NUMBER 16

Bid of \$24,933.75 for New Fire Truck Accepted By Board

BOLAN CO. OF MILWAUKEE AWARDED CONTRACT FOR FIRE DEPT. PUMPER

Adjourned Meeting, February 18, 1963. The Village Board of Kewaskum, Washington County, Wisconsin, met in adjourned session with President Reigle presiding and all board members present except Trustee Eberle.

The purpose of this meeting was to consider the proposals for a new fire truck.

Upon the recommendation of the Fire Department Equipment Committee, the two lowest bids were considered.

After a lengthy study, it was moved by Trustee Wietor and seconded by Trustee Merwin that the proposal of the Bolan Truck and Equipment Company of Milwaukee in the amount of twenty-four thousand nine hundred thirty-three dollars and seventy-five cents (\$24,933.75) appeared to be the most advantageous, that said proposal should be accepted and that the President and Commissioner be authorized to enter into a purchase agreement for delivery of such a fire truck as previously specified. Upon roll call vote, all members present voted "aye".

Upon motion made, seconded and duly carried, the board adjourned subject to call.

WILLIAM S. MARTIN, COMMISSIONER

PTA MEETING TOPIC TO BE ORAL POLIO VACCINE

Don Ernst, a representative of the Lederle Drug company, will be the guest speaker at the regular monthly meeting of the Kewaskum Elementary PTA. His topic will be the Sabin oral polio vaccine.

Mr. Ernst has been engaged through the efforts of Dr. R. G. Edwards, local physician. Pictures will be shown and a question and answer period will follow his talk.

This program should be of great interest to parents in view of the highly successful Sabin clinics held in the area recently.

The meeting will be held at 8 p. m. on Monday, March 4, in the grade school cafeteria. The public is invited to attend.

Births

GREMMINGER—A daughter to Mr. and Mrs. Raymond Gremminger, 338 Third st., Kewaskum, Thursday, Feb. 7.

VOLZ—A daughter to Mr. and Mrs. Joseph Volz, R. 2, Campbellport, Sunday, Feb. 17.

HERRIGES—A daughter to Mr. and Mrs. Donald Herriges, R. 1, Kewaskum, Monday, Feb. 18.

FAMILY MOVES HERE

Mr. and Mrs. John Milewski and family of Wayne have moved into one of the Honeck homes on the Kewaskum hill on Hwy. 45 just south of the village. They formerly resided in Kewaskum.

Journal Item Features Wunderberg Ski Area

The Sunday, Feb. 17, issue of the Milwaukee Journal carried six pictures and approximately a full page feature item on the Wunderberg ski area at Kewaskum. The story and photos appeared in the women's section of that issue. Wunderberg is located off of Hwy. 45 just south of this village and covers 46 acres of land.

The item appeared under the heading of "Dedicated Dreamers Develop Ski Area" and told all about the long hours of plans, time, effort and work put in by the owners in their ski development. The owners are two Milwaukee area couples, Mr. and Mrs. Jack Christiansen, 2315 E. Olive st., Shorewood, and Dr. and Mrs. James H. Casey, 2001 E. Kensington blvd., Shorewood. Christiansen is an art director for a Milwaukee ad firm and he and his wife have three children, Dana, 11; Leslie, 9, and Scott, 6. Dr. Casey, a surgeon, and his wife Mary Lou have six lively youngsters, Mary, 12; Sally, 10; Jimmy, 8; Hugh, 7; Timothy, 5, and David, 3.

The pictures accompanying the Journal item show the Christiansen family working inside the chalet, an overall scene of the ski hill showing the chalet, snowmobile, tow, fences, etc., Dr. Casey inspecting the rope tow which was built to supplement the area's 1,200 foot T bar tow, two of the Christiansen children adjusting their skis outside of the chalet, two of the Christiansen girls setting bright pennants atop the chalet, and the snowflake on a bright red background sign pointing the way to Wunderberg.

The owners have invested thousands of dollars in special equipment, which even includes a snow-making machine and the project has gobbled up almost every spare minute of theirs for two years. Originally their ski development started out as a "winter hobby" since the two couples have other full time professions or duties. But the "hobby" has developed into a big business. The ski area, which now also operates several nights a week, has been a crowded and very busy spot this winter as more and more skiers are taking to this modern, sophisticated sport. Even on sub-zero days skiers have stood in line to use the rope tow.

Last Saturday the Milwaukee Ski club, which holds frequent meets on the hill, had their Milwaukee Metropolitan Ski Council race at Wunderberg, sponsored by Vagabond Ski club. It was the fourth straight meet the Milwaukee club team has won. Holy Hill placed second with Slinger third and the Vagabonds fourth. There were nine teams entered with a total of about 75 racers.

Advertising is often misunderstood, even by business men who should know it best.

20 Local Volunteers To Canvass Homes on Heart Sunday Feb. 24

Sunday, Feb. 24, will be Heart Sunday across the nation and 20 local volunteers will march in a mass house-to-house canvass of every home in Kewaskum.

"The volunteer army will distribute health-saving information about the heart diseases and receive contributions for the Wisconsin Heart association's 1963 Heart Fund campaign," said A. G. Hron, who heads the drive here. He said the solicitation would be held Sunday, Feb. 24.

"The Heart Sunday solicitation will give every citizen in the community an opportunity to play a personal role in the crusade against the nation's number 1 health enemy by giving to the Heart Fund which makes possible the association's fight against the heart diseases," said Hron, Heart Sunday captain.

"Your gift, which you can seal in an envelope the volunteer will hand you, will strike a blow at the heart and blood vessel diseases which took more than 925,000 American lives last year," Hron said. "This total represents more than 54 per cent of all deaths in this country," he said.

RIDER HURT WHEN TRUCK STRIKES UTILITY POLE

The radiator and a fender of a truck driven by Harold E. Stern, 32, of R. 1, Kewaskum, were damaged and a passenger was injured when the eastbound driver made a wide right turn on Railroad st. at 2nd st. in the village at about 12:30 a. m. Sunday and the vehicle struck a utility pole. The passenger, William Schmidt, 37, of 309 1st st., suffered five fractured ribs and was taken to St. Joseph's Community hospital, West Bend. The base of the pole also was damaged.

Jacob J. Hansen, 22, of R. 1, Saukville, faced two charges after his car allegedly struck a parked auto owned by Leroy D. Schultz of Kewaskum at approximately 12:02 a. m. on Saturday on Main st. in Newburg.

FR. JOHNSON SPEAKS AT HOLY NAME SOCIAL

The Holy Name society of Holy Trinity parish held a meeting in the hall on Thursday evening for all men of the parish and their sons of high school age or older. Father Howard Johnson, Catholic chaplain of the Kettle Moraine Boys' school, was guest speaker. The meeting, which was well attended considering the sub-zero weather, was followed by a social and refreshments.

AMBULANCE CALLS

Feb. 13—Mrs. Jac. Blumer, Dundee, removed to St. Joseph's Community hospital, West Bend.

Feb. 17—Harvey Butzlaff, Roseland dr., Kewaskum, removed from St. Joseph's Community hospital to Deaconess hospital, Milwaukee.

Feb. 20—Mrs. Roman Backhaus, R. 2, Kewaskum, taken to St. Joseph's Community hospital.

Ed. Bartelts Observe Their Golden Wedding

Mr. and Mrs. Edwin A. Bartelt of Kewaskum observed their golden wedding anniversary on Sunday, Feb. 17, at the Hon-E-Kor Country club in Kewaskum and at their home at 1175 Park View dr.

Mr. Bartelt and the former Selma K. Klumb were married at St. Peter's church, Town of Wayne, near Kohlsville. After their marriage Mr. Bartelt was engaged as a cheesemaker at various locations in Fond du Lac, Dodge and Washington counties, and in later years and at the present time he has been in the insurance business.

The celebrants are the parents of three living children: Willard of Kewaskum, Marjorie (Mrs. Ivan Buss) of R. 2, Kewaskum, and Joyce (Mrs. Roger Schleif) of R. 3, Campbellport. One other son, Milton, passed away at the age of ten years in 1924. Mr. and Mrs. Bartelt are also the proud grandparents of nine grandchildren.

Among the guests was the only living attendant, Emil Bartelt of West Bend. The other attendants who are now deceased were Ella Bartelt, Veronica Klumb and Walter Endlich.

Also highlighting the event was a prayer given by the Rev. Donald Bitter at the St. Lucas Lutheran church.

They were presented with many cards, flowers and gifts from the children, friends and relatives.

Mr. and Mrs. Bartelt are well known in Kewaskum and surrounding territory and are enjoying good health. Mrs. Bartelt's hobbies are her grandchildren, flowers and garden. Mr. Bartelt is an ardent sport and fishing enthusiast, both of which occupy a great share of his spare time.

Mr. Bartelt has two brothers and one sister living and Mrs. Bartelt has one brother and three sisters living.

Guests at the celebration included: Mr. and Mrs. Emil Bartelt, West Bend; Mr. and Mrs. Herman Bloedorn, Milwaukee; Mr. and Mrs. Ervin Kirchner, R. R. Kewaskum; Mr. and Mrs. Raymond Kirchner and Mr. and Mrs. Willard Bartelt, Kewaskum; Mr. and Mrs. Ivan Buss, R. R. Kewaskum; Mr. and Mrs. Roger Schleif, R. R. Campbellport; Mrs. Mabel Koch, Kewaskum; Mrs. Linda Schleif, R. R. Campbellport; Mrs. Elsie Buss, R. R. Kewaskum, and the grandchildren, Tom and Peggy Bartelt, Jeffrey, Susan, Sandra and Tracey Schleif, Charles, Michael and Jeri Lynne Buss.

HOSPITAL NEWS

Miss Margaret Browne, teacher at Kewaskum Community High school for many years, is a patient at St. Joseph's Community hospital, West Bend, where she has been confined the past several weeks.

MARRIAGE LICENSE

Feb. 15—Lawrence Edward Nischke, Kewaskum, and Joan Marie Lehman, West Bend; wedding Feb. 23.

Over 14,000 in County Take Part in 1st Oral Polio Clinics Sunday

VACCINE DISTRIBUTED TO 2500 IN KEWASKUM; RUSH RESERVE SUPPLY

An urgent S. O. S. (Sabin Oral Sunday) was answered by over 14,000 Washington county residents. This amazingly large number of persons turned out for the first of three Sabin oral polio clinics Sunday.

The highly successful clinics at five county locations—West Bend, Kewaskum, Newburg, Allenton and Jackson—nearly tripled some of the most conservative estimates that had been predicted. A total of approximately 2,500 persons took part in the Kewaskum clinic held at the high school, many of them from neighboring counties, and the local center was kept busy all day.

Expecting that no more than 10,000 would take part, the clinics were prepared to deliver up to 15,000 drinks of vaccine if the unexpected would happen. At about 2:30 p. m., Wayne Hoffman, pharmacist in charge of the vaccine, notified the West Bend Jaycees

"MAKE-UP" CLINIC SET FOR WEST BEND SUNDAY, FEB. 24

It was announced Tuesday that a "make-up" clinic for anyone missing last Sunday's oral polio vaccine clinics would be held from 2 to 4 p. m. at West Bend High school gym in West Bend. This will be the only location where persons missing their chance to take part in the Type I vaccine clinic last week will be able to make up their Sabin oral drink. Taking part in this "make-up" clinic will still allow you to take the Type II vaccine in the clinics that will be held on March 31. Why don't you join the over 14,000 Washington county residents that did take part? Help eradicate polio in our area.

that the 15,000 drink supply might not be enough if late afternoon crowds equaled the heavy early morning onslaught. Don Ernst, representative of Lederle, the firm supplying the oral vaccine, put through several long distance phone calls and located an additional supply of vaccine in Greendale. Several Wisconsin city police departments, county sheriff officers, and the state patrol formed a "squad car" relay service and quickly delivered the needed reserve vaccine to West Bend via flashing light and screaming siren. It was a dramatic climax to one of the most successful polio clinics ever held.

When the final tally was taken, an official estimate stated that over 14,000 drinks of Sabin oral polio vaccine were actually distributed. Because of hundreds of residents that notified the West Bend Junior Chamber of Commerce that for various reasons they were unable to take part in Sunday's clinics, a special "make-up" clinic is being set up in West Bend for

(Continued on page three)

25 Years Ago

Feb. 18, 1938

John Klug, 78, town of Kewaskum native, died at his town of Auburn home. Miss Helena Feuerhammer, 59, who lived with her father 2½ miles northeast of Kewaskum, died at the home of her sister in the town of Eden. Mrs. Oscar Muench, 58, nee Elizabeth Heberer, died at her home near Beechwood. Stephen Bonesho, 73, town of Wayne native, died at Campbellsport.

A play, "The Haunted Castle," was presented at the high school under the auspices of the Woman's club. It was coached by Misses Charlotte Lay and Agnes Busch. The cast of characters included Henry Lay, Lloyd Hron, Mrs. Paul Landmann, Paul Landmann, Elizabeth Quade, Mrs. Charles Miller, Ralph Wollensak, Inez Stelpflug, LaVerne Bratz, Howard Schmidt, Raymond Smith and Janice Koch. Instrumental music, directed by Al Hron, was presented between acts. Seats were reserved at Miller's drug store.

An auction sale of the old parsonage building of St. John's Lutheran congregation at New Fane was held.

A bachelor's ball, sponsored by the Washington County Bachelors' club, will be held at St. Michaels. Music will be by Jack Thull and

his Texas Rangers, famous WIBU entertainers. Come on girls—get your man!

Cyril J. Westerman, R. 3, Kewaskum, a first-year short course student, was one of 200 students at the Wisconsin College of Agriculture who competed for showmanship honors at the "Little International" livestock show. He showed a yearling Percheron mare.

Mrs. Catherine Harter observed her 88th birthday at St. Agnes hospital, Fond du Lac, where she is recovering from a fractured hip which occurred three months ago.

Member workers of Holy Trinity parish have been at work the past two weeks putting in a new ceiling in the school hall. This was deemed necessary because of cracking and sagging of the old plaster, which made it dangerous to hold social events in the hall. The walls in the hall and stairway were also repaired with new plaster.

Miss Doris Seil, who has been attending Miss Browne's School of Business in Milwaukee since fall, is employed in the office of the Kewaskum Mutual Fire Insurance Co.

FIFTY YEARS AGO

Feb. 16, 1913

Alvin Haug, youngest son of Mr. and Mrs. Nic Haug, Sr. of this village, broke his left arm while playing basketball.

When circuit court of Washington county opened, the first case tried was that of James Woods and Charles Mason, charged with drugging and robbing Andrew Albrecht, Barton saloon keeper, of \$300 on April 30. Woods was sentenced to two years and Mason one year at Waupun, both at hard labor. The two were captured by Sheriff Schloemer and his deputies at St. Michaels the next morning after Marshal Brandt of this village captured Collier in this village. The latter had a complete set of burglar tools in his possession and was sentenced to five years.

John Flammang Schrank, who shot ex-President Theodore Roosevelt in Milwaukee, and who has been committed to the Northern Hospital for the Insane at Oshkosh, left for that institution Monday.

Chas. Brandt moved into his new residence in the Rosenheimer new addition.

The highway safety director advised motorists to keep air circulating through the car to prevent fogging of windows and to carry a clean cloth for cleaning the windshield and side windows.

Audray Schaefer and Ernest J. Wiesen Wed

St. Lucas Ev. Lutheran church, Kewaskum, was the setting for a one o'clock nuptial ceremony on Sunday afternoon, Feb. 17, in which Miss Audray Agnes Schaefer, 4401 N. 51st Blvd., Milwaukee, daughter of Mr. and Mrs. Raymond W. Schaefer, Kewaskum, became the bride of Ernest J. Wiesen, 2844 S. 56th Court, Milwaukee, son of Mrs. Elmer Wiesen and the late Mr. Wiesen of Mineral Point. The Rev. D. F. Bitter officiated.

Azaleas on the altar and candelabra decorated the church for the ceremony. With Mrs. E. Walvoord as organist, the congregation sang two hymns, "Oh, That the Lord Would Guide My Ways" and "The Lord Is My Shepherd."

Given in marriage by her father, the bride chose a floor length, long sleeved sheath gown of imported Swiss cotton with sweeping silk organza overskirt. The gown was fashioned and sewn by the bride's mother. Tiers of illusion veiling attached to the crown fashioned the bride's headpiece. She carried white cymbidium orchids with cascading ivy.

Miss Judith Coulter, Milwaukee, was the honor attendant while Miss Patricia Maxinski, also of Milwaukee, attended as bridesmaid. Both wore identically styled street length sheath gowns of azalea colored velvet with matching satin overskirts. Head pieces of matching ribbon satin loops completed their ensembles and they carried cascade bouquets of pink and red azalea blossoms with English ivy.

David Schaefer, Kewaskum, was best man for the bridegroom, while Kenneth Strutz, Milwaukee, acted as groomsman. Guests were seated by David Fosshage, Chicago, and Rodney Mattson, Milwaukee. Master Daniel Schaefer was the candle lighter.

An afternoon reception for 75 out-of-town guests was held at the home of the bride's parents. In the evening a buffet supper was served to relatives and friends of the family, with about 75 guests in attendance.

After a wedding trip the newlyweds will reside in Milwaukee. The bride, a graduate of Kewaskum High school and Carroll college, Waukesha, is employed in the personnel department at the Milwaukee hospital. Mr. Wiesen,

a graduate of the University of Wisconsin, Madison, is an electronics engineer at GE X-Ray, Milwaukee.

Minutes of School Board Meeting

Kewaskum Public School Joint District No. 1
January 22, 1963

Meeting called to order at 8 o'clock, Mrs. Iona Schmidt absent.

Motion by Harvey Janssen and seconded by Ray Schaefer that the minutes of the previous meeting be approved as read. Carried.

Motion by Ray Schaefer and seconded by Orv Behnke that Ed. Bunkelman be contacted to look over and report on the possible repair of the sagging floor in the primary school building.

Motion by Ray Schaefer and seconded by Harvey Janssen that we accept the low bid and purchase a Model A-4 Mott mower from Myron Perschbacher. Carried.

Motion by Orv Behnke and seconded by August Koch that we borrow \$25,000.00 to operate the school until tax receipts are received. Carried.

Motion by Ray Schaefer and seconded by Harvey Janssen that the resignation of Mrs. Marlene Haas be accepted effective March 29th, 1963. Carried.

Board approved to employ Mrs. Ronald Schultz as part-time Jt. District No. 1 secretary.

Orv Behnke moved, seconded by Harvey Janssen, to adjourn. Carried.

Polio Clinics

(Continued from page one)

Sunday, Feb. 24. Details of this special Type I clinic are announced in a separate boxed item in this column.

The most gratifying experience of the day for the many doctors, nurses, Jaycees and other volunteer workers was the scene at West Bend High school as 10:00 a. m. approached. Literally thousands of people were waiting for the clinic to begin and at the appointed time, the line began moving. With exceptionally fine coordination, the lines quickly passed through the entire clinic, from checking station, to vaccine table, to record clerk—all in usually under ten minutes. In the first two hours it was estimated that over 4,000 drinks had been given.

All clinics reported that grown-ups and children alike acted in much the same way. Approaching the vaccine table with apprehension as to what the "stuff" would taste like, the usual expression was that of slight suspicion to great wonderment. As they were handed their paper cup, the most common comment was, "Is that all there is?" Then as they sipped the small amount of liquid, a large smile would light up their face. "Hey! This tastes good!"

As expected, the most common question asked at the clinics was, "Can I take this vaccine without the Salk shots?" The answer was "Yes." And the next vaccine, Type II, can also be taken without any Salk shots!

Another fairly common misunderstanding concerning the program was connected with persons

already having taken previous Salk shots. Many were of the belief that they did not need the Sabin oral vaccine. This is not true! The Sabin vaccine should be taken by everyone, regardless of previous protection, as concerns Type I and Type II oral vaccine. The oral vaccine gives much longer immunity and also prevents you from becoming a polio carrier.

The first Sunday clinic was a tremendous success for the West Bend Junior Chamber of Commerce and the doctors of St. Joseph's Community hospital medical staff. Most of the county know about the clinic program and thousands came to drink the oral vaccine—and drink it they did! Congratulations to those who took part, the first step in eradicating polio in this area is now history. And now to the second group of Type II vaccine clinics set for March 31.

General chairman of the polio program is Dick Goeden, who has the following committee heads working with him: in charge of the various clinics are Jerry Vanderheyden in West Bend, Bob Mech in Jackson, Math. Stoffel in Allenton, Rolland Glass in Kewaskum, and Darwin Juech in Newburg. Ron Larson is in charge of news and publicity and Wayne Hoffmann is handling storage of the vaccine.

The best time to put children to bed is when you can.

Some people like jokes—on the other fellow.

NEW SCOUT DISTRICT COMMITTEE TO MEET

Harry Gill, chairman of the former Moraine District, and Joe Helfert, chairman of the former Silver Marshland District, have called a meeting of all institutional representatives and district committee members of these two districts for the purpose of consolidation into a brand new district to be known as the Marsh Moraine District.

The meeting will be held on Monday, Feb. 25, at 7:30 p. m., at Redeemer Lutheran church, 255 West Lincoln ave., Hartford.

The southern portion of the Silver Marshland District, including Beaver Dam, Horicon, Juneau, Mayville, Fox Lake, Randolph, Lowell and Reeseville, will now be merged with the Moraine District.

Nominations for new district officers will be accepted, and lines of communications for the new organization will be set up. Committees will also be set up for the purpose of handling up-coming events in the district.

All Scouters are urged to attend.

National FFA Week is scheduled in February to honor George Washington, who was an outstanding farmer as well as a great leader.

"Learning to do, Doing to learn, Earning to live, Living to serve"; is the official motto of the Future Farmers of America.

Local News Items

—Mrs. O. E. Lay returned home after spending the past two months with her daughter and son-in-law, Mr. and Mrs. Lyle Gibson and family, in Los Angeles, California. While there she attended the wedding of her grandson, Lay Gibson.

—Winter should be just about over but evidently the weatherman doesn't know it. It was 14 degrees below zero Thursday morning and 8 below Friday morning as another frigid wave passed over this area. A warming trend was predicted Friday.

—Mrs. Marion Gruber recently returned from Ft. Hood, Texas after spending almost 3 weeks with her son and daughter-in-law, 1st Sgt. and Mrs. Bob Gruber and family.

—Herman Schellhaass, 86, died at the home of his daughter, Mrs. Werner Koepke, in the town of Mitchell on Sunday, Feb. 17. A native of Germany he came to this country in 1902. He had lived in the Campbellsport area all of his life and was well known. Mr. Schellhaass married Dorothea Schleif of Campbellsport on May 8, 1906. Surviving are the widow, three daughters and a son, Carl, of Dundee, 11 grandchildren, two

great-grandchildren and one brother. Funeral rites were held at Trinity Lutheran church, Dundee, at 2 p. m. Wednesday.

—Mr. and Mrs. Dale Lloyd, newlyweds of Jan. 12, are at home at R. 1, Campbellsport following their return from a wedding trip. Mr. Lloyd and his bride, the former Mardell L. Fellenz, daughter of Mr. and Mrs. Edgar Fellenz of R. 1, Kewaskum, were married in St. Mary's church, Eden.

—Funeral services were held Monday, Feb. 11, at Wood chapel in Milwaukee for Jacob Becker, who was found ill in a trailer at Elmore, where he made his home. He had been taken to Wood by ambulance and died there.

—Save! Select your furniture at Miller's in Kewaskum. Largest selection, high quality at most reasonable prices. Open daily until 5:30, Monday and Friday to 9 p. m. Free dependable delivery.

4-H Club News

KEWASKUM 4-H'ERS

The meeting of the Kewaskum 4-H'ers was called to order by the president, Bonnie Smith on Feb. 14.

The window display committee will meet, and they will have it up by March 2. The display will be up for a week and then on March 23 we will put it up again for Dairy Day.

We had a nice Valentine party with enjoyable recreation.

The local poster contest was held and the members drew posters of a safety objective. There are three divisions from which the posters can win to go to the county contest. In the junior division Coleen Frank and JoAnn Bunkelmann won. George Martin won in the intermediate division, and Diann Ramel in the senior division.

The local speaking contest was held, too. Those who participated were Colleen Frank, baby sitting safety; Karen Seefeldt, safety all around; Mike Frank, safety signs, and Dennis Smith, obey these signs of life, were in the junior division. The winner to go to the county contest was Dennis Smith in this division. George Martin, our servants, and Carol Seefeldt, safety yesterday, today and tomorrow entered in the intermediate division, of which Carol Seefeldt won. Jean Schaefer, safety in general; Diann Ramel, the shock of your life; Bonnie Smith, bicycle adventures, and Mariel Seefeldt, safety, entered in the senior division. Mariel Seefeldt was the winner in this division to go to the county contest.

At our next meeting Georgia Malamaki, our foreign exchange student from Greece, will speak. We hope that all the members will be there and their parents are welcome, too.

The refreshment committee for our next meeting on March 14 is George Martin, James Giese, Steven Schaefer and Carol Seefeldt.

Diann Ramel, Reporter

GREMMINGER INFANT IS BAPTIZED SUNDAY

The infant daughter of Mr. and Mrs. Raymond Gremminger, Kewaskum, was baptized on Sunday, Feb. 17, at Holy Trinity church by the Rev. John Budde, receiving the name Carolyn Jo Anna. Her sponsors were Mrs. Donald Sperger of LeRoy and Frank Gremminger of Mayville.

Supper guests included the sponsors and their families, Mr. and Mrs. Ruben Sperger and Ruby of LeRoy, Mr. and Mrs. Roddy Gremminger of Mayville, and Miss Olive Urban of Kewaskum. Other visitors included Father Budde and the Courtland Sperger family of Waupun.

4-H'ers Urge: 'Belt 'em For Safety'

"Don't be caught dead sitting on your seat belt," was the theme of a safety article by 4-H National Safety Winner Gayle Gillen, 17, of Sparta, Tennessee.

Gayle was typical among eight national winners of \$400 General Motors scholarships for outstanding 4-H farm, home and highway projects. The winners also received all-expense trips to the National 4-H Club Congress in Chicago.

The "safety-prone" boys and girls pointed out that all new model cars since 1962 are equipped with front seat belt connections.

Safety authorities estimate that some 5,000 lives would be saved annually if everyone wore a seat belt. Moreover, traffic accident injuries could be reduced more than one third.

"Despite increasing purchases of the belts and widely published information on their effectiveness, many people who have belts don't use them," said Gayle.

"They feel they're safe just driving to the store," she added, "but it has been established that three out of four traffic fatalities happen within 25 miles of home. Over half of traffic accidents resulting in either injury or death involve speeds under 40 miles per hour."

The national winners were selected from a group of 42 state safety winners. General Motors, now in its 19th year as safety awards donor, also gave state winners all-expense trips to the Club Congress.

The 4-H safety program is conducted by the Extension Service of the state agricultural colleges, the United States Department of Agriculture and the National 4-H Service Committee.

Other national winners include: Leeland Alexander, 17, Okmulgee, Okla.; Jeanette Arburua, 18, Bakersfield, Cal.; Phyllis Brooks, 18, Auburn, Mass.; Bobby Cofer, 18, Forest, Va.; Jim Lowe, 17, Morrison, Col.; Sandra Price, 18, St. Francis, Kan. and Jewell Yordy, 21, Morton, Ill.

Their advice for the nation's motorists:

WHEN YOU GET IN YOUR CAR, FIRST FASTEN YOUR SEAT BELT, THEN FLIP THE KEY.

VITAL TO AMERICA

National FFA Week Feb. 16-23

National Future Farmers of America Week each year seeks to focus attention on the work of the Future Farmers of today, who will be the successful farmers and agricultural leaders of tomorrow.

For 1963, the theme of FFA Week is "AGRICULTURE—Vital To America." It is hoped that the general public can be made better informed about the extent of agriculture and the vital contribution farmers are making to the nation's economy. Asked to name America's largest single industry, few people would name agriculture. Yet the productive assets invested in farming are more than 150 billion dollars—nearly five times the combined total of investments in the automobile and steel industries.

America truly is dependent upon farmers. The nation must have a constant supply of NEW farmers every year to replace those who die, retire, or otherwise leave the farm. These must be men with experience and training, for the successful farmer today is both a scientist and a businessman; mechanic and a laborer, at the same time capable of leadership in the affairs of the community. Generally they must be men who have begun farming at an early age, so that by the time they are ready to marry and start a family, they will be firmly established in a farming program that promises a good future.

Students of vocational agriculture study the sciences of animal and plant production, agricultural marketing, farm business management, farm mechanics, and other subjects needed to train them for the work of the farm.

By participating in their Future Farmers of America organization, they also learn the ways of

effective leadership, and are encouraged to assume their responsibilities as good citizens in the further development of the communities in which they live. Many FFA activities are designed to stimulate the interest of the boys in their study and work.

The program of vocational agriculture and FFA is designed to increase the student's proficiency in farming, and thereby his future success. While not all students actually become full-time farmers, most of them do find careers in some phase of agriculture. Many continue their studies through agricultural college. Their experiences in vocational agriculture and the FFA serve well to help them to success.

National FFA Week comes every year during the week of the anniversary of the birthday of George Washington. Although usually considered first as a great general, our first president, and an engineer, Washington's first love was the farm. He was one of the first in the nation to practice contour planting, crop rotation, and other soil conserving methods. The title of America's first "scientific farmer" might be applied to him.

It is out of deep respect and admiration for George Washington, the farmer and leader in whose progressive ways they seek to follow, that Future Farmers annually observe their National FFA Week at the time of his birthday.

Report Trends in County Conservation Problems

The conservation department recently completed compilation of reports from every county in the state on "Trends in Conservation Problems" for the years 1960 and 1961. The reports are made up by local field personnel concerned with land and water use and habitat matters.

Here is an excerpt for each year on Washington county; these are furnished exclusively to weekly newspapers.

Washington County—1960

Washington county is a primary agricultural area with about 75% of its land in cropland and pasture. This intensive farming usually results in game habitat destruction. This is especially true of modern farming where barbed wire and electric fences have replaced the hedgerows.

Marsh areas that for years have escaped destruction and appeared to be preserved as water storage and wildlife areas are now being developed for production of such high value crops as garden vegetables, sod, mint, etc. Use of dikes and large pumps have made it possible to use areas that previously were unsuited for any type of farming.

Increase in cropland has brought with it demands for additional pasture resulting in a misuse of nearly 60% of the woodlands for cattle pasturing.

Urbanization, especially in the southern portion of the county, is also making a great inroad on wildlife habitat. In addition, the direct destruction of cover through building of homes, highways, etc., and the pollution of streams and lakes because of unplanned subdivisions is doing its bit to destroy wildlife and reduce the beauty of the area.

There has been a big increase in requests for sand blankets on

some of the lakes in Washington county. Large numbers of these over a period of years will destroy the shore line cover so valuable to waterfowl and to fish life propagation.

Acquisition and development work on three wildlife areas in the county has helped to offset the losses suffered through intensive agriculture and urbanization. There also has been an interest by individuals to develop private areas for wildlife and water storage.

Washington County—1961

The most alarming problem in the county during the past year was the increase in the amount of ditching. Many areas that escaped destruction in the past are now being drained for agricultural uses. This threatens the last vestiges of wild land in the county and seriously reduces the larger areas of game cover and water storage.

Farm hedgerows continue to disappear from the landscape and highway crews are kept busy in the off seasons clearing the cover along the roadsides.

Dutch elm disease is on the increase. This past fall, two entomologists from the forest management division made a spot check of a few of the swamp areas. They noted a build-up of the population of the European elm bark beetle. This may pose a serious threat to the large number of elms growing in the swamps.

—ks—
If you want to know how your boy will do in college, look at his high school grades. Chances are his college grades will turn out quite a bit like them.

CAMPBELLSPORT, WIS.

The Future Farmers of America organization is sponsored nationally by the Agricultural Education Branch in the Office of Education, U. S. Department of Health, Education, and Welfare. FFA is an educational program, conducted in the public schools.

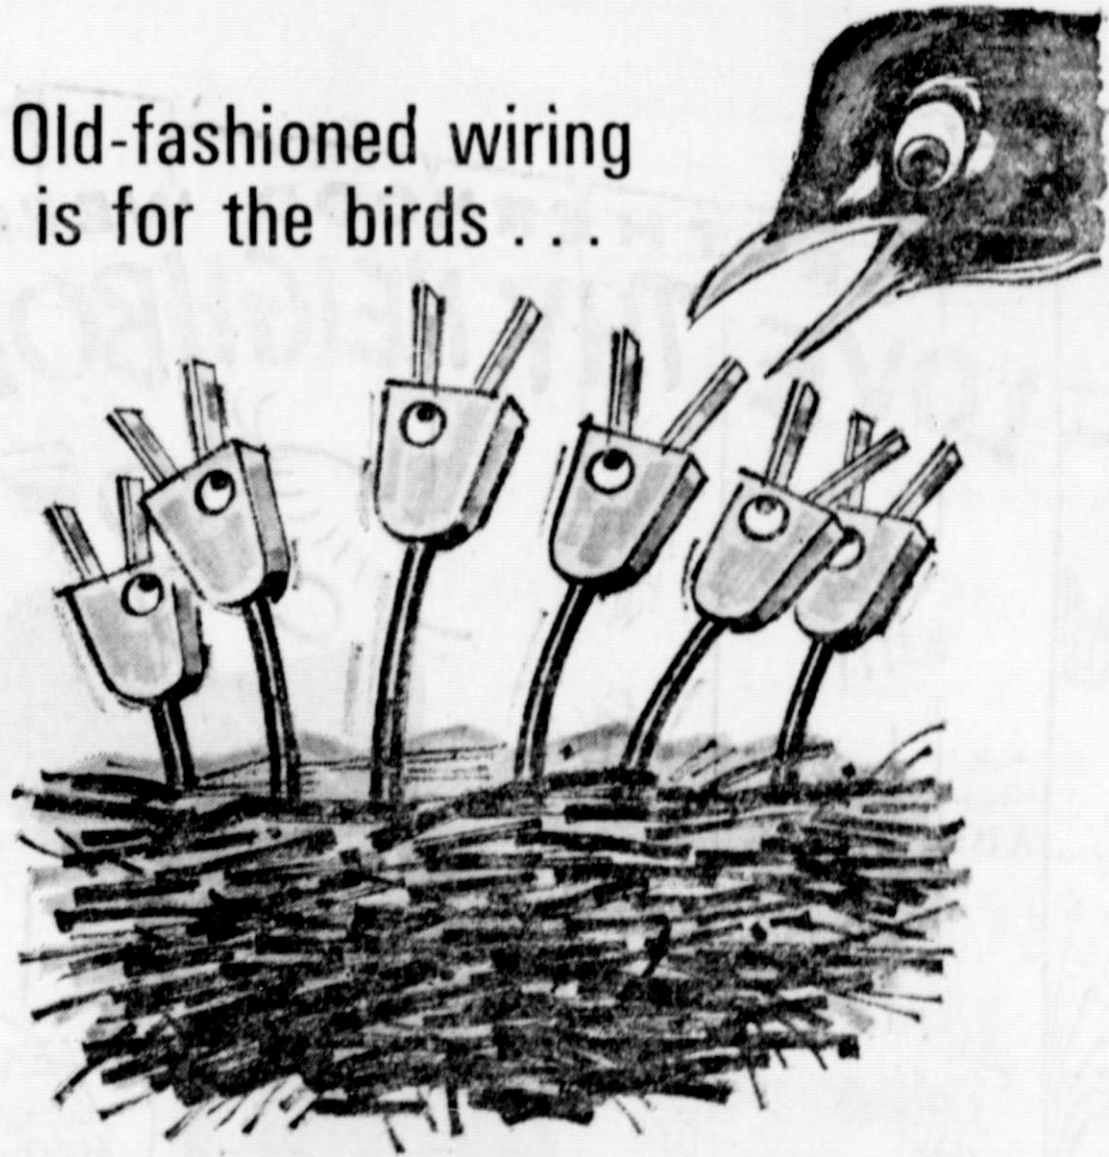

"Beauty and the Beast" provide thrills and hilarity at the Tripoli Shrine Circus which makes its twenty-fourth annual appearance at the Milwaukee Arena from February 18 through February 24. The girl is Irene — the beast is Tongo, and together they offer surprises and entertainment that is a combination of skill and fun.

The circus, produced by the internationally famous Hamid-Morton organization, is all-new this season except for two of last season's outstanding acts—the Flying Leotaris, with their sensational criss-cross and double and triple somersault trapeze spectacular, and Vidbel's elephants, with the youngsters, Baby Joyce and Baby Sherm.

The opening night show is sold out but there will be matinees from Tuesday through Sunday at 2 P.M., evening shows each day from Tuesday through Saturday at 8 P.M., and a closing Sunday show at 6:30 P.M.

Old-fashioned wiring is for the birds . . .

Out-of-date wiring won't "feed" all electrical helpers in a modern home

Do you have fuse-blowing problems? Do your electric appliances sometimes perform below par? If so, you may have low Housepower. Old-fashioned wiring simply can't handle all the appliances modern families like to use. It may be time to modernize your wiring — install more outlets, more circuits, a new service entrance,

or complete rewiring. If you like, you can finance wiring improvements on our Wire-On-Time plan. No down payment necessary. Up to 36 months to pay, on your electric bills. Regular carrying charge. Minimum monthly payment \$1. No appliance purchase necessary.

DOGS RUNNING DEER IN THERESA HUNTING AREA

Peter Schmidt of the town of Erin broke a headlight on his car when he hit a buck deer on Highway 83 near his home last Thursday night. This is the fourth animal reported since Jan. 1.

Officers of the state traffic patrol report dogs running deer west of Highway 41 near the Theresa public hunting grounds. These animals have neither collar nor license on them. Owners in that vicinity should tie up their animals before they become lost. A dog that runs deer is of no value to a man who enjoys hunting pheasant, rabbit or raccoon.

All fish shanties must be removed from the ice on or before March 5. This regulation affects all waters south of State Highway 64.

Each year we have considerable difficulty with shanties left out until the last minute with no preparation to remove it when necessary.

You definitely have a responsibility to remove your shanty by March 5, so we believe it is just good common sense to prepare for it now.

If yours is a sturgeon spearing shanty and used exclusively or primarily for that purpose, take it off the ice with you the last day of the sturgeon season or your last trip out. If you use your shanty for other fishing be sure you get it located so it is possible to move it before the deadline. During the sturgeon season there are usually roads plowed or at least equipment available for such plowing. But if you don't prepare now for removing your shanty, you could have a real problem, and considerable unnecessary expense getting it off. It must be removed by March 5.

Agriculture is by far the nation's largest single industry. While the percentage of farm people to total U. S. population is declining, there still are 14.3 million persons living on farms. The value of farm products sold in 1962 was in excess of 35 billion dollars.

GIRL SCOUT TROOP 53, GRADE 6

At our meeting this week we finished the requirements for our "Good Grooming" badge and also worked on "Hospitality" badge. Part of our troop acted as hostesses and served some delicious cookies made by Connie La Marche, who is working on her cooking badge. The rest of the troop were good guests.

OUR GIRL SCOUT TROOP

Today Mrs. Marx, our leader, looked over our charts we made for health. She said they were very nice.

We played a first aid game. We had to unscramble words that were in a first aid kit.

Joan Zehren, Scribe, Troop 53

Chevs Lack Players, Lose to Meno. Falls

TEAM MAKES 33 OUT OF 36 FREE THROWS; TOM LARSEN SINKS 14 STRAIGHT

The Kewaskum Chevros were short on players for their Land o' Lakes league game here Saturday night against Menomonee Falls, which shares the league lead, and went down in defeat, 95-79.

Only five Chev players showed up for the game. They had to play the entire contest and after Tom Larsen fouled out it was necessary to finish the game with but four men on the floor. This made it easy for the strong Falls squad to notch its fourth straight victory this half. Otto Ramthun is out with an ankle injury, one or two members were ill, and the others didn't show up. On the other hand Falls used 11 players and could insert fresh men to keep moving at a pace that Kewaskum's tired five couldn't keep up with in this day of racehorse basketball.

The winners went ahead 21-13 in the first quarter but the Chevros narrowed the gap to 43-39 at half-time and the score was still close. But the pace began to tell on Kewaskum in the second half as Falls increased their advantage to 66-56 in the third period and went on to win by 16 points, 95-79.

Amazing accuracy on free throws kept the Chevros in the ball game. The team must have set some kind of record by sinking 33 out of 36 gift tosses. And Tom Larsen no doubt set an individual record by swishing in 14 straight free throws without a miss. Almost half the Chevros' points were scored on free throws, which is very unusual.

Larsen led the losers in scoring with 22 points, although he made only four baskets. Don Meisenheimer scored 17, Gene Pieper 16 and Frank Krueger 15. Top point maker for the night was P. Timm of Falls with 24 points and teammate P. Wrobbel had 19.

In other week end tilts Watertown won its fourth straight over West Bend 90-70, and Mayville edged Hustisford, 89-86. The Cedarburg-Horicon game was postponed.

This week end the Chevros play two games. Both of them are at home and both are tough ones. Saturday night they entertain Beaver Dam's first half champs, who are also tied for the lead in this half with 40, and Sunday night they host West Bend led by big high scoring "Stick" Zimbrick, who played with the Chevros in the recent Mt. Calvary tourney. These will be two very interesting games for fans.

Chevs Tip Rek's Bar at Mt. Calvary Meet Finals

The finals of the Mt. Calvary Invitational basketball tournament were played Sunday night with O'Brien's Sportland of Fond du Lac copping the championship. O'Brien's beat the defending champion Neenah Hewitts, 92-

87. In the preliminary to the title contest the Kewaskum Chevros of the Lakes league faced Rek's Bar of Sheboygan for the third time in the double elimination meet and trimmed them, 90-65. Kewaskum had previously been awarded fourth place in the tourney and this tilt had no bearing on the meet outcome. Oscar's Tavern of Fond du Lac took third place.

All told Kewaskum played seven games in the tournament. They won four and lost two in taking fourth place. They split two games with Rek's Bar earlier and Sunday night's contest was the rubber game.

The Chevros outscored Rek's in every quarter and led at halftime, 41-31. Clarence Zimbrick, borrowed from the West Bend Lithias, was high scorer with 24 points and Augie Bilgo was next with 17. Timler and Kohls paced Rek's with 19 and 18 points respectively. Wayland Tessar came out of retirement for this game only and scored 9 points for the short-handed team, which was without the services of Otto Ramthun, Al Tennes and Gene Pieper, plus a couple of reserves.

Indians Defeated By Pewaukee, Drop to 3rd

Pewaukee took over sole possession of second place in the Scenic Moraine conference by dumping Kewaskum, 67-56, here Friday night. The Indians join Slinger in third place as the result of the loss, each team having a 9-4 record.

Pewaukee outscored Kewaskum 16-10 in the first quarter and 18-10 in the second period to take a comfortable 34-20 halftime advantage. They continued to increase their lead in the third quarter, scoring 21 points to 15 for the losers, bringing the count to 55-35 going into the final period. With reserves playing much of the final quarter, Kewaskum outscored Pewaukee 21-12 to narrow the gap to 11 points.

Darvin Staal scored 24 points and Les Teuteberg added 22 for the winners to take scoring honors. Mike Coulter's 11 points were high for the Indians and Survis chipped in 10.

Grafton, which has the conference championship safely tucked away, won its 14th straight game without a setback, beating Slinger by the narrowest of margins, 53-52. This was the third or fourth win by one point this season for Grafton, which has been very lucky along the way. In other tilts Germantown bested North Fondy, 50-41, and Campbellsport lost its 14th in succession to Random Lake, 73-49.

The Indians bring the conference season to a close this Friday night at Germantown, which has a 6-7 record, and holds 5th place.

Cage Pairings Set for Regional Tournaments

KEWASKUM TO PARTICIPATE IN THIENSVILLE-MEQUON REGIONAL MEET

Pairings for sub-regional and regional play in the 1963 basketball tournament series were announced the past week by the WIAA through Executive Secretary John E. Roberts.

The first round pairings in all tournaments during the first week of play (Feb. 26, March 1 and 2) were pre-determined except for 13 meets which have either five or six teams. Tournaments with four schools will be matched alphabetically in the first round with No. 1 meeting No. 4 and No. 2, meeting No. 3. The same 1-4, 2-3 pairings will be applied in five and six team meets after they have been pared to four teams.

Kewaskum High school will participate in the Thiensville-Mequon regional. On Feb. 26 it will be Cedarburg vs. Mayville and Germantown vs. Horicon in play-off contests. Winners of these two games will join bye teams Kewaskum and Thiensville-Mequon for semi-finals on Mar. 1; finals on Mar. 2. Sub-sectional playoff between Grafton and Thiensville-Mequon winners will take place at Cedarburg Mar. 5.

Pairings for other regionals involving area teams follow: Random Lake sub-regional—Cedar Grove vs. Random Lake; Grafton vs. Oostburg. Slinger sub-regional—Campbellsport vs. Sussex; Pewaukee vs. Slinger; regional finals at Grafton.

Catholic grade school basketball league here Sunday by holding off St. Mary's of Port Washington to gain a 38-35 victory.

Trinity jumped off to a 13-6 score in the first quarter but Port narrowed the gap to 19-14 at the intermission. In the second half, Port kept pecking away at Trinity's lead, outscoring them 10-9 in the third quarter and 11-10 in the fourth, but their efforts fell short as Holy Trinity won, 38-35.

Bill Backhaus tossed in 18 points for the winners and Mike Miller and Dick Marx each added 8. Lauters netted 14 for Port.

The win gives Trinity a 5 and 3 conference record and a 7 and 5 overall record. The win also broke the team's four game losing streak. Trinity draws a bye on Sunday, but Sunday, Mar. 3, they will play at Slinger, the northern division's first place team. Hartford leads the southern division with a perfect 8 and 0 slate.

KEWASKUM, WIS.

Herman Seefeldt, 95, Harry H. Maaske Die

Herman Seefeldt, 95, a lifelong resident of the town of Kewaskum and one of the oldest citizens of the community, a retired farmer, passed away at his home on Sunday, Feb. 17.

Born Jan. 2, 1868, in the town of Kewaskum, his marriage to the former Emma Ramthun took place on Dec. 14, 1890 at St. Lucas Lutheran church in Kewaskum. She preceded him in death on Nov. 18, 1930. Mr. Seefeldt was a son of the late Mr. and Mrs. August Seefeldt.

Mr. and Mrs. Seefeldt were the parents of eight children, four of whom survive. They are Ella (Mrs. Edwin Klumb) of the town of Barton, Arthur and Amalia at home and Alma (Mrs. Arnold Klug) of West Bend. He also leaves two grandchildren and three great-grandchildren.

Funeral rites were conducted at 2 p. m. Wednesday, Feb. 20, at St. Lucas Lutheran church. The Rev. Donald Bitter officiated and burial took place in the parish cemetery. Friends called at Miller's Funeral Home from 2 p. m. Tuesday and at the church from 12 noon until the time of services.

HARRY H. MAASKE

Harry H. Maaske, 71, a retired real estate broker, passed away unexpectedly at the Wood Veterans' hospital, Milwaukee, at 2 p. m. Thursday, Feb. 14. He lived at 911 Sunset dr., West Bend, and had been a resident of that city since 1956, when he moved there from Kewaskum.

Mr. Maaske was born at Lowell, Wis. on Jan. 26, 1892 and was engaged as a real estate broker for many years in Milwaukee, Kewaskum, and for a short time in West Bend before retiring. He was married to the former Sarah Buettner in Milwaukee on July 4, 1929.

Surviving are his wife, a stepson, Raymond Buettner, Sr. of Grafton; seven step grandchildren, four step great-grandchildren, a sister, Gertrude (Mrs. Chester Rack) of Milwaukee, a brother, Walter Maaske, of Milwaukee and other relatives.

Mr. Maaske was a veteran of World War I and a member of

the Robert G. Romaine American Legion Post 384 of Kewaskum.

Funeral services were conducted in Immanuel United Church of Christ, West Bend, at 2 p. m. Monday, Feb. 18, with burial in Washington County Memorial Park. The Kewaskum American Legion post officiated at graveside rites. Friends paid their respects at the Techtman-Myrhum Funeral home, West Bend, from 2 p. m. Sunday and at the church from noon to the time of services.

MRS. ROSE HAWIG

Mrs. Rose Hawig of 932A Hickory st., West Bend, nee Rose Bingen, died at her home at 11:30 p. m. on Monday, Feb. 18, after having been ill about three years.

Born in the town of Addison on Sept. 12, 1879, she grew up in that township. She married Jacob Hawig in St. Anthony's church, St. Anthony, on June 19, 1906, and the couple moved to a farm in the town of Wayne. Following the death of her husband on Dec. 23, 1945, she continued to reside on the farm until 1952 when she went to West Bend to live with a daughter, Margaret.

Surviving are seven children, Margaret of West Bend, Wilmer of the town of Wayne, Rosella (Mrs. Herbert Weske) of Milwaukee, Albert of Newburg, Edward of the town of Wayne, Norma (Mrs. Leo Wietor) of West Bend and Viola of Appleton; 18 grandchildren, five great-grandchildren, two sisters, Anna (Mrs. Philip Thoma) and Miss Clara Bingen, and a brother, Frank Bingen, all of West Bend.

Deceased was a member of the Christian Mothers Confraternity of Holy Angels church, West Bend, the Altar society of St. Bridget's church and the Apostolate of the Suffering.

Funeral services were held at the Schmidt Funeral home, West Bend, at 9 a. m. Thursday, Feb. 21, and at Holy Angels church at 9:30 a. m. Fr. Rayner Hausmann officiated and burial was in Holy Trinity cemetery, Kewaskum. Friends called at the funeral home

Weddings

DRICKEN-HEISDORF

Miss Mary G. Dricken, West Bend, daughter of Mr. and Mrs. William R. Dricken, Benton Harbor, Mich., became the bride of John W. Heisdorf, R. 2, Kewaskum, son of Mr. and Mrs. John H. Heisdorf, on Saturday, Jan. 26. The 10:30 a. m. Mass was read in Immaculate Conception church by Fr. O. Ullrich.

A dinner at the Lighthouse Lanes preceded a reception and dance at the Barton Opera House. The newlyweds are at home in West Bend following a wedding trip to New Orleans. The bridegroom, a Kewaskum High school graduate, is an underwriter with West Bend Mutual Insurance Co. Mathew Urban officiated and a

His bride, a West Bend High school graduate, is a telephone operator at the Wisconsin Telephone Co.

Miss Judith Heisdorf served as honor attendant for her brother's bride. The bridal aides were Misses Norene Juech, Susan Rens and Patricia Schrauth. Flower girl was Sue Dricken. The bridegroom had his brother James as best man, while William Dricken, the bride's brother, Dave Nigh and Ed. St. Mary, friends, served as groomsmen. Ushers were Richard Heisdorf and Leo Dricken.

HERRIGES-MACHACEK

Vows were exchanged in St. Michael's church, St. Michaels, at 10:30 a. m. Saturday, Feb. 2, by Miss Catherine Ann Herriges, R. 2, Kewaskum, and John E. Machacek, R. 1, Slinger. The Rev. West Bend Mutual Insurance Co. Mathew Urban officiated and a

dinner, reception and dance at the Richfield fire hall followed.

The newlyweds are at home at R. 1, Slinger, following a wedding trip to Florida. The bridegroom, a son of Mr. and Mrs. Edward Machacek, is a cost accountant at the West Bend Company. His bride, a daughter of Mr. and Mrs. Anton Herriges, is a clerical worker at the company.

The honor attendant was Miss Adeline Herriges and the bridesmaids were Miss Joyce Fraunfelder and Mrs. Bob Mushinski. Little Miss Carol Peter was the flower girl.

The best man was Ed. Machacek, the groomsmen Jerry Schuetz and Bob Boll, the ushers Leander Herriges and Bob Mushinski, and the ring bearer Russell Herriges.

You'll be time and money ahead if you plan your spring shrub plantings now.

Four different ways to make going more fun than getting there

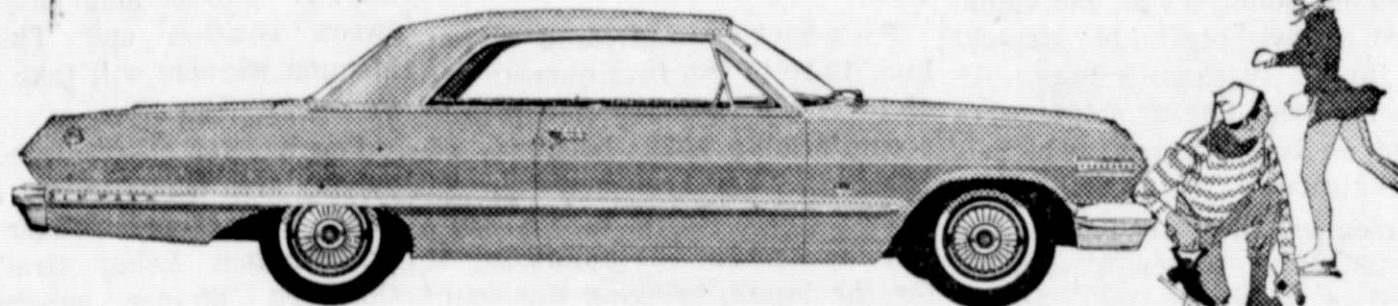

You can see why one of America's favorite outdoor sports is driving Chevrolets, with four entirely different kinds of cars to choose from. There's the *Jet-smooth Chevrolet*, about as luxurious as you can go without going overboard in price; the low-cost *Chevy II*, a good-looking car that would send any family packing; another family favorite, the sporty *Corvaire*, whose rear-engine traction

will make you think that ice and snow are kid stuff; and for pure adventure, America's only sports car, *Corvette*—now in two all-new versions with looks that can stop traffic like a rush-hour blizzard. Picked your favorite already?

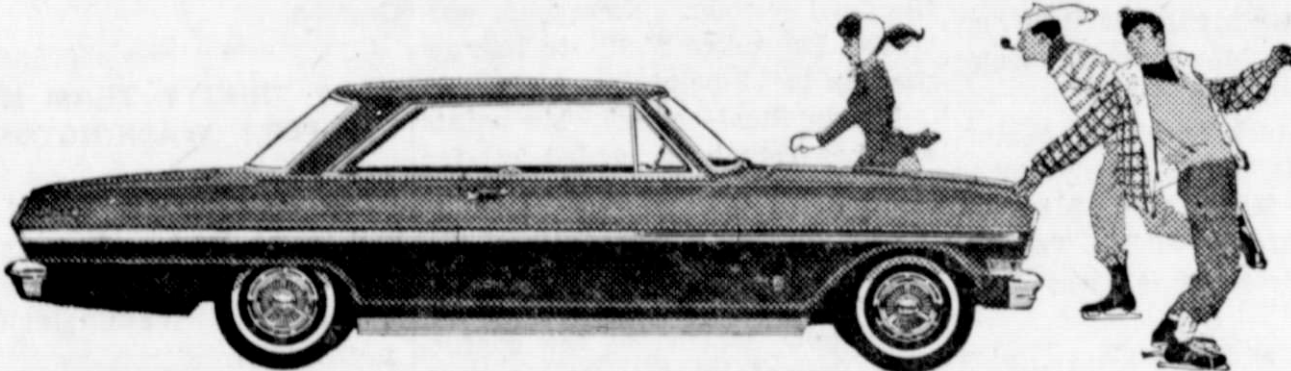

Keeps Going Great

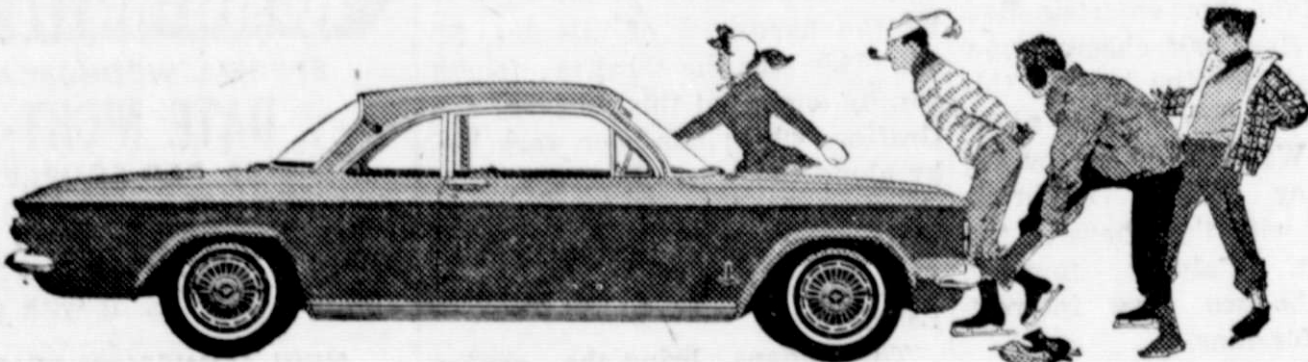

The next thing is to take the wheel at your Chevrolet dealer's. If that doesn't have you thinking of places to go, maybe you'd rather just have a ball around town!

WINTER WOES by Pinson

A citizen, Worthington Barr,
Went to work without chains on his car,
He slid on the snow,
Which cost him some dough,
Much more than the chains would, by far!

PREVENT THOSE WINTER DRIVING WOES

The National Safety Council says: "Always carry a pair of reinforced tire chains. In deep snow and on ice they help you go and stop more safely." Winter tires aid in mild-to-medium snow, but do not replace need for tire chains in severe snow or ice conditions. Don't be a traffic blocker.
