NUMBER 12

House Trailer Damaged in \$5,500 Fire Here Thursday

Fire damaged the interior of a house trailer owned by the Earl Lietch family at Johnson's Trailer Court on Hwy. 45 just south of the village on Thursday afternoon causing a loss estimated at \$5,500. Kewaskum firemen were called to the scene at 3:30 p. m. by Mrs. Alfred Johnson, who, with her husband, owns the trailer camp site.

Firemen saved the trailer but the entire interior, furniture, fixtures and all personal belongings of the family were damaged by fire, smoke or water. There was no one at home at the time and the blaze had a good start before it was discovered by another resident of the trailer camp. Mrs. Lietch was at work at Schmidt's and Ione's Restaurant on the Kewaskum hill nearby and her children were being cared for by a sister who resides across the highway from the trailer court.

The trailer was filled with thick smoke when firemen arrived. They had to force open a locked door and break windows to allow some of the smoke to escape before they could reach the source of the flames. Firemen also put a smoke ejector into use, but hampered by the smoke, it took some time before they could enter the trailer to douse the flames and remove a burning mattress, bedding and personal belongings. The firemen also disconnected the bottled gas and electric power supplying the trailer. The department fought the blaze for approximately one hour.

It is believed by Fire Chief Armin Oppermann that faulty wiring may have caused the blaze as the source of the fire appeared to be centered around light fixtures in the ceiling. The loss is partly covered by insurance. Firemen fought the blaze in sub-zero temperatures.

This was Kewaskum's second serious fire during the month of January. On Jan. 2 the floral shop building on Main st. was gutted in a \$15,000 blaze. The building has since been torn down.

COUNTY DEMOCRATS TO HOLD ANNUAL MEETING

The annual meeting of the Washington County Democratic party will be held Sunday, Jan. 27, at Gumm's Tap in the town of Jackson, starting at 2 p. m. All officers of the organization will be elected at this meeting, and all members are urged to attend.

New membership cards have been mailed to each member, and it is requested that they be filled out and returned at the start of the meeting. If any member finds it impossible to attend the meeting, County Chairman Larry Harty suggests that the membership renewal be mailed to him at 769 S. 7th ave., West Bend.

PILLARS MOVE HERE

Mr. and Mrs. Albert Pillar and family of St. Michaels last week moved into the lower apartment of the Louis Schaefer home on Fond du Lac ave. Mr. Pillar is employed at Milwaukee.

Wm. Bartelt, Kohlsville, Observes 99th Birthday

William Bartelt of Kohlsville observed his 99th birthday Thursday, Jan. 17, at the home of his daughter, Mrs. Marie Marohl, with whom he resides. He was born in Germany on Jan. 17, 1864 and came to this country at the age of 20, settling in Kewaskum where several of his brothers lived.

Later he took employment at the John Pamperin farm in the town of Wayne and on May 8, 1886, he married Louisa Pamperin, their daughter. They purchased the Pamperin farm and lived there until 1913, when they moved to Bowler, Wis. They operated a general store there two years and then returned to Kohlsville. Since the death of his wife in 1939 Mr. Bartelt made his home with the daughter mentioned above.

In addition to Mrs. Marohl, a beauty shop operator in Kohlsville, he has another daughter, Mrs. Anna Steffen, Milwaukee, and two sons, John of Bowler and Bill of Wallace lake, 15 grandchildren, several great-grandchildren, and a sister, Mrs. Anna Van Epps, 88, of Dodgeville.

SEN. PANZER TO SPEAK ON FORUM BROADCAST

Sen. Frank E. Panzer, representing Dodge and Washington counties, is scheduled to broadcast on the Wisconsin Legislative Forum over the state-stations at 5:30 p. m. on Wednesday, Jan. 30. He will speak on the duties and responsibilities of his position as president pro tempore of the State Senate.

The Forum is broadcast directly from the State Capitol in Madison throughout legislative sessions. Lawmakers select topics of particular interest to their constituents for these first-hand reports.

Senator Panzer will be heard in all counties of Wisconsin over the state FM-network, WHA (970 kc.), Madison, and WLBL (930 kc.), Auburndale. The best reception in this area may be expected over WHA, Madison, and WHKW (89.3 mc.), Chilton.

HOSPITAL NEWS

Robert Kohn, seven-year-old son of Mr. and Mrs. Lester Kohn, Kewaskum, underwent a heart operation on Tuesday, Jan. 15, at the University of Minnesota Medical School Department of Surgery, Station 301, Minneapolis 14, Minn. He was admitted to the hospital on Jan. 8 and expects to be a patient there for a couple of weeks more. Robert is a second grade pupil at Holy Trinity school, Kewaskum.

AMBULANCE CALLS

Monday, Jan. 21—Mrs. Paul Backhaus, R. 1, Kewaskum, removed to St. Joseph's Community hospital, West Bend.

Monday, Jan. 21—Mrs. Julius Dreher, Kewaskum, taken to St. Joseph's Community hospital, West Bend.

Plant 400 Northern Pike in Mauthe Lake

Four hundred northern pike weighing 340 pounds were stocked in Mauthe lake on Friday, Jan. 11. They ranged from 12" - 26" in length.

These fish were obtained from Rush lake in Winnebago county where most of the fish die each winter. Because of this situation as many as possible are harvested for stocking in other lakes where they may furnish good sport fishing. A recent plant of 400 walleye and 200 northern pike in Lake Seven also originated from Rush lake.

This is a continuing program by the fish management division under the recommendations of Paul Schultz, fish manager for this area, of the Wisconsin Conservation Department in cooperation with the Division of Forests and Parks to improve fishing in the lakes and streams of the Northern Purchase Unit of the Kettle Moraine State Forest.

Cold Wave Continues Grip Over Area; -28

The severe cold wave of last week continued its grip over the area all this week as temperatures remained below zero every day up until Friday, when forecasts predicted the mercury would rise slightly above that mark.

Sunday's cold, accompanied by high winds which caused blowing and drifting snow, was followed by 19 degrees below zero temperatures Monday. Tuesday morning it was even colder as the mercury skidded to a reported -28 degrees and garagemen were kept busy all day again starting, towing and pushing cars and trucks that would not start. They were so busy reservations had to be made on a first call, first served basis.

Temperatures again registered between 15 and 20 degrees below zero Wednesday morning and well below the zero mark Thursday morning preceding the slight "warming" on Friday. Colder weather was once more predicted for Sunday.

SENGPIEL GREAT DANE WINNER AT DOG SHOW

Tir-Mer's Tiger-Lilly, a one year old Great Dane Brindle bitch, owned by Mr. and Mrs. Ned Sengpiel, Kewaskum, won best of breed and best of working group in the open class at the show held in West Bend by the Kettle Moraine Kennel club on Sunday Jan. 20. She has been undefeated in the puppy class. She will be shown again on Sunday, Jan. 27, at the Wisconsin Kennel Club dog show at Milwaukee.

BAND CONCERT PLANNED AT HIGH SCHOOL FEB. 3

A band concert given by the Kewaskum Community High school band will be held at the high school on Sunday evening, Feb. 3, at 8 o'clock. Everyone is invited. The complete program will be published in the next issue of this newspaper.

Hearing on Boltonville Dam Transfer Feb. 20

A public hearing on an application to transfer ownership of the Boltonville Mill Dam in Stoney Creek to the Boltonville Sportsmen's club, which was incorporated to restore the mill pond for recreation, conservation and fire prevention purposes has been scheduled by the Public Service Commission of Wisconsin for 10 a. m. on Feb. 20 at the court house in West Bend.

The hearing stemmed from an application filed by the Random Lake Cooperative association of Random Lake for a permit under section 31.185 of the state statutes to transfer ownership of the Boltonville Mill Dam in Sec. 9, Township 12 North, Range 20 East, T. Farmington, to the Boltonville Sportsmen's club, R. 1, Kewaskum.

Corn Clinic Coming

"How much extra profit can I get from weed control with chemicals?"

"How should I apply chemical weed killers for best results?"

"What's the latest news on controlling corn rootworms?"

Corn growers can find answers to these and many other questions at a forthcoming series of Geigy Corn Clinics. These clinics have become important to corn growers who wish to exchange ideas and meet farm chemical specialists. This year's series of clinics will be held in more than 600 communities, 350 more than last year. Meetings will be held in most major corn areas, and most farmers will have several nearby clinics to choose from. Every person interested in corn production is urged to attend.

The use of today's safe chemicals to increase corn yields and lower production costs is fast becoming a standard corn growing practice. At the clinic, farm chemical specialists will discuss the basic principles of chemical weed control, how to get the most out of each herbicide dollar, how long chemicals are effective in the soil, how to apply weed killers for best results, and many other topics.

In those areas where growers are faced with a corn rootworm problem, the specialists will discuss what is known about these insects, the damage they do, and how to control them.

The Kewaskum session is scheduled as follows: Wednesday, Jan. 30, Kewaskum High school ag shop, 8:00 p. m.

Note the date of the meeting and plan to come. A question and answer period following the program is expected to stimulate a lively discussion. In answering questions, the specialist will draw on experiences from all major corn growing areas of the U. S. as well as on local results.

A special bonus for growers in peanut and tobacco areas will be a discussion of the problem of soil insect damage—and how to overcome it.

MARRIAGE LICENSES

John W. Heisdorf, R. 2, Kewaskum, and Mary G. Dricken, West Bend; wedding Jan. 26.

Mrs. Julius Dreher, Gail Petermann, 11, 4 Others Pass Away

Mrs. Julius Dreher, 85, nee Fredericka Backhaus, of Kewaskum, passed away early Tuesday morning, Jan. 22, at St. Joseph's Community hospital, West Bend. She was taken to the hospital on Monday, Jan. 21, and died there the next morning.

She was born April 10, 1877 in the town of Kewaskum and was a lifelong resident of this area. Her marriage to Julius Dreher took place on Nov. 15, 1900, in Milwaukee. He preceded her in death on May 10, 1952.

Mr. and Mrs. Dreher were the parents of 11 children, two of whom died in infancy. Surviving are Edward and Earl of Kewaskum, Veila (Mrs. Wallace Krueger) of R. 2, Campbellsport, Lester of Tarpon Springs, Fla., Anita (Mrs. Paul Dean, Sr.) of West Bend, Dorothy (Mrs. Don McQueen) of Minneapolis, Minn., Mrs. Helen Saueressig of West Bend, Alice (Mrs. Gilbert Bottoni) of Milwaukee, and Marlin of West Bend. She also leaves 28 grandchildren, 43 great-grandchildren, two sisters, Mrs. Alma Ramthun and Mrs. Elsie Backhaus, both of rural Kewaskum; two brothers, Otto Backhaus of Kewaskum and Adolph Backhaus of Marshfield; two sisters-in-law and many other relatives and friends.

Friends called at Miller's Funeral home from 3 p. m. Wednesday until 11 a. m. Thursday and at Peace United Church of Christ from 12 noon until the time of services at 2 p. m. on Thursday. The Rev. C. F. Hammen officiated at the funeral rites and interment was in the church cemetery.

Mrs. Dreher had been a member of Peace church for many years.

GAIL LORINA PETERMANN

Gail Lorina Petermann, 11-year-old daughter of Mr. and Mrs. Orville Petermann, R. 2, Campbellsport, a sixth grade pupil in the Kewaskum Public school, passed away on Tuesday morning, Jan. 22, at University hospital, Madison, after a brief illness. She was taken to St. Agnes hospital, Fond du Lac, on Jan. 18 and then rushed to the Madison hospital on Sunday, Jan. 20.

Gail was born June 6, 1951, at West Bend. She lived in Kewaskum with her parents for several years and then the family moved to West Allis where they made their home for eight years. For the past five months they have resided in the town of Auburn, R. 2, Campbellsport, in the home Mr. Petermann purchased from his mother.

She is survived by her parents, Orville and Marion McElhatton Petermann; two brothers, John, 13, and Brian, 6; her grandmothers, Mrs. Christine McElhatton of Kewaskum and Mrs. Lorina Petermann of R. 2, Campbellsport; many aunts, uncles, cousins and other relatives and friends.

Gail was a member of the children's choir of Peace United Church of Christ and also the Auburn 4-H club.

Friends called at Miller's Funeral home, Kewaskum, after 2 p. m.

ALL AMERICA DEPENDS ON AGRICULTURE

FUTURE FARMERS OF AMERICA WEEK
FEBRUARY 16-23

25 Years Ago

Jan. 21, 1938

Deaths included Mrs. Anna Backhaus, 67, of Elmore, widow of the late Otto J. Backhaus, and mother of Mrs. Christian Backhaus of the town of Kewaskum, on Jan. 13; Mrs. Emma Seefeld, 71, Dundee, widow of Paul Seefeldt, Sr., native of Kewaskum, on Jan. 16; P. G. Van Blarcom, 80, Fond du Lac, native of the town of Auburn, and former principal of the Kewaskum Public school, on Jan. 18; Mrs. Mary Kelly, 78, Byron, native of the town of Wayne, on Jan. 8; Jos. Schwartz, 70, of the town of Wayne, on Jan. 10.

The St. Mary's sodality of Holy Trinity church elected officers as follows: President, Mrs. Roman Smith; secretary, Mrs. Joseph Mayer; treasurer, Mrs. Hubert Wittman.

Mrs. Kate Nordhaus, village, underwent a major operation at the

West Bend hospital.

Jack Thull and his Texas Rangers, famous over WIBU, played at a dance at Henry Suess Lighthouse ballroom on Hwy. 55, south of the village, Jan. 16. The orchestra is from St. Michaels.

At the annual meeting of St. Lucas Ev. Lutheran church Sunday afternoon all officers were re-elected as follows: President, Conrad Bier; deacon, Paul Backhaus; school deacon, Fred Klein, Sr.; cemetery deacon, Otto Backhaus.

Plans for the county-wide celebration to be held simultaneously with a nation-wide observance of President Roosevelt's birthday (President's Ball) on Jan. 29 are progressing rapidly according to Atty. Lloyd Lobel, West Bend, chairman of the executive committee overseeing the respective community celebrations throughout the county. Many communities in the county have set dates for dances. Frank Wietor, Wayne chairman, and Frank Heppe, chair-

man in Kewaskum, have united forces and will hold a joint celebration at the Kewaskum Opera House. Music will be by the Kewaynie Five, admission 25c.

A meeting to elect officers of the Peace Evangelical church was held Sunday. John Klessig was elected president to succeed August Schaefer, who retired after serving many years. Irwin Schulz was re-elected vice-president and Mrs. D. M. Rosenheimer, secretary, succeeding Mrs. Augusta Clark. Officers named last year who hold over for another term are M. W. Rosenheimer, financial secretary; Fred Buss, treasurer, and Henry Weddig, trustee.

FIFTY YEARS AGO

Jan. 26, 1913

A transaction was closed whereby Frank Day, the hustling real estate man from West Bend, became the owner of the 100 acre farm and all personal property of Etta brothers, located one mile east of New Fane.

Mrs. Wilhelmina Bilgo, nee Schultz, 86, died recently at her village home.

August Ullrich, 16, of Campbellsport accidentally shot himself in the left foot. He was hunting in the Stoffel woods, a mile south of that village, with a companion, Leo Becker, when the mishap happened.

ry of the past season comes from a party of six, consisting of Chas. Meinecke, Sr. and sons, Charles, Fred and Otto, Otto Ramthun and Eugene Haessly. While hunting ducks at Moon lake, seven miles northeast of this village, they were successful in bagging 32 of the feathery tribe. Otto Meinecke was remarkably lucky in getting 11 ducks with two shots.

John Klessig of Fillmore moved to this village into his new residence on south Fond du Lac ave. where he and his family are now making their home.

COMPLETES GRADUATE SALES TRAINING COURSE

Ernst A. Heinecke, West Bend, recently successfully completed the graduate course of the fraternal sales training program at Appleton. To become eligible for the graduate training, Heinecke had earlier completed two preliminary training courses. He is an area representative for Aid Association for Lutherans.

Heinecke is a member of the Washington-Ozaukee county chap-

ter of the National Association of Life Underwriters. He has completed one course of the Life Underwriter Training Council and the Dale Carnegie sales course.

Meeting of School Administrators Held

In an attempt to bring about a county-wide understanding of the curricular offerings in grades kindergarten through twelve, the county superintendent of schools called a meeting of parochial and public school administrators on Jan. 15. This meeting was held in the courthouse at West Bend.

The discussion centered around the following objectives:

1. That the elementary background of beginning high schools students will have necessary essentials.
2. That the high school teacher will be aware of the elementary school background of his students.
3. That the elementary teacher will be aware of high school offerings and what is expected of the beginning high school student.
4. That duplication or repetition of subject matter will be eliminated except where it is deemed necessary.
5. That the time and sequence of essentials will be fairly uniform.
6. That there can be evaluation of textbooks, equipment, and teaching effectiveness.
7. That there can be inter-relationships between fields of knowledge as well as continuity between various levels. (There should be linkages between various subjects at all levels).
8. That there can be a joint de-

inition of concepts, understandings, attitudes, and appreciations that teachers at all levels hope to attain.

9. That there can be a sharing of views and knowledge.

All of the members present agreed that a joint meeting should be held with representatives from the regional or state departments. Accordingly, such a meeting is planned for Wednesday, Feb. 20.

The following people were present at the meeting:

C. E. Nodolf, principal, Hartford elementary schools; Gene J. Cartwright, principal, Central school (Hartford); Gus C. Boll, principal, Hartford High school; Father Sanfelippo, St. Kilian's Catholic school (Hartford); Father Rayner G. Hausmann, Holy Angels Catholic school (West Bend); Father Matthew J. Urban, St. Michael's Catholic school (R. 2, Kewaskum); Richard Zarling, principal, Kewaskum Elementary school; John Kurth, principal, St. John's Lutheran school (R. 2, Campbellsport).

Clarence H. Zimbrich, acting principal; St. John's Lutheran school (West Bend); Paul E. Guth, chairman of congregation, St. John's Lutheran school (West Bend); Fred F. Schultz, curriculum coordinator, West Bend public schools; Clifford Rose, principal, Kewaskum High school; H. P. Matenaer, St. Mary's Catholic school (Barton); George Glasrud, principal, Washington Union High school (Germantown); Harry D. Sheski, Washington county superintendent of schools; Dorothea M. Back, Washington county supervising teacher; James Ryan, Washington county supervising teacher.

Catholics Plan Family Holy Hour

The 15th annual Family Holy Hour has been scheduled for Sunday, Feb. 3, at the Milwaukee Municipal auditorium, it was announced by the Catholic Family Life program office this week. The Holy Hour will be conducted from 2:30 to 3:30 p. m. and will again be the concluding feature of the Wisconsin Catholic Action convention.

Archbishop William E. Cousins will preside and will address a greeting to all the families who attend. Lay people from every area of the archdiocese are encouraged to attend. Married couples will be joined by priests, religious, sisters and brothers, and students for the priesthood, brotherhood and sisterhood at this hour of prayer. Since the event centers its emphasis on the three basic vocations which serve the Family of the Catholic Church, single people are also invited. This year the traditional St. Blaise blessing of throats given to Catholics on Feb. 3, the feastday of the saint, will be imparted individually to all adults and children

who attend the Holy Hour.

The Family Holy Hour was introduced by Monsignor Holleran at St. John Cathedral, Milwaukee, in 1949 where it was held for five consecutive years. Monsignor Kelly of the cathedral, who offered his facilities for the first event, will return to become celebrant at the benediction on this 15th anniversary. Since 1954 because of the increasing crowds it has been held at the Milwaukee auditorium each year.

It pays to advertise.

LADIES SOCIETY BREAKFAST

Jan. 27 is Ladies society Communion Sunday at Holy Trinity parish. After the 8 a. m. mass there will be a breakfast followed by a short meeting. Hostesses will be Mmes. Bruce Petri, Dorwin Perkins, Harold Perkins, Roland Pledl, Nic Puerling and Steve Rahn.

Trapping is the best way to remove rabbits from the back yard if they start to nibble on your favorite fruit tree, says Robert McCabe, wildlife specialist at the University of Wisconsin.

STURGEON SPEARING SEASON OPENS FEB. 9

The hunting season for rabbits and squirrel will close on Jan. 31, 1963. The trapping season for mink and muskrat in Washington county, closed north of Highway 60 on Dec. 19, south of that line on Jan. 15, 1963. The only place in this vicinity where a trapper may operate is that part of Dodge county north of Highway 60. This is a special season for mink and muskrat which is open until March 15,

1963. However, traps may not be placed in the water. (Dry sets only may be used).

Do not forget the wild birds that you expect to hunt next fall. In this continued spell of unseasonable cold weather they need help. Feed them.

The sturgeon spearing season this year will open Feb. 9 and extend through March 1. This season will be open this year on Lake Winnebago and Little Lake Butte des Morts only.

There will be no sturgeon spearing season on Big Lake Butte des Morts, Lakes Winneconne, and Poygan, and the connecting waters downstream to Lake Winnebago in 1963.

As in previous years, the bag limit is one sturgeon per season. It must be at least 40 inches long. You must attach your sturgeon tag to the fish immediately when taken and the fish must be presented for registration at an official sturgeon registration station established for such purposes not later than 24 hours after it is speared. These stations will be located at various places around Lake Winnebago.

It is unlawful to have in possession or under control, any spear or similar device in any building, tent, or similar enclosure on waters of Lake Butte des Morts, Winneconne, Poygan, Winnebago, Little Lake Butte des Morts or any connecting water including the Wolf river from the Shawano dam downstream and the Fox River from Mile Post 63 in Green Lake county downstream except during the open season for spearing sturgeon when such open season is in effect on specified waters named above.

The above regulations are the same as in past years. This year again, it is necessary to purchase a special sturgeon spearing license if you wish to engage in the sport. The fee for such license is \$2.50 and may be issued only to persons 14 years of age and older. Therefore, persons under 14 years of

age may not take part in this sport. When you buy your license, you will be supplied a sturgeon tag with it. This is the tag which must be attached and locked to the tail of your sturgeon immediately after it is speared.

This year again, you may cut the hole for spearing sturgeon 48 hours before the opening of the season.

We urge that if you use your fish shanty primarily for sturgeon spearing, you remove it from the lake at the close of the sturgeon season. At that time, if we have heavy snows, there are usually trails plowed on the lake. Past years, many people who left their shanties out experienced considerable difficulty in getting them off the lake. All shanties must be removed by March 5.

JAN. 31 DEADLINE NEARS FOR PRICE SUPPORT LOANS

Jan. 31, 1963, is the deadline for price-support loans and purchase agreements on a number of crops harvested in 1962, Frederick C. Schroeder, chairman, Agricultural Stabilization and Conservation County committee, said today. The crops include wheat, barley, oats, rye and soybeans.

Schroeder listed the following price-support rates for loans and purchase agreements on the 1962 crop of commodities:

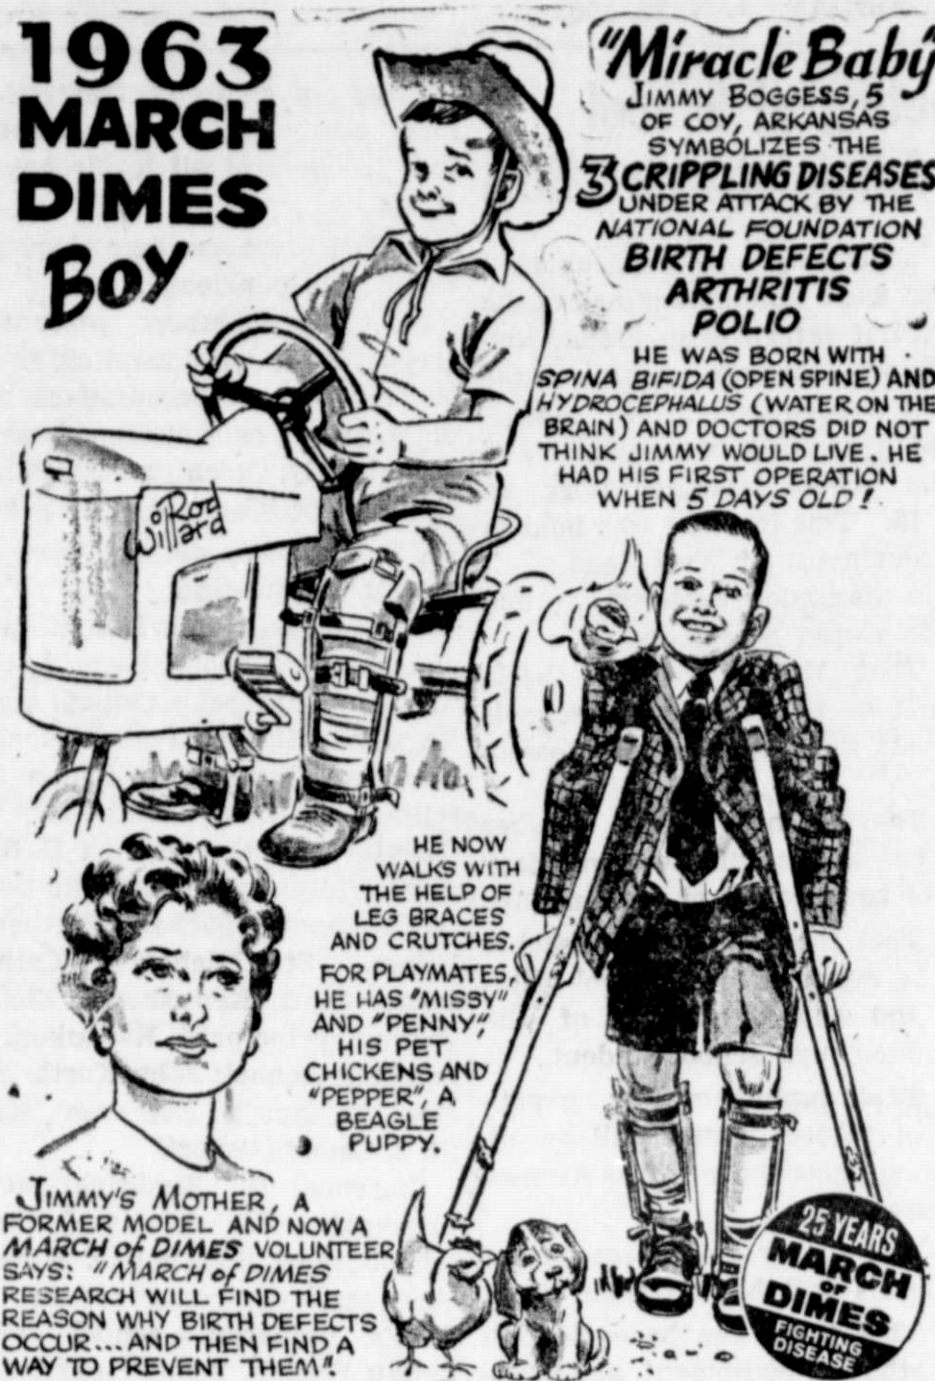

Crop	Price Support Rate
Wheat	\$2.05 per bu.
Barley	.97 per bu.
Oats	.64 per bu.
Rye	1.09 per bu.
Soybeans	2.25 per bu.

The chairman reminded growers that good storage, which must first be approved by the ASC county committee, is a requisite for obtaining a price support loan on any form-stored crop. While the farmer himself is responsible for

Watkins Quality Products

and Mary King Cosmetics

1963 MARCH DIMES BOY

storing a crop covered by a purchase agreement, the condition and quality of the crop will be a determining factor in the amount of the support he receives should he decide to deliver his crop under the support program at the end of the season.

The modern teenager may have the right idea after all. He does it today because tomorrow there might be a law against it.

Minutes of School Board Meeting

Kewaskum Public School
Joint District No. 1
December 13, 1962

The meeting was called to order at 8 o'clock, Orval Behnke being absent.

Harvey Janssen moved, seconded by Raymond Schaefer to accept the minutes of the previous meeting as read. Carried.

Raymond Schaefer moved that authority be given to Richard Zaring to notify Honeywell Company advising them of the cancellation of the contract when it expires. Seconded by Harvey Janssen. Carried.

Mrs. Iona Schmidt moved that any teacher attending the institute in Stevens Point on January 19, 1963 be paid \$10 to help defray expenses. Seconded by Raymond Schaefer. Carried.

Based on board policy, the use of the school building for public dancing denied.

Harvey Janssen moved, seconded by Raymond Schaefer, to adjourn the meeting. Carried.

American Indians kept domesticated turkeys long before white men ever heard a gobble, reports Frank Chermis, poultry specialist at the University of Wisconsin.

4-H Club News

KEWASKUM 4-H'ERS

The meeting of the Kewaskum 4-H'ers was called to order by the vice president, Dawn Martin. The pledge to the flag was led by Colleen Frank and the 4-H pledge was led by Tom Stoffel.

Roll call was taken by answering if you have your enrollment card in. Those members who don't have their enrollment cards in should make sure they have them in.

The dues are 50c a year and they are to be paid by April 1.

The planning committee met and Diann Ramel gave a report on some of the activities planned for the coming year.

Tom Stoffel reported on the officers work shop.

The local speaking contest will be held at our next meeting. The poster contest will be then, too. The club project is "Safety," so try to keep your posters and speeches inclined to safety. The posters should be on 12 x 18 inch paper.

The window display will be put up by March 2. The committee for this is the chairman, Jane Honeck, Diann Ramel, Susie Scannell and Dean Martin.

George Martin brought up the idea of having a safety talk at each meeting. This will give the members practice in speaking to a group. Since it doesn't have to be long, all of the members should speak at one meeting or the other.

Mariel Seefeldt is the song junior leader, so she is getting the members together to prepare for the Music and Drama Festival which will be on Feb. 17, 18 or 19.

Since Diann Ramel is the recreation junior leader, she had some entertainment for the members. Refreshments were served.

The next meeting will be Feb. 14; it will also be a Valentine party. Refreshment committee for then is Diann Ramel, Dean Martin, Tom Stoffel, and Dennis Backhaus.

We would also like to thank the parents, Mrs. Gerald Stoffel, Mrs. Marvin Martin, and Mrs. Secor for coming to the meeting. We wish that more parents would come to take a special interest in the work of the 4-H'ers.

Diann Ramel, Reporter

Join the 1963 March of Dimes and help fight birth defects through patient aid and medical research programs.

Our Police Chief Says

Due to snow and cold weather some sidewalks in the village are icy and slippery. Sand is available in containers throughout the village and, if more is needed, it can be obtained from the large sand pile free at the municipal garage south of the bridge.

To be sure of being able to start and stop positively in severe snow and ice conditions, use reinforced tire chains when needed. Carry them in car trunk at all times and put them on at first sign of hard going, over regular or snow tires. Make sure they fit in advance.

March of Dimes Makes Gains in Birth Defects, Arthritis

People say everyone talks about the weather but no one does anything about it.

Until just recently, a similar observation could have been made about birth defects. Not only had no one done anything much about the problem but, in truth, people have always been reluctant or afraid even to talk about the subject.

The tragedy of this affliction has beset mankind since the dawn of recorded history. Yet no organized attack on birth defects was launched until 1958 when The National Foundation-March of Dimes entered this medical area.

The reason for this historic decision was that birth defects constitute the world's greatest unmet childhood medical problem today. Meeting the problem, moreover, entailed fund raising on the same multimillion scale as was required by the long, costly but successful fight of the same health organization against polio.

Marks 25th Year

The March of Dimes, now marking its 25th anniversary, last year appropriated more than \$4,000,000 for research in birth defects, arthritis—another baffling disease which is the nation's No. 1 crippler—and on certain aspects of polio and other virus diseases. On birth defects research alone, the March of Dimes approved grants totalling \$1,200,000, with about another \$800,000 earmarked for regional treatment centers. Directly financed by March of Dimes chapters, these "grass roots" centers today number 31 and are located across the nation.

The need of funds for these March of Dimes-financed treatment centers, particularly in the area of birth defects, is urgent. In the 50 states, the full extent of the problem was not appreciated until March of Dimes medical advisers reported that about 250,000 infants were born yearly in this country with significant birth defects—almost 700 a day, or one every other minute.

Birth defects cause at least 2,000 deaths each year. The chief requirements in the battle to save these lives in the future, and to lessen the damages that birth defects as well as arthritis inflict, are

trained manpower, equipment and time—and, of course, the substantial funds that these demand.

Research into the physical calamities that birth defects represent costs stupendous sums. The cause of a type of disaster that has bewildered mankind for uncounted centuries is unlikely to be explained overnight at bargain-sale prices, or its prevention quickly found.

In the areas of birth defects, arthritis and virus diseases, scientists supported by the March of Dimes were responsible for important research advances during 1962. For example, in birth defects:

- Certain white blood cells in the mother were found to enter the infant's blood stream before birth. The possibility exists that such cells may harm the baby later in life. This was reported by Drs. William P. Creger and Rejendra C. Desai of Stanford University.

Nucleic Acid and Protein

- Belief that the hereditary material called nucleic acid carries the blueprint for the production of protein was considerably strengthened. (Protein is the basic stuff of living material.) This was reported by Dr. Norton Zinder of the Rockefeller Institute.
- Experiments with pregnant guinea pigs established that certain hormones (such as hydrocortisone) can provoke birth defects in offspring. This was demonstrated by Dr. Richard M. Hoar of the University of Cincinnati.
- Further evidence on hormones, obtained by dipping unhatched eggs in a hormone solution, led Dr. Gregory Pincus of the Worcester Foundation for Experimental Biology to conclude that the problem of what causes some infants to be born with mixed-up sex characteristics may be a matter of hormones rather than heredity alone.

In arthritis:

- Key evidence was uncovered by Dr. Robert A. Good at the University of Minnesota that the mysterious thymus gland, situated behind the breastbone, is responsible for the functioning of the body's immunity defense mechanism. Abnormal working of the immunity mechanism is believed involved in rheumatoid arthritis.
- The discovery that there is a similar ground plan of chemicals in the connective tissue of many animals ranging from the horseshoe crab to man was reported during the year by Dr. Albert Dorfman and his associates at the University of Chicago. This means that research in the connective tissue of animals can be related

"Wait! We Still Have a Fight on Our Hands"

R. N. Palmer in the Springfield (Mo.) Leader & Press.

ered by Dr. Robert A. Good at the University of Minnesota that the mysterious thymus gland, situated behind the breastbone, is responsible for the functioning of the body's immunity defense mechanism. Abnormal working of the immunity mechanism is believed involved in rheumatoid arthritis.

The ultimate significance of these and numerous other March of Dimes-financed research studies may not be fully apparent now. But these findings are valuable clues to future progress. If no one does anything about the weather, at least something important is being done today about diseases that cripple children.

closely to connective tissue diseases in man, such as arthritis.

In virus diseases:

- Studies of a tumor-causing virus disclosed how it changes normal cells, in tissue culture, to cancer cells. This significant finding was reported by Dr. Renato Dulbecco of California Institute of Technology.

The ultimate significance of these and numerous other March of Dimes-financed research studies may not be fully apparent now. But these findings are valuable clues to future progress. If no one does anything about the weather, at least something important is being done today about diseases that cripple children.

Indians Are Beaten By Pewaukee and Grafton To End Winning Streak

GRAFTON VICTORY IS 8TH IN ROW, NEARS TITLE

The Kewaskum Indians' five-game winning streak was brought to an abrupt end the past week as they were dumped twice and their second place tie was lost as they dropped to fourth in the Scenic Moraine conference as the result of losses to second place Pewaukee, 70-51, and first place Grafton, 52-40.

Playing at Pewaukee Friday, the Indians were defeated by a surprising margin, being outscored in every quarter to lose by 19 points. Only the first quarter was close, 14-13, after which Pewaukee practically iced the win in the next period by outpointing Kewaskum, 18-7, to take a 32-20 halftime advantage. The Indians were outscored, 20-17, and 18-14 in the final two quarters.

Les Teuteberg with 23 points and Darvin Staal with 18 paced the Pirates. Al Koepke had 22 for Kewaskum, while Mike Coulter assisted with 10 and Mark Kral with 9.

The Indians played unbeaten, leading Grafton on almost even terms here Tuesday for the first three quarters but then the bottom fell out in the last period and they lost by a 12-point margin. Grafton led by just one point, 10-9, at the quarter and each team scored 12 in the second period to bring the score at the intermission to 22-21. The winners still led by only four points, 35-31, at the end of three quarters and it was anybody's game but then Kewaskum hit the skids again in the last stanza, being outscored big, 17-9, as Grafton won going away. They scored 30 points in the last 16 minutes.

The Indians' weakness from the free throw line was a big factor in their setback. Although Grafton committed more personals than Kewaskum, the Indians sank only 8 free throws while the visitors made 14. Jack Gleason with 18 points and Jim Doherty with 15 led the Blackhawks. Kewaskum, which now has a 5-3 record, was topped by Mark Kral's 12 points and Mike Coulter's 11. The victory was Grafton's eighth straight and moved them a step closer to the

conference championship.

In other games last Friday Grafton won its 7th straight, tipping Slinger, 67-56; North Fondy bested Germantown, 78-74, and Random Lake won its first contest, shading Campbellsport, 45-43. On Tuesday other results show Campbellsport losing its 8th in a row to Germantown, 65-50 and Slinger whipping Random Lake, 61-54.

This Friday the Indians are at Random Lake and next Friday they travel to Slinger.

Chevs Trim Horicon To Open Second Half

STRONG WATERTOWN TEAM LED BY "RUBE" SCHULTZ HERE SATURDAY

After ending up with a 5-3 record and a tie for fourth place in the first half of play in the Land o' Lakes league, the Kewaskum Chevrolets opened the second half at Horicon Saturday and poured it on, trouncing that team, 87-57.

Horicon held the Chevs in check pretty well in the first half but folded after the intermission. Kewaskum outsored them, 24-17, in

KEWASKUM TO PLAY IN MT. CALVARY TOURNAMENT

The Kewaskum Chevrolets of the Lakes league will again participate in the Mt. Calvary Invitational tournament this year, along with many other teams. The Chevs will play their first tourney contest next Thursday night, Jan. 31, when they will face Rek's Bar team of Sheboygan. This is a double elimination meet in which each team must lose twice before being eliminated.

the third quarter and then ran circles around Horicon in the final period totaling 33 points to only 12 for the losers and turning the game into a rout.

Gene Pieper and Tom Larsen tied for scoring honors for the winners, each with 18 points, while

Don Meisenheimer chipped in 14 and Otto Ramthun 12. Top point men for Horicon were Schmidt with 11 points and Firehammer with 10. Each team made good on 13 free throws but Kewaskum sank 37 field goals while holding Horicon to 22.

In other games last week end first half champion Beaver Dam clipped Cedarburg, 85-68; West Bend outlasted Mayville, 77-73, and Menomonee Falls easily beat Hustisford, 88-66.

Kewaskum has a big game this Saturday night at home when powerful Watertown, led by "Rube" Schultz, former Marquette university scoring ace, comes to town. Watertown and Beaver Dam were tied for first place in the first half with 6-1 records until the Beavers shaded them in the final game of the half, 81-75, for the title. This should be quite a tussle and the Chevs will have to be at their best to stand a chance to beat Watertown. Game time is 8 p. m.

PREVENT WINTER DRIVING WOES

The National Safety Council says: You must see a hazard to avoid it. A clear windshield and good vision are both vital. Check wiper blades for deterioration. Dead, baked-out rubber smears. Arms should have one ounce of pressure for each inch of blade length. Otherwise blades smear instead of wiping clean.

Deaths

(Continued from page one)

Thursday. Funeral services were held at 2 p. m. Friday, Jan. 25, at Peace United Church of Christ, the Rev. C. F. Hammen officiating. Burial took place in the parish cemetery.

MRS. FRANK THULL

Mrs. Frank Thull of R. 1, Kewaskum, town of Farmington, died at St. Joseph's Community hospital West Bend, on Thursday, Jan. 17, after an eight day illness. She would have reached the age of 77 years on Jan. 31.

Mrs. Thull, nee Margaret Stockhausen, was born in the town of Trenton on Jan. 31, 1886, and at an early age moved to the town of Farmington with her parents. She married Mr. Thull in St. Michael's church, St. Michaels, on June 28, 1916. They made their home in the town of Farmington. Mrs. Thull was organist at St. Michael's church for 54 years, having just recently discontinued serving as organist.

Mr. Thull preceded his wife in death on May 12, 1962. They were the parents of five children, all of whom survive, Norbert, R. 2, Kewaskum; Mrs. Cyrilla Moser, R. 1, Theresa; Edmund, R. 1, Kewaskum; Lucinda (Mrs. Gilbert Moser), R. 1, Theresa, and Ursula (Mrs. Glendon Abel), R. 2, West Bend. Also surviving are 34 grandchildren, two brothers, Nicholas Stockhausen of Milwaukee and Joseph of the town of Farmington; two daughters-in-law and two sons-in-law. Two brothers predeceased her.

Funeral services were held at the Schmidt Funeral home, West Bend, at 9:15 a. m. Monday, Jan. 21, and at St. Michael's church, St. Michaels, at 10 a. m. Fr. M. Urban officiated and burial was in the parish cemetery. Friends paid their respects at the funeral home from 2 p. m. Sunday.

MSGR. EDWARD J. RODENKIRCH

Msgr. Edward J. Rodenkirch, 75, a native of this area, and a retired Catholic priest, who had been living in Milwaukee, died Sunday night, Jan. 20, in St. Camillus hospital, Wauwatosa.

He was born at St. Michaels, near Kewaskum, on Aug. 22, 1887, and was ordained at St. Francis seminary in 1913. Msgr. Rodenkirch began his priesthood at St. Augustan's parish in Milwaukee and was then appointed a profes-

sor at Pio Nono college in St. Francis. He was appointed pastor of St. John's church, Paris, in Kenosha county, three years later and in 1925 became pastor of St. Rita's church in West Allis. In 1928 he assumed the pastorate of St. Peter's church, St. Peter, in Fond du Lac county.

After his duty at St. Peter's from July 1, 1928, to Oct. 25, 1945, he was appointed to St. Joseph's parish in Waukesha. He resigned there briefly due to ill health, but on April 20, 1956, was appointed pastor of St. Mary's church, Racine. On June 20, 1958, he was appointed chaplain of St. Mary's infirmary at Elm Grove. Following a brief service there he retired in 1960 to live in Milwaukee at 2108 W. Wisconsin ave.

Msgr. Rodenkirch was named a very reverend monsignor in 1944, and a right reverend monsignor in 1949. A sister, Mrs. Mathilda Inkman of Milwaukee survives.

A solemn Pontifical High Mass was said at St. Joseph's church, Waukesha, on Wednesday, Jan. 23, with Archbishop William E. Cousins of the Milwaukee archdiocese officiating. Burial was in St. Joseph's cemetery, Waukesha.

FREDERICK HAMMEN

Funeral services for Frederick Hammen, 76, of West Bend were held in Immanuel Lutheran church, town of Scott, at 1:30 p. m. Saturday with burial in Union cemetery, Campbellsport. The Rev. E. R. Engelking officiated. He died Thursday, Jan. 17, after having been in failing health for some

time.

Mr. Hammen was born in the town of Scott, Sheboygan county, on March 20, 1886 and married the former Hilda Backhaus on Sept. 23, 1911 in St. Lucas Lutheran church in Kewaskum. They engaged in farming at Oakfield, Lomira and Campbellsport. Following Mrs. Hammen's death on Jan. 10, 1931, he made his home with his children.

Surviving are the following children: Edna (Mrs. Peter Lasiewicz) of Milwaukee, Lester of R. 1, Campbellsport, Edwin of R. 1, Random Lake, Florence (Mrs. Herman Seyfert) of R. 1, Plymouth, Dolores (Mrs. Robert Luedtke) of West Bend and Elaine (Mrs. Frank Werner) of West Bend. He also leaves 18 grandchildren, five great-grandchildren, two sisters, Mrs. Alma Binder of R. 6, West Bend, and Viola (Mrs. Ervin Klein) of R. 1, Adell; two sisters-in-law, Mrs. Ella Hammen of rural Random

Lake and Mrs. Hattie Backhaus of West Bend, and a brother-in-law, Robert Bartelt, of rural Kewaskum.

HENRY SENN

Funeral services for Henry Senn, 76, who died Saturday, Jan. 19, at the home of his sister, Mrs. Ed. Rauch at Elmore, were held at 2 p. m. Friday at the Twohig Funeral home in Campbellsport. Burial was in Union cemetery, Campbellsport. Prior to the services the body was in state at the funeral home after 2 p. m. Thursday.

Mr. Senn was born March 14, 1886, the son of John and Dora Wenningen Senn.

Weddings

GIESSEN - DIERINGER

Now at home in Fredonia are newlyweds of Dec. 1, Mr. and Mrs.

Francis Owen Dieringer. Mrs. Dieringer, the former Patricia Ann Giessen, daughter of Mrs. Helen Giessen, R. 3, West Bend, and the late Joseph Giessen and the son of Mr. and Mrs. Thomas A. Dieringer, Carter, Wis., were married at Holy Trinity Catholic church, Kewaskum.

Serving as the bride's attendants were her sister, Mrs. Edward Witte Jr. and a friend, Mrs. Alvin Reindl. James Dieringer served as his brother's best man, while Alvin Reindl, a friend, was groomsman. Ushers were Andrew Dieringer and Edward Stemper.

Mrs. Dieringer, a graduate of Kewaskum High school, is an office employee at Amity Leather Products, West Bend. Her husband attended Port Washington High school and is engaged in farming.

There are now some 2,800 4-H club members in Wisconsin with riding horse projects.

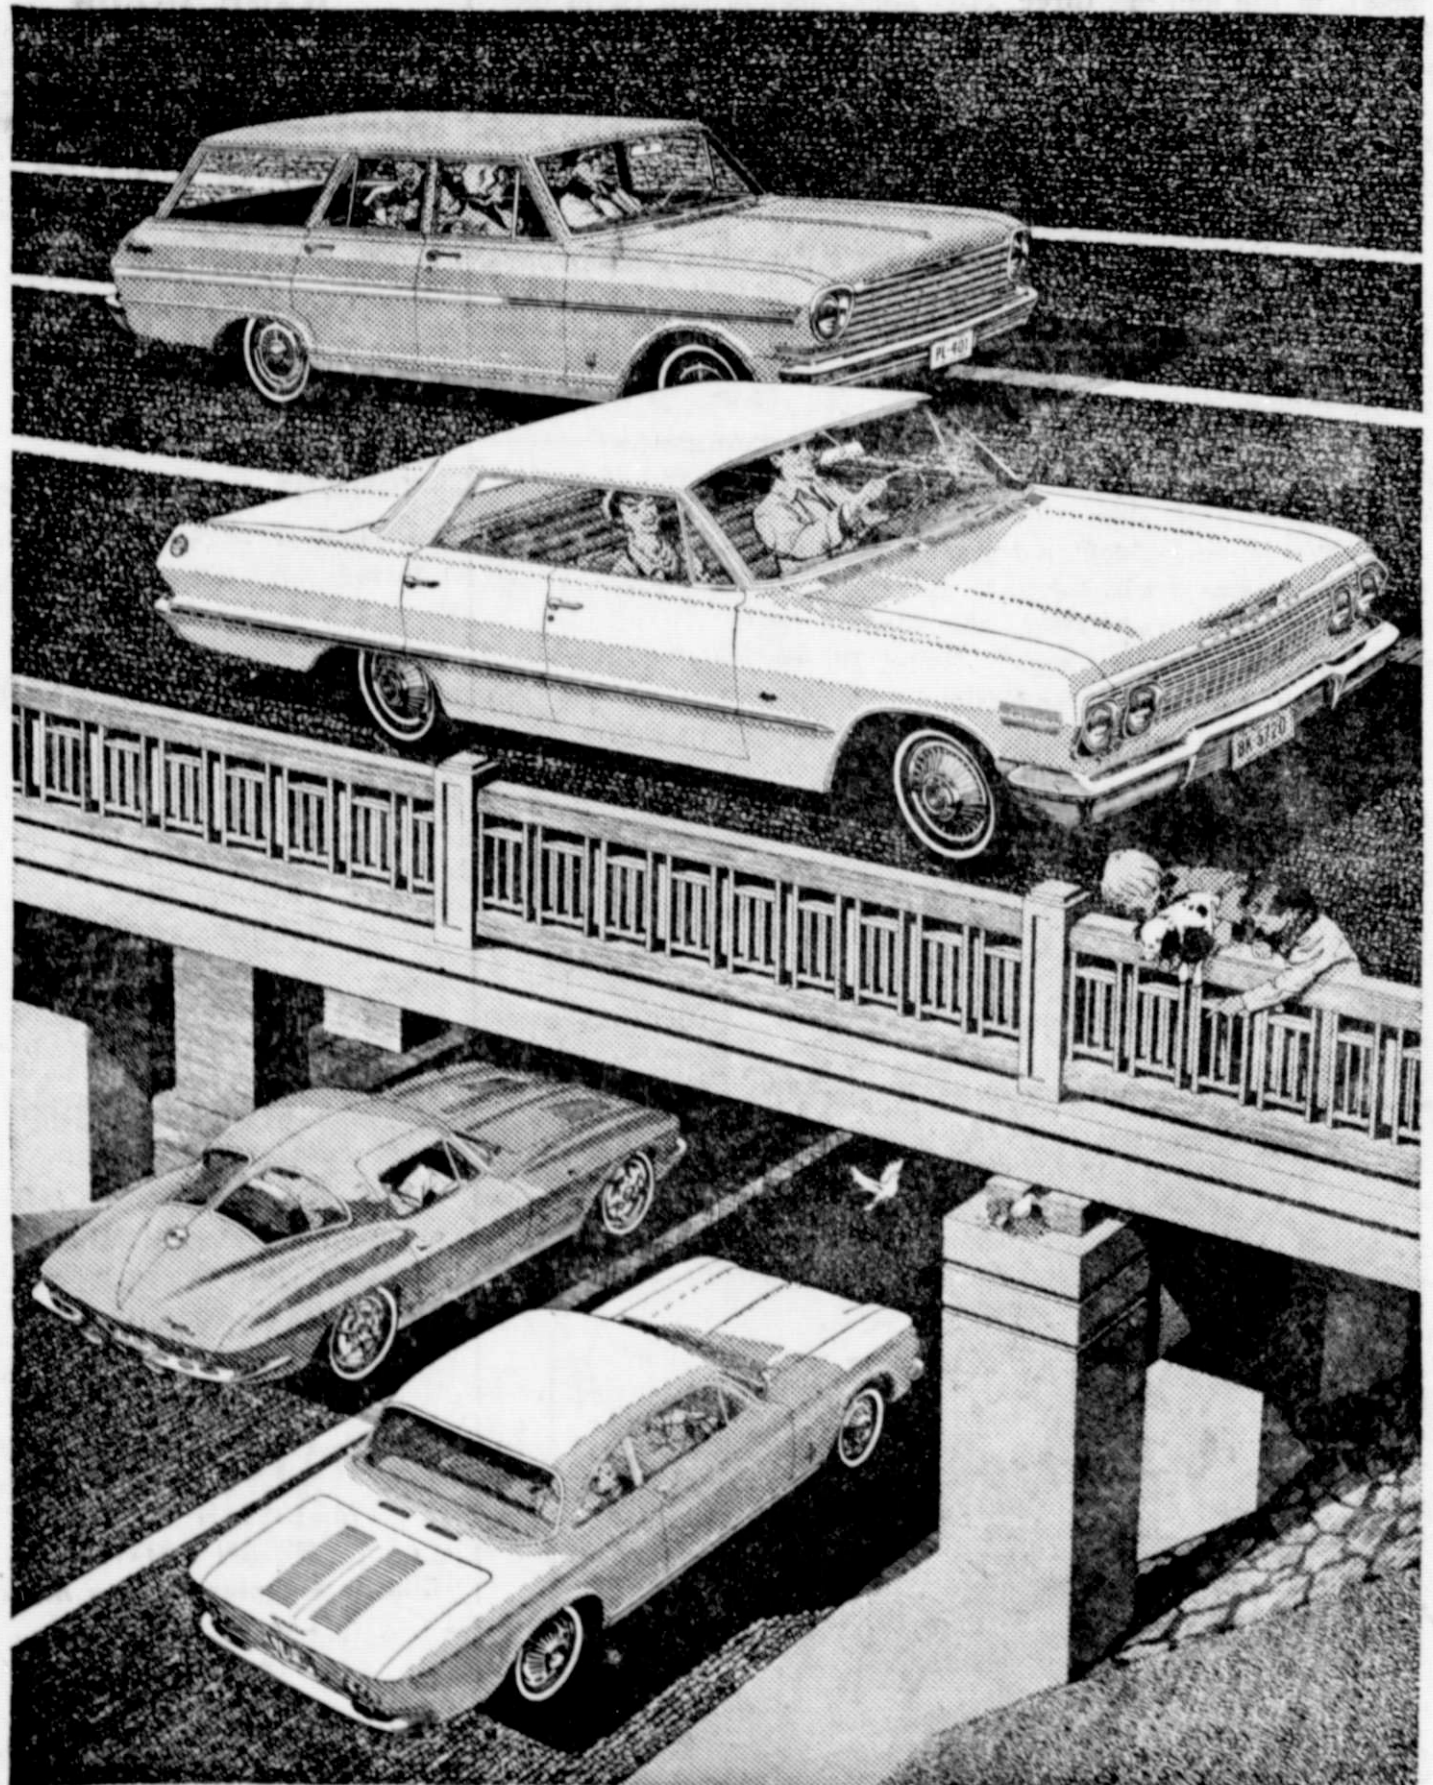

*You'll make the wisest choice
no matter which Chevrolet you choose!*

These four different cars are alike in one important way. Each is a product of Chevrolet Division of General Motors. So each will give you more performance, beauty, comfort and good news at trade-in. But each is tailored to a certain kind of buyer. Our big Chevrolet has the Jet-smooth ride, luxury and styling you'd

expect only in costly cars. Chevy II features parkable size, perky performance and outstanding fuel economy. Corvair gives you rear engine maneuverability and sports car flair. The new Corvette Sting Ray can best be described as dramatic. With a choice of 33 models, there's one Chevrolet that will suit you best.

Keeps Going Great

Shown (top to bottom), '63 Chevy II Nova 400 Station Wagon, Chevrolet Impala Sport Sedan, Corvette Sting Ray Sport Coupe and Corvair Monza Club Coupe

See four entirely different kinds of cars at your Chevrolet dealer's.
