 3, Campbellsport, last Wednesday afternoon.

1958 COUNTY FAIR TO BE CENTENNIAL FAIR

The Washington county fair in 1958 will be the centennial of the county fair program. In 1858 the first fair was held in Washington county. The fair at that time was held on the court house square and consisted of premiums paid \$81.00. Now, 100 years later, a group of people of Washington county are getting ready to commemorate 100 years of fair activities, which will probably turn out to be a 100 year county celebration.

A great many ideas and plans have been forth coming to the county fair committee, and a planning committee has been organized to make final arrangements for all activities that are a part of the 1958 fair.

Kenny Medical Head Cites Goals In Growing Rehabilitation Field

Minneapolis, Minn.—A field in which millions of Americans suffer and are deprived of the full and complete potential of their usefulness to themselves and society poses a challenge to which modern medicine is devoting an ever-increasing share of attention.

That field is rehabilitation, where patients, suffering the effects of a number of neuromuscular and neuroskeletal impairments, are given the promise of being returned once more to a productive and self-satisfying plane of daily living.

Despite some encouraging progress in the rehabilitation field during the past decade, the surface thus far has only been scratched, according to Dr. E. J. Huenekens, national medical director of the Sister Elizabeth Kenny foundation.

The Kenny foundation, with national headquarters and training center in this city, was organized in 1943 for the major purpose of providing an effective treatment for polio victims. And so long as polio continues to be a menace, the foundation will continue to combat the ravages of the disease, from its acute stage in patients, through the phases of their rehabilitation.

As early as 1946, the foundation began directing attention towards dealing with neuromuscular disabilities other than polio. Heavy incidence of polio in the years that followed slowed early progress of the program, although it continued to gain momentum. Today, this program extends the benefits of rehabilitation to persons of all ages, regardless of race, creed or economic station, with nerve, muscle or joint disabilities which, it is felt, can be lessened by such treatment.

These include poliomyelitis, nerve injuries, strokes or hemiplegia, spinal cord injuries or paraplegia, congenital disabilities, cerebral palsy or spastic paralysis, spina bifida, Parkinsonism, dystonia, birth injuries, amputations, arthritis, post-fracture disabilities, muscular dystrophy, multiple sclerosis, contractures and Guillain-Barré disease.

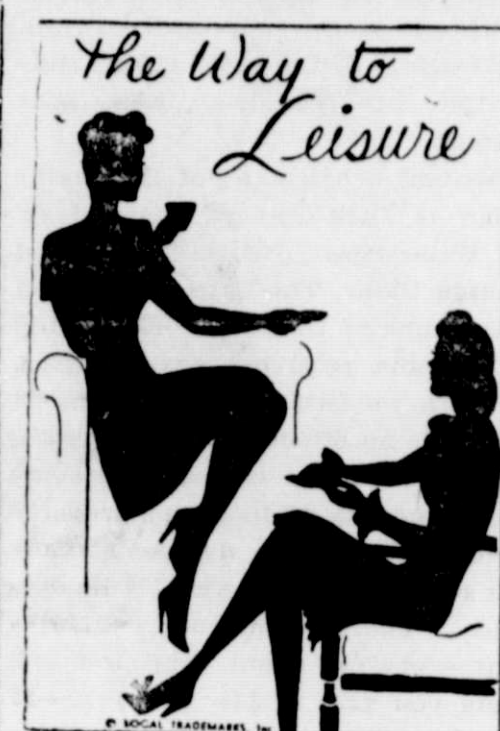

"The rehabilitation goal of the Kenny foundation," Dr. Huenekens explained, "is the restoration through personal health services of handicapped individuals to the greatest degree of effectiveness.

"This includes the cooperative effort of various medical specialists, technical workers and vocational counselors to improve physical, mental and vocational aptitudes of persons who are disabled. Objective of the program is to preserve the ability of the handicapped to live as normally as possible and productively on the same level and with the same opportunities as others."

DECORAH COIN CLUB WILL MEET, HOLD AUCTION NOV. 4

Members of the Decorah Coin club of West Bend will meet Monday, Nov. 4, at 7:30 p. m. on the second floor of the library building in that city (enter on the east side of the building).

A large auction will be held. Bring items early to get them in on time. A trading session will be held before and after the meeting. Bring a friend or guest, be an active member. Carl Groth, secretary-treasurer, welcomes any and all coin collectors.

November days are exciting. Enjoy every minute of them by saving yourself time and work the easy, economical OURS dry cleaning way. Let us clean your clothes. Call us today.

LEAN, LOW LINES SPARK CHEVROLET BEAUTY

Chevrolet stylists have taken full advantage of nine inches in added length to mold low, fleet beauty into their 1958 models, as shown by this view of the Bel Air sport sedan. Strong eye-appeal is found in the modish grille, the dual headlamps and low, flat hood. Notable also is an unusual Sculpturamic styling which supplies an air of distinction. A new engine, new frame and two new suspension systems are only a few of the major chassis advances. Station Wagon, Bel Air, Biscayne and Delray Series are offered.

Deaths

THOMAS J. MANNING

Thomas J. Manning, 69, of Hartford, a former Kewaskum grade school teacher, died Friday, Oct. 25, of a heart ailment in St. Joseph's hospital, Hartford.

Mr. Manning was a member of the Washington county school committee for the last five years. He also

was a justice of the peace in Hartford and an ambulance and hearse driver for the Matenaer funeral home in that city. A veteran of World War I, he was a past commander of the Hartford American Legion post.

Services were held at 8:40 a. m. Monday from the Matenaer funeral home and at 9 a. m. in St. Killian's Catholic church, Hartford.

Have you an "octopus" in your home? If so, it should be removed at once, warns the Institute for Safer Living. An octopus in case you do not know, is a tentacle-like collection of electric cords all plugged into one socket. It can be many times more dangerous than the deep sea variety because it may start a fire that will destroy your home.

Subscribe for the Statesman

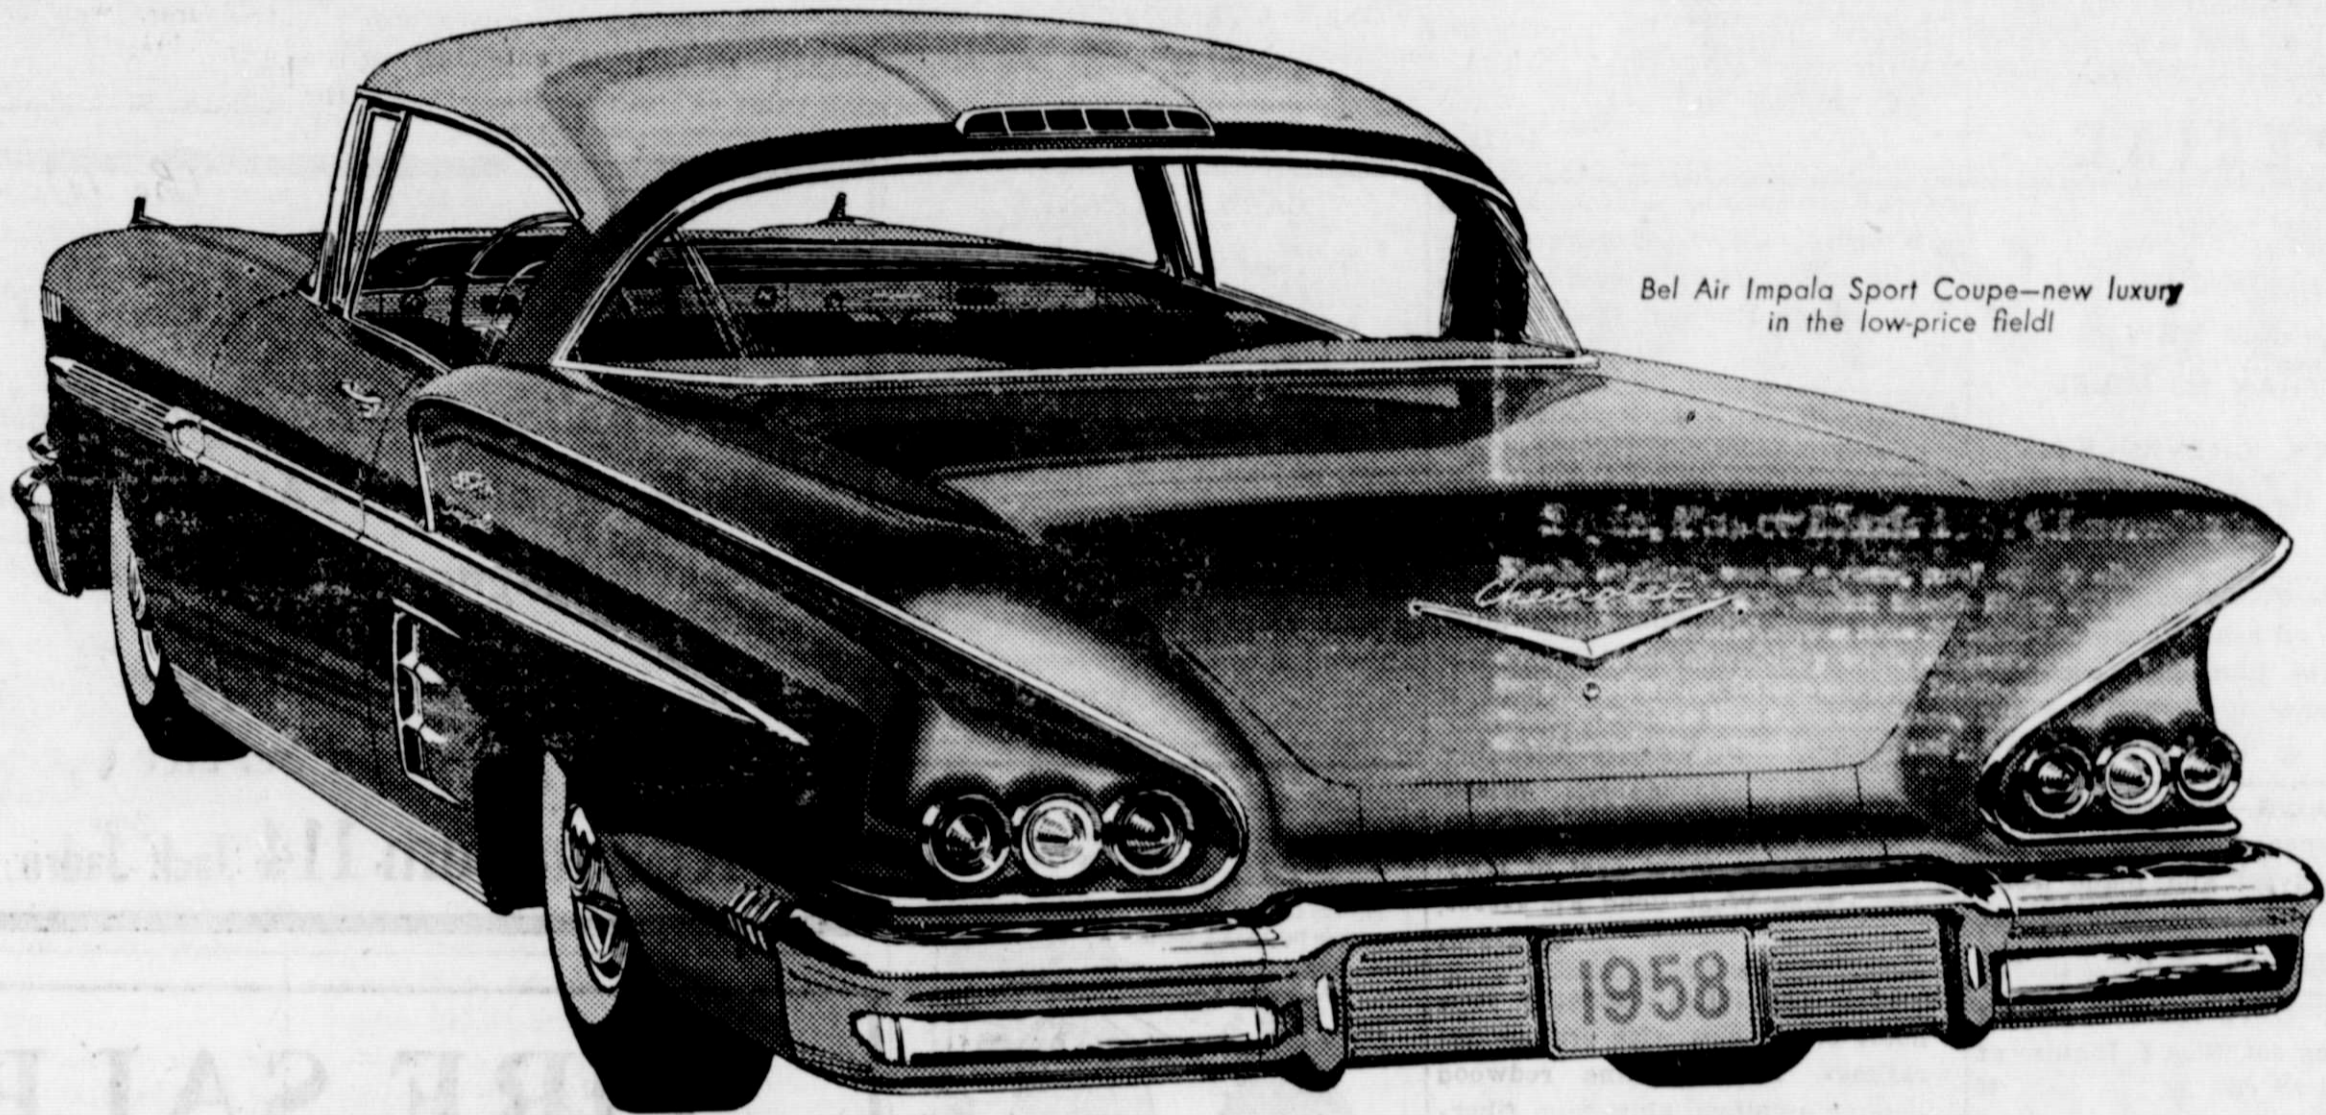

Here's some special life safety advice from your fire department: Once you've escaped from a burning building, never go back in for any reason. Smoke and gases from even the smallest fire can be deadly.

A wedding ring may not be as tight as a tourniquet, but it certainly stops the wearer's circulation.

If you're planning a new farmstead, Ted Brevik, University of Wisconsin farm engineer, suggests working out travel routes around the buildings. Then group related activities together to cut travel distances.

Now someone has invented un-sinkable suits. Just the thing to wear when floating a loan.

4-H Club News

KETTLE MORAINÉ 4-H CLUB

The monthly meeting of the Kettle Moraine 4-H club was held Monday, Oct. 14, at the home of Allen Bales. The newly elected officers of the club for 1958 are:

President—Harriet Odekirk
Vice-President—Barbara Nigh
Secretary—Rachel Petermann
Treasurer—William Gruhle
Reporter—Alice Odekirk
Sgt-at-arms—Allen Bales

Allen Bales gave a demonstration titled "To See If Your Chickens

Are Laying Eggs." We voted to have our monthly meetings on the first Monday of each month instead of the second Monday.

A delicious lunch was served by Mrs. Ray Bales, assisted by Allen Bales.

The next meeting will be held Nov. 4 at the home of William Gruhle.

Reporter, Alice Odekirk

HONECK CHEVROLET

Offers You Winter-Long Radiator Protection
Guaranteed in Writing By Standard Oil

Here's what we'll do:

- Carefully check your car's cooling system for leakage and corrosion—examine the radiator hose connections and gaskets.
- Drain and re-fill with proper amount of ATLAS Perma-Guard Anti-Freeze— you select protection desired.
- We'll fill out, sign and attach to your radiator Standard's written guarantee of winter long protection.
- Then if you should need more anti-freeze to keep your radiator at its guaranteed level of protection, you get it free at thousands of Standard Oil Stations in the Midwest.

Let us winter-proof your radiator. We guarantee protection for your radiator until next spring!

Indians Blank Lomira, 28-0, Tie for Third

HOST TO NORTH FOND DU LAC'S CONFERENCE LEADERS TUESDAY NIGHT

The high school's Indians moved into a third place tie with Oakfield by whitewashing Lomira at the Lions' homecoming Friday night, 28-0. Kewaskum and the Oaks each have won 3 and lost 2, although the Indians trounced Oakfield, 26-0, in their meeting here earlier.

The Tri-County conference victory over Lomira proved strange things happen in football. Lomira beat Campbellsport, 14-13, Campbellsport defeated Kewaskum, 13-0, and now the Indians turn around and trim Lomira by a one-sided 28-0 score.

In the only other game played Friday North Fond du Lac trampled Hustisford, 41-6, to lengthen its first place lead to two full games. All other contests in the circuit were called off due to the flu incidence.

Against Lomira, the Indians scored the first time they got their hands on the ball. The game opened with Kewaskum kicking off to Lomira. The Lions could gain no ground after three downs and decided to punt: The Indians' Mark Rodenkirch, who was credited with scoring two touchdowns, picked the ball up and returned 65 yards for the opening TD.

Halfback Dan Coulter and Quarterback Norman Rodenkirch each scored touchdowns and End Ken Theusch was credited with scoring a safety for the Indians. The Lomira scoring was evenly divided, nobody scoring a point.

Kewaskum runs into its toughest assignment of the season next Tuesday night when the first place North Fondy Orioles come here to do battle at 7:30 p. m. Fondy has won 5 games and tied 1 to date. They practically have the title in

the bag but an upse by the Indians would give second spot Brandon a chance to cop the title. The Orioles have only this tilt left while Brandon has three due to postponements. Tuesday's tussle will be an 11-man game, Kewaskum's second.

Land o' Lakes Baseball Banquet Saturday Night

The Land o' Lakes league northern division baseball banquet will be held at the West Bend Country club Saturday night with players and managers, their wives and lady friends attending.

Guest speaker will be Bob Allen, assistant publicity director and chief statistician for the world champion Milwaukee Braves. One of the features of the evening will be the presentation of a check to the Washington County Association for Retarded Children, representing proceeds from the West Bend vs. Lakes All-Star benefit game played this summer. Chuck Walters, Jr., president of the committee, will make the presentation.

Trophies will be presented to the sectional champs, Sheboygan and Mequon, as well as the runnerup teams, West Bend and Saukville. Individual and other special awards will also be presented. Dancing will follow the dinner and speeches.

The 4-H Corner

BY BOB STODOLA

Washington County 4-H Club Agent

4-H leaders with 5, 10 and 20 years of service to their community received special awards at the leaders banquet Thursday evening. Five year silver clover pin awards went to: Mrs. Frank Guntly, Hartford; Mrs. Anthony Borlen, Colgate; Mrs. Lorraine Fellenz, St. Michaels; Leo Schmitt, Germantown, and Mrs. Gilbert Zache, West Bend.

Ten year gold clover pins were presented to: Roland Bast, Richfield, and William Coulter, Campbellsport. For twenty years of service the diamond clover pin was presented to Mrs. William Kuhn of Richfield and Mrs. Roman Foerster of Kewaskum.

You can see some of the Wash-

ington county 4-H members on TV Saturday, Nov. 2. Susan Kissinger and Aldwin Seefeldt will appear on the "Life in Wisconsin" program on WISN-TV Channel 12, Milwaukee. The program begins at 11:30 a. m. They will be giving the demonstrations which they gave at the State Fair this summer.

Dates to remember—Nov. 7, 8:00 p. m., 4-H achievement program, McLane school, West Bend; Nov. 9, 8:30 p. m., Harvest Ball, West Bend High school.

The next best thing to a really good woman is a really good-natured one.

ANNUAL COUNTY 4-H HARVEST BALL NOV. 9

The 4-H clubs of Washington county are again sponsoring the annual Harvest Ball on Saturday, Nov. 9, at the West Bend high school gym. The Top Hatters will play to the theme, "Fascination." They will begin to play at 8:30 p. m. and end at 12:30 a. m. Admission is 50 cents per spectator and \$2.00 per couple.

This is a semi-formal dance, so get your date and join the 4-Hers. The public is cordially invited.

Kenny Foundation Finances Summer Medical Training

Minneapolis, Minn.—A special summer vacation program, giving medical students an opportunity to obtain additional medical training, is being conducted by the Sister Elizabeth Kenny foundation, according to Marvin L. Kline, national executive director.

The scholarship plan, set up by the foundation which is now conducting its annual fund appeal, provides opportunity for such students to receive training in physical medicine at leading university medical schools throughout the country, he explained.

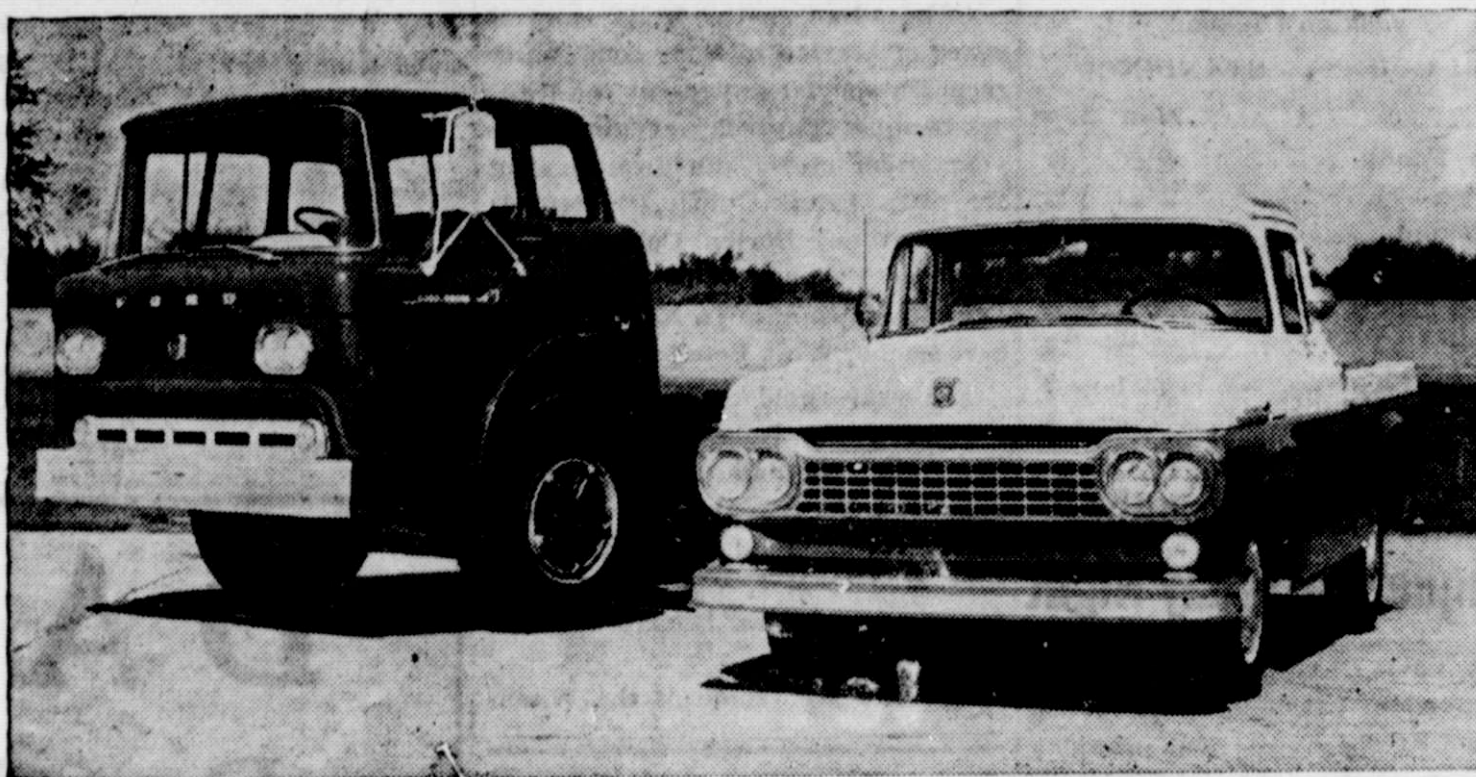

"By giving promising students a chance to participate in the specialty of physical medicine instead of working on construction crews or taking summer sales jobs because of economic necessity, we hope to combat a shortage of medical personnel in the field of rehabilitation," he declared.

By the time a man can read women like a book, he's usually wearing bifocals.

DRIVE CAREFULLY!

A staff of 26 inspectors and 3 supervisors is utilized by the Wisconsin Department of Agriculture to check the dairy plants and farms of the state where milk, used in the manufacturing of such products as butter, cheese, powdered milk and condensed milk, is produced and handled.

Where were you over the weekend? That's news! Call 2.

FORD TRUCKS which led the industry in retail sales for 1957 will offer in 1958 the widest coverage of any manufacturer in the volume truck market. The wide range of utility and work capacity is demonstrated by the powerful tilt-cab (left), and the spectacularly successful Styleside pickup. Mechanical and design advances include new grilles and safety dual headlights, customized interiors and modern styling, and increased horsepower and payload capacity in many models.

"You rummy! If you had traded this heap in on a good late-model used car at VINCENT MOTORS, INC. we wouldn't be having this trouble now!"

58 FORD COMING NOV. 7

Nothing newer

AROUND THE WORLD

The 58 Ford has been proved around the world. This is the most dramatic and most grueling test ever given a new car before its public announcement.

The whole world was used as a test track for the 58 Ford. The car drove through England, France, Switzerland, Italy, Yugoslavia, Greece, Turkey, Iran, Afghanistan, Pakistan, India, Malaya, Thailand, Cambodia, Vietnam, and finally back to the place it started—Detroit, Michigan, U.S.A.

The Ford powered over the great mountain ranges of three continents: from the Alps to the Himalayas and the Rockies. It crossed the great rivers of history: the Thames, the Seine, the Tiber, the Arno, the Tigris, the Euphrates, the Indus, the Ganges.

This car stood at Buckingham Palace, rolled up the Champs Elysees to the Arc de Triomphe, and paused at the Eiffel Tower. It was greeted by the great Paris couturiers at the famous fashion salons where its "sculptured in steel" styling was applauded by the most style-conscious audience in the world.

The 58 Ford rode smoothly down the rugged, beautiful seacoast of Tito's country, to a festival in Dubrovnik, and into Greece to Athens, where this newest classic met such ancient classics as the Parthenon and the Temple of Poseidon.

Into Turkey: and the 58 Ford passed the great white lacework palaces of the Sultans along the Bosphorus and the Golden Horn. Then the Ford went where few but nomads travel, up into the hot days and chill nights of the ancient mountains of Afghanistan. And thence along the route Alexander the Great followed with his chariots to cross the historic Indus river.

On and on the Ford moved, down into the heat of mysterious India, through New Delhi to the Taj Mahal, and to the great pink palace of the Maharajah of Jaipur.

This great new car met the challenge of the monsoons—rains that for centuries have stopped all road movement throughout Indo-China, but didn't stop the 58 Ford. It drove on to Penang in Malaya, and then north to Bangkok.

Further on came Saigon, the Paris of the Orient, at the farthest tip of Southeast Asia. Finally, it powered across the great Rockies and plains of North America and back, at long last, to Detroit, Michigan.

The 58 Ford . . . has been proved and approved around the world. A natural question arises. Why did Ford go to such great lengths with its 1958 model? Why spend so much money and time and go through all the problems of negotiations, customs, border transit, diplomacy in so many countries?

The answer: in the competitive automobile market of today, only the best in all-around value can survive. And this round-the-world test is the most decisive possible demonstration of the best.

The 1958 Ford is value: hard-dollar value. It is also style, power, performance, and a dozen great new features. But above all, it is value.

This is the car you've been waiting for. See it November 7—there's nothing newer in the world than the 58 Ford!
