Kewaskum to Host W.I.A.A. Sub-District Basketball Tournament for First Time

Four Teams Will Compete in New Gym Feb. 25, 28

For the first time in W. I. A. A. tournament history, Kewaskum will be host this year to the sub-district tournament for this area.

Teams assigned and competing in the Kewaskum tournament are Campbellsport, Lomira, Random Lake and Kewaskum. These teams will enter tournament play with similar records which should make for very interesting basketball games.

Games will be played on Tuesday evening, Feb. 25, and Friday evening Feb. 28. The first round of games will see Campbellsport and Lomira meeting at 7 o'clock with Kewaskum playing Random Lake at 8:30. The second round of games, played on Friday, Feb. 28, will see the losers of the first round of games playing at 7 o'clock followed by the winners of games one and two playing for the sub-district championship at 8:30. The winner of the Kewaskum sub-district will compete in the district tournament at Westfield during the first week in March.

Admission prices, set by the W. I. A. A., are as follows: Adult season ticket, \$1.50; student season ticket, \$1.00; single admissions, \$1.00.

Kewaskum's fine new high school building provides tournament facilities second to none and with your help and cooperation this tournament will be very much a success.

If Kewaskum is to continue to serve as a sub-district or perhaps even as a district tournament center we will have to prove by our support that we deserve being assigned one. Be a Kewaskum BOOSTER. Come to all of the tournament games and boost the team and by doing so you will prove to the communities sending teams that the W. I. A. A. made a correct choice in selecting Kewaskum as a tournament center this year.

SEE YOU AT THE TOURNAMENT.

The Blue Crutch day at Kewaskum High school on Jan. 21 netted \$48.23. Later another Blue Crutch day was conducted on the streets which yielded \$125.44. On Saturday night, Jan. 25, a gigantic record hop was well attended in spite of severe weather conditions and this effort added \$72.05, to make a grand total of \$245.72 collected.

An auto driven by Charles Straube, 44, 2045 N. 46th st., Milwaukee, was damaged at 9:30 a. m. Friday when he drove through the intersection of Hwy. 45 and County Trunk V at the overhead bridge a short distance north of the village. The car struck a highway sign and several guard rails and rolled over down an embankment. Straube was picked up later by Chief of Police Roland Pledl while walking on a village street.

Farm Home Burns To Ground, Drives Family Out in Cold

A town of Auburn farm family was driven into the below zero weather around the noon hour Sunday when fire burned their farm home near Auburn lake, R. 2, Campbellsport. The flames enveloped the home and spread hurriedly throughout the building, completely destroying it.

The blaze occurred on the Elmer Menke farm, the former Galabinske place, located back from the road a distance on the highway that runs past Auburn lake. The family managed to save some furniture and clothing, but was driven into the cold by the flames which destroyed the building.

Both the Kewaskum and Campbellsport fire departments answered the alarm but the home was enveloped in flames when they arrived. The firemen kept the flames from spreading to the nearby farm buildings. The local department remained at the scene several hours in the sub-zero weather.

It is believed that the fire started from an overheated furnace unit in the basement. No estimate as to the amount of loss was given.

The Kewaskum firemen answered another call at 5:20 p. m. Monday to the Wm. F. Schaefer parking lot on East Water st., where fire started in the trailer of a tractor-trailer owned by Henry Timblin. Timblin had just returned to the lot after hauling a load of potatoes to Chicago. It is believed that hot coals from a burner in the trailer ignited straw on the floor and the flames spread to the insulated siding. The blaze was under control when firemen arrived and damage was held to a minimum.

Statesman Receives Dairy Month Award

The Kewaskum Statesman has received a 1957 Wisconsin June Dairy Month appreciation award "for outstanding cooperation in making June Dairy Month 1957 the most successful sales event to date in the history of the food industry."

The award is signed by A. E. Rost, general chairman, June Dairy Month, which is sponsored by the American Dairy Association of Wisconsin, the Wisconsin Department of Agriculture with the cooperation of the University of Wisconsin Agricultural Extension Division.

The award was made as a full page dairy promotion advertisement which the Statesman ran during June Dairy Month last year. The lion's share of the credit for the promotion should go to Orv Behnke, vocational agriculture instructor at Kewaskum High school at the time, who was behind the idea and solicited the dairy farmers of this area for sponsorship of the ad.

County Heart Fund Drive Is Underway

DOOR-TO-DOOR COLLECTION IN COUNTY PLANNED FOR FEB. 23, HEART SUNDAY

Disease of the heart and blood vessels were again responsible for more deaths in Washington county during the past year than all other causes combined.

Based on statistics compiled by the Wisconsin Heart association, 185 of the deaths in Washington county during 1956 were due to heart and circulatory diseases. With deaths from all causes during the period totaling 352 deaths from cardiovascular diseases amounted to over 50 per cent.

According to Attorney Deane R. Bascom, chairman of the 1958 Heart Fund, these figures are based on statistics collected by the Wisconsin State Board of Health. They closely parallel the national pattern for 1956, the latest year for which vital statistics for all of the United States are available. On the national level, deaths resulting from diseases of the heart and blood vessels accounted for 53.9 per cent of the total deaths.

The 1958 Heart Fund drive now being conducted in Washington county to support the research, education and community service programs of the Wisconsin Heart Association, will continue until the end of February. It will reach a climax Feb. 23, Heart Sunday, when Heart Fund volunteers will conduct a door-to-door collection covering most of the county.

Contributions to the heart fund may be made to any of the following chairman or to the county chairman, Attorney Deane R. Bascom at West Bend:

Elmer Plaum, town of Farmington; Dr. R. G. Edwards, town & village of Kewaskum; Dr. James E. Albrecht, town & village of Jackson; Mrs. LeRoy Walterlin, town & village of Germantown; Erwin J. Franzel, town of Polk; village of Singer; Florent Isselmann, town of Trenton, village of Newburg.

Crowd of 700 Sees Texas Cow Girls Put on Cage Show

FIREMEN LOSE TO KIWANIS CLUB IN PRELIMINARY GAME, 19-17

A crowd of approximately 700 persons, the largest by far to see a basketball game (?) in Kewaskum's new gym, turned out to be hilariously entertained by the famed Texas Cow Girls in a riot of laughs vs. the Kewaskum Chevrolets Saturday night.

Naturally, according to pre-arranged plan, the Cow Girls won the game but the score was the most unimportant part of the show. The comedy part was the feature and there was no end to that. On occasion, when they weren't cutting up, the girls demonstrated their basketball ability, and they were crack players as far as girls go. But they didn't compare with the men and the Chevs could have run up any score they desired if they had tried. Instead they let the Cow Girls steal the show and score at will while they passed the ball around.

The girls were great crowd pleasers and the many present laughed until they couldn't any more. One of the girls hog-tied big Don Meisenheimer and left him lying on the floor while the game went on. It took him several minutes to loosen the knots. They took very unfair advantage of the officials, Carl Kuss and Weber, which was all part of the show. One of the girls shot Kuss and he "played dead" on the floor. Weber really was given a bad time as the girls ran their fingers through his hair and constantly menaced him. For a time Shirley Dorow of the Cow Girls refereed and Weber played with the girls' team. Both officials cooperated 100% with the antics.

The Chevs were given a weighted, lopsided ball that they couldn't dribble, pass or shoot with for one period in the affair. Two of the girls got into an argument over a drink of water and finally one chased the other with the pail of water to dump it on her. She missed and poured it over the crowd but fortunately the pail contained confetti. When the girls didn't want the Chevs to shoot they just hung onto them or put their arms around them. When they wanted a basket they formed a circle around one of their teammates and guided her down the floor so the Chevs couldn't get at her. They also pulled some trick out-of-bounds plays. In the closing minutes with the girls ahead, they all danced rock and roll with the Chevs players so they couldn't score. Even Manager "Cisco" Backhaus was dragged onto the floor and it was a real jam session with "Meisy" and "Jiggs" Martin being applauded for the

best hop pair. The Cow Girls pulled dozens of other pranks and kept the crowd in an uproar.

The girls also put on a show between halves including a free throwing contest between Shirley Dorow and Roman "Inky" Keller. First Inky was blindfolded and twisted around so he shot in the wrong direction. With the blindfold removed he sank 3 for 10. Shirley then made 8 out of 12 free throws blindfolded. All told it was a great show but a far cry from a basketball game.

Miss Dorow and Joan Rupp took scoring honors for the Cow Girls with 12 points each. Carol Rapson made 10, "Jiggs" Martin and Nancy Rhode 8, Evelyn Cummins 7 and Joan Hardy 6 for "you all" Texas gals. John Tessar was high for the Chevs. He was held to 16 points but it was nice being "held" by the pretty Texas gals. "Peewee" Stenman scored 9 but could have made more if he hadn't been sitting in the bleachers with one of the Cow Girls part of the time. Tom Peterson was kidnapped by one of the girls who ran out of the door with him. But, then, how could the Chevs concentrate on their game?

In the rip-snorting preliminary game the Kiwanis club defeated the firemen, 19-17. It was a low scoring game. That isn't the way it was meant to be but the players just couldn't score any more points behind those pot bellies. Mike Gnacinski took the uniform prize wearing an old fashioned bathing suit. Systematic Cy Wietor was high scorer for the Kiwanians with five (5) points while Rapid Robert Staehler grabbed honors for the firemen by amassing the grand total of 4 points. The lineups included:

Kiwanians—Ralph Marx, Merrill Krueger, Orv Behnke, Killy Honock, Cy Wietor, Don Koerble, Jack Koehn, Marvin "Jiggs" Martin, Dick Edwards, Marc Trott, Allen Tessar and Lyn Peterson. Firemen—Roger "Broken Toe" Reindl, Eugene (Mike to you) Gnacinski, Byron Bunkelman, Bob Schmidt, Bob Staehler, Hank Weddig, Jr., John Geidel, Joe Miller, Rog Schleif, Wayne Rimmel and Coach Harry Schaefer.

Births

HEYDE—A son to Mr. and Mrs. John Heyde of Dallas, Tex. Mrs. Heyde is the former Betty Ann Rose, daughter of Mr. and Mrs. Clifford Rose, Kewaskum. Mrs. Rose at present is spending some time in Dallas.

A 24-year-old youth came half way round the world this year to attend farm short course at the University of Wisconsin. He is Victor Gaston of the Philippines, whose father attended school at Wisconsin in 1910.

Chevs Shade Horicon On Late Rally, 68-67, Take Undisputed Lead

In one of the closest, best played games of the season here Sunday night the Kewaskum Chevs came from behind with a last quarter rally to nose out Horicon by one point, 68-67, to take over undisputed first place in the standings with a 3-0 record. The Chevs win and Cedarburg's victory over West Bend broke up a three-way tie for the lead between Kewaskum, Horicon and West Bend.

The easy play and comedy with the Texas Cow Girls the night before seemed to take something out of the Chevs players and they trailed most of the game. But they still had enough left to regain their form and stage one of their typical last quarter rallies to pull the win out of the fire. The win avenged a first half defeat at Horicon.

Kewaskum trailed by 4 points, 18-14, at the quarter and was still behind by 3 at the intermission, 34-31, in the torrid battle. The team lagged in the third stanza and fell behind by 8 points, 55-47. Victory seemed doubtful until the Chevs turned on the steam late in the game to close the gap and move one point ahead in the closing seconds. Kewaskum had to play a stalling game to squeeze out the win.

Horicon bottled up John Tessar pretty well and held him to 18 points, one of his lowest totals of

the season. They figured if they stopped Tessar they could stop the team but Don Meisenheimer came through brilliantly with 22 points, August Bilgo 14 and Bob Stenman 10 to make up the difference. Taylor of Horicon took top honors with 26 points.

This Saturday night Kewaskum plays on Hartford's huge floor and will have another tough battle on their hands. The team has only one home game left and that is with Mayville on March 2.

LEONARDELLI AT JAMESWAY SCHOOL AT FORT ATKINSON

E. Leonardelli of A. G. Koch Inc., Kewaskum was among the key Jamesway dealers who recently attended a power choring training school held at the home factories of the James Mfg. Co., Fort Atkinson.

The power choring school was attended only by specially invited Jamesway dealers from the Midwest who have made outstanding records in the sales and service of heavy chore-time equipment including the Jamesway hydraulic shuttle stroke barn cleaner and the new Volumatic silo unloader.

The division manager welcomed the guests, citing their accomplishments as the basis for Jamesway's anticipated increase in the sale of equipment designed to save time and labor in and around the farm buildings.

In addition to erection clinics on the silo unloader and barn cleaner, training sessions were held on barn equipment and Sani-Kool bulk milk coolers.

Experience is a hard teacher, but profiting by her lessons pays big dividends.

Good news! Kewaskum Community High school's spacious new gym has been selected by the W.I.A.A. (Wisconsin Interscholastic Athletic Association) as a site for sub-district tournament play this year for the first time in W.I.A.A. tourney history. The meet will be held two nights, Tuesday and Friday, Feb. 25 and 28. Last year's tournament was held at Campbellsport. The W.I.A.A. selected Kewaskum's fine new gym because it provides facilities second to none, including a 1,400 seating capacity. Later it is possible that our gym may also be chosen as a district tourney center. To reach this goal we must wholeheartedly support the meet and attend the games and prove that the W.I.A.A. made a wise choice in selecting Kewaskum.

We've been hearing so much lately of Ricky Nelson singing through his nose, wish he'd make a recording now singing through his mouth.

Guess we raved too soon last week about our Florida-like weather, which turned an about face this week and kicked us right between the eyes. The temperature dropped to 10 degrees below zero Saturday and it has been below every day since up until this writing Wednesday. It ranged from 5 to 10 below during the night and never more than 10 above daytimes for almost a week straight. Brr, that's too cold for both us and human beings, especially when it lasts that long.

Sweatshirt, sweater, long underwear and ear muff sales have been very brisk. Only the fuel oil distributors are smiling, with icicles hanging from their teeth like fangs. With us sitting with tee shirt, sweatshirt, woolen shirt and sweater to keep warm one of them had the gall to come in and leave the front door open Wednesday and while he was collecting a bill yet. The only difference left between Florida and this state now is that they have orange groves.

See in our files it was 30 to 34 degrees below zero at this time 25 years ago so don't take it too hard. But history don't have to repeat itself on our account. We'd write an ode to winter if we could think of enough WORDS to rhyme with cold. Just out of curiosity we checked the almanac to see what weather was predicted for the last week. Sure enough, they hit it right on the nose with "Feb. 8-11, cold wave." Only mistake they made was they forgot Wednesday.

With all this cold weather there isn't much good news to report. All we know is the American Foundation for Animal Health reports that the early baby pig season is in full swing. No one reported seeing the first robin yet. In this weather one is lucky to see a sparrow. This isn't changing it so we may as well stop.

The driver of a tank truck delivering oil to the Shell bulk plant Tuesday night was unable to unload because of a pipe or screen leading into the tanks being frozen over in the sub-zero weather. He came in shivering and very cold, looking for assistance. We did a very good deed and the driver a big favor by telling him to call Raynor Herriges and get him out of bed to help. Wasn't that nice of us, Raynor?

Alex "Sheriff" Kudek tells us he hit the jackpot Sunday afternoon

by winning the big first prize of \$100 in the schafskopf tournament held at the Nightingale ballroom. About 82 players participated. That was well worth the trip—a week's wages in a couple of hours.

L. Rosenheimer again had large crowds at their annual John Deere day movies and program for farm-

ers at the theatre Wednesday afternoon and evening. Wonder if during the show the plow said to the tractor, "Pull me a little closer, John, Deere."

Received a card from Brother Labre (Louis Bath) of Brookline, Mass., who is spending a vacation at present with his father at St.

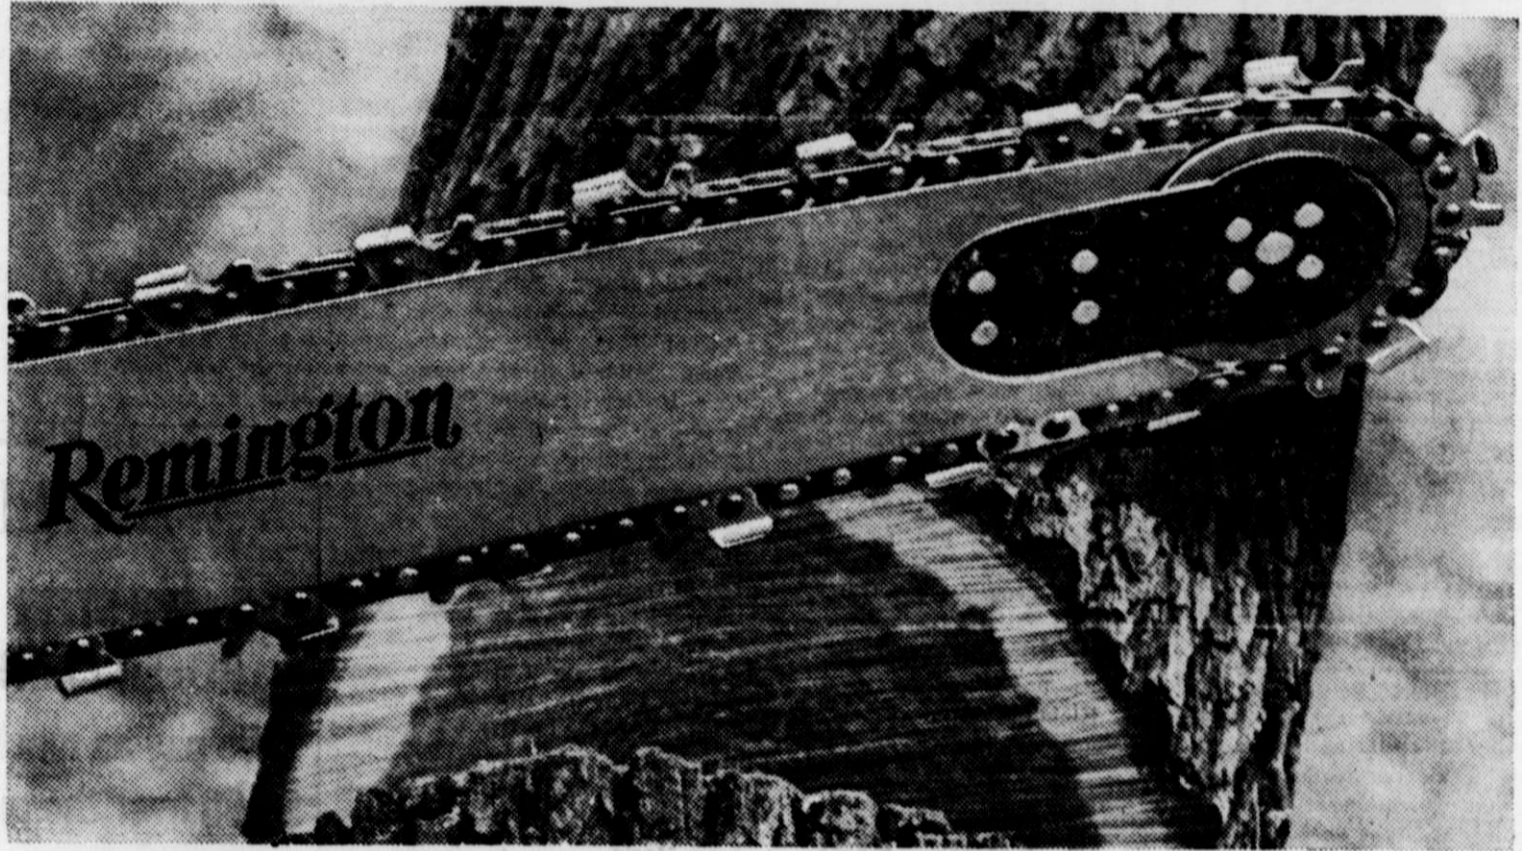

Petersburg, Fla. He writes in part: "Having nice vacation enjoying Florida sunshine and cold weather. Got a little suntan already (maybe it's windburn)." Also received a note from Mrs. O. F. Bammel of Fort Atkinson, renewing her subscription and sending regards to her friends here.

They tell us that the southern fried-chicken served in the West is raised in the East and North.

Feb. 10, 1933

Just arrived, a carload of good work horses, which are for sale at Arnold Berg's barn, Campbellsport—Murphy Bros., owners.

The first blizzard of the winter swept this community Tuesday, followed by sub-zero weather. On Thursday morning it was 30 degrees below zero. Five inches of snow fell and the terrific wind piled it in banks so that the county plows were called out to keep open the roads. Many cars stalled and had to be dug out of snowbanks. The snow was heavier south, Milwaukee reporting 12 inches and Chicago had a 26-hour blinding storm, resulting in 10 foot snowbanks. Locally attendance at school was cut to one-third, trains were three hours late and water systems in homes froze.

Peters Bros., the famous German Concertina and Bandoneon players,

will give a concert and old time dance at the Opera House Feb. 12. Frank Slowik and Loran Keller have opened a barber shop at New Fane. Slowik is shop manager and Keller apprentice. Prices will be 25 cents for haircuts and 15 cents for shaves.

A 9 pound baby girl was born to Mr. and Mrs. Oscar Boegel of the town of Wayne Feb. 5.

The Kewaskum high school senior class will present their class play, "Who Wouldn't Be Crazy" Feb. 16 and 17. The cast follows: Inmate No. 1—Raymond Kudek; Inmate No. 2—Linda Rosenheimer; Pluribus—Raymond Smith; Pendie—Ruth Corbett, Miss Lavelle—Marcella Schleif; Mr. Niggins—Wilmer Klahn; Mr. Marshall—William Martin; Jarvis—Theodore Schoofs; Jack—Sylvester Muckerheide; Lois Meredith—Ione Schmidt; Reggie—Harold Casper; Friends of Lois—Edna Krueger, Eleanor Hron, Louise Herman, Evelyn Winslow—Eleanore Krautkramer; Hardboiled McCafferty—Harold Marx; Edward Gordon—Edward Dorn. Between acts Linda Rosenheimer will present vocal solos, Mildred Stoffel piano solos, Earl Kohler, Robert Rosenheimer, Sylvester Terlinden, Albert Hron, Edmund Rinzel and Alvin Krahn, a Negro novelty, and Doris Rosenheimer, dances.

The brush along the east bank of the Milwaukee river north of the village bridge was cut down by Otto Backhaus and crew of men. The clearance of the brush is a great improvement to the surroundings.

The infant daughter of Mr. and Mrs. Phillip McLaughlin, Jr. was baptized in Holy Trinity church by Rev. Philip J. Vogt. She was named Joan Marie.

Word was received of the death

of George H. Giese, 46, of Milwaukee, husband of the former Clara Dreher.

Look out for counterfeit \$10 bills. They are being circulated in this section according to warnings which have reached us.

CARD OF THANKS

Words cannot adequately express our deep appreciation to relatives and friends for the many kind and sympathetic acts that came to us at the time of our late bereavement, the illness and death of our dear husband and father, August C. Bartelt. We are especially grateful to Rev. Kanies, organist, singers, pallbearers, drivers, donors of floral pieces and memorial tributes, traffic officer, Miller's, and everyone who assisted in any way and showed respect.

SET FALL FESTIVAL DATE

The Ladies' Aid of St. John's Lutheran church, New Fane, has set the date for their fall festival on the last Sunday in October, the 26th.

Many homes would be saved if every family conducted a nightly visual fire inspection just before retiring. It only takes a moment, and the Institute for Safer Living says it may pay off sooner than you think. Check ash trays for live cigarettes, check the fireplace for live coals, check stoves for burners left on and see that all electrical appliances are off. Do this and you will sleep with more security.

Highs Whip Hustisford, Lose on Slinger Rally

The Kewaskum Indians rolled over last place Hustisford here Friday night by a one-sided 70-37 score, giving them a 7-5 conference record for the season. They now are tied for fourth place with Oakfield. The top team, Rosendale, with 9-3, needs only one more win to clinch at least a tie for the crown with two games remaining.

In another home game Tuesday a tremendous last quarter rally by Slinger gave the Owls a 59-50 victory over the Indians in a non-conference tilt. Slinger trailed by 11 points going into the final period and went in to win by 9, believe it or not. Slinger of the Southeastern conference and Kewaskum of the Tri-County may soon be regular opponents as both are considering joining a new loop which is in the process of being organized.

The Indians outscored Hustisford by sizable margins in every quarter but the last, when substitutes were in the lineup. In their easy win they scored 17 points in the first stanza to Hustisford's 12 and 22 to their opponents' 5 in the second period, making the halftime count, 39-17. They dropped in 20 to Hustisford's 8 in the third quarter to lead by a lopsided 59-25 margin. The winners were outscored, 12-11 in the closing stanza.

Mark Rodenkirch took scoring honors with 21 points, followed by Nigh with 13, Oppenorth with 11 and Heisdorf with 8. Grulke paced Hustisford with 13 and Blazak added 10.

Slinger's 59-50 win Tuesday avenged a defeat at the hands of their county rivals at Slinger last year. An odd feature of the tussle was that Kewaskum outscored Slinger in the second quarter, 22-8,

only to have the Owls turn around and outpoint them in the fourth period, 26-7, and gain the victory.

The Owls jumped to a 11-8 first stanza lead but the Indians turned the tables in the second quarter with terrific long range shooting by Norm "Butch" Rodenkirch and Jerry Oppenorth to take a 30-19 halftime advantage. Each team tallied 13 points in the third period and Kewaskum still led, 43-32. Stan Puls and Bob Boll, with 10 points apiece, sparked Slinger's red hot last quarter rally. The Indians were ahead until there was only about a minute left when the Owls took a 51-50 lead. During the final minute the frustrated Indians fouled four times and Slinger sank 8 free throws in as many tries.

Sophomore guard "Butch" Rodenkirch was top scorer with 19 points for the losers. Oppenorth chipped in 14 and Mark Rodenkirch 11. Bob Ellis paced the Owls with 15, followed by Boll, Puls and John Machacek with 14 each.

Last week we erred in stating that the Indians won only one conference game away from home this season—at Hustisford. They also defeated North Fondy by a sizable margin there. We recalled this win after the paper was on the press.

Kewaskum resumes conference action Friday night at Lomira and hopes to avenge a recent setback here by the Lions. The season will end with North Fondy here Feb. 21.

PASS RESOLUTION TO ALLOW SPECIAL ASSESSMENTS IN ANNUAL INSTALLMENTS ON PUBLIC IMPROVEMENTS

Regular Meeting February 3, 1958

The Village Board of Kewaskum, Washington County, Wisconsin met in regular monthly session with Village Attorney O'Meara acting as temporary chairman. In the absence of President Reigle, Trustee Stollpflug, upon motion made, seconded and duly carried, presided as acting President. All Trustee members were present.

The minutes of the previous meetings, upon motion by M. Schaefer, seconded by J. Eberle and duly carried, were accepted as presented.

Mr. Clifford Stautz, representing School Dist. No. 2 presented a request for adjustment on their 4th quarter Water bill for water used in sprinkling athletic field. Request was rejected because such adjustment would be in violation of Public Service Commission rules.

Mr. T. C. McManus of the McMahon Engineering Co. reviewed with the Board his recommendation of changes in the street development report. It was decided that another meeting on this report would be held February 17, 1958 at 7:30 P. M.

The following ordinance was introduced by Trustee J. Eberle:

ORDINANCE NO. 58-1

THE VILLAGE BOARD OF THE VILLAGE OF KEWASKUM, WASHINGTON COUNTY, WISCONSIN, DO ORDAIN AS FOLLOWS:

The grade or elevation of the centerline, curbs and gutters and sidewalks of the Village streets is hereby fixed and permanently established as proposed on maps on file with the Village Commissioner and prepared by McMahon Engineering Company of Mcpasha, Wisconsin, said maps dated February 5, 1958.

It was moved by Trustee W. Tessar and seconded by Trustee C. Schaefer that Ordinance No. 58-1 shall be adopted. Upon roll call vote, all members present voting "AYE", said ordinance was so adopted.

The Commissioner was authorized to place an order with the Spellbauer Fireworks Co. for a 4th of July Fireworks display in the amount of \$250.00, upon motion by M. Schaefer, seconded by W. Tessar and duly carried.

Upon motion by C. Schaefer, seconded by A. Merwin and duly carried, the President and Commissioner were authorized to enter into a street light service maintenance contract with the Steiner Electric Co. of West Bend.

The following resolution was introduced by Trustee C. Schaefer:

RESOLUTION NO. 58-1

THIS IS A RESOLUTION TO ALLOW SPECIAL ASSESSMENTS TO BE PAID IN ANNUAL INSTALLMENTS IN RELATION TO THE COST OF PUBLIC IMPROVEMENTS IN THE VILLAGE OF KEWASKUM, WISCONSIN

The Village Board of the Village of Kewaskum does resolve as follows:

WHEREAS, the Village Board deems it necessary in the best interests of the village that special assessments to defray the cost of public improvements in the Village of Kewaskum be levied so as to have the cost thereof spread over a period of four (4) years at the option of the party against whom such special assessment is levied.

NOW THEREFORE, BE IT RESOLVED, by this Village Board that special assessments levied to defray the cost of any public improvements may be paid in annual installments in accordance with the provisions of Section 66.54 (7) of the Wisconsin Statutes.

BE IT FURTHER RESOLVED, that the provisions of Section 66.54 (7) of the Wisconsin Statutes shall be limited, in that all annual installment payments of special assessments authorized hereunder shall be paid for within a period of four (4) years from the date of the resolution making the levy, and that the interest on the deferred installments shall be charged at the rate of one-half per cent (1/2)% per annum per month.

It was moved by Trustee Tessar and seconded by Trustee Merwin that resolution No. 58-1 shall be adopted. Upon roll call vote, there being 4 "AYE" and 2 "NAYE", the resolution was declared adopted.
