Kewaskum's New Golf, Country Club Now Open for Business

Should Have First Nine Holes Ready For Play by August

KITCHEN WILL BE OPENED, LUNCHESES SERVED AT LATER DATE

The Hon-E-Kor Golf and Country club bar in Kewaskum owned by Mr. and Mrs. Gilbert (Bud and Tutty) Korth is now open for business daily, although there is still quite an amount of work to be completed on the spacious new clubhouse building and grounds located at the southeastern edge of town, immediately south of the village park.

The clubhouse, 40 by 80 feet in size, with its 3,200 square feet of floor space on the main floor, includes a dining area, kitchen, bar, recreation or gathering room and pro shop, while the showers and locker rooms are in the basement. It also has a patio on the east side. The exterior of the modern building features handsome red wood siding and a white roof. Mahogany finish has been used inside.

Numerous thermopane windows have been installed on the east and south sides of the clubhouse, allowing an overall view of almost the entire golf course from inside of the building as well as beautiful scenery of miles of green countryside, wooded areas and the winding Milwaukee river which flows past the west end of the course. The scenery will be especially colorful in the fall of the year.

The first nine holes of the privately owned by the Korths but public invited golf course should be ready to open in August. Eventually it will be an 18-hole course. Most of the grading of the 75 acre tract that will be used for the first nine has been completed, greens, sand traps, ponds, etc. laid out, and all of the roughed piping for the sprinkling system on the greens and teeoffs has been laid. Seeding has and is being done on the 3,260 yard nine-hole course which, Korth said, will feature spacious greens of between 3,500 and 4,000 square feet. Par for the course will be 36 with golfers driving east and ending up at the clubhouse again. Only one green fairway will be located in the village limits, the remainder of the course to extend into the town of Kewaskum. Walk over bridges will be built and more trees planted.

The second nine will be laid out on 80 acres of land south of the present course which Korth purchased from Jac. Koenen several years ago. The name Hon-E-Kor was selected from the names Honeck (Mrs. Korth's maiden name) and Korth. The course layout was designed and is being built by Rudv Buuck of the Crystal Lake Golf and Country club near Plymouth and the general building contractor was Ed Bunkelman of Kewaskum. Buuck said the land is the most natural lay-

Law Officers of County Meet Here

JUVENILE DELINQUENCY PROBLEMS ARE DISCUSSED

The April meeting of the Washington County United Enforcement association was held at the municipal building in Kewaskum last Wednesday afternoon. Discussions on juvenile delinquency and instructions on how to fight gasoline fires and cope with vapors and atomic missile fallout featured the meeting.

The organization has a membership of 70 and has as its purpose the promotion of unity and cooperation among all law enforcement officials in this county. It takes in members of the state traffic patrol who operate in the county, city policemen, county traffic officers, sheriff's deputies, village marshals and town constables.

Heading the association is Sheriff William E. Johnson. Other officers are Traffic Officer Paul Humbel of the state patrol, vice-president; Ray Jeffers, Hartford police officer, secretary, and Chief of Police Roland Pledl of Kewaskum, treasurer.

Directors include Police Chief Clem Mueller, Hartford; Police Chief George Weinert, West Bend; Undersheriff Alvin Schmitt, West Bend, and Sgt. Harvey Ruck of the state patrol.

The association meets once a month in a different community in the county. The next session will be held May 17 at the Barton village hall. Meetings are usually held between 2-4 p. m. which Sheriff Johnson said are "when things seem to be the quietest in the county."

MOVES TO KEWASKUM

George Golbach has sold his home on East Main st. in Campbellsport and intends to live in a trailer at Kewaskum. Mr. and Mrs. Raymond De Temple of St. Kilian, who recently sold their farm, purchased the Golbach home and took possession April 24.

out for a golf course he has ever seen.

At a later date the kitchen will be opened. Meals and lunches will be served and small parties will be catered to. A grand opening will also be held in the near future. Numerous requests for membership in the club are already coming in, many of them from distances, including one from as far as Waterford.

Few communities of this size can boast of such a recreational project and community development which Kewaskum now has in a golf course. The Korths invite the public to come in and look over their clubhouse and view the scenery. Further announcements concerning the grand opening, kitchen opening and course opening will follow.

Heinecke Sentenced To One-Year Term in Minor Bar Shooting

Brought before Judge Lester A. Buckley Monday morning in West Bend in conjunction with the shooting of two girls last Jan. 15 at Steve and Mary's Minor Bar on Hwy. 45 just north of Kewaskum, George J. Heinecke, 21, of Barton was sentenced to serve a term not to exceed one year in the Green Bay reformatory.

Heinecke was charged with "a high degree of negligence in the operation of a firearm, contrary to Sec. 940.24 of Wisconsin statutes," and the sentence imposed by the court was the maximum prison term for the offense. Although he received the maximum prison term, Heinecke could also have been fined \$1,000 in addition to the prison sentence, it was explained by court officials.

When he appeared in court on April 10 Heinecke pleaded guilty to the charge and was found guilty by the court. However, sentence was deferred pending a pre-sentence investigation of the matter by the State Public Welfare Department. The young man was free on \$2,000 bond pending his sentencing.

Heinecke's prison term became effective at noon on Monday, according to court officials, and he was transported to the prison by the sheriff's department.

The two girls wounded at the minor bar when Heinecke, who was seated near them, pulled a pistol from his belt and fired it in their direction were Bonnie Carroll Stahl, 18, Random Lake, and Maureen Borchert, 20, Kewaskum. The girls, both of whom were shot in the legs, have recovered.

Parents to Register Kindergarten Pupils

This year's annual "round-up" for the parents of prospective kindergarten pupils will be held on Tuesday, May 9, at 8:00 p. m. in the Kewaskum Elementary school cafeteria. Mrs. Evans, the kindergarten teacher, and Miss Degner, the county nurse, will speak to the parents on the importance of attending kindergarten and the importance of health in the life of the school age child.

To be eligible for enrollment in kindergarten, children must have attained their fifth birthday prior to Dec. 1, 1961. Evidence of date of birth, either a birth certificate or a baptismal certificate, must be brought to the meeting. A copy of the certificate will be made that evening and the certificate returned to the parents the same evening.

Parents will be asked to register their child or children for next year's term and to fill out the child's health record. It is very important that those parents who plan to have their child in kindergarten next fall be at this meeting. 4-28-2

1,000 Musicians From 10 Schools To Participate

BANDS, CHOIRS, GLEE CLUBS WILL COMPETE; PARADE OF BANDS AT 4 P. M.

Kewaskum Community High school will be host to the District Music Festival this Saturday, April 29, in which approximately 1,000 musicians from ten high schools will participate. A parade of all the bands at 4 p. m. will climax the full day of pageantry and festivities.

Schools participating, along with Kewaskum, are Germantown, North Fond du Lac, Slinger, Grafton, Pewaukee, Port Washington, Campbellsport, Random Lake and Waldo.

The afternoon parade will form at the high school, proceed west for several blocks to Fond du Lac ave., move south along Fond du Lac ave. to Main st., then east along Main st. to Park View drive, on which it will proceed back to the school.

One of the major opportunities for high school bands, choirs and glee clubs to meet and perform outside of their local communities is furnished by the annual district music festivals throughout this state. Co-sponsored by the Wisconsin School Music association in Madison and the local host cities, these yearly events are well known for their colorful parades and thrilling concert events.

This event should not be confused with the solo and ensemble tournament held in Kewaskum on March 18 for the same schools. Saturday's festival highlights the official musical organizations rather than individual performers. As a result there will be considerable more musicians here.

Each organization will enter in a class according to its own ability—A, B, C or D—and will perform three numbers, one of which is on the state required lists. A first award is possible in any class entered.

The morning's schedule features the choirs and glee clubs in the elementary school (old high school) gymnasium and the concert bands in the Community High school auditorium. Admission is students 25 cents and adults 50 cents. One ticket will admit the holder to both buildings all day.

It is hoped that the public will turn out and show enthusiastic support for the musical efforts of these talented young people and the schools they represent, also that many people will be on hand to witness the four o'clock parade.

Mr. and Mrs. Lester Krueger and family moved from the Fred Bleck annex into the farm home of Walter Belger at the east village limits. The Henry Weddig family moved from their residence to the rear of the L. Rosenheimer store to the former Mrs. Val. Dreher home on E. Main st. which they purchased from Alex Klug.

The absolute need of a sewage and water works system for Random Lake and the desire to have it was expressed by the citizens of that village at a special election when 237 votes were in favor of the system and 44 against. The project will be financed by a \$54,405.00 federal grant.

Murphy Bros. of Wayne received a carload of horses in Kewaskum where they can be seen at the Ziegler and Eberle barns.

The following children were leaders in good conduct in the primary room at the public school: Lois Klukas, Harold Seefeldt, Betty Krueger, Doris Mae Stahl, LaVerne Moldenhauer, Gerhard Kaniess and August Bilgo.

The village board met with President Rosenheimer presiding and the following trustees present: Dreher, Miller, Perschbacher, Schaefer, Staehler and Stellpflug. A full time man designated as superintendent of public works, was engaged at a salary of \$80 per month. On the fourth ballot William Schaub received the majority of votes and was appointed to the job.

Mr. and Mrs. Lester Dreher and son Bobby and Miss Lillie Schlosser left for Los Angeles, Calif. to spend six weeks with relatives.

Papers were drawn up whereby J. O. Nigh of this village sold his 80 acre farm in the town of Auburn to Joseph Haug for \$9,800.

The dance in Groeschel's hall Sunday evening was a decided success, nearly 100 tickets being sold. Alfred Schoetz, a local high school student, was the winner of

the watch given away.

Jacob Fellenz of the town of Scott was taken severely ill with a rupture. He was removed to St. Agnes hospital, Fond du Lac, where he was operated by Dr. N. E. Hausmann of this village.

Around the Town

Will wonders never cease? The sun came out Wednesday.

Why not take in the Boy Scouts' annual pancake supper this Sunday in the high school cafeteria—for butter or wurst, in thickness and health, from pitcher or pourer . . .

Spring is here to stay now—saw Matty touring around in his Model T "convertible" again the past week.

Congratulations to Bud and Tutty on the opening of their new clubhouse bar, with the opening of the kitchen and dining room and golf course soon to follow. This is a real asset and boon to the community and is sure to attract many people to our village. The club should be a popular spot. Although it just opened, a meeting and birthday party were already held there this week.

The Easter season is now officially over. We did away with our last Easter egg this week. It was still good, too.

We switch to daylight saving time this Saturday night, April 29, so be sure to set your clocks one hour ahead before hitting the sack. Otherwise you're going to be much late at many places Sunday. This goes on until the last Saturday in September when you get your precious hour back again.

As soon as spring comes kids start running across your front and back yard. It won't be lawn now.

Kewaskum will be over-run with high school kids Saturday. About 1,000 of them, two-thirds of our population, will be here for the music festival. You'll want to take in the big parade the bands will put on at four o'clock.

Mom says she would like a garden this year but personally we don't dig it.

Another income tax time has come and gone. And like the rest of you we feel a sad flatness in the pocketbook. Once the income tax was a rich man's tax—people of small and moderate earnings paid little or nothing. But not so anymore, the long arm of the Internal Revenue Service reaches out to nearly everybody. Here's the cold statistical story: Of the total federal tax, people who earn under \$5,000 a year pay 21%. The \$5,000—\$10,000 group pays 39%. The \$10,000—\$15,000 earners pay 11%. The \$15,000—\$50,000 people pay 17%. And the real big income group—\$50,000 and over (not including us) pays only 12%. This isn't because the rich are favored—it simply reflects the fact that there are not enough wealthy people to foot the bill for government, but there are millions of individuals in the modest income brackets (including us).

There should be a good market for corn this season, we're using up quite a bit in this column.

All nations report more women working, each year. Looks like the menfolks are going back to the method used by the American Indians.

High School Completes Very Successful Year In Forensic Program

Kewaskum High school's forensic program has completed a very successful year. Eighteen students competed in the league contest which was held in Grafton on March 11. At that time Kewaskum won the traveling trophy. This trophy is awarded to the school which wins the highest rating points. If a school wins the trophy three successive years, the school can keep it. North Fond du Lac had won the trophy the past two previous years.

Nine students from Kewaskum won "A" ratings at the league contest. This made them eligible to compete in the district contest. Because of illness, only seven

students took part in the district contest which was held in Oshkosh on Saturday, March 25. There were approximately 500 students from 59 high schools participating at the district contest.

Carol Schladweiler, Cheryl Erdman and Ralph Albrecht won "A" ratings and competed in the state contest which was held in Madison on April 15. Carol gave her humorous declamation, "The Last Clock." In interpretative reading Cheryl Erdman read "Dunkirk" by Nathan Hale. For each contest the contestant in interpretative reading must select a different poem to read. Ralph Albrecht participated in the extemporaneous speaking. In this category the speaker, one hour before he speaks, draws a topic from a selected group of current event topics. In the following hour he must prepare a five to eight minute

speech, and at the close of his speech he has to answer any questions asked him by the judge or a member of the audience.

TRUCK ROUNDUP

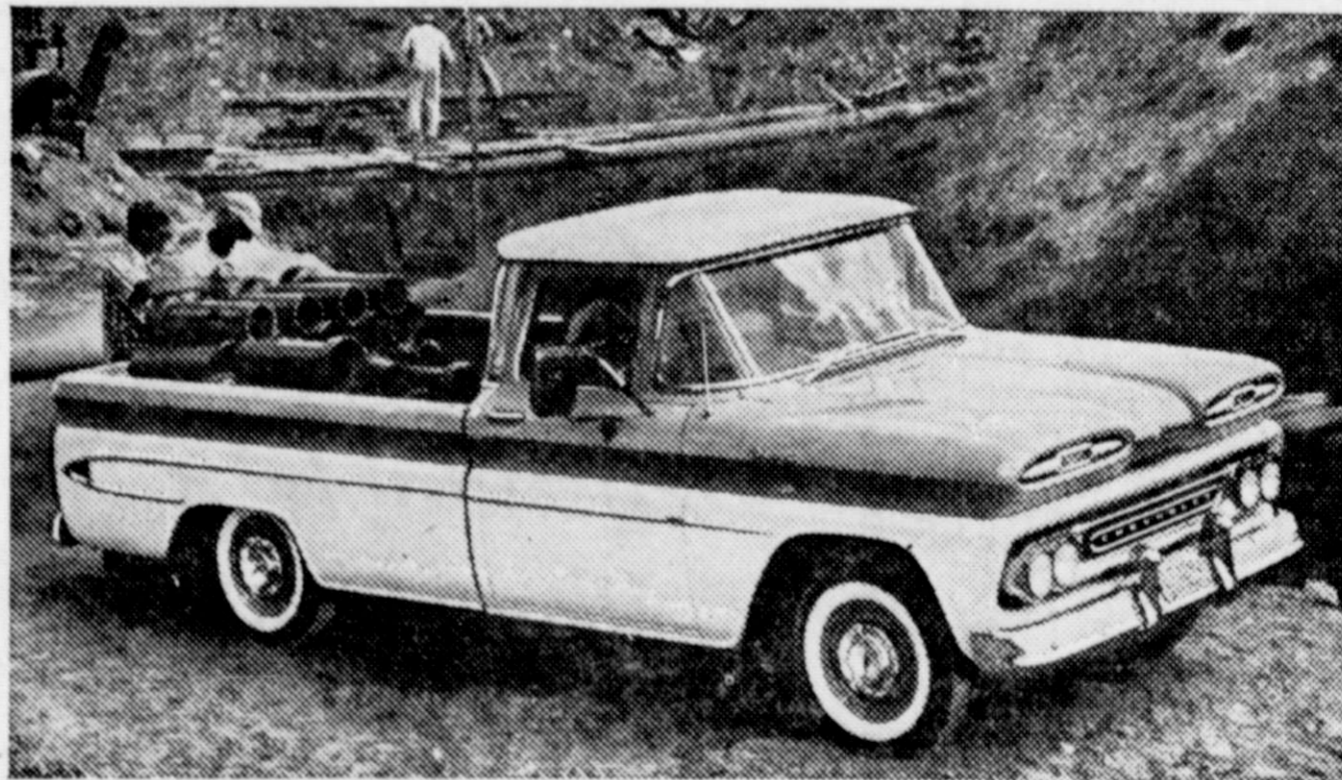

Western star Roy Rogers spreads the good word for your local dealer! "Right now he's making it easier than ever to own America's easiest riding truck. That's Chevy — the truck that saves you plenty with its special brand of Independent Front Suspension."

Just pick the model that fits your job and you can be sure you're putting your truck dollars where they'll do the most good. You'll get a super-efficient power to capacity ratio, a truck that's Sturdi-Bilt clear through, a king-size cab to keep your driver happy. And savings that just naturally go along with Chevrolet's I.F.S. ride.

You save on maintenance costs. I.F.S. lengthens truck life and protects cargoes by soaking up as much as 78% of all objectionable road shock and vibration. Your truck keeps working for extra thousands of miles! How in the world can you go wrong! Especially now—during truck roundup time!

Chevy's hefty Jobmaster 6, standard in Series 60 middleweights, is known far and wide for its fuel-saving performance.

CHEVROLET I.F.S. TRUCKS

Chevy's famous Thriftmaster 6 does the saving in this Fleetside model. It's the most highly respected truck 6 ever put under a hood. It's best known for economy and

dependability—for pulling more loads over the years than any other truck engine. The 135-horsepower 235-cu.-in. Thriftmaster's standard in all Chevy pickups.

K-M Homemakers AUBURN

The Kettle Moraine Homemakers met at the home of Mrs. Henry Petermann on April 18. The meeting opened with the "Homemakers' Creed" and roll call, with 12 members present. The business meeting was conducted by Mrs. Willard Gruhle.

There will be a "get-together meeting" at St. Matthew's church, Campbellsport, on May 18 at 7:30 p. m. so that all get better acquainted with our new county home agent, Mary L. Kay.

Once again our homemakers year is coming to a close. During the year six new groups were organized, bringing the total members to 775.

Achievement Day program is scheduled for May 2. Registration is at 10 a. m. at Immanuel Trinity Lutheran church, Fond du Lac, from 10:30 to 11:45. The program at the church on Division st. will include a "style show" on tailored garments, skits by local homemaker groups, 12 o'clock luncheon at St. Mary's at \$2.00, and at 1:00 a program at St. Mary's, "Chemistry of Cosmetics" by S. F. Darling.

National Home Demonstration Week is April 30-May 6 and state council meeting June 7-9 on the university campus at Madison. It will be open to any homemaker interested in attending. A worthwhile meeting and program has been arranged.

Election of officers was held with Mrs. Ray Reysen, secretary; Mrs. Ralph Dickman, health chairman; Mrs. Henry Petermann, reporter. They will take their oath in September when we will convene again for another year.

The meeting adjourned with the "Prayer Creed." As we had no project this month, we all enjoyed listening to Mrs. Rose Marchant, who recently came back from a trip to Hawaii. At next month's meeting she will show slides of her trip.

A light luncheon was served by the hostess. The May meeting will be at the home of Mrs. Ray Reysen on May 16 at 8 p. m.

Mrs. Henry Petermann, Reporter

Kewaskum Modern Mrs.

The April meeting was held on the 17th at the home of Mrs. George Eggert, Jr. We enjoyed having at our meeting our center chairman, Mrs. Art Terlinden, along with another guest from her homemaker's group, the Wayne Willing Weavers.

The project "Care of Floors and Rugs" was conducted by Mrs. Charles Ogi and Mrs. Paul Albrecht.

Dessert and coffee were served by our hostess, Mrs. Eggert.

Our March meeting was held at the Warren Domann home and our project "Storage Problems and How to Solve Them" was conducted by Mrs. Harry Koch.

Mrs. John G. Stellpflug, Sec.

A foot difference: Lincoln was our tallest President, 6-4½; Madison, the shortest, with 5-4½ to his credit.

Kewaskum Kitchenettes

The Kitchenettes met at the home of Mrs. Arnold Amerling, who was hostess for our April meeting.

Fifteen members were present and one confined to the hospital was unable to attend. Get well soon Marie, we all missed you.

Each member answered roll call with their favorite "TV program." Lawrence Welk and Sing Along With Mitch won honors as being favorites of more members than any other programs.

Spring council meeting will be attended by our new president, Darlene Schaub, and the new secretary, Ruth Stoffel. Our new health officer will be Corrine Mlodzik. Congratulations girls on your new offices.

May 16 achievement night was discussed with ten members making plans to attend. Darlene Schaub, Adeline Volm and Carmen Backhaus volunteered to use their artistic talents in making name tags for a western motif to carry out the achievement theme.

Nearly every one brought a decorated box to use later as a file box for all homemaker material received during the year.

We all had trouble finding a box to meet the required 12x12x10 measurements. Although we all had different sizes everyone did a beautiful job decorating the box of their choice. Some were painted, others covered with cloth, paper or plastic material of all kinds and colors.

We are leaving the debating of which boxes to send for achievement night until next month, hoping some members may have time to make different kinds. They now can make hat boxes, matched sets of three different sizes, children's toy boxes or any kind of a fancy idea any one can think of for the use of a box.

Corrine Mlodzik, Cordell Amerling and Ruth Krueger were assigned the committee to make plans for our annual summer picnic in July. To this affair all husbands are invited.

Our retiring health reporter gave us many good tips on how to get our daily exercise by doing our housework. She also showed several good exercises to help keep our waist lines trim. Two members were real sports to help out. Thanks girls, you did real

well. Carmen did a fine job all during the year, having some very good health information for each meeting. We enjoyed all the exercises, even though most of us couldn't do the things she was able to do.

Our hostess for next month will be Kathie Wilke. May being an open meeting we decided to invite a speaker to give us information and answer our many questions on making a will, if he is able to attend. We are to bring along our husbands. Each member will bring something of her own choice for potluck lunch.

The door prize was won by Kathie Wilke, it was a set of kitchen wall plaques.

Project leaders Cordell and Kathie gave a fine demonstration on how we are to clean, wax, polish and keep a varnished floor or floor covering beautiful without too much extra care. They demonstrated with an electric floor scrubber and polisher. Many of us wished we owned one as it did a good job in removing old wax that doesn't get worn off our floors between waxings. They also told why paste wax and why liquid wax may be more suitable for some floors than others.

Coffee and delicious hot beef sandwiches with several different kinds of crisp relishes were served for lunch by Cordell and her daughter Gloria.

Indians Break Even in Two Conference Games

The Kewaskum Indians were nosed out 6-5 by Random Lake in their opening Scenic Moraine conference baseball game last Thursday but bounced back with a 5-0 shutout victory over Pewaukee in the home opener Tuesday.

At Random Lake Willie Wetor doubled with a man on second base to give the Rams a 6-5 seventh inning decision over the Indians. Kewaskum had tied the score at 5-5 with two runs in the first of the seventh. The winners scored four runs in a big third inning. Gary Hamm, a relief pitcher, tamed the Indians from the second to the last inning.

Wetor and Arndt collected two hits apiece for Random Lake, while Oppermann collected two for the losers. Both teams had a total of six hits.

Kewaskum evened its conference record at 1-1 on Tuesday here as Hanselman hurled a 3-hit shutout against Pewaukee in the Indians 5-0 victory. The loss left Pewaukee's record at 1-1 after an opening day win over defending champion North Fondy.

A two-run double by Jack Theusch and another run scoring double by Tom Bartelt were Kewaskum's key hits. The Indians managed eight safeties off two Pewaukee pitchers, including loser Terry Ambelang. Staal made two of the losers' three hits, while J. Theusch and Bartelt each collected two for the victors.

The Indians scored three of their runs in the second frame, adding one in each of the first and fourth innings.

Over 3,200 dentists registered to review the latest scientific methods and developments in dental health. Also over 1,000 commercial set-ups were exhibited.

In connection with the gathering were a number of class reunions. It was interesting to note that out of Dr. Nolting's class of '98, 20% had died of heart attacks.

Scouts to Hold Annual Pancake Supper Sunday

Pancakes will flip and sausages will sizzle Sunday afternoon, April 30, at the fourth annual Boy Scout Pancake Supper sponsored by the Kewaskum Scouts. The event will be held, as last year, in the Kewaskum High school cafeteria. Serving will be from 4:00 p. m. until all are served.

Members of troop committee for Troop 44, and pack committee for Pack 44 will be active in the kitchen and KP and cleanup work will be by scouts of the troop. Cakes for the dessert will be baked by the mothers of the scouts.

Fast service is promised this year as the committee has built a special "double sized" grill and procured additional grills for the preparation of the brown goodies. Pancakes, sausages and all the trimmings will be served.

Tickets for the event may be secured from any Kewaskum Boy Scout or scouter or may be purchased at the door. Prices are \$1.00 for adults and 50c for children under 12.

The committee for the event is: Ralph Marx, ticket chairman; Lloyd Hron, Sr. and Albert Hron, Jr., ticket takers; Alfred Kral and Lloyd Teeselink, pancake pourers; E. "Mike" Gnacinski, L. N. Peterson, Joseph Schwind, Hank Weddig, Sr., and John Stellflug, grillmen; Bruce Petri, KP chairman, with Scouts Robert Miller, Lloyd Hron, Jr., Richard Wietor and Terry Reitz as KP's; Ned W. Sengpiel and William Key, mixers; Gottlieb Walz and Eugene LaMarche, cake servers and "Jimmy" Miller, "Cy" Wietor, Fred Fehlhaber, Myron Belger, Fred Spoerl, Ray Reitz, Alex Laubach, Carl

Backhaus and Edward Bunkelman, dining room attendants.

As a special feature of the event, surprises will be given every half hour during the serving.
