Fire Destroys Barn, Farm Machinery on Elroy Egerer Farm

DAMAGE ESTIMATED AT OVER \$40,000 IN BLAZE NEAR BEECHWOOD WEDNESDAY

Fire leveled a large barn and destroyed thousands of dollars of farm machinery last Wednesday afternoon on the Elroy Egerer farm, about 2½ miles southwest of Beechwood. The loss was estimated at over \$40,000. The Egerers also own properties in Kewaskum.

Barely two hours after the blaze was reported by the Egerer's 12-year-old son, Joseph, the barn and an adjoining 30 by 48 foot storage building were in smoldering ruins. The loss included over 100 tons of recently mown hay and a variety of equipment, including a cornpicker, chopper, blower, swather and hammermill, stored in the 40 by 100 foot barn. All the livestock was saved.

The Egerer boy discovered the fire when he entered the barn about 3:30 p. m. He sounded the alarm and then battled his way through dense smoke to lead his 4-H calf to safety. His father and a neighbor, Byron Gessner, managed to save five Holstein cows and a bull before the intense heat drove them back. Sixty-one other head of cattle were in pasture at the time.

More than 50 firemen from Boltonville, Beechwood and Batavia fought the fire for more than three hours during a light rainfall but the blaze had spread so rapidly that by the time they arrived it was impossible to save the barn. The Egerers' two-story frame farmhouse, less than 100 feet east of the barn, was not damaged.

But the barn, adjoining structure and most of the farm machinery inside was a total loss. Egerer said most of the loss was covered by insurance. Origin of the fire was not determined.

Mrs. Egerer said the flames consumed "the biggest hay crop we've ever had." She said 45 bales of new mown hay had been stored in the barn within the last few days. The Egerer farm is located in the town of Scott on County Trunk Highway HA, about a mile east of the Fond du Lac-Sheboygan county line.

4-H Club News

AUBURN 4-H CLUB

The meeting of the Auburn 4-H club was called to order by our president, Barbara Nigh, on July 7. After the 4-H pledge we had roll call. Our secretary's report was read and approved. The treasurer's report was read and accepted.

We paid one-half of the expenses of Karen and Diane Kaschner and Karen Jacobsen, who went to Pine Lake camp. They gave us an interesting account of their experiences. Karen Jacobsen gave a demonstration on "Glass Etching" which she learned at Pine Lake

camp. We made plans for a bake sale for Saturday, July 23, at 3 o'clock. Hope it will be successful as we are low on funds now.

Ray Bales and Ronald Petermann put up our 4-H sign and it looks nice. Our thanks to them.

After the pledge of allegiance we adjourned. A delicious lunch was served by Mrs. J. Jacobsen, Karen and Allen.

Our next meeting will be at the home of Karen and Diane Kaschner on Aug. 4.

WAYNE CRUSADERS 4-H CLUB

We met on Tuesday, July 12, at 10:30 a. m. A few of our mothers

took us to visit the Kewaskum Dairy. We saw how they test, pasteurize, package and cool milk and its products. Mr. Freeman explained everything to us and at the end of the tour we were treated to chocolate milk.

Our meeting, which was held in the Kewaskum park, was opened by Bill Mertz. For roll call we all gave a safety rule we practice in our project. We sang a few songs. Laura Menger read the minutes and Carole Hohlweck gave the treasurer's report.

We grilled wieners and had more chocolate milk. After playing a

while at the park we stopped for a treat of root beer and ice cream. Then we went to each one's home to see what each is doing in their project. This ended a very enjoyable day.

We are all looking forward to the fair this week.

FAMILY PUTS 2,000 MILES A MONTH ON CORVAIR THINKS IT'S MARVELOUS GAS MILEAGE "OUT OF THIS WORLD"

Mr. and Mrs. Richard Kahelin of Plant City, Florida, couldn't be happier with the way their new Corvair has worked out as a combination family and business car. On their newspaper distribution route alone they travel more than 400 miles a week over all kinds of roads. Little wonder they're so pleased with the gas mileage they've been getting — "at least twenty-three miles to the gallon with an automatic transmission . . . and we've had no trouble with our Corvair." The Kahelins have equally good things to say about Corvair's easy-going comfort and unique convenience features. They especially like the way the fold-down seat doubles as a built-in baby sitter.
