## Student Is Finalist In National Merit Scholarship Program

ROBERT N. KRONCKE, SENIOR  
IN HIGH SCHOOL, AWARDED  
CERTIFICATE OF MERIT

A senior at Kewaskum Community High school has been named a finalist in the 1960-61 National Merit Scholarship program competition and has been awarded a certificate of merit.

Principal C. M. Rose announced that Robert N. Kroncke has received the certificate which attests to his high academic promise.

Kroncke attained finalist status by his distinguished performance on two tests and upon endorsement by their high school. About six-tenths of one per cent of the seniors in each state received the awards. Approximately 9,800 students in the 50 states and in United States territories were honored.

"The certificate of merit winners represent our most valuable national resource. Our talented youth," said John M. Stalnaker, president of the National Merit Scholarship Corporation. "These exceptionally able students deserve the recognition and encouragement of every citizen concerned with the future of America."

The merit scholars, to be announced April 27, 1961, will be selected from the finalist group. They will receive scholarships from the resources of the National Merit Scholarship Corporation and from sponsoring business corporations, foundations, associations and individuals. In 1959-60, 115 sponsors participated in the merit program.

The names of all who achieved semifinalist status in the competition were published in a booklet which was then distributed to colleges and other sources of scholarships and financial aid. Previous experience indicates that more than half of the finalists will be offered assistance from sources other than the merit program.

Recipients of National Merit Scholarships and some sponsored scholarships are chosen by a selection committee composed of experts in academic selection. Recipients of other sponsored scholarships are chosen by special judging teams convened by the sponsors of those scholarships. High school grades, recommendations by high school officials, leadership, citizenship and extra-curricular (Continued on page four)

## VALVE BURNERS CAR WASH ADDS \$38 TO TAP DRIVE

The Valve Burners hot-rod club of Kewaskum, which sponsored a car-wash several weeks ago for the March of Dimes campaign, turned over \$38 to the TAP chairman last week. Ralph Murre, vice-president of the club, presented the check to Diane Becker, Kewaskum county TAP head, in the presence of Hugh Carpenter, adult TAP chairman in the county. The Valve Burners club is a sanctioned group of young people that promotes courteous driving through its strict rules.

## Exchange Student from Sweden, Kerstin Andolf Talks to Woman's Club

Life in Sweden and the views of a foreign exchange student were revealed to members of the Woman's club Saturday, Feb. 18, when Miss Kerstin Andolf addressed the club. Senior girls from Kewaskum High school and their mothers were also invited to hear Miss Andolf.

Kerstin, who is a senior at West Bend High school this year, takes a language course in Sweden and plans to teach languages after she completes further schooling. She has studied English since she was ten, German since she was twelve, and Latin and French since she was fourteen. Other subjects of her six day school week are religion, history, Swedish, art, music and gym. Religion is taught in the schools as Sweden has a Lutheran State Church.

Coming to America on the boat was a wonderful experience according to Kerstin. She traveled with 1,000 A.S.F. students coming to the United States to study this year. Ninety of these students came to Wisconsin and are attending seventy different high schools.

During the business meeting, the club gave a donation to the Heart Fund and voted to place a new book in the library. "The Gentle Legions," which is one of the most controversial books to be published in 1961. Mr. Carter's outspoken opinions are the result of independent study and research and they are independently and fearlessly expressed. The result is a book that is both an eloquent and a constructive appraisal of what voluntarism and community action in the health field have and have not accomplished.

## Father-Daughter Night Held By Kiwanis Club

At the regular meeting of the Kiwanis club on Monday evening, Feb. 20, at the Republican Hotel the annual father-daughter night was held.

It has been customary that once each year the Kiwanians invite their daughters to be their dinner guests at a regular meeting of the club.

Walter Wesenberg, club vice-president and program chairman for 1961, presented Dick Mehring of West Bend who provided a very interesting and entertaining magic show which was enjoyed by Kiwanians and daughters alike.

At a later date a similar meeting will be held for the sons of club members.

## GIRL INJURES BACK IN MISHAP IN SCHOOL GYM

Sandra Esterline, 14, daughter of Mr. and Mrs. Doyle Esterline of Kewaskum, a student in the local public school, suffered a back injury when she apparently slipped while "tumbling" in a gym class at the school Wednesday morning. She was taken to St. Joseph's hospital, West Bend, in the local ambulance for examination and x-rays.

## Canvass for Funds to Be Made in Village on Heart Saturday, Feb. 25

This Saturday, Feb. 25, is Heart Saturday.

On this day a volunteer group of workers will conduct a door-to-door canvass in Kewaskum for contributions to fight diseases of the heart and blood vessels, the nation's number one public health enemy. Local volunteers will conduct the annual Wisconsin Heart Association Heart Fund appeal here.

R. G. Edwards, M. D., who heads the drive here said Al G. Hron, Sr. and Arnold Prost have been appointed to serve as Heart Saturday chairmen.

The mass house-to-house collection here will be similar to Heart Saturday solicitations being conducted in over 10,000 communities from coast to coast by more than 1,500,000 volunteers at approximately the same time.

"Your gift, which you can seal in a Heart Saturday envelope the volunteer will hand you, will strike a blow at the diseases which took more than 900,000 American lives last year—54 per cent of the total deaths in the country," Dr. Edwards said. "Give generously for every heart in your family," he urged.

Our volunteer army, as in previous years, will consist of men and women who feel that the fight against heart and blood vessel diseases is worthy of a few hours of personal effort in addition to their own contribution," he said.

Heart Saturday will climax the month-long 1961 campaign which began Feb. 1. Proceeds from the drive make it possible to continue and expand the Heart association's programs of research, community service and education in the fight against the heart diseases.

The Wisconsin Heart association sent six trained heart specialists to hold a full day's clinic at St. Joseph's hospital, West Bend, on Nov. 17, 1960. Over 75 children and young adults were thoroughly examined for heart damage and appropriate advice for follow-up care was sent to each family doctor in our area. This big free clinic was made possible only because of our annual Heart Fund campaign, now in progress. Give generously, give today.

## BUSINESSMEN MEET. PLAN DAIRY DAY EVENT MAR. 25

Fourteen members of the Kewaskum Business association attended the monthly meeting of the group at the municipal building on Monday evening.

Further plans were made and discussed for the annual Dairy Day event to be sponsored by the association on Saturday, March 25. The committee in charge reported that thus far "Miss Wisconsin" and Sen. William Proxmire had accepted the invitation to attend the event.

It was decided to hold another Shoppers Club Number Hunt sometime after Easter. Other business and promotions were discussed.

## Local Girl Seriously Burned When Brother Sets Fire to Nightie

Little Valerie Janes, three-year-old daughter of Mr. and Mrs. Bruce Janes, who reside in a trailer at Johnson's Trailer Camp just south of the village limits, was seriously burned over a large portion of her body in an accident in the family trailer home early Wednesday.

The child apparently was burned when an older brother, who was playing with a lighted candle, accidentally set fire to the girl's nightgown, according to the attending physician. The girl's father also suffered burns to his hands in extinguishing the blaze.

Valerie, who incurred first, second and third degree burns, was taken to the "Burn Center" at St. Mary's hospital in Milwaukee for treatment.

Mr. and Mrs. Janes have four children, two boys and two girls.

## Woman Thrown from Car, Hurt in Mishap

Mrs. Regina Morgan, 51, of 1204 E. Burleigh st., Milwaukee suffered face, jaw, rib, back and hip injuries when she was thrown from a car operated by her husband, Charles F. Morgan, 44, when he lost control of his vehicle on County Trunk Highway H about four miles west of Kewaskum Sunday afternoon. Morgan suffered lacerations about the right eye. Both were removed to St. Joseph's hospital, West Bend, in the firemen's ambulance.

The accident occurred when Morgan braked his auto as he approached an intersecting town road and lost control of the machine which skidded into the ditch on the south side of the highway and struck an embankment.

A second accident occurred at the same scene when a car driven by Gary Bohn, 18, of Kewaskum, traveling east on CTH H, came over a hill near the Morgan crash scene. Seeing cars parked in the road at the scene, Bohn braked his car and skidded into the ditch on the north side of the road and came out on the roadway and intersection of the town road.

## Births

PESCH—A daughter to Mr. and Mrs. Eugene Pesch, R. 1, Kewaskum, Wednesday, Feb. 22.

PERKINS—A daughter to Mr. and Mrs. Marvin Perkins, R. 1, Allenton, Wednesday, Feb. 22. He is a son of Mr. and Mrs. Dorwin Perkins, Kewaskum.

KOUGL—A daughter to Mr. and Mrs. Robert Kougl, Main st., Kewaskum, Monday, Feb. 20.

STRAUB—A daughter to Mr. and Mrs. Norman Straub, Campbellsport, Tuesday, Feb. 21.

## LIBRARY NOTICE

The library will be open from 9 to 12 o'clock Saturday morning, in addition to the Monday, Wednesday and Friday regular hours, starting on Saturday, Feb. 25.

2-24-2

## Gas Siphoned Out of Local Cars, Milwaukee Youths Are Arrested

ENCYCLOPEDIA SALESMAN  
ALSO ARRESTED BY  
LOCAL POLICE

Two Milwaukee youths, ages 17 and 18, were arrested by Chief of Police Roland Pledl Saturday night after admitting they siphoned gasoline out of a car owned by Anthony Vorpahl of 2344 Prospect ave.

Vorpahl arrived home with his brother-in-law in the latter's auto to find a hose protruding out of the gas tank of his parked car and leading into a can. While they were investigating another car drove into the driveway but upon spotting them quickly backed out and sped away. Vorpahl gave chase and obtained the license number of the auto, reporting it to Chief Pledl about 9:30 p. m.

Chief Pledl looked up the license number and discovered that the car belonged to a Milwaukee youth. Knowing that a large group of Milwaukee youths were camping at Mauthe lake over the week end, he began his search there and immediately located the car. The arrest followed only about an hour after the theft was reported.

The 17-year-old youth was turned over to juvenile authorities and the 18-year-old was charged with larceny and was taken to the Washington county jail at West Bend. Later he posted \$56.00 bond and was released until the time of his appearance in court before Judge Robert Stoltz in Kewaskum on Mar. 2, at 9:30 a. m. The gasoline can and hose were confiscated.

Another complaint was received by Chief Pledl at 2:15 a. m. Monday of someone attempting to siphon gas out of a car at the Henry Stern home on River View dr. at the northeast village limits. When Chief Pledl arrived at the scene the thief ran off into an adjoining woods and made his getaway. The chief reported that Elroy Hron of 1402 River View dr. also complained that a number of gallons of gas were siphoned from his car parked on the street one night this week.

Last Wednesday night at about 9:30 o'clock a Milwaukee man, who gave his address as the Belmont Hotel in that city, an encyclopedia salesman, was arrested by Chief Pledl for soliciting in the village after dark without a permit as well as using high pressure tactics and frightening residents. He furnished bail and will be tried at the next session of court in the village by Judge Stoltz on Mar. 2.

## FARM ORGANIZATION TO HOLD KEWASKUM MEETING

All farmers are invited to attend a meeting of the National Farmers organization for "collective bargaining of farm products" at the Legion hall in Kewaskum at 8 p. m. Thursday, Mar. 2. Dominic English, national director of the organization, will address the meeting.

## 25 Years Ago

The Kewaskum Statesman  
Feb. 21, 1936

Oscar Hirsig, an employee of the Kewaskum Creamery Co., was painfully burned at the plant when steam used to heat milk cans was accidentally discharged from a hose right into the young man's face. His face and chest were severely scalded but the most pain was to one of his eyes, which he narrowly escaped losing. He is recovering rapidly at his home.

Harry Schaefer of Schaefer Bros. garage, local fire chief, was taken suddenly ill and after examination by a local physician, was found to have an attack of appendicitis. He was operated at St. Agnes hospital, Fond du Lac.

Miss Maude Hausmann, who teaches German at Leland-Stanford university, Palo Alto, Calif., arrived for a visit with her parents, Dr. and Mrs. N. Edw. Hausmann.

Rev. Richard M. A. Gadow of this village held the lucky ticket which won the genuine Speed Queen washing machine given away by A. G. Koch, Inc.

K. A. Honeck, owner of the Chevrolet garage, and dealer in Chevrolet and Buick cars, purchased the former Schaub garage building on Fond du Lac ave. from the owner, Mrs. Lawrence Guth of West Bend. The building will provide ample room for his increasing business and will feature a first class show room. The former garage will continue to operate as a Standard Oil Co. filling station.

The Rev. and Mrs. Gustav Kanless of the town of Scott have announced the engagement of their daughter Ruth to James W. Nehring, son of the A. E. Nehrings of Chicago.

Plans for Fond du Lac county's 1936 highway improvement are under way. Among the highways to be asphalted is County Trunk V, the old Fond du Lac road, which is the direct route from the overhead bridge, just north of Kewaskum, to Fond du Lac.

FIFTY YEARS AGO

Feb. 18, 1911  
Dr. Karl F. Hausmann of this village and Miss Ermine Weinand of West Bend perpetrated a clever surprise on their friends when they were married by Judge A. C. Backus at Milwaukee.

Brandt's Hotel is now being kept busy as there are a number of tramps looking for lodging most every night.

Arnold Prost, who is attending a business college at Milwaukee, visited his parents.

Edward P. Mayer, who has been employed as clerk in A. G. Koch's store, the past two years, resigned and returned to Newburg.

H. Goldschmidt and Chas. Buss left for La Crosse where they will change a hot water heating system to a steam heating system in one of the hotels.

The dedication of St. Martin's church at Ashford took place.

Jacob Schaeffer of the town of Wayne was operated for hernia at Heidner's hospital, West Bend.

The epitaph of many luckless drivers should read: "I wasn't paying attention!" The Institute for Safer Living states that accidents never happen in slow motion. They occur with bewildering suddenness—often within brief seconds while the driver's attention is distracted elsewhere. Remember that your safety depends upon your ability to act quickly. Look ahead, stay alert, preplan your moves, don't wait until the last moment.

Everything comes to him who hustles while he waits.

### PAUL DEAN TWINS BAPTIZED SUNDAY

The twin daughter and son of Mr. and Mrs. Paul Dean, Jr., Kewaskum, were baptized on Sunday afternoon by the Rev. John T. Budde in Holy Trinity church. David Edward was the name given the boy and his sponsors were Edward Miller, Jr. and Clare Miller. Denise Ellen was the name the girl received and her sponsors were Ted Miller and Mrs. John McElhatton.

Guests entertained at the home of the maternal grandparents, Mr. and Mrs. E. E. Miller were: Rev. Budde, the godparents, the paternal grandparents, Mr. and Mrs. Paul Dean, Sr., West Bend; the John McElhatton family, the Lloyd Dean family, Boltonville; the Henry Kempf family and Tom Dean and friend, West Bend, and Miss Sharon Babcock, Neenah. The occasion also marked the second birthday of the Deans' son, James.

Look closely at a \$5 bill for names of 26 states.

(Continued from page one)  
activities are considered as well as test scores.

Merit scholarships are four-year awards, and carry stipends that range from \$100 a year to \$1,500 a year. Each stipend is individually determined on the basis of need. The amount is based upon family resources, summer earnings, and college costs, all of which vary for each winner.

Most merit scholarships also are accompanied by grants to the colleges. Each student chooses his college and course of study. Gaining admission to college is the responsibility of the student.

The National Merit Scholarship Corporation was established in 1955 through grants from the Ford Foundation and the Carnegie Corporation of New York. The current program is the sixth that has been conducted. There are 3,132 merit scholars enrolled in 391 colleges in the current academic year, and 491 merit scholars have been graduated.

The seventh program will begin in March, when the National Merit Scholarship qualifying test will be given in the participating high

schools. More than 15,000 high schools participated in the 1960-61 program.

**Ambulance Calls**

Saturday, Feb. 18—Danny Robbin, 2004-A W. Vine st., Milwaukee, removed from office of Dr. R. G. Edwards, Kewaskum, to St. Joseph's hospital, West Bend, after suffering an attack at Mauthe lake where he was camping.

Sunday, Feb. 19—Mr. and Mrs. Charles F. Morgan, 1204 East Burleigh st., Milwaukee, removed from County Trunk Hwy. H, four miles west of Kewaskum, to St. Joseph's hospital with injuries suffered in an auto crash. (Details in separate item).

Wednesday, Feb. 22 — Sandra Esterline, Kewaskum, removed from Kewaskum public school to St. Joseph's hospital with injuries suffered in a fall. (Details in separate item).

Wednesday, Feb. 22 — Ambulance called to scene of accident on Hwy. 28, two miles east of Kewaskum, where U. S. Army recruiting car occupied by three army personnel members left the road and rolled over in a ditch. Services of ambulance were not

required although one man was injured.

Thursday, Feb. 23—Mrs. Mayer, 425 S. 8th ave., West Bend, removed from Wm. Schmidt home, West Bend, to St. Joseph's hospital for Techtman-Myrhum Ambulance Service.

Wisconsin now has 36 counties participating in the Farm and Home Development program.

*What's That?*

Well, son... prejudice is an infection of an attitude that tears away at the hearts and minds of men who want respect for themselves but are not willing to give it to others. They have the idea that because of the color of their skin, religion or national origin... they have more rights than others do. Many people who are prejudiced won't admit it. They say they believe in Brotherhood, but don't act that way in dealing with people. For you I pray... that you will learn about Brotherhood first, so that the infections of prejudice will not be able to claim you. I pray that you may grow up in a world free of petty hatreds, discrimination, bigotry and prejudice. That your world will be one of love and understanding among all people everywhere.

### 4-H Club News

#### THE WAYNE CRUSADERS

The Wayne Crusaders 4-H club meeting was held on Feb. 7 at Wayne Center school at 8 p. m.

Our club responded to roll call by each member reading his health rules by the charts they made. The health charts were such a success that we decided to make the charts for the rest of the year. Mrs. Arthur Terlinden put a gold seal on each chart that was completed.

We also appointed a health committee which will put up a window display at Petri's store. The committee is Susan Gutjahr, Mary Maul, Delbert Miske and Dale Darmody.

Dennis Terlinden gave an interesting demonstration on proper posture. Each member then followed Dennis' example of proper posture.

After the record sheets were passed out we sang songs. We sang "Swing Low Sweet Chariot" and "Tell Me Why," directed by our song leader, Mrs. Armond Mertz.

The Rolan Maul and Edgar Miske families served ice cream cups and Valentine cookies.

Charles Williams, Reporter

The winter season is the time of year when there are more hours of darkness — and when pedestrian accidents increase. The American Automobile Association Wisconsin Division reminds motorists to be aware of shoppers loaded with bundles. Be extra alert in bad weather. Drive cautiously through unlighted intersections. It's up to you as a driver to avert pedestrian accidents.

Overwatering will cause house plant leaves to yellow and drop off one by one.

### In Our Mailbox

Feb. 15, 1961

Kewaskum Newspaper  
Kewaskum, Wisconsin  
Sirs:

We are trying to find the people of U. S. Army Sp/4 William G. Stough, who in 1953 was stationed at Stoneman, Calif. Later in 1954 he was shipped to Japan.

It's very important we talk to the Stoughs now. Could you please print this letter in your Letters to the Editor box?

Also, if there is anyone who could or would help us find Mr. and Mrs. Stough, please write and let us know. Thanks.

Mr. and Mrs. Worthan  
115 Holly Circle  
Ceres, Calif.

#### GIRL SCOUT NEWS

We started our meeting at 4:00 o'clock with the Girl Scout promise and pledge of allegiance. We made pins for our glass badge. On Monday the 11th, the Girl Scouts gave the Boy Scouts a birthday party. We started planning for our program for the potluck in March. We ended our meeting with taps.

Scribe, Karen Groh

Wisconsin hogs marketed for slaughter last year averaged 6½ months of age and 222 pounds.

#### \$1,606 PAID IN BOUNTIES IN COUNTY IN 1960

In the year 1960, the office of the Ozaukee county clerk bountied 135 mature and 45 fox kits for a total of \$765.00 in state and county bounty. Washington county bountied 290 mature and 78 fox kits, for a total of \$1,606.00 in state and county bounty.

This past Friday an article in the Milwaukee Journal indicated that Crawford and Vernon counties have abolished bounties and that the Grant county board would do so on Feb. 20. They had appropriated \$6,000.00 for bounties for 1961, and as of Feb. 17 it was about used up.

Hunters and trappers like to bounty their animals where they receive the most money. It is possible that some of these animals may move east to counties that pay bounties.

All fish shanties must be removed from the ice on or before March 5. This regulation affects all waters south of State Highway "64".

Each year it is necessary to make arrests for violation of this

regulation; in most instances it is just a case of an individual failing to take care of a responsibility. An appearance before a judge with the usual fine and costs usually impresses upon the individual that he does have such a responsibility.

Some years, travel on the ice is good and removing the shanties is no problem, probably this is one of those years. However, don't forget the late winter snows of two years ago and the difficulty experienced by many in removing their shanties.

You definitely have a responsibility to remove your shanties from the ice on or before March 5, so we believe it is just good common sense to prepare for it now. If you are no longer using your shanty—get it off the ice now. If the weather or the weather reports are threatening—get your shanty off the ice—or at least in near to shore where it is easier to get at when the date of March 5 is approaching.

If yours is a sturgeon spearing shanty and used exclusively or primarily for that purpose, take it off the ice with you the last day of the sturgeon season or your last trip out. At that time, if there is deep snow, there are usually roads plowed on the lake or at least equipment available for such plowing. But if you wait, you could have a real problem in getting to your shanty—let alone removing it.

#### LIQUOR LICENSE APPLICATION

Notice is hereby given that Gilbert Korth has made application for Class "B" Combination Liquor and Fermented Malt Beverage License in the Town of Kewaskum for the period from March 1, 1961 and ending June 30, 1961 at the location described as the South End of Riverview Drive in Section 10, T12 R19E.

Said application will be acted upon at a meeting of the Town Board to be held in the Town Clerk's office on Monday, Feb. 27, 1961 at 8:00 p. m.

A. H. Seefeldt, Town Clerk

#### LIQUOR LICENSE APPLICATION

DRIVE CAREFULLY!

## New '61 Chevy with Jet-smooth ride!

Impala 4-Door Sedan—Jet-smooth traveler that rivals the luxury cars in everything but price.

The '61 Chevy loves to go because it goes so well. Purrs along pavements like a happy tabby. Takes rough roads in stride and all roads in style.

Just why does a Jet-smooth Chevy treat riders as royally as the high-priced luxury cars? It all came about through a delightful blend of Full Coil suspension, precision-balanced wheels, unique chassis cushioning, and a superb Body by Fisher insulated to hush away road sounds. All this adds

up to less sway, less jounce, less dip, less dive, less tilt, less noise, less . . . well you name it.

Now combine this Jet-smooth ride with conveniences to pamper you and roominess to relax in. Add a full measure of quiet good looks. Voila, you've got Chevy's formula.

And the proof is in the riding. When you sample a Jet-smooth Chevy at your Chevrolet dealer's we think you'll find it just to your taste.

See the new Chevrolet cars, Chevy Corvairs and the new Corvette at your local authorized Chevrolet dealer's

### Chevs Edged By Falls, Clobbered By Mayville

The Kewaskum Chevrolets reached two extremes the past week, very hot and very cold. They lost a heartbreaker to the strong Menomonee Falls five here in a makeup game Thursday night by one point, 87-86, and then took a 94-62 shellacking from lowly Mayville there Sunday night.

Strange how a team can be so hot one night to give Falls, the team which tied Beaver Dam for first place in the first half, such a close battle and almost upset them, then be way off and get trimmed by Mayville, the team that finished last in the first half, three nights later. The double setback dropped the Chevs to a tie for second last position.

The contest against Falls was a real barn-burner all the way with the teams never more than a few points apart as the Chevs played one of their best games of the season. The teams were tied 17-17 at the quarter but Falls took its biggest lead of the encounter at halftime, 43-37. Kewaskum battled back and narrowed the gap to 66-64 in the third period. They then scored 22 points to the visitors' 21 in the final quarter to come within a point of tying the count and two points of a big upset. Tom Larson, with 29 points, and Don Meiseneimer with 27 copped scoring honors. Best for Falls were Phil Timm with 25, Don Wrobbel with 19 and Paul Timm 18.

At Mayville Sunday the Chevs hit one of those nights when everybody was off and nothing clicked, while the opponents had an exceptionally "on" game. The first period went as it should with Kewaskum taking a 17-13 lead but from then on the Chevs could do no right. They were lopsidedly outscored in every one of the last three quarters and trailed 34-25 at the intermission and 60-42 at the third quarter's

### My Neighbors

"Five months picketing—any other experience?"

end before Mayville increased their margin to 32 points in the final stanza. T. Bartelt had a sensational night and ran away with scoring honors by pumping 41 points through the nets. A. Finke added 29. Kewaskum's leading scorers were held to some of their lowest totals of the season. Tom Larson, one of the loop's top scorers, was held to 12, while Augie Bilgo and Frank Krueger also made 12 and Meis 11.

The Chevs will jump from the frying pan into the fire this Sunday afternoon when they go to Beaver Dam to face the first half champs and current leaders in the second half.

#### LAND O' LAKES STANDINGS (Second Half)

Team	Won	Lost
Hartford	4	0
Beaver Dam	4	0
West Bend	3	1
Menomonee Falls	3	1
Kewaskum	1	3
Mayville	1	3
Horicon	0	4
Campbellsport	0	4

Results last week end: Menomonee Falls 87, Kewaskum 86; Mayville 94, Kewaskum 62; West Bend 89, Horicon 83; Hartford 92, Campbellsport 48; Beaver Dam 86, Menomonee Falls 82; Hartford beat Horicon in makeup game.

Games this week end—Saturday: Campbellsport at West Bend, Mayville at Horicon, Hartford at

Menomonee Falls; Sunday: Kewaskum at Beaver Dam.

### Indians Drop Final Game, Tie for Fourth

#### PEWAUKEE DEFEATS NORTH FONDY TO COP LOOP CHAMPIONSHIP

The Kewaskum Indians brought their regular season of play in the Scenic Moraine conference to a close last Friday at Random Lake, where they were trounced to the tune of 72-55, giving them a three-way tie for fourth place in the final standings with Grafton and Random Lake. All three have 6-8 records.

Pewaukee, which was tied with North Fondy for first place, won the conference championship by beating the Orioles in the finale before a large, vociferous home crowd which witnessed the deciding game. The score was 61-50 and gave Pewaukee's Pirates their first Scenic Moraine title since joining the loop.

Kewaskum, which throughout the season scored 820 points while giving up 851 to its opponents, trailed Random Lake at halftime, 34-27, and the Rams increased their margin as time went on in the second half. Random's superior rebounding gained them the victory.

The top scorer was the Rams' Hamm, who took honors with 23 points for the evening, followed by Arndt with 19. The best for

the Indians was Tom Bartelt's 14 points and Bill Koepke chipped in 10.

Kewaskum will now enter WIAA tournament competition. They will play Homestead High school of Thiensville-Mequon Monday night, Feb. 27, at 7:30 in the Cedarburg High school gym in a playoff contest, the winner to become eligible for the regional tourney there Mar. 2-4. (See separate item).

#### SCENIC MORAINES STANDINGS (FINAL)

Team	Won	Lost
Pewaukee	11	3
North Fondy	10	4
Campbellsport	9	5
Kewaskum	6	8
Grafton	6	8
Random Lake	6	8
Germantown	5	9

Slinger ..... 3 11  
Results last Friday—Random Lake 72, Kewaskum 55; Pewaukee 61, North Fondy 50; Campbellsport 87, Germantown 76; Slinger 57, Grafton 56.

#### IN MEMORIAM

In loving memory of our dear husband and father, Roman Keller, who passed away one year ago, Feb. 26, 1960:

So many things have happened  
Since you were called away;  
So many things you would enjoy,  
Had you been here today.  
So many things to share with you,  
Just as we used to do;  
So many fond, dear memories left,  
So many thoughts of you.  
Sadly missed by his wife Althea and sons.

## Around the Town

Lucky us. The snow passed us by again Saturday, which has been our good fortune all winter. While the northern part of the state had heavy snow and drifting and the Fox River Valley and other areas not too far north of us had freezing rain and sleet, we had mostly rain and drizzle with our warm temperature. Only a real light snow fell Saturday evening, all of which disappeared by Sunday morning. Like one fellow said, we had a quarter of an inch of snow and a half inch of salt (sodium chloride) spread on the roads by highway crews. Several more inches of snow were predicted for the northwest Thursday while we were supposed to escape again with only drizzle and fog.

Sure has been an exceptionally mild winter. With no snow on the ground and the temperature in the very comfortable and warm fifties again this week, the grass could start turning green any day now with this rain. Usually we are getting snowstorms at this time instead of rain and thunder showers like early last Friday.

It doesn't happen often that the ice skating rink on the river is closed already in the middle of February because the ice is unsafe and under water. Yep, the season is over.

We know it's early but all signs point to spring—Braves in spring training, Easter and spring elections approaching, spring and

summer catalogues arriving, beer on tap and bockwurst in the show cases, basketball tournaments, warm weather, long days and bright sunshine, skunks coming out of hibernation and getting killed on the highways, rope jumping and baseball playing, mothers wheeling the new crop of babies, hexashus, bicycles, tricycles and motorcycles whizzing by, convertibles with the tops down, spring jackets and coats, etc. Our neighbors of West Bend report seeing butterflies and playing golf and tennis. Only the fuel oil, rubbers, boots and long underwear dealers are kicking.

“Yassah,” said the little colored boy, “Ise named after both my parents. Pappy's name was Ferdinand and Mammy's name was Liza.”

What's your name, then?”  
“Ferdiliza.”

This is a stinking but appropriate joke right before seeding time.

We understand a new industry has begun operation in Kewaskum known as the Kuehl & Schaefer Doghouse Construction Co. Any dogs (or men) in need of a new doghouse see John or Harry.

Getting back to sodium chloride on the roads poses the question, are Wisconsin highways worth their salt? Everyone knows what it does to the finish of cars, rugs, carpets and floors among other things. But the salt does have its advantages as well if we're serious about traffic safety. It prevents skidding and has very noticeably cut down the number of

accidents since the highway commission adopted the “bare pavement in winter” policy in 1956, placing salt on the straight road as well as the curves, hills and intersections. More motorists each year expect and need to be able to go any place at almost any time, especially working men and women, school children, emergency vehicles, milk haulers, and the like and they depend on open roads during the winter. Until modern science comes up with new answers to the problem of icy roads, salt is still the most effective and economical method available to accomplish the primary aim of providing maximum traffic service to the public in wintertime. Remember, it was the citizens of the state who urged the ice-fighting applications on ALL portions of the highway to prevent serious accidents.

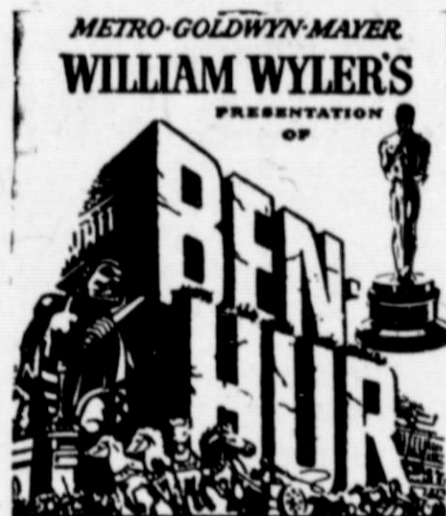

More signs like one we saw on a country road might also help prevent accidents. It read: “Drive carefully; there isn't a hospital within fifty miles.”

### MISS LAURA BAERTLEIN ENGAGED TO TOM LARSON

Mr. and Mrs. Edwin Baertlein, R. 4, West Bend, announce the engagement, of their daughter, Laura, to Thomas E. Larson, son of Mr. and Mrs. E. O. Larson of Hayward, Wis. Mr. Larson is a teacher in the Kewaskum public schools.

## Kewaskum in Regional Tourney at Cedarburg

The Kewaskum High school Indians of the Scenic Moraine conference have been assigned to the WIAA regional basketball tournament at Cedarburg, which will be held next week.

This will be Kewaskum's second year in regional tourney competition. Because of the large enrollment in the high school, Kewaskum no longer participates in district tournament play, as do the smaller high schools, but goes directly into regional action. Other schools in the Scenic Moraine conference must first compete and win in district tournaments before advancing to regional and sectional competition. Because of its mediocre 6-8 record this season Kewaskum must play off to gain the regional meet.

Game 1 of the Cedarburg regional will be played at 7:30 p.m. Monday, Feb. 27, between Kewaskum and Homestead High school of Thiensville-Mequon. The winner of this playoff game will advance, along with Cedarburg, Port Washington and West Bend.

These four remaining teams will be matched on the following dates:

Thursday, Mar. 2  
7:00 p. m.—Game 2: Team 1 vs. Team 3.  
8:30 p. m.—Game 3: Team 2 vs. Team 4.

Friday, Mar. 3  
7:00 p. m.—Game 4: Loser Game 2 vs. Loser Game 3.  
8:30 p. m.—Game 5: Winner Game 2 vs. Winner Game 3.

Saturday, Mar. 4  
7:00 p. m.—Consolation: Winner of Beaver Dam Game 4 vs. Winner of Cedarburg Game 4.  
8:30 p. m.—Championship: Winner of Beaver Dam Game 5 vs. Winner of Cedarburg Game 5.

West Bend should be favored to win the Cedarburg sub-regional meet. The Badgers placed second in the South Half of the Little Ten conference with a 10-2 record. Mayville should be the pick in the Beaver Dam sub-regional as they won the championship in the North Half of the Little Ten loop with an 11-1 record. It is very probable that these two schools will meet in the regional championship finals at Cedarburg next Saturday night.

## OK USED CARS

- SPECIAL—1958 THUNDERBIRD, ONE OWNER, LOW MILEAGE, SHARP LOOKING, SOLID BLACK
