Schubert  
Surrey with the Fringe on Top . . . . .  
Richard Rodgers  
You'll Never Walk Alone . . . . .  
Richard Rodgers  
Washington Post March . . . . .  
John Philip Sousa

## From Elk to Apples

Mr. and Mrs. John Geidel of Kewaskum returned home last Wednesday from a week's elk hunting trip in Montana. "Alderman" John wishes it to be known that the report going around town that the trip was unsuccessful is untrue because they did come back with a bushel of apples and a cowboy hat.

John's most exciting moment was coming face to face with a huge grizzly bear while all alone in the brush. The bear did not seem the type that was easy to make friends with so he didn't hang around long enough to make its acquaintance. Shoom!

One member of the party with whom they hunted, succeeded in bagging an elk.

## Births

**MARTIN**—A son to Mr. and Mrs. Melvin Martin, R. 2, Kewaskum, Thursday, Oct. 3.

**BOUDREAU**—A son to Mr. and Mrs. Bernard Boudreau, R. 1, Kewaskum, Sunday, Oct. 6.

**FELLENZ**—A daughter to Mr. and Mrs. Lloyd Fellenz, R. 1, Kewaskum, Thursday, Oct. 3.

**BUDDENHAGEN**—A son to Mr. and Mrs. Floyd Buddenhagen, 275 Hawthorn dr., West Bend, Saturday, Oct. 5. Mrs. Buddenhagen is a daughter of Mr. and Mrs. John Vorpahl of Kewaskum.

## 70 LOCAL PUPILS ENJOY CINERAMA IN MILWAUKEE

Last Saturday afternoon over 70 pupils from Holy Trinity school left by bus to enjoy the cinerama, "How the West Was Won." The movie was shown at the Palace theater in Milwaukee. The children were chaperoned by the Sisters and Mrs. Ervin Fellenz.

## Kewaskum Schools Observe "National School Lunch Week"

550 TO 600 LUNCHES SERVED DAILY, 86,636 DURING YEAR AT COST OF \$15,046.25

The school children of the Kewaskum Community High and grade schools are among 275,600 public school students who will enjoy a well-balanced lunch in some 2,056 Wisconsin schools during National School Lunch Week, Oct. 13-19.

This program means improved health and better accomplishment in school, says Administrator C. M. Rose. Nationwide, the school lunch program is a one and a quarter billion dollar business, reaching more than 16 million school children daily in the United States.

Mr. Rose reports that this food market amounted to \$11,146,968 last year in Wisconsin, and \$15,046.25 in the Kewaskum Public schools.

Each of the 86,636 lunches served in the Kewaskum Public schools last year included at least one-half pint of milk purchased from local dairymen. This makes the school lunch program an important part of the local economy.

All food for the local program is prepared in the high school kitchen by the three full time employees, namely Mrs. Willard Gruhle, manager; Mrs. William Becker and Mrs. Carnel Koepke. In addition to these full time employees, Mrs. John Heberer, Mrs. Theodore J. Schoofs and Mrs. Olive Schmidbauer work approximately 2½ hours each day serving food and doing dishes. In the high school, students help assist with washing dishes and silver.

Presently between 550 and 600 lunches are being served daily in the elementary and high schools. As the winter season approaches, more students will avail themselves of this program.

Many schools have increased charges for lunches materially, but the Kewaskum schools have been able to maintain the low price of \$1.25 per weekly ticket and 35 cents for a daily ticket. Exceptional management and fine cooperation by all staff people has made it possible not only to maintain a self-supporting program but to buy needed equipment for the program. Last year \$2,452.85 was spent for new equipment while this past summer equipment costing \$1,285.80 was added.

At these prices the tasty, attractive school lunches are the best value for the money and generally far superior—nutritionally—to the average home-packed lunch, Mr. Rose says.

President Kennedy recently proclaimed Oct. 13-19 as the second annual national commemoration of the school lunch role in keeping the nation healthy and strong. This year's celebration theme is "School Lunch Serves the Nation through Food for Learning."

The menus for the Kewaskum Public schools for the week of Oct. 1-11 were as follow:

**MONDAY**—Mashed potatoes, Salisbury steak, cranberry-orange-apple salad, cheese sticks, bread

(Continued on page 2)

## Behnke Appointed District Manager

Orval E. Behnke of 230 Clinton st., Kewaskum, has been appointed a district manager for the Equitable Life Assurance Society of the U. S. He is a member of the society's Wandling Avenue, which has its headquarters in Milwaukee. A native of Reedsville, Wis., he graduated from Platteville State college and served in Korea with the army between January 1951 and January 1953. He also served

as vocational agricultural instructor in the Kewaskum Community High school before joining The Equitable in February 1958.

Behnke is president of the Kiwanis Club of Kewaskum and treasurer of the Kewaskum public school board. He and his wife Ruth have three children: Susan, ten; Deborah, nine; Thomas, eight.

## 154 High School Students Enrolled In Driver Course

It was announced today by Principal Clifford M. Rose of Kewaskum High school that 154 students are enrolled in a driver education course. Instructions will be given by Earl Buswell.

When these students have satisfactorily completed the classroom instruction they will be permitted further instruction in practice driving in a dual control car. It is planned that each student will be instructed for at least six hours in the car by Earl Buswell and/or Howard Zemlicka.

"The purposes and objectives of driver education are the same in the classroom as in a motor vehicle," Mr. Rose declared. "They may be more readily achieved through a sequence of learning experiences involving both classroom and practice driving instruction."

The learning experiences offered by driver education are a highly significant part of general education for preparing youth and non-driving adults to live safely, efficiently and responsibly. They are large factors in the reduction of highway traffic accidents. Those who have had the privilege of successfully completing a course in driver education may expect to have more than 50 percent fewer accidents than do those who have not been so trained.

Driver education courses are approved and recommended by the Department of Public Instruction.

## Present James La Marche Catholic Cub Scout Award

On Sunday, Oct. 6, after the 10 o'clock Mass at Holy Trinity church, Father Budde presented James LaMarche with the "Parvuli Dei" award. It is the Catholic Cub Scout award and James earned it last spring while a Cub Scout.

Father Budde in his message said "Parvuli Dei" means Child of God and that's what we all are, young and old. He also reminded that the award was not just given, but it was earned and merited by James. This was the first such award given in Kewaskum and it is hoped to have more in the future.

It was regrettable that more people did not remain an extra five minutes in church to see the presentation and to hear Father's wonderful speech.

Pack 44 now has four dens. The den mothers are Mrs. Richard Zarlino, Mrs. Vern Butz and Mrs. "Mike" Gnacinski. Den 4 has two den dads, Robert Staehler and Robert Sparks.

The first pack meeting will be Tuesday, Oct. 15, at the grade school.

Den 3 has put out some beautiful fire prevention posters. Look for them in business places.

Blessed are the poor, for they cannot afford a scandal.

All approved driver education courses are encouraged and aided by the State of Wisconsin Motor Vehicle Department.

## Martin Named to State Committee

GROUP TO STUDY WISCONSIN ELECTION LAWS

The Legislative Council, under the direction of Chairman Robert Knowles, New Richmond Senator, has announced the names of those assemblymen and senators who along with five public members will study Wisconsin election laws.

The committee includes Senators Gordon Roseleip, Earl Morton, Clifford Krueger and Lynn Stalbaum and Assemblymen Edgar Lien, Fred Reger, Mrs. Blanchard, William Steiger, Harvey Dueholm and John E. McCormick. The public members are Gordon Campbell, Eau Claire; Jess T. Walker, Baraboo; William John O'Malley, Milwaukee; William S. Martin, Kewaskum and Richard S. Sylvester, Waukesha.

This newspaper learned of the committee in the latest Wisconsin Press Association bulletin and Martin's appointment was confirmed by him in a check by your reporter on Thursday.

Facsimile ballots and election notices will be included in the study. Election notices and facsimile ballots were deleted from the study of legal notices by the subcommittee studying legal notices when it became known that the entire matter of election laws would be studied by a committee this year.

## 3 Local Students on College Honor Roll

Among the 308 students who were on the dean's list at Oshkosh State college are three students from Kewaskum and graduates of Kewaskum Community High school with the class of '61. The three are as follows:

Tom Bartelt, liberal arts; Robert Berg, secondary education; Nancy Hirsig, secondary education.

To be listed on the honor roll, a student must carry at least 14 credit hours, earn at least a 3.3 grade-point average, and receive no grade below a "C."

Nancy Hirsig was a recipient of a Legislative Scholarship for the fall semester. The Legislative Scholarship is available to upperclassmen who have maintained an above average scholastic record and possess qualification for leadership.

## HUGE SUNFLOWER GROWN BY KINDERGARTEN PUPIL

Kelvin Kreif, son of Mr. and Mrs. Jerome Kreif, Kewaskum, a kindergarten pupil in the Kewaskum elementary school last term, was given sunflower seeds to plant as a project at school, along with other members of his class, by the teacher, Mrs. Evans.

When school left out last spring the pupils were given the plants, which had been grown in milk cartons. Kelvin planted his sunflowers outdoors and now one of the plants has grown 14 feet high and the flower measures 14 inches across.

## NATIONAL SCHOOL LUNCH WEEK Oct. 13-19

Sixteen million school children buy economical, nutritious noon meals at school every day under the National School Lunch Program, through which the U. S. Department of Agriculture provides about 20 percent of the total cost in cash and food. In recognition of the efforts of local citizens who run the program in 68,000 schools across the Nation, the President has proclaimed National School Lunch Week, October 13-19, during which school and community activities will point up the contributions of school feeding to the health and well-being of tomorrow's citizens.

## 25 Years Ago

Oct. 7, 1938

Mr. and Mrs. John Klessig attended the fourth annual reunion of the Klessig-Jaehnig families held at the old farm place, now owned by Mr. and Mrs. Arthur Crass, at Fillmore.

Miss Alberta Anderson, Washington county nurse, has handed in her resignation and will attend Marquette university to study medicine. No successor has been named.

Approximately 20,000 black bass, two to three inches in length, were planted in surrounding lakes after their receipt from the state hatchery at Delafield, by Deputy Conservation Warden Charles A. Schlumpf of Fond du Lac county. There were 60 cans, each containing between 300 and 400 bass. Ten cans were planted in each of Lake De Neve, Round lake, Long lake, Lake Bernice, Forest lake and Lake Fifteen.

Alex Keller purchased the A. L. Rosenheimer, Sr. home on Second st. and the family took possession the past week. The former occupants, Mr. and Mrs. Emil Bartelt and family, moved into the Felenz apartment home on First and

Railroad sts.

Mrs. Ella Martin left to spend several weeks with relatives at Watertown, New York. Miss Elsie Bruhn, who is employed at the J. C. Penny store in West Bend, in company with Misses Eldina Schellpfeffer and Carol Salter of that city, left on a two week trip to Missouri and the eastern states.

The 5th anniversary of the lake queen and the 9th anniversary of Lake Auburn Heights was celebrated. The queen, Gladys Marie Kleinke, was born on this land when only a path led through the farm to the lake. When she was four years old her mother, Mrs. Amanda Kleinke Baker, had the ground platted and started a resort. After being approved by the state a road was built and lots were sold. Since then the annual affair has been held. At the 4th annual celebration the queen was crowned and now observes her fifth anniversary in that capacity. She was dressed for the occasion

in the resort's colors, red and white, wearing a red slip and white net dress. Her crown and wand was tied with white streamers. The queen started the program with her own band, a 14-piece mandolin orchestra, which she led at the organ. Miss Gladys is a lively musician and could play an accordion at the age of four years. The afternoon program was free and the sister lakes were invited to participate in the event. In the evening a dance was held featuring Al's Melody Kings.

County highway crews had their equipment at work in the village last week improving several unpaved streets. Receiving treatment were Center and Clinton sts. and Highland ave. passing between these streets in the part better known as the Rosenheimer addition, and East Water st. from Main st. The streets were torn up, then oiled and rolled and now have a surface similar to blacktop.

### FIFTY YEARS AGO

Oct. 5, 1913

A few months ago a movement was started by the Woman's club and the businessmen of this village to establish a public library. As far as the aid of the village and the businessmen is concerned, this movement was a success, but as the days are going by, the less you hear of whether it will be pushed through.

During the week the Chicago Motor club's tour around Lake Michigan contest passed through this village enroute to Green Bay. They started from Chicago and expect to cover over 1,200 miles. The contest is carried on to test the different grades of cars.

The sudden death of Leonard Volm, farmer residing three miles from this village, was a great shock. He had been in his usual health to the minute of his death. Mr. Volm came to this village and went to the Lay Lumber Co. office to pay a lumber bill when all of a sudden he was seized with a heart attack and fell to the floor. A doctor who was summoned sta-

ted that death was instantaneous.

## School Lunch

(Continued from page one)

butter, milk, ice cream.

TUESDAY—Turkey noodle casserole with peas, applesauce, kidney bean salad, bread, butter, jelly, milk, pineapple.

WEDNESDAY—Hot beef on steak bun, whole orange or apple, potato sticks, bread, butter, honey, milk, pudding.

THURSDAY—Scalloped potatoes with ham, buttered green beans, cheese sticks, bread, butter, milk, jello with fruit.

FRIDAY—Toasted cheese sand-

wiches, spiced apple rings, tomato soup - crackers, bread, butter, milk, peach crisp.

### SHASKE BABY BAPTIZED

Mr. and Mrs. Arnold Shaske, Kewaskum, had their infant son baptized on Sunday by the Rev. Donald Bitter. He was given the name of Jeffrey Arnold. Sponsors were Mrs. Arthur Vanderkin, proxy for Mrs. Tom Fuller, and John and Terry Shaske.

More than 6,000 people each year are victims of fires in their own homes, National Fire Protection Association figures show. Over 2,000 of these are children.

## Authorize WBKV To Remain on Air During Emergency

**KEWASKUM CIVIL DEFENSE DIRECTOR MARVIN MARTIN MAKES ANNOUNCEMENT**

Marvin Martin, Civil Defense director for Kewaskum, announces that radio station WBKV, West Bend, has received National Defense emergency authorization to remain on the air during emergency conditions as are set forth in the revised Emergency Broadcast System, EBS.

Programming will be heard on the regular assigned frequency, 1470 KC, since the Conelrad plan for using only 640 and 1240 is no longer deemed necessary by the military.

The object of EBS is to fulfill national security regulations while at the same time provide for transmission of vital information to the public.

Immediately upon receipt of a national alert all AM, FM and TV stations will discontinue normal programs and make certain prescribed announcements. Those not in the Emergency Broadcast System will advise listeners or viewers to tune in area AM stations in the system, then go silent.

All facilities holding national defense emergency authorizations will then begin operations in the

EBS BUT WITHOUT IDENTIFICATION. The area being served will, however, be mentioned.

Similar provisions for continuing emergency weather warnings are also authorized at the option of the stations during their authorized hours of operation.

Programming priorities during emergencies will be as follows: Presidential messages, local, state, regional and national programming and news.

Under all conditions top priority will go to a Presidential message, which all stations must carry at time of transmission. Presidential messages, national programming and news will be made available to all stations by means of normal nationwide commercial radio and television network facilities with alternate backup facilities to replace missing links.

Radio Station WBKV in West Bend is one of 34 stations in Wisconsin which is authorized to participate in this emergency system.

### HOLY NAME BREAKFAST

Oct. 13 is Holy Name society Communion Sunday at Holy Trinity parish. A breakfast and short business meeting will follow the Mass.

Nature didn't make us perfect, so she did the next best thing. She made us blind to our own faults.

## Howard Foerster Is Found Dead

Howard L. Foerster, 27, a resident of the town of Theresa, where he was engaged in farming, was found dead at his home on Sunday morning, Oct. 6. He had been a resident of the town of Theresa most of his life.

He was born on June 27, 1936 in the town of Wayne, a son of Henry and Violet Coulter Foerster. Mr. Foerster spent three years serving in the U. S. Air Force. His marriage to the former Adeline Belling took place at St. John's Lutheran church, Mayville, on July 1, 1961.

Surviving are his widow, a 14 months old daughter, Christine; the above mentioned parents, now of the town of Theresa; one brother, Norman Foerster, of Hartland; his parents-in-law, Mr. and Mrs. Otto Belling, of R. 1, Theresa; a brother-in-law, Carlton Belling, of R. 1, Theresa, and many other relatives and friends.

Friends called at Miller's Funeral home, Kewaskum, after 2 p. m. Tuesday. Funeral services were held at 2 p. m. Wednesday, Oct. 9, at Salem United Church of

Christ, Wayne, the Rev. Herbert Feierabend officiating. Burial was in the parish cemetery.

### MRS. HARRY KOCH ELECTED OFFICER OF DAR CHAPTER

Joseph Marest Chapter, Daughters of the American Revolution, West Bend, heard a program entitled "Public Relations—Telling the D.A.R. Story" at their first meeting of the season Friday afternoon at the home of Miss Fannie Brittle. The speaker was Mrs. Carl Herziger, Regent of Port Washington chapter and Wisconsin state Press Scrap Book chairman.

Mrs. Donald Cooley, Regent, conducted the business meeting and welcomed the guests. In addition to Mrs. Cooley, the officers of the Joseph Marest chapter are Mrs. Wm. Nielsen, Vice-Regent; Mrs. Harry Koch of Kewaskum, Secretary; Mrs. T. W. Simester, Treasurer; Mrs. Henry Schowalter, Registrar; Mrs. A. C. Kieckhafer, Historian, and Mrs. Maurice Rosenheimer, Chaplain.

The next meeting will be held Nov. 7.

Temper spoils children, ruins men and strengthens steel.

### MISS MAXINE DROWATZKY, RICHARD MINCH ENGAGED

Mr. and Mrs. Elmer Drowatzky of Menomonie, Wis. announce the engagement of their daughter, Maxine, to Richard Minch, son of Mrs. Elmer Kittel, R. 2, Kewaskum, and Lawrence Minch of Kewaskum.

Miss Drowatzky is a graduate of Menomonie High school and is a beautician at the Crystal Beauty Shop in that city. Her fiance is a graduate of West Bend High school and will graduate from Stout State college in January. He is a member of Phi Sigma Epsilon, national social fraternity.

A January wedding is being planned.

# Owners of Real Estate in Washington County Take Notice!

On October 15, 1963, and the next succeeding days, Robert J. Klein, Treasurer of Washington County, will, at the courthouse at West Bend, Wisconsin, sell to Washington County so much as may be necessary of each tract of land upon which the taxes have been returned as delinquent and are on said date still unpaid, for the payment of the taxes and interest due thereon. This sale will include all real estate listed in the county treasurer's official records of delinquent taxes for the tax levy year 1962, except public lands held on contract and lands mortgaged to the state. If you are in doubt as to whether the taxes on your land are paid, consult the county treasurer.

## Pay Your Taxes Now

By so doing you will prevent sale of your property for taxes and you will stop the further addition of interest charges.

THIS SALE IS NOT OPEN TO THE PUBLIC. THE COUNTY WILL PURCHASE THESE DELINQUENT TAXES.

**Attends Convention OF Accountants, Inc.**

R. Charles Weier of R. 2, Kewaskum, has just returned from the eighth annual convention of the Wisconsin Association of Accountants, Inc., held at the Park Motor Inn at Madison.

The convention proved to be one of the most successful ever held by the association, and highlighted technical and informative sessions conducted by leading experts in the field of accounting, taxation and law. Louis Meldman, a prominent attorney of Milwaukee, was among the speakers, as well as representatives of the Internal Revenue Service and Wisconsin Department of Taxation.

The latest developments in business machines and office equipment were exhibited by national manufacturers, and a most interesting ladies program included tours of the University of Wisconsin campus, Memorial Union and the State Historical society building.

**Over 500 Attend 4-H Achievement Program in County**

**KEWASKUM MEMBERS AMONG THOSE WHO RECEIVE PROJECT AWARDS**

More than 500 people attended the county 4-H Achievement program on Saturday, Oct. 5. Bob Goetsch told of his experiences as an International Farm Youth Exchange delegate to Rhodesia and showed slides. Goetsch, a young Dodge county farmer, spent six months recently living with farm families in the Federation of Rhodesia and Nyasaland.

In opening the evening program, Frank Slesar, president of the Washington County 4-H Leaders association, asked everyone to stand and recite the Pledge of Allegiance and the 4-H pledge. 4-H members Barbara Schall, Gerald Bublitz, Pauline Beck and Terry Asmus led the audience in the pledges.

The Wisconsin 4-H Key award is the top award given in the state for excellent work in projects, club and community activities and all-around 4-H club work. Those presented the Key award included Diann Ramel, daughter of Mr. and Mrs. Herbert Ramel of Kewaskum, an 8-year member of the Kewaskum 4-H'ers and junior leader of activities, especially recreation and conservation, and Mariel Seefeldt, daughter of A. H. Seefeldt of Kewaskum, a 7-year member of the Kewaskum 4-H'ers, who was president of the County Junior Leaders council as well as officer of the local club.

The County Achievement award was presented to four, including Mariel Seefeldt of Kewaskum. This is the top county recognition for excellent work in projects and other club activities. The Junior Leadership recognition was presented to two 4-H members.

Awards in various projects were presented to members under 13 years of age. Junior awards included electricity, Thomas Stoffel, and foods and nutrition, Joan Schoofs, Kewaskum.

Maurice Hovland, county agricultural agent, presented the Agricultural and General awards. Miss Doris Rogers, county home economics agent, presented the Home Economics awards. They included clothing, Diann Ramel; foods and nutrition, Diann Ramel;

girls' home economics, Diann Ramel. The Activities awards were presented by Robert Stodola, county 4-H club agent. Winners included recreation, Mariel Seefeldt; Diann Ramel; public speaking, Mariel Seefeldt; safety, Dawn Martin.

A 4-H member graduates from club work after reaching the age of 21, or after having completed several years of work and graduated from high school. Hovland presented the graduation certificates. Members included Ann Schaefer.

Clubs recognized for good activities on a club-wide basis included health, Wayne Crusaders; safety, Wayne Crusaders.

**Hospital News**

Mrs. Martha Breseman submitted to an operation at St. Agnes hospital, Fond du Lac, last week Tuesday.

—ks—  
Wisconsin is the leading state in the nation in acreage of vegetables grown for processing, says John Schoenemann, vegetable crops specialist at the University of Wisconsin.

**First Horse Show Given By Parish Is Great Success**

On Sunday afternoon, Oct. 6, St. John's United Church of Christ confirmation class and youth group presented their first riding exhibition. The show, held at the Havenwood Stable, Kohlsville, drew an enthusiastic audience.

The top award, a beautiful traveling trophy, was presented to James Hoefert, son of Mr. and Mrs. Ralph Hoefert of R. 5, West Bend. This trophy is given to the student best in horsemanship, character and the ability to grow in maturity. Gary Darmody, son of Mr. and Mrs. Wesley Darmody of Allenton, took the honors in the walk-trot-canter class with John Lidington, son of Mr. and Mrs. Joseph Lidington, Slinger, winning the third place position in horsemanship.

St. John's congregation is rather unique in that it provides for its youth the opportunity to freely study piano, organ, voice, interpretive dancing and from June thru

September, riding on each Monday evening. In conjunction with riding the youth do work projects, conservation and nature studies with projects to better the community as the Faith Haven farm project which they are now developing hand in hand with the adults of St. John's congregation. This farm will be opened free of charge for the use of Christians of all faiths early next spring. A hiking trail for worship, meditation and nature study winds its way through the sixty acres. A hill-side, with altar, organ and pulpit will be available to congregations for out-door services.

St. John's celebrated its 110th anniversary this year. The Rev. L. C. Riesch is pastor.

**4-H BAKE SALE**

A bake sale sponsored by the Kewaskum 4-H'ers will be held at the Labor Center on Saturday afternoon, Oct. 12, at 2 o'clock. Everyone welcome. 10-5-2

## COUNTY AGENT NEWS

By MAURICE J. HOVLAND  
Washington County Agent

### TWO FAIRS COMING UP

We call attention to two little fairs coming up. The fair at Leone Zinn's orchard at Holy Hill will be held Oct. 13. Here will be a chance to buy all sorts of things made by craftsmen from around Washington county. The regular fall market fair which has been held at Richfield the last two years will be held on Nov. 30 and Dec. 1. We take this opportunity to invite you to participate. It is a fine little event and if you don't do anything but look around I think you will appreciate some of the work that these craftsmen are doing. You'll be hearing more about it but we call your attention to it so you can write down the date if you care to. Incidentally if you want to participate in it be sure to let me know. Call or write Mrs. Norma Williams who is on the Hubertus line. Her address is Colgate, Wis.

### INSECTS AND GARDENS

Finally we have gotten rid of the insects. It seems that from this point on we won't have much trouble with insects and fungus but be prepared for next spring. It will be a dandy. Wouldn't you and I like to anticipate which insects will be giving us the most trouble in 1964. This is something that we cannot anticipate. Those that were bad this year may not be bad next year. I think we can be reasonably certain that we will have a good infestation of June beetles next year. However, they do very little damage. The damage comes from the white grubs that are the larva of the June beetle and eats away

at our lawns. The flies, mosquitos and other insects are pretty well set for the winter. From this point on we won't be seeing too much of them except on rare occasions and on very warm days.

For you backyard gardeners we suggest that you take the necessary steps to get your garden ready for next year and there are a couple of things that you ought to do. First of all, we would like to see all the residue from your garden turned under so that it gives you a good solid organic base for growing next year. How are you going to do this? We suggest you get barnyard manure on your garden and dig it in immediately. This is not possible for everyone because you do not have a source of supply. You can do a few other things then. First of all, you could build a mulch pile. Remember a mulch pile is nothing but decayed grass and other organic matter. Whenever you cut tall grass or weeds we would like to see that residue put in a mulch pile and built up continually. Some people even put some of their garbage on it, which is probably not such a bad idea. Keep building it up in a place where it is away from the house and where it is not easily seen. Incidentally it will not be undesirable and it will not have an odor. Keep the center low so that water continues to soak in, but remember you should have two mulch piles. You build one in 1962 and use it in 1964; then you build one in 1963 to use in 1965. You should have one being used and one building up all the time. Put this mulch on your garden just before you plow it and you will be surprised what it will do for you. It will certainly hold more water for you which is a good situation. If it does only this much we think it is well worth your time and effort. Also if you put

some straw or hay in this mulch pile, make sure that it is as weed free as possible. There is no use in your seeding weeds out there if you can avoid it.

## Looking Thru the Field Glasses . . .

BY BOB LAKE  
Conservation Warden  
Washington County

### DUCK HUNTING FAIR

Local duck hunters had some fair shooting on the Milwaukee river. Those hunting the Theresa public hunting grounds reported fair to good hunting. Some of the men at Horicon were lucky and collected a few mallards. The south end of the marsh had fair goose shooting. Rain and cooler weather should improve the hunting.

Perch are biting at Pike lake and a few northrens were caught at Big Cedar.

This past Saturday a buck fawn was killed on Highway 41 near the Theresa marsh.

We urge you to ask permission from the farmer before you hunt on his land. Many farmers will grant such permission, and many of them will let you hunt in certain areas, and ask that you don't hunt certain fields, etc. You should, of course, respect the farmer's wishes in every instance.

With the tremendous increase

in our population the trespass problem has increased for both the hunter and the landowner. Abuses such as careless use of firearms, complete disregard for standing crops, cutting fences, leaving gates open, and deliberate or accidental shooting of poultry or other animals, and even theft of crops and other farm property, are quite common.

These acts are probably committed by only a few hunters, but the landowner blames all hunters.

When you see such acts being committed, it certainly is to your advantage to report them to the proper authority and help in a prosecution in any way possible.

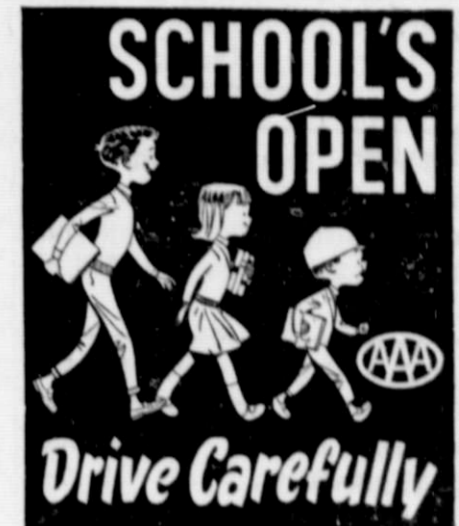

Again, we urge you—ask permission before you hunt on private land and behave yourself while hunting there when permission is granted.

The criminal trespass law reads as follows:

"A person has received notice from the owner or occupant within the meaning of this Section if he has been notified personally, either orally or in writing, or if the land is posted. For the land to be posted, a sign at least—11" square must be placed in at least two conspicuous places for every

40 acres to be protected. The sign must carry an appropriate notice and the name of the person giving the notice followed by the word "owner" if the person giving the notice is the holder of legal title to the land and by the word "occupant" if the person giving the notice is not the holder of legal title but is a lawful occupant of the land."

Telling other people what is best for their own good is the world's least needed business.

### IN MEMORIAM

In loving memory of our beloved husband and father, Albert Wesenberg, Jr., who passed away one year ago, Oct. 11, 1962:

You passed away so suddenly, One year ago today,  
That we cannot forget you,  
Nor hide the tears away;  
You left behind some broken hearts

That loved you so sincere.  
That never did and never will Forget you, Father dear.

Sadly missed by his wife Irene and daughter Judy.

### THANK YOU

I wish to thank all my friends who remembered me during my recent stay at the hospital with gifts, flowers, cards and their timely visits. These thoughtful acts are much appreciated.

Vince Groh

### COUNTY ASSOCIATION FOR RETARDED TO MEET

On Monday evening, Oct. 14, at 7:45 p. m., the Washington County Association for Retarded Children will hold its monthly meeting at the Fair Park school in West Bend. Besides the regular business meeting, an interesting program has been planned and lunch will be served following the meeting. All who are interested in the work of the retarded are invited to attend.

### HONOR GRACE THEUSCH AT MISCELLANEOUS SHOWER

A surprise miscellaneous, grocery item and cash shower was given in honor of Miss Grace Theusch of Kewaskum on Wednesday evening, Sept. 25, by Mrs. Ray Sippel and Miss Susan Batzler at the former's home in St. Kilian.

The bride-to-be was presented with a corsage from the hostesses and received many lovely gifts and cash by the attending relatives and friends.

Bingo was played. Prizes, including door prizes, were awarded and a delicious luncheon was served.

Miss Theusch will become the bride of Gerald J. Batzler on Oct. 26.

### Indian Harriers in Hartford Meet; West Bend Here on Friday

On Saturday, Sept. 28, the Kewaskum High school cross country team ran at the Hartford Country club, where they participated in the annual Hartford invitational meet. Twenty-eight schools competed. With seven harriers on a team, there were 196 boys running a 2.2 mile course.

Among the competition were schools from Madison, Sheboygan, Milwaukee suburbs and other smaller schools. Kewaskum ranked 22nd in the standings with a total of 501 points. Individual harriers placed as follows: Jim

Backhaus 91, Bob Kern 102 and Mark Wilkins 125.

On Tuesday, Oct. 8, the cross country team competed at Mayville and on Friday, Oct. 11, Coach Bob Cross' West Bend High school harriers competed with Kewaskum in a dual meet at the Hon-E-Kor Country club. The Badgers were tuning up for the Little Ten conference meet at Ripon next Tuesday at the Tusculum Country club.

On Tuesday, Oct. 15, the team hosts Grafton and on Friday, Oct. 18, the harriers travel to Waupun for a meet.

A record number of four

schools will compete in West Bend's only home meet on Tuesday, Oct. 22. The visiting teams will include Hartford, Oconomowoc and Kewaskum. The quadrangular will be held on the West Bend High school campus.

Other motorists respect and cooperate with you when they know your intentions. According to the Institute for Safer Living of the American Mutual Liability Insurance Company, directional signals speak a common language and can be used to communicate nearly any traffic maneuver that you wish to make. Remember to use your

signals when making turns, changing lanes, passing, and pulling off the road. Also remember the shortcomings of mechanical signalling devices—make sure the

other fellows sees your signal!

Obey traffic laws and you won't have to keep worrying about policemen while out driving.

## Indians Blast Bells, 51-0, Set Scoring Record

### HAND CAMPBELLSPORT 4TH STRAIGHT SHUTOUT IN HOMECOMING GAME

The Kewaskum Indians really celebrated their homecoming on the football field last Friday night when they blanked winless Campbellsport by a whopping 51 to 0 score to set a scoring record for the season. The previous high scoring total was 40 points, run up by league leading North Fondy against the same Bells.

This was the Indians' first victory after three setbacks, which is hard to believe by the way they poured it on Friday. Two of the defeats, however, were by very narrow margins, 21-20 to North Fondy and 13-7 to Germantown. Whether it was their hunger for victory, the homecoming, or the rival Bells for opponents that sent them on a rampage, the Indians really came to play football Friday.

Not only did the Indians win decisively but the defense saw to it that Campbellsport's "record" of not having scored a point this season was continued. The Bells have been held scoreless in four straight games while their opponents have run up 150 points. Prior to the game the two teams both had 0-3 records and the Bells expected to break loose with some points in this one. After playing tough opposition in their first three games, the Indians should win a couple of more if they keep

playing like they showed Friday. Displaying surprising power and good passing, Kewaskum romped for eight touchdowns against the Bells. Six different players scored for the Indians.

John Arndt, a junior, ran five and 30 yards and Frank Kadinger counted on pass plays of 25 and 12 yards. Mike Coulter scored on a 40-yard run, Chuck Kleinke smashed five yards, Bob Miller scored on a two-yard sneak and Terry Melius tallied on a 65-yard pass play from Paul Kohler as reserves finished the game. Arndt, John Brandt and Coulter tallied extra points as the Indians celebrated homecoming in a big way.

North Fondy and Pewaukee both won Friday to retain their first place tie in the conference. On

Friday afternoon of this week Kewaskum furnished the opposition at Slinger's homecoming. The Owls have not won a game but tied two to date while losing two.

### SCENIC MORAIN STANDING

	Won	Lost	Tied
North Fondy ..	3	0	1
Pewaukee .....	3	0	1
Grafton .....	2	1	1
Random Lake ..	2	1	1
Germantown ..	2	2	0
Kewaskum ....	1	3	0
Slinger .....	0	2	2
Campbellsport .	0	4	0

Results Friday—Kewaskum 51, Campbellsport 0; North Fondy 14, Slinger 6; Pewaukee 18, Random Lake 6. Result Saturday—Grafton 7, Germantown 2.

Grafton, Germantown at Pewaukee, Random Lake at North Fondy (night).

### MEETING TO ORGANIZE LAKES BASKETBALL TEAM

A meeting will be held at 7:30 p. m. next Wednesday, Oct. 16, in the high school gymnasium to organize a Land o' Lakes league basketball team for the coming season. All players are asked to attend and anyone else interested is welcome to come. The league already has seven or eight teams entered and it is hoped to bring the number to ten. The season will begin early in November.

Don't neglect control of grubs on dairy heifers.

### 33 PLAYERS AT OPENING SHEEPSHEAD TOURNAMENT

The opening sheepshead tournament of the season was held at the American Legion clubhouse on Tuesday evening, Oct. 8, with 33 players participating. Prize winners were as follows:

1st, Ray Fickler, 40-0-40; 2nd, Roger Schmitt, 42-4-38; 3rd, Gene Gruber, 44-6-38; 4th, Noah Guyette, 38-2-36; 5th, Alex Kudek, 38-8-30; 6th, John Oelhafen, 40-10-30; 7th, Lawrence Steger, 32-4-28.

The next tournament will be held on Tuesday, Oct. 22, starting at 8:30 p. m. sharp. All sheepshead players, including the ladies, are cordially invited.
