## Father John B. Reichel, Pastor at St. Kilian for Past 44 Years, Dies

HAD PLANNED TO OBSERVE 50TH JUBILEE IN JUNE; WAS ORDAINED IN 1914

The Rev. John B. Reichel, 81, beloved pastor of St. Kilian's Catholic church at St. Kilian for the past 44 years, who was widely known throughout the area, passed away Saturday noon, April 4, at the rectory after a brief illness.

Father Reichel was born in Germany on April 6, 1883, and studied for the priesthood there for several years before coming to America in 1911. He entered St. Francis seminary at Milwaukee where he completed his studies and was ordained to the priesthood in June, 1914.

He became assistant pastor at St. Mary's church in Port Washington and later was assistant at Holy Redeemer church in Madison. In 1920 he came to St. Kilian's church and served as its pastor continuously since that time. Father Reichel and his parishioners and many friends were looking forward to observing his Golden Jubilee in June of this year.

The only survivors are several relatives living in Germany. Two sisters who were nuns in the Order of St. Francis of Assisi in the United States, preceded him in death, along with his parents.

Father Reichel lay in state from 2 p. m. Tuesday until 10 a. m. Wednesday at St. Kilian's church, where an all night vigil was kept by members of the parish. The Miller Funeral home of Kewaskum was in charge.

His Excellency, the Most Rev. William E. Cousins, Archbishop of the Milwaukee Archdiocese, was the celebrant of the Solemn Pontifical Requiem Funeral Mass in St. Kilian's church at 11 a. m. on Wednesday, April 8. Assisting were the Rev. Peter E. Schwamb of Beaver Dam (formerly of Campbellsport) as Presbyter, the Rev. Frank C. LaBawi of Racine (formerly of Kewaskum) as Deacon, the Rev. Carroll Straub of Milwaukee (a son of St. Kilian's parish) as Sub-Deacon, and the Rev. Leo Skalitzky of Waterford, Wis. (formerly of Allenton) as Honorary Deacon.

Serving as pallbearers were the Rev. Oswald F. Ullrich of West Bend, the Rev. Walter Morgan of Campbellsport, the Rev. John T. Budde of Kewaskum, the Rev. Joseph J. Conley of Ashford, the Rev. Leo Dierbeck of Lomira, and the Rev. Gerald Brielmayer of Theresa. Numerous other priests from surrounding areas attended the funeral. Burial took place in the parish cemetery.

### FFA CHAPTER TOURS MILWAUKEE PLANTS

The Kewaskum FFA chapter toured the Allis-Chalmers plant in Milwaukee Thursday, Mar. 26. The group viewed the building of electric generators and transformers, mining equipment and the tractor works. The boys were able to follow the tractors along the assembly line from the start to the completed tractor. The group also visited A. O. Smith.

## Winners in Art Contest Named

Winners in the Helen Mears Memorial Art contest sponsored by the Wisconsin Federation of Women's Clubs and locally by the Kewaskum Woman's club were announced this week by Mrs. R. L. Edwards, who is in charge of the arts department in the local club. Each year eighth grade students have been invited to give their version of an established theme. This year, each contestant chose his own theme. All entries were in Class B, since all entries are from schools without art instruction.

First place was awarded to Wendy Koch of the public school using "Flight" as her theme. Dennis Backus of the public school took second place with "Iris." Alfred O. Thurke of the public school was awarded third place using "Fascination" as his theme. A drawing of "Bewitched Caverns" won fourth honors for Richard A. Agenten of the public school and Susan Koerble of Holy Trinity school with her version of "Old Fashioned Home" was awarded fifth place.

Recognition from the Kewaskum Woman's club will be in the form of a cash award to each of the five winners. Their entries will be included in district competition, the winners to be made known at the 6th district convention at Plymouth on April 21.

## Driver Hits 2 Cars, Caught After Chase

Gregory N. Merkt, 18, of 224 S. 8th ave., West Bend, was charged with hit and run driving after his car struck two other autos in two separate accidents at about 9:30 p. m. Saturday in the village.

In the first mishap which occurred on Fond du Lac ave. near the intersection with Second st., Merkt struck a car driven by Eugene L. Hand, 21, Campbellsport, when he attempted to pass it. Both vehicles were southbound. Merkt struck the left rear of the Hand auto and continued on without stopping.

When Merkt reached the Main st. bridge he attempted to pass another auto driven by Ruben C. Benicke, 56, of R. 1, Kewaskum, and also struck the left rear of the Benicke vehicle. Merkt again failed to stop at the scene and continued on his way along the River road (River View dr.). Benicke pursued him for about three miles north of Kewaskum before he was able to force him off the highway and into a farm yard. Benicke then called police. Merkt stated to local police that he did not remember anything that happened after leaving a minor bar.

No one was injured but the left rear and trunk of the Hand car, the left rear of the Benicke vehicle and the front side and under carriage of the Merkt auto were damaged in the crashes.

## Crowned Dairy Day Queen

Kristine Westerman (above), daughter of Harold Westerman of R. 2, Kewaskum, and a freshman at Kewaskum Community High school, was crowned "Dairy Day" queen as a climax to the annual event held Saturday at the high school under the sponsorship of the Kewaskum Business association.

Miss Westerman won out over eight candidates for the title, re-

presenting each class in high school. The queen is selected through a "penny-a-vote" method with the proceeds going to the AFS club. The girls are required to live on a farm and are named by the FFA chapter.

The seven other candidates were Jean Heisdorf, Joyce Schultz, Janet Breit, Elaine Vetter, Corrine Reysen, Phyllis Theusch and Karen Krahn.

## Dairy Day Fine Success; 900 Served Lunch

LARGE CROWDS ATTEND; VALUABLE MERCHANDISE PRIZES ARE GIVEN AWAY

The sixth annual Dairy Day program held at the high school Saturday was another huge success and attracted large crowds of people, many of them from a distance, throughout the day and evening. The gymnasium was again filled to capacity for the evening program.

The event began at 11 a. m. when the many attractive merchants' booths and displays were opened. At 11:30 a. m. a free dairy lunch was served to all visitors by the Business association and in the neighborhood of 900 persons were served, which set a record for the event.

In the afternoon, starting at 1:30, the high school band played and this was followed by the introduction of the "Dairy Day" queen candidates, a food demonstration in the cafeteria by Jane H. Comins, home economist of the American Dairy association, informative movies for the men in the ag room, and the awarding of afternoon prizes. Free movies (Continued on page 2)

Barney's Bar of Wayne recently bowled a 3148 series, with handicap, to capture first place honors in the Allenton Sportsmen's Bowling tournament at Red Cliff Bowl in Allenton. The tourney attracted 240 teams.

## Geidel, Merwin, Hirsig Elected; 486 Votes Cast

REYNOLDS GIVEN STRONG VOTE, WILKIE CARRIES, REFERENDUMS REJECTED

Tuesday's spring election brought out a heavier vote than anticipated in the village, a total of 486 ballots being cast. Interest on all four of the ballots voted locally, including the village offices, judicial election, presidential primary and referendum issues helped swell the vote.

In the village two incumbents and a new trustee were elected. Incumbents returned to office are John Geidel and Arvin Merwin. The third trustee elected is Oscar Hirsig, who succeeds Harold Degner, not a candidate for reelection. By far the top vote getter was Geidel, who tallied 365. Second high candidate was Merwin with 290 votes and the new trustee, Hirsig, was third with 257. The other candidates were Carl Freehauf, who received 247 votes, only 10 less than Hirsig, and Paul Blumer, who got 229.

In the contest for Wisconsin Justice of the Supreme Court, incumbent Justice Horace W. Wilkie and Howard H. Boyle, Jr. ran a close race in the village, with Wilkie winning out by 23 votes, 247 to 219. However, Boyle ran well ahead of Wilkie in Washington county balloting, receiving 7,250 votes to 6,568 for Wilkie. Largely responsible for this was the big margin given Boyle in the city of West Bend, where he defeated Wilkie, 2,320 to 1,818. In state-wide voting, Wilkie took a slim early lead and gradually enlarged it in his quest for a full 10-year term on the high court. Wilkie showed his greatest strength in the most heavily populated areas of the state and late returns from these areas were the deciding factor in his victory. Wilkie, who held office by appointment, was ahead of Boyle, 541,419 votes to 477,649 with 3,447 of all the state's precincts reporting.

Alabama Gov. George C. Wallace took about 26 per cent of the total vote in Wisconsin's primary Tuesday, upsetting the predictions of those who said he would take less than 20 per cent. Wallace opposed Gov. John W. Reynolds of Wisconsin, a favorite son pledged to President Johnson, in (Continued on page 2)

### 12 Local Firemen At Badger Banquet Held at Brown Deer

**OVER 500 FIREMEN ATTEND, BOWLING PRIZES AWARDED, AT CAMPBELLSPORT IN '65**

The annual spring meeting and banquet of the Badger Firemen's association was held last Sunday at St. Catherine's parish in Brown Deer, with the fire department of that village as host. More than 500 firemen from the 20 some departments in the association, including those from Kewaskum, Boltonville, Campbellsport and West Bend in this area, attended the evening dinner.

Chief Armin Oppermann and delegates Leroy Keller, Jr. and Ellie Ramthun, Jr. of the Kewaskum department attended the afternoon session. Other local firemen who joined them for the 6 p. m. banquet included Ollie Staehler, Alex Laubach, Harold Ruplinger, Bill Harbeck, John Geidel, Lee Honeck, Joe Schwind, Raynor Herriges and Clayton Stautz. The local department had purchased 20 tickets for the dinner but as only 12 firemen showed up, eight of them were wasted.

Following a delicious dinner served by the ladies of St. Catherine's in the church hall, officials were introduced, songs were sung by the group, the usual number of "parlor" jokes were told, and speeches given. The main speaker was a rescue and first aid instructor from Racine, who gave a very informative and interesting talk on the ABC's of first aid and rescue work which proved beneficial to all firemen present. This speaker spiced his talk with enough intermingled jokes to keep his audience in an uproar.

To conclude the banquet, trophies and prize money won in the association's 9th annual championship bowling tournament held at Menomonee Falls this winter were awarded. In team events Menomonee Falls team No. 4 won the championship trophy and \$65.00 first prize money with a 2913 series. Team members were T. DeChristafaro, D. Droese, L. Gutmann, A. Kuschmann and A. Schneider. D. Droese and R. Maas of Menomonee Falls also won the doubles championship with a 1301 series, good for a trophy and \$35.00 in prize money. Singles champion was A. Buntrock of Grafton with a 717 series, good for a trophy and \$35.00 in prize money. D. Droese of Menomonee Falls also copped the all-events

Del Ponte of Campbellsport placed 3rd and won \$25. Kewaskum firemen also failed to win in the singles event.

**AUBURN 4-H CLUB**

The Auburn 4-H club met at the home of Lorina Petermann on Apr. 6. After the pledge of allegiance, roll call was answered by safety observances that we practiced. The secretary's report by Sandy Hoepner was accepted as read. Diane Nigh gave the treasurer's report.

We must work for more funds this year.

Our club received a "thank you" card from Mrs. Jacqueline Kennedy for our contribution to the Kennedy Memorial Library Fund, which we prize very highly.

Our "Bluebird Trails" project is nearly completed. The houses should be up by this time. Watch for bluebirds and win the prize.

We will observe Arbor Day this year by planting 2 trees, one on each side of our 4-H sign on Hwy. 45, in memory of the late President Kennedy and one for our 5-star general, Douglas MacArthur.

A demonstration by Linda Nigh on "How to Make a Hat Box" was liked by all. We put up a safety

display at the local high school on Dairy Day April 4. We voted to send \$5.00 to the National 4-H Club Foundation which has a camp at Upham Woods near Wisconsin Dells.

Our next meeting will be held at the home of Alban Nigh and we will have the AFS student from Italy, Miss Laura Laghi, who is at Kewaskum High school this year, as our speaker with all parents invited to come.

After a talk on safety by our general leader we recited the 4-H pledge. Lunch was served by Mrs. L. Petermann and Mrs. A. Nigh.

### National Library Week Is Apr. 12-18

Next week, April 12-18, is National Library Week.

Facts and figures on Wisconsin libraries take on added meaning in relation to recent national data issued by the U. S. Office of Education. According to the government agency, 18 million Americans or 10% of our population have no library service. In Wisconsin, the figure is higher—percentage-wise—some 15% or better than 600,000 citizens have no legal access to public library service.

Per capita support of public libraries ranges from the national average of \$1.62 to Wisconsin's \$1.92. (The American Library association's standard has been \$3.50 for five years.)

The median age of public library buildings in the nation was 53 years in 1962. In Wisconsin, 3/5 or 60% of the libraries are between 30 and 60 years old.

The national average of state support of local library service was about 4%, while in Wisconsin it has been a little better than 2% in 1962. Local funds have made up almost 95% of public library support in Wisconsin.

The greatest need for school libraries lies in the elementary school. Nearly 10 million elementary school children in the U. S.—29% of the student body in the nation's public schools—are without school libraries. In Wisconsin, there are only 140 trained elementary school librarians in public schools, 115 in junior high schools. Senior high is much better represented, with 441 libraries with a trained staff in the state. Only about 1/3 of Catholic elementary schools in the state have central libraries, but most have classroom graded collections.

The national standard of expenditure for books per pupil ranges from \$4 to \$6. Wisconsin's latest public school figure is \$3.26.

In the U. S. fewer than 50% of four-year college libraries meet the minimum standard of 50,000 books. In Wisconsin, 68% or 17 out of 25 private 4-year colleges fail to meet it. Public colleges are in better condition, with 20% (2 out of 10) deficient.

Enrollment predictions for schools and colleges will not ease the situation: in Wisconsin the public college enrollment will rise from 37,000 in 1960 to 53,000 in 1965 to 73,000 in 1970. An increase of about 200,000 was registered in public school enrollment in the 1950-60 decade, with another 211,000 rise predicted between 1960-70.

U. S. population growth is forecast as 30 million by 1970 for a total of 220 million. Higher education enrollment in the country is expected to grow 59% between 1963 and 1970. High-school enrollment will rise 19%, elementary school the least 11%.

All these students will be much more library-oriented than in the past for several reasons: (1) increasing emphasis on better performance, independent study and research in the school curriculum, and teaching method; (2) an accelerating rate of growth in the total body of recorded knowledge requiring better means of information retrieval; (3) greater specialization in future careers, requiring greater reading facility and more thorough application.

More mature adults will come to depend more on the public library for: (1) increased leisure-

time reading of a constructive and educational nature; (2) self-improvement for changing jobs or job-retraining; and (3) factual data and information to answer complex questions of today's world.

More and more the citizen will find reading to be the key to opportunity—economic, social, cultural—to new worlds of the mind and imagination, to better understanding of other people and other nations.

The late President, John F. Kennedy, said, "The library is not only the custodian of our cultural heritage but the key to progress and the advancement of knowledge. With increasing leisure its resources can enrich the quality of American life."

Possession of a spear in daylight hours is prohibited in Washington, Ozaukee and Fond du Lac counties until April 21. Pick up the 1964 fishing regulations and read them.

Remember to register your motorboat before you start on your fishing trip.

## Spring School Board Session Held on Monday

### FRED SPOERL AND HARVEY JANSSEN ARE DIRECTORS

The spring school board convention, which was held at the new high school in Slinger on Monday, April 6, was a very successful meeting. In spite of the rainy weather, the attendance was good. About 80% of the school board members attended.

Both speakers gave an outstanding report.

Ernest Clark of the T. G. Evensen and Company, Inc. of Minneapolis covered the field of school district bonds. He listed the steps which are followed by his firm in helping a district in its bond program. A district which receives an

AAA rating is an outstanding district. Most districts in Wisconsin are in the A or AA categories.

The most significant factor in a bond program is the planning of the issues, and not getting a low interest or high rating. These, of course, are important. Bonds are sold through bidding syndicates. These are of either a major or minor type. The greatest municipal bond purchasers are insurance companies and banks. In 1963 about 8½ billion municipal bonds were sold.

Time of day and the day of the week are very significant factors in bond sales. Tuesday seems to be the best day of the week. (No season of the year could be labelled as a "best time"). Because of this time factor, it is very important that any school district employ a reputable firm for handling its bond issue as the presentation and planning of the issue to the underwriters determines the sale and interest rate received.

Mr. Krause of the Virchow, Krause and Company of Waterloo, Wis. also gave a fine talk. He stressed that education is big business and it needs to operate in a business-like way.

His talk was divided into these phases: a. Legal and fiscal aspects of school district organization. b. The philosophy of auditing. c. Techniques used by auditors.

A Wisconsin law makes audit compulsory in all district which expend for operation a sum of

\$25,000 or more. However, no design is offered in the statute as to the nature of such a report. Some reports could be improved. Districts should insist on a good report. The district with a well-planned budget has taken the basic step in sound district operation.

The keeping of accounts is very important as the auditor must check to see if these accounts coincide with the budget proposals as adopted by the electorate. Audits are not made primarily for the purpose of looking for frauds. They are made to evidence several facts. One is a comparative analysis of department costs. The source of revenue is studied by auditors to ascertain whether a district has received all monies which are due. A school audit is a two-way communication. The districts tell him facts, and he tells the board what his findings and deductions are, and suggestions for changes. In simple words, "no school audit is conducted in a vacuum."

Both speakers have worked on, or are currently working with school district boards of Washington county.

The association is starting its 13th year as an organized body. The first officers in 1952 were: President, Ray Bast; vice-president, Harry Oelhafen; secretary, Alfred Seefeldt; treasurer, Arthur Schoedel.

The directors for the next year are as follows: Addison town-

ship, Allen Blank; Germantown township, Donald Klumb; Jackson township, Fred Heidtke; Erin township, Peter Schmitt; Farmington township, Merlin Dognitz; Polk township, George Nehrbass; Richfield township, Kenneth Kuenzi; Wayne township, Leo Resch; Hartford Elementary, Arthur Snyder; Hartford High school, Robert Butzler; Kewaskum Elementary, Harvey Janssen; Kewaskum High school, Fred Spoerl; Slinger Community District, Jerome Faust; Washington Union High school, George Beaty; West Bend Community District, Clifford Holmes.

The organization meeting of the newly appointed directors will be held in the old court house on Monday, May 4, at 8:00 p. m.

Field fires soon will be raging again, due to the burning desire folks have to clean things up.
