Mobile X-Ray Clinics Scheduled in Village Jan. 25, 26 and 30

PROGRAM WILL OFFER FREE
CHEST X-RAYS, RECORDING
OF BLOOD PRESSURE

The mobile x-ray unit is conducting a tour of Washington county throughout the month of January and beginning of February, offering free chest x-rays and the recording of blood pressure to all citizens over 18 years of age. It is sponsored by the State Board of Health and the Christmas Seal Society.

The unit began its tour on Jan. 2 at Hartford and will complete its visits on Feb. 6 at West Bend. Residents of this community are urged to clip the following listing of the mobile unit's stops in the Kewaskum area for reference in the near future.

Dates the unit will be in our vicinity are as follows:

Wednesday, Jan. 24—Open center, fire house, Boltonville, 2 to 4:30 p. m.

Thursday, Jan. 25—Regal Ware, Inc., Kewaskum, 9 a. m. to 12 noon and 3 to 5 p. m.

Friday, Jan. 26—Open center, Kewaskum Municipal building, 9 a. m. to 12 noon.

Tuesday, Jan. 30—Open center, Kewaskum Municipal building, 10 a. m. to 12:30 p. m. and 2 to 4:30 p. m.

Wednesday, Jan. 31—Open center, Strobel's hall, Wayne, 10 to 11:30 a. m.

Some facts about tuberculosis and the mobile x-ray unit follow:

Tuberculosis is a contagious disease; it is contracted from someone who has had it in the active form. Early tuberculosis gives no warning; the x-ray will show it long before symptoms appear. Reports of the x-ray will be sent to the individual about four to six weeks after it is taken. Chest x-ray show not only lung conditions but also the size and shape of the heart. The x-ray will take only a few minutes of your time. Only outside garments must be removed.

This is your community health program. Promote good health in your community by having a free chest x-ray and remind your neighbor to have one. That, too, is your protection against the disease. Join the campaign to fight and eradicate this disease. Because the State Board of Health is aware that there are many people with undiscovered tuberculosis, they are offering these x-rays free. Stop tuberculosis before it stops you!

The local health officer, Dr. R. G. Edwards, recommends and urges all adults to attend one of these clinics because not only tuberculosis is found but also early cancer of the lung and unsuspected heart disease will be revealed. For your own peace of mind to know that all is well, please attend.

Five Hurt in Three Car Crash South of Village

Slippery driving conditions were a contributing factor in an accident in which five persons were injured in a three car crash one and one-half miles south of Kewaskum on Hwy. 45 at the junction with Hwy. H at approximately 12:05 a. m. Saturday.

The mishap occurred when a car driven by Robert Butzke, 17, of Kewaskum which was traveling south on Hwy. 45, slowed to make a left turn onto County Trunk Hwy. H when a car behind, operated by Dennis Rady, 20, of West Bend swung to the left to avoid the Butzke auto but struck the left rear bumper. The Rady auto then skidded across the northbound lane of traffic and was struck by a northbound auto operated by Sylvester Wenzlaff, 44, of Campbellsport.

Hurt in the collision were Arnold Bechler, 61, Campbellsport, lacerations on the forehead, right temple and forearm; Mrs. Bertha Bechler, 59, Campbellsport, multiple contusions on the left arm and right hip and Wenzlaff, injured teeth. All were occupants of the Wenzlaff vehicle. Also injured were Rady, who suffered a probable fracture of the right arm, abrasions and contusions of the right hand and James Fellenz, 20, of West Bend, a passenger in Rady's car, who incurred right arm injuries.

Four of the injured were removed to St. Joseph's hospital, West Bend, in the local firemen's ambulance, while the fifth accompanied a local physician to the hospital in his auto. Both the Wenzlaff and Rady machines were quite badly damaged.

Henrietta Korchunoff, 45, R. 1, Allenton, suffered a head bump about 1 p. m. Saturday when a car driven by her husband, William T. Korchunoff, of the same address skidded off of Hwy. 28 about a mile east of U. S. 41 to avoid colliding with two trucks which were stalled on the highway ahead.

Br-r-r!

One didn't have to glance at the calendar this week to know it's winter. You could see and feel it all around. We're convinced, Mr. Weatherman, you proved your point and we give up.

Freezing rain and sleet on Thursday and Friday was followed by a severe snowstorm on Saturday and Sunday. Approximately six inches of snow was left in the wake of the week end storm but this area escaped the brunt of the fury of the storm. Milwaukee and other areas of the state reported over 14 inches of snow. High winds caused considerable drifting and held traffic to a minimum. County and village snow plowing crews were kept busy Sunday and Monday and by Monday morning had the highways in pretty good driving condition, avoiding further traffic tie-ups. Snow shovellers really had a workout and many cars became stuck.

On the heels of the snowstorm came a severe cold wave with temperatures dipping to 14 degrees below zero. The sub-zero wave set in Monday night lasted until Thursday when a gradual warming up trend began with more light snow predicted. Autos failed to start and filling stations and garages were busy pushing cars and answering service calls. Residents were seen hurrying in the cold wearing all sorts of heavy clothing in an effort to keep warm. Business was slow, few cars were moving and streets were quite empty as the cold wave held its icy grip on the area. The cold and snow caused numerous hardships and inconveniences. Motorists used up more gasoline warming up their motors than they did in driving their cars. Outdoor activity was at a virtual standstill.

HOLY NAME SOCIETY TO BE GUESTS AT CAMPBELLSPORT

On Sunday, which is Holy Name society Communion Sunday, members of the Holy Trinity parish society will be guests at a Communion-breakfast at St. Matthew's church, Campbellsport, given by the Holy Name men of that parish. Members of the two societies will receive Holy Communion in a body during the 8:45 a. m. mass. Local Holy Name men are asked to meet at Holy Trinity church hall at 8:20 a. m., especially those who have no transportation to Campbellsport. The breakfast speaker will be Mr. Freund, auctioneer, who will talk and show slides on his trip to Russia.

Ambulance Calls

Saturday, Jan. 6—Mr. and Mrs. Arnold Bechler, Campbellsport, Dennis Rady, 131 Forest, West Bend, and James Fellenz, 1174 Park, West Bend, removed to St. Joseph's hospital, West Bend, with injuries suffered in an auto accident at the junction of Hwys. 45 and H 1 1/4 miles south of Kewaskum.

Tuesday, Jan. 9—Mrs. Larry Jeske, Kewaskum, taken to St. Joseph's hospital, West Bend, with possible injuries suffered in a fall on ice at the Erich Jeske home.

Rolfs County Chairman Debate Team First in For Brotherhood Week

Thomas J. Rolfs, vice-president of Amity Leather Products of West Bend, has been named Washington county chairman for the 1962 Brotherhood Week observance.

The appointment of Rolfs was announced by Bernard C. Ziegler, who is Brotherhood chairman for District 6, in which Washington county is located.

Supreme Court Justice E. Harold Hallows of Madison is State Brotherhood Week chairman for 1962. State co-chairmen are Attorney Maurice B. Pasch, Madison; Attorney Vincent J. Lucareli, Kenosha, and The Hon. Lee C. Youngman of Barron.

Brotherhood Week will be observed Feb. 18-25, 1962, and has been sponsored annually since 1934 by the National Conference of Christian and Jews. The purposes of Brotherhood Week are: To give people an opportunity to rededicate themselves and individuals to our way of life; to dramatize the practical things which people can do to promote an understanding and realizing of these ideals; and to enlist the support of a large number of people in year-round activities to build brotherhood.

Commenting on his appointment Rolfs said:

"All weeks are equally in need of the practice of brotherhood. However, the week of Washington's birthday has been set aside as a time of resolution to sustain brotherhood throughout the year. This can and should be done without seeking a union of religious bodies, without modifying the distinctive beliefs of Protestants, Catholics and Jews, and without weakening the loyalties of those of any faith. It is our hope that the people of Washington county will make every effort to participate in this observance."

A Washington county committee will be appointed soon to direct Brotherhood Week activities.

Class 'A' at Pius XI Meet; School Record

GROH AND ALBRECHT REACH
8-1 SEASON TOTAL; 34
TEAMS ENTERED

The Kewaskum debaters returned from the Pius XI High school debate tournament in Milwaukee on Saturday with a victorious record of five wins and one loss in Class A competition. They thereby tied for first place among the 34 teams in the top class of competition with Kohler, Oconomowoc, Janesville and St. Catherine. This is the best record any Kewaskum High school team has ever had in Class A debate and it is the first time this year that the team entered Class A.

The affirmative team of Dawn Martin and Mariel Seefeldt did a fine job in recording a two win-one loss record. Both are first-year debaters and this is the first time they ever debated together. Losing only to Watertown, they defeated Pius XI and Marquette. The negatives were composed of Richard Groh and Ralph Albrecht. With a perfect record of three wins and no losses, they defeated West Allis Central, West Bend and Hartland Arrowhead. They have now compiled a season's total of eight wins and one loss.

The team, debating this year without a coach, is now preparing for the district meet. This is to be held at Green Bay on Jan. 27.

FIREMEN ENJOY ANNUAL PARTY SATURDAY NIGHT

Members of the Kewaskum Fire Department, with village board and police department members as invited guests, enjoyed their annual party and lunch at the fire headquarters in the municipal building on Saturday night.

Two roasted turkeys were consumed and cold cuts took care of remaining appetites. A plentiful supply of refreshments, much of which was donated by taverns and other business places, kept throats from becoming parched. A large number of fine door prizes, donated by businessmen and friends of the department, were given to about half of the firemen. Annual pay checks were issued to the members and the night was spent socially and in playing cards.

The firemen wish to thank everyone who donated toward the affair.

SECOND PRIZE WINNER IN COLORING CONTEST

Jean Schaub, 9, daughter of Mr. and Mrs. Homer Schaub, Kewaskum, was named a second prize winner in the Johnston Cookie Christmas coloring contest. The contest was held from Nov. 15 to Dec. 15 and was in the Milwaukee Journal. Jean received a Westclox wrist watch.

THE WAYNE CRUSADERS

On Jan. 2 at 8:00 the Wayne Crusaders had their meeting at the Art Terlinden home. Barbara Gutjahr, our new president, called the meeting to order.

Mrs. Miske installed the following new officers: President, Barbara Gutjahr; vice-president, Donald Schrauth; secretary, Joanne Hohlweck; treasurer, Donna Darmody, and club reporter, Dennis Terlinden. Each one was told their duties as officers and were then given a lighted candle to guide them.

After singing "Kum Ba Yak,"

"Oh Suzanna" and a round of "Are You Sleeping" the new members were initiated. They also were told about their duties to be faithful members. We all had a chance to shake hands with them and welcome them into our club. The new members are Joan Gutjahr, Roland Maul, Bob Rook, Greg De Batista, Patricia Peter, Patricia Amerling, Mary Strachota and Bonnie Kern.

A motion was made and seconded that we give \$10.00 to the Belle Albright fund.

Roll call was answered with a conservation slogan about saving the soil and forests. Dues of 25 cents a year were collected.

After the meeting was adjourned we played a game called "Bird, Beast or Fish." We all enjoyed refreshments of soda, popcorn, pretzels and potato chips brought by Carol, Mary and Roland Maul.

Our next meeting will be held Feb. 6 at the Wayne Center school at 7:45.

The leaders made their reports. Then Mrs. Petermann helped us fill in our program books and a committee of Mary Jane Bales, Joe Jaycox, Barbara Nigh, Cathy Nigh and Linda Nigh was chosen

to make a window display.

Barbara, Cathy and Linda are in charge of recreation for the month of February.

Rev. and Mrs. Charles Guilbert, who spent some time with the latter's parents, Mr. and Mrs. Otto E. Lay, left for Ethete, Wyo. where Rev. Guilbert will be head master of a private church school and the couple will live.

Armin Gutekunst of New Fane, who has been teaching school at Fort Smith, Ark. for several years, has accepted a position with Concordia school, Chicago, Ill.

A man believed to be Angelo Cadire, wanted in Boston, Mass. on an indictment charging second degree murder, was being held by Sheriff G. W. Booth of Fond du Lac county, who captured the man while hiding near Campbellsport. The man arrived in Fond du Lac in May and lived with a woman relative at Campbellsport. She said he

followed her whenever she left her home and threatened to kill her if she divulged his whereabouts. She finally eluded him and informed the sheriff. Sheriff Booth said Chief of Detectives John F. Stokes of Boston informed him that Cadire and three others were indicted for murder Oct. 3, 1933, for beating to death Luigi Girgo in Wilmington, Mass. The others are serving life sentences.

Miss Unis Colvin, sister of F. E. Colvin of this village, while coming from Cresco, Iowa, to visit her brother here, was stricken with a heart attack on the train near Chicago and died at a hospital there a few hours later.

Lester Dreher is employed in Walter Schneider's new tavern at Fond du Lac ave. and Main st., where a grand opening was held recently.

Mrs. Karl Hausmann and Dorothy Dana of Sturgeon Bay, Kewaskum residents until a few years

ago, who spent the past month and a half on a trip through Europe, returned to the United States on the steamship Bremen. They spent Tuesday in the village before returning to their home. They visited England, Belgium, France, Germany, Austria, Switzerland and Denmark.

FIFTY YEARS AGO

Jan. 6, 1912

Two more automobiles, purchased last week, arrived in the village. Theo. Eisentraut, machinist in Nic Rimmel's foundry shop, purchased a Kenmore run-about. Wm. Eberle, night fireman at the malt house, purchased a Maxwell run-about at Fond du Lac.

J. Burt Johnson, the well known comedian, was in the village making preparations to show in Groeschel's hall.

David Rosenheimer, Otto E.

Lay, Dr. Wm. N. Klumb and H. E. Henry took in the aviation meet in Chicago. They went as far as Racine in Mr. Lay's auto, then by train.

Harry Foote of Fond du Lac was a business caller here. He informs us that he and his brother Frank sold their furniture business in Fond du Lac.

Arthur Heberer, 23, son of the August Heberers of the town of Auburn, had a narrow escape at the August Backhaus farm north of the village when a circle saw struck him and cut a severe wound across his forehead, bridge of the nose and across the right eye.

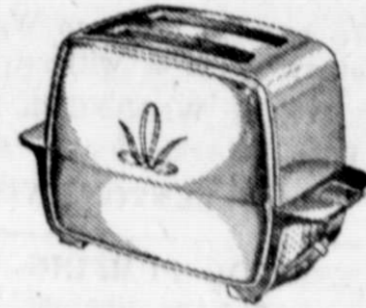

Our Police Chief Says

This is a reminder to keep your automobiles off the streets when it snows four inches or more. If parked automobiles are in the path of our snowplows they will be tagged.

THANKS EXPRESSED

I wish to thank all those relatives and friends who remembered me with cards, gifts, flowers, visits and telephone calls while I was a patient at the hospital and while convalescing at home.

The Case for Home Humidifiers

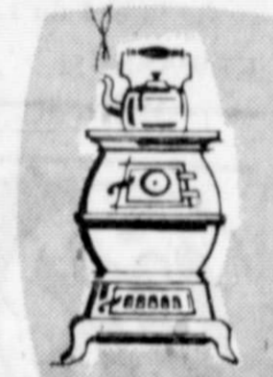

An important advance in family health and living comfort

PROPER HUMIDITY IS IMPORTANT TO HEALTH

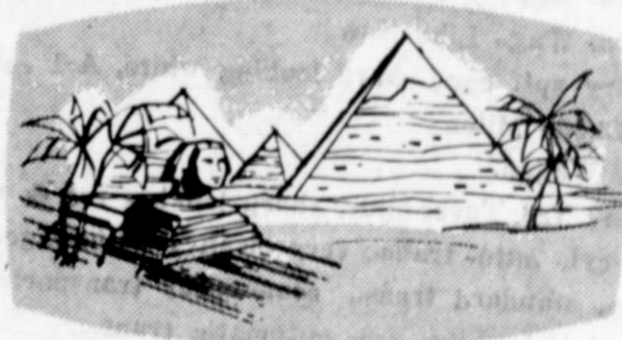

People who winter in warm, dry houses are especially vulnerable to colds. Or, as one doctor puts it, "A dry nose is at the root of many of the fall epidemics of coughs and colds." However, it's not heat that makes the trouble. It's the lack of moisture — the low relative humidity of the air we breathe.

woodwork, furniture, paintings, books and plants. Yes, we should add moisture to the air of most homes. But how?

OLD-STYLE "HUMIDIFIERS" JUST DON'T DO THE JOB!

Old-timers were on the right track with their homemade humidifiers. The teakettle on the stove... washing hung indoors... the water pan on the radiator. They helped, but were uncontrollable and woefully inadequate.

YET MOST HOMES TODAY ARE DRIER THAN THE SAHARA

Fact: During the winter, 9 out of 10 American homes have a lower relative humidity than the Sahara Desert. Perhaps your own home is one of them. Do you get a dry, stuffy feeling at times? Can you generate static sparks by scuffing the rug? These common symptoms indicate that relative humidity is well below what it should be. And low humidity is bad for health, worse for comfort... damaging to floors and

BUT MODERN ELECTRIC HOME HUMIDIFIERS PROVIDE DESIRABLE LEVELS OF HUMIDITY

Modern electric home humidifiers automatically hold relative humidity at selected levels. An electric humidifier is a good investment in family health and comfort. Economical, dependable... electric home humidifiers are available for any home — in portable and permanently installed models. Built-in units are available from your heating contractor. Portable units are available from your dealer or us.

Electric humidifiers provide just one more way to live better... electrically.

Lakers Nip Indians on Arndt's Free Shot After Game Has Ended, 58-57

KEWASKUM BEATS LOMIRA AND HUSTISFORD IN NON-LOOP TILTS

A free throw by big Jerry Arndt after the final horn ending the game had sounded allowed Random Lake to nose out the Kewaskum Indians, 58-57, in a very crucial battle for first place at Random Lake Friday. It was a real heartbreaker to lose.

Although not noticed by spectators, a foul was called on the Indians as the game ended in what appeared for a moment to be a 57-57 tie and fans expected an overtime period. Then the officials awarded Arndt a free throw, which he promptly sank, and turned the would-be tie contest into a one-point win for the Rams.

It was a tough game to lose, especially considering that both teams were previously undefeated and were battling for first place. The Lakers, who have played one more game than the Indians, now have a 6-0 record as a result of the post-game free throw, while Kewaskum fell a game and one-half off the pace with a 4-1 mark. They will host Random Lake in a return match here on Feb. 9.

Kewaskum held a surprising 10-point lead at halftime but the Rams surged from behind in the third quarter to close the gap and from then on it was a see-saw barn burner right up to the final horn with the lead changing hands several times in the important Scenic Moraine conference tilt.

Accurate shooting by Dave Oppermann and Bill Koepke kept Kewaskum ahead of the Lakers most of the way. Opperman garnered 17 points and Koepke chipped in 14. Arndt was the top scorer in the game with 21 points, while teammate Gary Hamm was right behind with 20.

The Indians built a 19-15 first period lead and then rambled on to a 35-25 advantage at the intermission. The Lakers connected on only two of 20 shots in the second quarter, in which the Indians outscored them, 20-6. Kewaskum lost the contest in the third period, scoring only 11 points while the Rams made 22 to take the lead for the first time, 47-46. Arndt's free throw after time had elapsed gave the Lakers a 12-11 advantage from the free throw line. The Indians lost the services of Al Koepke on five personal fouls.

KEWASKUM 61, LOMIRA 52

Returning to action after the holiday layoff, the Indians played a practice game at Lomira last Wednesday against the Lions of the Valley Tri-County conference and won easily by a 61-52 score. This was a tune-up affair for Kewaskum's big game at Random Lake Friday.

The Indians held a comfortable lead over Lomira throughout the contest. They were ahead 13-11 at the quarter, 29-21 at halftime and 50-30 at the end of the third period. With Coach Walt Bade using second stringers in the final quarter, the Lions outscored the Indians 22-11, to narrow the margin of victory.

Dave Oppermann took scoring honors with 25 points, followed by Ron Gross with 12 for the winners. Reimer paced Lomira with 15.

KEWASKUM 70, HUSTISFORD 63

On Tuesday evening the Indians played another non-conference tilt, hosting Hustisford, also of the Tri-County loop, and beating them, 70-63. This was the last of the non-conference tune-ups for the season.

Showing a letdown after their hard game at Random Lake Friday, the Indians got off to a slow start and trailed Hustisford 13-12 at the quarter and 36-35 at the intermission. But Kewaskum went ahead 50-47 in the third period and increased their lead by four more points in the final quarter to win by seven, 70-63.

R. Mueller of Hustisford was

high scorer in the game with 27 points. Oppermann with 22 points and Gross with 17 paced the winners.

Wisconsin Conservation Department observations show a 20 per cent increase in the deer fawn crop last year over 1960.

Chevs' Tilts With Port, Beaver Dam Postponed

Both of the Kewaskum Chevrolets' scheduled basketball games over the week end were postponed because of bad weather.

Last Thursday the Chevs had arranged a practice game at Port Washington against that city team of the Eastern Shore league but it was cancelled due to freezing rain and slippery roads.

The contest at Port was scheduled to give the team, idle since before the holidays, practice before resuming Land o' Lakes league action here Saturday night against Beaver Dam. But because of the severe snowstorm and drifting highways Beaver Dam called in the afternoon that it was impossible for them to make the trip and the contest was postponed until a later date. Beaver Dam and Kewaskum, both undefeated and tied for first place with 4-0 records, were to battle it out for the lead in this crucial game.

In the only game played last week end Mayville beat Hustisford, 86-59. All other tilts were called off because of the snowstorm.

This Saturday night the Chevs will be at home to a good Hustisford team in a league tussle. Hustisford holds down second place with a 3-2 record and will provide another stiff test for Kewaskum. Game time is 8 p. m.

Other Lakes games this week end will find Menomonee Falls at Horicon and Cedarburg at Mayville on Saturday and West Bend at Beaver Dam on Sunday.

WHICH ONE IS THE CONVERTIBLE AND WHICH THE HARDTOP?

Top one's our new Impala Sport Coupe whose steel roof line is a dead ringer for the Impala Convertible's below. But after rich new styling, what? In glamor and go, comfort and craftsmanship, here's all you'd reasonably expect of an expensive car. Except the expense.

Slip inside a Jet-smooth Chevrolet, relax and just notice how good you feel. Ready for action? Just flick the key and let'er purr (your choice of two standard engines—a 135-hp 6 or 170-hp V8—or optional-at-extra-cost V8's way up to a 409-hp

mile-shrinker). That gentle cradling motion you enjoy is Jet-smooth ride at work. And the rich interior and neat craftsmanship are Body by Fisher at work. Have your dealer give you the whole story. That's the work he loves best.
