Village Board Accepts Bid for New Police Car

SEVEN BIDS RECEIVED;
AUTHORIZE ICE SKATING
SHELTER CONSTRUCTION

Regular Meeting
November 4, 1963

The Village Board of Kewaskum, Washington County, Wisconsin, met in regular monthly session with President Tessar presiding and all board members present.

The minutes of the previous meeting were approved as presented upon motion by Trustee Merwin, seconded by Trustee Degner and carried.

The first order of business was the opening of bids for a new police car. A total of seven (7) bids were received prior to the meeting. The chair then asked if there were any more bids to be submitted. Since there were none, the bids were opened, read aloud and tabulated as follows:

Name and address of bidder, make of car, and net cost as per specifications including trade-in—Geiger Ford Corp., West Bend, Ford, \$1,424.30; Seefeld Motors, West Bend, Dodge, \$1,595.00; Ketter-Meyer Sales & Service, Campbellsport, Ford, \$1,895.00; Klinka Oldsmobile Sales & Service, West Bend, Olds F85, \$1,750.00, and Olds Jet Star 88, \$2,250.00; Honeck Chevrolet, Kewaskum, Chevrolet, \$1,885.00; Hub Auto Sales, Milwaukee, Plymouth, \$1,793.70; Service Motors, Fond du Lac, Ford, \$1,710.00.

After tabulation of the bids, the representatives of the bidders who were present were given the opportunity of presenting their sales story to the board and the board members were given an opportunity.

With this week's issue the Statesman begins its 69th year of continuous publication. This is volume 69, number 1, our birthday issue.

Prize Winners At Parish Fall Festival Listed

The annual fall festival and bazaar sponsored by Holy Trinity parish on Sunday was a fine success. A family style chicken and beef dinner was served to the public from 11 a. m. to 6 p. m. in the church basement and needlecraft, home-made candy, grab bag, parcel post and other game, amusement and refreshment stands did very well in the parish school rooms.

Thanks are extended to all members of the congregation, including the chairmen, cooks, waitresses, ticket sellers, workers in the stands, donors of items for the stands and prizes, and all who patronized the affair to help make it a success.

A large number of valuable prizes were given. Winners of the big prizes were as follows:

21-inch colored television set (donated)—Ed Laufer, 235 8th st., West Bend.

\$50 savings bond (Stoffel Farms)—Joe Marian, Campbellsport.

40-cup stainless steel coffee urn (Regal Ware, Inc.)—Ray Gremminger, Kewaskum.

CHORAL GROUPS OF HIGH SCHOOL PRESENT CONCERT

The Kewaskum Community High school a cappella choir, girls' and boys' glee clubs and the junior choir presented an hour of choral music last Sunday evening at 8 o'clock. The concert was attended by a large audience.

Featured in the program were folk songs, spirituals, show tunes and a few selected sacred numbers. The massed choirs closed the program with three selections, 120 voices strong. The choirs are under the direction of John C. Lutz.

KEWASKUM 4-H'ERS TO HOLD PARENTS NIGHT

The Kewaskum 4-H'ers parents' night will be held on Thursday evening, Nov. 14, at 8 p. m. at the Labor Center. New members are also invited as well as parents.

Legion Honors Charter Members

On Saturday, Oct. 26, Robert G. Romaine Post 384, The American Legion, held a 40th anniversary dinner and social in honor of its charter members. A total of 76 members and wives attended, honoring the charter members, with State Commander Jim Mulder present.

The following six charter members of the post were present: Maurice Rosenheimer, Louis Bath, Sr., Fred Buss, Edwin "Spatz" Miller, (Milwaukee) Hubert Wittman, and Carl Schaefer.

Shown in the above photo, back row, left to right are: Lee Honeck, 2nd District sergeant-at-arms; Jim Mulder, state department commander; Ervin Bonlender, post commander; charter members Buss, Rosenheimer, Bath, Schaefer, Wittman and Miller, and Donald Koerble, Washington county 1st vice-commander. Front row, left to

right, are Mmes. Bonlender, Honeck, Bath, Schaefer, Wittman, Miller and Koerble.

A family style beef dinner was served to the 76 Legionnaires and their wives following a cocktail hour. After the dinner the charter members were introduced and Commander Mulder gave a short address to them. The remainder of the evening was spent in reminiscing about old times in the basement bar of the Legion hall. Needless to say, all had a very good time.

Forgotten were the terrible times of tribulation in the wars, for this was a time for genial comradeship. It is the wish of the Legion that all veterans of our wars would join the local post to be a member of a great organization which fosters 100% Americanism and community projects.

High School Will Present 3 One-Act Plays On Nov. 15-16

On Friday and Saturday nights, Nov. 15 and 16, at Kewaskum Community High school, three one-act plays will be presented to the public by the Kewaskum Players. The plays to be presented, in the order of appearance, are as follows: "The Madwoman of Chailot," under the direction of Clyde Brehm; a scene from "Arsenic and Old Lace," under the direction of Tom Hausman; and "The Lottery," under the direction of Karl Kurth.

There will be no admission charge for students of Kewaskum schools on Friday evening. The admission charge for adults on Friday night and for both students and adults on Saturday night will be 50 cents. All receipts will be used for payment of royalties and the purchase of stage equipment. Curtain time is 8:00 p. m.

FIREMEN PUT OUT ROOF BLAZE AT BOEGEL FARM

The Kewaskum fire department's new engine made its second run at 2:45 p. m. last Friday to the Oscar Boegel farm on Hwy. 28 in the town of Wayne, located several miles west of the village. It was a roof fire caused by sparks from a chimney. The blaze had burned a small hole in the roof at the north end of the house when firemen arrived and the flames were extinguished without further damage.

Award Kewaskum Fall Meeting of Badger Firemen

BOLTONVILLE AWARDED
TOURNAMENT; BOWLING,
BANQUET SITES PICKED

The annual meeting of the Badger Firemen's association was held on Sunday, Oct. 27, at the firehouse in Jackson. Donald Koerble attended the meeting as a delegate of the Kewaskum fire department.

It was voted that the 1964 bowling tournament of the association will be held at Menomonee Falls starting on Jan. 25. The spring meeting and banquet will be held either at Brown Deer or Thiensville. Boltonville was selected as the site for the big 1964 tournament with the date set for next May 31. The annual fall meeting next year will be held in Kewaskum with the local fire department serving as host. At this meeting the sites for the association's events for the following year will be selected.

Harold Schaezel of Germantown was re-elected president of the Badger association. Named to serve with him for the coming year are John Hames of Waubeka, re-elected vice-president, and Allen F. Bruederle of Cedarburg, re-elected secretary and treasurer.

The welcoming address at the Jackson meeting was given by Clem Mayer, village president, who said "they should be proud of the fact that they are volunteer firemen who are willing to sacrifice their time, money and even their lives in order to give 24 hour protection to their community."

Badger officers reported on a recent meeting of the Wisconsin Council of Firemen's Associations held at New Lisbon, Wis.

The Badger association includes departments from six counties—Fond du Lac, Ozaukee, Milwaukee, Washington, Waukesha and Sheboygan. They include Jackson, Kewaskum, Thiensville, Brown Deer, Campbellsport, Fillmore, West Bend, Waubeka, Grafton, Random Lake, Menomonee Falls, Boltonville, Germantown, Fredonia, Slinger, Cedarburg, Glendale, Saukville, Barton, Silver Creek, Belgium, Newburg, Mequon and Port Washington.

ELEMENTARY SCHOOL TO OPEN DOORS TO PARENTS

American Education Week occurs this year on Nov. 10-16. In observance of it, the Kewaskum Elementary school will open its doors to the parents on Tuesday, Wednesday and Thursday of that week from 9:30-11:00 a. m. and 1:30-3:00 p. m., so that they might become better acquainted with the school, the faculty and the school program.

The classrooms will be opened and the parents are invited to visit their children's rooms and observe our school in action. Here is a good opportunity to better understand your school and your child's relation to it. The school strongly urges you to help in its observance of this most important week by actively participating in this visitation program.

25 Years Ago

Nov. 4, 1938

The Dundee Trinity Lutheran congregation celebrated its 60th anniversary with two services and the serving of a chicken dinner. The Rev. Walter Stroschein is pastor.

Attention Mr. Ripley! Four years ago while working in his garden, John H. Martin lost a valuable moon stone ring he was wearing. Saturday while his son-in-law, Norton Koerble, was digging in the same garden he unearthed the roof of an old cabbage plant and upon observing something shiny clinging around the root, discovered the ring. The ring is in as good a condition as when lost and Mr. Martin once more wears a moon stone ring.

The fire department answered a call to Fond du Lac ave. Friday where a truck owned by John F. Schaefer had caught fire. It is believed the blaze resulted from a backfire. The fire was put out with a hand extinguisher and little damage resulted.

Ray "Spitz" Jaeger, Wayne barber, who formerly operated his shop in the Foerster Bros. building in that village, is now located on the east side of Wayne in his new barber shop and home.

Misses Lillie Schlosser, Inez Stollflug and Doris Seil were to Milwaukee Sunday to see and hear Horace Heidt and his Alemite Brigadiers, radio favorites appearing at the Palace theatre.

Mr. and Mrs. Art. Jaeger and family, who occupied the Koch residence and tavern at St. Kilian the past eight months, moved to the Anton Rafenstein farm near Ashford.

Dr. George F. Brandt of Kewaskum is treating horses in the Elmore area for the sleeping sickness epidemic.

Recent weddings included those of Elizabeth Tunn, New Prospect and Alex Kuciauskas, R. 2, Campbellsport; Laura Hirsig, R. 2, Campbellsport and Joseph Miller, Kewaskum; Isabelle Campbell, town of Kewaskum, and Albert Karius, town of Polk.

John Louis Schaefer, son of the John F. Schaefer, who taught in the Manawa High school last year, is teaching at the Fountain City Junior High school this fall. Fountain City is located at the western boundary of the state on the Miss-

issippi river. He is also band instructor. John's brother William and Arthur Weddig of here helped him, his wife and son move there.

50 YEARS AGO

Nov. 2, 1913

The village fathers of Campbellsport passed an ordinance at the village board meeting to have all the saloon keepers close their saloons at ten o'clock every evening except Saturday evenings, when they must close at 12.

Herman Grund, the well known gate tender at the Main st railway crossing, left for St. Francis where he will have charge of a night pumping station. Jake Rimmel has succeeded him as gate tender here.

George Johnson, son of the Tom Johnsons, Campbellsport, had a serious experience. He was feeding corn into a corn shredder when his hand got caught in the shredder, crushing it severely. At first it was thought that the hand had to be amputated but at the Fond du Lac hospital it was learned that the hand could be saved.

RETARDED CHILDREN'S GROUP TO HEAR SPEAKER

Paul M. Weisel, assistant superintendent, care and treatment service, of the Southern Wisconsin Colony and Training school will be the guest speaker on Monday evening, Nov. 11, at 7:45 p. m. for the Washington County Association for Retarded Children, which will hold its meeting at the Fair Park school in West Bend. The association invites all people who are interested in retardation to attend this meeting.

CARD PARTY AT NEW FANE

St. Matthias Altar sodality of Auburn will sponsor a card party on Sunday, Nov. 10, at 8 p. m. at Eddie and Nora's hall in New Fane. All games will be played. Lunch served. Admission 75 cents. 10-25-3

Drive slower when slippery!

First Cystic Fibrosis Drive Here is Success

MRS. LEROY SCHULTZ IS CO-CHAIRMAN; \$1600 IS CONTRIBUTED IN AREA

Mrs. Roy Wornardt, Mrs. Tom Slaughenhoup of West Bend and Mrs. Leroy Schultz of Kewaskum, co-chairmen of the West Bend and Kewaskum area for the cystic fibrosis campaign, termed the drive a success and expressed their complete satisfaction with the results.

A total of \$1,600.00 was contributed to the drive by residents of the two areas, a gain over last year's contributions.

These contributions will be put into the Wisconsin CF chapter and will help a great deal towards research (without contributions there is no research). It will improve and extend, through research, the life span of CF children, medication at a nominal fee to the parents, respiratory machines and vapor tents will be given to these children as long as they are in need of them, at no extra cost to the parents. No salaries are paid to any person, as all who work in one capacity or another (be it from national president to a board member) are people who have a child or children that were born with this incurable disease.

The co-chairmen wish to take this opportunity to thank all the people who contributed so generously to the CF drive, to the places of business which displayed the canisters, and to Regal Ware, Inc. for their timeless effort in producing the mailing list letters and envelopes. Again they say, "thank you all."

For being the first year the drive was held in Kewaskum, a good job was done by all.

KEWASKUM KITCHENETTES

The hostess for the October meeting of the Kewaskum Kitchenettes was Mrs. Lloyd Backhaus. Mrs. Backhaus served a casserole with hot dinner rolls. What a tasty lunch!

We will entertain for Valentine's Day at the West Bend county home.

The tentative date for the Christmas party is Dec. 1.

The November meeting will be held at the home of Mrs. David Hanrahan. Our white elephant exchange will be held then.

The project on our personal appearance was given by Mrs. Francis Volm and Mrs. Charles Wilke. We were shown how to sit, stand, bend and get into a car properly. Tips on cleanliness, hair care and how to achieve a general, all-over good appearance were stressed. We all are trying to add a habit to our daily routine to make good grooming automatic. The project leaders showed us a film with good grooming tips and hints on make-up.

Your Reporter,

LEAVES ON LAWN

From here on we are going to be bombarded with leaves on our lawns. Some people are going to rake them up and some will not rake leaves. The question is what should I do with them? We think

that if the leaf accumulation is really heavy that you should do one of two things. They should be raked up and raked off the lawn completely. Failure to do so means a heavy matting that will cause the grass to kill off during the winter, especially if we have a lot of snow and ice accumulate on top of the leaves. The idea of chopping these leaves with a rotary mower is also very good. This simply grinds them up so the leaves drop into the soil between the grass roots. This is also a very good idea. Most lawns need this extra organic matter and this is a good way to get it. Therefore, if you have a wheel mower, we suggest you rake the leaves and remove them; if you have a rotary mower, we suggest you grind them up.

A dollar may not do as much for you as it used to, but you don't do as much for a dollar.

Children's Service Society Fund Drive Underway in County

DR. EDWARDS, MRS. CHARLES MILLER ARE MEMBERS OF SPONSORING COMMITTEE

A fund raising drive to support the work of the Children's Service society is under way in the non-urban areas of Washington county and 30 other counties throughout the state. The society is Wisconsin's only voluntarily supported, statewide child welfare agency serving children of all creeds. Joseph P. Weninger of the Allenton State Bank is receiving contributions for the agency's campaign in this area. Support is sought from all people in the county with the exception of Hartford and West Bend where Children's Service participates in the United Fund and Community Chest drives.

Members of the Children's Service society Washington county sponsoring committee are: Joseph P. Weninger, treasurer, Allenton; Mrs. Alpha Lentzner, Germantown; J. J. Shinnars and Arthur Snyder, Hartford; Mrs. James Albrecht, Jackson; Dr. Richard G. Edwards and Mrs. Charles Miller, Kewaskum; Mrs. William P. Kratz, Slinger; Judge Milton L. Meister, Reverend Daniel Stahmer and Bernard C. Ziegler, West Bend.

Judge Meister is a member of the board of directors of Children's Service.

For 74 years, since 1889, the Children's Service society has operated in Wisconsin—providing foster homes for troubled children, helping the unmarried mother who needs service away from her home community make the best plans for herself and her child, and placing children for adoption. The agency is equipped to provide care in specialized foster homes for a limited number of non-adoptable children when they are referred through an authorized agency.

Last year CSS served 662 children and 368 unmarried mothers and placed 103 children in adoptive homes. A total of 82,140 days of foster care for children was provided. Although the agency helped 13.7% more children in

1962 than in 1961, the costs of its service were held to an increase of only 8%.

Managed by a non-paid board of directors Children's Service is one of the 8 Wisconsin child welfare agencies accredited by the Child Welfare League of America. Volunteers serving on the agency board, advisory board and sponsoring committees number 528.

The agency operates through offices in Green Bay, Madison, Milwaukee, Neenah, Racine and Wisconsin Rapids. A staff of 26 caseworkers with experience in child welfare and a master's degree in social work provide professional counseling and foster home placement on a non-sectarian basis.

Toys for Tots Project to Help Needy Children

Charles P. Whittlinger, director of the Washington County Public Welfare Department, announced that the department will once again help co-ordinate the efforts of county-wide groups wishing to help needy children enjoy a full Christmas. The welfare department will act as a liaison between civic groups and needy families. This will prevent an over abundance of gifts being given to some families, while needy children in other families remain forgotten.

Last year thirty-one county organizations participated in helping 406 children of 123 needy families. "We once again embark on a new 1963 'TOYS FOR TOTS' project, and must again enlist the aid of thoughtful organizations to aid individuals in Washington county," Whittlinger said.

The "Toys for Tots" chairmen, caseworkers Richard Ruck and Mary Stempel, request that the organizations interested in helping this year please contact them at FEderal 4-3491 on Tuesday or Friday mornings, or write to the Washington County Public Welfare Department, West Bend, indicating the name of your organization and the committee chairman in charge.

Organizations or individuals contacting the Welfare Department will be later furnished with the necessary information concerning the project. All organizations wishing to participate should contact the agency no later than Nov. 22, 1963.

Recent Bride of Dave Nigh

Miss Elizabeth E. Retzer, daughter of Mr. and Mrs. Joseph Retzer, Sr., 8744 W. Fond du Lac ave., Milwaukee, became the bride of Dave E. Nigh, son of Mr. and Mrs. Elmer Nigh, R. 2, Campbellsport, during a 10 a. m. nuptial Mass read in St. Phillip Neri church, Milwaukee, on Saturday, Oct. 5. Mums decorated the main altar for the ceremony.

The bride chose a floor length, white gown of chantilly lace with net separating the lace at the waist and proceeding in a semi-circle to the floor ending at the side of the dress. The back was made of layers of lace and net. The fitted bodice with scoop scalloped neckline was trimmed with pearls. The sleeves were full length coming to a point at the wrist. Her flowers were a cascade design of three white chrysanthemums surrounded with white mums with yellow roses scattered throughout the bouquet.

The bride was attended by Miss Mary Ann Retzer as maid of honor, while Misses Mary Ellen Nigh and Patricia Nigh and Mrs. Dale Timmler served as bridesmaids. Miss Joan Schoofs was the junior bridesmaid. All of the attendants were dressed in gowns of two-toned paradise and peacock blue peau de soie styled with fitted bodice, scoop neckline, short

sleeves of paradise and a crushed cummerbund and side bow of peacock. The full gathered floor length skirts were in peacock. Their headpieces were a crown of silk braid with pearl and crystal trim and brief veils in peacock. They carried wicker baskets of flowers in yellow, white, gold, bronze and rust trimmed with gold ribbon. Three-quarter length white gloves completed their attire. The gown and flowers of the flower girl, little Miss Loria Nigh, were a miniature of the bride's.

Vincent Nigh attended the bridegroom as best man, while Lawrence Nigh, Jerome Nigh, John Heisdorf and Alvin Retzer served as groomsmen. Ushers were Joseph Retzer and Gregor Nigh, while Allen Bird acted as ring bearer.

Dinner was served to 100 guests at St. Phillip's hall, followed by supper for 300 guests at West Park ballroom, West Bend, where a reception for 650 guests and a wedding dance were also held.

Mr. and Mrs. Nigh are now at home at 133 Clinton st., Kewaskum. The bride a graduate of Custer High school, Milwaukee, now is an office employee at Regal Ware, Inc. Her husband graduated from Kewaskum High school and is employed at Kewaskum Frozen Foods.

THEUSCH - BATZLER

Nuptial vows were exchanged during a 10 a. m. Mass in Holy Trinity church, Kewaskum, on Saturday, Oct. 26, by Miss Grace Helen Theusch, daughter of Edward Theusch, R. 2, Kewaskum, and the late Mrs. Theusch, and Gerald Oscar Batzler, son of Mr. and Mrs. Joseph Batzler, R. 3, Campbellsport. The Rev. John Budde officiated.

The bride's floor length gown of taffeta and chantilly over satin had a seed pearl and sequin trimmed long sleeve lace bodice with a Sabrina neckline. Tailored bows accented the taffeta skirt. Her ballerina length veil cascaded from a crown of braid and pearls and her bridal bouquet of red roses had streamers holding tiny rose buds.

Miss Elaine Gundrum, cousin of the bride, was the honor attendant, while the bridal aides were Mrs. Ray Sippel and Miss Susie Batzler, sisters of the bridegroom. They wore identically styled gowns of peau du soie in mint and emerald green. The floor length skirts were topped with a crushed cummerbund. The fitted bodices were mint green and had scoop necklines. A velvet rose in emerald green held their tiny veils. Miss Gundrum carried bronze pompons and green edged carnations, while the bridesmaids carried bronze and gold pompons.

Roger Theusch, brother of the bride, served as best man for the bridegroom, while Ray Sippel, a brother-in-law, and Richard Theusch, cousin of the bride, acted as groomsmen. Two cousins of the bridal couple, Robert Theusch and Robert Melzer, served as ushers.

A dinner and reception in the parish hall was followed by a dance at Nonn's Kettle Moraine resort.

The bride, a graduate of Kewaskum High school, had been assisting at home prior to her marriage. Her husband is engaged in farming at R. 3, Campbellsport, where they are now residing following a northern Wisconsin wedding trip.

Town Scott Church Installs New Pastor

The Rev. Donald Burgdorf, who for the past three years served congregations at Spencer and Lynch, Nebraska, was installed as pastor of Immanuel Lutheran church in the town of Scott in an 8 p. m. vesper service on Sunday, Oct. 27.

The sermon was delivered by the Rev. E. T. Schmidtke of Sheboygan, under whom Pastor Burgdorf vicared a few years ago. Officiating pastors for the service were the Revs. Reinhard Jagow, Fredonia; Donald Werchan, Cascade; Arthur Haupt, New Fane; Walter Stolper, Adell, and C. W. Knorr, Batavia. The ladies of the parish held a reception for Rev. and Mrs. Burgdorf following the service, which was held in the church basement auditorium.

On July 3, 1960, Pastor Burgdorf was married to the former Jodell Kremer of Sheboygan, whom he met while serving as vicar under Rev. Schmidtke. The pastor and his wife are making their home temporarily in Batavia until the new parsonage, under construction on the Immanuel church property, is ready for occupancy. The parish had been without a pastor of its own since last Easter.

REGISTERED NURSES TO MEET AT HARTFORD

The Registered Professional Nurses organization of the Kettle Moraine area will meet Nov. 11 at St. Joseph's hospital in Hartford at 8 p. m. Dr. Dean Eperson and Mrs. Ruth Gammerdinger (physical therapist) will lead the discussion after a movie is shown on "Breast Self Examination and Care After a Mastectomy."

AUTO HITS COW, DAMAGED

A cow owned by Fred Belger, R. 1, Kewaskum, was believed to have suffered internal injuries when it was struck by a car driven by Gerald W. Kleinke, 25, of R. 2, Campbellsport, on STH 84 about 1/4 of a mile east of STH 144 at 4:55 p. m. Saturday. The right front and hood of the auto was damaged.

SCHOOLS CLOSED FOR TEACHERS CONVENTION

Kewaskum public schools were closed on Thursday and Friday, Nov. 7 and 8, while members of the faculty of the high school and elementary schools attended the annual teachers' convention in Milwaukee. Classes will be resumed Monday.

You wouldn't wear a bathing suit to shovel snow. Be just as wise when you're driving your corn picker, urges the Kewaskum FFA chapter. Wear only clothes that fit snugly and don't have loose pockets or sleeves that can whip into moving parts. Or trip you as you dismount from the unit.

Koth President Of Men's Golf Committee

About 50 members of the Hon-E-Kor Golf and Country club attended the annual meeting and election of officers of the men's golf committee at the clubhouse on Monday night.

Officers elected for the 1964 season were as follows:

President, Bruce Koth, who succeeds Clayton Stautz; vice-president, Erv Werner, who succeeds Charles Sparks, and secretary and treasurer, Karl Kurth, succeeding Albert M. Hron, Jr.

Named to the board of directors of the club were Clayton Stautz, Bruce Koth, Erv Werner and Bud Korth, holdovers from this season, and Wayland Tassar Karl Kurth and Harold Perkins.

The new directors will hold a meeting within the next two weeks to appoint a golf committee to set the rules of play for next season. It will then be the duty of this appointed committee to govern the regulations of play for the next year.

Members are reminded of the final social event of the year, which will be the Christmas party on Saturday, Dec. 14.

Lakes Baseball Banquet Is Held

"Unser" Joe Hauser of Sheboygan, one of baseball's most colorful figures for many years, and former home run slugger in the American Association, was the guest speaker at the annual Land o' Lakes Northern division baseball banquet held Saturday night, Oct. 26, at the Turner hall in Sheboygan.

Director Carl Kuss of West Bend presented trophies to the following teams: Cedarburg, championship; Sheboygan, second place, and West Bend and Saukville, tied for third. Kewaskum wound up in sixth place with a 10-8 record.

Al Vey, who batted .439 for Cedarburg's champs, received the batting trophy. He also starred as a pitcher. Pat Murray, Sheboygan's leading batsman, received a trophy from his teammates, as did Pitcher Bobby Ayers, who was named the team's most valuable player.

SPORTSMEN TO MEET

The regular monthly meeting of the Kettle Moraine Sportsmen's association of Kewaskum will be held Tuesday evening, Nov. 12, at the Legion clubhouse. Free beer and free lunch will be served.

County Agent News Notes

By MAURICE J. HOVLAND
Washington County Agent

SIRE CALF PROJECT IS DISCONTINUED

The Washington county Holstein breeders board of directors recently met to discuss projects for 1964. After considerable discussion the board of directors decided to discontinue the sire calf project that has been held for many years. Nineteen sales have been held in Washington county in this project. Originally the project was designed to get good Holstein bull calves into herds where they could be used. Over the period of many years nearly 400 such bull calves have been made available in this way. In recent years, however, the project has lost a great deal of its popularity and rightly so. With the advent of artificial breeding in dairy business, the project was not in demand as it had once been. Because of this a great many people have no longer been interested in either consigning or accepting a sire calf for the project. It therefore seemed logical to this board of directors that the sire calf project could at this point be discontinued.

MASTITIS MEETINGS IN KEWASKUM, WEST BEND

We have two more mastitis meetings coming up next week. These two meetings will be held on Monday, Nov. 11, in West Bend at the Electric Power company meeting room at 8:00 p. m., then on Wednesday, Nov. 13, in the v.o.g. room of the Kewaskum High school, at 8:00 p. m. Dairy plant operators will start the meeting by talking about the mastitis situation as they see it within their own plants. This will be followed by a presentation by Dr. Arlan Smith of the state diagnostic laboratory on the situation on mastitis as they see it through the diagnostic laboratory. A presentation will be made by two milking machine dealers in Washington county, showing films on things this company has learned about controlling mastitis. All farmers who are interested in their herds are welcome. Notices have gone out to many of them, but many of them have not been informed of these meetings. We take this opportunity to welcome all dairy farmers to attend either of these two meetings.

ATTEND MEETING

Last week Wilbert Kurth, director from Washington county of the South Eastern Wisconsin Farm Management association and this agent attended a board of directors meeting of the association at

Madison. The purpose of this meeting was to discuss machine record keeping for farms. It is truly amazing these days what machine records are doing to keep everyone informed. We were told at the meeting that IBM machines are now processing practically all dairy herd improvement records in the state of Wisconsin; we already knew this. But we did not know that soil sample reports are being processed on IBM machines. Probably the newest development that has come about is the processing of farm income records on the IBM machine. We are led to believe that this is only a start in the machine data processing in agriculture. There will be many other developments in this program in the years ahead. A great deal of the research coming out of both private and public institutions is processed this way and it seems that each year we get more and more dependent upon these machines. The machines do not make mistakes. If the information fed into them is proper then the machine can do a good thorough job of processing and doing it properly. This is an indication probably that farmers, as well as other people, are going to become more and more dependent upon records and the information contained therein.

past two years, think of it 15 inches in two years. If you get down into the subsoil you find it extremely dry. This could have some very adverse affects on cropping histories next year. It is all the more important then to get as much organic refuse into the soil as possible this fall. There are two reasons for having lots of organic matter in the soil. One of them is that they hold water. Mineral soil in itself will hold no water at all. It is the organic matter

in the soil that will hold water. Second reason is that if it holds water and the water holds plant nutrients then the organic matter is needed to hold those plant nutrients as it holds the water. Therefore we suggest to you that you make every effort to get as much of this refuse plowed down as is possible.

Be humble enough to obey. You will be giving orders yourself some day.

CHANGES MADE IN DEER HUNTING REGULATIONS

The duck season closed at 4:41 p. m. Friday, Nov. 8. The pheasant season overlaps the deer season and will close at 4:27 p. m. Sunday, Nov. 24.

The trapping season for mink and muskrat opened Oct. 28 and will continue until Jan. 15. The number of trappers is less than last year, partly due to low water and the price of muskrats. Mink continue to bring a fair price. However, the number of complaints has increased from last year in regard to the stealing of traps and fur. There are reports of individuals, traveling from road bridge to road bridge in the early morning hours, and in the event an animal is in a trap, both are gone when the owner of the trap arrives.

Five deer were killed on county and state highways in the past week.

Again this year a few changes have been made in the deer hunting regulations.

(1) The general state-wide season on spike bucks and larger is Nov. 23 - Dec. 1.

(2) The Mississippi River counties and several counties in the east-central area (Calumet, Manitowoc, Sheboygan, Dodge, Wash-

ington and Ozaukee) will have an any deer season, Nov. 23 and 24 and a buck only season, Nov. 25 - Dec. 1.

(3) Several counties in the southern area (Waukesha, Jefferson, Dane, Crawford, Grant, LaFayette, Green, Rock, Walworth, Racine and Kenosha) will have an any deer season for two days only, Nov. 23 and 24.

(4) There will be only a limited party permit this year.

(5) It is again unlawful to transport any deer in or on any motor-driven vehicle from the time it is killed to the time it is lawfully registered unless the deer is carried openly exposed and in such a manner that the deer tag attached cannot be handled or manipulated by any occupant of the vehicle.

(6) It is unlawful to hunt deer or bear in any manner at any time or to hunt any species of game during the deer gun season with any rifle or shotgun loader with single slug or ball within 200 feet of the center line of any lettered state forest road and of any state, federal or county highway.

These regulations are certainly not complicated and compliance with them will be expected.

The legal kill of deer this year will in all probability be considerably more than last year. There has been no party permit for two years and the herd appears to have increased considerably.

But what about the illegal kill? It will no doubt increase too. We know most deer hunters dislike this situation a great deal and many of them really want to do something about it—and you can surely help. In fact, this illegal kill will probably continue until the hunting public is aware that regardless of who sees them kill an illegal deer, warden or just another hunter, they are in for trouble!

If you do not like this killing of illegal deer—be alert to what is going on around you. As you know, deer hunters are required to wear a back tag, the number of which is the same as the license issued to that individual. You also are aware that to shoot any deer, other than a buck with at least a 3" spike, is illegal.

Now, keeping these regulations in mind, what can you do to help? When you see an individual shoot a deer other than a buck with at least a 3" spike horn get his back tag number.

Observe what his actions are after he has made the kill. Does he dress the deer out? Does he hide the deer? Does he take it with him? Observe how the man is dressed. Get the best description possible—his clothing, his approximate age, height, weight, color of hair, kind of gun and anything else that might help to identify the individual. If a car is involved, be sure and get the license number. Write the back tag number

and the license number on any paper you may have available, together with everything else you have observed.

Now get this information to the nearest conservation warden at once! This is really important. How can this be done? Each regular conservation warden is equipped with a two-way radio in his car. Make a call or stop at his home. Someone there usually will know how to get in touch with him. Local police and sheriffs usually are able to contact the warden via radio and are interested in cooperating. Keep trying until you are satisfied the warden will get this information as quickly as possible. Then leave your name, address and telephone number so the warden can contact you later if that is necessary.

If at all possible, be willing and able to go to court to testify to what you have observed. In many cases this is not necessary, but it may mean the difference between convicting the individual for his illegal act or his getting away with it once again.

You may ask, "why can't the conservation wardens do this job alone?" The answer is simple: there aren't enough of us. If those individuals in the hunting public, who see fit to violate the law, must be concerned only with having a warden in a position to observe his violation, he is going to continue his usual activities. However, if he must be concerned that whoever might see him is going to observe closely, and report his observation to the nearest conservation warden at once, he will soon find himself in difficulty and we are satisfied the illegal kill will diminish considerably. CAN'T WE HAVE YOUR HELP?

"BUILD A CLASSY CHASSIS" TOPS CLUB MEETING TOPIC

"Build a Classy Chassis" is the topic of the weekly meeting of the Hopeful Losers TOPS club to be held at 8 p. m. on Thursday evening, Nov. 14, at the Washington county courthouse auditorium in West Bend.

The slide program on diet and figure control is presented through the courtesy of the Dairy Council of Milwaukee. The public is cordially invited to attend this program. There will be parking facilities at the rear entrance of the courthouse. Coffee will be served following the program.

MASTITIS CONTROL MEETING AT SCHOOL

There will be a mastitis control meeting at the Kewaskum High school agriculture room Wednesday, Nov. 13, at 8 p. m. All interested dairy farmers of the area are invited to attend. Dr. Arlan Smith of the State Department of Agriculture will present the state-wide program for control of mastitis and abnormal milk.

This meeting is one of a series of four being held in Washington county. Dairy plant operators will start the meeting by talking about the mastitis situation as they see it within their own plants. A presentation will be made by two milking machine dealers in the county, showing films on things this company has learned about controlling mastitis.

For best results, store apples in large plastic bags and keep temperatures around 32 degrees, says George Klingbeil, fruit specialist at the University of Wisconsin.

VILLAGE BOARD

(Continued from page one)

ity to ask questions.

After due consideration, motion was made by Trustee Kral and seconded by Trustee Geidel that the bid of Gaiser Ford Corporation for a Ford police car appeared to be the most advantageous to the Village of Kewaskum and should be so accepted. Upon roll call vote, all members present voting "aye," the bid was so accepted and the commissioner was authorized to negotiate the necessary sales agreement according to specifications.

L. L. Rosenheimer presented to the board the final plat of the Roseland Hills subdivision, a subdivision in the southwestern part of the village, for approval. The plat was referred to the village's engineering firm for examination.

The commissioner was authorized to advertise for bids for the construction of an ice skating shelter according to the revised specifications.

The board discussed the possible change of the ordinance governing the assessing to property owners the cost of street surfacing.

The changing of the ordinance which prohibits taverns from selling more than one quart of liquor at any one time for off premises consumption was tabled.

The totals of all claims, as recommended and approved by the Finance Committee, were as follows:

Village General Fund	\$4,114.33
Water Dept. Fund	645.12
Sewage Dept. Fund	571.13

Payment of these claims, as recorded in the official record, was approved upon motion by Trustee Kral, seconded by Trustee Geidel and duly carried.

Upon motion by Trustee Wietor, seconded by Trustee Kral, the board adjourned subject to call.

Newest model makes its bow— Chevrolet's Chevelle Malibu SS Coupe

Newest member of the growing Chevrolet passenger car family is the Chevelle. Although 16 inches shorter and 24 inches narrower than comparable Chevrolet models, the Chevelle offers virtually all the interior roominess and smooth fine car feel of a full-size luxury car. The Chevelle Malibu SS Sport Coupe (shown above) is one of 11 Chevelle models which will be in dealerships beginning September 26. The Chevelle is offered in the Malibu, Malibu SS and 300 Series.
