Four Scouts to Receive God and Country Awards

Four candidates will receive their God and Country awards in the service at Peace United Church of Christ at 10:15 a. m. on Sunday, Jan. 12. They are Joel, son of Mr. and Mrs. Fred Fehlhaber; James, son of Mr. and Mrs. Willard Manthei; David, son of Mr. and Mrs. Lloyd Teeselink; Scott Waranius, grandson of Mr. and Mrs. Henry Weddig, Sr.

All of the Cubs, Scouts and Explorers and their leaders in the community are invited to attend the service in uniform and participate in the recognition service. All friends of these Scouts are invited.

Red Cross Chapter To Offer Advanced Class in First Aid

A class in advanced first aid will be sponsored by the West Bend chapter of the American Red Cross beginning Monday evening, Jan. 20, at 7:30 o'clock at the Red Cross headquarters, second floor of the library building. Any person holding a standard first aid certificate received within the past three years is eligible to attend the 10 two-hour sessions.

The course will open with a brief review of the standard first aid skills. The student will be refreshed on the why and how of first aid, wounds, shock, artificial respiration, poisoning by mouth, injuries to bones, joints and muscles, burns and ill effects of heat and cold. Included will be common emergencies, transportation, and first aid skills for the standard course.

The advanced course will consist of a study of the human body, special wounds, common emergencies, skeletal injuries, first aid kits, and skills for the advanced course.

The class will be conducted by Miss Estelle Hilgendorf, authorized instructor. The textbook, the fourth edition, published by the American Red Cross, will provide the basic information.

When the advanced course has been completed the chapter is planning to teach the instructor course. Requisite for the course is a current advanced certificate. More instructors are needed within special groups—fire departments, police, teachers, clubs and homemaker groups.

Local Gamble Dealer Awarded 25-Year Pin

Mr. and Mrs. Frank Felix, local Gamble Stores authorized dealers, attended the annual company merchandise conference at the Morrison Hotel in Chicago Sunday. Merchandising plans for the coming year were revealed and various manufacturers displayed their new merchandise.

Mr. and Mrs. Felix, who have been operating the local Gamble Dealer Store since 1939, were awarded a 25-year service pin by the company at the Chicago conference.

Prize Winners in Holiday Decorating Contest Announced

Prize winners in the annual "Holiday Homes" Christmas decorating contest in the village were announced last week end by the Kiwanis club, sponsor of the event. The contest was divided into three groups: original, religious and illumination, with \$75 in prizes offered to the three winners in each group.

Entries were judged on Sunday evening, Dec. 29, by the committee. First prize in each group was \$12.50, second \$7.50 and third \$5.00. The winners were as follows:

Religious—1st, Homer Schaub; 2nd, Alex Laubach; 3rd, Ted Schoofs.

Originality—1st, George Koerble; 2nd, "Tiny" Terlinden; 3rd, Vincent Nigh.

Illumination—1st, Roger Groeschel; 2nd, Harold Schlosser; 3rd, Dr. R. G. Edwards.

Engagements of Young Ladies Told

Mr. and Mrs. Ralph Jakubiak, R. 3, Campbellsport, announce the engagement of their daughter Jacqueline to Larry Hoepner, son of Mr. and Mrs. Hilary Hoepner, R. 2, Kewaskum. No immediate wedding plans have been made.

Mr. and Mrs. Leland Vetter, R. 1, Kewaskum, announce the engagement of their daughter, Gloria Jean, to Joseph Boden, son of Mr. and Mrs. Edgar Boden of R. 2, Germantown. Miss Vetter is a graduate of Kewaskum High school and is an office employee at Regal Ware, Inc. Her fiancé is a graduate of Germantown High school and is an employee of Gehl Bros. Mfg. Co., West Bend.

Mr. and Mrs. Edward Knoeck of R. 2, Kewaskum, are announcing the engagement of their daughter, Ruth, to Larry Kiefert, son of Mr. and Mrs. William Kiefert of Milwaukee.

FIREMEN HOLD ANNUAL PARTY SATURDAY NIGHT

Members of the Kewaskum fire department, with members of the village board and police department as guests, enjoyed their annual stag party at the fire station on Saturday night. Close to 50 men were in attendance.

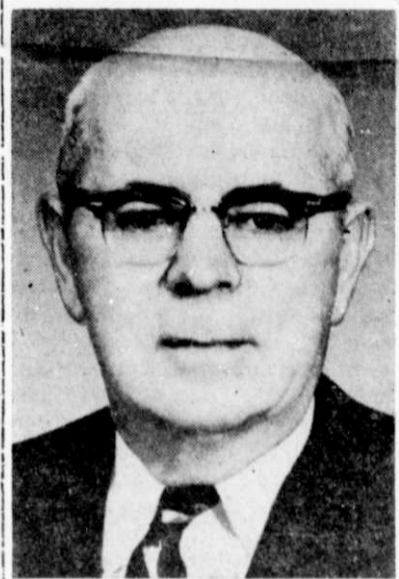

Delicious roast turkey, goose and beef were served together with the usual assortment of refreshments. Forty door prizes were given to all members of the fire department. The prizes were donated by Kewaskum business establishments as were some of the bottled refreshments. The night was spent with some hot card games going and in "chewing the fat," with some "shooting the bull" and joke telling. It was also annual "pay day" for the firemen.

Births

KOCH—A daughter to Mr. and Mrs. Harry E. Koch, Kewaskum, Friday, Jan. 3. The Kochs have one other daughter, Wendy.

Albert G. Hron, Sr. Dies

Albert G. Hron, Sr., 75, of 1517 Tower st., Kewaskum, suffered an apparent heart attack at about 10:20 a. m. on Friday, Jan. 10, and collapsed in front of the post office on Main st. He was carried inside the post office and the firemen's rescue squad was summoned. Members administered oxygen to Mr. Hron and he was given the last rites of the Catholic church, following which he was rushed to St. Joseph's Community hospital, West Bend, where he was pronounced dead on arrival.

Albert G. Hron, Sr.

Mr. Hron was a retired employee of Regal Ware, Inc., where he held the position of works manager. At present he served as a consultant for the firm. Just recently he had returned from an auto trip to California, where he visited his son-in-law and daughter, Mr. and Mrs. Fred Miller, and family.

Funeral arrangements had not been completed when the Statesman went to press and information may be had by calling Miller's Funeral home.

PROFESSIONAL NURSES TO HOLD PANEL DISCUSSION

The Kettle Moraine Professional Nurses organization will meet Jan. 13 at St. Joseph's hospital in West Bend at 8 p. m. An interesting program is planned with a panel discussing "The Relationship of Clergy and Patient."

On the panel will be the Rev. Ralph Schultz, pastor of Friedans and St. Peter's church at Jackson, Sr. Mary Edwards, director of nursing services at St. Joseph's hospital, West Bend; the Rev. Dan Stahmer, pastor of 5th Avenue Methodist church, West Bend; the Rev. Reutz, chaplain at St. Joseph's hospital, and Miss Helen Degner, Washington county public health nurse.

M. MARTIN ELECTED BY CAMPERS GROUP

At a recent meeting of the West Bend chapter of Wisconsin Campers Association, Inc. officers for 1964 were elected. They are Marvin Martin, Kewaskum, president; Ethel Ohmann, West Bend, vice-president; LaVerne Schloemer, West Bend, secretary; Edwin Moore, West Bend, treasurer; Fred Clark and Wilmer Vandenberg, West Bend delegates.

Annual Meeting of County Democrats Here This Sunday

The annual meeting of the Washington County Democratic party, held each year for the election of county club officers, will be held this Sunday, Jan. 12, starting at 2 p. m. at the Labor hall here.

Open elections, by secret ballot, will be held to fill offices of county chairman, vice-chairman, secretary, treasurer, sergeant-at-arms, and at-large members of the organization's executive board.

Vice-chairman Marvin Martin of Kewaskum pointed out that although all 1963 members were mailed a notice of the annual meeting, only paid-up 1964 members would be allowed to vote, in accordance with the by-laws of the state Democratic party. Martin urged all former members of the Democratic party and everyone interested in keeping our two-party, American system of government, to come to the meeting and join the Democratic party.

Completes Course In Seedsmanship

Douglas R. Gilson of Rosenheimer's mill, Kewaskum, recently returned from Milwaukee following his graduation from the School of Seedsmanship conducted by the technical staff of the American Forage Alliance.

The Alliance, formed in the spring of 1963, is made up of agricultural groups interested in the improvement of forages and their utilization and includes plant breeders, contract seed growers, processors, distributors and retail seed dealers in nine north central states.

Studies by agricultural economists indicate that by 1975 our expanding population will require 47% more red meat and 43% more dairy products than we produced last year if we are to feed our people at today's standards. It is felt that a large part of this addition will come from the increased and improved use of roughage crops.

Gilson's course of study included the latest work in plant breeding to develop more nutritious, productive, winter-hardy and disease resistant forages. Also, he completed studies in the latest planting practices, fertilization requirements and roughage feeding practices. Gilson plans to include specialized farmer seed service with his work.

CONTRIBUTE \$52.26 HERE TO MUSCULAR DYSTROPHY

A total of \$52.26 was contributed in the muscular dystrophy canisters placed in various business establishments throughout the village. The canisters were placed by the Kewaskum fire department and collected six weeks later. The money contributed has been sent to W. W. Wendel, state chairman, in Milwaukee. The fire department wishes to thank the public for their contributions.

Ewald J. Rauch Fatally Stricken On Fishing Trip

Ewald J. "Smokey" Rauch, 57, of R. 3, West Bend, died unexpectedly of a heart attack early Saturday morning, Jan. 4, while driving his car north on County Trunk W at the intersection with Hwy. 45 south of Eden. Rauch and a cousin, Jacob Kuehl of Kewaskum, were on their way to go ice fishing on Lake Winnebago. The car in which they were traveling crossed Hwy. 45 at the intersection, went through a ditch and stopped in a field. The attending physician said Rauch apparently died prior to the mishap, which occurred at 6 a. m. about five miles south of Eden. The car failed to stop for a stop sign at the T intersection.

Rauch's son Vernon and two of Kuehl's sons, following in another car, saw the accident and called the Fond du Lac county ambulance. Rauch was pronounced dead on arrival at St. Agnes hospital, Fond du Lac. Kuehl was also removed to the hospital with minor injuries. He was treated for slight lacerations, a head bruise and shock.

Kuehl told Fond du Lac county police that he had been conversing with Rauch before the accident occurred, but could not state whether the driver was stricken prior to the mishap or after. A trailing motorist said he did not see stop lights flash on the auto as it ran through the sign and into the field beyond for some 150 feet. The auto had minor damage.

Rauch was born in the town of Ashford on Nov. 24, 1906, a son of the late William and Hanna Hassinger Rauch. He formerly engaged in farming and more recently had been a construction worker. He and the former Ruth Menger were married at Salem church in Wayne on June 5, 1937.

She survives him together with a son, Vernon, a daughter, Sherianne, both of R. 3, West Bend; a daughter-in-law, four grandchildren, two sisters, Mrs. August Hilbert of Fond du Lac and Mrs. Alex Shantos of Sun Prairie; two brothers, Elmer Rauch of Fond du Lac and Calvin Rauch of Campbellsport, and other relatives and friends.

Funeral services were conducted at Salem United Church of Christ, Wayne, at 2 p. m. Tuesday, Jan. 7. The Rev. Herbert Feierabend officiated and interment was in the parish cemetery. Friends called at Miller's funeral home, Kewaskum, from 2 p. m. Monday until 11 a. m. Tuesday and at the church from noon to the time of the services.

HOLY NAME BREAKFAST AT CAMPBELLSPORT ON SUNDAY

Sunday, Jan. 12, is Holy Name society Communion Sunday. Members of Holy Trinity church are invited to join members of St. Matthew's parish in receiving Holy Communion at the 7:30 a. m. Mass at Campbellsport. Breakfast will follow the Mass. Local men are asked to meet at 7 a. m. at the parish hall.

25 Years Ago

Jan. 6, 1939

The village board adopted an ordinance limiting the number of taverns to one license for each 100 inhabitants or fraction thereof. The board also voted to construct toilets in the village park under a WPA project.

Gerhard Reinders, who managed the Kewaskum Funeral home for Wm. Techtman of Barton for several years, moved to Manitowoc where he has obtained a position in the undertaking line. Mrs. Reinders, who operated a bakery in the Gruber building on Main st. the past summer, also left the village. At present she is spending a vacation in Arkansas. The funeral parlors in the former Mrs. Mary Jacobitz home, are for rent and the Gruber building is left vacant.

Mr. and Mrs. Henry Kirchner, Jr. and family moved from the Mrs. Rob. Backhaus home on 2nd st. into the building occupied as a tavern and lunch room by his father on Fond du Lac ave.

Harold "Droopy" Stark of Milwaukee, trombonist with Heinie and His Grenadiers, famous WTMJ radio orchestra, paid the Statesman office a friendly call and also visited relatives.

Sylvester Terlinden and Sylvester Harter, members of the Wisconsin Aces dance orchestra, left right after their broadcast on the Kewaskum hour over station WHBL Sunday afternoon to fill a dance engagement at Dakota, Wis. near Wautoma the same evening.

Little "Patty" Dreher was the guest of Robert Brauchle in the grammar room at the public school on Friday.

John H. Martin, who was retired as rural letter carrier on R. 1 recently after over 33 years of service, was honored in a letter of congratulations and praise from United States Postmaster General James A. Farley, who also enclosed an autographed photo. Mr. Martin intends to have the letter framed.

Bend, one of the largest dance pavilions in the state, was badly damaged by fire Sunday evening. The fire, which started in the basement, was first noticed by Mr. Strube while eating supper. The fire department finally put the blaze under control. Damage amounted to about \$2,000 to \$3,000.

Walter Belger, youngest son of Mr. and Mrs. Fred Belger of the town of Kewaskum, was operated upon for the removal of a kidney at West Bend.

4-H Club News

KEWASKUM 4-H'ERS

Following a short business meeting in November we had our parents night program.

Dawn Martin and Diane Ramel gave very interesting talks on 4-H. Several of the girls gave a dress revue, while other members exhibited articles made as their projects. A photography demonstration was given by Joan Schoofs.

The oath of office was given the new officers by Mr. Belongia. They are: President, Bonnie Smith; vice-president, Charles Bunkelman; secretary, Diane Ramel; treasurer, Dawn Martin; reporter, Joan Schoofs, and sergeant-at-arms, LeRoy Butzlaff.

Roy Esser gave a very interesting talk on how parents can help and encourage their children with their 4-H project and also their everyday problems.

The achievement pins were presented to the members by Mrs. Bunkelman, our leader.

Singing followed by refreshments closed this meeting.

Our December meeting and Christmas party was held Dec. 12. Dues for the coming year are 50 cents and were due at the January meeting. In the future the refreshment committees will consist of one or two families.

After the meeting games, songs, refreshments and exchanging gifts were enjoyed by all at our Christmas party.

Our next meeting date was set

for Jan. 9.

Sue Sengpiel Bride of James Lecher on Saturday

St. Lucas Lutheran church, Kewaskum, was the scene of a two o'clock wedding ceremony on Saturday afternoon, Jan. 4, during which Miss Sue Kathryn Sengpiel, daughter of Mr. and Mrs. Ned Sengpiel, 202 Forest ave., Kewaskum, became the bride of James Allan Lecher, son of Mr. and Mrs. A. H. Lecher, 3280 Pilgrim road, Brookfield, Wis. The Rev. Donald Bitter officiated.

Candles on the pews of the center aisle led to an archway of greens and white flowers under which the ceremony was performed. Flowers also banked the altar for the service. Two vocal solos, "O Perfect Love" and "Our Wedding Prayer," were rendered by Paul Albrecht with Mrs. W. Walvoord accompanying at the organ.

The bride chose a gown of taffeta and lace with pearl and se-

quin trim. A cathedral train enhanced with taffeta roses formed the bustle. Her fingertip veil fell from a white fur hat with pearl and sequin crown. She carried gardenias with white roses.

The honor attendant, Ellen M. Sengpiel, sister of the bride, wore a full length gown of light purple velvet. A white fur hat held her veil and long white gloves and a fur muff with violets completed her attire. The bridal aides, Gail Sengpiel, Jean Dalzell, Judy Borleske and Roseann Mundt, were attired in dark purple velvet gowns styled like that of the maid of honor. The little flower girl, Lynn Reigle, was attired in a light purple gown identical to those of the other attendants.

Donald Lecher served as best man for the bridegroom, while William Niebühr and Richard Jueack acted as groomsmen.

Guests were seated by William Sengpiel and Webber Hermann. Master Douglas Reigle carried the rings.

A reception for 375 guests was held at the Linden Inn, Big Cedar lake.

The young couple left on a wedding trip to Hawaii and upon their return will be at home after Jan. 20 at 8321 Hawthorne, Ravenswood, in Wauwatosa.

The bride, a graduate of Kewaskum Community High school, is a senior student at the Milwaukee School of Nursing. Mr. Lecher graduated from Brookfield High school and attended the University of Wisconsin, Madison, for three years. At present he is attending evening classes at the university extension in Milwaukee and has a position with Hub Auto Sales in that city.

International Home Furniture Show Is Attended By Millers

Miller's Furniture of Kewaskum was well represented at the International Home Furniture Show held in Chicago this past week, Jan. 6 through 11. The week started off Sunday with a special lamp showing and informative talks by authorities in the lamp field describing the decorative uses and latest lighting techniques of today.

In shopping the two prominent buildings, the American Furniture Market and the Merchandise Market, Millers were enthused with the new groupings introduced by the leading furniture manufacturers. Strong emphasis is being placed on better styling and higher quality as a direct result of consumer demands.

Contemporary styling is becoming a leading trend with emphasis to a warmer look achieved by the use of soft, sculptured design and highlighting the grain pattern of woods to avoid severe looking furniture. Other furniture categories are holding their own in popularity including Early American, Italian and French Provincial and Traditional styles.

Again fashion points to color used in its boldest and brightest hues. Vibrant greens, clear blues, rich oranges and yellows are seen extensively along with deep reds.

As in the past Miller's will be showing these new styles on their show room floors in the coming months. Watch for introductions of the new groupings in the advertisements of your newspaper.

LETTERS TO THE EDITOR

27 December 1963

Dear Mr. and Mrs. Harbeck:

We have enjoyed keeping up with the news in and around Kewaskum. We will have a new address as of 1 January, 1964. Please send our Statesman to Mr. and Mrs. R. S. Okrasa, 1990 Boundry Street, San Diego 4, California. Zip Code 92104.

We would enjoy having our friends in and around Kewaskum to come and visit us at our new home whenever they travel out this way.

We had a rather cool Christmas this year. It was only in the low 60's, compared to the warm weather we had a few days before Christmas.

A Happy New Year to all in Kewaskum from the Okrasa family.

Sincerely,

Bob, Shirley,

Steven and Pamela

Editor's note—Mrs. Okrasa is the former Shirley Keller, daughter of Mr. and Mrs. Leroy Keller, Sr. of Kewaskum.

Free Boat Piloting Classes Announced By Local Commander

The Fond du Lac Power Squadron has announced that registration for free classes in "piloting" will open at 7:15 p. m. Tuesday in room 182 at Fond du Lac's new vocational school on East Johnson st.

According to squadron commander, Henry Rosenheimer of Kewaskum, the course will run for 12 weeks from 7:15 to 9:15 p. m. each Tuesday under the direction of "Ron" Hill, who is in charge of the local piloting course program.

Wide Subject Matter

Subject matter covered in the courses should be of great value and interest to local boatmen, commander Rosenheimer said. The classes cover "Safety Afloat," "Seamanship," "Small Boat Handling," "Equipment and Regulations," "Rules of the Road," "Aids to Navigation," "The Marine Compass," and "Use of Charts." Course material has been newly revised and is directed toward problems encountered in running smaller boats in this area.

The United States Power Squadrons, with its 300 local squadrons and 50,000 members is observing its 50th anniversary year. Its members are dedicated to the improvement of boating enjoyment and safety through education.

Don't Need Boat

Each local squadron conducts at least one free piloting course each year. Instruction, lesson materials and examinations are provided by the squadron without obligation on the part of any student. Total national enrollment this year is expected to exceed 60,000 students.

Promotion Results Of ADA to Be Shown At District Meet

In answer to queries concerning ADA promotional results, the subject will be reviewed at the American Dairy Association District 4 annual meeting, Jan. 15, in St. John's Lutheran church at West Bend, Sam Stanchfield, Fond du Lac, district committee chairman, reports.

Dairy farmers of Dodge, Fond du Lac, Ozaukee, Sheboygan and Washington counties make up the district, and all members or non-members are invited to attend.

The annual meeting will open at 11:30 a. m. with the award winning film "Time of Our Lives." Following the noon dinner, and entertainment, the business session is to be conducted, including election of two committeemen and seven delegates, financial report for 1963, the discussion on advertising results and a film showing ADA promotional programs. Adjournment is scheduled for 3 p. m., immediately after attendance gifts are distributed.

A special session will be held for the ladies, conducted by Miss Jane Comings, ADA home economist, who will discuss "Women's Work in Promotion."

Staff members will be present, including area representative Dave Albrecht, to assist district officials in answering any questions regarding the nationwide ADA program.

Elections will fill two committee positions and complete the district delegation to the state annual meeting, March 10-11, at Wausau.

Nominees are:
Committeemen — Elmer Berg, Brownsville; Wilbur Bohnhoff, Plymouth; and George Gould, Waupun.

Delegates — Harland Kemink, Waupun; Don Indermuehle, Brownsville; Ambrose Schneider, Fond du Lac; Robert Held, Slinger; Otto Kohlwey, Grafton; Christ A. Mayer, Slinger; Lawrence Mai-

er, Columbus; Floyd Payne, Waldo; Ralph Smith, Sheboygan Falls; Wayne Tavs, Brandon; Louis McDonald, Hartford; William Wenzel, Juneau; Merlin Bruecher, Beaver Dam; Harvey Schneider, Waldo; Joseph Sartori, Plymouth; and Harold Wallenfels, West Bend.

Nominations also will be accepted from the floor at the meeting.

Weddings**SCHULTZ - LANDGRAF**

Mrs. Gertrude Schultz and Frank Landgraf, both of R. 1, Allenton, were married in a 3:30 p. m. ceremony performed by the Rev. Donald Bitter in St. Lucas Lutheran church, Kewaskum, on Saturday, Jan. 4. Mrs. Schultz, with her family, just recently moved to R. 1, Allenton, from Kewaskum, having formerly operated the Schultz Village Inn in this village.

Attendants for the couple were Ethel Schumacher, sister of the bride, and John Landgraf, brother of the bridegroom.

A reception was held and supper served to 45 guests at the Labor Center in Kewaskum.

Mr. and Mrs. Landgraf will make their home at R. 1, Allenton. He is employed at Milwaukee Dry Well.

Plan Dinner for Red Cross President at Fond du Lac Jan. 22

Atty. Gerald Marine, chairman of the West Bend Chapter, American Red Cross, announces that a testimonial dinner for General Alfred M. Gruenther will be held at the Hotel Retlaw in Fond du Lac, on Wednesday, Jan. 22, at 6:30 p. m.

The dinner meeting is being held on the eve of the retirement of General Gruenther, who is now president of the American Red Cross.

General Gruenther will be the honored guest at the meeting and the public is cordially invited. He has been president of the ARC

since Jan. 1, 1957 and his retirement is planned for March, 1964.

General Gruenther retired from the service in December, 1956, and is especially well known for his handling of the famous Berlin air lift. He has travelled extensively, having had over 400 speaking engagements throughout the world telling the Red Cross story.

The arrangements for the testimonial dinner are being made by the North Eastern Wisconsin Association of Red Cross Chapters. Anyone interested in attending the dinner is urged to contact the West Bend Red Cross chapter office on the second floor of the library building, West Bend, for reservations and transportation, FE 4-5687. Tickets are \$3.00 including tax and gratuity.

It doesn't pay to skid around with slipping hazards on home floors. The Institute for Safer Living warns that slippery spots or objects on kitchen floors and linoleum often go unnoticed at night or on dark days. Family members should be alert to detect spilled water, grease or other liquids, and such objects as fruit and vegetable peels. They should be removed at once. On wet days, dry shoes before entering the house.

ICE FISHING

Some of the smaller lakes in the county are providing fair to good bluegill fishing. Perch and pike continue to bite at Pike lake, and a few northerns have been taken at Big Cedar.

Gilbert's lake in the town of West Bend is a fish refuge, and fishing at any time of the year is prohibited.

The 1964 fishing license, both resident and non-resident, as well as the new regulations are available at all license depots in Washington county. The 1963 license expired Dec. 31, 1963.

The season on trout is closed in Washington county except that they may be fished on Big Cedar and Fries until Feb. 15, and the bag limit is five rainbows per day.

The bag limit for walleyed pike is five per day in Wisconsin; this includes the Wolf river waters including Lake Winnebago.

Any fisherman fishing thru the ice with hook and line in Lake Winnebago may fish with not more than three lines with not more than one hook attached to each line.

Three deer were killed on Washington county highways the week of Christmas.

On Sunday, Jan. 12, the Yacht Club will sponsor a fisheriee at Pike lake. Prizes will be awarded for various fish taken between the hours of 6:00 a. m. to 3:00 p. m.

Special reduced ski tow rates at Rib Mountain State Park for organized groups of 25 or more persons have been announced by the Wisconsin Conservation Department.

Under the change, weekday group fees for adults will be \$2 per day with a \$2.50 charge set for Saturday and Sunday. This compares to the current daily rate for individuals of \$3.50.

The special lower group rate for students and children of \$1 per day will apply only on weekdays.

Most Hunting Accidents Caused by Young Hunters

A close look at the hunting accidents of the past seasons, and especially the deer season, show that a large percentage of them were caused by relatively young hunters. In most cases these youngsters were violating primary rules of gun safety.

While there was a considerable increase in hunting accidents both fatal and non-fatal, there was a decrease in such causes as swinging on game, a man mistaken for a deer, etc. This is gratifying, and we believe it indicates that the average hunter was a little more careful and had a better knowledge of what he was shooting at before he squeezed the trigger.

We believe these facts indicate quite vividly the need for gun safety training for all youngsters before they start hunting. We have strongly urged this for many years.

While Wisconsin law does not require such training before a hunting license can be obtained, such training is available in most localities.

If your youngster received a new gun for Christmas (or if he is just starting to hunt), we urge you to arrange for him to get professional training before he is allowed to use his gun.

If no professional training is available in your locality, start

the ball rolling to make it available. Surely in your town there is someone qualified to give such training and with your assistance and encouragement, it can be made available, not only to your boy, but to all youngsters in your community.

There is no question—every person should have professional training before he is allowed to go hunting. Such training is available in most communities and could be available in every community. Let's get going—the life you save may be your boy's or even your own.

Now that 1963 is over it is a gain time to look back over the year and evaluate what has been accomplished and where we have failed to meet our goals.

I have again had the opportunity to meet many new people and recall many pleasant experiences.

Most of the people we meet in this business of conservation law enforcement are high caliber individuals, good sportsmen, and law abiding citizens. We work for these people and it is a pleasure to help them in every way possible.

We believe more people than ever have attempted to live up to the law to the letter. They study the regulation pamphlets carefully, and if after careful study they still do not fully understand the regulation, they get in touch with the warden for clarification before they go hunting or fishing.

There has again been a very noticeable increase in the information and assistance received from the public and I assure you it is sincerely appreciated. To each of you who has seen fit to help me and conservation during 1963, my sincere thank you.

We have indeed made some progress in 1963; there is, however, still a long way to go.

From the comments we have heard, the 1963 deer season was a good one in the eyes of most deer hunters. The legal kill was up some.

Most hunters saw more deer than during recent past seasons, and the prospects for next year look good.

There was a noticeable increase in the information received from hunters and a very welcome increase in their willingness to assist in apprehending and convicting those killing and possessing illegal deer.

We had more hunters turn in back tag numbers of those they had observed violating the law than ever before. This is indeed gratifying, and we feel sure with this kind of assistance from you hunters, we will reduce the illegal kill in the future a great deal.

If we lose any appreciable number of deer this winter, it will be from dog kills. Cold weather and snow concentrate the deer and make them very vulnerable to dogs.

Keep your dog confined, and be sure to remind your hunting pals to do likewise. Most of the dogs causing the trouble are hunting dogs and pets, not wild dogs.

If you know of dogs molesting deer, give this information to your conservation warden at once.

When streets are slippery, don't depend on a driver's ability to stop his car—stand back until you are certain it is safe to cross the street.

26 species of mammals and 615 species of plants have been observed in Death Valley, Calif., one of the most desolate areas in U.S.

SOIL TEST MEETING

Farmers in Washington county who have been getting their soil test report from the county ASCS office are invited to a meeting for a thorough explanation of this report on Tuesday, Jan. 14. The meeting will be in the extension office in the old court house in West Bend, at 1:30 p. m. We ask that these attending bring along their copies of their soil test reports, so they can be explained in detail.

It seems some farmers have been a bit confused about this report, and this is an attempt to explain it thoroughly.

FEEDER PIG MEETING

The Wisconsin Feeder Pig Marketing Co-operative will hold annual meetings in each county during the winter months. The first meeting to be held through this organization will be held in Washington county on Jan. 16, at the Electric Power company meeting room, starting about 10:00 a. m. We'll have a fine meeting that day, and all members of the association are invited. Lunch will be served at noon.

TWO HERDS SET RECORDS

The Holstein-Friesian Association of America recently announced new lactation averages for two Washington county herds.

The Nancy Mayhew herd of West Bend has completed 21 production records averaging 18,087 pounds of milk with 647 pounds of butterfat.

Paul Pamperin herd has 38 completed production records averaging 15,141 pounds of milk and 547 pounds of butterfat.

These lactations were calculated on the two-time-a-day milking, and 305 days, using the nature equivalent basis. University of Wisconsin supervised the weighing and testing of production as part of the official herd testing programs through the local testing associations.

These are certainly two fine herds in Washington county; they are but two of many. We'll try to keep you informed in the months ahead of other herds that have some fine records.

Congratulations to Nancy Mayhew and Paul Pamperin.

PEST OF THE WEEK

The only pest of the week story that we can come up with is a family calling about skunks. I think this is something worthwhile mentioning. This family has a dog that was tied in the garage which is attached to the house. The skunk had come in the area and had attacked the dog by going into the garage and promptly spraying everything. You can imagine what an ordeal this will be for this family. The family killed the skunk and then were quite concerned about what to do. Because we have a lot of skunks in our county and because they do move about, and because they may

be rabid, let's use the skunk as the pest of the week and let's tell you something about what you should do. Should you find that a skunk has bitten an animal, be it a human, cat, dog or rat, or anything else, first of all, kill the skunk if you can. After killing the skunk, we suggest that you call your veterinarian and see if you can get this skunk analyzed to find out if it is rabid. If the skunk bit a human, be sure to contact your own doctor so that if he thinks it is necessary, you can start the rabies treatment immediately for that individual. If a dog or cat has been bitten, we suggest that you do one of two things. If the pet is a prized animal, call your veterinarian for treatment; if it isn't, we suggest you have that animal put to death and bury it. Under no circumstances create a situation where a human could be contaminated from the animal.

Chevs Beaten at Watertown, 97-86

The Kewaskum Chevrolets completed first half play in the Land o' Lakes league at Watertown Sunday and were defeated by the strong representative of that city, 97-86. The Chevs finished the first half with a 1-6 record and wound up in 7th place.

Menomonee Falls sewed up the first half championship by defeating Beaver Dam, 96-85, giving them a perfect 7-0 record. In other games West Bend bowed to Fond du Lac, 101-94, and Mayville walloped Port Washington, 106-82.

Two factors contributing heavily to Kewaskum's defeat were the loss of two starters, Don Meisenheimer and Al Tennes, on personal fouls and the hot shooting of Weber of Watertown in the third quarter. Weber made 15 of his total 19 points in that period.

The Chevs took a surprising 25-19 lead in the first period but fell behind by the intermission, 43-40. Weber's streak in the third quarter was responsible for Watertown taking a 12-point, 72-60 advantage, after which the scoring was quite even in the final period.

"Rube" Schultz, former Marquette university ace, took scoring honors with 22 points for the winners, followed by Weber's 19. Meisenheimer with 19 points and Frank Krueger with 17 paced Kewaskum. The Chevs' accurate shooting on free throws kept them in the game. They sank 26 to Watertown's 14.

The Chevs open the second half of play this Saturday night when they host Port Washington. Port placed 4th in the first half with a 3-4 record.

Indians Win Over Lomira

Resuming action after the holiday recess, the Kewaskum Indians played a non-conference game at Lomira Tuesday night and posted a 73-62 victory. The win was the sixth in succession for the Indians, three of them in conference play. Their only defeat this season was to Cedar Grove in a non-conference season opener.

Kewaskum took the lead in the first half to turn back Lomira. They outscored the Lions, 17-11, in the first quarter and 18-14 in the second period to take a comfortable 35-25 advantage. Both teams scored 14 points in the third stanza and in a high scoring final quarter the Indians

made 24 points to Lomira's 23 to bring the margin of victory to 11. Mike Coulter with 31 points had a hot night to take scoring honors and Dan Survis was close behind with 25 points. This pair scored 56 of their team's 73 points. Ron Tagliapietra topped Lomira with 19 points and Ray Zimmermann added 16.

The Indians returned to Scenic Moraine conference action Friday night, playing Washington High at Germantown. Next Tuesday Kewaskum hosts Pewaukee and on Friday they travel to Grafton to meet the undefeated league leaders.

Many women habitually stage a balancing act in the home that would scare a circus performer right off his trapeze. The Institute for Safer Living of the American Mutual Liability Insurance Company states that no amount of caution will enable you to safely use a stool, rickety chair, wooden crate, or a stack of books as substitutes for an approved step ladder. Off-the-floor chores are both easier and safer to perform with sensible climbing equipment.

L. GUNTLY OFFICER OF RESIDENCE HALL AT UW

Leon Guntly, R. 2, Kewaskum, is among the 236 student residents of the residence halls at the University of Wisconsin, Madison, who are serving as officers of their houses for the 1963-64 school year.

Nearly 6,000 of the state university's students live in the seven men's and seven women's residence halls and two men's and two women's cooperative houses on the Wisconsin campus. The residence halls at the university not only provide good "homes away from home" for many Wisconsin students, but also give their residents wide experience in group living, making every effort to bring a well-integrated college life to all of their student residents.

Leon is social chairman of one of the living units in Elm Drive hall.

Farmers should plan a soil conservation program now so they can take advantage of slack periods next spring, reports Leonard Massie, University of Wisconsin agricultural engineer.

Dusk-to-Dawn light costs only pennies per night

at home dusk-to-dawn outdoor lighting makes driveways and walks easier to see, safer to use . . . prevents accidents, protects against prowlers, beautifies your premises, lengthens the "day" for outdoor recreation.

on the farm dusk-to-dawn outdoor lighting is convenient for early morning and late evening chores. Handy, too, when you need light for handling livestock, feed, machinery or making repairs after dark.

Convenient and economical . . . whenever it gets dark enough outside, your Dusk-to-Dawn light switches on automatically. Only when light is needed, will the unit turn on. It shuts off automatically at daylight so there is no chance of wasting electricity by forgetting to turn the light off. It operates for only a few pennies per night!

The Electric Company's **WIRE-ON-TIME PLAN** can be used by farm and residential customers to finance Dusk-to-Dawn outdoor lighting equipment and wiring . . . no down payment necessary and up to 36 months to pay in monthly installments on your electric bill. Ask your electrical contractor for full details.
