Wayland Tessar New Village President; Light Vote Is Cast

Reelect Incumbents in Town; Bath, Brown Elected

OTHER VILLAGE CANDIDATES ALSO ELECTED WITHOUT OPPOSITION

The village of Kewaskum will have a new president and two new trustees for the next two years as a result of Tuesday's spring election. All village candidates were unopposed and practically assured of election.

Wayland Tessar, the new president, received a fine endorsement from the voters. Tessar, a former trustee who entered the race for village president when James D. Reigle announced he would not be a candidate for reelection, was given 180 votes out of 198 ballots cast. Due to the lack of opposition, a very light vote was cast in the village, slightly more than one-fourth of the eligible voters turning out.

Tessar's moving up to the "mayor" post and the retirement of veteran trustee Joe Eberle resulted in the election of two new trustee candidates. Ricahrd V. Reigle, brother of Jim, running for office for the first time, polled 161 votes, the highest of the three trustee candidates. Cyril N. Wietor, the only incumbent seeking reelection, got 156 votes and Alfred "Fritz" Kral, another newcomer, received 148 votes. Leland Rose, former high school teacher, received 39 votes as a surprise write-in candidate. Had his name been on the ballot, no doubt he would have stood a very good chance of being elected.

Elwyn M. Romaine, incumbent supervisor and chairman of the county board, was reelected unopposed with 175 votes, second only to Tessar. There were also several scattered write-in votes for president.

Eberle retired from public office after completion of 23 years of service to the village. Retiring now after a 12-year tenure as trustee, Eberle also served in other capacities. Other positions he has held include deputy sheriff, village marshal and village treasurer. Joe, 72, will devote his time to his hobby of raising prize-winning beagle hounds.

James Reigle, retiring as president, had served in that office for the past seven and one-half years. He was appointed to the post to fill an uncompleted term and then subsequently was reelected.

On the state scene, Circuit Judge Bruce F. Beilfuss of Neillsville scored a relatively easy victory over Atty. Harry E. Larsen of Superior in the race for a seat on the Wisconsin supreme court. Beilfuss defeated Larsen by almost a 2 to 1 margin in the state. In Washington county Beilfuss was ahead of his opponent 5,229 votes to 2,784. In the village Beilfuss was given 125 votes to 68 for Larsen.

In the three referendum issues the proposal to permit the

FIREMEN CHECK CHIMNEY BLAZE ON KOEPKE FARM

Kewaskum firemen were called at approximately 12:15 p. m. Wednesday to the Albert Koepke farm home in the town of Kewaskum, southwest of the village, to put out a stubborn chimney fire. The chimney was clogged and firemen spent nearly an hour in snuffing the blaze, getting the chimney open and cleaning it out. Terrific winds of from 40 to 65 miles an hour made it dangerous and difficult for firemen to stay on the roof of the high building.

LEGION TO SPONSOR EASTER EGG HUNT IN PARK APR. 13

The Robert G. Romaine Post 384 of the American Legion will sponsor an Easter egg hunt at the Kewaskum village park at 2 p. m. on Saturday, April 13, for children up to 10 years of age. Children will gather in the park parking lot south of the park. Prizes will be given for finding certain eggs.

Gale Winds Cause Widespread Damage

Furious winds on Wednesday which were officially recorded at 56 miles an hour with gusts up to 65 miles an hour caused widespread damage over the area, county and state.

A barn owned by Lee Honeck on Main st. (Hwy. 28) at the east edge of the village was blown down. A corn crib on the Mrs. Selma Backhaus property on North Fond du Lac ave. near the north village limits was toppled over on its side. An electric wire was blown down on Park View dr. Shingles and roofing were torn loose on buildings, some windows were broken, trees and branches were broken off, objects and debris were hurled through the air.

Truck drivers had difficulty in keeping their vehicles on the road and some semi-trailer drivers hauling hay parked their trucks and stayed over. An empty semi-trailer and tractor were blown off Hwy. 41 north of Fond du Lac. A long Hwy. 41 near the intersection of Hwy. 23 in Washington county, a house trailer owned by Highway Mobile Homes, Oak Creek, was torn loose from its tractor and tipped upside down into the center of the divided highway.

In some sections wind drove cars off highways, stirred minor fires into near disaster and damaged buildings and trees. Pedestrians found it nearly impossible to keep their footing. Children were blown off of bicycles. A fire, encouraged by the wind, swept about 200 acres near Steiner's resort in the town of West Bend.

Kewaskum firemen who answered a call to a chimney fire at the Albert Koepke farm had to hang on to avoid being blown off the roof.

Cleanup and repair crews were busily engaged all over the state Thursday clearing away debris and repairing public installations damaged by the winds.

Type II Sabin Oral Polio Clinics Serve 13,000 in County Sun.

CAMERAMAN FILMS CLINIC FOR NATIONWIDE TV COVERAGE

Marked by swiftly moving lines, the second of three oral polio clinics conducted by the West Bend Junior Chamber of Commerce and the medical staff of St. Joseph's hospital of West Bend, gave out 13,000 drinks in their five county-wide locations.

A make-up clinic for all missing the Type II clinic was scheduled for Friday, April 5, from 7 to 9 p. m. at the West Bend High school. This will be the only location for the make-up clinic.

National TV

Of particular interest during this Sunday clinic was the presence of TV Cameraman Don Heilmann, who was filming a television news release for National Television News of Detroit. From hundreds of feet of film taken during the clinic a hard-hitting one minute news film will be made and distributed to over 400 TV stations in the United States. It was indicated that a Milwaukee channel would run the release early this week.

The film will also be used in a longer educational movie explaining oral vaccine and the conduct of a polio clinic. This, of course, will make "movie stars" of hundreds of West Bend area residents filmed during the day.

Publicity chairman of the polio program, Jaycee Ron Larson, stated that the West Bend Junior Chamber of Commerce felt that this was indeed a fine compliment to the Sabin Oral Sunday Clinics being held in Washington county. The national coverage was awarded to West Bend because of the very fine success of the polio program to date.

Next Clinic May 26

People who have taken part in both clinics are now immunized against two of the three types of polio. To be fully protected against all three forms of polio they must also receive the Type III Sabin Oral Vaccine. Type III vaccine will be administered at the clinics on Sunday, May 26.

The local program is following advice from the Wisconsin State Board of Health which recommended that prior to receiving Type III Oral Vaccine, individuals have at least two doses of Salk vaccine. The last injection of Salk vaccine should be within one year prior to May 26.

Contact your family doctor regarding these Salk injections immediately. He will answer your questions and give you his personal recommendations on your need. If you are in need of a booster, you should receive it from your doctor before April 28, which is approximately four weeks before the last Sabin Oral Sunday.

COUNTRY COUSINS

A pot luck supper at the home of Mrs. Doris Prost preceded our meeting of March 26. While we supped on the delicious food our hostess' daughter, Diane, entertained us with music on her electric organ. She also played the opening song for our meeting.

One item of business was signing up for the medical self-help project starting April 4 at the municipal building at Kewaskum. Most of us felt a need for such information and enrolled in the course.

Mrs. Margie Janssen joined our club during the meeting. We are in the process of inviting additional members to make up our con-

stitutional quota.

Because our meeting is held so late in the month it has become necessary to telephone news of meetings of interest to members and other information relayed to our president, Mrs. Doris Prost. We, therefore, voted upon a system of chain phoning to ease the burden on our officers. Now the president will only have to make one phone call to start her information on its way to all members.

The health officer, Mrs. Iona Schmidt, gave us a very interesting report on Menopause with advice to consult medical help rather than rely on "old wives' tales."

Mrs. Lucy Lecher and Mrs. Sally Reindl were the project leaders. Their presentation on kitchen arrangements was very interesting. Their extensive notes enabled them to give us much useful information.

The next meeting will be at the home of Mrs. Delores Prost on April 23.

Roundy's Reaches Record Sales Volume

Sales of Roundy's, Inc., one of the midwest's largest retailer-owned food distributors, reached a new high in 1962. This fact was disclosed at the company's annual stockholders' meeting held Tuesday, March 26, at Roundy's headquarters in Milwaukee.

L. Rosenheimer, operator of L. Rosenheimer's Store, Kewaskum, is a stockholder and an active retailer-member of the Roundy organization.

Sales of the company and subsidiaries totaled \$46,966,244, making an 8% rise over the 1961 total of \$43,439,661. Earnings before patronage rebates (to the 252 retailed stockholders) and income

taxes were \$739,312 compared with \$622,810 the previous year. Net income was \$74,340 against \$64,406.

Last year closed the first decade of the company as a retailer owned company. The late Roy A. Johnson completed the reorganization from a privately owned firm to its present status in 1953. In that decade net sales increased from \$15,040,627 in 1953 and earnings after rebates and taxes from \$25,606. Net worth, meanwhile, grew from \$765,906 to \$2,145,308.

President James N. Aldrich said in the report the company had taken a significant step in 1962 by registering to do business in Illinois. Stores at Grayslake and Wauconda, in northern Illinois, have become stockholder members and additional ones are expected to join this year.

In addition to its main warehouse, Roundy's operates four cash and carry branch warehouses in Milwaukee. These serve about 700 customers — stores and restaurants. Total retail sales of stores supplied through Roundy's last year were 176 million dollars.

The female sturgeon does not spawn for the first time until it has reached 25 years of age, Wisconsin Conservation Department records show.

Cub Notes

The pack meeting was held on March 21. The theme of the month was "Around U.S.A." Each Cub brought a souvenir of somewhere in the U.S.A.

The following awards were presented: Lion badge to Glenn Staehler, James La Marche, Robert Rose; gold arrow lion rank to Glenn Staehler and Peter Haug; silver arrow lion rank to Peter Haug; silver arrow wolf rank to Dean Tesselink.

We then had the Pinewood Derby. Each boy made a car and raced it. The following boys were declared winners and will race in West Bend in April: Pat Staehler, Dean Tesselink, Pat Perkins, John McElhatton, Ken Kreif, Robert Rose, Tom McElhatton and Richard Halfmann. We had 18 boys enter the race. All the cars were very well made and decorated beautifully and Cubs and parents had a good time at the races.

19 Firemen Attend Badger Banquet at Saukville Sunday

DEPARTMENT WINS \$22.50 IN BOWLING TOURNEY PRIZE MONEY

The annual spring meeting and banquet of the Badger Firemen's association was held on Sunday, March 31, with Saukville being the host department this year. Twenty some fire departments are members of the association.

Delegates to the afternoon meeting were Chief Armin Oppermann, Ellie Ramthun, Jr. and Harold Ruplinger. Nineteen Kewaskum firemen, almost half of the members of the department, joined them for the evening banquet at 6 o'clock, held in the Catholic church parlors at Saukville. Several hundred firemen from the member departments attended the banquet.

Lieutenant Barnes of the Milwaukee Fire Department spoke on communications at the meeting and a very capable speaker from Madison talked after the evening banquet. The president of the Badger association, Chief Schaezel of Germantown, served as toastmaster at the banquet. Officers of the association and guests were introduced. A six-piece combo of musicians from Cedarburg High school furnished music.

Saukville was also awarded the 1963 annual tournament of the association to be held June 8 and 9 with a big parade on Sunday. The 1964 bowling tournament, which gets underway next January, was awarded to Menomonee Falls.

2 Local Students on
College Honor Roll

A total of 286 Oshkosh State college students have been placed on the honor roll for the fall semester of the 1962-63 school year, according to L. O. Tetzlaff, college registrar. The roll, which was released this week, shows 18 had perfect averages.

To be listed on the honor roll, a student must carry at least 14 credit hours of work, earn at least a 3.3 grade-point average, and receive no grade below a "C". The college uses a four point system which means an "A" is equal to four grade point, a "B" to three grade points, and a "C" to two grade points. Those listed on the honor roll are equal to 8.6% of the 3,324 students who were enrolled last semester.

Kewaskum students listed on the honor roll are: Eileen R. Hanselman, River View dr., a senior in secondary education, with 18 credits and a grade point average of 3.39; Mrs. Connie A. Zemlicka, Box 245, a junior in lower elementary education, with 17 credits and a grade point average of 3.71.

SUPPER IN A SOUP BOWL

A WELCOME IDEA in these weeks of in between, not quite winter, yet far from spring, is a bowl of steaming soup made more interesting, nourishing, and appetizing with chunks of tender salmon.

Whether or not you observe the Lenten season, you're bound to go fishing more often than usual during the 40 day period of moderation. It's a wonderful way to serve more simple fare and to balance the budget, often bent to breaking point, after the strenuous holiday season.

By simply combining a can of soup and a can of salmon, both staples on every supply shelf, then adding a touch of an herb, a kiss of a spice, a nourishing supper-in-a-bowl is ready to serve in less than 5 minutes. You're saving precious time as well as money, yet you're serving a dish that everyone will enjoy. Try one of these flavorful combinations today.

SALMON CHOWDER

1 can condensed cream of celery soup

- 1 can (7 1/4 oz.) salmon flaked
- Liquid from salmon plus milk to measure 1 1/2 cups
- 1/2 teaspoon paprika
- 1 tablespoon chopped parsley
- 1/2 teaspoon dried dill weed

Combine ingredients and heat over simmering water or stir over direct heat. Serves 2.

CURRIED SALMON AND PEA

- 2 tablespoons butter
- 1 tablespoon minced onion
- 1 teaspoon curry
- 1 can pea soup
- 1 can (7 1/4 oz.) salmon, flaked
- Liquid from salmon plus milk and cream to measure 1 1/2 cups
- 1 teaspoon lemon juice

In saucepan heat butter and in it cook onion and curry until onion is soft. Stir in remaining ingredients. Heat over simmering water or stir over direct heat. Serves 2.

Plan Food Personnel Institute Apr. 8-9 at West Bend City Hall

In cooperation with the West Bend city department of public health, the Hotel and Restaurant division of the Wisconsin State Board of Health will conduct a Food Personnel and Public Health Institute in the council chambers of the West Bend city hall at 2:30 and 8 p. m. on Monday and Tuesday, Apr. 8 and 9.

All holders of state hotel and restaurant permits, employees and managers in West Bend, Kewaskum, Allenton, Newburg, Hartford, Slinger, Jackson, Hubertus, Richfield, Fillmore, Boltonville, Wayne, Kohlsville, Neno and surrounding areas are urged to attend one meeting each day so each establishment has full attendance rating.

The program is designed to better acquaint employees and managers of hotels, restaurants and other food handling establishments serving the public the correct procedure in handling foods, food preparation and storage, refrigeration, personal hygiene and public health and prevention of food poisoning. Special instructions will be given on proper methods to be followed regarding the cleansing and sanitizing of all eating and drinking utensils, including cooking and preparation equipment which regulations are mandatory in the operation of any state or city approved drinking and eating establishment.

Each class will last 1½ hours and will be accompanied by interesting lectures and discussions illustrated with new movies in color and sound.

Participating in the program will be Dr. William Nielsen, M. D., West Bend health officer; Miss Dorothy E. Dederich, R. N., West Bend city nurse; H. G. Rothwell, R. S., hotel and restaurant sanitarian and K. K. Thiede, R. S., supervisor of food personnel training institutes.

101 Kiwanians Now Serving in Congress, Orv Behnke Reports

A total of one hundred and one Kiwanians are serving in the Eighty-Eighth Congress of the United States, according to information received by O. E. Behnke, president of the Kiwanis Club of Kewaskum. The information came as the result of a survey conducted early this year. There are twenty-three Kiwanians in the Senate, and seventy-eight in the House of Representatives, he added.

In announcing the extent of Kiwanis participation in the Eighty-Eighth Congress, Kiwanis International President Merle H. Tucker, Gallup, New Mexico, pointed out that Kiwanis, which constitutes less than one percent of the county's population, contributes more than a sixth of its national legislative leadership.

"This is in keeping with our traditional emphasis on the importance of assuming individual citizenship responsibility," Tucker said.

Two well known members of the Senate, both long time Kiwanians, and both former Kiwanis district

governors, added their comments, too.

Said the Honorable John Sparkman (D-Alabama), former governor of the Alabama Kiwanis District and former nominee for the United States Vice-Presidency:

"When I first came to Congress twenty-six years ago I was pleased to find that fellow Kiwanians were in both the House of Representatives, where I was serving, and the Senate of the United States. Through the years it has been interesting to note the increasing number of Kiwanians that serve in the two houses of Congress. Kiwanis has taught through the years the principle of service and the principle of public responsibility. It is not surprising then that so many in whom these principles have been instilled seek to serve in this field."

The Honorable Karl Mundt (R-South Dakota), former governor of the Minnesota-Dakotas Kiwanis District, said:

"The 1963 theme of Kiwanis International — 'Responsibility, the Key to Freedom'—is no more aptly demonstrated than in the Congress of the United States. Within this national legislative body are many members of Kiwanis; in fact, more than sixteen per cent of the members of the House and Senate are Kiwanians. It seems to me that this Kiwanis representation in the Congress not only exemplifies a key Kiwanis objective, 'to develop, by precept and example, a more intelligent, aggressive, and serviceable citizenship,' but brings to fruition for us in Congress the fervent desire of all Kiwanians to contribute one's talents and energies to the preservation and enhancement of freedom both here at home and abroad."

The way we manage our farms and forests, the way we waste or conserve our soil, the extent to which we protect or pollute our streams and lakes, these will have a tremendous impact on the wild-life and recreational resources of the country.

COUNTY DELINQUENT TAX ROLL DOWN, POSTPONED UP

County Treasurer Robert J. Klein last week reported that total tax collections in the county to date are \$1,291,505.28. He reported that postponed tax payments in the county have shown an increase with \$523,903.46 paid last year on 1961 taxes and \$621,073.86 paid this year on 1962 tax assessments.

Kewaskum will have a team in the Land o' Lakes Northern division baseball league this coming season for the first time in a number of years. Last year the local team was entered in the Rainbow league, which has disbanded.

At least nine teams are lined up for the northern division thus far, according to Carl Kuss of West Bend, director. Returning to the fold are West Bend, Cedarburg, Saukville, Plymouth, Port Washington and Barton. Kewaskum is also returning and the two other new teams are Grafton and Germantown. regular and an alternate member, any vacancies which may exist at the present time will be filled. Election to the vacancies will be for the unexpired term whatever length it may be.

There are a few simple rules pertaining to the election of these committeemen. First of all, none of the five committeemen shall be from the same city, village, or civil township. This is to give as many localities as possible a member on this important committee.

The committeemen are to be elected by separate ballots, and at least two nominations from the floor are to be made for each position, and voting shall be done by written ballot. Any person participating in the voting for committeemen must be a legal voter and a resident of the county in which he is voting.

Other instructions on this election are as follows:

In order that the real interest of conservation be served, it is essential that you elect men as representatives of your county conservation committee who have the following qualifications. They should be persons with a good knowledge of fish and game problems who are open-minded and should be able to view conservation matters on the basis of statewide interest.

No person will be certified by the commission who:

(1) Employs political tactics in seeking election.

(2) Seeks election to further personal interest or interest contrary to the benefit of conservation.

(3) Has been convicted of a violation of the fish and game regulations during the past five years.

You have a busy, interesting, and important evening in store for you at your Conservation Congress hearing, Monday, April 22, 8:00 p. m., at the new Washington county courthouse. Make plans now to attend and take part in the discussions.
