## 'Joe Eberle Night' Held By Kiwanis Club Monday

### Tribute Paid to Local Raiser of Champion Beagles

**NATION-WIDE RECOGNITION  
WON AS OUTSTANDING  
FIGURE IN FIELD**

It was "Joe Eberle Night" at the Kewaskum Kiwanis club's meeting Monday night as the club paid tribute to Joe for the many years he has spent raising some of the finest beagle hounds in the country and for the favorable publicity he and his dogs have brought to Kewaskum.

Joe, who has served as president of the Association of Beagle Clubs of Wisconsin since 1929, has been raising prize beagle hounds for 55 years. He has won national recognition as one of the most outstanding figures in this field. Joe has judged many beagles in many parts of the country through the years. His latest and probably greatest honor was obtained during the past year when he was invited to visit the World's Fair in Seattle, Wash. by the American Kennel club to judge beagles entered at the fair. But Joe turned down the offer because of his health, stating that "he isn't as young as he used to be and has to slow down a bit." Joe is the proud possessor of 62 trophies and hundreds of ribbons which many of his prize beagles won for him.

Mr. Eberle began his hobby as a boy of 15 and has continued his profitable pastime actively ever since, raising some of the top beagles in the nation, for which he has gained nation-wide recognition. Number "15" is a memorable one for Joe, who purchased his first beagle hound for \$15 when he was 15 years of age.

John S. Schaefer who is a native of Kewaskum and also interested in beagle hounds, was the speaker of the evening. Now a school teacher at Menomonee Falls, he is also secretary and treasurer of the Association of Beagle Clubs of Wisconsin. John showed pictures and slides about Joe's career and also gave an address, stating "when the beagle club started in 1925, Joe Eberle was instrumental in bringing field trials and beagle hound shows to Kewaskum and area and they have been held here ever since." Kewaskum is the "birthplace" of beagle clubs, beginning in 1925. The national convention has been held in past years at the Republican Hotel in Kewaskum due to Eberle's interest in beagles.

Eberle has probably raised more beagles than he can remember off hand but there are certain outstanding champions which come to his mind when you bring up the subject of the breed. Eberle's Darkness, a female, was probably one of the finest dogs Joe ever raised and she produced seven champions, three in one litter. Eberle's Mickey 11 was another great

## Only 55 Votes Cast in Primary Election Here

One of the lightest votes in many many years in the village of Kewaskum was cast in Tuesday's state-wide primary election. Only 55 voters turned out to cast their ballots for justice of the supreme court, one of the poorest turnouts on record.

Circuit Court Judge Bruce F. Beilfuss of Neillsville far outdistanced four other candidates in winning nomination for a seat on the Wisconsin state supreme court. Harry E. Larsen of Superior won the second spot on the ballot. These two candidates will oppose each other in the April 2 election for a 10 year term on the state's highest tribunal. The winner will fill the vacancy created by the retirement of Chief Justice Timothy Brown.

With 3,477 of the state's 3,528 precincts counted, Beilfuss polled 126,765 votes compared to 38,374 for Larsen. Evans followed with 31,071, Donnelly had 25,241 and and Christ Alexopoulos 16,095.

The total vote in Washington county was only 1,978. Beilfuss tallied 1,340 votes in the county with Larsen finishing a poor second with 247. Evans was third with 118, Donnelly fourth with 102 and Alexopoulos fifth with 75 votes.

The 55 votes in the village were cast as follows: Beilfuss 44, Larsen 6, Donnelly 2, Evans 2, Alexopoulos 1. The vote in the village was only about one-fourteenth of the 750 ballots cast in the last presidential election.

## Fire at Home Causes Fatal Heart Attack To New Fane Woman

Mrs. William Wunder, 71, well known resident of New Fane died suddenly Thursday evening, March 7, of a heart attack brought on by shock and excitement caused by a chimney fire at the Wunder home. The attending physician described the attack as a coronary occlusion.

After discovering the fire in their home, and while Mr. Wunder was calling the Kewaskum fire department, Mrs. Wunder went into the kitchen where she suffered the attack and collapsed on the floor.

The fire department was called at approximately 7:15 p. m. and when they arrived at the Wunder home flames were shooting out of the chimney. Finding Mrs. Wunder on the floor, some of the firemen who are members of the rescue squad immediately attended to her and tried to revive her while other firemen fought the blaze. A radio call was made for the firemen's ambulance, which rushed to the scene, and attendants administered oxygen to Mrs. Wunder but efforts to revive her proved futile. Soon after a local physician arrived and pronounced her dead.

The chimney fire was a stubborn one and firemen worked some time in extinguishing the blaze, getting the clogged chimney open and cleaning it out.

Friends of Mrs. Wunder may call at Miller's Funeral home, Kewaskum, from 2 p. m. Saturday and at St. John's Lutheran church, New Fane, from 12 noon until the time of funeral services at 2 p. m. Sunday. A complete obituary will appear in the next issue.

## Contributions From Heart Fund Campaign Here Reach \$412.58

Contributions from the 1963 Heart Fund campaign in Kewaskum have reached \$412.58, according to Dr. R. G. Edwards, who headed the annual Wisconsin Heart association campaign here.

Dr. Edwards expressed the gratitude of the Wisconsin Heart association to the community for its support of the Heart Fund and to the individuals who volunteered their time and energy in preparing for and conducting the annual campaign.

"This generous response to the Heart Fund appeal indicates that our residents recognize the importance of the Heart association's fight against the heart diseases and that they have confidence in the effectiveness of the association's program," he said.

Those who assisted in preparing for and conducting the Heart Fund campaign were as follows: A. G. Hron, Hubert Wittman, Arnold Prost, Mrs. Donald Powers, commercial teacher of Kewaskum Community High school, and her commercial class, and also the following Kewaskum 4-H'ers: Charles Bunkelman, Kathryn Bunkelman, Dawn Martin, Sharon Haug, Bonnie Smith, Dennis Smith, Mariel Seefeldt, Diann Ramel, Jane Honeck, Jo Ann Bunkelman, Joan Schoofs, George Martin, Sue Scannell, Tom Stoffel, Lee Stoffel, Dean Martin, Earl Kleinke, Dan Stoffel and Steven Schaefer.

## Statesman to Sponsor Local Historymobile Appearance March 21

**DISPLAY WILL FEATURE AN  
EXHIBITION "NEWSPAPERS  
MAKE HISTORY, 1833-1962"**

Historymobile II featuring an exhibition, "Newspapers Make History, 1833-1962" will be in Kewaskum on Thursday, March 21, from 12 noon to 8 p. m., according to Mr. W. J. Harbeck who is sponsoring the appearance here.

The Historymobile will be parked on the Marx Foodliner parking lot on Main st. The Historymobile is operated by the State Historical Society of Wisconsin, and admission is free. The unit tells the story of newspaper publishing in Wisconsin.

Historymobile II is a giant new traveling museum in a new unit that is in operation for the first time this year. Its predecessor, Historymobile I, which visited here several times, toured the state for eight seasons, showing to over a million and a quarter people.

The Kewaskum Statesman is one of the more than 250 Wisconsin newspapers which are supporting this display of the history of their own industry.

In the Historymobile exhibition the story of newspaper publishing in the state begins with a tiny territorial printing shop, like the one which put out the state's first paper at Green Bay on Dec. 11, 1833 when Wisconsin was still part of Michigan Territory. There is an ancient Ramage press, little different from the printing presses used since the 15th century.

## Two Bear Seen Near Kewaskum on Sunday

For a number of years now deer have been moving into the southern part of the state and now bear seem to be following suit. Loran Backhaus, Sr. of R. 2, Kewaskum, reported seeing two black bear near Kewaskum last Sunday morning.

Loran, who has a milk route, was picking up milk at the Albert Stange farm about 1½ miles east of the village on Hwy. 28 when to his surprise and wonderment he saw the two big black bear on a hill in a nearby field. Loran said he had to look twice to believe it but there they were in an open field near the highway located between the Stange home and a marsh area on the north side of the road. They were near a line fence separating the field and marsh and when Backhaus looked again a few minutes later they were gone. He said that if he would have had a camera along he could have taken pictures to prove his story.

It was reported that bear have been seen previously in the area, probably the same ones. Reuben Schultz claimed he saw one recently near that same vicinity and Greg Heimermann reported seeing one several weeks ago while returning home from a dance.

These are the bear facts!

## This Year's Candidates for Dairy Day Queen

One of the above Kewaskum Community High school students will be crowned "Dairy Queen" at the fifth annual Dairy Day event to be held on Saturday, March 23, at the high school, sponsored by the Kewaskum Business associa-

tion. The girls, representing each class, are required to live on a farm and are selected by the FFA of the school.

The dairy princesses above include, left to right, seated: Diane

Vetter, Judy Truebenbach and Carol Reindl; standing: Rogene Klug, Judy Hohlweck, Kathy Haug, Dianna Krahn and Lucille Kirchner.

# 25 Years Ago

March 4, 1938

One of the biggest basketball attractions ever held in the Kewaskum gym was played Tuesday evening when the annual Land o' Lakes and Rivers all-star games took place here. The cream of the northern division of the Lakes league, including players from nine teams in three counties, beat the West Bend Benders, 39-35, before a capacity crowd. West Bend was bolstered by the famous Posewitz brothers of the Sheboygan professional team. The Benders could not hold the all-stars although they have played some of the best teams in the country. Friday they meet the world's champion colored team, the Harlem Globetrotters in the West Bend gym. The all-star team was composed of Herb Schaefer, Felix and Pete Yankunas of Port Washington State Banks; Max Kahlow and "Yutch" Enderle of Mayville; Harold Marx and Otto Stenschke of Kewaskum; Walter Gonring and Roy Ritger of Allenton, Elmer Vogelsang and Robert Schwartz of Hartford; John Kurtz and Pete Sattler of Cedarburg; Melvin Dickmann and Ray Wegner of Grafton; Harvey Rossman and Joseph Erment of Menomonee Falls; Ed Rinn and Cy Stevens of Port Washington Maroons. Besides the Posewitz brothers, West Bend players included Lane, Kirsch, Potter, Mueller and Serling. "Mayor" A. L. Rosenheimer, Jr. of Kewaskum welcomed the guests. Charles Larson, district attorney of Ozaukee county, managed the stars. Speakers included Assemblyman Henry Schowalter, District Attorney Milton L. Meister, County Board Chairman Guido Schroeder, former sheriff Jos. Shinnors of Milwaukee, Mike Mullen, manager of the Milwaukee Harvesters basketball team. In the preliminary the Rivers all-stars lost to Campbellsport, 26-22.

During a freak electrical storm Friday lightning struck the strawstack on the Henry Opper farm near Five Corners, town of Auburn, and also the barn on the Peter Gritzmacher farm west of Wayne, completely destroying the

structure. The following election officials have been approved by the village board: Clerks of election, Gregory Harter, Walter Schneider and Peter Haug; inspectors of election, Val. Peters and Clifford Stautz; ballot clerks, H. W. Ramthun and Fred Schleif.

Mrs. Dorothea Driessel of the village is seriously ill after suffering a stroke Saturday.

The Kewaskum High school band made its first appearance before an audience at a pep meeting Tuesday. Consisting of 28 members, the band showed great promise of possibilities.

Mrs. Albert Ramel, 74, of New Fane, suffered a broken right hip bone and fractured the two bones in her right wrist in a fall on a slippery walk in front of her home. Mrs. Ed. Bassil of this village suffered a broken left arm at the wrist when she fell as she stepped off a slippery walk in her back yard.

### FIFTY YEARS AGO

March 2, 1913

Don Harbeck moved to Milwaukee where he and his family will reside in the future.

Tax payers for this village will find that they will be compelled to pay considerable more taxes this year; the highest since 1904. The rate this year is \$10.35 per thousand.

Jos. Honeck has been very busy the past month furnishing music for different occasions, playing 13 nights.

Miss Alma Dettman resigned her position as saleslady in the L. Rosenheimer store. She has accepted a similar position in a Milwaukee department store.

A. G. Koch, who has been post-

master of the local post office for the past 17 years, was re-nominated, President Taft having sent his name to the Senate for confirmation.

## Homemaker Notes

### COUNTRY COUSINS

Feb. 26 was the night of our meeting. Mrs. Sally Reindl, R. 2, Kewaskum, was the hostess. Guest for this meeting was Mrs. Margie Jansen.

After the song, creed and opening of the meeting, first order of business was adopting of our constitution. The committee of Mmes. Gladys Rummel, Lucy Lecher and Vern Dahlman submitted the draft of proposed constitution. After discussion and some revision the constitution was adopted. Included was provision for sending "get well" or "sympathy" cards as needed. Our president, Doris Prost, donated a box of cards for use by the club.

Health officer, Mrs. Iona Schmidt, reported on child safety and gave us a brochure listing the skills of 1, 2, 3 and 4-year-olds with the resulting dangers involved.

The Kewaskum Kitchenettes have invited us to go along on their spring outing. Most of us have accepted their invitation for a trip with them on April 17.

Mrs. Doris Prost will be hostess for our next meeting to be at 7:30 p. m., March 26. We will have a pet luck supper before the meeting.

Project leaders Mmes. Gladys Rummel and Iona Schmidt, presented facts and figures on teenage problems. The figures they

quoted on job availability for unskilled workers as against skilled was really eye-opening. Problems of high school dropouts were discussed. Teenage drinking and driving also were discussed. Most of us present felt that legislation on beer drinking ages was not the whole answer to this problem. We were all intensely interested in the project and lively discussion resulted. We all felt that we learned much from our project leaders.

Our meeting ran quite long because we had so much business and such interest in the project. It was Shrove Tuesday so we were quick to lunch on our hostess' barbecue in buns and coffee. It was close to midnight when we finally left. Now our constitution limits meetings to 10:30 and we hope we can keep to this limit.

### LIFE

By Alois Telleston, Kewaskum

Life is an earthen vessel  
Made from the potter's clay  
Or maybe a trickling little stream  
That empties into the bay.

Life is a veil from the altar  
It glows and then it dies  
All that remains are the ashes  
The smoke ascends to the skies.

Life is a tender morsel  
So careful with it be  
Fear not dark clouds or shadows  
Just gold blurs the vision you see.

Life is a throbbing engine  
Of material things it is made  
'Tis God that supplies the fuel  
That helps it up the grade.

Life is the time to get ready  
And purchase your ticket for Heaven  
No longer delay, get ready today  
A tomorrow may never be given.

The trouble with people who insist that right must triumph is that they can't agree on what is right.

## Girl Scout Cookie Sale Began Mar. 8

MEMBERS TO ATTEND CHURCH SERVICES IN BODY ON GIRL SCOUT SUNDAY, MAR. 10

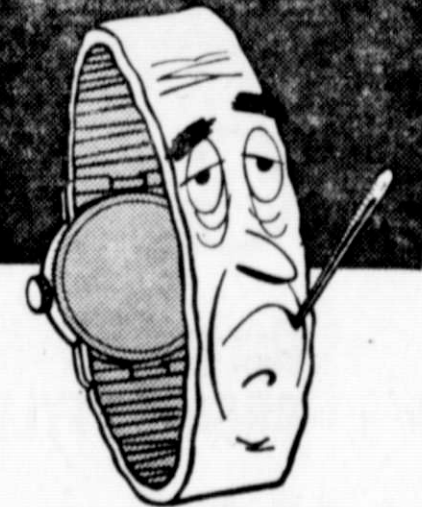

Girl Scout cookie time is here once again. As in the past, the Girl Scouts of Kewaskum will be taking orders for cookies during Girl Scout Week. They will start after school on Friday, Mar. 8, and continue through Girl Scout Week to Mar. 17.

This is the only area-wide project in which all the Girl Scouts in the Wau-Bun council have an opportunity to contribute to the support of their own program. The proceeds of this year's sale, with the profits accumulated in the past several years and borrowing an additional sum, will help develop the scouts' resident campsite which is located near Redgranite. Cookies are going to build a camp for the Girl Scouts!

The camp is expected to begin operating in July, 1963, for Girl Scouts 11 years of age and older. This is the camp the girls have been working and waiting for. In addition, five cents on each package of cookies sold in Kewaskum stays here and is used to help our girls go to camp. Won't you help them?

Troop representatives in Fond du Lac, Dodge, Green Lake and Washington counties will be spurred on this year by the announcement that the Redgranite camp will be in operation this summer. Goal for this year's sale is 54,000 packages, Mrs. Rex F. Mensch, general chairman, has announced. Only advance orders are taken for

### REGISTERED NURSES OF AREA TO MEET MARCH 11

The Registered Professional Nurses' organization of the Kettle Moraine area will meet Monday, March 11, at 7:30 p. m. at St. Joseph's hospital in West Bend. All members are urged to attend as plans will be completed for the silver tea to be held April 20 at the West Bend Gallery of Fine Arts. The tea is being given to raise money for the scholarship fund. The organization annually gives a scholarship to an area high school senior who plans to enter the profession of nursing.

A most interesting program will also be presented that evening, with Dr. Carl H. Beck of the Wauwatosa Children's Clinic speaking on Juvenile Diabetes. Any doctor in the area who might be interested in hearing Dr. Beck is cordially invited to attend. Dr. Beck will speak prior to the business meeting.

**Eberle**

(Continued from page one)  
dog who won nine championships and sired one of the nation's greatest beagles, Thornridge Wrinkles, considered one of the best beagles of all times in the United States. This dog was then sold to a prominent dog man in New York. Other outstanding Eberle beagles included Eberle's Bomber, Eberle's Buddy, Eberle's Banker, Eberle's Lawyer and Eberle's Panel. Joe sold and shipped dogs all over the United States and Canada, including one to the prominent Mr. Du Pont.

Raising beagles is long and tedious work when you raise them to be champions in the field and in a show. But Joe still has a winner in the kennels today in Eberle's Bugle Ann, one of the finest dogs ever raised. Bugle Ann won the International at Pittsburgh, Pa. in 1961 and also has derby trial victories in Illinois and Wisconsin to her credit. "She'll be a champion and only needs one more win to turn the trick and she can do it," Joe says. This dog was the first beagle from Wisconsin to win at the International.

There are numerous other accomplishments in Joe's long history of beagle raising. Another of his finest achievements was a five year in a row victory at the Bass Lake beagle trials and show in Indiana. Joe took a "top dog" from his kennel and won the award of \$100 for "best of breed" for five consecutive years, a record which still stands.

Excellent hunting dogs, the beagles trail rabbits in field trials and are trained to show on the bench. There are over 385 beagle clubs in the United States. Pennsylvania now is the leading beagle state, with Wisconsin ranking tenth. Joe has his own acreage north of Kewaskum where his dogs are trained and many of the trials are held. Joe claims it is the finest area in the U.S.A. for beagle trials.

Dr. R. G. Edwards was program chairman of the meeting Monday which was well attended. Vice-president Robert Schmidt was chairman of the meeting.

Eberle's hobby is an interesting and exciting one, which brought very many beagle fanciers and others to the village. That is why you see those beagle hounds at the shore of the lake at the "Wel-

come to Kewaskum, Gateway to the Kettle Moraine State Forest" sign at the south village limits. When many think of Kewaskum, they think of beagles, and when they think of beagles, they think of Eberle. That is why the Kiwanis club said "thank you" to Joe Eberle at their meeting Monday. Joe, who was in the tavern business in Kewaskum many years, now is retired, but still maintains his hobby of raising champion beagles and also serves as a trustee on the village board.

**THREE INJURED IN TRUCK-AUTO CRASH**

A pickup truck driven by John G. Theusch, 17, of R. 1, Kewaskum, skidded across the center line on a curve on Hwy. 28 at the Louis Backhaus driveway entrance east of the village and collided with a car driven by Eugene M. Muench, 25, of Kewaskum, at about 7:53 a. m. Monday.

Injured were Gerald Geidel, 18, of R. 1, Kewaskum, who suffered a laceration above the right eye and a cut on the left leg; Muench, who incurred an injury to his right knee, and Theusch, who suffered injuries to his left leg. Geidel was removed to St. Joseph's Community hospital, West Bend, in the firemen's ambulance.

**COMMITTEE CHAIRMEN FOR EASTER SEAL APPEAL NAMED**

Volunteer committee chairmen for various phases of the 1963 Easter Seal campaign were announced today by Daniel Miller, West Bend, chairman of the appeal in Washington county.

This committee will spearhead the appeal for crippled children sponsored by the Washington County Easter Seal society which begins March 7 and continues through Easter Sunday, April 14.

Miller named the following persons to campaign assignments for the area: Mrs. Helen Ziegler, West Bend, is publicity chairman and Willard H. Dheim, West Bend, is the campaign treasurer.

**EIGHT INCHES OF SNOW DELAYS SPRING'S ARRIVAL**

If you've been thinking of spring, forget it. This area was busy Wednesday morning digging themselves out of a March snowstorm, which fell most of Tuesday and continued through the night. An estimated eight to nine inches of new snow were dumped on the ground before it ended Wednesday afternoon.

Many county schools cancelled classes for the day due to the deep snow and blocked roads. Kewaskum schools were open, however, although attendance was down. County plows were out in force but warmer temperatures later in the day left much slush in the streets. The storm was the heaviest of the winter season.

# Historymobile

(Continued from page one)

There is a type case containing twelve type drawers, the editor's desk, and the few other essential tools required to put out a paper in those days. If possible, the old Ramage press will be demonstrated part of the time by a member of the staff of the Statesman while the Historymobile is visiting here.

In successive exhibits, the progress of newspaper publishing is traced up to the most modern of present day printing and news collection and distribution methods. Among newspapers shown are a copy of the Green Bay Intelligencer, first paper published in Wisconsin; copies of early foreign language papers, and of other papers important in the history of the state.

Another feature of the Historymobile II exhibition is an 1885 job press, the money-maker of the combination newspaper and job printing shop, which is similar to presses still in use in many shops in the state. There is also a miniature model of this press on which the visitor may do his own printing. The exhibition closes with an explanation of modern three color newspaper printing.

The "Newspapers Make History" theme of Historymobile II was inspired by the important library of newspapers owned by the State Historical Society of Wisconsin, second only to the collection owned by the Library of Congress. A detailed history of nearly every

community in the state is contained in the society's collection which numbers more than 35,000 bound volumes and more than 33,000 reels of microfilm.

### ILLEGAL TO HAVE SPEAR IN POSSESSION; CRITICAL DAYS FOR WILDLIFE HERE

It is illegal to have a spear in possession either day or night, on lakes or streams in Washington or Ozaukee counties, from March 2 until April 20. This is for one purpose only, to protect spawning northern and walleyed pike.

There are a number of fish refuges in Washington county. They are properly posted each spring. The fact that vandals remove or destroy the signs does not alter the fact that it is a fish refuge, and individuals found fishing there will be subject to arrest.

The days from now until the spring break-up are critical days for all wildlife.

Favorable weather will assist in pulling them through, bad weather will be rough on them and may take many unless man lends a helping hand.

If you have been feeding, be sure you continue to make food available. The birds have by now

learned to depend on you and if you don't continue to make it available to them, they will starve.

If you haven't been feeding, and know where there is a flock of birds, you can assist them greatly through these critical days by making food available to them.

Your local warden can advise you where you can get the necessary feed if you don't have any available.

These are critical days, not only for small birds and animals, but also for deer. Their needs however are somewhat different. Dogs will harm deer in these coming weeks more than anything else. Even without deep snow, dogs raise havoc with deer and especially at this time of the year.

Most of the dogs that cause the damage are not wild, as used to be common belief. They are hunting dogs, farm dogs and pet dogs.

We are sure that no one wants their dog to be running or harming deer; but if you don't keep your dog confined, he might be doing just that.

Any dog that isn't confined is a potential deer killer.

Let's all pitch in and help our wild friends through these critical days. This extra effort could pay great dividends come next hunting season.

### RECIPES FOR USING GIRL SCOUT COOKIES

#### MINTED BROWNIE PIE

- 14 Chocolate Mint Cookies
- 3 Egg Whites
- Dash of salt
- ¾ cup sugar
- ½ Tsp. Vanilla
- ½ cup chopped nut meats
- Sweetened whipped cream (½ to 1 cup heavy cream)

Chill cookies in refrigerator a few minutes. Break, cut or roll between folds of waxed paper to even crumbs. Beat egg whites and salt together until soft peaks form. Gradually beat in sugar, beating until stiff peaks form. Fold in cookie crumbs, nut meats and vanilla and spread in buttered 9-inch pie plate. Bake in slow oven, 325 degrees, for 35 minutes. Cool thoroughly. Serve with sweetened whipped cream on each wedge; or spread sweetened whip-

ped cream over top, chill 3 to 4 hrs., and garnish with curls of shaved unsweetened chocolate.

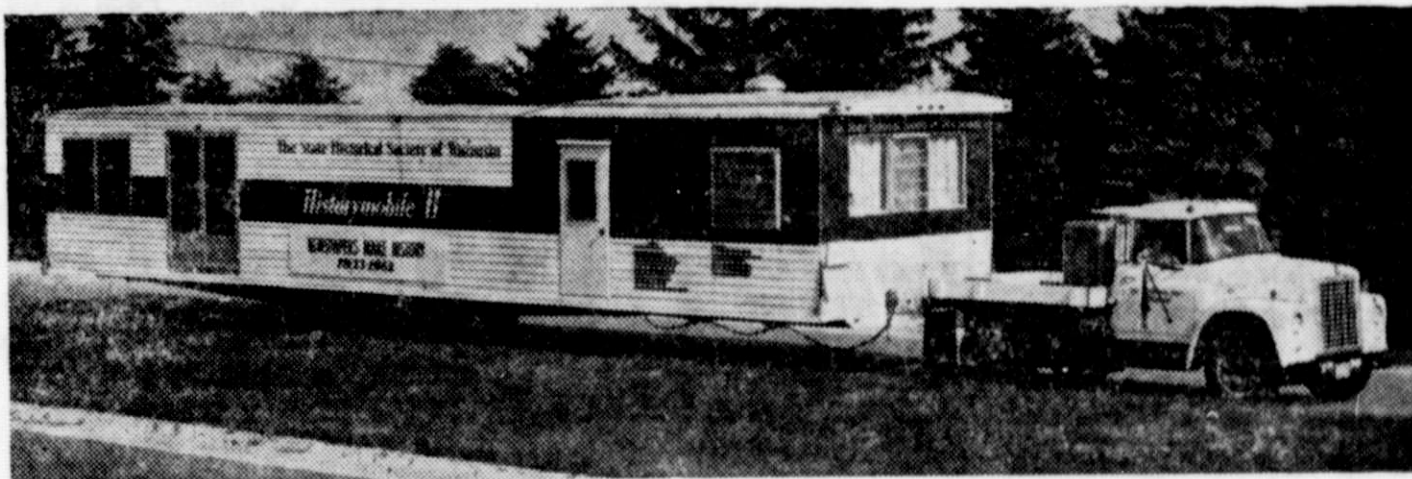

#### SAVANNAH TOFFEE TORTE

- 1 Box Savannah Cookies—Rolled
- ½ Cup Chopped Nutmeats
- ¼ Pound Oleo or Butter
- 1 Cup Powdered Sugar
- 1½ Sq. Baking Chocolate
- 3 Eggs
- Pinch of Salt

Chill butter and sugar. Add beaten egg yolks. Melt chocolate and add to above with salt. Fold in stiffly beaten egg whites. Grease 8 x 8 x 1" pan. Sprinkle half of cookie crumbs and nuts on bottom. Pour mixture in. Then sprinkle on the other half. Refrigerate for 12 hours before serving.

## Historymobile to Visit Kewaskum on Thursday, March 21

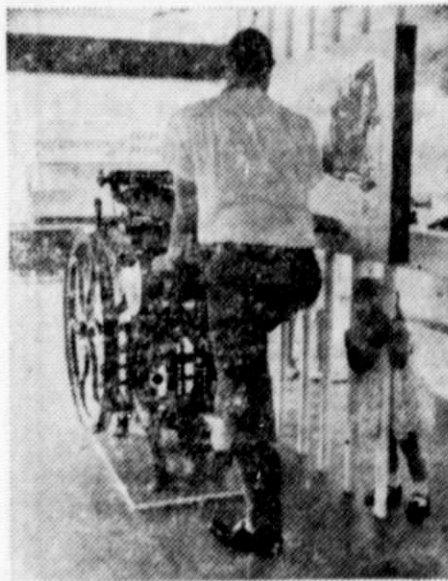

Historymobile II, giant new traveling museum of The State Historical Society of Wisconsin, measures 67 feet long by 12 feet wide. It is visiting 250 communities in Wisconsin with an exhibition entitled "Newspapers Make History, 1833-1962," and will show here under sponsorship of this newspaper.

Every visitor to the Historymobile will have a chance to do his own printing.

### Historymobile II Tells Story of Wisconsin Press

The first newspaper ever printed in Wisconsin was published at Green Bay on December 11, 1833. Since then, over 2,250 newspapers have been published in the state and over 300 daily and weekly papers still are in regular publication today. As the frontier advanced, the press went with it, and the local newspaper not only helped to attract new settlers to the new towns but faithfully recorded important events that took place in the community. More than 30,000 bound volumes of newspapers are preserved by the State Historical Society of Wisconsin, and there are at the Society's headquarters in Madison an additional 25,000 reels of microfilmed papers, forming one of the most important collections in United States. This collection forms the basis for the Historymobile II exhibition, "Newspapers Make History, 1833-1962."

An 1885 job press is part of the newspaper exhibition in Historymobile II.

This Ramage press, used in a Wisconsin newspaper office in territorial days, is the central figure of a setting showing an early state newspaper shop.

A display showing the step-by-step process of printing a full color newspaper in a modern newspaper plant is the closing exhibition in the Historymobile.

## Farm Bureau Dairymen Tour Eastern States

Thirty-four members of Wisconsin Farm Bureau left Madison, March 3, by chartered bus for a seven-day tour of Pennsylvania, New York and Ontario dairy farms.

The group conferred with dairy farmers and Farm Bureau officials. While on tour they stopped at scenic and historical areas.

"A visit to the Lehigh Valley Dairy plus other stops arranged by the Pennsylvania Farmers' association and a visit to a dairy farm in central New York where 200 cows are milked were among the highlights of the tour," stated Frank Wing, Madison, commodity director of the Wisconsin Farm Bureau, who is tour leader.

The Wisconsin dairymen visited dairy farms in Canada on the homeward trip. Arrangements for these stops were made by the Canadian Federation of Agriculture.

Wisconsinites of Farm Bureau who are making the tour include the following from this area:

Richard Degnitz, R. 1, Fredonia; Robert Held, Slinger; Alois W. Kastenmeier, Beaver Dam; Andrew Lemmenes, Waupun; William Mechenich, R. 1, Slinger; George Meyer, R. 2, Campbellsport; Paul Pamperin, R. 1, Allenton; Norman Parrish, Plymouth; Edward Stempfer, Fredonia.

## OPEN HOUSE MAR. 10 AT WEST BEND VOCATIONAL SCHOOL

Open house at the West Bend Vocational and Adult school on Sunday, March 10, from 1:30 - 4:00 p. m. will feature exhibits, demonstrations and refreshments.

Exhibits will be on display illustrating books and student projects for public visitation. Class exhibits will show a bird's-eye view of the adult program offered this year in general adult education, apprenticeship training, homemaking, trade and industry and business education. All exhibits will be located in the high school youth activity room, the vocational upholstery shop and the vocational homemaking room.

Some of the exhibits will include demonstrations by the students to give the public a better understanding of class materials and the techniques used for class projects. Hostesses at the homemaking exhibits will wear the garments they have made in class to better aid persons who have questions or want further information on what each class consists of.

Refreshments will be served in the homemaking room.

Adult education is offered each year at the West Bend Vocational school from October to March, inclusive. Courses are offered to help persons who seek to broaden their knowledge and who want to keep pace with the changing times; those who seek a better job placement, and those who seek cultural betterment for individual reasons. Course content is developed to meet these needs.

The public is cordially invited to attend the open house on March 10 to become better acquainted with the adult education that is provided in the West Bend community.

## Indians Nip Germantown But Lose to Homestead In Regional Tournament

The Kewaskum Indians, who wound up third in the Scenic Moraine conference standings with a 10-4 record, squeezed past Germantown in overtime, 66-64, in the opening game of the WIAA regional tournament at Homestead (Thiensville-Mequon) Friday evening but lost to Homestead in the tourney finals Saturday night by a whopping 76-46 margin. The setback eliminated the team from further tournament competition and ended the season for the Indians.

Friday's tourney battle with Germantown was typical of those played during the season in the Scenic conference. This was Kewaskum's third meeting with the Warhawks and also their third victory over them but every one of the games was a real close, thrilling tussle. In the initial game played here the Indians bested Germantown by six points, 78-72, in the second outing at Germantown the score was even closer as Kewaskum won by just three points, 48-45, and in the tournament the Indians were forced into overtime before squeezing past the Warhawks by two points, 66-64.

Al Koepke, Kewaskum's all-conference selection, dropped in the winning basket for the Indians just before the gun in the overtime period. The teams were tied at 59-59 after regulation time.

In the other tourney game at Thiensville-Mequon Friday, the host team, Homestead, easily defeated Cedarburg, 74-53, to earn the right to play Kewaskum for the regional crown at 7:30 p. m. Saturday. Cedarburg had to beat Mayville in a sub-regional playoff to get into the meet as did Germantown, which won over Horicon. The two sub-regional losers, Mayville and Horicon, both are Little Ten conference teams.

In the tournament finals Saturday Kewaskum was no match for Homestead, co-champion of the strong Braveland conference with Menomonee Falls, which came close to upsetting the state's top ranked team in the Big Sixteen, Milwaukee North, Tuesday in sub-sectional playoff action. Homestead, with good height, consistent scoring and excellent rebounding, is rated high and may surprise the other schools in the Sheboygan South sectional this week end, namely Milwaukee North, Whitefish Bay and Sheboygan North, all top seeded teams. The winner of this tourney, along with seven other sectional winners, will advance to the state meet at Madison.

Rugged Homestead outscored Kewaskum in every quarter, leading 15-7 at the quarter, 36-17 at the intermission, and 54-33 at the end of the third period. Free throw accuracy helped them considerably as they sank 26 to only 10 for the Indians. Again Al Koepke was high scorer for this team with 16 points, followed by Mike Coulter with 10. Top scorers for Homestead were Kroll and Schwandt with 16 apiece and their 6-3 ace, Hafner, with 10.

Homestead gained the right to enter the sectional meet at Sheboygan South this week end by defeating Pewaukee, 78-69, in a sub-sectional playoff contest at Cedarburg Tuesday. Pewaukee, runnerup to Grafton in the Scenic Moraine conference and loser twice this season to the Blackhaws, upset Grafton in the Cedarburg regional finals, 42-39, to

earn the playoff berth against Homestead.

## Al Koepke on Scenic All-Conference Team

**INDIAN SENIOR SELECTED; MIKE COULTER PICKED ON SECOND TEAM**

At a meeting of Scenic Moraine conference coaches held at North Fond du Lac, an all-conference basketball team and second team were selected. The first five scorers in the circuit were placed on the first team, which is composed of three seniors and two juniors, and the next five high scorers were voted to the second team. Therefore the top ten scorers in the conference are all on the teams.

There was one unanimous selection, Ted Kellner of Grafton, the loop's No. 2 scorer, who received a perfect score of 14. Kellner, a 6-1 junior, scored 287 points. The other junior on the first team is Les Teuteberg of Pewaukee. He received 13 points as did Dave Knepel of Germantown, the scoring champion with 350 points. Knepel, a senior, is joined by two other seniors. Al Koepke of Kewaskum, his team's leading scorer, and Jerry Geldnich of Slinger, each accorded 12 points.

Two members of the champion Grafton team join teammate Kellner on the second team. They are Jim Doheny, senior, and Jack Gleason, junior. Other choices were Darvin Staal of Pewaukee, senior; Mike Coulter of Kewaskum, junior, and Miles Lefever of Random Lake, junior.

Honorable mention was given the following: North Fondy—Rich Groeschel, Jim Mathwig; Slinger—Doug Steele, Marv Scherr, Dave Weber; Campbellsport—Karl Ketter, Jim Flitter; Kewaskum—Mark Kral; Grafton—Bob Barker; Pewaukee—Bill Volmar; Germantown—Homer Leicht.

One of these days, the ideal political race will be staged and every candidate will win.

## Chevs Tip Hustisford In Home Finale, 100-75

The Kewaskum Chevrolets got back into the win column in their final home game of the season Saturday night, defeating last place Hustisford handily, 100-75. The victory gained them a 2-3 record and sixth place in the second half standings.

The setback was Hustisford's seventh in a row without a win. The visitors held the Chevs on fairly even terms in the first half, trailing by only seven points, 40-33, at the intermission. After the half Kewaskum began to pull away steadily, increasing their lead as the game progressed. By the end of the contest the Chevs had a 25-point cushion and the score stood at 100-75 at the final horn.

Tom Larsen took scoring honors for the evening with 27 points to pace both squads. Close behind was Don Meisenheimer with 23 points. Top scorer for the losers was Del Renzaglia with 14 points. Very few personal fouls were called in the game and as a result not many free throws were made.

This Sunday night Kewaskum travels to Cedarburg, which has a 3-3 record to date and is a half game ahead of the Chevs in the standings. The Chevs will round out the season at Mayville on Sunday, March 17.

### Funeral Rites for Edwin Klug Held

Funeral services were held at 2 p. m. Sunday at Immanuel Lutheran church, Town of Scott, for Edwin H. Klug, 79, prominent farm resident of the Town of Scott, Sheboygan county, who died at 9:35 a. m. Thursday, Feb. 28, at his home. He had been ailing with asthma for a number of years. The Rev. E. R. Engelking officiated and burial took place in the parish cemetery. Prior to the services friends paid their respects at Miller's Funeral home, Kewaskum, from 2 p. m. Saturday until 11:30 a. m. Sunday and at the church from 12:30 p. m. until the time of services.

Mr. Klug was born on June 14, 1883, a son of the late Ferdinand and Amelia Polzin Klug, on the Klug homestead in the Town of Scott and was a lifelong resident of the same farm. He was married to Alma Heise on Oct. 23, 1912, at St. Lucas Lutheran church, Kewaskum.

Surviving are the widow, one son, Erhard, on the homestead; one daughter-in-law, Viola; three granddaughters, Carol (Mrs. Werner Koepke, Jr.) of rural Campbell sport, June and Jean Klug at home, and one sister, Mrs. Charles Staeger of Beechwood.

### Starr Barter!

Bart Starr, Packer's ace quarterback and Wisconsin state volunteer Easter Seal chairman, trades an autographed football for the first sheet of 1963 Easter Seals with Kyle Stubbs, 1600 Dousman ave., Green Bay.

The annual Easter Seal fund drive, which continues for a month before Easter, solicits the public's purchase and use of the traditional Easter Seals to finance the society's many services to the handicapped; one of which is Camp Camp Wawbeek at Wisconsin Dells.

Nine year old Kyle Stubbs, who experienced his first two week recreational therapy session at Camp

Wawbeek last summer, confided to Starr that he can hardly wait until this summer to show his camp buddies the prize he garnered in the trade for the Easter Seals.

### HOLY TRINITY CAGERS DEFEATED BY SLINGER

The Holy Trinity school cagers lost their 6th game in 13 starts Sunday, Mar. 3, when they were defeated by St. Peter's Slinger, 40-32, at Slinger High school gym. The loss puts Trinity in third place in the Wash-Zaukee league. Holy Trinity was tied 6-6 at the end of the first period, but fell apart because of poor defense to make the halftime score 20-15. Kewaskum went behind further at the end of the 3rd period, 31-21. Trinity almost made a comeback but was finally stopped 40-32.

High scorer for Trinity was Bill Backhaus with 11 points. For the

winners Gundrum had 10 points. Mike Miller chipped in 10 points and Dick Marx 9 for Kewaskum.

Trinity missed seven free throws and Slinger five.

The team will resume play at Saukville this Sunday.

### PINK-BLUE SHOWER GIVEN FOR MRS. HOWARD ZEMLICKA

Mrs. Woodrow Hanselman and Mrs. Eugene La Marche were co-hostesses Sunday afternoon at a surprise pink and blue shower for Mrs. Howard Zemlicka. About 20 ladies gathered at the Eugene La Marche home to honor Mrs. Zemlicka, who was presented with a corsage and many lovely gifts.

Games were played and prizes won by Mrs. Willard Gruhle, Mrs. Clifford Rose, Mrs. Clyde Brehm, Mrs. Howard Zemlicka, Lou Leonard, and Mrs. Dean Roe. Lunch was served by the hostesses.

### BUTTERFLY IN FEBRUARY

The writer and a number of other Kewaskum residents saw their first live butterfly of the season last week—in February. It was seen at the A. G. Koch store. Terry Koch opened a crate of lettuce which was shipped in from California. When he uncrated it Terry found a butterfly clinging to the box. He placed it in a box, put it in a warm place and the butterfly came to life, flapping its wings to fly. And the lettuce had been refrigerated ever since it was shipped from California.

## LUXURY CAR: RIDES, RESPONDS AND LOOKS LIKE IT OUGHT TO COST A RANSOM

You're looking at our Impala Super Sport Convertible which, along with its cousin the Sport Coupe, absolutely embarrasses higher priced cars.

That special trim and those front bucket seats merely hint at the comforts you find built into every Impala Super Sport.

Performance? It's remarkable, an understatement we can afford when there are 7 engines to choose from. One of which is the popular 340-hp Turbo-Fire 409\*, a wizard in traffic and a joy on the open road. And others all the way up to 425 hp\*.

If you want an extra flourish or two, mull over extra-cost options like floor-shift four-

speed manual or Powerglide transmission, Positraction, fade-resistant sintered-metallic brake linings, and a tachometer to relay what's cooking up front.

Just before you rush off to your Chevrolet dealer, may we remind you that both Impala Super Sports offer the new Comfortilt steering wheel\*. You adjust it to suit your driving style, flick it out of the way for easy entry and exit.

All three Chevrolet series—Biscayne, Bel Air and Impala—deserve a long look. Super Sports demand it.

Super Sport equipment\* available on both Impala Convertible and Sport Coupe.

\*Optional at extra cost.
