AFS Names Committee Chairmen; Foster Home Applications Needed

On Tuesday evening, Feb. 7, the Kewaskum chapter of the American Field Service met. Robert Kroncke, Sr. was chosen president of the group. Committee chairmen named were: Mrs. L. N. Peterson and Mrs. Ray Schaefer, co-chairmen of the home placement committee; James Reigle and John Stellpflug, co-chairmen of the finance committee; Clifford Rose, school liaison; Paula Petri, publicity chairman, and Giles Wierman, chairman of the Americans A-broad committee.

One of the urgent projects is to acquire applications from people interested in providing a foster home for a foreign student.

The AFS previously stated that the family interested in making a home for the foreign student had to have a son or daughter of their own in high school. This is an ERROR. All that is required is that the family live within the village limits and be willing to care for a son or daughter.

If you are interested in becoming a foster parent to a student from abroad contact either Mrs. Ray Schaefer or Mrs. L. N. Peterson. Anyone interested in information regarding the American Field Service can contact Mrs. Schaefer or Mrs. Peterson under no obligation.

Businessmen Sponsor Number Hunt Today

SHOPPERS TO SHARE IN \$300 IN EXTRA BONUS PRIZES IN VALENTINE EVENT

Another big "Number Hunt" promotion will be sponsored by the Kewaskum Business association all day today Friday, Feb. 10. This special Valentine event will give lucky shoppers an opportunity to share in about \$300.00 in extra bonus prizes of valuable merchandise.

In addition to the regular Friday cash bonus numbers, members of the Business association will post from 1 to 30 extra lucky shopper numbers in their place of business. Each participating business will have different numbers and many will display the prizes to be given before the day of the "hunt."

Every person who is registered in the Kewaskum Lucky Shoppers club and has been assigned a number in it can win. All the winners have to do is find their number in any of the various business places and pick up their prize or prizes. That's all there is to it. You may win one prize or more, depending on how many the businessman has posted. Shoppers will be wise to visit every business place and check the numbers so you won't miss yours if it is posted.

Be sure to set aside Friday, Feb. 10, and come to Kewaskum to join in the "Number Hunt." It will be a thrill to search for your number and possibly win a valuable prize or prizes. The numbers will be there and somebody has to have them. All you have to do is find them. Some places will post as high as 30 numbers and give the same number of prizes if they are claimed.

Barton Youth Hurt in Crash Near Here Dies

The death of a Barton youth Tuesday night, Feb. 7, at St. Agnes hospital, Fond du Lac, of injuries suffered in an auto accident near Kewaskum last Dec. 11, raised the county traffic toll to 30 persons for the year 1960.

Robert Winckler, 20, son of Mr. and Mrs. George Winckler, Sr. of Barton, was the victim. Winckler suffered severe head and leg injuries when he was pinned under his car which rolled over him when it left County Trunk Hwy. B about 1½ miles south of County Trunk Hwy. H, several miles southwest of Kewaskum, and struck several trees. The youth was taken to St. Joseph's hospital, West Bend, in the Kewaskum ambulance for treatment and later transferred to St. Agnes hospital.

A companion, Tom Albrecht, 19, of West Bend, was also injured in the crash, but has recovered.

School Buses, Tractor Trailer and Car, Other Vehicles Crash in Fog

Three accidents were reported near Kewaskum Tuesday morning due to the heavy fog which blanketed the area.

A tractor-trailer operated by Fred O. Wesenberg, R. 2, Kewaskum, and an auto driven by Marvin C. Kleinke, Kewaskum, crashed in extremely foggy weather at about 5:15 a. m. Tuesday as Wesenberg pulled out of a driveway about a half mile south of Kewaskum. Wesenberg was pulling out from the Lawrence Bohn lot, where he parks his trailer, onto Hwy. 55 when Kleinke, traveling south on the highway on his way to work at Milwaukee, crashed into the vehicle. Kleinke, who was injured in the mishap, was removed to St. Joseph's hospital, West Bend, in the firemen's ambulance.

At 6:55 a. m. Tuesday two Johnson school buses collided on Hwy. H about two miles west of Hwy. 45, southwest of the village, in the fog. The accident occurred when a bus operated by Victor Fred Arnold, 41, R. 2, Kewaskum, stopped before making a left turn and was struck in the rear end by another Johnson bus operated by Roger A. Heberer, 27, of R. 2, Campbellsport.

Another crash occurred at the bus accident scene when Joseph John Kudek, 49, of R. 2, Kewaskum, slowed down at the accident scene and his car was struck by an auto driven by Basil Darwin Tillou, 21, of R. 3, West Bend. Visibility was extremely poor at the time because of the heavy fog, but officers reported flames were burning and two men were flagging traffic when the second mishap occurred at 7:20 a. m.

Pooped Chevs Lose At West Bend, 69-61

The busy Kewaskum Chevs lost a Land o' Lakes league game at West Bend Sunday night, 69-61, which ordinarily they should have won without too much difficulty. But they had already played a game in the Mt. Calvary Invitational tournament, which was a rough affair, and left them pretty well beat, so that they didn't come near their standard brand of basketball in the evening. The Chevs also played in the tourney Friday night.

West Bend led at the half, 32-27, and was ahead most of the game by a few points. The tired Chevs were charged with numerous fouls, 21 in all, and lost two players, Krueger and Felix, on five per-

sonals. Two others had four and another three fouls. The Lithias were charged with only 14 personals.

Oddly, Kewaskum scored 16 points in each one of the first three quarters, while West Bend scored 16 in the first and third periods. Therefore both teams scored 16 in the first and third quarters and the Lithias won by outscoring the Chevs in the second and final stanzas.

Good shooting by the Giombetti boys sparked the West Bend win. Tom burned the nets with 31 points on 14 field goals and three free throws, while brother Bob pumped in 24. Tom Larson with 18 points and Don Meisenheimer with 16 paced the losers.

This Saturday night the schedule calls for Menomonee Falls playing at Kewaskum but this

game has been postponed because of a scout magic show in the gym, also because Falls in competing in a tournament that night. So the Chevs will not have a game this week and will welcome the rest.

Indians Stun Leading North Fondy in Upset

The surprising Kewaskum Indians gave North Fond du Lac's championship aspirations a serious blow here Friday by edging the Orioles, 58-57, as contenders Pewaukee and Campbellsport posted wins in the Scenic Moraine conference.

The loss dropped Fondy into a first place tie with Pewaukee and moved the fast-finishing Bells to within a game of the lead. North Fondy and Pewaukee meet in the season's finale next week and the outcome will probably decide the championship.

A second quarter splurge gave Kewaskum a seven point advantage to take the cliff-hanging upset. After trailing 18-14 at the quarter, the Indians outscored the Orioles, 20-13, in the second period to possess a 34-31 halftime lead.

Fondy fought back in the third stanza to score eight straight points under the firing of Gerry Risky and Terry Moore. But once in the lead, the team ground to a standstill and the Indians' Bob

Berg and Ron Gross evened the quarter at 13-13 by putting in two baskets apiece.

North Fondy outscored Kewaskum in the final period, 13-11, but failed to tip the lead in its favor. The Indian attack was sparked by Dave Oppermann, Kons Sadownikow and John Thorn, who scored 13, 12 and 10 points respectively although the Orioles' Risky and Moore were high point men with 24 and 13.

Tonight (Friday) Kewaskum faces another major obstacle when they entertain Pewaukee, which is tied for the lead. An upset could give first place back to the Orioles, who should beat Germantown. This will be the Indians' last home game of the season, which ends at Random Lake next Friday.

Chevs Lose Two Close Games in Tournament

The Kewaskum Chevrolets entered the Mt. Three games were played in the tourney Thursday night, three Friday night, three Saturday afternoon, three Saturday night, three Sunday afternoon and three Sunday night. The same schedule is being played in the second round this week end.

Friday night the Chevs were nosed out by the Quasius team of Sheboygan, 60-58, in a barn-burner. High scorers for Kewaskum were Tom Larson and Don Meisenheimer with 16 points each and Al Tennes, a loanee from West Bend, with 10. Hogan, with 22 points, and Strajns with 20, sparked Sheboygan.

ternoon at 2:45 the Chevs were again shaded, 63-60, by St. Cloud. Top point men for Kewaskum were Larson with 22 points, Meisenheimer with 18 and Augie Bilgo 11. Pacing St. Cloud were John Horn and Erling with 16 a piece.

Around the Town

Stunning likeness of yours truly above, don't you think? Why the cat? We figure most of the junk we write is strictly for the cat.

This can't be spring already. 42 degrees outside at this writing Wednesday and it's been like that all week. Most of the little snow we had is gone again. Sure don't envy those people in the east buried under the snow. Seems like the eastern and southern states got the snow meant for us and which we got the past two years. Sure glad we don't live in one of those snowy states. Like the Sentinel said, this is Banana Belt weather.

Short and sweet—Mr. and Mrs. Silver Dollar of Frontenac, Kans. named their new daughter Penny...looking for a fast ride? The average star travels 25 miles a second...outgoing White House press secretary James Hagerty told incoming press secretary Pierre Salinger: "God Bless you—and God help you!"...because lambs are rare in Labrador, one teacher revised the nursery rhyme to "Mary had a little seal"...a young lady in Towson, Md. has disclosed that her hope chest contained ten books of trading stamps...actor Maurice Chevalier says old age isn't so bad when you consider the alternative...excluding man, the elephant lives longer than any other mammal (strange the welfare boys haven't cut him in yet for social securi-

ty)...a shoe shine costs a nickel in Hong Kong (but that's too far to go)...a good toastmaster is one who knows when to pop up and when to pop down...the United States' southernmost point is no longer Key West, Fla., it's Ka Lae, Hawaii...isn't prosperity something you feel, fold and forward to Washington?

See Bill Zacho had his fishing radar in operation at the fisheriee at Long lake the other Sunday. He won a prize for catching the most fish. Laying on the ice they looked like someone had tipped over the minnow bucket. (Credit in part for this item to Tiny Terllenden).

Tuesday, St. Valentine's day, the gals and wives will be reaping in heart-shaped boxes of candy, flowers, etc. Valentine's Day is strictly a one-sided occasion. The all but forgotten male should get a return gift sometime—even if it's only a monogrammed shoe-horn.

Physicians say that 15 million women are overweight. These must be round figures. It is time they start mending their weighs.

Fishermen are looking forward to the opening of the sturgeon season on Winnebago Saturday. The conservation department

this year is offering a \$10 reward to all spearers who register a tagged sturgeon. Approximately 2,500 sturgeon over 40 inches are now carrying numbered tags in the lake. Speaking of sturgeon spearing reminds us of a story that made the rounds here a few years back. Two old friends were talking in a bar when one said he wondered how it was possible to catch a sturgeon and bring such a big fish through a hole in the ice. His companion, evidently not very familiar with the sport, shot back with the answer, "Oh, when they swallow that spear once they don't get away so easy." This is a true story.

Remember, this country wouldn't be in such a mess today if the Indians had adopted more stringent immigration laws.

Make sure that the ground around your house slopes six inches in 12 feet to carry the water away from the foundation.

Mrs. Vilas Ludwig has returned home from the hospital and is well on the road to recovery.

Mr. and Mrs. Richard Trapp visited Thursday evening with Mr. and Mrs. Dan Uelmen at Random Lake. Their son Gerald, who had been spending several days there, returned home with them.

Mr. and Mrs. Art Trapp and Mr. and Mrs. Dan Trapp and son of Milwaukee and Lloyd Romaine of Fond du Lac visited Mr. and Mrs. Richard Trapp Saturday.

Mr. and Mrs. Frank Bowen, in company with Mr. and Mrs. Jerome Bowen of Dundee, were

guests at a dinner at the Hob Nob Saturday evening in honor of their daughter Dolores' birthday. She is Mrs. Alex Ullrich of Plymouth.

Frank Klostermann and Mr. Jacobs of Campbellsport attended a perspective membership dinner at the town hall at Fond du Lac Wednesday evening. The same evening Mrs. Frank Klostermann called on Mrs. Harold Bosin at North Fond du Lac.

Mrs. Dave Arnt left Monday afternoon for Waukesha after spending the past week with her parents, Mr. and Mrs. Vilas Ludwig.

Recent visitors at the Geo. H. Meyer home were Mr. and Mrs. Leo Ketter, Joanne and Mark, Mr. and Mrs. Lud Fuller and daughter Carol, Mr. and Mrs. John Meyer, Karen, Jimmy and Joey of Campbellsport, and Henry Uelmen of Plymouth.
