## Clock-Thermometer Sign Installed at Bank Building Front

A noticeable improvement which adds much to the appearance and brightening up of Kewaskum's Main street was made this week when the Bank of Kewaskum installed a large clock-thermometer sign at the front of the building on Monday.

The overall sign is nine feet, nine inches high and six feet wide. The face units on each of the clock and thermometer measure 2½ feet by 2½ feet and can be read from quite a distance. Between the clock and thermometer is a four foot by two foot rectangular shaped sign with bold lettering reading "Bank of Kewaskum." The sign is centered over the bank entrance and the bottom of it is 11 feet above the sidewalk.

An automatic switch illuminates the sign at dusk and turns it off at midnight. The temperature registers from a thermometer on the roof of the building which is exposed to the wind but is sheltered from the sun. The thermometer is guaranteed to be accurate and register within two degrees of the actual temperature.

The sign was built and erected by Poblacki & Sons of Milwaukee. Schmidt Electric of Kewaskum did the wiring and will be in charge of maintaining the sign.

## Albrecht, Inc. Exhibits At Chicago Boat Show

Albrecht, Inc. of Kewaskum, manufacturer of piers, is among the hundreds of exhibitors in the 29th annual Chicago National Boat Show March 2 through 11 in McCormick Place, the huge lakefront exhibition hall.

The show, produced by the Outboard Boating Club of America, is the largest single exhibit of pleasure boats, motors and related equipment in the world. More than 360,000 visitors are expected to attend.

Displaying a complete range of craft from canoes to large inboard cruisers, the industry, at the Chicago National Boat Show, makes good its claim of offering a boating rig to suit every taste and budget.

Most of the key figures in the marine industry, including thousands of dealers, wholesalers, jobbers and other members of the trade, will be in Chicago for the event.

## Births

**VORPAHL**—A son to Mr. and Mrs. Ronald Vorpahl, R. 1, Allenton, Friday, Feb. 23. Mr. Vorpahl is a son of Mr. and Mrs. John Vorpahl, Kewaskum.

## WOODMEN TO MEET

The March meeting of the Modern Woodmen of America will be held at 8 p. m. on Mar. 6 at the Labor Center.

E. Gnacinski, Sec.  
Camp 2233

The auto is here to stay, even if many motorists aren't.

## Two More Snowfalls, Sleet, Cold Hit Area

It's just (s)no(w) use it seems to hope for the end of the snow and cold and look forward to spring.

Two more snowfalls hit this area and most of the state during the week, adding to the deep snow and mountainous drifts already covering the ground. Three to four inches of snow fell Sunday and early Monday. This was preceded by a freezing rain and sleet which made highways and streets very icy and slippery. Another one to two inches of snow fell Tuesday night and was followed by another sub-zero cold wave. The thermometers registered from 12 to 20 degrees below zero Thursday morning. Coldest spot in the state was Black River Falls which registered 46 degrees below zero.

Sunday's snow again brought out the county plows and sanders as well as the village plows for the umpteenth time this winter. Village crews were kept busy the forepart of the week hauling snow from the main streets. Snow removal crews are fed up to their ears and don't care if they never see another snowflake. In most communities funds set aside for snow removal have been completely exhausted and it is not known where additional funds will come from. Record tons of salt have been spread on highways and streets and stockpiles are gone. Milwaukee reported its 29th ice control operation on Wednesday. Fond du Lac reported its 39th day of snow this winter and over 40 inches of snowfall.

The snow has started a new fad in Milwaukee. Police Chief Howard Johnson last week suggested that motorists tie a piece of colored cloth or something similar to the top of extending radio aerials. This would warn pedestrians and other motorists of the approach of an auto, otherwise concealed behind mounting piles of snow at intersections and driveways. Milwaukeeans really responded, old and young, by tying everything from red lace panties to cummerbunds to their aerials. The Milwaukee Braves got into the act by offering free red felt Braves pennants for the aerials. Because of the huge piles of snow at the sides of streets, that city was also seeking to pass an emergency law allowing motorists to park cars on one side of the street only at all times. With cars parked on both sides some streets are so narrow that only one lane of traffic can pass.

The weather seems to be following a regular pattern this winter with snow every week end followed by cold weather during the week. About Thursday or Friday it warms some, building up to another snowstorm for the week end. That was the prediction this week again, a warming trend by Thursday night. Gosh, seems like we've had snow every week end since Christmas.

Did March come in like a lamb or lion Thursday? There was bright sunshine but the thermometer dipped to 15 degrees below zero or colder.

But cheer up. Some geese are on

## Scenic Moraine League Forensic Contest in Kewaskum Saturday

168 STUDENTS FROM EIGHT SCHOOLS TO COMPETE

Kewaskum Community High school will host the Scenic Moraine league forensic contest on Saturday, March 3. Mrs. Veronica Nelson, director of the forensic program, stated that Kewaskum has contestants in all the forensic divisions.

The divisions are declamation, non-original oratory, original oratory, four minute speech, public address, extemporaneous speaking, interpretative reading of poetry, interpretative reading of prose, and play reading.

Approximately 168 students, representing the eight schools in the conference, will compete in the Saturday contest. The contestants receiving "A" ratings will progress to the district contest on March 24, which will be held at Wisconsin State college in Oshkosh.

The judges for the league contest will be faculty members from Ripon college. Mrs. Clifford Rose, Mrs. W. Hanselman and Clyde Brehm are assisting with the program.

Kewaskum students competing in the divisions are as follows:

Declamation—Carol Schladweiler and Mariel Seefeldt; original oratory—Kenneth Campbell and Robert Schlamer; non-original oratory—Carol Erdman and Richard Roecker; four minute speech—Dawn Martin and Walborg Petersen; public address—Richard Williams and Kathy Keno; extemporaneous speaking—Richard Groh and Ralph Albrecht; interpretative reading of poetry—Kay Dorn and Edward Ferber; interpretative reading of prose—Pat Schall and Elaine Redig; play reading—Bonnie Smith, Janice Luedtke, Donna Schaefer and Ruth Weddig.

Mrs. Gruhle and her committee will serve the noon lunch in the high school cafeteria.

## GIRL SCOUTS, BROWNIES TO HOLD DINNER, AWARD NIGHT

Kewaskum Brownies of Troop 25 and Girl Scouts of Troops 53 and 72 will celebrate their 50th birthday anniversary with an award night and dinner with their parents.

This will be held during Girl Scout Week on Tuesday, March 13, at 6:30 p. m. The ladies of Holy Trinity church will serve the dinner.

## SHEEPSHEAD WINNERS

Sheepshead prize winners at the tournament held at the American Legion clubhouse on Monday night were: 1st, Ray Zeimet, 46-2-44; 2nd, Gene Gruber, 38-0-38; 3rd, Ralph Stern, 34-2-32; 4th, Mary Schmidt, 36-6-30.

the fly, a few crows have been heard cawing, game birds are pairing up, the days are getting long and the sun high. To which we might add, "pretty snow, beautiful snow, please GO, GO, GO!"

## Will Show Cancer Film At PTA Meeting Monday

POSTPONED RUMMAGE SALE WILL BE HELD ON DAIRY DAY MARCH 30

The next meeting of the PTA will be held on Monday, March 5, at 8 p. m. in the elementary school cafeteria.

This program is one that you cannot afford to miss. The American Cancer society movie, "To Smoke or Not to Smoke" will be shown. The film is sure to be of interest to all.

Refreshments will be served at the end of the program.

The PTA rummage sale postponed because of the snowstorm on Feb. 22, will be held on Dairy Day March 30. The PTA will have a booth at the high school, so please stop at the booth for exceptional values.

The postponed auction sale will be held at a later date and if you have any articles to donate for the auction, please call the school or Mrs. Sengpiel at 182.

## Cub Scouts to Hold Ice-o-Rama Saturday

The Cub Scout outdoor committee is planning on holding an Ice-o-rama this Saturday, Mar. 3, (weather permitting) from 2 to 5 p. m. at Myron Belger's Bel-Ri-Lac. The bad weather date will be Mar. 10. Cubs should bring ice skates and ice fishing gear. Holes will be provided through the courtesy of Jimmy Miller, Inc.

Prizes for the best and poorest skater and for the biggest and smallest fish will be awarded. The Cub Scout Klondike Treasure Hunt will highlight the afternoon. Refreshments will be served.

Keep this date open and be sure to bring Dad along. Transportation will be furnished through the courtesy of Ollie's Texaco. If you have no ride, go to Ollie's station and you will be transported to the camp site.

Let's have a good turnout. You and Dad are sure to have a good time.

## STELLPLUG, GROH BABIES BAPTIZED

The infant son of Mr. and Mrs. John Stellpflug, Kewaskum, was baptized on Sunday by the Rev. John T. Budde in Holy Trinity church. He was given the name Robert James and his sponsors were Mr. and Mrs. Carl La Buwi of Rubicon.

The little daughter of Mr. and Mrs. Vincent Groh, Kewaskum, was baptized by the Rev. John T. Budde at Holy Trinity church on Sunday afternoon. Joan Marie was the name she received and her sponsors were Mrs. Ferdinand Fickert, Wayne, and Lester Janz, West Bend.

Guests entertained for the occasion included the maternal grandmother Mrs. Mathilda Van Beek, the paternal grandparents, Mr. and Mrs. Nick Groh, Mr. and Mrs. Leonard Van Beek and daughter Jane, Mr. and Mrs. Lester Janz and family, all of West Bend, and Mr. and Mrs. Ferdinand Fickert of Wayne.

## School Band to Give Dedication Concert For New Uniforms

The Kewaskum Community High school band will present a dedication concert for their new uniforms in the high school gymnasium at 8 p. m. on Sunday, March 4. The public is cordially invited to attend this free concert.

The program to be given by the band will be as follows:

Hands Across the Sea—John Philip Sousa.

Prelude and Fugue in B Minor—J. S. Bach.

Burlesk for Band—Robert Washburn.

Variations on a Gavotte—Corelli-Rascher.

Alto Sax Solo—Beth Honeck Hopak—M. Moussorgsky.

Parade of the Charioteers from Ben Hur—Miklos Rosza.

INTERMISSION

Overture: Il Signor Bruschino—Rossini.

Excerpts from Brigadoon—Lerner-Loewe.

Buglers Holiday—Leroy Anderson

William Mertz, Allen Bales, Ruth Weddig—Cornet Trio

Waltz from Serenade for Strings—Tchaikovsky.

The Blue and the Gray, a Suite of Civil War Songs—Clare Grundmann.

## \$150 COUNTY HOMEMAKER SCHOLARSHIP AVAILABLE

The scholarship committee of the Washington County Homemakers has made a \$150 scholarship available to a high school senior girl who plans to take home economics in college.

Application blanks are on hand at each high school in the county for girls interested in competing for this scholarship, and at the home agent's office, 346 Fourth ave., West Bend.

The world of home economics encompasses such careers as fashion co-ordinator, ready-to-wear buyer, dietitian, dress designer, fashion columnist, family sociologist, textile chemist, equipment demonstrator, home furnishings co-ordinator, and home agent. Never has the need been more great for trained home economists to help in home, business, and industry. The Washington County Homemakers wish to encourage girls to enter this vast and fascinating field, and so have provided the funds for this annual scholarship.

## Hospital News

Richard Puerling, Kewaskum, submitted to an appendectomy at St. Joseph's hospital, West Bend, the past week and has returned to his home.

Alex Klug, Kewaskum, is a patient at St. Joseph's hospital, West Bend.

## MARRIAGE LICENSES

A marriage license has been issued by the Fond du Lac county clerk to Anthony M. Thelen, R. 1, Campbellsport, and Helen R. Felten, R. 1, Kewaskum.

**Name Parish Captains For Charities Drive**

Parish captains in the 1962 Catholic Charities and Seminary Fund appeal have been appointed in all of the 286 parishes in the Archdiocese of Milwaukee. The campaign will commence on April 1 and end on April 15.

Pastors of each parish appoint a captain and co-workers to assist them in asking a donation from all members of a parish.

The funds contributed in this annual campaign are used to provide assistance for 29 Catholic charitable institutions and agencies and for the building programs of the Major and Minor Seminaries.

**RESIDENTS OF CEDAR LAKE HOME FETE HOSPITAL NUNS**

Tuesday afternoon, Feb. 13, at 2:00 the Sisters of St. Joseph's hospital, West Bend, gathered at the Cedar Lake Home for the Aged as honored guests. The special occasion was planned by the Cedar Lake residents council under the direction of their president, Miss Anna Huber. Special resident committees, with the help of auxiliary ladies, baked cookies, prepared homemade candies and packed the treats in hand-decorated Valentine boxes as gifts for the nuns. Mrs. Katherine Kraemer was chairman of the cookie committee and Mrs. Rose Gieringer, chairman of the candy committee.

Upon arrival, the guests toured the home with auxiliary president, Mrs. R. Wetterau and auxiliary director Mrs. L. J. Bowerman. Following the tour eleven residents presented a program of songs and poems. Mistress of ceremonies, Mrs. Otillia Burgardt, opened the program with a tribute of gratitude to St. Joseph sisters for the excellent care the Cedar Lake family has received when hospitalized.

The afternoon of fellowship closed with a dessert luncheon of cakes, tortes, tea and coffee.

## SPICED FRUITED TURNOVERS

A big plateful of these plump, little turnovers can make a coffee break quite an occasion. They look tender and inviting—and are. But the real fun comes when you pick one up and bite into its luscious filling.

You find a zippy blend of plumped prunes, tart-sweet and winy, chopped, canned apple slices and candied fruits flashed with grated orange rind, lemon juice and spices. The turnovers are great going for nibblers any time, and they're a real prize to serve either warm or cool—with coffee, tea or a glass of milk.

They are fun to make, too. In a few minutes you can make a plateful. Once the family discovers them, however, they'll likely last just minutes. Maybe you'd better bake two platefuls while you're at it.

### SPICED FRUITED TURNOVERS

- |                                       |                     |
|---------------------------------------|---------------------|
| 1½ cups plumped* pitted prunes        | 1 cup sugar         |
| 1½ cups canned, sliced apples         | 1 teaspoon cinnamon |
| ½ cup diced, candied fruits and peels | ½ teaspoon nutmeg   |
| 1 tablespoon grated orange rind       | ¼ teaspoon allspice |
| 3 tablespoons lemon juice             | Few grains salt     |
| Flaky pastry (enough for 2-crust pie) | 2 tablespoons flour |

Chop\*\* prunes; combine with apples, candied fruits and peels, orange rind and lemon juice; mix well. Combine sugar, cinnamon, nutmeg, allspice, salt and flour; mix well. Add to fruits; mix thoroughly. Roll pastry to ⅛" thickness; cut into 5" or 6" circles. Place fruit filling on one side of each round; moisten edge of circle with water. Fold pastry over filling; press edges together with tines of fork. Place on baking sheet; make a slit in top of each to allow steam to escape. Bake in moderately hot oven, 425 degrees, 15 to 20 minutes, or until golden brown. Makes 12 to 14.

- \* To plump prunes, cover 1 pound of prunes with 1 quart of water and let stand overnight.
- \*\* The simple way to chop prunes is to cut meat from pit with kitchen shears.

### MOTHER AND BABY CARE CLASS TO BEGIN MAR. 19

The West Bend Chapter of the American Red Cross, which conducts classes for prospective parents three times a year, is now taking applications for the next mother and baby care class beginning Monday evening, March 19, at 7:30 o'clock. Sessions will be held at the Red Cross rooms, Library building, second floor, West Bend.

There is no fee for the course which will cover six lessons of two hours each. At the first class meeting the group will decide on

the most convenient periods for the remaining five sessions.

Mrs. Harold Fischer, the instructor, will cover the following subjects—the care of the mother during and after pregnancy, nutrition, clothing and supplies for the baby, feeding the baby (including formula demonstration) baby bath and general newborn care. Timely films will supplement the course; the county and city public health nurses being informants in their field.

Registration for the class should be made with Mrs. Fischer, Federal 4-3175, R. 2, West Bend, or the Red Cross office Federal

4-5687, Library building, Red Cross rooms.

## Three County Dairy Farmers Tour South

ACCOMPANY GROUP OF 32 WISCONSIN DAIRYMEN

Thirty-two Wisconsin dairy farmers have just returned from a study of dairying in the South during the week of Feb. 19-23.

The dairymen hail from twenty-two Wisconsin counties and the tour was organized by the Wisconsin Farm Bureau Federation.

Main objective of the group was to visit commercial dairy farms in Kentucky and Tennessee. A chartered bus took the dairymen directly to farm homes where host Farm Bureau dairymen explained their operations and answered questions from the visitors.

When the day's stops were completed, evening "bull sessions" were held where both visiting and host dairymen exchanged questions and information. Key items which were discussed included current proposals for milk quotas, the prices received for milk, farm taxes, health inspection programs,

milk production trends and dairy promotion.

The Wisconsin group indicated its strong opposition to national dairy production controls and found that the southern dairymen visited were very definitely of a similar opinion.

Among the Farm Bureau dairymen making the dairy tour were Arnold Brovold, Ettrick, chairman of the State Dairy committee, and Ralph Crawford, Oconto, a director of the Wisconsin Farm Bureau Federation.

The following men from Wash-

ington County participated in the tour:

Robert Held, Slinger, president of Washington County Farm Bureau; Harry Melius, Jackson, and Elwyn W. Hamlyn, West Bend.

The AAA Wisconsin Division advises motorists on slippery streets to maintain a steady moderate speed, assuring control of your car at all times. Avoid sudden increases in speed and sudden braking.

## Looking Thru the Field Glasses . . .

BY BOB LAKE  
Conservation Warden  
Washington County

### SIGNS OF SPRING

Signs of spring — Hungarian partridge found in pairs rather than coveys, the cock pheasant escorting his harem across the snow covered fields. The first flocks of geese are late, but perhaps this is due to the heavy snow cover. When temperatures start to rise and we have south or southwest wind, the flocks will move into the Horicon area.

Now is the time to work on your boat and fishing tackle. The season opening in Ozaukee and Washington counties is less than two months away.

This will be the last week end prior to the deadline of March 5 to remove your shanty from the ice.

A Green Lake county tavern operator was fined \$100.00 plus court costs of \$46.10 after being found guilty by a jury of serving moose meat to his customers.

This season sturgeon spearing on Lake Winnebago has been somewhat more successful than last year.

The opening week end take was 43 compared to 28 last year. The

water has been clear and the fishermen have been able to see bottom most places in the lake.

On the east shore car travel, which still is not good, is the best it has been this winter. There has been a great deal of plowing activity and you can travel as long as you stay on the plowed roads. There are also plowed roads on the lake connecting some access roads.

One word of caution, cracks can develop at any time. Also, several times this winter the ice has become covered with as much as a foot of water and slush. Should these conditions develop again, we suggest you stay off the lake; and if you are on the lake—get off at once.

Also, we urge that you carry a compass. If it is or becomes foggy or a snowstorm develops, you are going to be mighty happy you have one.

No man knows as much as he thinks he knows and few are as ignorant as they think.

### Hot Chevs Whip Beaver Dam in Big Upset, 97-83

**HOLD THREE-WAY TIE FOR LAND O' LAKES LEAD**

A hot Kewaskum Chevrolet team rose to the heights and turned in one of the major upsets of the Land o' Lakes league season by whipping defending champion Beaver Dam on its own floor Sunday night by a surprising 14-point margin, 97 to 83. The win was Kewaskum's first over the Beavers in a long time and gave them a three-way tie for first place in the second half with Mayville and Menomonee Falls. Each has won 4 and lost 1.

Beaver Dam and the Chevs tied for the first half championship, each with perfect 7-0 records, but still have a postponed game to make up and this contest will decide the winner. In their only other meeting this season, the Beavers trimmed Kewaskum in the Mt. Calvary Invitational tournament by 10 points, 75-65. Beaver Dam's only other loss this year was to Menomonee Falls with several players missing from their lineup, who were playing in the Mt. Calvary meet at the same time. Kewaskum's only defeat of the campaign came when a tired team lost to Mayville after two hard games the same week end at Mt. Calvary.

Sunday night's game at Beaver Dam was one of the closest, nip and tuck battles of the season for three quarters but the Chevs caught fire in the final period and really poured it on. Each team scored 18 points for a first quarter tie. Kewaskum made 23 in the second period and the Beavers 24 to take a narrow 42-41 lead at halftime. In the third stanza the Chevs scored 26 points to Beaver Dam's 25 to pull into a 67-67 tie at the quarter's end. Paced by Don Meisenheimer and Augie Bilgo, the Chevs then got red hot and ran away from the Beavers in the final period, pouring in 30 points while holding the home team to a mere 14, to win by a very comfortable margin. Big Meis pushed in 10 points and Bilgo 9 in the final quarter.

Sparking the Chev victory was towering center Tom Larson, one of the league's top scorers, who picked a very appropriate time for his best offensive performance of the season. Tom was really on Sunday and rattled the boards for 32 points on 15 field goals and two free throws to easily take scoring honors. He got a big assist from Meisenheimer with 25 points and Bilgo with 20. This trio accounted for 77 of Kewaskum's 97 points. Larson's previous high point total was 27 against Cedar-

burg. Teammates Al Tennes, Otto Ramthun and Frank Krueger also played stellar ball.

The top point men for Beaver Dam were Wahlen with 18 points, Peterson with 17 and Miller with 16. In all fairness to the Beavers, it should be mentioned that they played without one of their key starters, Stephens. The Beavers' accuracy on free throw shooting prevented them from a worse beating. They sank 26 out of 30, an exceptionally high percentage, while the Chevs made only 18 out of 29.

This Saturday night Kewaskum plays at Hustisford, which shares the basement with West Bend. The Chevs should come up with a victory but anything can happen in the evenly matched Lakes loop.

#### LAND O' LAKES STANDINGS (Second Half)

	Won	Lost
Kewaskum	4	1
Menomonee Falls	4	1
Mayville	4	1
Beaver Dam	2	2
Horicon	2	2
Cedarburg	1	4
West Bend	1	4
Hustisford	1	4

Results last week end—Kewaskum 97, Beaver Dam 83; Menomonee Falls 73, West Bend 71; Mayville 82, Hustisford 64; Horicon 81, Cedarburg 69.

Games this week end—Saturday: Kewaskum at Hustisford, Beaver Dam at West Bend, Horicon at Menomonee Falls; Sunday: Mayville at Cedarburg.

### Sub-Regional Tourney Playoff Game Lost By Indians at Cedarburg

In a WIAA sub-regional tournament playoff game at Cedarburg Monday evening the Kewaskum Indians of the Scenic Moraine conference were whacked pretty good by the Cedarburg Bulldogs of the Braveland loop, 67-51.

The win qualified Cedarburg to continue play in the sub-regional tournament in that city on Thursday and Friday evenings of this week. Kewaskum was eliminated from further tournament competition. Other schools represented in the meet, along with the Bulldogs, are Port Washington and Homestead, also of the Braveland loop, and West Bend of the Little Ten conference.

Although Kewaskum had a better conference record than some schools in the Cedarburg regional, the WIAA was of the opinion

that the class of competition was weaker. Therefore they had to playoff with Cedarburg, one of the lower teams in the Braveland loop, to earn the right to advance to the regular sub-regional tournament.

The Cedarburg sub-regional champion, probably Port Washington, will then meet the Beaver Dam sub-regional winner, most likely Little Ten champion Mayville, in the regional finals at Beaver Dam on Saturday night. The winner of this meet will advance to the sectional tourney at West Bend on March 9 and 10, along with the winners of the Whitefish Bay and Menomonee Falls regionals and Campbellsport district meet.

Cedarburg got away to a fast start to beat Kewaskum in the playoff. Playing on the home floor (strange to the Indians) the Bulldogs jumped to a big 16-7 lead at the quarter and 36-23 at halftime. They again outpointed Kewaskum in the third period, 14-9, to go well ahead 50-32. With substitutes seeing much action for Cedarburg, the Indians outscored them in the final period, 19-17, to bring the final score to 67-51.

Free throw accuracy prevented the Indians from a worse beating. They made 25 out of 37 while Cedarburg scored only 9 charity tosses. But the Bulldogs sank 29 field goals to Kewaskum's 13. Darrell Kulcinski sparked Cedarburg with 20 points, while Ron Gross led the Indians with 16.

"Learning to do, doing to learn, earning to live, living to serve" is the official motto of the Future Farmers of America.

### Indians Drop Final Game, Tie for Second

In their final Scenic Moraine conference game of the season, a make-up affair at Germantown Friday night, the Kewaskum Indians were shaded by the fifth place Washington High team, 75-71. The setback cost them undisputed second place and dropped them into a tie for that spot with Slinger. All other conference teams ended their season the week before.

Fouls were costly for the Indians, who had 21 personals called on them in comparison with only 16 on Germantown. As a result Germantown won the contest from the free throw line, sinking 23 to Kewaskum's 17.

The high scoring of Knepel paced the Germantown win. He dropped in 25 points, while teammates Marks and Stinson chipped in 17 and 15 points respectively. Top point men for the losers were Dave Oppermann with 22 points

and Ron Gross with 16. The Indians lost Bill Koepke on fouls.

Despite the defeat in their finale, Coach Walt Bade's Indians brought the Scenic Moraine season to a very successful close with a 9-5 record and high second place finish, topped only by unbeaten Random Lake's champions.

## 25 Years Ago

The Kewaskum Statesman  
Feb. 26, 1937

The glee clubs of the high school staged the operetta, "The Gypsy Rover." Roles were played by the following students: Meg, Doris Seil; Zara, Marcella Heisler; Sinfo, Fred Miller; Rob, Myron Belger; Lady Constance, Charlotte Romaine; Lord Craven, Russell Belger; Sir George Martendale, Sylvester Gutekunst; Sir Toby Lyon, Fred Dorn; Lackey, Clarence Werner. The operetta was directed by Miss Lea with Miss Busch as libretto director, Miss Browne in charge of costuming and Mr. Furlong as stage director. Rosemary Haug was accompanist.

A beautiful new 1937 Packard-Henney three-way loading service funeral coach has been purchased by Miller's Funeral home. Edw. E. Miller drove the new coach home from Freeport, Ill. The funeral coach can be converted into a modern ambulance.

John Tiss suffered a fractured hip in a fall as he was descending the steps leading off the back porch at his home on N. Fond du Lac ave.

Reuben, 15, son of Mr. and Mrs. Louis Martin, town of Barton, residing southwest of the village, was accidentally shot in his right ankle while engaging in target practice with his father. Apparently Reuben was struck by a bullet from a .22 calibre short rifle, fired by his father, when the bullet rebounded in his direction. The bullet was removed at the West Bend clinic.

Jos. Schoofs, owner of the Cherry Grove Dairy, purchased the route and equipment of the Backhaus Dairy. Both make deliveries of milk in the village. All equip-

ment and bottles formerly belonging to Backhaus now become the property of the new owner.

Miss Doris Mae Rosenheimer, daughter of Mrs. D. M. Rosenheimer, has been elected to membership in the a capella and vesper choirs at Beloit college.

Present leaders in the good conduct race at the public school are: August Bilgo, Gerhard Kanjess, Ruth Manthei, Jean Rosenheimer, Richard Edwards, Barbara Schaefer and Gladys Weddig.

Harold Claus of West Bend, a former resident, and a promising freshman guard on the Oshkosh State Teachers college football team last fall, spent the week end with Earl Bartelt here.

### FIFTY YEARS AGO

Feb. 24, 1912

This year's junior class officers at the Kewaskum public school are: President, John Strachota; vice-president, Lila Petri; editor, Theodore Schmidt; secretary-treasurer, Maurice Rosenheimer.

Young ladies from this village who are teaching school this term include Miss Nora Backhaus in the M. Johannes, Jr. district; Miss Kathryn Schoofs in the town of Barton, Miss Belinda Backhaus in Schleisingerville, Miss Amanda Remmel near Lamartine, Miss Elsie Guth near St. Michaels, and Miss Rose Ockenfels in the town of Ashford.

Arthur Heberer, 22, died at St.

Agnes hospital, Fond du Lac, of injuries suffered while operating a circle saw on the August Backhaus farm in the town of Kewaskum.

The past week was a busy one for movers. Herman Meilahn and family moved into their new home on upper West Water st., Matt Schmit moved into the Fechtner residence on Fond du Lac ave. and S. E. Witzig and family are now residing in the Kudek home on Prospect ave.

Jos. Honeck has rented his father's farm in the town of Wayne for three years.

Most things come to those who wait—on themselves.

## Our Police Chief Says

When you clear the snow from your driveway, do not put the snow in the street. Keep it on your property. Our snow plows have to plow some of our streets several times because of this practice.

Remember, in a snow emergency keep your car off the street.

Winter driving requires some very cool handling of the wheel. According to the Institute for Safer Living proper steering is one of the most important considerations in preventing skids on slippery surfaces. Avoid sharp turns of the wheel to right or left and if you do feel the car skidding, turn the wheel steadily in the direction of skid until the car again begins to travel in a straight line.

## Mothers-to-be Must Diet Properly, March of Dimes Research Shows

No doubt many a healthy young mother-to-be has wondered why her doctor puts so much emphasis on proper diet during pregnancy—especially if she's never been ill a day in her life, and she has a yen for wholesome foods.

But there's good reason for it. More and more it's becoming evident that for the sake of her child a pregnant woman must have a diet adequate in vitamins and minerals, particularly in the early stages of the baby's development.

The reason lies in the dread words: *birth defects*.

Until about 20 years ago, scientists generally went along with the idea that birth defects in higher animals—and that includes man—were due for the most part to heredity. So if a baby had picked out the right ancestors, he had a better than good chance of coming into the world perfectly normal, and sound of mind and limb.

### Complex Factors Involved

Today, however, doctors know the story is not that simple. An increasing number of studies have shown that a wide variety of factors play a part in the birth picture. If a mother gets either too much or too little of such vital substances as hormones, oxygen, minerals or vitamins during certain stages of her pregnancy, the baby may fail to survive, or may be born malformed.

Under a research grant from The National Foundation-March of Dimes, Dr. Marjorie Nelson at the University of California has been trying to determine just how the absence of a vitamin or mineral may interfere with normal prenatal development.

She has found that in rats the absence of even a single one of certain important minerals or vitamins during early pregnancy can produce drastic effects.

Apparently nature has set up a delicate balance which a mother's body must maintain. If this balance is upset even for a relatively short time, permanent damage may result to the offspring.

Dr. Marjorie Nelson, March of Dimes grantee at the University of California, inspects research specimens under the microscope. It's part of her study to determine the influence of vitamin and mineral deficiencies as causes of birth defects.

In her San Francisco laboratory Dr. Nelson has demonstrated that even a temporary deficiency of a vitamin such as folic acid during early pregnancy can cause birth abnormalities in these young laboratory animals. The defects may range from the relatively minor to the very severe which include brain damage, displacement of intestinal organs, cleft palate or serious malformations of the heart and eyes.

### Timing Is Critical

When Dr. Nelson puts the normal pregnant animals on such a folic acid-deficient diet during the second week of their pregnancy, at least 80 per cent of the embryos die or are malformed. However, if she carries out the same experiment about a week earlier or a week later, the young appear to suffer no adverse effects, thus underlining the importance of proper diet at the critical stages of pregnancy. In a woman, the comparable period of pregnancy extends primarily from the second to the eighth week of the baby's development.

### Radioactivity Used

Dr. Nelson has also obtained a high incidence of skeletal defects in young rats when the

mother animal's diet was deficient in the mineral manganese. She is extending these studies with support from The National Foundation-March of Dimes using radioactive material in the diet to trace what goes wrong inside embryonic cells to hinder their normal development.

According to Dr. Virginia Apgar, director of the division of congenital malformations of The National Foundation, "Dr. Nelson's project has a direct bearing on the question of birth defects in humans. It is definitely known, for example, that severe folic acid deficiency in a woman can lead to loss of a baby during early pregnancy."

And as Dr. Nelson has pointed out, equally significant, the congenital malformations in the young animals that survive are irreversible. No amount of vitamins given later in pregnancy can undo the damage once a deficiency has occurred during the critical period of pregnancy.

### Clinics Are Established

Because of the increasing problem of birth defects—it is now estimated that significant malformations occur in one in every 16 babies born in this country—each year—The National Foundation-March of Dimes has recently established a number of Special Treatment and Clinical Study Centers for coping with this crucial medical question. The Birth Defects Treatment Centers are in Jackson, Miss.; Atlanta, Ga.; Seattle; Portland, Ore.; San Francisco; Little Rock, Ark.; Indianapolis; Morgantown, W. Va.; New York City; Baltimore; and Washington, D. C. These are supported on the local level by The National Foundation's chapters.

In addition, Birth Defects Clinical Study Centers are located in Oklahoma City; Nashville, Tenn.; and Columbus, Ohio. These Centers are maintained on a national level with March of Dimes funds which are being applied by The National Foundation to continue support and expansion of such Centers for the development of total medical care for youngsters afflicted with congenital defects.
