Electric
RANGE TODAY!

FREE RANGE WIRING OFFER ENDS NOVEMBER 30 ACT NOW!

STILL TIME TO GET IN ON THIS BIG MONEY-SAVING OFFER

Never before has such an offer been made to our customers. Now it is coming to an end. You still have time to go modern—to switch to safe, clean, cool electric cooking and get FREE range wiring—if you hurry.
Go to your electric dealer. Ask him to show you why Carefree Electric Cooking is best.
See the set-it-and-forget-it Carefree Cooking Oil

which automatically maintains pre-set temperatures—does away with boil-overs and burnt foods. See the completely automatic oven—the griddle with temperature control—the rotating rotisserie for a new taste thrill.
Electric ranges are excitingly new and modern. Buy one now—get set for a carefree cooking carnival right in your own kitchen for many happy years to come.

YOU BUY THE RANGE . . . THE WIRING IS FREE!

For electric ranges sold to and installed in existing homes of Wisconsin Electric Power Company, residential or farm customers living in one or two family houses—the Wisconsin Electric Power Company will pay for the range circuit where required.
Most homes have enough Housepower for an electric range. All they need is the FREE range circuit (fuse box to range). Where Housepower is

too low for an electric range, Wisconsin Electric Power Company will finance the installation of a Full Housepower service entrance (wiring on outside of home to and including fuse box) for a flat charge of \$1.75 per month for sixty months on your electric bills (\$2.75 for a 2-family home). There is no charge for overhead wires from pole to home. The installation of the Range Circuit is FREE.

Select your modern, automatic electric range at any electric appliance dealer
