## Rev. Daniel Schowalter Engaged As New Pastor of Peace Church Here

REV. CLARENCE HAMMEN'S SUCCESSOR TO TAKE OVER PASTORATE ABOUT JUNE 1

Peace United Church of Christ congregation of Kewaskum voted unanimously to engage the Rev. Daniel Schowalter as its new pastor after hearing his trial sermon on Sunday evening, Feb. 15. Papers signed by officials of the parish late last week made Rev. Schowalter's engagement as pastor official.

The Rev. Mr. Schowalter will move to Kewaskum and take over the pastorate about June 1. He is 34 years old, married, and has four children, three girls and a boy. Rev. Schowalter is a former resident of Washington county and his parents live in the Jackson area.

The Rev. Mr. Schowalter is at present in Browntown in the far southwestern part of Wisconsin where he serves two churches. He is a graduate of Mission House college and seminary and was ordained in 1954. He was recommended by Dr. Paul Kehle, minister of the southeastern region in the United Church of Christ, by the Rev. Edward Nuss, temporary pastor, and the pulpit committee of Peace church.

Rev. Schowalter succeeds the Rev. Clarence F. Hammen, who resigned on Dec. 10 to accept a pastorate at the Walworth United Church of Christ, Walworth, Wis. after serving Peace church for more than six years. Rev. Hammen and family left for Walworth on Jan. 29.

## Annual Girl Scout Cookie Sale Coming

The annual area-wide cookie sale of the Wau-Bun Girl Scout Council will begin this year on March 6.

This is the annual program in which the Girl Scouts in our council have an opportunity to contribute to the support of their own program.

The development in 1963 of CAMP TIWAUSHARA was financed by a bank loan and the profits of the cookie sales of 1958-1963. Proceeds of cookie sales in the next five years will be needed to continue paying on the loan. Two hundred fifty girls will be able to enjoy two weeks of established camping at the site this summer.

A large percentage of eligible Kewaskum Girl Scouts attended the established camp last year, the first year it was in full operation, and really enjoyed going to their own camp.

In addition to the proceeds which go to the council, a percentage of the profits stay right here in Kewaskum and are used to help the girls with registration fees, making it possible for more girls to attend camp, an experience each Girl Scout looks forward to from the day she first enters the Scouting program.

The girls wish to thank all their friends in Kewaskum who have helped their camping program in the past by purchasing cookies. They are looking forward to another successful cookie sale this

## Officers of FFA Give Program at Kiwanis Meeting

The Kewaskum High school FFA officers presented the program at the Feb. 17 meeting of the Kiwanis club. The program was in observance of National FFA Week.

The boys on the program were Lee Schmidt, president, son of Mr. and Mrs. "Mike" Schmidt, R. 1, Cascade; Gene Schneider, vice-president, son of Mr. and Mrs. Roman Schneider, R. R. 6, West Bend. Ken Ramthun Treasurer, son of Mr. and Mrs. Harry Ramthun, R. 6, West Bend; Gary Burke secretary, son of Mr. and Mrs. Bill Burke, Beechwood; John Eggert, sentinel, son of Mr. and Mrs. Harold Eggert, New Fane, and Ken Becker, reporter, son of Mr. and Mrs. Leroy Becker, R. 2, Kewaskum.

The program consisted of a short talk by each boy telling about the theme of FFA Week, "Agriculture Dynamic-Challenging." The group explained that some feel that agriculture is a dwindling business but, by the use of statistics proved that it is still a large and dynamic industry employing 40% of the working population in a field called Agri-business. The Agri-business field was broken into four broad occupational groups.

The first group was farming the nucleus of Agri-business. The second group includes those who make available supplies to be used by the farmer. Farmers each year purchase more than 25 billion dollars worth of production items. Someone with a knowledge of agriculture is required to invent, manufacture, sell, and service the production items.

The third group provides services to farmers. They are the best of assistants who lend money, test soil and milk, the soil conservationist and those employed in educational, advisory and regulatory jobs.

The fourth group includes the 10 million workers engaged in transporting, processing and selling farm produced goods.

The program was concluded with a short history of the FFA.

## Births

**TISCHENDORF**—A son to Mr. and Mrs. Alfred Tischendorf, Jr., 1365 Chestnut st., West Bend, at St. Agnes hospital, Fond du Lac, Tuesday, Feb. 18. The little boy, a first child, has been named Timothy Robert. Mr. Tischendorf is a son of Mr. and Mrs. Al Tischendorf, Sr. of the town of Auburn.

The girls will start taking orders after school on March 6. The cookies will be delivered April 21-25.

The new Girl Scout program has gone into effect this year and here in Kewaskum we were fortunate to have several new leaders come into the program. Without these women giving much of their spare time the Scouts could not carry on their program.

## \$7,000 Bond Set in Theft, Beating Case

Charged with robbing and beating a motorist after he helped the motorist get his car out of a ditch, James Loomis, 22, Kewaskum rural route, town of Farmington, was being held in county jail this week in lieu of \$7,000 bond set by Judge Robert J. Stoltz when he was arraigned in Branch 2 of county court Tuesday. The hearing was set for 11 a. m. March 3.

Loomis allegedly robbed and beat James Wickert, 38, of Cedar Grove early Sunday in the town of Farmington. Wickert is confined at St. Joseph's Community hospital, West Bend, with fractures of the nose, ankle and ribs after Loomis beat him and tromped on him, "inflicting injuries regardless of human life."

Wickert's car skidded off a road about 1 a. m. An employee of the Wisconsin Electric Power Co., Wickert reported to the Washington county sheriff's department that he asked Loomis for help when the latter stopped where Wickert's auto had left the highway. Loomis inquired as to what he would pay him and Wickert stated that he would give him whatever he felt it was worth.

After getting the car out of the ditch, Wickert offered Loomis \$1 and some change, according to the report. Loomis demanded more and when Wickert took out his wallet, Loomis allegedly took it and took \$10 more, but discarded an envelope containing an additional \$10.

Loomis, according to Wickert, beat him up, kicked him and trampled on him and left. He dragged himself to his car and flicked his headlights on and off until neighbors, attracted by the lights, investigated. They notified the sheriff's department and Wickert was transported to the hospital.

Judge Stoltz set bond at \$2,000 on the robbery charge and \$5,000 on the beating count. Both offenses are felonies, Dist. Atty. Richard Becker stated, and are punishable by maximum sentences of 10 years in jail.

## JEROME GULDAN FAMILY MOVES TO CALIFORNIA

Jerome Guldan, a former employee of Fairmont Foods in Kewaskum, now employed as a salesman by the Lake-to-Lake Cheese Co. of Kiel, with a branch office at Anaheim, Calif., moved along with his family this week from Wauwatosa to 433 N. Syracuse in Anaheim, where they purchased a home. They were former Kewaskum residents. Mr. Guldan flew to California several weeks ago to find living quarters for his family. He is a son of Mr. and Mrs. Irvin Guldan of this village.

## MEMORIAL GIFT OF \$50 PRESENTED TO LIBRARY

A memorial gift of \$50.00 was presented to the Kewaskum Public Library by Mrs. Hughes Brewster of California for the purchase of new books in memory of her parents, the late Dr. and Mrs. N. Edward Hausmann of Kewaskum.

## Solo and Ensemble Music Festival at Random Lake Mar. 7

KEWASKUM AND 9 OTHER SCHOOLS TO PARTICIPATE IN SCENIC MORAINES EVENT

Random Lake High school will be the host to the 1964 Scenic Moraine Solo and Ensemble Festival on Saturday, March 7. Participating schools will include Campbellsport, Grafton, Kewaskum, North Fond du Lac, Pewaukee, Slinger, Random Lake and Washington High of Germantown, all of the Scenic Moraine conference. Also competing will be Lomira and St. Mary's of Port Washington.

Preparations for this event are being made by the faculty and students of Random Lake High school under the direction of Principal George Johnston, festival manager, and assistants Darrel Nonhof and Mrs. Fredrica Noordyk, instrumental and vocal music instructors, respectively.

Mr. Johnston has estimated that there will be from 450 to 600 participants represented in this year's festival. It is impossible to state the exact total until all registrations have been received, and even then there remains the possibility of cancellations right up to the day of the festival.

All of the students will be competing in instrumental and vocal solo and/or ensemble events and will be in line for further participation at the State Music Festival if they earn a first rating in Class A competition. Students will be entered in Class B and C competition as well, but will not be eligible for the state contest.

Students participating in piano solos and those requiring piano accompaniment will have the opportunity to make use of new Wurrlitzer spinet pianos, which are being supplied through the courtesy of Zeb Billings Piano & Organ Studios of Milwaukee. Every piano supplied will be on sale at the close of the festival.

The ratings will be determined by a slate of 10 adjudicators, all specialists in the particular area in which they will be rating the performance.

There will be no general admission charge for this event and interested persons may attend any time between 7:00 a. m. and 5:00 p. m.

## Businessmen Elect

At the last meeting of the Kewaskum Business association, officers were elected for the next year. Elected were: President Bob Ours; vice-president, Myron Perschbacher; secretary, Charles Miller; treasurer, Harold Marx.

## RURAL KEWASKUM WOMAN IS INJURED IN MISHAP

Pearl Lund, 32, of R. 1, Kewaskum, suffered cuts on the head and right knee and a possible skull fracture at 2:45 p. m. Monday when the steering mechanism on her station wagon failed and the car she was driving on Hwy. 28 just west of Hwy. 45 near Kewaskum went out of control and careened into a ditch. The car was reported wrecked.

## Neldner Named New Part-Time Policeman Here

WILL BEGIN DUTIES NEXT WEEK; VILLAGE NOW HAS THREE MAN POLICE FORCE

Kenneth Neldner, 28, of 333 Forest ave. has been appointed as a part-time policeman in Kewaskum by Chief of Police Roland Pledl. He was selected as the most suitable man from a list of applicants who applied for the position.

Neldner will be on police duty during late night and early morning hours and at present is undergoing training for the position. He will be sworn in this week end and begin his duties next week. A uniform and equipment has also been purchased for him this week. Neldner's availability for duty during the hours desired helped in the decision to select him for the job.

The new officer, who is employed at the Fairmont Dairy, is married to the former Dixie Blumer. He and his wife, who have no children, reside in the former Mrs. A. P. Schaeffer home on Forest ave., which they purchased.

Kewaskum now has a three-man police force. Besides Chief Pledl and Neldner, Marriner Frank is the third officer. A Washington county deputy and two state traffic patrolmen also make their home in the village. Another county deputy resides in the town of Kewaskum.

## Skunked Again

The life of a policeman sometimes can be a stinking one. Last Friday morning Chief Pledl was called to the Wally Cudnoske home on North ave. where a skunk was sighted and scented basking in the sun against the house trying to keep warm. (We were under the impression that skunks were still hibernating at this time of year but apparently this one had spring fever).

Anyway the chief rose above and beyond the call of duty and shot the skunk with his rifle, placed it in a box and hauled it to the village incinerator, where he presented it to one of the village workers. We are informed the worker, whom we shall call Pat, let out a yell and almost dropped the box when he got his first whiff. And he didn't get an extra cent for the scent. The chief is now driving around with his car windows closed again.

The body was cremated at the incinerator.

## Hospital News

Christine, seven-year-old daughter of Mr. and Mrs. Bob Staehler, Kewaskum, who has been a patient at St. Joseph's hospital, West Bend, the past three weeks, submitted to surgery Thursday.

Mrs. John Wahnschaffe, Kewaskum, returned home last Wednesday after being a patient at St. Joseph's Community hospital, West Bend, where she underwent treatment for a leg injury which occurred as the result of an auto accident last August.

## 25 Years Ago

Feb. 24, 1939

The village board this year reduced the tax rate from \$25.59 a thousand to \$23.65, although a traffic officer (George Brandt) was engaged, a new motorcycle was purchased and ornamental street lights were erected at \$3,000. Purchase of a new \$3,500 fire truck last year was also paid for without an appropriation.

Mrs. Peter Horn of this village won honors by being the only winner in Washington county in the recent Wisconsin canned peas recipe contest. Nearly 2,000 favorite recipes using canned peas were submitted by homemakers from every county. Prizes in each county were one case of peas for first prize, 1/2 case for second, and four cans for honorable mentions.

A picture of John Stellflug, Jr., pupil at Holy Trinity school, appeared in the Catholic Herald Citizen, along with many others who were top crusaders in the various schools of the archdiocese. This honor went to the student who earned the largest number of points for his school in the Herald-Citizen crusade.

Elsie's Food Shoppe is the name selected by the judges as the winner in the contest sponsored by Miss Elsie Bruhn, proprietress of the shop opened recently in the Gruber building. The winning name was submitted by L. W. Schutt, manager of the J. C. Penney store in West Bend, where Miss Bruhn was formerly employed. Judges were Mrs. Charles Miller, Otto E. Lay and Mrs. Mary McLaughlin. For suggesting the winning name Schutt received \$1.50 in merchandise.

Frank Hilmes, R. 2, Kewaskum, left for Spokane, Wash. to visit his sister, Mrs. Harry Sebert, for several weeks. Miss Olive Rinzel of near Forest lake left for Miami, Fla. where she will be employed.

Mr. and Mrs. Ed. Bruessel and children moved from Kewaskum to a farm near Myra.

Last week's Tri-County conference games featured the high scoring of Paul Kral, Kewaskum, who helped himself to 25 of the 46 points his team scored against Rosendale. Kral is one of the main reasons Kewaskum is ranked as the strongest team in the circuit.—Fond du Lac Commonwealth Reporter.

Athletic letters were awarded the following boys by Coach Gibson at high school: B. Bunkelman, basketball, baseball; R. Bilgo, baseball; Prost, baseball; Buss, basketball; Romaine, track; Dreher, basketball; Hafemann, basketball, baseball; Kral, basketball, track; Manthei, basketball; Schlosser, basketball manager; H. Bunkelman, baseball, basketball; Liermann, baseball; Koepke, baseball; Roden, track, baseball; Bartelt, baseball, basketball, track; Bath, baseball, basketball.

## 50 YEARS AGO

Feb. 22, 1914

Mrs. Gust Konitz left for Florida, where she will stay for some time in the hope of regaining her health.

The sixteenth annual ball of the Old Settlers' club of this village given in Groeschel's hall, was very well attended. Seventy-eight dance tickets were sold. The Kewaskum Quintette furnished the music.

Judge A. C. Backus began his new six year term on the municipal court bench in Milwaukee.

Charles Haessly, residing west of Campbellsport, lost a thumb while operating a circle saw on his brother's farm. The injury was a very painful one and the young man was very lucky that his entire hand was not severed.

## 402 In County Attend Special Class at UW

A total of 402 persons in Washington county enrolled in some type of special class offered by the University of Wisconsin Extension Division, Madison, during 1962-63, according to a report from the office of Dean L. H. Adolfsen.

The instruction was presented through seven programs in the county coordinated by various UW Extension departments. A total of 122 communities in 61 of the 72 counties took advantage of some type of special (non-credit) program. This is in addition to thousands more who received continuing education through correspondence instruction or classes offered for academic credit.

UW Extension's Office of Informal Instructional Services takes teaching and research knowledge of the university to people in many ways: in a classroom, on radio or television, by tele-lecture (amplified telephone "classrooms") through lectures and demonstrations, exhibits, concerts, tours, institutes and conferences.

The report points out that in any one year more than 1,000 different programs are offered and more than 2,000 staff members are needed to instruct.

## 40 Members Attend Meeting of County Goldwater Group

Forty members of the Washington County Goldwater committee attended an organizational meeting at the home of committee chairman, Dr. James Baumgartner in West Bend early this week. The group, whose total membership at present is 56, is considered to be the largest committee ever organized in Washington county for a political candidate.

The purpose of the committee is to show that there is genuine enthusiasm and support at the

local level for Senator Barry Goldwater for President of the United States.

Officers of the committee, in addition to Dr. Baumgartner include: Gayle Claus, co-chairman; Bob Rolfs Jr., secretary; Elmer Olson, treasurer. Campaign material is available and may be obtained in West Bend by contacting any of the officers. In Germantown, contact Joe Schmitz or Helmuth Prahl. In Hartford, contact Merlin Bernd or Lyle Thomas. In Kewaskum, contact Eugene Bohn.

The Washington County Goldwater committee believes as Senator Goldwater does, that now is the time to face up to our conscience and decide what sort of people we are and what sort of world we want now and for our children.

The committee encourages any county resident who believes that a choice of governmental philosophy should be offered the people in the 1964 presidential election, to join this group, whose purpose is to encourage the nomination and the election of Senator Barry Goldwater for President.

## Laura Laghi Says: Knowles Warmly Received at GOP Rally in County

Miss Laura Laghi

Saturday, Feb. 29, is the day to remember. Come to the high school at 8:00 p. m. See and hear students from 11 foreign countries. Admission is free. This promises to be an evening of worthwhile entertainment. The local AFS committee has arranged this program to help better acquaint the residents of Kewaskum and vicinity with this worthwhile program. See you Saturday at 8:00 p. m.

## Our Police Chief Says

Boys and girls, get your new bicycle license at the municipal building. They are valid for 1964 and 1965. The price is the same as in former years, 50 cents each.

There's one Government surplus we ought to sell to the Communists—Red tape.

The applause of 385 Washington county Republicans and guests greeted Warren Knowles, candidate for governor, at the rally dinner held Saturday evening at the Holy Angels gym in West Bend. In a hard-hitting speech, Knowles urged, "we need to let it be known again that we are the party of the people. We must remind people that we reject the notion that they can be made independent by becoming more dependent."

Warning that "freedom is never more than one generation away from extinction," the speaker noted that the state government had become a sprawling network of agencies, bureaus and commissions, not responsible to the people back home, only to the one who appointed them. "This is a conspiracy to remain in power at the taxpayers' expense," he maintained.

Knowles deplored the tendency of the present governor to override the will of the legislative branch of state government. In order to restore the original "courage, determination and integrity" as defined by the founders of the Republican party, Knowles noted that his return to the political scene had been prompted by his belief in the rights of the individual and free enterprise.

Among the guests at the dinner was the popular Robert Zimmerman, state secretary of Wisconsin, who noted that "no matter how hard a candidate campaigns he will need help from party workers and their friends." He drew friendly applause when he spoke of political slogans. "Go to the polls and vote for Knowles, and

win with Zim, too," he added. Other legislators and GOP party officers were introduced at the rally.

County office-holders and candidates for offices were also presented at the event. On record at this time as seeking office are Ray Jeffords, for sheriff; for the assembly, Fred Schroeder, Ray Bast, Herman Laabs, Roland Jaeger, William Dietrich, and T. R. Rumsey. During his speech, Knowles commended former Assemblyman Elmer Schowalter for his long service in the legislature. Urging continuance of the fine standards set by Schowalter, (who is retiring because of illness), Knowles urged that the voters select the best man in the primary and unite behind him.

Chairmen for the rally were Robert Barber and Robert Rolfs, aided by Bernard Ziegler, who is district chairman for the Knowles campaign and also serves as financial chairman in aiding the Republican party. The planning committee expressed thanks to Rev. Rayner Hausmann of Holy Angels who offered the invocation and the blessing, the Christian Mothers who prepared the delicious dinner, and the Misses Joan and Melitta Pick who furnished the colorful table decorations.

## Raymond Jeffords Will Be Candidate For County Sheriff

Raymond Jeffords

Raymond Jeffords, veteran of 26 years with the Washington county sheriff's department, this week announced that he will be a candidate for sheriff of Washington county in the Sept. 8 primary election on the Republican ticket.

Born on a farm in the town of Erin, "Jeff" received his education at the Erin grade school and Hartford high school and took a short course in agriculture at the University of Wisconsin.

Jeff started working for the county highway department in 1928 and became a special deputy with the sheriff's department in 1936 under former Sheriff Joe Kirsch. He became a full time highway patrolman in 1948. He has attended various law enforcement officers' training schools at Watertown, Hartford and the University of Wisconsin.

Marrried and the father of four children, Ray has always been active in church and civic affairs. During World War II he was extremely active in Civil Defense measures, passing examinations for the auxiliary police and for air raid warden. He was chairman of the war bond and civil defense

programs in the town of Erin during this period and has served as chairman of the March of Dimes in the town of Erin and also in the southern portion of the county. He has been active in educational circles, serving on the school board.

Jeff also completed a course in auxiliary police instruction at Camp McCoy in 1956 and served as an instructor in this type of work at Slinger high school.

Of Irish descent, Jeff is well known for his affable disposition and keen sense of humor.

## HARRY KOCH INFANT DAUGHTER BAPTIZED

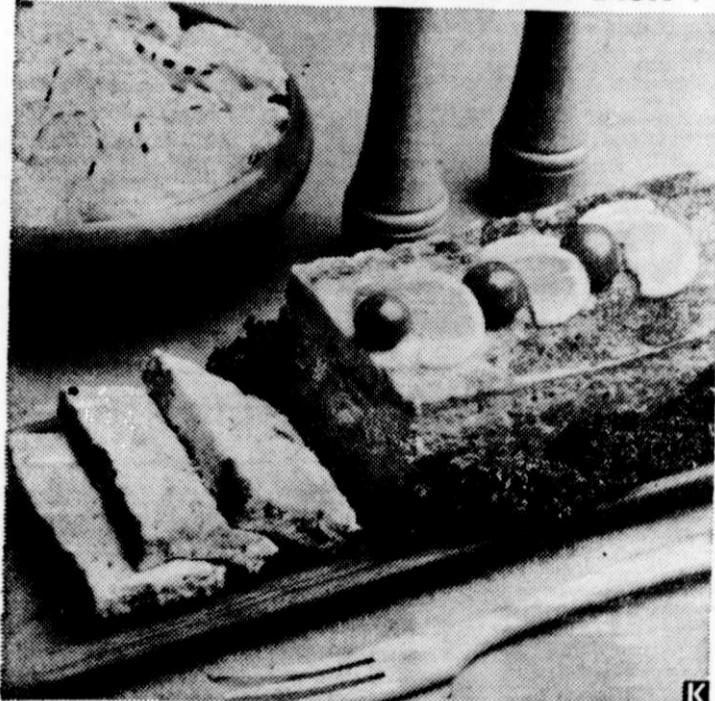

The little daughter of Mr. and Mrs. Harry Koch, Kewaskum, was baptized on Sunday morning, Feb. 23, at Peace United Church of Christs by the Rev. Edward Nuss. She was given the name Melissa Meta Clement. Her sponsors were Mrs. Fred Fehlhauer of Kewaskum and Robert Hanst of Milwaukee. Relatives and friends were entertained for the occasion.

One of the principal rules for safe winter driving is — PUMP YOUR BRAKES. On snow and ice, a rapid up-and-down pumping action is far more effective than jamming on the brakes, according to the Wisconsin motor vehicle department. Pumping brakes helps maintain steering control while stopping on ice or snow. Even with the help of tire chains, which cut stopping distances by 60 per cent on ice, expert winter drivers know it's wise to start slowing down sooner than usual and drive at reduced speeds whenever pavements are slippery.

## WONDERFULLY GOOD FAMILY DISH

**SALMON LOAF**, attractively garnished with lemon curls and cherry tomatoes is an economical and nutritious dish for Lenten meals.

The pleasures of the Lenten table are not restricted to those whose religion requires the observation, for Lenten fare are tempting dishes for everyone. And the simpler dishes are a pleasant change from the rich foods of the winter season. It's a good time, too, to balance the budget with low-cost menus, but not to the sacrifice of nutrition.

Canned salmon is one convenience food that combines all the elements of good nutrition with a delicate flavor that appeals to every palate. Try this delicious salmon macaroni loaf, which makes hearty servings for 8. It's good hot or cold.

## SALMON MACARONI LOAF

1 cup elbow macaroni  
3 cups milk  
½ cup butter

1 1-pound can salmon  
6 eggs, lightly beaten  
1 4-ounce can pimiento, drained and chopped  
2 tablespoons chopped onion  
2 cups soft bread crumbs  
2 teaspoons salt  
Dash cayenne  
1 cup grated American cheese

Cook macaroni in 6 cups boiling water for 10 minutes. Drain and rinse. In saucepan combine milk, butter, and liquid from can of salmon. Heat until hot and butter is melted. Stir into beaten eggs. Add pimiento, macaroni, onion, crumbs, salt, and cayenne. Flake and stir in salmon. Turn mixture into an oiled loaf pan, 11½ x 4½ x 2½ inch, and sprinkle with cheese. Bake in a preheated 350°F. oven for 50 to 60 minutes. Serve hot or cold with favorite sauce, if desired.

Mr. and Mrs. Arthur W. Guenther, Jr. left by plane for a vacation at Las Vegas, Nev.

Mrs. Sam Gudex, Jr. presided at the meeting of the PTA in the high school library recently. After the regular business, Mrs. Gudex turned the meeting over to Mrs. Henry Hafermann, program chairman, who, after a short talk, presented Miss Laura Laghi of Forli, Italy, who is attending Kewaskum High school as an exchange student. Miss Laghi gave an interesting talk on life in Italy and stressed the interest taken in education over there. She noted particularly that there were so few dropouts in high school there in comparison to the United States. The drinking and smoking problem also was much less in Italy among students. Asked if she had ever heard of Wisconsin prior to coming here she replied that her opinion of the state was of snow, having read about the big snow storm of a few years ago. She will complete her stay in Wisconsin in June when she will visit the World's Fair, meet President Johnson, and visit in Canada prior to her return to Italy. After the talk, lunch and coffee were served in the new high school cafeteria. The next meeting will be held Mar. 19.

Patti Pesch, daughter of Dr. and Mrs. John F. Pesch, was a patient at St. Agnes hospital where she submitted to an appendectomy.

At a special meeting of the village board last Monday, a 4-3 vote squashed a motion to hold a referendum vote on abolishing of the municipal justice court. The same vote adopted the ordinance that abolished the municipal justice court as of April 1, 1964. And by the same margin, 4-3, it was voted to adopt resolution 246 to request the county board to include Campbellsport in the Branch III county court circuit.

**County PTA Council To Meet, Elect Mar. 3**

The Washington County Council of PTA will hold its regular meeting on March 3 at 8 o'clock at the Barton grade school. The topic for discussion is "The Drop-Out Question." The program will include:

1. Interview with drop-out student and with high school graduate.
2. PTA and other references.
3. Short discussion by social worker.

At this meeting county officers for the 1964-'65 year will be elected. The following slate of officers has been recommended by the nominating committee:

President—Mrs. Donald Wendt, Barton PTA; vice-president—Mrs. Waldemar Pusch, Hartford PTA; 2nd vice-president—Mrs. Ione Klopfenstein, Goldendale PTA; secretary-treasurer—Melvin Walters, Barton PTA; historian—Mrs. Robert Strohacker, West Bend PTA.

Other items of importance to be brought up at this meeting are central meeting place for next year and revision of a section of the by-laws. All PTA members are urged to attend this meeting.

Faulty mufflers and defective exhaust pipes make it easy for carbon monoxide fumes to cause drowsiness, warns the motor vehicle department. And drowsiness can be as dangerous as drunken or drugged driving.

**Insurance Officer, C. Van De Zande Dies**

Charles Van De Zande, 64, of 141 Cherry st., Campbellsport, died at 1 a. m. Wednesday, Feb. 26, at his home. He was born Nov. 22, 1899, at Campbellsport, the son of Charles and Lena Van De Zande, and was graduated from Campbellsport High school. He married Dorothy Seering Sept. 23, 1927.

At the age of 18 he was employed by the Campbellsport Mutual Insurance company, of which he was secretary and a director before his death. He was the owner of the C. R. Van De Zande and Sons Insurance agency.

He was a member of the Darling Chapter 20, Royal Arch Masons, and Fond du Lac Lodge 40, F. and A. M., past president of Wisconsin State Federation of Mutual Insurance Companies, past president of State Mutual Managers club of Wisconsin, and past secretary of 1752 Club of Wisconsin.

Survivors include the widow; one daughter, Mrs. R. J. Nickels, Saginaw, Mich.; two sons, Charles Jr., Fish Kill, N. Y. and Stephen J., Campbellsport; seven grandchildren; three sisters, Mrs. Albert Urban, Milwaukee, Mrs. Joseph Straub, Campbellsport, and Mrs. John Hendricks, Campbellsport. Preceding him in death was his brother, Alfred, a former state senator.

Funeral services were held at 2 p. m. Friday at the First Baptist church, Campbellsport, with the Rev. David Logue officiating. Burial was in Union cemetery. Friends called at the Twohig Funeral home after 2 p. m. Thursday.

### ALL SHANTIES, ETC. MUST BE REMOVED FROM ICE BY MAR. 5

All buildings, tents, fish shanties, portable shelters or similar enclosures used on the ice for fishing purposes, south of Highway 64, must be removed on or before midnight, March 5, 1964, and they may not be returned to or be used on the ice prior to the fall of 1964.

It is unlawful to possess a spear or bow and arrow that might be used for the purpose of taking, catching, or killing any fish at any time from sunset to sunrise in any inland waters of Wisconsin.

The law also provides that: (No person shall have in his possession or under his control on any of the inland waters or shores of inland waters at any time, any spear, gun, bow and arrow or similar device that might be used for the purpose of taking, catching or killing fish from March 2, to April 20, in the counties of Fond du Lac, Ozaukee and Washington.

### Lake Winnebago Kept Clean

It is a pleasure to comment on the very noticeable improvement on the amount of litter on Lake Winnebago this winter.

Wardens working the lake as well as numerous fishermen have called our attention to how clean the lake is.

We have had a very mild winter and probably more persons have used the lake than ever before. This makes the cleanliness even more gratifying.

It appears the anti-litter campaign is paying dividends on Lake Winnebago as well as on the high-

ways. We are sure everyone using the lake, as well as the Conservation Department, is appreciative of your efforts in keeping the lake clean.

## Garden Tips for 1964 (No. 1)

### SUBSTITUTE FOR SUNLIGHT

A stand like this equipped with built-in fluorescent lamps to substitute for sunlight makes sprouting and growing seeds possible in any part of the house. Note sturdy growth here.

Remember when a sunny window sill was an absolute "must" for the gardener who wanted to start seeds indoors of his favorite varieties of flowers and vegetables? Now fluorescent lamps, specially designed for aiding plant growth, take the place of sun.

This means that the darkest corner of your basement can become your seed starting area when proper lamps have been installed. The lamps you need have a special phosphor coating which, activated by electricity, gives off light rays high in the red and blue wave lengths absorbed by plants during growth.

Your equipment can be as simple as chains hung from the ceiling to suspend the lamps over a table below. Or it can be as elaborate as a stand with fluorescent fixtures built in, like the one pictured.

Many different types of such "plant growers" are available. Your favorite garden supply dealer, or perhaps your favorite seed catalog, may offer several.

Starting seedlings under fluorescent lamps is not much different from starting them on that sunny window sill. The chief difference is that you can regu-

late the amount of light, the length of "daylight" and the distance of the seedlings from the light source.

Seeds sprout rapidly under fluorescent lamps. Because you can keep the seedlings fairly close to the lamps when they are small, they will not become spindly trying to reach towards the light. The distance from the lights can be increased as the seedlings grow.

Lamps designed for growing plants will not burn seedlings with their heat, for they are "cool" lamps.

Even almost perfect growing conditions, so far as light is concerned, will not, however, relieve you of watering and otherwise caring for your seedlings. Absolutely nothing can be substituted for personal attention.

### 4-H Club News

#### AUBURN: 4-H CLUB

Our meeting started at 4:30 p. m. Then we said the pledge of allegiance. Then everyone answered the roll to what winter bird they liked. The secretary read the minutes of the last meeting. The secretary's report was accepted as read. The treasurer read her report and it was accepted.

There was a meeting at Fond du Lac on home furnishing for leaders on Feb. 10, 11 and 12. It was held at the Wisconsin Power and Light Co., 15 N. Main st.

Mrs. Lorina Petermann handed out the project material. She told us what to do and also handed out our record books. We put the record books together.

We decided on what day to have the meetings. It will be on the first Monday of each month at 8:00. The next meeting will be at Mrs. Lorina Petermann's home.

Two more members came to our club meeting. They were Mary and Robert Strassburg.

After saying the 4-H pledge we adjourned the meeting. Games were played and a lunch was served by Mrs. Otto Weddig.

### Bast Enters GOP Race for Assembly

Ray H. Bast

Ray H. Bast, 49, of the town of Germantown last week formally announced his candidacy on the Republican ticket for the office of assemblyman for Washington county in the 1964 September primary election. A complete biography of Mr. Bast was published in last week's issue of the Statesman and further announcements will follow.

Potato growers can be certain of high quality seed if they use certified seed stocks for planting, according to Earl Wade, University of Wisconsin plant disease specialist.

### L. Goring Heads County Campaign To Elect Knowles

Appointment of Leroy J. Goring of West Bend as coordinator for Washington county in the campaign to elect Warren P. Knowles governor of Wisconsin was announced Monday by Bernard C. Ziegler, West Bend, campaign coordinator for the sixth congressional district.

Goring will be in charge of the organizational efforts of the "Knowles in '64" campaign in Washington county. The committee is headed by Ody J. Fish, Hartford, and works through a district coordinator in each congressional district. Following the state Republican convention in late May, when Knowles is expected to be endorsed by the party, the county and district coordinators will work closely with the regular Republican organization in each county.

Knowles is a former lieutenant governor of Wisconsin and prior to that was a state senator. His government service began in 1940 when he was first elected to the state senate. He is a resident of New Richmond, Wis.

## County Agent News Notes

By MAURICE J. HOVLAND  
Washington County Agent

### MEETING OF FARM FORUM CLUB IN KEWASKUM MAR. 3

The next meeting of the Washington County Farm Forum club will be Tuesday, March 3. It will be held in the vo-ag room at the Kewaskum High school at 8:00 p. m. The subject for this meeting will be small grain varieties—a discussion of all the small grains, including oats, barley, wheat, rye, sudangrass, and others.

We hope to have a man with us to talk about varieties of legumes, but this is still uncertain. All members of the Farm Forum club are invited. We also invite other farmers from around Washington county to attend if they care to do so.

### WATCH YOUR STRAWBERRIES

For those people who are interested in strawberries, we suggest you watch them carefully the next couple months. Normally this time of year the weather is cold and we do not need to be concerned about them beginning to grow. This year has been different, however, and it is entirely possible that some of the warm days that we've had, and an early spring, could start these strawberries growing prematurely. This would mean that about late May, when we have one of those late spring frosts, all the blossoms and berries could be killed off.

Naturally, we don't want this to happen. The way to prevent this is to keep them very well covered. If they are not now covered with straw, this would still be a good time to do it. This will hold them back way into the spring, and will keep them cold an even longer period of time.

### PRUNE YOUR FRUIT TREES

A word to the people who have fruit trees. Pruning your fruit trees is the most important thing you can do during the year. We highly recommend getting into a pruning program immediately.

It is somewhat difficult to give you a pruning program here; however, there are four basic principles to adhere to when you prune apple trees.

(1) First of all we cut off the water sprouts. This is the whip-like growth on the main branches of the trunk.

(2) We cut off all branches that are growing back toward the center of the tree.

(3) We survey the branches carefully and locate those where one interferes with another, and eliminate one of them.

(4) We thin it out as well as we can.

This, then, is the basic program to follow when pruning apple trees, and we encourage you to think it over seriously. This applies to the single trees or the

regular orchard.

Incidentally, we recommend that you start your program immediately. Don't wait until spring comes, when you should be out spraying. Let's do it in the winter-time when the trees are completely dormant.

### Indians Clinch 2nd Place, Beat Pewaukee, Bells

**ENTER WIAA REGIONAL TOURNAMENT PLAY AT MAYVILLE ON TUESDAY**

The Kewaskum Indians clinched second place in the Scenic Moraine conference by edging Pewaukee there Friday, 63-59, and then won another easy victory over Campbellsport here Tuesday, 82-57, to establish a fine 11-2 record for the season with one game left to play.

As anticipated, fourth place Pewaukee gave the Indians a real battle on their home floor. The Indians took a 39-31 lead at half-time but Pewaukee narrowed the gap to four points in the second half in losing 63-59. Kewaskum actually won the tilt on its accurate free throw shooting. They made good on 23 charity tosses, while Pewaukee sank only 5, a difference of 18 points. However, the Indians committed only 11 personals compared to 22 by Pewaukee, which lost two players on fouls.

Kewaskum was led by Mike Coulter and Dan Survis again, each with 19 points, while Bob Miller added 13. Top scorer in the game was Pewaukee's center, Les Teuteberg, who increased his scoring lead to 297 points with a 22-point performance.

The Indians, with Mike Coulter amassing 30 points and Survis adding 20, built up a one-sided lead over Campbellsport in the opening quarter here Tuesday. They swept to a comfortable 49-30 halftime advantage, then proceeded to an easy 82-57 triumph, a 25 point spread, over the fifth place Bells. John Jaeger scored 21 points and John Wolfe added 16 for the Bells.

In other conference games last Friday Grafton clinched its second straight championship by downing Slinger, 88-46. It was Grafton's 13th straight loop win this season and stretched the Blackhawks' winning streak to 27 in conference warfare. North Fondy bumped Germantown, 67-57, and Campbellsport surprised by routing third place Random Lake, 92-61. The Bells made 42 free throws in 58 attempts as the Rams committed 33 fouls and lost five players on personals.

This Friday the Indians end the regular season by hosting Grafton's unbeaten champs. These two teams have clinched first and second place and the outcome will have no bearing on the standings but Kewaskum would like nothing better than to upset the leaders and end their 27-game win streak.

On Tuesday, Mar. 3, the Indians will participate in the WIAA regional tournament at Mayville. In the opening game at 7 p. m. Kewaskum faces Germantown, last in the conference with a 1-12 record. In the second contest at 8:30 Mayville takes on Hamilton High. The Indians will be heavy favorites to win their tourney opener. On Friday, Mar. 6, the two winners of Tuesday will be matched with Cedarburg and Homestead, two powerhouses who are dead-

locked for first place in the Braveland conference with 13-2 records.

### Chevs Lose to Watertown in Season Finale

**WIN GIVES WATERTOWN TIE WITH MENO. FALLS FOR SECOND HALF TITLE**

The Kewaskum Chevrolets brought a dismal season to a close in the Land o' Lakes league with a 93-82 loss to Watertown here Saturday night. The Chevs wound up the second half in a last place tie with Mayville, each with 1-5 records. The team had 1-6 in the first half to finish second last.

Although not expected at the time, the victory turned out to be a mighty important one for Watertown as league leading Menomonee Falls was upset the next night at Fond du Lac. It was Falls' first setback this season (in the final game) and they wound up in a tie with Watertown, each with 5-1, in the second half. The two will now play off for the second half championship. Falls won the first half title with a 7-0 slate.

Kewaskum gave Watertown a closer battle than the score indicates and it was not until the final quarter that the strong visitors pulled away to win. The two fought on even terms in the first half. Watertown held a one-point, 24-23 advantage at the quarter and the Chevs tied them up at 46-46 at halftime. Watertown still was only ahead by three points, 67-64, at the close of the third period but the Chevs faltered slightly in the final quarter and the winners increased their spread to 11 points at the final horn. You might say the Chevs lost the contest on free throws, sinking only 14 to 27 made by Watertown.

Rube Schultz, former Marquette U ace, again took scoring honors for his team and the evening with 34 points. Pacing Kewaskum were Al Tennes with 20 points and Otto Ramthun with 18.

### Herman Laabs To Make Race For Assembly

**HOLDS RANK OF MAJOR IN AIR FORCE RESERVE GROUP AT KEWASKUM**

Herman H. Laabs

Herman H. Laabs, 47, R. 4, Highway Z, West Bend, this week announced his candidacy on the Republican ticket for the office of assemblyman for Washington county in the 1964 September primary election.

Laabs has resided in Washington county for the past 13 years and has been an employee of The West Bend Company for the past 18 years. After World War II he owned and operated "Laabs Air Service" at Mayville, Wis. He served in World War II for four years, two of which were in the Air Force as a pilot. Laabs was attached to the 9th Air Force in England, flying re-supply missions and evacuating the wounded and prisoners of war. His group took part in the Holland invasion dropping paratroopers and towing gliders into combat. He was awarded the Air Medal for these missions. Flights during the war also took him into Africa and South America. Since the end of the war he has been active in the Air Force Reserve. He now holds the rank of major and is attached to the local Air Force Reserve Group at Kewaskum.

Laabs was born in Ogema, Sask., Canada, where his father, the Rev. Herman H. Laabs Sr., served as a missionary. The family consists of his wife, Virginia, and three children, Jimmy 11, Tommy 8, and Bruce, 3. Laabs at-

tended formal schools at Wausau and Mayville, Wis., the vocational school in Milwaukee, flying school at Curtis Wright Airport, Glenview, Ill., and also took a special course for the Air Force Reserve at the University of Wisconsin. Prior to entering the service in 1942, he was employed on various farms in the Mayville area and also worked at the Knickerbocker Hotel in Chicago. Laabs has been active in church activities and served on the church council.

His parents are residing at Mayville. Although retired, his father is still active as a vacancy pastor at Emmanuel Lutheran church, Jackson.

Laabs is sincere in his desire to build effective government at the state and local level. Consequently, he has been active in the Republican party for many years and has served as a delegate to the State Republican convention.

### Bowling Tips...

**TOWEL TRICK HELPS CURE 'ROUNDHOUSE' SWING**

A bowling alley is no place for a roundhouse swing. Ray Schanen, one of the nation's top professional bowlers and member of the Miller High Life advisory staff, demonstrates a towel trick that will tell you whether you're swinging wildly down the alley or if you've got a smooth, steady motion. Put a towel in your armpit, then make a few practice approaches. The towel shouldn't fall until the ball is released. The tight, pendulum backswing and delivery that results will produce a smoother, more consistent approach and will let the ball do the work.

Mrs. Irene Kiesner.

Mr. and Mrs. Richard Michels and Mr. and Mrs. Charles Roethke of West Bend called on Mr. and Mrs. C. W. Baetz Sunday.

Mr. and Mrs. Melvin Ramthun entertained on Sunday for the pleasure of the former's birthday.
