## Plans Completed for Annual Dairy Day Event March 25

### Sen. Proxmire and Other Officials, Miss Wisconsin to Attend

TALENT SHOW, DAIRY QUEEN CONTEST, FREE MOVIE AND LUNCH, STYLE REVUE, PRIZES FEATURES

The Kewaskum Businessmen are rapidly completing plans for their third annual Dairy Day event which will be held on Saturday afternoon and evening, March 25, in the Kewaskum High school gymnasium, cafeteria and agriculture rooms. Plan now to attend this outstanding program, all of which will be free to the public.

Features of the event will include the appearance of national, state and county officials and agriculture leaders as well as Miss Karen Marie Fahrenbach, "Miss Wisconsin;" a dairy queen contest,

#### AUDITION FOR HOME TALENT SHOW MONDAY

An audition for the home talent show to be held on Dairy Day will be held at 3:45 p. m. in the Kewaskum High school band room on Monday afternoon, Mar. 13. Any and all ages are welcome to participate.

style revue, home talent show, many free valuable prizes, free noon dairy lunch, free movie for the youngsters, numerous exhibits, entertainment, music and other highlights.

The day's program will open at 11 a. m. when the many beautiful displays of regular merchandise and new products will be opened in the gym. Many of the merchants will give away free prizes and souvenirs. A free noon lunch will be served starting at 11:30 a. m. in the school cafeteria. Attractions and entertainment will be continuous throughout the day and evening.

The afternoon program will get underway at 1:15 p. m. with a half hour concert by the high school band, following which Maurice Hovland, Washington county agent, will take over the microphone. Appearing on the program will be George Groves of the University of Wisconsin, who will speak on "Future Trends in Milk Utilization;" State Sen. Wm. A. Draheim (Rep.), of Neenah, chairman of the Joint Committee on Finance of the Wisconsin Legislature, who will talk on "Wisconsin Taxes;" "Miss Wisconsin" and U. S. Sen. William Proxmire. Afternoon prizes will be given. The afternoon program will also include a food demonstration, style and dress revue in the cafeteria at 1:45 o'clock.

The evening program will open at 7:15 with songs by the high school chorus, followed by the home talent show and awarding of Kiwanis conservation awards at 7:30. "Miss Wisconsin" will again appear at 8:10 and will

(Continued on page four)

## First Snow Storm of Winter Buries Area

SCHOOLS, PLANTS CLOSED; FIERCE WINDS PILE UP HUGE DRIFTS

After several months of Indian Summer and a practically snowless winter, a vicious blizzard swept into this area and all of southern Wisconsin with a vengeance Wednesday, creating widespread havoc as it closed roads, schools and factories.

The storm dumped from 6 to 10 inches of snow in this village and vicinity, while Milwaukee and other areas south of here reported 12 inches or more, causing the death of 11 persons. The snow was accompanied by 25 to 30 mile an hour winds with gusts up to 45 miles, piling the snow into drifts of three to four feet. The swirling driving snow made visibility very poor for pedestrians and drivers to see any distance ahead. The storm sneaked in from the northeast about 8:15 a. m. and continued until night. Fortunately there was no previous snow on the ground or the storm would have piled up mountainous drifts and literally buried the area.

Schools in the county were closed, factories shut down, Lenten services cancelled, and scheduled events called off or postponed. Holy Trinity Catholic school, the high school and public schools closed at noon, while some schools in the area dismissed

(Continued on page four)

## Man Who Passed Bad Check Here Located

Police Chief Roland Pledl reported this week that Bob Harmon, who cashed a no account check in this village Feb. 18 has been located through the Walworth county sheriff's department.

Harmon cashed the check in the amount of \$25 at Stachia's Apparel, where he purchased a \$3.98 sweater and received \$21.02 change in cash. The check, which was drawn on the Lena, Ill. State Bank, was made payable to Harmon of R. 1, Genoa City, Wis. and was signed by James Miller.

Chief Pledl wrote Harmon a certified letter regarding the check and the letter was returned marked, "moved, no forwarding address." The chief then wrote Police Chief Jos. S. Adler of Genoa City, who called stating that he had Harmon in custody at the county jail in Elkhorn where he was being held on charges involving three other check cashing attempts.

On March 6 Chief Pledl applied for a warrant from District Attorney Richard Becker of Washington county, charging Harmon in connection with the Kewaskum incident, which he forwarded to Chief Adler at Genoa City. Harmon will face trial on Monday, March 13, at Elkhorn, on the charges.

## Green Bay Packers To Play Basketball Game Here Mar. 18

In one of the biggest basketball attractions ever staged here, outstanding stars of the Green Bay Packers football team, champions of the Western Division of the National Professional Football league the past season, will come to Kewaskum to play an exhibition game with the Kewaskum Chevrolets of the Land o' Lakes league on Saturday night, March 18, in the spacious high school gymnasium.

Members of the Packer squad include such famous former college and professional grid stars as Tom Bettis, linebacker; Lew Carpenter, halfback; Gary Knafelc, end; Bob Skoronski, guard; Bart Starr, quarterback; Fred Thurston, guard; Dale Hackbart (late of the University of Wisconsin), defensive back; Ray Nitschke, linebacker, and Babe Parilli, quarterback. The team is coached by Norb Hecker.

Game time is 8:00 p. m. and admission will be 75 cents for adults, 50 cents for high school students and 25 cents for grade school pupils. Advance tickets have been selling at a fast pace and a near capacity crowd is anticipated for this stellar attraction. Better get yours now. They can be purchased from Manager Leroy Bier, at Honeck Chevrolet, from Richard Zarling, grade school principal and at several local business places.

This appearance of the Packers here will afford everyone a close-up view of these football giants whom they have been viewing on the gridiron and television during the football season. Each of the Packers will be introduced individually prior to the game.

The Packers the past season were barely beaten by the Philadelphia Eagles, champions of the Eastern Division, in a playoff game for the national professional championship in December.

## 100 Donors Needed for Blood Bank Here Apr. 4

A heavy turnout of blood donors is needed to exceed the quota of 100 pints set for the mobile unit clinic in Kewaskum, which has been scheduled for Tuesday, Apr. 4, in the high school gymnasium. Hours for the clinic will be from 1 to 5:45 p. m.

A minimum of 100 pints of blood is needed now to maintain a sufficient reserve and replenish the supply in the Community Blood Bank. Withdrawals from the blood bank for the last year ran more than 1,000 pints.

Members of the Kewaskum Woman's club are making appointments for the mobile unit's visit. Call Mrs. Edw. E. Miller at 209 or Henry Rosenheimer at 29 for an appointment if you are not contacted. Volunteers are needed to reach the quota of 100 pints. Every donor signed up is urged to show up at the time he or she chooses.

Lunch will be served by members of the Women's Guild of Peace United Church of Christ.

## Kewaskum Host to District Music Festival on March 18

### Only 92 Votes Cast in Primary Election Here

NOMINATE HONECK, GORDON FOR COURT POST, FENELON ROTHWELL SCHOOL SUPT.

Only 92 ballots were cast in the village in Tuesday's primary election, the smallest number of votes recorded in a number of years. Less than 13 per cent of eligible voters in Kewaskum bothered to visit the polls and each vote cast was an expensive one, figuring the cost of election officials and other expenses.

Reason for the lack of interest in the election was the fact that nomination of candidates for only two state offices were voted on locally. In many other cities local candidates were up for nomination also. These will not be elected here until the spring election in April.

Stewart G. Honeck, former state attorney general, was the top vote getter in the village for the supreme court vacancy with 58 votes, followed by Myron L. Gordon with 28 and Christ Alexopoulos was a poor third with 6 votes. In the race for the state superintendent of schools post Angus B. Rothwell received the most votes with 41, followed by William J. Felelon with 20. Ralph M. Gibson 15, Frederick F. Frick 9 and Arlyn F. Wollenburg 6.

Honeck and Gordon were nominated in the state to compete for the supreme court post in the spring election Apr. 4. For the state school superintendent office Rothwell and Fenelon were nominated. Rothwell, 55, is superintendent of the Manitowoc school system and Fenelon, 41, is director of instruction in Whitefish Bay schools.

The total vote for Washington county in Tuesday's election was only 3,538. County voters followed the state trend in their balloting, with Honeck and Gordon being the top vote getters. Honeck tallied 2,224, Gordon 904 and Alexopoulos 153 votes. In the superintendent race county voters also followed the state pattern by casting most ballots for Rothwell and Fenelon. The totals were: Rothwell 1,488, Fenelon 654, Wollenburg 422, Gibson 399 and Frick 353.

#### AUTOS LEAVE HIGHWAYS IN ACCIDENTS IN AREA

A pickup truck driven by Albert Karl Stange, 51, R. 2, Kewaskum, left Hwy. 144-28 about a half mile north of Hwy. 84, struck a driveway culvert and rolled over early Sunday.

Swerving to avoid two cars approaching him side by side, an auto driven by Bill Brookins, 29, West Bend, left County Trunk Hwy. V a short distance north of Hwy. 45 near the Wm. Kohn farm and struck trees and brush along the highway.

Allan Fork, 810 1/2 5th st., Antigo, suffered injuries when the semi-trailer he was driving for Powell Farms of that city left

## Musicians, Vocalists From Ten Schools Will Participate

CONCERT GROUPS FESTIVAL WILL ALSO BE HELD HERE ON APR. 29

The long-awaited day for many young musicians throughout the Scenic Moraine conference schools is about to arrive. Climaxing a year's musical efforts for many individuals is the Wisconsin School Music Association District Solo and Ensemble Tournament for 1961 to be held in Kewaskum on Saturday, Mar. 18. Instrumentalists and vocalists from bands, choirs and glee clubs will enter over 50 different contest events as soloists or as members of an ensemble seeking coveted first division awards for their months of hard practice.

There will be every variety of brass, woodwind and vocal solo. A preliminary survey of entries also shows a diversity of piano, percussion and baton events. Highlighting the day of music making will be sparkling brass choirs, whimsical woodwind duets, trios and quartets, charming ensembles of girls' voices, airy madrigals, and the close harmonizing of male quartets.

The range of performers is from grade 7 - 12. Contestants enter according to ability in Class A, B or C. First ratings are possible in ALL classes. Class A entries who receive gold medals are eligible to participate at the State Festival in Madison later this spring. This honor is usually accorded to veterans of these yearly festivals who have worked themselves up through the ranks by diligent practice and conscientious membership in the school bands and choral groups they represent.

Rain or shine, bright yellow buses from Slinger, Waldo, Campbellsport, North Fondy, Port Washington, Pewaukee, Grafton, Germantown and Random Lake will be bringing their loads of eager and talented performers to Kewaskum early Saturday morning. The tournament will be held in the Kewaskum Community High school all through the day of March 18. The public is cordially invited. A nominal admission for the whole day's program will be asked.

The same schools will be in Kewaskum on April 29 for the Concert Groups Music Festival, involving the choirs, bands and glee clubs in another full day event, according to J. Lutz, music instructor at the local high school.

Hwy. 41, north of Hwy. 28, and reportedly rolled over three times in a ditch Wednesday afternoon. Fork lost control of his vehicle when he attempted to avoid striking a stalled car on the highway in a snowstorm. He was removed to St. Joseph's hospital, West Bend, in the local ambulance.

Easter Seals fight crippling.

## 25 Years Ago

The Kewaskum Statesman  
March 7, 1936

Charles Groeschel is the owner of a new Chevrolet car which was presented to him by his wife on his 60th birthday. In the evening a number of neighbors tendered him a surprise party.

Slot machines have disappeared from taverns, filling stations, drug stores and restaurants in Washington county as a result of an order by Sheriff Jos. Kirsch.

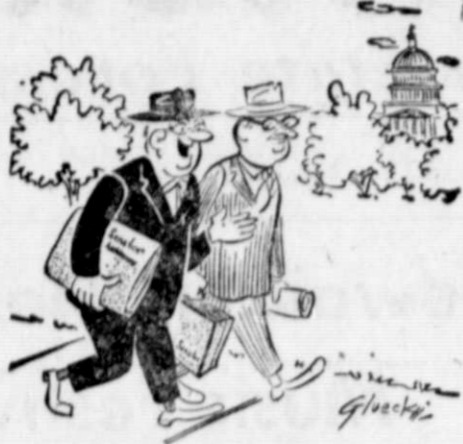

This area was gripped with a severe snowstorm and one of the coldest waves, ever recorded last week when snowdrifts piled up higher than automobiles in many places and the temperature dropped to 30 degrees below zero. Schools were closed, highway crews gave up the task of fighting drifts in the unbearable cold, doctors were kept busy treating frost bites, fire departments moved continuously fighting blazes caused by overheated stoves, train service was delayed and traffic stopped, and a number in the state died. The snow, from the numerous blizzards, now measures two feet on the level. Persons from here employed at West Bend were stranded there overnight. Highways were littered with abandoned trucks and automobiles as drivers took shelter in farm homes. The local hotel was filled to overflowing and motorists had to sleep in garages. Two creamery drivers, D. Perkins and Ralph Wollensak, made forced landings at Libertyville, Ill. and Racine.

Lehman Rosenheimer, Jr., who for the past six months has been employed with Marshall Field & Co. in Chicago, left for Watertown, So. Dak., where he has been promoted to assistant manager of a Marshall Field store.

Othmar Bonlender of St. Kilian, a graduate of Kewaskum High school and Marquette university, is now employed in the offices of Gehl Bros. Mfg. Co. in West Bend as traffic manager.

Lloyd Hron, Charles Miller and Ralph Kohn motored to Milwaukee Monday evening where they

## My Neighbors

"The beauty part is it won't cost a cent. We'll get it all out of tax money."

witnessed the six-day bicycle races at the auditorium.

FIFTY YEARS AGO  
March 4, 1911

What would be better than a curfew ordinance in this village? It certainly is a shame to see children roam around the streets after dark, and who knows what mischief they are in. Of late a practice has been made by the youngsters of attending charivari gatherings. Can this not be stopped? If the parents do not give it their attention, why does not our honorable Board of Trustees pass a curfew ordinance?

Miss Edna Smith is now employed in the L. Rosenheimer store.

Jacob Hassinger of the town of Ashford marketed to L. Rosenheimer's a load of dressed geese for which he received \$94.15. The load consisted of 44 very choice

geese weighing 670 lbs. These were the best and largest consignment ever received at Rosenheimer's. The market price paid was 14½ cents a pound.

The following program was given at the local high school: Debate: Affirmative—Herman Krueger, Will King, Elsie Guth; negative—Elwyn Romaine, Joseph Dworschak, Myrtle Schnurr; piano solo—Ethel Romaine; declamation—Alfred Schoetz; recitation—Viola Henning; reading—Lillian Krahn; declamation, Edward Guth; recitation—Alma Schleif; recitation—Jeanette Coulter; declamation—John Muckerheide; vocal solo—Josephine Ockenfels; recitation, Adolph Rosenheimer; reading—Agatha Laubach; recitation—Rose Schiltz; piano solo—Edna Guth; declamation—Maurice Rosenheimer; recitation—Alten Altenhofen.

J. B. Day sold his residence property on Fond du Lac ave. to Newton Rosenheimer.

Easter Seals help crippled persons regardless of race, color, creed or cause of crippling.

## Around the Town

Guess our luck finally ran out and the weatherman really gave us the shaft Wednesday. It was the first real snow of the winter and held out until just two weeks before the official arrival of spring. We've been expecting it for months and anyway it took a long time in arriving. No complaints, though, it can't last long at this time of year. The kids welcomed and enjoyed this rare thing called snow. It was even sort of a novelty for the grown-ups, too.

◆◆◆

Have to give the county and village crews credit for pushing the snow into the center of the streets this time. This saved residents on the main streets time and the back-breaking work of shoveling out the entrances to their driveways twice. The old way of pushing the snow to the sides you got your sidewalks and driveways shoveled out and whoosh, the plows piled 'em full again.

◆◆◆

The wide cracks opening up on Winnebago Saturday put the crimps on the ice fishing season and caught some fishermen unexpectedly with their flags down and shanties showing. It was the earliest date on record that the ice opened up due to the mild weather. The average date is Apr. 13. Veteran fishermen took notice the week before that the ice was getting honey-comb like and the fishing holes and cracks were washing out from underneath. They stayed off.

◆◆◆

One story left is about a fellow who heard so much about ice fishing he decided he would like to try it. Knowing nothing about the sport he asked a fisherman friend how to go about it. He was told to buy an ice bar, skimmer, tipups, lines, hooks, sinkers, etc. and some minnows for bait. The next day his informant asked him how he made out. He replied, "not very good, by the time I got a hole dug in the ice big enough to get the boat into it was dark."

◆◆◆

More signs of spring. Mrs. Pat Miller called to say that the martins had returned to their yard and she heard a cardinal singing. And assistant officer Marriner Frank held an outdoor barbecue at his place Sunday. No reports of robins here yet but we saw a hen pheasant in the yard next door Monday noon. Which doesn't mean a thing.

◆◆◆

A slightly inebriated husband came home late from work and handed his wife his pay envelope. "Where's the rest of it?" she snapped.

"I bought something for the house," he replied.

"How nice," she said, "what was it?"

"A round of drinks."

◆◆◆

Received our tickets Tuesday for the first WIAA sectional tournament ever held at West Bend this Friday and Saturday nights. The meet is a sellout since Wednesday and capacity crowds of 2,400 people will attend each night. This will really be a wing-ding of a tourney with three of the top ranked high

school teams in the state assigned to the meet. They are Milwaukee Lincoln (20-1), Milwaukee City conference champions, ranked second in the state's Big Sixteen; Cedar Grove (22-0), Kettle Moraine conference champs, ranked first in the state's Little Sixteen, and Mayville (18-1), Little Ten Northern Division champs, special mention in the Big Sixteen. West Milwaukee (7-12) of the Milwaukee Suburban conference is the fourth team. Lincoln, an all-colored team, is favored to win the tourney and again advance to the state tournament next week.

### CHIMNEY FIRE CALL

The Kewaskum fire department answered a chimney fire call to the Mrs. Lena Belger home, 1428 Park View dr. at 7 a. m. Saturday. The blaze was extinguished with no damage resulting.

Ventilate areas of high moisture in your home such as cooking areas, laundries, and shower rooms. This will cut damage from condensation.

## Annual Father-Son Night Held by Kiwanis

AFS STUDENT FROM BRAZIL IS GUEST SPEAKER

Nelson R. Wilbrick of Leopoldo, Brazil, was the guest speaker at the meeting of the local Kiwanis club Monday evening. Wilbrick is a senior at the West Bend High school under the auspices of the American Field Service foreign student exchange program. He resides with the Charles Hammer family of West Bend during his stay in this country. In his talk, Wilbrick gave a brief outline of

family life, school life, etc. in his native land of South America.

Wilbrick's appearance at Kiwanis marked the annual Fathers-Sons night of the local club. Once each year the Kiwanians invite their sons to be their dinner guests at a regular meeting of the club. A similar affair was held a few weeks ago for daughters of Kiwanis members.

Give hope and care to crippled children through Easter Seals.

## Ambulance Calls

Wednesday, Mar. 8—Alan Fork, 810½ Fifth st., Antigo, removed to St. Joseph's hospital. West Bend, from Hwy. 41 north of Hwy. 28 with injuries suffered when the semi-trailer he was driving for Powell Farms, Antigo, left the highway and turned over three times when the driver attempted to avoid striking a car stalled on the road in a snow-storm.

crown the Dairy Day queen at 8:30. The candidates for queen are Karen Krell and Kathleen Campbell, freshmen; Barbara Fickler and Lucy Boegel, sophomores; Mary Reindl and Elaine Redig, juniors, and Elaine Bruesel and Naomi Engeleiter, seniors. The queen will be selected by penny ballot with the funds going to the American Field Service program. Brief talks by Village President James D. Reigle and Frank J. Felix, Business association president, followed by the awarding of the grand prizes at 8:35 p. m. will round out the evening's program.

Also in the afternoon at 1:15 o'clock a free movie for the youngsters will be shown at the Kewaskum theatre. So there will be entertainment for the menfolks, the ladies and children.

Each year the businessmen attempt to bring in new ideas to the community that can be useful to the many people on farms and in homes who participate in the program. Companies are continuously bringing in new ideas and these ideas will materialize in the form of new products for the potential customers to see in this merchant display.

Remember, there is no admission charge, and everyone is welcome.

12-18, with deliveries to be made in April.

The Girl Scouts will be taking orders for 4 varieties of cookies priced at 45c per box. One half of this selling price is profit for the Wau-Bun Council Scouts. 17½ cents per box goes into the camp development fund and 5 cents per box is retained by the troop to which the seller belongs. The girls will not accept any money at the time the order is taken but will collect when the cookies are delivered. Delivery dates are April 24 to April 30.

Co-ordinating the cookie sale efforts of the council's 2,717 girls and 469 adult volunteers in Kewaskum is Mrs. Allen Tessar who is cookie station chairman locally this year. The neighborhood cookie sale chairman is Mrs. Elmer Zell of West Bend. Mrs. Kenneth Jensen, Fond du Lac, is general chairman of the 1961 Girl Scout cookie sale.

## RETARDED CHILDREN'S ASSOCIATION TO MEET

The Washington County Association for Retarded Children will hold their monthly meeting on Monday evening, March 13, at Fair Park school, West Bend. Time will be devoted to a discussion of state and local activities by the group in general. This will give everyone the opportunity to discuss any questions or problems they may have. All members and guests are invited to attend this meeting.

DRIVE CAREFULLY!

## Snow Storm

(Continued from page one)

classes at 11 a. m. Appeals were made over the radio for parents to call for their children while they were still able to get them home. School buses loaded with rural students left shortly after the noon hour to cover their routes.

Regal Ware, Inc. closed down at 2 p. m. to allow the day shift of workers to reach their homes. The night shift was notified by radio not to report for work. Other stores and business places closed early as business and traffic were almost at a standstill. Radio stations were flooded with calls to report the closing of schools and factories, and cancellation of events and services.

Scores of cars were stuck on local streets, traffic was snarled and moving slowly. Kept busy were tow trucks and wreckers pulling or pushing cars out of snowbanks. Numerous autos were snowed in and had to be abandoned where they stood. County and village snow plows and snow removal crews were pressed into service for the first time this winter and worked throughout the night opening roads with their heavy equipment. Motorists who did not find it absolutely essential to drive were warned all day by the county sheriff's department to stay off the highways. The snow was so heavy that four inches fell in two hours.

Thursday dawned bright and sunny, with temperatures in the

high thirties, and by evening quite a bit of the snow had melted. Village crews and equipment put in a long day clearing the streets and removing the huge piles of snow from the center and sides of the streets. By night most of the snow was removed from the main streets.

## KETTLE MORANE GROUP HOLDS HOME GATHERING

Mrs. Harvey Scheurman was appointed to represent the Kettle Moraine Homemakers club at a meeting to be held in the near future, to outline a program for the next three to five years for county clubs, when the members of the Kettle Moraine group met recently with Mrs. Rose Marchant, Auburn.

"Skin Care", was the topic selected by the health chairman.

Project leaders Mrs. Rose Marchant and Mrs. Ray Reysen, presented the topic "Getting Along with Others".

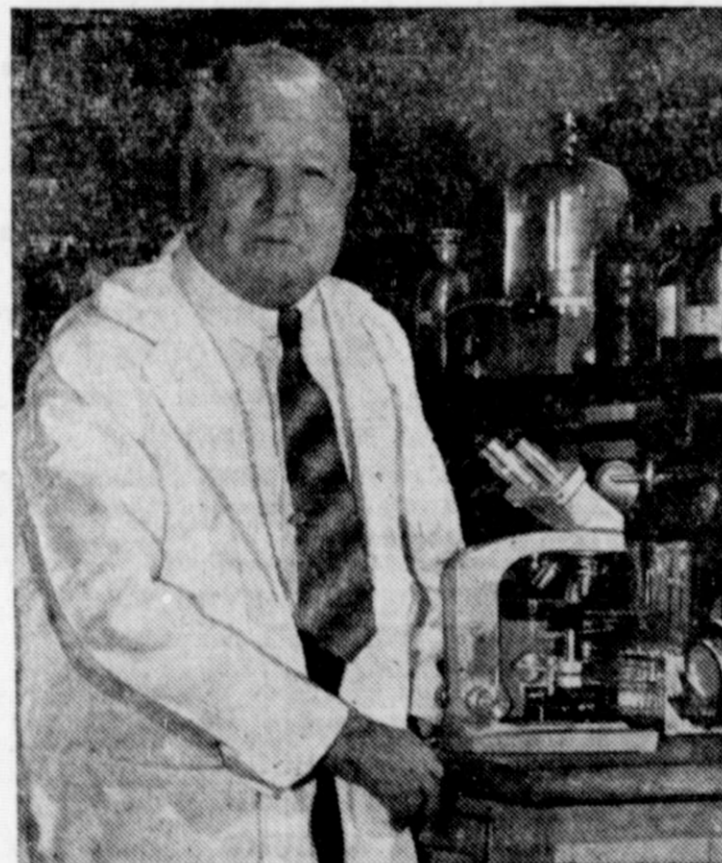

Refreshments were served by Mrs. Rose Marchant and Mrs. William Marchant. The March 21 meeting will be held at the home of Mrs. Alban Nigh.

Mrs. Henry Petermann,  
Reporter

## SHEEPSHEAD WINNERS

Sheepshead prize winners at the tournament held at Heisler's tavern last Thursday night were: 1st, Rich. Thiemer, 42-6-36; 2nd, Arnold Prost, 36-2-34; 3rd, Gene Gruber, 40-6-34; 4th, Larry Minch, 38-8-30.

## Wis. Gets 76% of March of Dimes Funds

THE FIGHT AGAINST CRIPPLING goes forward on many fronts with funds raised through the March of Dimes. The scientist in the laboratory seeks answers on the slides under a powerful microscope. The doctor in his office brings to bear all of medicine's present knowledge to relieve pain and crippling for the individual patient.

NEW YORK, N. Y.—The state of Wisconsin has been the principal beneficiary in the allocation of March of Dimes funds raised in the state over the past 23 years, it was disclosed today in a financial summary prepared by The National Foundation.

More than 76 cents of every dollar from Wisconsin's March of Dimes has been put to use in aiding the state's disease victims and in research and education projects conducted by Wisconsin institutions. Of the remaining 24 per cent accruing to the national headquarters, a considerable amount also has come back to Wisconsin in shipments of polio vaccine and gamma globulin and in other nationwide services conducted by The National Foundation.

The summary covers the period since the first March of Dimes was held in January,

1938, and compares the net total of funds raised in the state with amounts made available to Wisconsin through September 30, 1960.

In this period, Wisconsin's 71 chapters of the March of Dimes organization raised a net total of \$11,601,731.41 at an average fund-raising cost of less than 10 per cent. Of this amount, \$8,292,796.12 has been available to the county chapters in carrying out their extensive patient aid programs, including advances of \$3,101,466.19 from the national office to meet local emergency situations.

During the past six years alone, charges to National Foundation chapters for polio patient care at the Elizabeth Kenny Institute in Minneapolis approximated \$1,000,000. Many of these patients have been Wisconsin residents.

In addition, 26 grants totaling \$575,265.85 have been made in support of research and professional education projects at Wisconsin institutions. Recipients of these grants have

been The University of Wisconsin, \$317,021.30 and Marquette University, \$258,244.55.

Over and above the 76 per cent used by institutions and county chapters in the state, The National Foundation has financed within the state projects such as the historic field trials which proved the effectiveness of the Salk vaccine, epidemiological studies and scholarship or fellowship grants to Wisconsin residents. National headquarters' expenditures for the vaccine trials in Wisconsin amounted to \$93,516.82. In addition, the national office has sent into Wisconsin \$84,263.60 worth of Salk vaccine and 1,530,440 cc's of gamma globulin in support of its polio prevention programs.

Two years ago, the National Foundation for Infantile Paralysis changed its name to The National Foundation in expanding its areas of interest beyond polio to include birth defects and arthritis, using the scientific knowledge and experience gained in the fight against polio.

**Dundee**

Clarence Daliege of Cedarburg visited the week end with his brother and wife, Mr. and Mrs. Gordon Daliege.

Rev. and Mrs. Norbert Mielke had as their week end guests their daughter Clara and Karen Schneider of Milwaukee.

Mrs. Lenor Rock and son Dennis of Milwaukee visited the week end with the former's sister and husband, Mr. and Mrs. Sylvester Majesky.

Mrs. Melvin Ramthun and daughter Lois attended a stork shower for her sister in Milwaukee Sunday afternoon.

Mr. and Mrs. Clarence Bohn entertained Sunday at their home honoring their granddaughter, Bonnie Kutz, on her sixth birthday. Guests were Miss Madeline Brandenburg of Milwaukee, Mrs. Alvin Brandenburg of West Bend, Norman Kutz and family of Barton, Mr. and Mrs. Melvin Ramthun and Mark and Lois of Kettle Moraine lake, Mrs. Marilyn Schultz and Connie and Mrs. Anna Ramthun.

Week end visitors at the Vilas Ludwig home were on Saturday Mr. and Mrs. John Ludwig and Mr. and Mrs. Heine Hess of Milwaukee; on Sunday Mr. and Mrs. Dave Arndt and son Bruce of Waukesha, Mrs. Lloyd Gatzke and

children of West Bend. Mr. and Mrs. Elton Ludwig of Kewaskum and in the evening Mr. and Mrs. Clarence Bohn and Mrs. Marilyn Schultz and daughter Connie of Armstrong.

Mrs. Frank Backhaus and Mrs. Herbert Roehl were hostesses at a miscellaneous shower at the home of the latter for Miss Mary Grossen Sunday afternoon. Cards and bunco were played. Honors went to Mrs. Robert Roehl. Mrs. Larry Roehl, Mrs. Almon Buslaff, Mrs. Gordon Poch, Mrs. Kenneth Buslaff and Mrs. Lloyd Butzlaff and the door prize to Mrs. Vilas Roehl. Lunch was served. Miss Grossen will be married to Roger Roehl.

**SEASON ENDS IN KETTLE MORAINE DARTBALL LOOP**

The Kettle Moraine Lutheran dartball league ended its season's play with St. John's I of West Bend copping first place and Huillsburg second in the western division. Batavia and Good Shepherd of West Bend took first and second in the eastern division.

The Kewaskum teams didn't fare very well in the second half. Kewaskum II placed 10th with 14 wins and 19 losses. Kewaskum I ended up 12th with 12 and 21.

The championship playoff, Batavia vs. St. John's I for first and second trophy and Good Shepherd vs. Huillsburg for third and fourth trophy will be played later.

The league's round robin tournament was played at Hartford on Mar. 4 and 5, with finals set for Mar. 12 at 1 p. m. East will play West a seven inning game with each opponent. Trophies will be awarded.

Join the fight against crippling by using Easter Seals.

BY BOB LAKE  
Conservation Warden  
Washington County

**CISCO, PANFISH ARE BITING AT BIG CEDAR**

A buck deer was killed this past Friday morning on US 41 just south of 144, apparently hit by a truck. On Saturday morning seven deer crossed the Arthur Lonergan property at South West Bend.

Cisco fishermen are having excellent luck at the south end of Big Cedar, and the north end is producing nice catches of perch and bluegills. Perch fishing is good at Pike lake.

The season closed Feb. 15 in this area for bass, northern and walleyed pike. To protect these fish during the spawning run, the law provides that in Ozaukee and Washington counties: No person shall have in his possession or under control any gun, spear or bow and arrow on any inland waters at any time, between the dates of March 2 to April 20.

Make plans now to attend your Conservation Congress hearing on Apr. 17 at 8 p. m.

If you sell bait, you must have a bait dealer's license.

This information is requested several times at this time of the year. This law has been in effect now for several years and the warning days are over.

"Bait" means any species of frog, crayfish or minnow used for fishing purposes.

No person shall engage in the business of dealing in bait without first obtaining a license. The only exception is that resident children under sixteen years of age may sell up to \$500.00 worth of bait annually without such a license.

The Wisconsin Conservation Department still has 2,235,000 multi-flora rose plants available for order, it was announced. The price is \$7.50 per thousand and the minimum order is 500. Applications may be obtained from district game managers or from Conservation Department area headquarters at Madison, Oshkosh and Black River Falls.

Your best advertising medium—the Statesman.

**In Our Mailbox**

February 22, 1961

Dear Editor:  
On behalf of The National Foundation, I wish to express our warmest thanks for your generous help in informing the public of the needs and purposes of the 1961 New March of Dimes campaign.

It is heartening to see this response to the conviction of the scientists and physicians who serve on our Advisory Committees that they will be able to lead this nation to great, new conquests in the field of health. Surely just as The National Foundation, supported by the New March of Dimes has assured victory in the fight against polio, so it will achieve greater victories in the fields of birth defects and arthritis.

You and your newspaper are a part of these accomplishments. I know I am joined in this expression of gratitude by the many thousands of people who benefit from and believe in the March of Dimes.

Sincerely,  
Karl P. Baidwin  
Wisconsin State Chairman  
1961 New March of Dimes

## Safety Salting Can Reduce Winter Traffic Hazards

Prompt and efficient snow and ice removal with safety salt (rock salt), if it reduces traffic delays but one hour per storm in the snow belt of United States, means a direct annual savings to the public of an estimated \$500,000,000.00.

This impressive finding is based on results of a recent authoritative survey in New York City and includes the losses involved when winter storms delay passenger traffic, truck shipments, refuse collection, fire protection, medical service, and utility repairs.

In addition, there is the tremendous toll of injuries and property damage resulting from winter accidents, costing the nation another estimated one billion dollars annually.

Safety salt is an economical and efficient de-icer—one pound of salt will melt 46 pounds of ice at 30 degrees Fahrenheit—today is the accepted method of combatting winter hazards. More than 2,000,000 tons were used last winter alone to protect pedestrians and passengers.

Salt is the most efficient and most economical method of ice control, as proven by repeated scientific tests.

It is only in recent years that ice and snow control techniques have been perfected to the present peak of procedure now employed by most progressive city governments. Previously it was thought that abrasives such as sand and cinders offered a superior alternative and better traction for cars, trucks and buses.

But now it is recognized after extensive tests that safety salt used by itself is the best method. Past experience showed that sand and cinders not only clogged sewers after storms but also lacked any melting action.

Consequently, modern methods call for 100 per cent use of safety salt which penetrates the ice, bores down to the road surface with a corkscrew action,

and then undercuts the frozen mass with brine which melts the bond between ice and pavement.

Detroit, long one of the leaders and pioneers in the field of ice and snow control, has made several exhaustive studies with the following conclusion stated by the Engineering Society of Detroit:

"Public safety through the safe movement of traffic should be the paramount compelling force in any choice of de-icing method or material. . . . It is the opinion of this committee that the continued use of rock salt is by far the best procedure and is in the best public interest."

Substantiating the Detroit engineer's emphasis on traffic safety in winter is the alarming fact that more than 174,000 persons are killed and 174,000 injured on snowy and icy streets each year.

Furthermore, this situation is drastically affecting the cost of auto insurance premiums which last year climbed to the fantastic figure of 5 billion 800 million dollars, a record increase of 509 million from the preceding year.

Results are dramatically shown in New York City records. In the six-year period from 1930

to 1936, before salt was used there was a yearly toll of 21 deaths and 1,635 personal injuries attributed to skidding accidents. In a ten-year period after New York City employed salt, the annual average fell to nine deaths and 736 injuries despite the greater number of cars and drivers.

The importance of ice and snow control nationally is indicated by statistics which reveal that 30,000,000 persons drive to work, two-thirds of the nation's freight is moved by motor trucks, and farmers depend on trucks to transport 80 per cent of all agricultural commodities from farms to initial markets.

In addition, when shoppers find it very difficult to get to and from the stores, the sale of merchandise drops about 50 per cent. In a city of 2,000,000 population for example, this loss amounts to approximately \$760,000 per day or 26 million dollars per year. Added to other losses resulting from storm delays, in a city of this size, total losses incurred amount to 88 million dollars a year whereas the cost of snow removal and ice control is only \$875,000 annually, or about 1 per cent.

**Catholic Charities Appeal Opens Sunday**

**RALPH MARX IS CHAIRMAN FOR HOLY TRINITY PARISH**

His Excellency, William E. Cousins, Archbishop of Milwaukee, will formally open the 1961 Catholic Charities and Seminary Fund appeal on Saturday, Mar. 11, at 1:00 p. m. in a television appearance on WTMJ-TV (channel 4), Milwaukee. The address will also be broadcast on radio station WBKV, West Bend, at 2:00 p. m. Saturday, among other stations throughout the archdiocese.

The Holy Trinity parish chairman for the drive is Ralph Marx, president of the Holy Name society, and the goal set for the parish by the archbishop is \$1,650. The chairman and his committee will be in the church hall after each mass this Sunday to accept contributions and assist parishioners. Holy Name President John Botzkovis is St. Bridget's mission church chairman and the goal for that parish is \$450.

The campaign will be conducted in 286 parishes of ten counties comprising the archdiocese between Mar. 12 and Mar. 26. The goal of this appeal for funds is \$1,000,000, which represents the minimum financial aid needed to continue the work of providing for the 100,000 poor, needy and destitute through the 22 agencies and institutions in the archdiocese and the building program at St. Francis Major and Minor seminaries. Ground will be broken for the minor seminary buildings in 1961 and will include facilities for instruction, study, religious services, dining, dormitory and recreation. It is expected that the

*The Old Timer*

"Gossip too often goes in one ear and out the mouth."

project will be completed in two years.

"The need for this first major overhaul of the facilities at both the major and minor seminaries in almost one hundred years is crucial," stated Frahk M. Surges, general chairman of the campaign, due to the present shortage of priests and ever-increasing demand in this archdiocese, where the Catholic population increased from 100,000 to 600,000 in that period.

Archbishop Cousins made 14 appearances throughout the ten counties comprising the archdiocese to organize the program for the campaign. The appeal utilizes the voluntary services of over 10,000 parish workers. Contributors will be given the opportunity of making pledges that can be paid during the course of the year so that people who are "hard pressed" can participate fully in this charitable cause.

If you buy a dwarf apple tree for your backyard, make sure the apple is grafted onto East Malling IX rootstock, says George Klingbell, University of Wisconsin horticulturist.

**Funeral Rites for Fred Kempf Held**

Funeral services for Fred Kempf, 82, of 209-A Edgewood lane, West Bend, a former town of Kewaskum resident, were held at Pilgrim Lutheran church in that city at 2 p. m. Thursday, Mar. 9. The Rev. Paul Natzke officiated and burial took place in St. John's Lutheran church cemetery at New Fane.

Mr. Kempf, a retired farmer, died at the Washington county hospital on Monday, Mar. 6, after ailing for some time. He was born in the town of Kewaskum on Oct. 26, 1878, and engaged in farming here until moving to West Bend in 1941 to live in retirement.

Surviving are his wife, the former Anna Retzlaff, whom he married on July 7, 1901; 13 children, Erwin and Fred of Beechwood, William of New Fane, Otto of Barton, Edwin, Hugo, Paul, Henry and Rudolf, all of West Bend; Helen (Mrs. Jerome Bechler) of Barton, Irene (Mrs. Walter Uhlmann) of Oconomowoc, Dorothy (Mrs. Max Okrusch) of the town of Kewaskum and Sadie (Mrs. Louis Frank) of the town of Jackson; 39 grandchildren, 19 great-grandchildren. A son, John, preceded him in death in 1953.

**MRS. JACOB REILAND**  
Mrs. Jacob Reiland, 56, nee

Evelyn Koenings, R. 5, West Bend, died unexpectedly at her home on Friday, Mar. 3.

A lifetime town of Barton resident, she was born Jan. 27, 1905 and married Mr. Reiland on June 17, 1929. He predeceased her on Jan. 24, 1960. Surviving her are three children, Jacob of R. 5, West Bend, Gloria (Mrs. Virgil Weinreich) of Fillmore, and Georgiana (Mrs. Howard Kirchner) of R. 2, Kewaskum; her mother, Mrs. Elizabeth Koenings, of Barton; four grandchildren, five sisters, three brothers, and other relatives.

Funeral rites were held at St. Mary's church, Barton, at 9:30 a. m. Monday, Father O. F. Ullrich officiating. Burial was in the church cemetery.

**Hospital News**

August Jandre, Kewaskum, is a patient at a Madison hospital.

Farm livestock auctions increased sharply in recent years.

**AG STUDENTS ATTEND PROGRAM, STOCK SHOW**

Leander Opperman, Bill Koepke, Tom Spartz, John Staehler and Roy Esser, the vocational agriculture instructor of Kewaskum Community High school, attended the Campus Highlights of Short Course for Prospective Students Saturday, March 4, at Madison. The morning program consisted of "fitting and showing" dairy, beef, swine and sheep. This was followed by a tour of the campus, ending with a noon luncheon.

The luncheon program featured short talks by R. K. Froker, dean of the College of Agriculture; Prof. Henry Ahlgren, Prof. George Sledge, Prof. Robert Niedermeier, Prof. Robert Bray and Prof. H. P. Bruhn.

The group attended the Little International Livestock Show in the afternoon as guests of "The Saddle and Sirloin Club."
