KEWASKUM, WISCONSIN, FRIDAY, OCT. 4, 1963

NUMBER 48

Fire Department's New \$28,000 Pumper Will Be Shown at Open House Sunday

The Kewaskum Fire Department's new fire engine-pumper, purchased at a cost of approximately \$28,000, including the equipment, which was delivered on Wednesday of last week, will be shown to the public for inspection at an open house to be held at the fire station in the municipal building on Sunday, Oct. 6, from 1 to 5 p. m. Free coffee and doughnuts will be served.

The pumper, a Clintonville four-wheel drive, was purchased from the Boland Truck and Equipment company of Milwaukee. This new piece of equipment was tested last Friday by officials of the Boland company and the Wisconsin Rating Bureau and the apparatus was proven to be in 100 per cent operating order. The pumper, the latest in fire fighting equipment, will be put into service by the fire department some time next week. By that time all of the fire fighting equipment will be installed on the truck and firemen will have been instructed and trained in the operation of the pumper.

The new fire engine is shown above in front of the fire station. In the photo Fire Chief Armin Oppermann is pointing out the intricate pump panel to Village Presi-

dent Wayland Tessar. Other firemen shown, left to right, are Assistant Chief William Martin and the members of the equipment purchasing committee of the department, Harry Heinecke, Willard Manthei, Lee Honeck, Ted Rohlinger and Bob Ours. This equipment committee was appointed about two years ago to study specifications for a new fire truck.

Sunday also appropriately marks the beginning of Fire Prevention Week and is a fitting time for the public to visit the fire station and inspect the new engine. In conjunction with Fire Prevention Week the Kewaskum Mutual Insurance company has arranged for the sale of Underwriters' Laboratories approved fire extinguishers at cost price to the public. These extinguishers are not the dangerous, outmoded carbon tetrachloride ones but the new, safe and proven pressurized dry chemical extinguishers. You can sign up for one of these extinguishers at the fire station Sunday and also at the Kewaskum Mutual insurance office all next week. They will be on display at a number of local business places during Fire Prevention Week.

The new pumper will deliver 1,000 gallons of water per minute and is equipped with the latest in nozzles and extinguishers. It carries 500 gallons of water and has a Waterous pump. The hose bed is capable of carrying 1,500 feet of 2½ inch hose and 800 feet of 1½ inch hose. It has a Waukesha 300 horsepower motor equipped with twin ignition and twin carburetors. It also has a public address system used for giving orders and controlling crowds. The truck contains two ladders, a 35 foot extension ladder and a 14 foot roof. The cost of this new equipment will be approximately \$28,000, of which amount the fire department will absorb over 50 per cent. The department receives its monies from the annual picnics and other sponsored events, which they turn back to the community for the purchase of fire equipment.

The volunteer department now has a total of three engine-pumpers and one tank truck which carries 1,800 gallons of water and is used in rural fires. The department also operates an ambulance service to serve the surrounding community.

(Walter Buss photo)

LOCAL STUDENTS ENROLLED AT PLATTEVILLE COLLEGE

Two students from the Kewaskum area are part of the 2,504 now enrolled on the campus of the Wisconsin State College and Institute of Technology at Platteville.

Following its usual pattern of male dominance, 705 of those enrolled are women and 1799 are men. There are 1,176 in the school of education, 854 in arts and sciences and 474 in engineering.

From the Kewaskum area are William Koepke, son of Mr. and Mrs. Carnel Koepke of Kewaskum, and Edward Ferber, son of Mr. and Mrs. Edward Ferber of Campbellsport.

Births

RAETHER—A son to Mr. and Mrs. Ralph Raether, R. 2, Kewaskum, Thursday, Sept. 26.

THOMPSON—A son to Mr. and Mrs. Gerald Thompson, 1330 River View dr., Kewaskum, Sunday, Sept. 29.

Hospital News

Robert Staehler, Kewaskum, submitted to an operation on his knee at St. Joseph's Community hospital, West Bend, on Wednesday, Oct. 2. He entered the hospital Tuesday.

Mrs. George Brandt, Kewaskum, submitted to an operation on her arm at St. Joseph's Community hospital on Wednesday.

Vincent Groh, Kewaskum, returned home Thursday from St. Joseph's Community hospital, where he submitted to medical treatment the past week.

Mrs. Martin Breseman, Kewaskum, is a patient at St. Agnes hospital, Fond du Lac, since last week.

PTA MEETING TUESDAY

The Kewaskum Elementary PTA meeting will be held on Tuesday evening, Oct. 8, at 8 p. m. Lazlow Martin, formerly of Czechoslovakia, will speak on Communism.

FIRE DEPT. TO SPONSOR COURSE IN FIRST AID

The Kewaskum volunteer fire department is sponsoring a class in first aid beginning Tuesday, Oct. 8, at 7:30 p. m. at the municipal building. The course will include special emphasis on heart massage and mouth to mouth resuscitation. Red Cross certificates will be issued at the completion of the course. Both men and women are welcome to avail themselves of this opportunity.

4-H BAKE SALE

A bake sale sponsored by the Kewaskum 4-H'ers will be held at the Labor Center on Saturday afternoon, Oct. 12, at 2 o'clock. Everyone welcome. 10-5-2

Marriage Licenses

Sept. 25—James I. Zautner, West Bend, and Joanne Judith Backhaus, R. 2, Kewaskum; wedding Sept. 30.

Schultz Village Inn Is Sold

In a business transaction completed last week, Mrs. Gertrude Schultz, proprietress of Schultz's Village Inn on Fond du Lac ave., sold her restaurant business to Mrs. Ruth Campbell of R. 2, Kewaskum, who took possession of the business Tuesday, Oct. 1.

Mrs. Schultz had conducted the restaurant for the past nine years. It is located in the Maaske building on North Fond du Lac ave.

Mrs. Campbell will continue to operate the business under the same principles and with the same help for the present. She has been employed as a waitress by Mrs. Schultz for the past 2½ years and is well qualified to take over the restaurant. The new owner extends a cordial welcome to the public and invites their patronage.

COUNTY PTA COUNCIL HOLDS WORKSHOP HERE

The Washington County Council of Parents and Teachers met Wednesday evening at 8 o'clock at the Kewaskum elementary school. The program was primarily a workshop for all new PTA officers and chairmen of standing committees. All delegates and interested PTA members were invited.

FIREMEN SNUFF OUT GRASS FIRE TUESDAY

The fire department answered a call to the Mrs. Lorinda Schaefer home at 384 Third st. at 3:20 p. m. Tuesday to snuff out a grass fire. The blaze started around a rubbish burner in the yard and spread to grass and brush at the rear of the property. There was no damage.

Immunization of School Children To Begin Oct. 8

INJECTIONS TO BE GIVEN IN OFFICES OF DOCTORS THROUGHOUT COUNTY

The immunization program this year will be held on Tuesday, Oct. 8, Tuesday, Nov. 5, and Tuesday, Dec. 3, from approximately 3:30 to 5:30 p. m. in the individual doctors' offices throughout Washington county, except Drs. R. S. Fisher, Allenton, and W. C. P. Hoffmann, Hartford Dr. Fisher is scheduled for Tuesday, the 8th, 3:30 to 5 p. m., but he will be in the basement of Sacred Heart church. Dr. Hoffmann will use his office but his date is Wednesday, Oct. 9, 9 a. m. to 5 p. m. No appointment will be necessary.

Protection against diphtheria, tetanus and whooping cough will be offered to children of school age. The cost will be 50 cents cash for each injection.

For children under six years of age who have never had any protection, one injection must be given each month for three consecutive months. For children six years and older who have never been immunized, one injection must be given each month for two consecutive months.

For children who have had initial protection, a booster immunization is suggested every three to four years.

Further details and instructions will be sent home with all school children. If there are any additional questions, contact the Washington county public health nursing service at the courthouse annex in West Bend, FE 4-3491.

Homecoming King and Queen

Michael Coulter was chosen king of the festivities by his fellow teammates for the Kewaskum Community High school homecoming Thursday and Friday, Oct. 3 and 4. He selected Colleen Held as his queen.

The parade and pep rally was held on Thursday starting at 7:30 p. m., followed by the football

game with Campbellsport at 7 p. m. Friday and dance in the high school gymnasium from 9:30 p. m. to midnight. The Topatters orchestra of Waukesha was engaged to furnish music and the theme chosen for this year's homecoming was "Autumn Leaves."

(Miller Studio photo)

25 Years Ago

Sept. 30, 1938

Mrs. John Van Blarcom returned from St. Agnes hospital, Fond du Lac, where she was confined two weeks. Ray Ziemet, 27, submitted to his second operation within a year at St. Joseph's hospital, West Bend.

The village board granted Lester Dreher a liquor license to operate a tavern on the northeast corner of First st. and Fond du Lac ave. The board also accepted the bid of the Westinghouse Electric Supply Co., amounting to \$2,179.18 for a new street lighting system.

The Rev. Raymond J. Kelly, pastor of St. Mary's Catholic church, Cascade, was instantly killed when his car crashed head-on into a truck on Hwy. 57, 1/2 mile south of Adell. The day marked his 45th birthday. Fr. Kelly was well known in this area and also had charge of St. Michael's church in the town of Mitchell. Marvin Gruel, Green Bay, was driver of the truck.

John and Joseph Klumpjan, who are employed on the Harter home-stead in the town of Auburn, have applied for passports to Germany. The young men, recently made citizens of the United States, expect to leave for their native country soon. Rudolph Kolafa, New Fane tavernkeeper, has filed for a passport to Czecho-Slovakia and intends to sail in the near future.

Mr. and Mrs. Lester Kohn, who reside above the former John F. Schaefer garage on West Water st., are building a new home in the Stark addition on E. Main st. Mr. Kohn is employed by the A. G. Koch firm.

Rev. Richard M. A. Gadow, pastor of Peach Ev. church, left on a trip to California, Mo. to visit his parents, Mr. and Mrs. F. Gadow. He will also visit relatives at Kansas City, St. Louis and the Ozark Mission in Missouri.

Purchase of 1,528 acres of additional land in the Kettle Moraine state forest, part of which is located several miles northeast of Kewaskum, has been given approval and the land will become state property as soon as the necessary legal papers are filed. The purchase will give the state 2,328 acres in the Kettle Moraine area. Recent purchases more than double the land now owned by the state around Mauthe lake in the

town of Auburn. As many as 400 people have visited the Mauthe lake section on a Sunday.

FIFTY YEARS AGO

Sept. 28, 1913

Chas. Backhaus of the town of Kewaskum shipped one of his valuable steers to the Gustave Pabst dairy farm. He sold it to Mr. Pabst of Milwaukee about two weeks ago.

Considerable excitement prevailed Tuesday morning when an auto driven by Dr. N. Edw. Hausmann and a rig belonging to the firm of L. Rosenheimer general merchants, driven by Walter Schneider, an employee, collided on the crossing at the intersection of Fond du Lac ave. and Main st. The doctor, with his car, was going northward around the corner, while Mr. Schneider was going southward. As there were wagons on both sides of the road, the passage was very narrow and also hid the sight of each other approaching. When the doctor noticed the danger he set his brakes and wanted to reverse his engine, but by so doing choked same. Mr. Schneider, seeing the danger, turned his horse to one side, but it became unmanageable and jumped onto the front part of the auto, forcing its head through the windshield, completely demolishing same. Other damages to the machine were broken lamps and bent fenders. No one was injured.

Homemaker Notes

COUNTRY COUSINS

We held our meeting on Sept. 24 at the home of Mrs. Therese Oelhafen. The flower and weed arrangements brought by the members made her dining room table bloom with color.

Mrs. Vern Dahlman, our new president, and Mrs. Sally Reindl, our secretary, reported on fall council. We were given forms to be signed by our doctors for the health contest. The special projects were listed. The scholarship and Pennies for Friendship were

also explained.

Mrs. Gladys Ramel, health officer, reported on the health check-ups including cancer test and tetanus shots.

Mrs. Doris Prost, past president, offered to keep up a scrapbook for the club. She will paste in the monthly newspaper articles and yearly snapshot of our members.

After the meeting adjourned the project leaders, Mrs. Vern Dahlman and Mrs. Margaret Becker, gave us many pointers in the arranging of attractive displays of both flowers and weeds. As usual there was very wide range of subject matter and many types of arrangements. Asters, dahlias and gladiolas were some of the live flowers. Milkweed pods, goldenrod, cattails, bittersweet and ragweed were some of the weeds used. The suggestion was made by the project leaders to keep main interest items in odd numbers if we were unsure of ourselves. We thoroughly enjoyed the project and would have liked to have even more instructions on using the many weeds and flowers available.

Our hostess served delicious barbecues and pickles and coffee. The next meeting will be at the home of Mrs. Helen Oelhafen on Oct. 22.

Mrs. Jeanne Otten, Reporter

MEETING OF NURSING SERVICE VOLUNTEERS

On Tuesday, Oct. 8, at 8 p. m., in the courthouse auditorium at West Bend, the initial meeting of volunteers will be held by Washington county's public health nursing service.

The procedure for vision screening will be discussed and demonstrated. Dr. W. E. Scheunemann will be guest speaker. At this time the purpose and function of a volunteer corps will be explained.

This is an opportunity to serve

your community and schools. Anyone interested in this project is invited to attend. All areas served by the Washington county public health nursing service are included.

—ks—

Give your spring-blooming perennial plants more room this fall and they'll produce more flowers next year, says Lou Berninger, flower specialist at the UW.

Jane Olshefske, Richard Romaine Wed on Saturday

Trinity Lutheran church at Waukesha was the scene of a nuptial ceremony performed by the Rev. Clayton Krug at 7 p. m. on Saturday, Sept. 28, during which Miss Jane C. Olshefske, 2404 Fifth st., Monroe, daughter of Mrs. Charles Olshefske and the late Mr. Olshefske of Waukesha, became the bride of Richard L. Romaine, 1218 21st ave., Monroe, son of E. M. Romaine and the late Mrs. Romaine of Kewaskum.

Soloists at the ceremony were Mrs. Charlotte Faulkner, sister of the bridegroom, who sang "The Wedding Prayer" and Dale Kammueller, Waukesha, who sang "The Lord's Prayer." They were accompanied at the organ by John Stewig, Madison, a friend of the bride.

Presented in marriage by her godfather, Sylvan Krauss, the bride wore a self-made and self-designed floor length gown of ivory brocade and peau de soi. The fitted bodice featured a jewel neckline and elbow length sleeves. A single peau de soi rose formed the detail at the waist from which draped a chapel length train of the same material. A fingertip veil of ivory silk illusion was fastened to a tall pillbox of brocade. The bride carried a cascade bouquet of white mums and stephanotis.

Miss Mary Lou Chase, Waukesha, a friend, was honor attendant for the bride. She wore a floor length gown of willow green peau du soi featuring a lace jacket. The headpiece was a small pillbox of peau de soi with lace appliques. Mrs. Alice Stormshak, Madison, a friend of the bride, and Miss Nancy Romaine, Davenport, Iowa, a niece of the bridegroom, served as bridesmaid and junior bridesmaid respectively. Both wore gowns identical to the honor attendant. All carried bouquets of yellow and butterscotch mums.

Curt Romaine, Davenport, Iowa, served as bet man for his brother and Paul Landmann, Madison, a friend of the bridegroom, was groomsman. Ronald Falkner, Milwaukee, a cousin of the bride, was an usher along with Frank Marose, Waukesha.

The mother of the bride wore a cranberry, double knit sheath

with pink detailing at the jewel neckline and waist. Her feather pillbox hat was also in cranberry. She wore a corsage of pink spider mums.

A reception followed at the church with Miss Marilyn Schnettler, Milwaukee, in charge of the guest book and the Misses Gayle Sohr and Katherine Janka, both of Waukesha, and Mary Hart, Milwaukee, serving.

Following a northern Wisconsin wedding trip, Mr. and Mrs. Romaine will reside at 2404 Fifth st. in Monroe. The bridegroom, a graduate of the University of Wisconsin, Madison, where he majored in speech, is a newsman and staff announcer at WEKZ, Monroe. His bride is a graduate of the University of Wisconsin School of Nursing and also received her Bachelor of Science degree there. She is a Green county public health nurse.

Buswell At Driver Education Workshop

The State Department of Public Instruction cooperated with the State Board of Vocational and Adult Education and the Wisconsin Driver Education association in sponsoring and conducting six one-day driver education workshops.

South Milwaukee was chosen as one of six locations. Earl Buswell, driver education teacher at Kewaskum Community High school, attended this workshop. William T. Richards, supervisor of driver education in the Department of Public Instruction, was the traveling-coordinator.

Frazier Damron, University of Wisconsin professor of the Research and Safety Education program; William Marvin, traffic engineer of the Wisconsin division of the American Automobile as-

THANKS

Mrs. Gertrude Schultz wishes to extend her sincere thanks to the public for their patronage the past nine years at Schultz's Village Inn.

sociation; Keith Stoehr, director of the multiple-car-plan, Kenosha Vocational school; and Francis H. Hanson, publicity director, American Family Group, were the principal speakers at the workshops.

Research in driver and traffic safety education, traffic engineering, multiple-car-plans, and automobile insurance were topics which were discussed by the previously mentioned specialists.

These workshops were located in five high schools and one vocational school throughout our state so that all teachers, school administrators, and other interested persons could attend.

The purpose of these workshops was to bring new ideas and materials to teachers and to refresh old ideas. Teachers were also provided with an excellent opportunity to ask questions of specialists, to discuss problems, and to exchange ideas with other teachers and school administrators.

Also through panel discussions, made up of new and experienced high school driver education teachers, those teachers and school administrators in attendance were encouraged to raise questions and discuss possible practical solutions to their individual school problems with the specialists pre-

sent and the high school driver education teachers who participated as panel members.

New Prospect

Mr. and Mrs. Walter Jandre spent Wednesday and Thursday at Marinette attending a meeting of the various members of the town board.

On Saturday Mr. and Mrs. Richard Trapp spent the day with Mr. and Mrs. Ruben Backhaus to help celebrate the latter's birthday.

Mrs. Frank C. Meyer and daughter, Mrs. Wm. Robertson of Milwaukee, were dinner guests of Mr. and Mrs. George H. Meyer on Tuesday. Dr. and Mrs. A. Rhode of Kenosha also called in the afternoon.

Saturday evening Mr. and Mrs. Walter Jandre, Mr. and Mrs. Kenneth Jandre and family attended the birthday celebration of Mrs. Rubin Backhaus.

Mr. and Mrs. Gordon Krueger, and three children, Mrs. Gust Krueger and Mrs. Peterson of Milwaukee and Mr. and Mrs. Norbert Uelmen and daughter Pattie of Campbellsport called on Mr. and Mrs. Jos. P. Uelmen on Sunday

afternoon.

Mr. and Mrs. Walter Jandre, Mr. and Mrs. Kenneth Jandre, son Tommy and daughter Barbara visited Mr. and Mrs. Bill Barrett at West Bend Friday evening. Barbara remained for a week end visit while Ricky Barrett returned with his grandparents to visit for the week end.

Mr. and Mrs. Frank Klosterman and Mr. and Mrs. Frank Adashun attended the concert of the chanters at West Bend McClain school Sunday afternoon.

On Saturday Mrs. Frank Klosterman attended the Baptist Assembly at Green Lake.

BUILDING PERMITS

Building permits issued at the office of the county clerk included the following in this area:

Len and Rog Shell Station, R. 2, Kewaskum, outdoor sign, Sec. 22, Town of Kewaskum.

Sylvester Schmidt, R. 2, Kewaskum, shed, Sec. 8, Town of Kewaskum.

Richard Stern, R. 1, Kewaskum, add bath to dwelling, Sec. 3, Town of Kewaskum.

This country loses about 3,360 churches each year to fire.

Owners of Real Estate in Washington County Take Notice!

On October 15, 1963, and the next succeeding days, Robert J. Klein, Treasurer of Washington County, will, at the courthouse at West Bend, Wisconsin, sell to Washington County so much as may be necessary of each tract of land upon which the taxes have been returned as delinquent and are on said date still unpaid, for the payment of the taxes and interest due thereon. This sale will include all real estate listed in the county treasurer's official records of delinquent taxes for the tax levy year 1962, except public lands held on contract and lands mortgaged to the state. If you are in doubt as to whether the taxes on your land are paid, consult the county treasurer.

Pay Your Taxes Now

By so doing you will prevent sale of your property for taxes and you will stop the further addition of interest charges.

THIS SALE IS NOT OPEN TO THE PUBLIC. THE COUNTY WILL PURCHASE THESE DELINQUENT TAXES.

County Youth Study Group Meets, Elects

The Washington County Youth Study Council met at the court house in West Bend on Monday, Sept. 23. Officers elected for the coming year are as follows:

Father Charles Wester of West Bend, chairman; Miss Helen Degner, Washington county nurse, vice chairman; Bernard Wenninger, assistant principal of Washington Union High school in Germantown, secretary-treasurer.

The emphasis in this year's program will be on establishing greater communication among the various professional groups represented, so that the role of the schools, churches, law enforcement, health and welfare agencies, and other groups represented on the Youth Study Council will

be better understood by all. In this way the individual groups will know more of each others efforts in helping young people, and may be able to enlist each others support in special problems.

The Youth Study Council will hold its meetings on the second Thursday of each month at 4:00 p. m. at the new court house in West Bend this year. Any persons or groups interested in the youth of the county are invited to attend and participate in the meetings.

On Thursday, Oct. 10, Darrel Langman of the Guidance Clinic will discuss its contact with young people and how it deals with some of the problems they face.

Presides At Registers In Probate Session

Miss Lucille K. Francke, appointed Washington county official, recently presided at the annual convention of the Wisconsin Registers in Probate held at the Claridge Motor Inn, Rhinelander, on Sept. 19 and 20.

The main speaker on an outstanding two day program was the Honorable Joseph W. Wilkus, county judge of Sheboygan county, who covered statutory areas of the probate branch of county court.

Attorney David L. Walther of Milwaukee, and author of articles appearing in Wisconsin Continuing Legal Education magazine, spoke on "Appeal from the County Court Probate Division" and panel discussion committee members were the Hon. Carl Flom, county

judge of Dane county; Henry Hillemann, executive secretary of the State Judicial Council and Eugene M. Haertle, register in probate of Milwaukee county.

An active three year term was concluded by Miss Francke by turning the gavel over to her successor, John Morris, register in probate of Dane county.

Other new officers are: Vice-president, Irmengard Miller of Kenosha county; secretary, Ione Melchior of Columbia county and treasurer, Lucille Scherdin of La-Crosse county.

COUNTY AGENT NEWS

By MAURICE J. HOVLAND
Washington County Agent

GOOD PLANTS

We would like to call the attention of our farmers to a phenomena which we think is now at work for us. Many of our older farmers will remember the drought back in the 1930's. If you are old enough to remember this, you will recall that corn was pretty short; there was almost no hay and practically every crop we planted was short in some way or another. Some places we had a complete crop failure. Did you ever stop and think that it is just as dry in 1963 as it was back in the early 30's? We had no snow in those days and we had almost none this past winter. The rainfall we have had this year has been very spotty, yet Mr. farmer take a look at your corn field. How much less yield would you have this year than you had last year or the year before? This same thing is true of your alfalfa, oats, barley and any other crop you want to grow. It is a foregone conclusion that if you had to raise the crops you did from the plants that you would have grown thirty years ago, you would have some real problems. But who of us in the farming business is growing or advocating the growth of a plant the same kind as we had in the early 1930's. We have hybrid corn; we have new oat varieties; we have new legumes. The thing that is characteristic of all of these new varieties is that they have a fantastic root system. This root system is able to pick up moisture from a good size area away from the growing plant. This means that as we hit a dry season the plant is able to send out roots that pick up enough water for the plant to grow and do a good job. Therefore, among other things, re-

mind yourself that we all owe a debt to the plant breeders for doing a fantastic job of producing good plants which we can use today in our regular farming programs.

KETTLE MORAINE DRIVE

The growing season for your flowers and vegetables is just about over. It won't be long and we will be having some killing frost and this means that the country side goes dormant for another year. Incidentally, if you haven't already done so, we would suggest you take a drive around the Kettle Moraine. Some of our Kettle Moraine citizens will tell you that this area is the most beautiful area in the state at the present time. The maple, oaks, beech and birch are wearing their gayest of colors. Drive where you will and you won't find any more beautiful sights than you will in the Kettle Moraine right now. As the dormancy period occurs with these flowers, there are a few things that we want our home gardeners to remember. First of all the roots of these perennials that you have in the ground need protection, but we urge you to be careful what kind of protection you give them. Don't just cut down the vines and leave those vines lay on top of the root stock. This is the worst thing you can do because the diseases that are on those growing plants will just simply be there to start over again next year. Cut off the top growth once it is frozen back completely but remove it entirely; either burn it or throw it in the garbage and then put on some good clean straw, marsh hay or some other kind of coarse cover that will contain as few weed seeds as possible. Have it as coarse as possible so that it doesn't form a heavy mat on top of your plants. Put something over it to hold it, perhaps a board or sticks of some kind. This is

about the only care you need to give most of these plants and they will come through the winter in fine shape.

SIRE CALF SALE

We remind you of the 1963 Holstein sire calf sale set for Wednesday, October 9 at Fullpail Sales Arena, Hartford. This sale features 11 bulls, all of serviceable age and originating from Washington county's best Holstein herds. Ernie Kueffner will sell them at 8 p. m. The First National Bank of West Bend will clerk the sale. "Fitness" contest of the animals will get under way at 7 p. m. Jim Crowley of the University of Wisconsin will do the placing.

Remind Farmers to Return ASC Election Ballots By Monday

The election of the ASC community committee for Washington county is being held by mail. Ballots must be returned by Monday, Oct. 7. Ballots will be tabulated publicly by the incumbent county committee on Friday, Oct. 11, at 9:30 a. m. at the Washington County ASCS office, old courthouse.

Community committees will be depended upon more than ever before to assist county committees in the fair and proper administration of the various farm programs. Decisions will be made by the community committees which will affect the operation of each farm. It is very important that you vote in this election to help select persons who are capable of performing their required duties and whom you know to have good judgement and whose judgement will be respected by all of the farmers in your community.

Currently, programs adminis-

tered by the farmer-committees include the Agricultural Conservation program, price-support loans and purchase agreements, the Conservation Reserve program, the wool program, the feed grain program, the storage loan program and other special program assigned by the Secretary of Agriculture or Congress as the need arises.

To be elected are three regular committee members and two alternates. The chairman, vice chairman, and regular member of the elected ASC community committee will also serve as delegate, alternate delegate, and second alternate delegate, respectively, to the county convention where the ASC county committee will be chosen. The county convention will be held, Monday, Oct. 21, at 8:00 p. m., at the ASCS office.

Generally, a farm owner, ten-

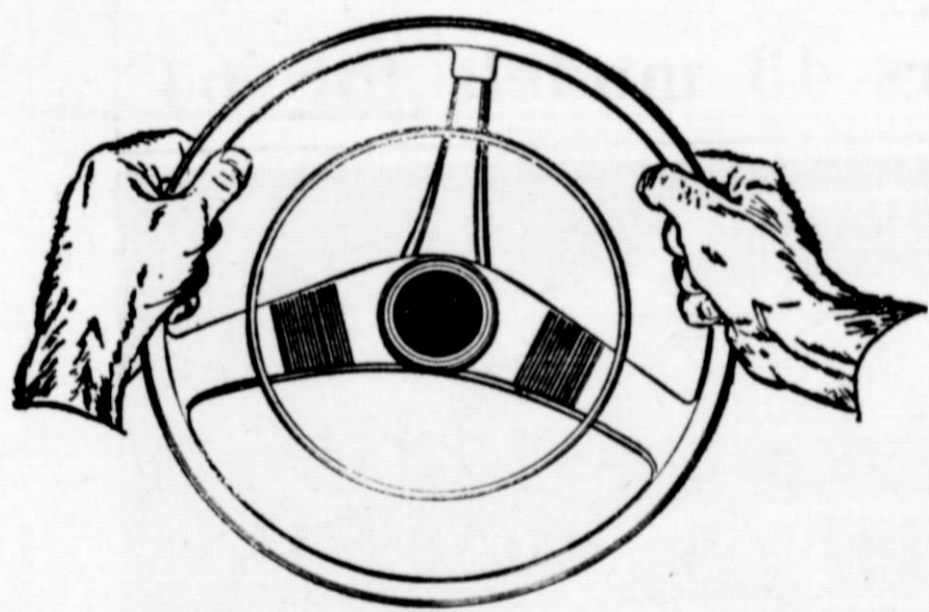

ant, or sharecropper may vote if he is taking part or is eligible to take part in one or more of the programs administered by the ASC committees.

GRL SCOUT NEWS

On Tuesday at 4 o'clock we cadets and junior scouts took a hike to the Alan Schoofs farm where Ted Schoofs showed us the apple orchard and the place where the apples are sorted and stored. We saw the sprayer that is used for spraying the trees and learned about grafting apple trees.

It was very interesting. We are grateful to the Schoofs for their hospitality and thank them, also for the delicious apple we each got to eat on our hike back to town.

Troops 53 and 72

I'm Just A Steering Wheel

I'm Just A Wheel - A steering wheel. Behind me you're the master of a miracle. You can make me take the kids to school. You can turn me down the sunny road toward town. With me you can guide your goods to the market . . . you can rush the sick to be healed . . . you can go in minutes to places hours away. With me you can do magic.

Yet in the blink of an eye, in the tick of your watch, I can turn deadly killer. I can snuff out the life of a kid still full of life - maybe YOUR KID. I can twist a smile into tears. I can wreck and cripple and destroy. I can deal out death like the plague.

And I'm no respecter of persons. A child, a grandmother, even YOU, my friend . . . it's all the same to me.

I respond instantly to the hands you give me. Give me calm hands, steady hands, careful hands . . . and I'm your friend. But give me unsteady hands, reckless hands . . . then I'm your enemy, a menace to the life, happiness, the future of every person, every youngster riding, walking, playing.

I was made for pleasure and usefulness. Keep me that way. I'm in your hands. I'm just a steering wheel. But behind me you're the master of a miracle . . . or a tragedy. It's up to you!

DUCK, GOOSE SEASON OPENS ON SATURDAY

The opening of the ruffed grouse and woodcock season this past week end found very few hunters in the woods. In fact there were nearly as many men hunting deer with bow and arrow as their were gun hunters. In each case the kill was small.

Ed Streff of R. 1, Belgium, killed an eight point buck in the vicinity of his home on Sunday.

At noon on Saturday, Oct. 5, the duck and goose season will open state-wide. That is unless a court action at Madison changes the goose season in Dodge county.

Duck stamps are available at the post office, and big and small game hunting license may be picked up at the court house or any license depot at any reasonable hour. (They all have opening and closing hours, check on them).

There still seems to be some confusion on the licenses for armed forces personnel and non-resident students. Here is the proper information.

There is no longer a free license for personnel in the armed forces.

Residents of Wisconsin now in the armed forces are, of course, entitled to a resident hunting, fishing or trapping license.

Nonresidents in active service with the armed forces and stationed in Wisconsin may buy hunting or fishing licenses at resident fees.

Registered, full time, undergraduate students in residence of a college or university, public or private, located in this state and offering a bachelor's degree may also buy a hunting or fishing license at resident fees.

Anyone applying for these licenses must exhibit proof that he meets the above qualifications.

From six to twelve persons in Wisconsin are killed every year by electrical shocks from household power supplies of 115 volts, says Gordon Barrington, University of Wisconsin agricultural engineer.

NOTICE OF PUBLIC HEARING

Notice is hereby given that on the 5th day of October, 1963, commencing at 2:00 P. M. at the Baumann Bus Garage, North of Village limits of Kewaskum, S. T. H. No. 45 in the Town of Kewaskum, Washington County, Wisconsin; there will be heard and considered by the Board of Adjustment, the members of which hold their office by virtue of the Zoning Ordinance of Washington County, Wisconsin, the appeal of William Baumann. Said appeal arising from the refusal to issue a building permit because of:

SIDE YARD REQUIREMENTS

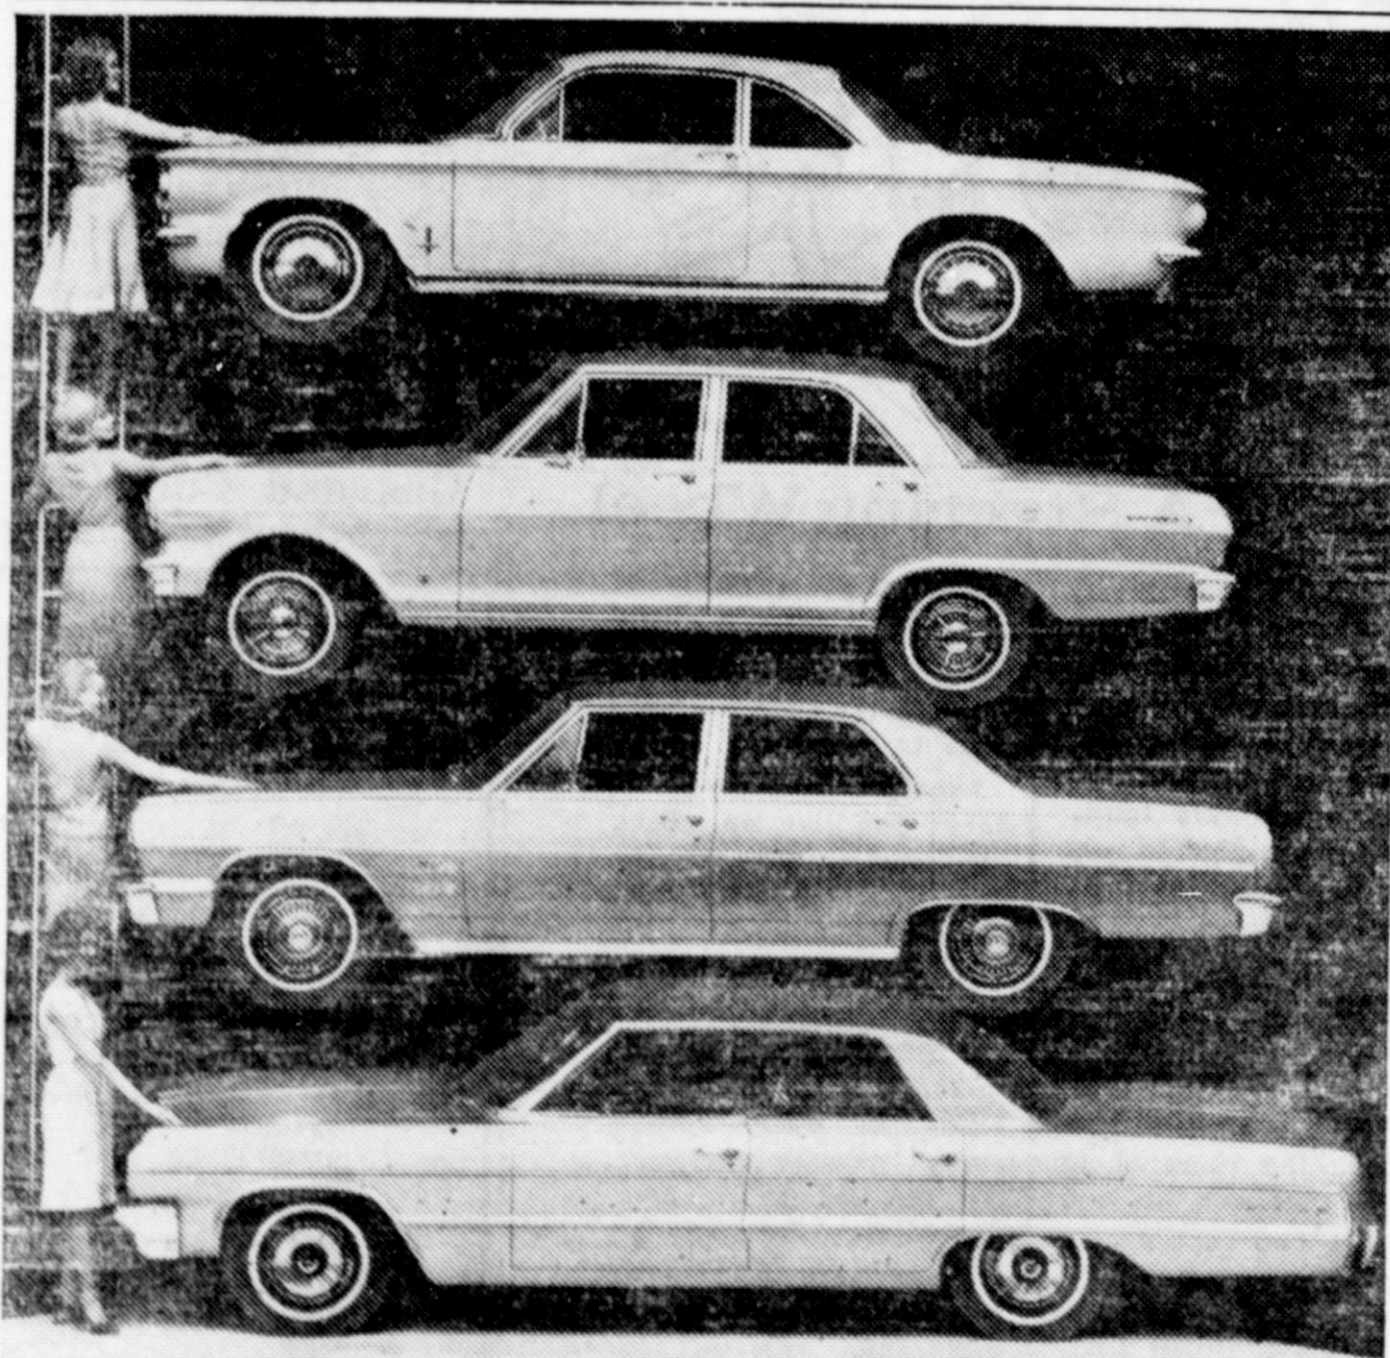

Dated at West Bend, Wisconsin this 2nd day of October, A. D., 1963.

BOARD OF ADJUSTMENT:

Emil Gauger
Ed. J. Campbell
Adolph Schmidt

Quite a variety!!!

Chevrolet offers 43 models for '64

For 1964, the Chevrolet Motor Division will offer a total of 43 models in five separate passenger car lines. Each line is distinguishable by its own styling and wheelbase. Above, reading down: the 108-inch wheelbase Corvair Monza Coupe; 110-inch wheelbase Chevy II Nova 4-Door Sedan; the newest car in the Chevrolet family—the

Chevelle Malibu 4-Door Sedan which has a wheelbase of 115 inches while the Chevrolet Impala Sport Sedan is built on a 119-inch wheelbase. Not shown is the Corvette Sting Ray which sports a 98-inch wheelbase. Chevrolet dealerships will have a representative showing of all models when the new cars are introduced September 26.

Carl Wertz Retains Club Championship

7 OTHER CLASS CHAMPIONS DETERMINED IN FINALS OF MEN'S TOURNAMENT

Despite cold, windy, rainy and downright miserable weather, finals in the men's club championship tournament were golfed on Saturday. Winners in the final matches are champions in the various classes from club championship down through Class G. The matches were delayed several times by showers and some had to be completed in the rain.

Defending club champion Carl Wertz retained his title by defeating Earl Conley in the finals. This match was scheduled for 36 holes but Wertz had Conley beaten after three rounds of play, or 27 holes. After a bad start in the morning 18 holes, Conley came back well in the afternoon play but was too far behind to overcome the consistent Wertz.

A group picture of the class champions was to be taken but because of the soaked golfers and lack of a photographer, this was postponed until this week end.

Winners will be awarded trophies at an awards night dinner-dance to be held this Saturday evening, Oct. 5. A roast beef family style dinner will be served at 7:15 p. m. sharp. The price will be \$3.25 per person, including the dinner, tips and dance. Dancing will be from 10 p. m. until 1 a.

SPECIAL WEDNESDAY DATE NIGHT \$1.00 PER COUPLE

ks
 Sometime around Labor Day Wisconsin will reach the 31,500 mark in traffic deaths since the invention of the automobile. The state motor vehicle department points out that these 31,500 persons would populate a city the approximate size of Waukesha. A comparison of the state's traffic fatality count with some of the nation's worst disasters shows the magnitude of the traffic problem.

Grafton Blanks Indians for 3rd Loss in Row, 27-0

It was the same old story for the Kewaskum Indians last Friday when they suffered their third straight loss in the Scenic Moraine conference at Grafton. This time they were blanked, 27-0, to drop into a tie for last place with Campbellsport.

The win was the first of the season for Grafton as the Blackhawks scored 20 points in the fourth quarter after the two teams had played on pretty even terms for three quarters. Mike Coulter, Kewaskum's star back, was injured in the third quarter and left the game. After this Grafton ran up 20 points on the Indians.

Gary Rogahn passed 50 yards to Ted Kellner and 17 to Tom Arnold, Jack Gleason ran four yards and Dennis Gall romped 30 yards to score Grafton's touchdowns. Dan Meinert kicked three conversions to bring his team's total points to 27. Gall gained 144 yards in 13 carries.

In other contests over the week end North Fondy and Random Lake won and Pewaukee tied to create a three-way tie for first place. Each has won two, lost none and tied one.

On Friday night of this week Kewaskum hosts Campbellsport in its homecoming game. The Bells, winless all last season and so far this year, should provide the Indians with their first victory easily. Both teams have 0-3 records but Kewaskum has taken on stronger opposition and lost by much closer scores. Campbellsport has not scored a point yet this season while their opponents ran up 99 in three games. They lost 25-0 to Random Lake, 34-0 to Pewaukee, and 40-0 to North Fondy.

The Kewaskum "B" team lost two games the past week to Random Lake and Campbellsport.

SCENIC MORaine STANDINGS

	Won	Lost	Tied
North Fondy	2	0	1
Pewaukee	2	0	1
Random Lake	2	0	1
Germantown	2	1	0
Grafton	1	1	1
Slinger	0	1	2
Kewaskum	0	3	0
Campbellsport	0	3	0

Results last Friday—Grafton 27, Kewaskum 0; North Fondy 40, Campbellsport 0; Pewaukee 6, Slinger 6; Random Lake 12, Germantown 0.

Games this Friday—Campbellsport at Kewaskum (night); North Fondy at Slinger (night); Pewaukee at Random Lake (night).

Game this Saturday—Grafton at Germantown.

Call 626-2626 with your news.

AREA TB CATTLE TESTING PROGRAM NOW UNDERWAY

The annual cattle tuberculosis test got underway in Wisconsin October 1, the Wisconsin State Department of Agriculture said today. Testing will be conducted in Addison and Erin townships of Washington county.

Under a procedure adopted in 1960, townships containing approximately one-sixth of each county's cattle population are tested each year. All cattle six months of age and older are required to be tested once every six years to maintain Wisconsin's modified accredited status. This status is necessary to qualify milk producers for their markets and cattle for interstate movement. In six years, under the new program, the complete county will have been covered.

"In addition to TB testing all of the herds in these townships, all beef and non-BRT herds will have a brucellosis blood test at the same time," Dr. A. A. Erdmann,

state-federal veterinarian said. "This combination test for both brucellosis and tuberculosis saves considerable time and expense for both farmers and Animal Health officials."

Local practicing veterinarians are now being assigned townships where they will be responsible for the testing. These assignments will be completed within the next several weeks so that all TB testing under the area program will be finished by about March 1, 1964.

"In order to expedite the testing as efficiently and as effectively as possible, we solicit the cooperation of all herd owners in the townships designed as test areas," Dr. Erdmann said.

HIGH SCHOOL CONTEST ON HANDICAPPED ANNOUNCED

Prizes amounting to \$3,075 are being offered in a contest now open to high school juniors and seniors, sponsored by the President's and Governor's Committee

on Employment of the Handicapped.

Announcement of the competition was made by H. H. Forster, manager of the Wisconsin State Employment Service (WSES), in conjunction with National Employ the Physically Handicapped Week, Oct. 6-12.

This year's topic will be: "How Handicapped Workers in My Community Are Proving that Ability Counts." The contest closes Jan. 15, 1964. Interested students should contact their English, journalism, social studies, or civics teacher.

An expense-paid trip to Washington, D. C. will be awarded the top winner in the state by the Wisconsin AFL-CIO. Other state prizes total \$575, to be awarded in savings bonds to five winners. Five national prizes, amounting to \$2,500, range from \$1,000 down to \$200.

Beloit High school's James Florey won second place in the national contest two years ago.
