#### BEECHWOOD PETITIONS TO JOIN KEWASKUM HIGH SCHOOL DISTRICT

The Kewaskum Elementary school for all grades, kindergarten through eight, will open on Tuesday, Sept. 5, at 9:00 a. m. Incoming freshmen and transfer students will report at the high school on Tuesday, Sept. 5, at 9:00 a. m. All other high school students, sophomores, juniors and seniors, will report for the first time on Wednesday, Sept. 6, at the usual time of 8:20 a. m.

A record 124 freshmen have already registered for high school and many more are expected to enroll by the start of school, according to Principal Clifford M. Rose. So far there are also 12 transfers from other schools enrolled and the total high school enrollment should exceed 400 for the first time in history. Last term there were 384 students in high school. There will also be a slight increase in the kindergarten and elementary school to approximately 400 pupils.

The Beechwood School District has petitioned to join the Kewaskum High School District. At a special meeting held recently for the purpose of deciding on which high school district they would care to join, 76 persons voted and the results were 69 in favor of joining the Kewaskum district with only 7 favoring other high schools like Random Lake or Plymouth. The Sheboygan County School committee has set the date of Sept. 7 to meet with the Washington and Fond du Lac county school committees to consider the petition of the Beechwood School District electors to join the Kewaskum district.

The cafeteria in both the grade and high school will be open for the first time on Wednesday, Sept. 6. Grade and high school youngsters reporting on Tuesday will have to bring their own lunches for that day and will have to be able to provide money for their lunch tickets for the balance of the week, which will be 75 cents. All students reporting for the first time on Wednesday and who wish to eat in the school cafeteria Wednesday, Thursday and Friday should report to the school office immediately upon arrival Wednesday morning to purchase their lunch tickets. Weekly lunch tickets for the balance of the school year MUST be purchased on Friday of the preceding week.

Buses will make their usual runs as they did during the first semester of last year beginning on Tuesday, Sept. 5, the only difference being that on this first day of school they will be running one-half hour later than on subsequent days.

Dear Bill:  
Just thought I'd drop you a few lines to let you know how everything is down here at Lackland Air Force Base.

Actually there are very few services which can boast of the high standards present in the air

force. I hope this don't sound too much like a recruiting poster but down here we have swimming pools, rifle ranges, a full 18 hole golf course, an AF museum with every type of plane in the A. F. on display and many exhibits and recreation facilities which we can use on our base liberty.

What I really wanted you to do was to tell where I'm stationed and give my address, which is as follows: A. B. Merrill W. Haug, AF 16704869, Box 1506, Ft. 912, Sqd. 3706, Lackland AFB, Texas. Thanks in advance and be good, will ya?

## Our Police Chief Says

The Better Business Bureau warned home owners to be on guard against fast talking furnace salesmen. This is the time of the year when the bureau received most of its furnace complaints.

The gyp salesmen frequently canvass neighborhoods during the day when only housewives are at home and try to talk them into letting them inspect their heating system.

There were instances when the salesmen have actually dismantled a furnace and told the home owner it was defective and might cause asphyxiation by leaking fumes into the house.

Any home owner who is suspicious about a furnace salesman should contact the police department.

## New Washington County Court House Nearing Completion; Cornerstone Laid

Although work on the canopy over the main entrance, other exterior masonry and landscaping are still incomplete, "finishing touches" have been made to the exterior of the new \$1,600,000 Washington county court house on Division st. in West Bend.

An impressive cornerstone laying ceremony was held at the new building recently with about 200 persons in attendance. Many speakers honored the years of

service of the old court house and justified the erection of the beautiful new structure to meet the needs of the rapidly growing county.

Judge Milton Meister was main speaker of the 1½ hour program. E. M. Romaine of Kewaskum, county board chairman, gave the response and traced the growth of the county. Guido Schfoeder, veteran board member, sealed the cornerstone and pointed out that

the metal box included current copies of the Washington county board proceedings, statistical report of the county, county directory, prospective of the new court house, picture of the county board and copies of the West Bend News, Hartford Times Press and Kewakum Statesman.

Reuben Schmahl served as master of ceremonies. Sheriff Bill Johnson said the new building will provide maximum security as far

as jail facilities are concerned. County Clerk Anton P. Staral introduced board members and guests from Dodge, Ozaukee, Winnebago and Fond du Lac counties. Architect Ray Gauger described the construction of the building and there were other speakers on the program. The Rev. John Budde of Holy Trinity Catholic church, Kewaskum, gave the invocation.

### OLD TIMERS, RAINBOW LEAGUE TEAM TO MEET

Some of the old time Kewaskum ball players will take on the present Rainbow league team in an exhibition under the lights here Sunday at 8 o'clock. It is hoped that enough old timers will get their uniforms out of moth balls and show up for this super battle of age against youth. Some of the oldsters believe they still have enough "go" in them to show the young whipper-snappers how the game should be played.

The Rainbow team placed second in the southern division of the loop with a 7-3 record. The old timers' lineup is expected to include such former players as Killy Honeck, Mix Marx, Greg Theusch, Clayton and Red Stautz, Bob Staehler, Bud Korth, Barney Prost, and others. Anyone no longer active in the game is invited to

participate.

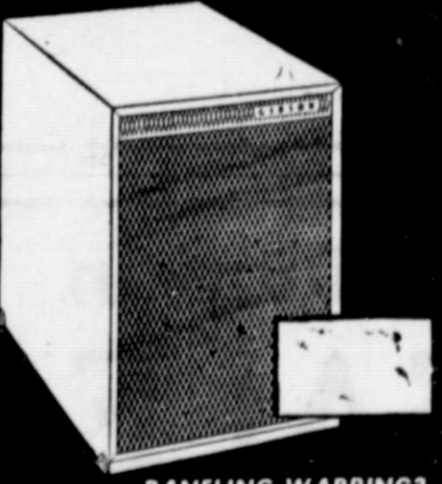

### OVERFLOW CROWD AT BENEFIT MUSICALE

There was standing room only at the Washington County Hospital benefit musicale presented at St. John's United Church of Christ, Kohlsville, Sunday evening, Aug. 20. The large crowd was delightfully charmed by the excellent variety of music and settings. The "sharing time" collection, which will be used by the county hospital toward a rehabilitation therapy department, amounted to two hundred eighty-two dollars and seventeen cents.

# 25 Years Ago

Aug. 21, 1936

John Burgert, 40, of Campbellsport, father of five children, was killed while working as a lineman for the Wisconsin Gas & Electric Co. in the West Bend district, when he contacted a high power cable and 48,000 volts shot through his body. Fellow workers rushed a block and tackle apparatus to the scene and required 10 minutes of labor to get Burgert's body clear of the wires. One of his arms was burned to the bone.

Fifty-one children and one adult received the Sacrament of Confirmation at St. Michael's church, St. Michaels. His Excellency, Archbishop Samuel A. Stritch, D.D. of Milwaukee administered the sacrament. Father Philip J. Vogt was among the number of neighboring priests who assisted and were present in the sanctuary.

After motoring to Chicago to attend a wedding, Mr. and Mrs. Edw. E. Miller, daughters Mary Ellen, Donna and Joan, Mrs. Mary Little and James Ryan were involved in an accident from which they escaped serious injury when another car crashed into the one driven by Miller. The collision occurred on the south side of Chicago when a Terraplane exceeding the speed limit and driving through an intersection crashed into the Miller car, spinning it around and tipping it over. They were fortunate in escaping with bumps and bruises, especially with three small children in the car. Were it not for shatter-proof glass and an all steel body in Miller's new Dodge, all could have been seriously hurt.

John Louis Schaefer, graduate of the local high school and University of Wisconsin, has accepted a new position as assistant principal, science teacher and head football coach at the Manawa, Wis. High school. For the past two years he had been associated with the Cazenovia schools, where his basketball teams won the Baraboo Valley championship the past two years. Manawa is located in Waupaca county.

Claimed in death recently were Louis Hess of North Fond du Lac, husband of the former Mary Kohn of Kewaskum and brother of Louis Hess; Mrs. Johanna Kutz, town of Osceola, formerly of Kewaskum; Henry Becker, Kewaskum; Mrs. Christ Becker, town of Auburn; Thomas Byrne, town of Wayne; Peter Dricken, Milwaukee, last remaining Civil War veteran, formerly of the town of Kewaskum; Jac. Henry Habeck, Alton Altenhofen and Emerson Olwin were at Theresa Sunday where they assisted the Campbellsport team in playing ball against the Theresa boys. The latter won in an exciting game, 10-8.

A pretty wedding was solemnized at St. Kilian when Rev. Fulbisoner performed the ceremony for Miss Adelaide Straub of St. Kilian and Joseph Oppenorth of this village.

At Holy Trinity church here Rev. Ph. Vogt pronounced the words that made two hearts beat as one. The young people who enlisted in each other's happiness were Miss Minnie Beisbier of this village and Frank Fleischmann of Ashford.
