## Local Kiwanis Club to Sponsor 'Beauty on Our Bridges' Contest Again

The Kewaskum Kiwanis club will again sponsor a "Beauty on Our Bridges" contest this year similar to the one conducted last summer. Rules for the contest were announced this week.

Last year the club built twelve flower boxes attached to the railings on our three village entrance bridges to extend the many visitors to our fine village a warm and cheerful welcome. Four additional boxes will be attached to the river bridge on Main st. this year.

The contest is open to any group or individual who resides in the village. The planting and care of the boxes will be the responsibility of each contestant. Last year's participants will be given priority in the contest. Prize winning boxes will be selected Oct. 1. Applications should be made at Honeck Chevrolet, Inc.

Rules of the contest are as follows:

No. 1—Boxes provided by the Kewaskum Kiwanis club and hung by the village of Kewaskum will be filled with good top soil.

No. 2—The contestants will furnish the seeds or plants at their own expense and the flowers watered and cared for by the contestants.

No. 3—The neatness of the box of flowers will count towards the chances for the contestant to win a prize.

No. 4—Flowers must not attain a height of more than 25 inches above the soil at full maturity. Any mixture of plants may be used. Whatever you think will be beautiful enough to give you a prize.

No. 5—The judges will observe the flower boxes during the summer and reach a final decision by Oct. 1, 1961.

No. 6—The contestant's name will be placed on a board in each box, so as to be visible to all viewers.

No. 7—The contest is open to any person, group of persons or to any club desiring to enter the contest. You may have more than one box if they are available.

## POPPY POSTER CONTEST WINNERS ARE ANNOUNCED

The American Legion Auxiliary of Robert G. Romaine Post 384 sponsored a Poppy Poster contest which was open to all seventh and eighth grade children of Kewaskum schools.

The winners, all of whom are from Holy Trinity school, are: 1st, Susan Marx, \$3.00; 2nd, Robert Reindl, \$2.00; 3rd, Patricia Kohler, \$1.00; honorable mention, Suzanne Senn, Sandra Senn and Mary Nigh.

There were no participants from the public school.

## MISS JAEGER ENGAGED

Mr. and Mrs. Norman Jaeger, Kewaskum, announce the engagement of their daughter, Mary Ellen, of Milwaukee to John Jeffrey Ahrens, presently of Milwaukee, son of Mr. and Mrs. Don E. Ahrens, Bloomfield Hills, Mich.

## Two Men Injured in Tractor-Auto Crash

A tractor was wrecked, an auto badly damaged, and the drivers of both vehicles were injured about 8:10 p. m. Saturday in an accident on Hwy. 28 about a half mile west of Hwy. 144, and east of St. Michaels.

The mishap occurred when a car driven by Thomas F. Fay, 35, of R. 1, Kewaskum, traveling west on Hwy. 28 struck a tractor operated by John Breit, 46, R. 1, Kewaskum, which was also traveling west on 28 at the Breit farm. The impact was so great that the tractor broke into three pieces and the car was badly wrecked. Parts of the tractor were strewn around the scene of the crash.

Fay suffered broken ribs and a cut on the cheek while Breit incurred a cut head, bruises and cuts and a broken finger on his left hand. Both of the injured men were removed to St. Joseph's hospital, West Bend, in the Kewaskum firemen's ambulance.

Andrew Roden, 59, of R. 2, Kewaskum, was injured while pushing a wheelbarrow on a town road about ¼ mile south of Hwy. 28 near St. Michaels last Friday evening. The wheelbarrow was struck by a car driven by LeRoy A. Gross, 21, of R. 2, Campbellport.

The mishap occurred when the Gross auto came over the crest of a hill as Roden was pushing his wheelbarrow to the right of the center line on the highway, crossing to his rural driveway. Gross swerved his car into the ditch to avoid striking Roden, but the vehicle struck the wheelbarrow and a piece of wood from the wheelbarrow struck Roden in the leg, injuring him slightly. Only minor damage to the car resulted.

## 17 to Be Confirmed At St. Lucas Sunday

A class of 17 young people will be confirmed by the Rev. Donald Bitter at St. Lucas Lutheran church in Kewaskum on Sunday morning. They include:

Peggy Buswell, Jane Butzlaff, Karen Kaschner, Kathy Keno, Sharon Ebert, Dawn Martin, Peggy Larsen, Gail Justman, Mary Marquardt, Bonnie Smith, Linda and Brenda Rossow, Gloria Fick, Homer Justman, Kyle Jeske, Allen Martin and Frank Schoenbeck.

## EBERLE BEAGLE WINS 3RD IN PITTSBURGH TRIALS

Eberle's Bugle Ann. beagle hound owned by Joe Eberle of Kewaskum, placed third at the International Beagle Federation held at Pittsburgh, Pa. from May 10 to 15. Over 400 beagle clubs competed in this field trial with dogs from all over the United States entered. Eberle's Bugle Ann is the first beagle from Wisconsin to win at the international show.

## DOMANS MOVE TO FLORIDA

Mr. and Mrs. Warren Doman and family have moved from the Herbert Backhaus home on R. 2, Kewaskum, at the north village limits, to Kissimmee, Fla.

## Church Women Urge New State Law to Close Minor Bars

MEET TO CURB TEENAGERS' DRINKING, ACCIDENTS AND DELINQUENCY

Alarmed by the warnings of social workers, police and medical people, the United Church Women held a public meeting at Immanuel United Church of Christ in West Bend on Wednesday afternoon. A group of 60 persons attended from all Washington county regions to study the problem of what can be done by parents, citizens and church people to end the influence of the minor bars which are blamed for the sharp rise in juvenile delinquency, traffic accidents and growing number of teen-agers who have become alcoholic.

Recognizing that no single church or civic group could take the field alone in urging legislation which would raise the age for drinking any intoxicating beverage to 21, the church women were heartened by the interest and cooperation of every Christian denomination. Mrs. William Claybaugh and Mrs. Christian Meyer, officers of UCW presented reports on the evil existing at some of the teen bars, of which there are 14 in Washington county. Both urged state legislation which would raise the "drinking age" to 21 years and pointed out that only a state-wide law would prevent teen-agers from crossing into Washington county from surrounding counties where the legal age is higher than our set age of 18. The existing problem of Minnesota teen-agers driving across the state line to take advantage of the lower age in some Wisconsin communities has already resulted in an aftermath of fatal traffic accidents.

Also attending the meeting were Paul Humbel of the state police and Don Mertens, sheriff's deputy who were invited to explain the attitude of law-enforcement officers in regard to problems posed by teen-age drinking. Both pointed out that 85% of property damage and injury can be traced directly to the excessive use of alcohol. Humbel noted that the "I.D." cards used by teen-agers to prove their age to be 18 can and are forged in some cases. Both urged parents to examine national statistics in which alcohol is blamed for 60% of sex violations, 67% of vandalism and 16% of theft. (in order to purchase drinks). Humbel suggested that an attempt be made to rent a hall and bowling alley, provide good food and soft drinks at reasonable prices, a plan to be supervised by volunteers, perhaps parents and friends of young people. "Would the kids come?" The audience was invited to consider the question.

Mertens urged parents to take a good look at themselves. He acknowledged that modern cars made it difficult to give an answer to the question, "where are your children?" He related the week end headache of a police officer who watches the teenagers stream into Washington county

## Four Kewaskum Girls Enter 'Alice' Contest

REGION THREE CONTEST AT WEST BEND MAY 27 TO HAVE 39 ENTRIES

A total of 388 personable Wisconsin girls, including 39 in our Region 3, want to be the state's 14th Alice in Dairyland and will vie for the title. That total was reached Monday when the last entries arrived for processing. Sunday, April 30, was the entry deadline. The 388 is a near record for the contest.

West Bend will host the Region 3 contest on Saturday, May 27 in a colorful program and banquet that will feature the appearance of Miss Joan Engh, the current "Alice." The evening banquet will be held at St. Frances Cabrini auditorium at 6:30. Tickets, at \$2.25 each for a family style dinner, are available from the West Bend Jaycees.

Each of the entrants has received instructions covering the first hurdle to the position—where and when to appear at the regional contest. Two finalists will be chosen at each of the ten regional interviews with the winners moving to Marshfield June 22-24 for the big event—the choice of a successor to Miss Engh, the current "Alice."

Regional contests will be held May 13, and 27 with all host cities planning special events for the day. Each candidate will be interviewed by a panel of judges during their stay in the regional city. Parades, entertainment and other features will keep the contestants busy during the day. In most cities the names of the two winners will be announced at a banquet climaxing the event. Dates of the regionals are: May 13—Stoughton (2), Woodville (8), Superior (10), May 20—Delavan (4), Brillion (7); May 27—Lancaster (1), West Bend (3), Black River Falls (5), Wautoma (6), and Shawano (9). A flock of 22 entries were received in Region 3 during the final week of entering, according to Region Chairman Bob Schroeder, including four girls from the Kewaskum area. They are Sally Westerman, Mary Forester, Mary Weier and Dorothy Reindl, all of R. 2, Kewaskum. Contestants will be judged on personality, poise, photogenic qualities, health and appearance.

Among the many contributors to help defray financial expenses for the event are these from Kewaskum: Kohn Bros. Farm Service, Inc. and Rosenheimer store.

## RUG WASHER AT OURS LAUNDRY INSTALLED

Robert Ours, owner of Ours Dry Cleaners and Coin Laundry, announces the addition of a 25 lb. rug washer in his coin operated laundry.

This machine will wash a 9x12 shag rug, seven or eight smaller rugs or 13 double bedsheets and eight pillow cases or equivalent to that amount—all for two quarters.

## BIRTH

HAACK—A daughter to Mr. and Mrs. Karl Haack, R. 1, Random Lake, Friday, May 12.

## Mrs. N. W. Rosenheimer To Become Member of UW's Half Century Club

Mrs. Newton W. Rosenheimer, Kewaskum, is among the 371 surviving members of the class of 1911 of the University of Wisconsin who will be inducted into Wisconsin's Half Century club at one of the highlight events of the state university's annual commencement-reunion week end calendar June 2-5 in Madison.

The surviving members of the class who received their degrees from the university 50 years ago will become members of the Half Century club at a luncheon in the Memorial Union on Friday, June 2. This year marks the 21st in the history of the university and its Alumni association that the certificates have been presented to Wisconsin graduates of a half century or more, beginning with the class of 1891, and brings total membership in the club to over 2,800 over the past 20 years.

Climax of the university's commencement-reunion week end will be the solemn commencement ceremony at 9 a. m. Monday, June 5, in the Wisconsin stadium, at which more than 2,400 students will be given their first and higher degrees and five honorary degrees will be conferred by the university.

## Legion Post Elects; Joe Miller Commander

Meeting on Tuesday evening at the clubhouse, members of Robert G. Romaine Post 384 of the American Legion elected officers for the year 1961-62. Joseph M. Miller was elected commander to succeed Otto Weddig.

Other officers selected are as follows: 1st vice-commander, Erwin Bonlender; 2nd vice-commander, Donald Koerble; chaplain, Homer Schaub; historian, Orval Behnke; sergeant-at-arms, John Tesar, Jr.; executive committee for three years, Clayton Stautz, Erwin Bullette and John Geidel; executive committee for one year, Eugene La Marche.

The Legion post is planning to hold their annual Memorial Day parade and exercises on Tuesday morning, May 30. Particulars will be published in the next issue of this newspaper.

## CHIMNEY FIRE WEDNESDAY AT ERVIN BUTZLAFF FARM

The Kewaskum firemen were called to the Ervin Butzlaff farm home in the town of Kewaskum, located about 2½ miles southwest of the village, at 1 p. m. Wednesday to put out a stubborn chimney fire. The chimney was clogged and firemen had some difficulty opening it, spending almost an hour at the scene. No damage resulted except for some smoke pouring through the house.

## HOSPITAL NEWS

Miss Edna Schmidt, Kewaskum, who has been a patient at St. Joseph's hospital, West Bend, submitted to an operation last Friday.

## 25 Years Ago

The Kewaskum Statesman  
May 15, 1936

As the first step in converting the Kettle Moraine district into a state park, Gov. Ph. F. La Follette approved action by the state conservation commission in acquiring the Izaak Walton League preserve of 842.2 acres surrounding Moon lake in the town of Auburn, seven miles northeast of Kewaskum. The wooded refuge, which includes three lakes covering about 100 acres, was bought by the state for \$10,000. Ten years ago it cost the league \$40,000 and the Waltonians spent between \$10,000 and \$20,000 additional for breeding pens for game birds and other equipment and in planting trees. Extensive use of the refuge will be made by school children from Milwaukee and other southeastern Wisconsin cities for tree planting and will provide a recreation area for families who do not have the means to travel into far northern Wisconsin.

Jaeger Bros. construction crew of West Bend, who secured the contract for the excavating of the new Campbellsport high school basement, are making rapid progress with their steam shovel. Soon that village will have a modern high school building, of which they have been in need for many years.

Thousands of sea gulls moved in from Lake Michigan recently to feed on dead fish that smothered in lakes in this vicinity, including Long lake, Mud lake, Moon lake, Round lake and Lake Fifteen. It was the first time that any number of these birds have been so far inland. Nearly all, if not all, of the fish in Moon lake perished as the shore was lined with bass, pickerel and smaller fish. Some pickerel found weighed 15 pounds. Death of the fish was due to the severe winter when the ice froze unusually thick.

Through the efforts of his music instructor, Howard Dehne, Sylvester Terlinden of this village was featured on a 15 minute ra-

dio program over station KFIZ, Fond du Lac. Tuesday evening, "Ses" rendered seven numbers on his piano accordian.

Arnold Amerling is employed at the George Peter farm in the town of Wayne for the summer months.

A class of six boys was confirmed at Peace church by Rev. Richard M. A. Gadow, namely Frederick Buss, Marlin Dreher, Curtis Romaine, Oliver Petermann, Russell Belger and Harold Manthei.

Joseph Uelmen, Jr. resigned his position at the Kewaskum Aluminum Co. plant and left for Milwaukee, where he has obtained secretarial employment.

### FIFTY YEARS AGO

May 13, 1911

Architect Robert Messmer of Milwaukee was in the village on business. He will draw the plans for the buildings to be built by the Bank of Kewaskum and L. Rosenheimer Malt & Grain Co.

Martin Walter of Appleton, former president of the George Walter Brewing Co. of that city, purchased an interest in the West Bend Brewing Co.

The Hamm building in Kohlsville was visited by fire and completely destroyed. The blaze was noticed when an explosion was heard by Mr. Hamm and wife, who were asleep.

The dance given by the band boys Sunday was a big success. About 80 couples participated in the merriment.

### BUY A POPPY NEXT

FRIDAY, MAY 26

"Wear a Poppy," an annual appeal from the American Legion Auxiliary, will be heard in Kewaskum this coming Friday, May 26.

For more than 40 years Poppy Day has offered citizens of this country the opportunity to remember both the nation's war dead and its disabled veterans. The poppy became immortalized in a poem by a Canadian soldier, Lt. Col. John McCrae, entitled, "In Flanders' Fields." Practically everyone is familiar with its opening lines: "In Flanders' fields the poppies blow between the crosses row on row."

The poppy as a memorial to our servicemen's sacrifices for the cause of freedom dates back to the years following the first World War. The American soldiers re-

turning home in 1918 were familiar with the wild European poppies which bloomed on the battlefields of Europe.

All of the red crepe paper memorial flowers offered to the public each year by volunteer workers are made by veterans in hospitals and recuperation centers throughout the nation.

Since the years following World War I the flower has become symbolic of the sacrifices all American servicemen have made in the nation's defense. Wearing a poppy on May 26 will be your opportunity to remember them.

## Around the Town

Notice! We already have tickets for the Pony league benefit movie June 5-6 in case there are one or two boys left who haven't been in to sell them at our office.

Attention single fellas! There'll be about 700 more nice young chicks running around here after today, May 19. (That's the day the sportsmen's club will receive their day-old pheasants for raising).

Revolting development department—did you hear about the local, freshly married couple who returned home from their honeymoon lately to find crushed soda crackers and broken salted peanuts in their bed? Five pounds of them yet! What a crushing experience.

One of our luckier residents with a brand new home says he is now dreaming of adding a beautiful flower garden. May we suggest that instead of dreaming about a flower garden he should get down to earth and plant one.

Understand three of our authoritative fishermen by the names of Zacho, Schmidt and Reindl, who need no introduction to this column, landed a 31 inch, 7½ lb. muskie at Little Green lake Sunday. The muskellunge is Wisconsin's fightingest fish. The species was planted in Little Green about three years ago and are just now becoming of catching size (30 inches). The season on them opened Saturday and the one caught by the local fishing fanatics was the first one bagged at the resort they fished, although several were caught at other resorts the opening day. These are the facts, now for the fun as the story goes: Zacho hooked the muskie, Schmitt landed it in the boat and sat on it (really) and it was Reindl's landing net, so all three claimed the fish. Now the amazing part is that the big fish was caught on a spinning rod, hauled in with a panfish landing net that only the fish's nose fit into, and with bumble bees for bait. So claims Schmitt, who has floor burns all over his knees from riding the muskie piggy back on the bottom of the boat. Wonder how he would make out with a big one? A 31 incher is just a baby, hardly legal size. Since catching the muskie Zacho, who claims he is the best fisherman in 14 counties, now boasts he is the best in 15, adding Green Lake county. When this trio goes fishing they don't try to catch them, they have to fight them off.

More about fishing and ye olde carp. Recently this same Schmitt was fishing on the river near his home with his young son Curt (age 5). He hooked and landed a monster 11 lb. 28 in. carp, a real whopper. A short time later he pulled in a 4 lb. redhorse, also a very big fish, especially for a redhorse. But after that giant carp Curt asked: "Daddy, how come you're fishing for little ones now?" Booby Bohn came in with his 4-wheel drive and trailer to haul the fish home. So Schmitt and another fellow both made history and became famous that day. It was the same day that astro-

naut Shepard popped into space.

When you go for fish go all out. In another recent fishing incident a local group went sucker spearing. One of them forgot his boots so went barefoot. First he stepped into a big thistle and had to take time out to pick thorns out of his feet. Then he overlooked the fact that cows had preceded him in the pasture and a step or two later—whoosh! But it takes more than this to discourage real fish enthusiasts.

Still fishing. Now we hear that Schmitt's carp record went down the drain Sunday when Surveyor Milt Schaefer of West Bend caught an 18 lb. carp in the river. No wonder the river was so low this week. That one must have been planted when the Indians still roamed the shores of the Milwaukee river. The great-great-grand daddy of many a little carp. That would even be a lot of bull.

## Awarded Annual \$100 Nursing Scholarship

Miss Carolyn Heintz, student of St. Agnes School of Nursing, Fond du Lac, was named recipient of the Registered Professional Nurses' annual \$100 scholarship when the organization met at Hartford Monday evening.

Miss Heintz, daughter of Mr. and Mrs. Robert Heintz, Hartford, also received the scholarship a year ago when she entered nurse's training.

Dr. Richard P. Jahn, M. D., medical director of the Wisconsin Anti-Tuberculosis association, spoke to the registered nurses on "Tuberculosis Today." He described characteristics of the organism and the nature of its growth in animals, birds and humans. Dr. Jahn said "the greatest source of infection is by 'droplet infection', in other words by inhaling the cough or breath of an infected person.

Chemotherapy, or treatment of TB with medication, has vir-

tually cut the hospitalization of patients from years to months. Dr. Jahn warned, however, that tuberculosis is not entirely conquered so we must not assume the attitude that it is defeated.

The representative of the WATA urged that everyone continue to practice good health habits, seek skin tests, have a safeguard x-ray check whenever the mobile bus is in the area and above all, seek medical help when one suspects having been exposed to an infected person.

The business meeting included election of two new officers, Miss Veronica Frigo to the office of president and Mrs. Robert Berger to the office of treasurer.

CAMPBELLSPORT TEL. #111**Weddings****BOEGEL-STRUEBING**

St. Bridget's church in the town of Wayne was the scene of the marriage of Miss Joan Marie Boegel, 6615 W. Center st., Wauwatosa, daughter of Mr. and Mrs. Oscar Boegel, R. 1, Allenton, and Robert W. Struebing, son of Mr. and Mrs. Wilmer Struebing, R. 2, Kewaskum, on Saturday, May 6. The Rev. John T. Budde read the 11 a. m. nuptial mass.

The bride wore a white taffeta and lace gown with long sleeves and a lace trimmed organza overskirt. A crown held her veil and she carried red roses.

Lucy Mae Boegel served as her sister's maid of honor, and another sister, Rita Boegel, and friends of the bride, Audrey Struebing and Ann Amerling, attended as bridal aides. The attendants were identically gowned in waltz length pink taffeta and organza dresses over lace with matching head pieces and shoes. They carried pink roses. Sheila Sonnenberg was flowergirl for her aunt and wore a miniature copy of the gown worn by the other attendants. She carried a tiny basket of rosebuds and orange blossoms.

Serving as best man for his brother was Ralph Struebing, while the bride's brother, Lambert Boegel, acted as groomsman, together with Maurice Struebing and John Amerling. Ushering duties were performed by the bride's brothers, John and James Boegel.

A wedding dinner for the bridal party and immediate relatives was served at Bauer's hotel in Campbellsport. This was followed by a reception, supper and dance at Nonn's Kettle Moraine lake resort.

The newlyweds left on a honeymoon trip through the southern states and will make their home at R. 1, West Bend. The bridegroom is a graduate of Kewaskum High school and is employed at the Kieckhafer Corporation, Cedarburg. His bride, a Kewaskum High school and Milwaukee Comptometry school graduate, is a comptometrist at the Standard Oil Co., Milwaukee.

**KEMPF-KUDEK**

Miss Joyce Kempf, 229 W. Water st., Barton, daughter of Mr. and Mrs. Otto Kempf, became the bride of Roger Kudek, son of Mr. and Mrs. Joseph Kudek, R. 2, Kewaskum, during a nuptial mass read by Father O. F. Ullrich in Immaculate Conception church, Barton, at 9:30 a. m. on Saturday, May 13.

The bridal gown of embroidered tulle was floor length and had a V-neckline. Ruffles and a chapel train accented the full skirt. A pearl and rhinestone crown held her elbow length veil. She carried a heart shaped arrangement of pink and white carnations.

The honor attendant, Mrs. Alan Weeden, and the bridesmaids, Shirley Kudek, Carolyn Kempf and Kathleen Taylor, wore floor length dresses of pale blue dotted swiss with darker blue trimming. All carried pink carnations combined with blue and white feathered carnations.

Best man was John Kudek, while Donald and Daniel Kempf and Robert Kudek served as groomsmen. Guests were placed by Delmar and Gerald Kempf.

Following the ceremony a dinner, reception and dance were held at the Barton Opera House.

Following their return from a

wedding trip to Iowa, the couple will be at home in West Bend. The bride, a graduate of West Bend High school, is an office employee of The West Bend company. Her husband graduated from Kewaskum High school and is a spray painter at Gehl Bros. Mfg. Co., West Bend.

## ELECTED TO MEMBERSHIP IN COLLEGE FRATERNITY

Forty Oshkosh State college education students who have or will receive degrees between July, 1960 and July, 1961 have been elected to membership in Phi Beta Sigma, national honorary fraternity. Students installed into the fraternity include Joanne Reitz, 1209 Roseland Dr., Kewaskum.

Each year the college faculty elects to membership not more than fifteen per cent of those seniors receiving degrees from education divisions. The fraternity is distinguished in that only scholarship and good character are considered for the election of members.

New members were installed at 6:30 p. m. Thursday at the college union prior to the chapter's 36th annual convocation banquet

## Award Highest Grade To the Barton Dairy

All milk and milk products processed by the Barton Dairy, R. 2, Kewaskum, has been awarded the right to continue to use the Grade A label on all of its cartons and milk containers. This is the highest grade possible. It indicates that milk producing farms and the local processing plant are under continuous strict inspection. Tests are run by certified laboratories on all products. Low bacteria standards must be met. Highest sanitary requirements are maintained.

This constant supervision by trained milk sanitarians assures the consuming public that their

local milk and milk products are processed and packaged under the very best of conditions.

Congratulations to our dairy, its employees, and its producers, for meeting these grade standards

## Our Police Chief Says

In the past month, especially during the noon hour, juveniles were observed shoplifting on three different occasions in our stores. Cigarettes, candy and school supplies were taken. We are concerned because during the school year of 1960, we did not receive one complaint of shoplifting.

Sheep should be sheared before they go to pasture.

### Slinger Nips Indians In 12 Innings, 5-4; Team Ties for Last

Slinger and the Kewaskum Indians battled for 12 innings, almost the length of two ball games before the Owls nosed out the local nine, 5-4, at Slinger last Thursday. The setback left Kewaskum with a 2-4 record and dropped them to a tie for last place at the season's end.

Don Held hurled the entire 12 frames for the Owls and won his own game with a run-scoring double in the twelfth inning. It was a tough one for the Indians to lose as they led 4-1 going into the last of the seventh inning, when Slinger rallied for three runs to knot the score and send the contest into overtime. The teams battled for four scoreless extra innings before the Owls pushed over their winning marker in the 12th.

Slinger garnered 6 hits to only 4 for the losers. Kewaskum scored three of their runs in the first two innings and added one in the sixth. The Indians' hits were divided while Don Held collected two for Slinger.

Thursday's games ended the campaign for all teams except Campbellsport and Slinger who had a makeup contest to play and this game took place Monday with Slinger beating the Bells, 6-2. The win gave the Owls a tie for the Scenic Moraine conference championship with Campbellsport. Both finished with 4-2 records. In another game played Thursday North Fondy set some kind of a record by crushing Random Lake, 27-1.

#### COP SECOND IN DOUBLES IN BOWLING TOURNAMENT

Final results of the annual bowling tournament of the West Bend Bowling association were announced last week by Jim Burckhardt, tournament director. Kilan Honeck and Augie Bilgo of Kewaskum copped second in the doubles event.

The team event trophy went to the Narges Implement squad of Campbellsport which combined a 2,645 scratch score with a 402 handicap for a 3,047 total. Al Multhauf posted the high single game among team scores with a 255. Harold Kohlman and Orv Hannan took first place in the doubles with a 1,304 total. Honeck and Bilgo took second with 1,297, with Bilgo contributing 700 on a 574 scratch and 126

#### DEER, OTHER GAME KILLED BY AUTOS, EIGHT POUND WALLEYE TAKEN IN RIVER

The afternoon of May 10 a doe deer was killed at the Dodge-Washington county line. She was hit so hard that her unborn fawns were found ten feet from the animal.

This past Sunday evening two doe deer ran into the side of a large truck and were killed a half mile north of the Waukesha county line on US Hwy. 31. A short time later another was killed a mile north of the county line.

The car kill of rabbits, squirrels and pheasants has been rising rapidly the past two weeks.

A few perch have been taken on the breakwater at Port Washington with spinning tackle. The inner harbor has produced nothing. An eight pound walleyed pike was taken in the river near Waubesa recently. These fish were planted about 1938, few survived, but those that did have grown to good size. Crappie fishing is picking up at the north end of Big Cedars. Bass fishing has been good and a few northerns of medium size taken. Night fishing for walleyes is fair to good at Pike lake.

Trout fishing continues good at Wallace lake and fair at the Allenton creek. Panfish are biting at Friess lake and Lake Five. Other lake fishing is slow.

Deer are starting to move. In May and June our car kills mount in this area, the majority of them does. Apparently they are trying to loose the young of last year before they drop this year's fawn.

Both federal law and Wisconsin law requires that the certificate of number for your boat be available for inspection on the boat, at all times, while the boat is in use.

We urge you to arrange to fasten the certificate of number in your boat; then it will be there to be inspected regardless of who is using the boat.

By the way, if you rent or borrow a boat be sure the certificate is in the boat, as you will be in violation if the certificate of number is not available for inspection while you are using it.

Stop and think before you dump those unused minnows overboard. If you can't save them for your next fishing trip, take them home for the cat. If you have no cat, bury them in your garden because minnows make wonderful fertilizer.

Why? Dumping minnows overboard always runs the risk of introducing exotic or undesired fish. Lakes poisoned and stocked with trout can be spoiled quickly by competing minnows. How serious it would be to stock carp in a nice clear lake from the innocent contents of a minnow bucket!

Don't forget that stocking fish without a permit is illegal. It is also illegal to transport alive, rough fish such as carp, dogfish, garfish, lawyers or eelpout, lampreys and smelt.

### Schaub to Participate In Language Institute

Calvin J. Schaub, formerly of R. 3, Campbellsport, and now a German teacher at Clinton, in southern Wisconsin, has been accepted as a participant in the National Defense Education Act Foreign Language Institute at the University of Wisconsin. This institute to improve the quality of foreign language instruction by providing advanced training methods and instructional materials will be held from June 16 through Aug. 11, 1961. It is in co-operation with the U. S. Office of Education of the U. S. Department of Health, Education and Welfare.

Schaub will also study contemporary German life and literature and will live in a language section of a dormitory to increase the oral proficiency of all teachers participating.

He is a 1956 graduate of Kewaskum High school and a 1960 graduate of Lakeland college and member of Mu Lambda Sigma fraternity.

### Church Women

(Continued from page one)

each week end to take advantage of the 18 years legal age. "They are mild enough when they come in, but they go back like tigers."

Dr. James Albrecht of Jackson was the main speaker at the meeting. Rushed and hurried by emergencies, nothing new for the busy young doctor, he was further delayed as he was about to pass his home on the way to West Bend. Yielding to frantic signals from his family he stopped to aid them with a pressing medical problem. Their hobby is raising sheep, so he met the "emergency" and delivered two lambs. The doctor added, thoughtfully, that the concern of the parents over the teenage drinking was an admission that God has given children into their care as shepherds care for their sheep.

Dr. Albrecht in explaining that he has seen the physical and emotional disasters caused by drinking, urged each family to have a code to which they adhere. He deplored the shabby action of parents who have persuaded their children not to testify as to where they bought the alcohol which had caused serious automobile ac-

cidents. "It is then impossible to obtain a conviction." He related the sorry attitude of older people in regard to damage caused by social drinking. Violations of laws, ethical and moral are sometimes "condoned" because "it might have been me."

There are two bills before the Legislature: Bill No. 388S—a bill before the Senate, introduced by Senator Kendzioriski on March 11, 1961. This bill states "no fermented malt beverages shall be sold or dispensed, given away or furnished to any person under the age of 21 years." Write to Senator Kendzioriski or Senator Panzer from our area urging them to place their support behind this bill.

Bill No. 476A—a bill before the Assembly, was introduced by Assemblyman Vincent R. Mathews and Assemblyman Merrill E. Stalbaum. It states, "no fermented beverages shall be sold, dispensed,

given away or furnished to any person under the age of 21 years unless accompanied by parent or guardian.

Please write to our local representative, Assemblyman Schowalter, or one of the two men who introduced the bill urging their support.

It is important that one of these bills passes. We feel the Senate bill is better. Call me if you can also attend the hearings on these bills.

The correct address for any of the above mentioned men is: Wisconsin State Capitol, Madison, Wis.

Please do write and also attend the hearing. Time will be announced later.
