Chevs, With Half Team, Beat Mayville, 123-104

The Kewaskum Chevrolets went to Mayville Saturday night with only half a team and still won in a high scoring game, 123-104. With three players missing they still ran up their highest score of the season in the second half and moved the team into a tie for fifth place.

Absent were Frankie Krueger, because of a death in the family, and Tom Larson, two of the team's mainstays, and Ken Felix, No. 1 substitute. Don Meisenheimer, Augie Bilgo and Bob Stenman more than made up for their absence by going on a scoring rampage. The trio accounted for 101 of their team's 123 points. Meisy was high

with 39, Bilgo poured in 32 and "Peewee" was close behind with 30. Bartelt with 24 and Genzmer and Heim with 20 each were tops for Mayville.

Kewaskum outscored Mayville in every period. They led 22-19 at the quarter and 55-38 at halftime. The losers played them on almost even terms in the second half but the Chevs 17-point advantage at the intermission allowed them to coast to a win. The count at the end of the third period was 85-67.

The Chevs return to the friendly home gym this Saturday night but their opposition won't be friendly. They play host to the strong Horicon five, which has a 3-2 record, and gave league leading Beaver Dam a tough battle last week end

before losing 87-81.

When school is dismissed today, (Friday), hundreds of Girl Scouts of the Wau-Bun Council will waste no time in calling on their friends and neighbors. Friday, March 4, is their "GO" Day, the day they can begin to take orders for Girl Scout cookies. These girls from Fond du Lac, Green Lake, Washington and Eastern Dodge counties will be taking orders all during Girl Scout Week, March 4 - 13, with deliveries to be made in April.

The girls will be taking orders for four varieties of cookies priced at 45c per box. One half of this selling price is profit for our Wau-Bun Council Girl Scouts, 17 1/2 cents per box goes into the camp development fund and five cents per box is retained by the troop to which the seller belongs. The number of girls participating in the Scouting program has been increasing each year, with a total of 2,569 girls this year, an increase of 300 over last

year. To guide these girls in their troop activities there are 458 adults volunteering their time and services to make Scouting possible to so many.

The girls will not accept any money at the time the order is taken, but will collect for the cookies when they are delivered. Delivery dates are April 19-26. The girls will be carrying a supply of window stickers as they make their calls. Any resident who puts the sticker in the window will not be solicited again.

Co-ordinating the cookie sale efforts of the girls and the adult volunteers in Kewaskum is Mrs. Harry Koch who is cookie station chairman locally this year. The neighborhood cookie sale chairman is Mrs. Elmer Zell of West Bend. Mrs. Kenneth Jensen, Fond du Lac, is general chairman of the 1960 Girl Scout cookie sale.

Cub Calendar

The 6th meeting of Kewaskum Pack 41 was based on the theme "50th Anniversary of Cub Scouting."

The meeting opened with the pledge of allegiance to the flag; three cubs from the Webelos den (John LaMarche, Richard Marx and Michael Miller) carried the colors to and from the auditorium.

With the auditorium lights out and the candles lit on the cub totem board, the advancement ceremony was under way. The first three candles represent the Cub Scout promise, the remaining four represent the Cub Scout law. The arrow of light leads the cub along the trail from Bobcat to Webelos. The Kewaskum cubs know the promise and law as all joined in the candle ceremony.

Three boys were awarded the Bobcat pin and scout mess kit (gifts of Regal Ware, Inc.): Marvin Bohn, Myron Belger, Jr., Mark Eichstedt.

One cub attained rank of Wolf: William Butz.
Six cubs earned the Wolf Gold

Arrow: James Butz, William Butz, James Foerster, Thomas Levotro, Kenneth Ogl, Larry Spoerl.

Two cubs attained the rank of Bear: Alan Bohn, Scott Waranius.

Two Cub Scouts attained the rank of Lion: David Rainthun, John Stellpflug.

Six Cub Scouts earned a Lion Arrow: William Backhaus, John LaMarche, Richard Marx, Patrick McCarty, Michael Miller, John Stellpflug.

Richard Wieter, a Boy Scout, was awarded a Den Chief Cord as den chief of den 6.

After the "Keeper of the Buck" of each den presented the dues, the "theme" was enacted on stage. Den 5 and den 7 had made a "television screen" on stage. James Butz was orator. While James read, the paper Cub Scout appeared on

"Eureka! I've at last developed one that grows JENSEN NEEDLES!"

"screen" and saluted the flag as it appeared on screen, a Cub Scout is patriotic. Our little Cub Scout appeared in the kitchen with king size fry pan and made breakfast, a Cub Scout is helpful at home. The scene changed to the outdoors and our Cub Scout made his campfire next to his tent; a Cub Scout learns handicraft. Finally our Cub Scout was in the blue water, a Cub Scout learns personal fitness. Well done, den 5 and den 7.

The cubs in the Webelos den are anxious to finish their gas powered airplanes so as to start flying them this spring. Again we thank Jack Jadro, manager of Kewaskum's Burckhardt Appliance, for two more U-control airplane kits. Jack is really giving our cubs a goal to work for. We should add that Mr. LaMarche is stressing courtesy and good manners in the Webelos den.

Thank you Brownie Troop 25 and 53 for your congratulations for cub scouting 50th anniversary. We had a delightful surprise, when Mrs. Donald Koerble and Mrs. Ralph Marx presented our cubs with candle lit cakes. The cubs had no trouble determining what to do with the cakes.

After the meeting the cubs played games under the direction of Eugene LaMarche.

Remember, cub parents, work with your son, he needs your interest and instruction to get the most out of Cub Scouting. We have excellent den mothers but they must have your help.

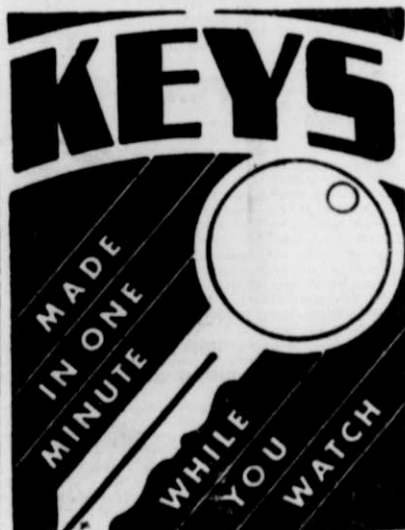

Our next pack meeting will be at 7:00 p. m. Mar. 15, at the grammar school auditorium. Be sure to come.

"Perhaps the meaning of Red Cross service can be better realized by this one example: Each child that completes a Red Cross learn to swim course is protected from drowning as certainly as modern vaccines protect a child from the effects of illness or a crippling disease," the chapter chairman asserts.

"Good things happen when we serve or give" is the slogan that will be carried in the hearts of the solicitors to the contributors as they enthusiastically point out that Red Cross is people helping people and needs to expand continually and grow to meet the increasing responsibilities placed upon the organization.

Around the Town

Guess March came in more like a lamb than a lion. It was sunny and clear Tuesday but cold. The temperature dropped close to the zero mark early in the morning. It was one of the coldest mornings of the winter, which so far had few if any sub-zero days. If Mar. 1 is any indication, the rest of the month should be colder than normal with little precipitation. By the time you read this the prediction may be way off as snow is promised by the weatherman at this writing for Wednesday night and Thursday.

For you fellows who gave up smoking, Lent sure is going fast, isn't it?

West Bend high school proved to be a very gracious and sportsmanly host to the WIAA sub-regional tournament. Their cheering section made Kewaskum feel right at home by rooting for the Indian team and applauding their cheer leaders and cheers. At many places there is a tendency for larger schools to ridicule their smaller neighbors. But this was not the case at West Bend. The entire meet had the aspect of being "big league" in comparison to the district tourneys.

Kewaskum hopes to return to West Bend again next year and with not a single senior in the starting lineup, will be back with the same team, although bigger, stronger and more experienced. The starting team had three juniors, one sophomore and one freshman. The rest of the squad includes

one junior, three sophomores and one other freshman. So ten members of this year's team will be back next season. Like Gen. MacArthur said during the war: "We shall return."

Campbellsport's Scenic Moraine champs, who won 17 straight during the season, 12 of them in the conference, and won the district tournament in their home gym Saturday, will be in a predicament next year like Kewaskum was this season. The entire team is seniors except for one junior, Don Weber. Eight seniors will be lost and they will have to start out from scratch again.

Boy, that Hartford squad was big and heavy. If we hadn't known better we would have believed it was the Green Bay Packers basketball team taking the floor. Kewaskum's "midgets" had to go under and around these big boys. Cedarburg would have been a better match for the Indians because they, too, were small and fast.

Kewaskum's cheering section and cheer leaders were as good as any on the floor and they didn't have to take a back seat for any of the other schools. They received a lot of applause from the spectators.

You young married couples planning on raising families, try to include some tall, husky athletes in your plans. Let your prayers be: "Oh give us 6 foot, 6 inch freshmen with natural athletic ability and small feet to minimize the amount

of lead in them. May they have large hands with the affliction of sticky fingers. If they cannot be tall, let them be husky as we need tackles and guards, too. And let some of them be smart enough or good enough copiers to get through high school but too stupid to go to college so that they might stay home and bolster the aging ranks of our Land o' Lakes team, too. Amen!"

Hartford Tips Indians In Regional Tournament At West Bend, 68-48

BADGERS TRIM CEDARBURG IN OPENING GAME OF MEET, 74-44

Although they made a good showing, Kewaskum received a rather harsh introduction to big-school sub-regional basketball tournament play Monday night at West Bend as Hartford of the Little Ten conference whipped the Indians, 68-48. This eliminated Kewaskum from WIAA tourney play and ended the season for Coach Walt Bade's boys, who ended up with an overall record of 5-13.

In the opening contest of the tournament West Bend, also of the Little Ten, romped over Cedarburg of the Braveland loop, 74-44. The winners advanced to the second round of play Thursday night when West Bend met Mayville and Hartford took on Port Washington. Mayville and Port, both champions in their respective conferences, the Little Ten and Braveland, were seeded entrants in the tourney and did not have to play in the opening round.

Thursday night's winners will play off Friday night for the sub-regional championship while the losers will meet for consolation honors. Both the consolation winner and champion will play Saturday at Whitefish Bay for the regional championship. Heretofore, Kewaskum competed in district tourna-

ment play but because of a sizable increase in enrollment the school moved up to a regional tournament level.

Kewaskum played the much taller and heavier Hartford cagers on even terms in the first half. They trailed by only one point, 15-14, at the quarter and by 4 points, 30-26, at the intermission. Then the Orioles' superior size began to show its effect as the Indians were out-scored 22-12, in the third period to fall behind, 52-38. Hartford pushed in 16 points and Kewaskum 10 in the last quarter to win by a 20-point margin.

Harry Klink and Mike Hesprich, both of whom were among the top ten scorers in the Little Ten this season, made the big difference between the teams with 30 and 22 points for Hartford. Kohn Sadownikow with 17 and Otto Ramthun with 16 were high for the Indians. Kewaskum sank 14 free throws to the Orioles' 8.
