Special Referendum Election Here Tuesday on \$250,000 Bond Issue for Addition to School

Election Will Be Held in Elementary School Gymnasium

POLLS WILL BE OPEN FROM
7 A. M. TO 8 P. M.

Electors of the Kewaskum Elementary School Joint District No. 1 will cast their ballots in a special referendum election on Tuesday, Sept. 24, on the issuance of \$250,000 in general obligation bonds for construction of an addition to the elementary school in the village.

The school district consists of the village of Kewaskum, towns of Kewaskum and Barton, Washington county and towns of Ashford and Auburn, Fond du Lac county.

The election will be held in the elementary school gymnasium in the village of Kewaskum. The polls will be open from 7 a. m. to 8 p. m.

This special election will be held for the purpose of submitting to the qualified electors of said school district the proposition set out in the form of a ballot, on which they will vote yes or no, on the following issue:

Shall the following initial resolution be approved:

Initial resolution authorizing \$250,000 general obligation bonds.

Be it resolved by the District Board of Kewaskum Elementary School Joint District No. 1 Village of Kewaskum, Towns of Kewaskum and Barton, County of Washington, Towns of Ashford and Auburn, County of Fond du Lac, State of Wisconsin, that there shall be issued \$250,000 general obligation bonds of said school district for the purpose of erecting and equipping a new addition to the present elementary school building in and for said school district. Provided, however, that such bonds shall be issued in such a manner that the aggregate indebtedness of said district shall never exceed the constitutional debt limit.

A facsimile of the official ballot appears in an election notice on page six of this issue.

Recording By Blue Echoes in Top 20 in South

1,100 RECORDS ARE SOLD
IN GEORGIA ALONE

The Blue Echoes band of Kewaskum has received word that their recent recording, "What I Say" is among the "top twenty" in Atlanta, Ga., Louisiana and Alabama. A total of 1,100 records in Georgia alone were sold but the boys in the band have not received word on how many were sold in the other states.

The band cut the record, their first, in June at Kay Recording Studios in Milwaukee. The tape recordings were then sent to RCA Victor in Tennessee for finishing work. The instrumental, "Moon-ride," is the featured side of the record and "What I Say," the singing version by Dave (Sutton) Skrentny is on the reverse side. Evidently the reverse side has really caught on in popularity.

The four Kewaskum youths comprising the band include Skrentny, guitar and singer; Larry Roesel, lead guitar; Leroy Schultz, bass guitar, and Homer Justman, drums. The boys organized in August of 1959 and have been progressing rapidly since.

The Blue Echoes have become very popular and have been booked solidly during the summer months at dances and clubs that young people patronize. Their recording can be heard on many "juke boxes" in the area and also is on sale in record stores.

The record is becoming very popular in the South and the band hopes it will find its way up to the North.

**Local Recreation
Group Praised for
Promoting K-M Area**

The column "On Wisconsin" in a recent issue of The Milwaukee Journal highly commended the Northern Kettle Moraine Recreation association of Kewaskum which has organized to promote tourism in the northern Kettle Moraine area.

The column praised the group for their foresight in familiarizing the public with the advantages of the area as a tourist and recreation area by printing an informative brochure available to the public.

Listing the major lakes, recreation facilities, campsites and other vacation and tourist attractions, the brochure includes an excellent map of the Kettle Moraine area. It also provides the names and location of convenient business establishments such as stores, restaurants, etc., services available and even individuals providing emergency services such as physicians, dentists, chiropractors, veterinarians and ambulance service.

AFS Student Arrives Here, Given Reception

COMMITTEE HOPES TO SEND
LOCAL STUDENT ABROAD
NEXT SUMMER

Kewaskum's third AFS exchange student, Laura Laghi, of Forli, Italy, has arrived and the village extended her a hearty welcome.

Laura sailed for America on Aug. 29 from Rotterdam aboard the SS. Seven Seas, docked in New York and took a bus for Milwaukee. She was met on Tuesday, Sept. 10, in Milwaukee by her American family, Mr. and Mrs. Gregor Nigh.

On Sunday afternoon, Sept. 15, Mr. and Mrs. L. N. Peterson gave a reception at their home for Laura, AFS committee members

Miss Laura Laghi

and the AFS high school chapter officers. Mr. and Mrs. Dominic Bertotti of Campbellsport were guests. Mr. Bertotti acted as an interpreter for Laura.

The chapter officers for the coming year are Charles Miller, president; Paula Petri, secretary; Giles Wierman, treasurer; Mrs. Ray Schaefer, home chairman, assisted by Mrs. Paul Albrecht; American abroad, Mrs. Charles Miller.

It is the hope of the AFS committee and the AFS high school chapter that a member of the junior class at Kewaskum will be sent abroad next summer. Applications for the American Abroad '64 Summer Program are now available from Dean Roe.

PUPILS HAVE DAYS OFF

There were no classes at Holy Trinity school on Thursday and Friday of this week to allow the Sisters to attend a teachers' institute in Milwaukee.

Kettle Moraine area provides additional revenue for business people. The area will eventually provide many miles of wonderful scenery for beauty loving motorists, recreation and fun, hiking, bridle paths, campsites, picnic areas, waysides, natural hills for skiing, tobogganing and other winter sports.

The association, comprised of an alert group of businessmen, is helping promote and develop the God-given, natural scenic wonderland we are fortunate in having right here. Copies of the brochure may be had at Kewaskum business places or by sending a stamped, self-addressed envelope to the Northern Kettle Moraine Recreation Association, Box 239, Kewaskum, Wis.

Random Lake Is Winner in Water Fight Tournament

The third annual water fight tournament for fire departments of this area was held in the Kewaskum park on Sunday afternoon starting at 2 p. m. This was the first year the event, with different departments acting as hosts, was held here.

More entries were expected but water fighting teams of eight fire departments participated in the competition. They came from Silver Creek, Random Lake, Fillmore, Campbellsport, Theresa, Kohlsville, Boltonville and Kewaskum.

First prize winner in the tournament was Random Lake, which team was unbeaten in the contest. Firemen from Silver Creek copped second place and the third spot winner was Boltonville. Each of these three top teams was awarded a trophy. Kewaskum's team was eliminated in the first round by Boltonville.

Judges for the event were fire chiefs Lawrence Staehler of Boltonville and Ervin Arndt of Random Lake. Bob Staehler served as field man. Each fight was two out of three falls and each fall had a two minute time limit.

Teams in the final fights were handicapped by a slippery footing of water and mud.

Sweet corn, bratwurst, hamburgers, popcorn and refreshments were served by the host department to the goodly number of spectators, visiting firemen and their wives and families.

The participating teams praised Kewaskum's facilities and cooperation for the tournament and expressed the wish that the event would be held here again next year.

**FIRE BURNS HOLE IN
ROOF ON ETTA FARM**

Sounding of the siren at 3 p. m. last Friday called Kewaskum firemen to the Earl Etta farm on R. 1, Kewaskum, northeast of the village. A blaze, believed to have been caused by sparks from the chimney, burned a hole in the roof of the Etta home. Luckily the fire was discovered early. There was no further damage.

Dinner-Meeting Is Held at Holy Trinity Parish

Kewaskum was host to the Badger Council Catholic Committee on Boy Scouting at a dinner-meeting held at Holy Trinity parish hall last Thursday evening, Sept. 12. A 6:30 p. m. beef dinner was served by the Ladies' Altar society of the church. Host chairman was E. "Mike" Gnacinski, assisted by William Key, Jr.

The Rev. John T. Budde, pastor, who served as host priest for the occasion, opened and closed the meeting with a prayer and also gave an inspiring message on Catholic Scouting. Father Budde had an opportunity to meet several old friends from his home town of Beaver Dam, including Joe Helfort, who was instrumental in getting him to join the Knights of Columbus.

The meeting was called to order by Alphonse "Mike" Meixensperger of Fond du Lac, vice-chairman of the Diocesan Catholic Committee on Scouting.

Thirty-three religious activities men from the Badger Council attended this meeting. Guests from Milwaukee included Roland Roller, chairman of the diocesan committee on scouting and four members of his committee, namely Ralph Drapp, vice-chairman of the diocesan committee on scouting; George Poetz, Milwaukee County Committee on Catholic Scouting; Alex Richardson, assistant chairman of the advancement committee, and Frank Guzinski, district camping and activities chairman.

25 Years Ago

Sept. 16, 1938

The severe electric storm and high winds Tuesday night did considerable damage, especially in the St. Kilian area, where trees were uprooted, blown across roads and blocking traffic. A number of barn doors were blown off and on the Mrs. Catherine Schmitt farm a silo was blown over.

Recent weddings included those of Gertrude Herriges and Andrew Roden, both of Kewaskum, R. R.; Malinda Butzlaff, Kewaskum, and Earl Landvatter, West Bend. Evelyn Schlosser, West Bend, and Russell Dickmann, town of Auburn; Kathryn Marx, Kewaskum, and Carl Malischke, Wauwatosa; Evelyn Schaefer, Kewaskum, and Oscar Albert, Horicon; Anna Volm, Kewaskum, and Gregor Ullrich, Campbellsport.

A number of Kewaskum students have left to attend colleges and other schools away. They include Patricia Buss, Prospect Hall, Milwaukee; Carroll Haug, St. Francis High school; Rosemary Haug, College of St. Theresa, Winona, Minn.; Mona Mertes, La Crose State Teachers college; Bob Rosenheimer, University of Wisconsin; William Mayer, St. Francis seminary; Doris Mae Rosenheimer, Beloit college; Charlotte Romaine, Milwaukee State Teachers college; Ralph Marx and Margaret Muenk, Marquette university; Harold Bartelt, Harry Koch, Louis Bath, Jr., Audrey Koch, Willard Bartelt and Ruth Schleif, Fond du Lac Business college; Orville Strachota of St. Kilian, Marquette university; Cyril Wietor of Wayne, Pio Nono High school, Milwaukee.

A E. Reif, state forest superintendent, has established office headquarters at the Kettle Moraine state forest ranger post at Mauthe lake.

A scarlet fever epidemic has reached such proportions in Newburg that Sheriff Leo Burg has assigned a special deputy to enforce the quarantine laws there. Dr. H. E. Weber of Newburg said there are 24 active cases in the village, several of them critical. The deputy assigned is Wm. Scott of West Bend, who in addition to policing, does shopping for the quarantined families.

Peter Esaman, 22, who was arrested in this village recently on a charge of drunkenness and dis-

orderly conduct, confessed to sheriff Leo Burg while confined to the county jail that he was on probation in Milwaukee county for forgery. Esaman was turned over to Milwaukee county officials.

Another tarantula was captured in Marx's confectionary store last week. While John Strachota, John Schaefer and a gentleman friend from Milwaukee were in the store Thursday evening, they noticed a large spider on the wall. Upon closer investigation it was found to be a tarantula. Mr. Marx was notified and after a hard struggle they captured it. This was the second tarantula captured here in a short time.

John Witzig had his lot in the Roenheimer addition excavated. He intends to move his house which he purchased recently from Geo. Kippenhan thereon.

Chas. Meinecke, Jr., while fishing with Henry Ramthun at Lake Fifteen Saturday, landed a large pickerel. The fish tipped the scales at 21½ pounds. This no doubt is one of the largest fish caught around here for some time.

WORKSHOP RECEIVES \$2,451 GRANT IN AID

Wilbur Schmidt, director of the state public welfare department, has announced a state grant in aid of \$2,451 for the sheltered workshop in West Bend.

The grant represents 40 per cent of the operating expenses of the workshop, which is sponsored by the Washington County Association for Retarded Children and the West Bend Kiwanis club.

Gil Busack, chairman of the Community Day Care Services board, a branch of the Washington County Association for Retarded Children, confirmed receipt of the grant.

Peony plants should be divided during September. They need dividing only once every 8 to 10 years.

Residents of Area Protest Expansion Of Kettle Moraine

The Wisconsin Conservation Commission's proposed expansion of Kettle Moraine forest areas brought strong objections from residents of five counties at a public hearing in the courthouse annex at Waukesha Wednesday evening.

The commission proposes to expand the northern unit from 26,000 to 43,000 acres, and the southern unit from 27,000 to 38,000 acres. The Pike lake unit of 1,400 acres would remain the same size but the boundaries would be realigned.

Emil Kaminski, Madison, a conservation department attorney who conducted the hearing, said that one of the purposes was to establish the forest boundaries as a matter of public record. He said that until now the boundaries have been informal, and not pinpointed.

The capacity crowd of 200 voiced its opposition so vigorously that at one point Kaminski had to rap for order and threatened to adjourn the meeting to silence heckling. Officials of various towns in which the state forest lies and numerous residents objected to expansion of the state owned land, claiming it took valuable land off the tax rolls.

They criticized the conservation commission for seeking additional land when it has done little to develop the land that it now has.

Officials said that town operating costs were not reduced when large segments of town land became public property, but that the taxes on the remaining land were increased.

The critics charged that the public areas posed problems of policing, fire protection and providing school services for residents renting homes from the conservation department, for all of which local municipalities received nothing from the state.

A resolution from the Kewaskum town board in Washington county said, "The excessive tax burden is not only retarding new building and improvement in the town, but has developed a feeling among property owners to sell and move to areas outside the Kettle Moraine forest."

Other town officials and residents said that the conservation department had not cut weeds in its vast areas or trimmed out Dutch Elm as private citizens were required to do.

Kaminski pointed out that not

all of the land within the forest boundaries would be purchased by the state and that it was a long range program.

BERG ATTENDS MEETING OF ARCHAEOLOGICAL SOCIETY

Oshkosh State college professor George E. Fay, accompanied by six students, attended meetings of the Wisconsin Archaeological society at Milwaukee this week.

Principal speaker at the program was Robert Hruska of the Oshkosh Public Museum, who showed slides and discussed his summer excavations at Riverside, Mich.

Students from Oshkosh State attending the meeting were Bob Berg, Kewaskum; John Garekis, Milwaukee; Marilee Ellsworth, Elkhorn; Thomas Regan, Helen Wyman and Joan Mueller, all of Oshkosh.

Fay is assistant professor of sociology and anthropology at Oshkosh State.

Annual Kiwanis Club Live Turkey Shoot on Sunday

EVENT AT BAR-N RANCH WILL
INCLUDE TROUT FISHING,
TRAP & DEER SHOOTING,
MAGIC PERFORMANCE

The Kewaskum Kiwanis club will sponsor its eleventh annual Live Turkey Shoot on Sunday, Sept. 22, at the Ban-N Dude Ranch, 6 miles northeast of Kewaskum on County Trunk GGG, the beautiful Kettle Moraine Drive.

Patterned after the historic turkey shoots which were so popular in frontier days, this fascinatingly interesting annual event has become an outstanding attraction. Thousands of men, women and children from all over the state attend as participants and spectators.

The Turkey Shoot is handled as follows: Large live turkeys are protected behind an earthen bunker at the end of the rifle range with only their heads exposed to the marksman. For a fee of \$1.00 for three shots, (four shots for a dollar on advance sale tickets) the marksman attempts to hit the turkey's head from the firing line, using a .22 rifle. The turkey he hits is the turkey he gets for the family larder. Rifles and ammunition are furnished.

tion are furnished.

A live trout fishing contest is another popular attraction. It offers fine sport for the pro and amateur alike. The angler keeps all the fish he catches. Additional prizes are offered for those catching the most fish.

Other events include trap and deer target shooting. Sportsmen desiring to enter these events may bring their own shotguns, rifles and ammunition. An authentic cross-bow direct from Switzerland will be used in a target event. Here's an opportunity for Robin-hood admirers to test their skill. In addition, there are games for every member of the family to enjoy. Shelter, hot and cold food and beverages will be available.

As a special feature this year, Fritzie, the Magic Man, whose slogan is, "Have Rabbit—Will Travel," will perform throughout the afternoon. Your children will be delighted by the antics of Russell, the invisible rabbit, who tries to steal the spotlight from Fritzie.

The shoot is sponsored by the Kewaskum Kiwanis club with all profits going to their youth and community benefit funds.

Norman Kaehne Killed in Crash

Norman Kaehne, 32, of Fond du Lac, brother of several Kewaskum residents, was killed early Saturday night when he was crushed in a car that crashed broadside into a barn west of Marblehead.

Kaehne was a passenger in an auto driven by Robert Flynn, Fond du Lac, which left a County Trunk V curve, ran through a field and crashed into the barn some 200 feet away. Kaehne died shortly after officers worked for nearly an hour to free him from the wreckage. Flynn, who said he was blinded by bright oncoming headlights on the curve, was taken to

the hospital with severe head and stomach injuries.

Norman (Cocky) Kaehne was born Sept. 20, at Campbellsport, the son of Leo and Agnes Serwe Kaehne and married Edith Warner in Manitowoc county on Feb. 14, 1953. He was employed by the MacIntyre Co., Fond du Lac.

He is survived by his widow, four sons, Norman, James, David and Daniel all at home; his father and step-mother, two brothers, Robert and Bernard Kaehne, Kewaskum; five sisters, Mrs. Lyle Manthei, Mrs. Gerald Thompson and Mrs. Elmer Giese, Kewaskum, Mrs. Arthur Kahut, Campbellsport, and Miss Diane Kaehne at home. His mother and two brothers predeceased him.

Funeral services were held Tuesday, Sept. 17, at a Fond du Lac funeral home with burial in Union cemetery, Campbellsport.

Miss Engeron Wed To William Boegel

In a 10 a. m. service performed on Saturday, Aug. 24, at St. Louis King of France church, New Orleans, La., Miss Barbara Ann Engeron, daughter of Mr. and Mrs. Ivey Joseph Engeron, 251 28th st., New Orleans, exchanged vows with William Mark Boegel, 5841 Colbert st., New Orleans, son of Mr. and Mrs. Oscar Boegel of the town of Wayne, R. 1, Allenton. The Rev. Marion Reid officiated at the ceremony, which was followed by a reception at the American Legion hall in Metairie, La.

The newlyweds are at home in New Orleans following a honeymoon to the mid-western states and Wisconsin. She is a student nurse at the Hotel Dieu School of Nursing. Mr. Boegel, a salesman for William B. Reily and Co., is a

graduate of Kewaskum Community High school.

The bride's floor length gown of peau de soie, trimmed with lace and pearls, featured a scoop neckline, short sleeves and a chapel train. A lace and pearl crown held her elbow length veil and she carried white roses and stephanotis centered about a white orchid.

Miss Lucy Mae Boegel was maid of honor, attired in a gown of yellow taffeta which had a fitted bodice, street length skirt, scoop neckline and short sleeves. A bow and a flower accented the skirt back. Her tiny pill box hat was surrounded with daisies and held a short veil. Identical ensembles in pale green were worn by the bridal aides, Virginia Grubb, Wanda Balestra and Diane Casebonne. All of the attendants carried cascade arrangements of daisies.

Attendants for the bridegroom were Daniel Joseph Engeron as best man and Gerard Grubb, Lambert Boegel and John Boegel as groomsmen. Ushers were Anthony Paternostro and Wayne Hess.

Woman's Club Opens
Season, Announces
Program for Year

With the distribution of its yearbook to its members, the Kewaskum Woman's club has announced its program for the 1963-64 season which will open on Saturday, Sept. 21, with Mrs. George Muller of Shorewood bringing a message on "Civic Improvement." Oct. 5 is the date for the annual fall luncheon and Oct. 30 will find the group attending a theater party. R. B. Roesler will come from Milwaukee on Nov. 23 to present "The Place of Women in A Changing World."

There will be a tour of homes on Dec. 21 and on Jan. 11 AFS student, Miss Laura Laghi of Forli, Italy, will make an appearance before the group. Miss Laghi recently arrived in Kewaskum for a year's stay, living with the Gregor Nigh family and attending the Kewaskum High school as a senior.

Philip Beisbiers
Note 50th Wedding

Mr. and Mrs. Philip Beisbier of near St. Kilian observed their 50th wedding anniversary on Monday, Sept. 16, with a Mass of Thanksgiving read by the Rev. John B. Reichel in St. Kilian's church, St. Kilian.

Mr. Beisbier and the former An-

na Jaeger were married at St. Martin's church, Ashford, on Sept. 16, 1913, by the Rev. Theodore Toeller. They have lived at the Beisbier farm since their marriage, and have a son, Byron.

A daughter-in-law, Beulah and three grandchildren, Philip, Pamela and Kathy Sue, round out their immediate family circle. Mr. Beisbier's brother, M. K. Beisbier, a resident of Campbellsport, was one of the attendants at the ceremony 50 years ago.

Mr. Beisbier is presently convalescing at his home from injuries he sustained at a farm accident at the home of his son.

Total acreage of late summer potatoes in Wisconsin is about the same as last year—around 20,000 acres, according to John Schoenemann, University of Wisconsin vegetable crops specialist.

STATE DISCONTINUES PAYMENT OF BOUNTIES

ATTENTION BOUNTY HUNTERS: The Governor on Sept. 11, 1963 signed the Conservation Commission 1963 - 1965 budget bill. The bill was published on Sept. 14, so is effective on that date.

The bill as passed by the Legislature and signed by the Governor repeals Section 29.60 (1), (2), (3) and (4) which was the statutory authority for the Conservation Department to pay bounty claims. The statutes, thus effective as of Sept. 14, no longer authorize payment of bounties by the Conservation Department.

There are three separate sets of hunting regulations issued for the fall and winter of 1963-1964, big game, small game and migratory waterfowl. Each set shows the HUNTING HOURS FOR THE ENTIRE STATE. This indicates the time that one may start to shoot in the morning and the time to stop in the evening from Sept. 21 to Feb. 29, 1964.

Let's make this hunting season the safest ever! While you are preparing your equipment and your dog, spend some time preparing yourself to be careful, and not get involved in a hunting accident. Remember firearms are as safe as the person using them permits them to be.

These simple rules, if carefully followed, will go a long way in preventing accidents.

1. TREAT EVERY GUN AS THOUGH IT WAS LOADED. "I didn't know it was loaded", will not bring a hunting companion or a friend, or relative back to life.

2. NEVER CARRY A LOADED GUN IN AN AUTOMOBILE, OR INTO YOUR CAMP OR HOME. Be sure all cartridges are removed from chamber and magazine.

3. BE SURE THERE IS NO OBSTRUCTION IN THE BARREL OF YOUR GUN. Many a fine weapon has been ruined by the fact that some shooter failed to check the barrel of his gun for obstructions. Indeed the shooter who blows up a barrel and is not injured is very lucky.

4. ALWAYS CARRY YOUR GUN SO THAT YOU CAN CONTROL THE DIRECTION OF THE MUZZLE. After all, that is the portion of the gun which is dangerous.

5. BE SURE OF YOUR TARGET. Don't take it for granted that a feather sticking up above a log is a pheasant or a partridge and blast away. It may be the feather of a quiver of a bow and arrow hunter who is hid in a clumb of bushes waiting for a deer to come along.

6. NEVER POINT YOUR GUN AT ANYTHING YOU DO NOT WISH TO SHOOT. The best of us are absent minded at times and we may have forgotten to put the safety back on.

7. NEVER LEAVE YOUR GUN UNATTENDED UNLESS YOU UNLOAD IT FIRST. Usually, the gun will stand there without being disturbed; but if it should fall, one thing should always be remembered — that in the major-

ity of cases the safety on a gun does not make it safe. In most guns all the safety is, is a block of steel which prevents the trigger from being pulled.

8. NEVER CLIMB A FENCE OR A TREE WITH A LOADED GUN IN YOUR HAND. If you do fall, you are only inviting disaster.

9. NEVER SHOOT AT A FLAT, HARD SURFACE OR ON A SURFACE OF WATER. With the bullet striking at a flat angle or a flat surface in the majority of cases they will ricochet and travel off in some unguided direction.

10. DON'T MIX GUN POWDER AND ALCOHOL. We have all seen time and again the terrible results from mixing alcohol and gasoline and the results are just as bad when a hunter goes into

the woods with a bottle in one hand and a gun in the other.

If hunters will follow the practice of preparing themselves mentally and will be determined to prevent accidents as they prepare their equipment, etc., for the coming hunting season and will follow the few simple rules mentioned here, I am sure that we will be able to reduce the annual accident rate immeasurably.

COUNTY AGENT NEWS

By MAURICE J. HOVLAND
Washington County Agent

CONSERVATION FIELD DAY

We are calling your special attention to the conservation field day scheduled for Thursday, Sept. 26. Meet in front of the old court house at 10 a. m. We will make six stops during the day. We will be having our lunch at Newburg. This is a very definite part of agriculture today and we cordially invite all farmers to participate in the tour. We'll see strong evidence of the erosion that exists; will also see some very fine evidence of how to control it.

CHECK EAVE SPOUTS

If the fall rains ever begin to occur, we suggest that all home owners take very careful views of the eave spouts on their homes. This means taking all of the residue, such as leaves and twig and tree seeds out of those rain gutters so that water can move through them thoroughly. Remember that as all this residue accumulates in the eave spouts, it does three things. First of all, the residue collects moisture. This gives added weight to the eave spout and it could easily come loose and fall down; secondly, with all this water, it is bound to rust the eave

spout and third, when it rains and a heavy runoff occurs from your roof, the water cannot move from the eave spout into the down spouts and you literally have no rainspout at all. We suggest keeping a careful eye on those eave spouts and keeping them cleaned out.

PRUNING SHRUBS

When should I prune my shrubs? Wait until fall. We recommend waiting until the heavy frost and until the leaves fall off. Then you will not stimulate new growth. Furthermore, you can see what you are doing and there is less weight to handle. Now you can cut off the dead matter but the heavy pruning should not be done before the first real hard killing frost.

about 2,000 more farmers have joined PMPC in the last year. Miller stated that there is still a large amount of surplus, not only in Wisconsin but in the nation as well. He also gave his views on the Class I sales and support price and also reported on some of the other federal orders. He explained that the blend price should raise since the base and excess price has been dropped, also some of the other bills we have put into congress.

Donald Uelmen, state director of District 5 of Pure Milk Products Co-op, gave the financial report. The organization is in very good financial condition. A question and answer period followed the report.

A dairy lunch followed the meeting and also an entertainment period which featured Miss Gloria Eichstaedt, R. 1, Slinger, who played the guitar, and Miss Shirley Herther, also of Slinger, who played the accordion.

Others from PMPC represented

were Herbert Stillman, Jim Locke, Arthur Miller and Tom Hays of Fond du Lac; Robert Johnson, fieldman, of R. 3, Campbellsport, and Calvin Kraemer, Richfield, and Donald Uelmen, Eden, R. R., directors.

New officers, directors, delegates and alternates of the five locals were elected. Members of the Kewaskum local elected were as follows:

Board of directors—Delton Wery, West Bend, president; Orin Peters, West Bend, vice-president; Howard Proeber, R. 3, West Bend, secretary. Directors—Alton Schrauth, Allenton; Raymond Boegel, Campbellsport; Joseph Schmidt, R. 1, Allenton; John Hembel, R. 4, West Bend; Walter Theusch, R. 1, Allenton. Delegates—Wery, Boegel and Gerhard Seefeldt, Theresa. Alternates—Schrauth and Hembel.

Hintz Resigns As Welfare Director; Whittlinger Named

Announcement was made the past week by Ray Bast, chairman of the Washington County Board of Public Welfare, that Robert G. Hintz, West Bend, director of the county public welfare department, has resigned his position to accept a position as case work supervisor with the Madison Catholic Welfare Bureau, effective Oct. 1.

Charles Whittlinger, case work supervisor for the county department since July 1, has been named to succeed Hintz as director. He has had eight years of experience with welfare departments in Eau Claire and Shawano counties.

Hintz has been director of the county department since April 1, 1955, except for a leave of absence from September, 1959, to June, 1960, for additional studies. The Hintz family has been residing at 738 Pennsylvania ave. in West Bend.

N. Fondy Edges Indians on Late Score, 21 to 20

ORIOLES COME FROM BEHIND, SCORE IN LAST MINUTE TO PULL OUT OPENER

North Fond du Lac opened its bid to unseat Pewaukee as Scenic Moraine conference champion successfully and Kewaskum's hopes of doing the same were jolted when the Orioles narrowly squeezed out a 21-20 victory over the Indians in the opener here Friday night.

The Indians surprised and came mighty close to upsetting North Fondy, one of the pre-season favorite to cop the title. It was a heartbreaker for Kewaskum to lose after going way ahead in the first half and leading all the way until the closing minute.

The visitors trailed the Indians, 14-0, in the second quarter but came back to score the winning touchdown on Tom Scherg's three-yard run with just one minute left in the game. Scherg's score erased a 20-15 Kewaskum lead and snatched a win from the latter's grasp. The never-say-die Indians still wouldn't give up. With only seconds remaining they completed a pass and the receiver went all the way to the eight yard line before he was tackled just short of the goal at the final gun. Just a few more yards or time for another play and they still could have pulled victory out of the fire.

Bob Miller passed to Coulter for seven yards and Coulter ran one

yard, with Miller converting after each score to give Kewaskum its early lead. Tom Kohl's safety and Scherg's pass to Rich Groeschel for 24 yards on the last play of the first half, another tough break, made it 14-8 at the half.

Scherg, junior quarterback, sneaked one yard in the third quarter to score and Anderson's extra point gave the Orioles the lead at 15-14. Kewaskum then went ahead for the final time when Miller passed to Kadinger for 31 yards. This set the stage for Scherg's winning touchdown dash.

Fondy rolled up 217 yards rushing and added 92 passing. Kewaskum had 103 rushing and 118 passing. Don Lamb led the Orioles with 119 yards in 13 carries. Coulter had 61 yards in 20 tries for the Indians. Bob Lamb, a line-backer and cousin of Don, was a defensive standout for the Orioles.

On Friday of this week, in an afternoon game, Kewaskum played at Germantown, which team blasted Slinger last week, 24-0.

West Bend Magician Wins Houdini Award

DICK MEHRING TO PERFORM AT KIWANIS TURKEY SHOOT SUNDAY

Richard Mehring, 923 N. 18th ave., West Bend, was awarded the first place prize for an original effect presented last week end at the 25th annual convention of the Houdini Club of Wisconsin. Mehring was competing with magicians from throughout the midwest during the 3-day conclave held in Appleton. Previous Houdini Club awards were won by him in 1957 and 1961. In 1959 he received awards at the Netherlands Magical Congress in Enschede, Holland, and the Festival of Magicians in Bocholt, Germany.

It was at the Holland gathering that Mehring met Russell, an invisible rabbit, who now acts as his

assistant. However, it took two years before Russell could obtain the necessary immigrant visa to enter this country. He now has fully mastered the English language and takes an active part in programs performed by "Fritzie, the Magic Man," Mehring's character for children.

Well known for his many appearances in this area, Mehring entertains regularly at fraternal and service meetings, schools and other private affairs. A third figure soon to enter his troupe will be his wife, Jean. However, the exact time depends on how long it will take to make her invisible.

Mehring will perform throughout the afternoon at the Kewaskum Kiwanis club's annual live turkey shoot at the Bar-N Ranch this Sunday, Sept. 22.

Good old corn field—about the only thing left that can be shocked.

Some important information for every man who will need a new truck within the next 12 months

New Chevrolets are a lot more truck than your money bought the last time. Here are some of the things that have been done to give you more value for practically the same investment.

Double-wall construction. This feature of Chevrolet cabs and the Fleetside pickup body has two advantages. Insulation and sound-deadening material is sandwiched between the two layers of steel in the cab to give you more comfort; in the body, the inner wall acts as a buffer against load damage, preserving the outer appearance of the truck.

Suspension to fit the truck. You get a much better ride in every size Chevrolet truck today than you used to.

Conventional half- and three-quarter-ton models have independent front suspension with variable pitch coils in the rear. Variable pitch coils do not "bottom out" as readily.

Mediums and heavies have I-beam suspension with variable-rate leaf springs. This variable-rate leaf-type suspension automatically stiffens as the load increases—and vice versa. It means a smoother, flatter ride regardless of load, a better handling truck.

The right engine. Chevrolet has been building truck engines since 1918 but never has it been in better position to give you the type and size you need for maximum efficiency. Today there are many different capacities of gasoline and diesel Chevrolet truck engines—fours, sixes, V8's.

Stronger frames. Every conventional 1964 Chevrolet truck has a ladder-type frame. Formerly used on heavier trucks only, this type is more resilient, better able to give with the load and terrain, to stand up

under stress. Its simple design also makes it easier to mount special bodies on the truck. Its riveted side rails are stronger.

Greater model selection. This time you're going to find it a simple matter to pick the exact type of Chevrolet truck for the kind of work you do. In delivery trucks, for instance, in addition to regular panels and pickups, we have eleven different sizes of ready-made walk-in vans, some with full-width rear doors.

There are also the Corvair 95 vans with the air-cooled engine in the rear. And the Corvair 95 Rampside with its exclusive side-loading feature. These trucks have more power this year.

In the medium- and heavy-duty area there are stakes, tilt cabs, low-cab-forward models and cab-and-chassis units to suit almost any requirement—including school bus bodies of up to 66-passenger capacity.

Dump truck operators now can order a Chevrolet tandem with either gasoline or diesel power.

Quality and value. Chevrolets today are a lot more truck than your money bought the last time, and yet the price tag is just about the same as 5 or 6 years ago. Call your Chevrolet Dealer for information or for a demonstration.
