Immunization Clinic Schedule Announced; Local Clinic Mar. 11

Washington county grade school children, ages 5 to 14 inclusive, will be offered protection against whooping cough, diphtheria, tetanus (lockjaw) and smallpox at immunization clinics to be held throughout the county during the next three months. West Bend grade school children will be offered protection at offices of the West Bend physicians.

The clinics will be conducted by local physicians with the assistance of volunteer nurses and lay people. The cost of the immunization will again be 50c per injection both at the West Bend physicians' offices and the county clinics. This health program is arranged by the county nurse and the West Bend city nurse.

Children, ages 5 through 7, who have never had any immunization may receive protection from lockjaw, diphtheria and whooping cough. These injections will be given in a combined dose (once a month for three consecutive months).

A booster dose (one shot of this same immunizing material) may be given to the children who have had complete immunization in the past but have not had this protection renewed within the last three or four years.

Children, ages 8 through 14, who have never had any immunization may receive protection from lockjaw and diphtheria which will be given in a combined dose of two injections about eight weeks apart (March and May clinics).

A booster dose (one shot of this same immunizing material) may be given to the children in this age group who have had complete immunization but have not had this protection renewed within the past three to four years.

Smallpox vaccinations will be offered at the second clinic (April) for ages 5 to 14 inclusive. Every child should have at least one vaccination which was a "take" (left a scar). Medical authorities also advise that the vaccination be repeated about every five to seven years.

Although the polio vaccine is not offered in this program, arrange with your family physician to have the entire family protected.

An immunization request card is being sent home with every child through the county schools. They will also be available at the clinics. No child will receive immunization without a request card signed by the parent or guardian.

The first program will be conducted in the offices of West Bend physicians during the week of March 9 through 14. Parents are responsible for making an appointment with their physician.

The schedule for the first clinics outside of West Bend are as follows:

Clyde Smith Speaker At County Historical Society Annual Meet

FORESTER CITES PLIGHT OF STATE PARKS; MAUTHE LAKE AREA HAS WIDE APPEAL

The annual meeting of the Washington County Historical society, held last Tuesday night in the demonstration room of the Milwaukee Gas Light Co. in West Bend, heard Clyde Smith, Mauthe lake, State forester of this area, tell of the plight of the Wisconsin park system and of the urgent need for additional funds to carry out the program of expansion and improvement of facilities in the state.

Explaining that the state park system is almost 60 years old, Smith compared the \$480,000 spent last year by the state of Wisconsin to the more than \$6,000,000 spent by the state of Michigan during the same period. "Even Milwaukee county spends more money on its county park system than the state does on the whole state system," he said.

The speaker went on to tell of the state forest system, which operates the north and south sections of the Kettle Moraine state forest. Last year more than one million people visited the two divisions of this forest area. Following his talk he showed a new film entitled "Glacier Made Wonderland," showing the Kettle Moraine state forest area.

The popular Mauthe lake camping grounds was host to campers from 19 different states and from the Provinces of Ontario and British Columbia. Campers came from 32 different communities in Illinois alone and from 74 cities and towns in Wisconsin. Records kept at the forestry headquarters show that there were more than 35,000 camper days during the four month camping season at the Mauthe lake and Long lake camp grounds. The latter, which is becoming more popular, registered 12,000 camper days, 1958.

Improvements to the camping area which will enlarge the capacity at Mauthe lake are being constructed by the department and present plans are to have the area ready for the campers by June 15.

CHIMNEY FIRE FRIDAY AT KOEPKE FARM HOME

The fire department received a chimney fire call shortly before 6 p. m. Friday to the farm home of Albert and Leander Koepke in the town of Kewaskum, located southwest of the village. The fire occurred while a high wind was blowing and firemen traveled over drifting roads. No damage resulted.

\$246.65 Collected In TAP Drive Here

Final results of the "Teens Against Polio" campaign were disclosed last week by Pat Edwards, TAP community chairman, and Carol Heberer, school chairman. Combining the total amount of contributions raised through the following activities, the grand total collected for the 1958 TAP campaign was \$246.65.

The blue crutch drive on the streets of Kewaskum held on Jan. 30 and 31 brought in the amount of \$61.27. The high school students contributed the amazing sum of \$103.39 in just two short days, Feb. 5 and 6, when the school campaign was held. The record hop held on Feb. 7, despite bad weather, netted \$65.15, which greatly surprised the chairmen.

Two TAP volunteers collected \$16.84 on Tuesday, Feb. 17, thus bringing the 1959 "Teens Against Polio" campaign to a very successful conclusion.

The two students in each category receiving the highest ratings will be eligible to participate in the league contest to be held at Germantown on March 14. Red Cross Chapter First Aid Training Course Begins Mar. 2

A Red Cross first aid instructor trainer course will be conducted in the West Bend Chapter, March 2 to 6, according to Dr. R. S. Driessel, first aid chairman. Theodore Bentzler, American Red Cross first aid and water safety field representative for the state of Wisconsin, will be the instructor.

The 15 hour instructor course and the 3 hour teacher conference training course is open to any one 20 years of age and over who holds

T. A. Bentzler

a current advanced first aid certificate. The first session will open on Monday evening, March 2, at 7:00 o'clock, Red Cross rooms, second floor, Library building, West Bend.

Bentzler who served as bombing instructor with the rank of second lieutenant in the Army Air Force from 1943-46, will use the new Red Cross first aid textbook which was published in 1958. It is primarily designed for use in classes taught by American Red Cross instructors throughout the world. The book provides a ready reference for use in common emergencies arising out of everyday living. It incorporates all of the latest first aid techniques including the much publicized artificial respiration for infants called "mouth-to-mouth" breathing.

Further particulars concerning registration and other information about the course may be obtained by calling the Red Cross office, FE 4-5687.

TWIN DAUGHTERS OF HANSENS BAPTIZED

Crippled Chevs Lose 2 Tournament Games, Eliminated From Meet

SHADED BY OSHKOSH, FOND DU LAC TEAMS SATURDAY AT MT. CALVARY

The Kewaskum Chevrolets of the Land o' Lakes league, who won their first two games the week end before to advance to the semifinals in the double elimination, invitational tournament at Mt. Calvary, were defeated in both games played Saturday to be eliminated from the meet.

Both setbacks were by close scores and the Chevs were not at full strength in either of the games. In the afternoon contest at 3 p. m.

BILGO, MANAGER RECEIVE ALL-TOURNAMENT HONORS

Augie Bilgo, Kewaskum veteran, and one of the stars of the tourney, was honored by being selected on the all-tournament team at the close of the Mt. Calvary meet. This is a high honor considering that there were 16 teams and more than 125 players in the tourney. Manager "Cisco" Backhaus of Kewaskum was named the all-tournament manager. Many awards and prizes were given. Other Kewaskum players received awards and several local fans won attendance prizes which were given at each game.

Kewaskum lost by 7 points to Felda's Bar of Oshkosh, 75-68. In their second game of the day, played at 6:30 p. m. the Chevs were shaded by Alex's Bar of Fond du Lac, 67-64.

Augie Bilgo, ace of the team, injured his leg in the afternoon tilt and had to leave the game, greatly handicapping the team. After receiving treatment from a physician, he was given the OK to play in the evening to keep the muscles from

tightening up but could be of little help. His injury cost a victory. Don Meisenheimer, high scorer on the team, was also ailing and not in the best shape. These injuries, coupled with the reported fact that Kewaskum had to play against 7 men including the officials, kept the team from advancing any further in the tourney. John Tessar who was expected to play with the Chevs in the meet, appeared in the first game only.

The Chevs' second game Saturday was scheduled to be played at 9:15 p. m. but at the last minute officials of the tournament switched it to 6:30, giving the players very little rest between contests. Local fans who drove to Mt. Calvary to see the evening tilt got there when it was over and were greatly disappointed.

In the matinee the Chevs led Oshkosh 18-15 at the quarter but fell behind 35-33 at halftime. In a very close contest Kewaskum trailed by only 1 point, 57-56, going into the final period. Then, with Bilgo hurt, they fell behind to lose by 7 points, 75-68. High scorer was Goggins of Oshkosh with 21 points, followed by Harke with 19 and Heilerg 16. High point men for the Chevs were George Hanrahan with 19, and Bilgo and Meisenheimer with 16 apiece.

In the evening contest Kewaskum led Fond du Lac 15-11 at the quarter but then fell behind to trail the rest of the way although almost closing the gap in the final quarter. Fondy led 32-27 at the half and 51-43 at the third quarter. The Chevs poured in 21 points in the final stanza to Fondy's 16 but it wasn't quite enough. Bob Stenman of the Chevs was high scorer with 20 points and Hanrahan added 17. Leaders for Fond du Lac were Uphoven and Kell with 15 each, Larson with 14 and Kerch 13.

This Fond du Lac team is the same one which is a member of the Lakes league. As Fond du Lac was scheduled to meet Kewaskum in a league tilt here Saturday night, the tournament game was counted

as a regular league affair. As the Chevs lost, their record in the second half now stands at 3-3. They have one league contest remaining and that is at Fox Lake this Sunday afternoon, Mar. 1.

Felda's Bar of Oshkosh, the team that beat Kewaskum Saturday afternoon, went on to take the tournament by winning in the finals Sunday night after having to play three games that day, to say nothing of two on Saturday. The meet was more of an endurance test than a basketball tournament.

Champion Bells Defeat Indians in Final, 64-47

KEWASKUM IN SUB-DISTRICT TOURNAMENT FRIDAY AND SATURDAY, FEB. 27-28

The Campbellsport Bells, with the Scenic Moraine conference's first basketball title already tucked away, added another win to its record by dropping fifth place Kewaskum by a 64-47 score in the

season's final game here Friday night before a large crowd. The Bells ended up with a 9-1 record and the Indians with 3-7.

The Bells' only defeat, which kept them from a clean record, was administered by Kewaskum in an earlier contest on the Campbellsport floor. The Bell victory Friday by 17 points avenged this lone setback. The Indians scored 459 points to their opponents' 518 on the season.

One accomplishment made by Kewaskum was holding Phil Schlaefer, the conference scoring champion with 185 points, to a mere six points in the finale. Schlaefer beat out Dick Strack of Germantown with 174 and Slinger's John Machacek.

But the Indians were unable to stop Gene Pieper, who scored 20 points, Weber, who made 17, and Scheid, who dropped in 12, to pace the win. Butch Rodenkirch, the Indians' top scorer, led his team with 13 points, followed by Dan Coulter with 10, Kon Sadownikow with 9 and Tom Smith with 7.

Although they committed more fouls, 23 to 20, the Bells also sank more free throws, 22 to Kewaskum's 17. The champions went right to work and took a one-sided 18-6 lead in the first quarter, after which they were never in trouble. They added 18 and the Indians 13 in the second stanza to make it 36-19 at the intermission. In the second half Kewaskum played the Bells on even terms but then it was too late. The losers outscored the visitors, 19-15, in the third period

to cut the lead to 13 points, 51-38, but Campbellsport regained them in the final quarter with 13 to 9.

Tonight, Friday, Feb. 27 and Saturday, Feb. 28, Kewaskum will participate in the sub-district tournament, held at Campbellsport this year. The Indians will meet the Bells in the tourney opener tonight at 7 p. m., while Lomira and Random Lake will tangle in the second game at 8:30. The Bells are top-heavy favorites as Lomira placed fourth in the Tri-County loop and Random Lake last in the Kettle Moraine conference. The losers will play for consolation honors in the opener Saturday night, followed by the championship contest. The meet winner will advance to the district tourney at Slinger.

Add Sparkle To Your Lenten Menus

Rice Nests with Shrimp Sauce are the perfect "something different" to add sparkle to Lenten menus. The nests are a combination of cooked rice and cheese, quickly turned a crusty golden brown in deep fat and served nested in a creamy shrimp and mushroom sauce. Center the rice with a bright jelly sauce tangied with horseradish.

For speedy preparation, cook extra rice the day before when you are serving it as a vegetable or in a casserole combination dish and set aside 3 cups. Combine with the other ingredients and shape, and the rings are ready for quick deep frying on the day you are serving them. Rice, of course, reheats perfectly to original fluffiness in a small amount of water, so plan to cook an extra amount for a combination dish another day.

The sauce for the Rice Nests is a creamy shrimp and mushroom combination, using canned shrimp. Serve with Frenched green beans with almonds, a salad and favorite dessert and beverage.

Rice Nests With Shrimp Sauce (6 to 8 servings)

- | | |
|---------------------------|--|
| Rice Nests | Dry bread crumbs |
| 3 cups cooked rice | 1 slightly beaten egg mixed with 2 tablespoons water |
| 1 cup grated sharp cheese | Fat for frying |
| 1 beaten egg | |
| 1 teaspoon salt | |

Combine first four ingredients and chill. Shape into 8 balls. Roll in crumbs, then egg and water mixture, then in crumbs again. Make a depression in each. Fry in deep fat at 375° F. for 20 minutes.

- | | |
|-----------------------------------|-----------------------------|
| Shrimp Sauce | 1/2 cup cream |
| 1/4 pound fresh mushrooms | 3 tablespoons catchup |
| 2 tablespoons butter or margarine | 1/2 teaspoon Worcestershire |
| 2 4-oz. cans cleaned shrimp | 1/4 teaspoon salt |
| 1-1/2 cups grated cheddar cheese | 1/8 teaspoon pepper |

Saute mushrooms in butter 6 to 8 minutes. Add remaining ingredients. Simmer for 10 minutes.

Franklin Backhaus and three of his neighbors from Jump River, Wis. were in the village and while here sold approximately 50 bushels of red clover seed to L. Rosenheimer. Jump River is about 270 miles north of this village and for four farmers to come this distance to market some of their farm produce is mighty good proof that the markets in this village are about the best in the state.

Recent deaths included Sylvester German, 80, of St. Kilian; Florence Kathryn, 8-months-old daughter of Mr. and Mrs. Roman Smith, Kewaskum; Miss Mary McCullough, 80, former postmistress at Campbellsport, and a town of Auburn native; Mrs. Frank Becker, 68, of the town of Ashford, aunt of Helen and Etta Schoofs of this village.

Mr. and Mrs. John Felix have moved onto the former Victoria Kohler farm which they purchased.—St. Kilian correspondent.

Ralph Rosenheimer, son of Mr. and Mrs. D. M. Rosenheimer of this village, and cashier of the Cudahy State Bank in Cudahy, was promoted to a director of said institution. He now holds two titles, cashier and director.

It's not every high school that can boast of three pairs of twins. But the institution here at Kewaskum points with pride to their phenomenal "brother and sister act." The sets of twins are Beulah and Bernice Buddenhagen, Orin and Orville Reysen and Eleanor and Elaine Schleif. A picture of the three sets will appear in Sunday's Milwaukee Journal Roto-Art section. John Louis Schaefer, son of Mr.

and Mrs. John F. Schaefer, and a senior at the University of Wisconsin, has many fishing honors to his credit. First he won a rod and reel in a state bait casting contest. Last summer he was the winner of a \$37 fly rod for catching a 7-pound Oswego bass in competition with hundreds of fishermen throughout the state. Recently he was chosen winner in a contest of Phi Kappa Tau social fraternity, competing with men from 43 chapters.

According to a Madison AP dispatch in various state papers, the game farm at Moon lake near Kewaskum is to be continued as a pheasant and Hungarian partridge egg distributing plant. The articles reads in part: "Equipment at the state game farm at Moon lake will be moved to the new model game farm at Poynette. We are not dismantling the Moon lake farm. The game division plans to include this farm as a pheasant and Hungarian partridge egg distributing plant. A full time man and two part time assistants will be in charge and the annual production will be around 50,000 eggs.

DEADLINE FOR OBTAINING LICENSES IS FEB. 28

Dog owners in Washington county are reminded that the deadline for obtaining dog licenses is Feb. 28. Owners who do not obtain licenses for their pets are subject to prosecution by the district attorney.

A total of \$1,642.83 has been refunded by the county clerk to the treasurers of the various towns, villages and cities from surplus funds in the dog license funds. The amount represents almost one-third of the funds taken in 1958 for dog licenses in the county. A total of \$5,079 was paid in dog licenses in the county. Of the total receipts, a balance of \$1,000 must be kept in the county fund according to state statutes.

Refunds were made to the various communities as follows:

Towns—Addison, \$74.07; Barton, \$67.92; Erin, \$60.16; Farmington, \$105.44; Germantown, \$211.54; Hartford, \$99.30; Jackson, \$108.38; Kewaskum, \$52.72; Polk, \$113.85; Richfield, \$148.79; Trenton, \$149.11; Wayne, \$74.07; West Bend, \$60.81.

City Basketball

In last week's action Regal Ware defeated Big Gene's 39-35. High scorers were Butch Hammer with 17 points for the winners and M. Ferkins with 11 points for the losers.

The second game was won by L. Rosenheimer's over Behnke's Assurance 47-46. High scorers were D. Nigh with 20 points for the winners and J. Nigh with 18 points for the losers.

With the games played so far the league has unusual standings. All the teams are tied for first place (and last). All have won three and lost three. So after this week's games two of the four teams will have to be in first place.

Games this week were Behnke's Assurance vs. Regal Ware in the first game and Big Gene's vs. L. Rosenheimer in the second contest.

STANDINGS

Parish Captains Named For Charities Appeal

The extensive organizational program for the 1959 Catholic Charities and Seminary Fund campaign for \$900,000 is completed, it was announced by Frank M. Surges, K.S.G., general chairman of the campaign. The drive for funds will be conducted between March 8 and March 22.

The funds collected in the annual campaign provide assistance for 21 Catholic charitable institutions and agencies in the archdiocese and finance and maintain the increase and improvement of facilities at St. Francis seminary.

The pastors of the 285 parishes in the 10 counties comprising the archdiocese announced the names of the parish captains who will assist them in obtaining the designated portion of the \$900,000 goal assigned to each parish. The names of the parish captains in this area are as follows:

Irvin W. Otten, Immaculate Conception, Barton; John Youngbauer, St. John of God, Farmington; Joseph Miller, Holy Trinity, Kewaskum; George W. Peter, St. Killian's, St. Killian; John Botzkovis, St. Bridget's, Wayne; Leonard Theusch, St. Michael's, St. Michael's.

The Charities drive quota for Holy Trinity parish is \$1,550 and for St. Bridget's mission \$450.

PARISH TO PRESENT LENTEN PAGEANT "THE LAST SUPPER"

The season of Lent has special color and drama at St. John's United Church of Christ, near West Bend, for each year 45 men from this congregation depict, in pageant-form, scenes from the life of Christ and the institution of the Lord's Supper in the upper room. This year the pageant will be presented on Thursday evening, March 12, at 8:30. The unique presentation is based entirely on excerpts from the Bible and is done in dialogue and pantomime. Included is a children's interpretation of "the calling of the twelve Apostles." Director of the pageant is the congregation's pastor, Rev. L. Riesch.

The men who play the roles of the disciples range in age from 26 to 75, and come from all walks of life. A businessman, David Loomans, has been selected to portray the role of Christ. Mr. Loomans has a TV-radio shop in West Bend. This is the fourth year that St. John's men are presenting "The Last Supper."

MUSKRATS CHEW PLASTIC HOSE IN BEECHWOOD LAKE

There probably isn't much nourishment in a plastic hose but muskrats have chewed up 500 feet of it that had been placed in Beechwood lake, Sheboygan county, for experimental aeration. Paul Schultz, district fish manager, reports. Air had been forced through perforations in the hose to bring warm bottom water to the surface and melt the ice. The aeration experiment will continue if the muskrats permit.

SWEETHEART SALAD— Cottage Cheese and Cling Peaches

Sweetheart salad is a heart winning combination of molded cottage cheese and almonds, topped with cling peaches and encased in lemon jello. A maraschino arrow pierces the center to create a true heart effect.

Garnish this picture-pretty salad with watercress, crisp and dainty. You might even serve a dish of piquant salad dressing to give it that tarty flavor.

This salad is so appropriate for so many occasions—an anniversary party, Valentine's Day, bridal shower or an engagement party—to name a few. You can make the salad to suit many other occasions too, by just changing the shape of the mold.

SWEETHEART SALAD
6-8 servings

1½ qt. mold
PEACH LAYER:
1 package lemon gelatin
1 cup boiling water
1 #303 can sliced peaches, drained

Juice from drained peaches
10 maraschino cherries, drained

Either oil the mold to be used or immerse in cold water. Dissolve the lemon gelatin in the boiling water. Add the peach juice. Pour a thin layer of lemon gelatin into the bottom of the mold. Allow this to set enough to hold the fruit in place. Arrange the cherries as an arrow and place sliced peaches to

conform to the shape of the mold in the jelled bottom layer. Pour the remaining lemon gelatin over the fruit and place in the refrigerator to thicken sufficiently to add the cottage cheese layer. The two layers will separate.

COTTAGE CHEESE LAYER:

1 package lemon gelatin
1 cup boiling water
¾ cup cold water
1 tablespoon vinegar
1½ cups cottage cheese (1 12-oz. pkg.)

1 teaspoon salt
¼ cup mayonnaise
½ cup salted almonds, chopped

Dissolve the gelatin in the boiling water. Add cold water. Mix in well the vinegar, salt, cottage cheese, mayonnaise, and chopped almonds. Place in the refrigerator to slightly stiffen. When the peach layer has set sufficiently to hold the second layer, pour the cottage cheese mixture on top of it. Chill until firm.
