Notification Just Received

Mary Kroncke Placed As Student in Spain Under Americans Abroad Summer Program

FIRST LOCAL STUDENT ACCEPTED WILL LEAVE FOR SPAIN IN JUNE

The Kewaskum AFS chapter is happy to announce that Miss Mary Kroncke has been placed on the Americans Abroad Summer Program in Spain. An official notification from American Field Service, New York, was just received on Friday morning of this week, May 15. Miss Kroncke, a member of the junior class at Kewaskum Community High school, is a daughter of Mr. and Mrs. Robert Kroncke of this village.

Miss Kroncke is the first local student to be accepted under the International Scholarship program. Four Kewaskum High school juniors applied for the scholarships, two of whom were selected by the local AFS committee for the Americans Abroad Summer Program. One of these, Miss Kroncke, was accepted for the summer program by the AFS in New York. She will leave for Spain in June and complete details will be published at a later date.

The following served on the local Americans Abroad selection committee last fall: Charles F. Miller, chapter president; Rev. Donald Bitter, Clyde Brehm, Dean Roe, school AFS coordinator; L. N. Peterson and Mrs. Charles Miller, American Abroad coordinator.

LOCAL STUDENT NURSE WILL ATTEND NATIONAL SESSION

Miss Carol E. Schladweiler, daughter of Mr. and Mrs. Leo J. Schladweiler, R. 1, Kewaskum, a graduate of Kewaskum Community High school, is one of the nurses chosen by the faculty of the Milwaukee County School of Nursing to represent the school at the National Student Nurses convention at Atlantic City, starting June 11, for one week.

BOY FRACTURES ARM

Ralph Butz, 7, son of Mr. and Mrs. Vernon Butz, had the misfortune of breaking his left arm while playing at the baseball park last Thursday. He was taken to St. Joseph's Community hospital, West Bend, where he had the bone set and arm placed in a cast.

SPECIAL GERMAN SERVICE AT PEACE CHURCH MAY 24

A special German service will be held on Sunday, May 24, at 9 o'clock at Peace United Church of Christ. Everyone is welcome. The Rev. Edward Nuss will conduct the service. 5-15-2

4 H BAKE SALE MAY 16

The Kewaskum 4-H'ers are sponsoring a bake sale on May 16 at 2 p. m. at the Labor Center in Kewaskum. The public is invited.

MARRIAGE LICENSE

May 6—William E. Brockman, West Bend, and Elaine Catherine Theusch, R. 1, Allenton; wedding May 16.

Award Ann Sheski County Homemaker \$150 Scholarship

Miss Ann Sheski, R. 3, West Bend, received the annual Washington County Homemakers' Scholarship on Tuesday evening in a special presentation at the McLane school, West Bend. Miss Sheski, the daughter of Mr. and Mrs. Harry Sheski, will use the \$150.00 scholarship toward college expenses in pursuing a home economics degree.

Ann was among the top 10 in the state of Wisconsin in the 1964 Betty Crocker "Homemaker of Tomorrow" contest. In her essay on the topic of "Why I Am Choosing Home Economics as a Lifetime Career," she expresses her reasons for choosing to be a home economist. In part her essay reads: "Home economics is a field which offers a wide variety of occupation from which to choose a career. Few other general courses offer such a wide selection of job opportunities as home economics does. Dietetics, fashions, food demonstration and teaching are only a few of the areas available. Home economics, too, is a course useful to any girl, whether married and the head of a family or single and "free." The knowledge learned through home economics can be applied to any course. It's enjoyable and useful and offers a promising future. For these reasons, home economics is for me."

Births

GROSS—A son to Mr. and Mrs. Leroy Gross, Kewaskum, Saturday, May 9.

HEBERER—A son to Mr. and Mrs. William Heberer, 1622-A Fond du Lac ave., Kewaskum, Saturday, May 9.

TACKES—A daughter to Mr. and Mrs. Marvin Tackes, R. 2, Kewaskum, Tuesday, May 12.

DORZOK—A daughter to Mr. and Mrs. Leroy Dorzok, R. 1, Kewaskum, Tuesday, May 12.

RECEIVES BACHELOR OF DIVINITY DEGREE

Richard Lee Ryman received his Bachelor of Divinity degree from McCormick Theological seminary, Chicago, at the 130th commencement on Friday, May 8. Mr. Ryman is the son-in-law of Mr. and Mrs. Charles F. Miller of Kewaskum. Mrs. Miller attended the commencement exercises at the McClure Memorial Chapel.

TWO HEIFERS IN TOWN AUBURN DIE OF RABIES

Two heifers died of rabies in the town of Auburn during the past two weeks, it was reported by John Odelkirk, town constable. Farmers are urged not to permit their dogs to run at large and to be on the lookout for signs of rabies. (See official notice on page 6 and item on rabies on another page of this issue.)

Death of Frank J. Wiedmeyer

Frank J. Wiedmeyer, 82, of R. 1, Kewaskum, died Tuesday, May 5. He was a retired farmer.

Mr. Wiedmeyer was born in the town of Trenton on Oct. 24, 1881, and lived in that township until the time of his marriage to Anna Berg in SS Peter and Paul's church, Nenno, on Feb. 9, 1909. The couple made their home in the town of Farmington and two years later moved onto the Wiedmeyer homestead in that township. His wife predeceased him June 7, 1946 and a son, Francis, died in 1950.

Surviving are five children, Math of R. 2, Kewaskum, Hildergarde (Mrs. Peter Goring) of West Bend, Leo of R. 2, Kewaskum, Agatha (Mrs. John Breit) of R. 1, Kewaskum, and Irene (Mrs. Roman Breit) of West Bend; 23 grandchildren, 18 great-grandchildren, three sisters, Regina (Mrs. Christ Schneider), R. 6, West Bend, Mrs. Frances Gundrum of Slinger, Alma (Mrs. Paul Wilger) of Athens, and two brothers, Pius Wiedmeyer of West Bend and Ambrose of R. 1, West Bend.

Funeral services were conducted at St. Michael's church, St. Michaels, at 10:30 a. m. Saturday, May 9, the Rev. Matthew Urban officiating. Burial was in the church cemetery.

Call 626-2626 with your news.

Body of Flyer Missing Since Feb. 14 Recovered From Lake

Kewaskumites Will Take Active Part in Benefit Production

"The Threshold," Washington County School for Retarded Children and the American Cancer society will receive all profits from the "Mikado," the ever-popular Gilbert and Sullivan musical. The production will be presented Friday and Saturday, May 22 and 23, at 8 p. m. at the McLane school in West Bend.

John Lutz and Clyde Brehm, music instructors at Kewaskum High school, have assisted in directing the production. Mr. Lutz will also be featured in the role of the "Mikado." Mark Rosenheimer and Donald Koerble are members of the male chorus and Mrs. Henry Rosenheimer is the accompanist.

Admission is \$1.25 for adults and 65 cents for students. Tickets may be obtained from all cast members or at the door.

BUSINESS MEETING

The Kewaskum Business association will meet Monday, May 18, at 8 p. m. at the municipal building. The group will set a date and discuss a sales promotion program coming up.

KEWASKUM GIRL'S HUSBAND IDENTIFIED BY FBI; BODY BROUGHT HERE FOR BURIAL

Mrs. Robert Ferris of 2829 Barry st., Chicago, the former Rita Schmidt of Kewaskum, received notice on May 11 from the Chicago Missing Persons Bureau that the body of her husband was recovered from Lake Michigan by the coast guard and identified by the FBI through fingerprints. Ferris disappeared, was reported missing and presumed down in Lake Michigan after taking off on a short flight from Sky Harbor airport in Northbrook, Ill. Feb. 14.

Robert Schmidt and Bruce Koth of Kewaskum, brother-in-law of Ferris and brother-in-law of Mrs. Ferris respectively, traveled to Chicago on Monday to help identify the body and to make arrangements to have the body transferred to Kewaskum for burial.

Ferris took off from the airport in a Cessna 150 that he rented from the airport shortly after 4 p. m. on Feb. 14 and passed over his house at about 4:30, waving to his children. He had intended to return home by 5:30 to enjoy a Valentine party with his family but never arrived. Since he was reported missing, Mrs. Ferris and children have been spending much of the time with her mother, Mrs. Marie Schmidt, and her brother and sister here.

Federal and local authorities made a search for the plane, with the Civil Air Patrol of Waukegan, Ill. in charge and the coast guard aiding. Up to 400 persons were involved in the search, which centered in the Lake Michigan area as Ferris would generally fly south along the lake shore to 63rd st. and then return to the airport on such a short flight. He had held a private pilot's license for over 12 years and was regarded as a very experienced flyer. The major in charge of the search was of the opinion that Ferris may have suffered a heart attack as he was too experienced and punctual a flyer not to send a distress signal.

Ferris, who was 45 years old, was born Oct. 30, 1918 in New York. He was married to Rita M. Schmidt on Jan. 20, 1958 in Florida and they came to their present home five years ago. Surviving along with the widow are two children, Thomas, 5, and Elizabeth, 4; his parents, Mr. and Mrs. Thomas Ferris of Easton, Pa.; his mother-in-law, Mrs. Marie Schmidt, a brother-in-law, Robert Schmidt, and a sister-in-law, Marjorie (Mrs. Bruce Koth), all of Kewaskum.

The body was brought to Miller's Funeral home, Kewaskum, where the casket remained closed. Funeral services were held at 9:30 a. m. Wednesday, May 13, at Holy Trinity Catholic church, the Rev. John Budde officiating. Burial took place in the old Holy Trinity cemetery.

Pallbearers were Elroy Rudersdorf, Ralph Marx, Harold Marx, Richard Reigle, Richard Edwards and Allen Tassar.

There are cases where you're likely to get your eyes shut if you don't keep your mouth shut.

Mrs. Wisconsin to Speak at FHA Mother-Daughter Banquet May 21

Joyce Leffler, Mrs. Wisconsin for 1964, will be the guest speaker at the Kewaskum FHA Mother-Daughter banquet. The banquet will be held at 6:30 p. m. at Holy Trinity church on May 21.

Mrs. Leffler's topic for the evening will be "Charm in a Capsule." She has done extensive work in the lecture field through conducting good grooming seminars for YWCA groups and teaching at a modeling school. She was graduated from Marquette university with

majors in psychology and philosophy and after graduation was employed by the Personnel Evaluation Institute.

In her talk, Mrs. Wisconsin will emphasize the national competition of the Mrs. America contest which was held recently in Florida.

Following the dinner and speaker, the program will be concluded by honoring those who have earned awards and the installation ceremony for the new officers.

25 Years Ago

Recent deaths included Louis D. Guth, 81, one of the incorporators of the village, who was in the insurance business 45 years, former vice-president of the Farmers & Merchants bank, town chairman, village president, state assemblyman, school, county and church official; Perry D. Nigh, 71, pioneer resident of the town of Auburn; Mrs. Frank Schultz, 76, of the town of Auburn; Mrs. Juliana Stenschke, 71, of R. 1, Kewaskum; Mrs. Joseph Karl, 52, whose husband is a town of Kewaskum cheesemaker; Miss Arline Lubach, 23, of the town of Scott; John Knoebel, 59 of Glenwood, Wis., formerly of the town of Wayne; Fred Martin, 77, of West Bend, former local resident and village board member; Mrs. Rose Skaliskey, 84, of Marshall, mother of County Agent E. E. Skaliskey of Kewaskum; Joseph Campbell, 69, of R. 3, Kewaskum; Mrs. Emma Wright, 77, of West Bend, formerly of the village; Andrew Heilmann, 65, of Tomah, former baker in this village; Mrs. Mary Salter, 76, of Fond du Lac, Kewaskum native; Arthur Kirchner, 39, of the town of Wayne; George Timblin, 40, well known town of Osceola farmer; Louis Bunkelman, Sr., 80, of Milwaukee, former resident and father of Louis Bunkelman, Jr. of here.

Lyle W. Bartelt, attorney-at-law, has opened an office in Kewaskum, located across from the village hall.

Mr. and Mrs. Paul Kohler of St. Kilian celebrated their golden wedding anniversary recently.

A grand time was had by all who attended the dance and jitterbug contest at the opera house, with music by Earl Etta's orchestra. Some of the best jitterbugging to be seen anywhere was witnessed. Two "bugs" from Sheboygan won the contest while a West Bend couple placed second. The winners were remarkable dancers, were loudly applauded and were brought back onto the floor twice by request.

A large number of our residents are down with the "flu" epidemic and school attendance has dropped considerably.

A large gathering of farmers from Washington county gathered at West Bend to organize the Washington County Cooperative Livestock Shipping association. John Muckerheide of Kewaskum was elected to the board of direc-

The home on the Gutjahr Bros. farm, occupied by Lawrence Gerner and family, known as the Louis Pamparin farm in the town of Wayne, south of Wayne Center, was damaged by fire Monday morning. The fire was noticed by a passing bakery driver who saw smoke pouring out of the doors. The Gerners were not at home. The driver notified a neighbor, John Mayer, and an alarm was sent in to the Kohlsville fire department, which put out the blaze before it gained enough headway to burn the building down. The flames did not spread rapidly because the building is of brick. Loss was estimated at \$1,000.

50 YEARS AGO

A party of bowlers from this village went to West Bend Tuesday evening and bowled a match game with a team from that city. The West Bend bowlers were determined to get revenge for the defeat they suffered in this village several weeks ago and were in good form, beating our boys very badly. The local team was composed of Jos. Eberle Jr., Jos. Mayer, Carl Brandstetter, John F. Schreifer and Wm. Eberle.

Theodore Schmidt, who for the past eight months held the position as associate editor of the Statesman, has tendered his resignation to accept a position with his father in the Kewaskum Mutual Fire Insurance office, to fill the vacancy caused by the resignation of Miss Adelaide Schaefer.

Philip Vogt, Sr., father of the Rev. Philip J. Vogt, was severely injured by falling down a flight of stairs leading to the basement of the Catholic parsonage. Mr. Vogt, 78, was on his way to get some wood from the basement.

Supplies of fresh apples will be larger this spring than last. Larger supplies are due mainly to unusually large cold storage holdings in Washington state, according to a recent U. S. Department of Agriculture report.

Homemaker Notes

KEWASKUM MODERN MRS.

"Come to the Fair" was the theme of Achievement Nite held at McLane school on May 5. Several of our club members attended and enjoyed the displays, the music, the various reports, the installation of officers, etc. We all enjoyed the South American travelogue so ably presented by the traveler, John Hcllamus.

The following day, May 6, our club joined the Kitchenettes and the Country Cousins for our spring outing.

We went to Ripon where we were given a tour of the Speed Queen factory and the new Grace Lutheran church; then to a delightful luncheon at Moxie's Supper Club.

In the afternoon we were fascinated with the cookie making procedure at Ripon Foods, Inc., makers of Rippin' Good cookies.

The next factory we visited was busy making cans for the Green Giant Canning company.

No tour of Ripon would be complete without a "session" in the famous school house, the birthplace of the Republican party.

Another stop at the Knitting Mills outlet store and we were on our way home fully aware of the reason the folks at Ripon are so proud of their city.

Hazel Renamel, Reporter

GIRL SCOUT TROOP 72

At our meeting on May 12 we invited two juniors to visit our meeting because next year they will be cadettes. We planned our Award Day and outing. We also talked about an overnight. Slips were passed out telling about a playday at Silverbrook camp.

HON-E-KOR HOOKS

Carl Wertz had a low gross of 34, one under par, in the Tuesday Night Men's league. Clayton Stautz had the low net of 30 (37-7 handicap). Art Berge won the blind bogey.

Bob Schmidt sez—Let's all follow the same golf rules. Be sure to follow this new 1964 rule: If you are on the green or within 20 yards of the pin, and you hit the pin, you are penalized two strokes in medal play or loss of the hole in match play. The medal penalty will apply in the Tuesday Night league. Measure out 20 yards from any pin so you get some idea of the distance. However, if in doubt, ask to have the pin tended (and removed after you hit the ball) or removed before you hit the ball.

Members (men) are reminded that entries for the Regal Cup tournament to be held May 23 and 24 must be registered by this Sunday, May 17, for this event, which

will be a "pick your partner" 18-hole medal play handicap meet. The pair having the lowest total score with handicap will be the first to have their names on the Regal Cup. Entrants must state the preferred date and time they wish to play. Tournament golfers will tee off on Saturday from 1:00 to 3:00. Scores will be kept by opposing teams and no team can play alone but in foursome. No entry fee is required.

SCHUPPEL WINS RACE OPENER AT SLINGER

Don Schuppel of Kewaskum took a first and a fourth in feature modified stock car races at Slinger and Columbus over the weekend. At Slinger Sunday night he won the fourth heat and captured the main event when Ron Enderle, Lomira, and Fuzzy Fassbender, Slinger, were involved in a pileup.

At Columbus, Schuppel won the third heat and finished fourth in the main event.

Schuppel took the lead in the seventh lap of Sunday's 25 lap feature and remained there before 6,500 opening night patrons as he averaged 52.63 miles per hour. The purse was \$2,750.

Miss Sharon Jandre Engaged

Mr. and Mrs. Harvey Jandre, 366 Third st., Kewaskum, announced the engagement of their daughter, Sharon, to Richard Jaeger, son of Mr. and Mrs. Victor Jaeger, R. 1, Campbellsport, on Friday, May 8. No definite wedding plans have been made.

Campbellsport

Sharon, daughter of Mr. and Mrs. Dominic Bertotti, has been accepted into the national honor society of social science, Pi Gamma Mu, at Marquette university.

In Friday's storm a large silo on the Paul Greminger farm was blown over. Saturday's high winds damaged the electric eye that controls the lighting of all street lights and the village was without street lighting Saturday and Sunday nights.

At a meeting following a public hearing to ascertain the feasibility of making a common school district of those elementary school districts in the Campbellsport Union High school district, the Fond du Lac and Sheboygan County School committees unanimously passed a resolution creating such a district. The resolution will lie in abeyance for 30 days before becoming effective to give any objectors a chance to petition for a referendum. The date for change-over is July 26, 1964. About 125 people from all over the proposed district attended the hearing. After a chairman was elected, Donald Borneman, county superintendent of schools of Fond du Lac and Green Lake counties, pointed out the many advantages of having a common school district, among

which would be a possible increase of \$10,000 in aid under a new proposed formula. Some disadvantages also were explained, which included higher costs in some districts, lose control of district school now operating, and local school might be closed. He said the school population could be 570 in the grades and 500 in high school.

On Sunday, May 3, at the 9 o'clock Mass, 47 children of St. Matthew's parish received their First Holy Communion.

Funeral services were held May 1 for John J. Pesch, 70, retired farm implement and auto dealer. After being associated with his father in the farm machinery business, later a partnership with his brother-in-law, M. K. Beisbier, was formed and they operated a Ford agency for 33 years.

Dr. J. Greg Hoffman of Hartford, son of the late Dr. and Mrs. P. A. Hoffmann of Campbellsport, was honored at a dinner on the occasion of his 60th year in the medical profession. The party was at the Linden Inn at Cedar lake. Dr. Hoffmann will be 83 May 25. His brother, Dr. Leo Hoffmann has been practicing here 45 years.

Fire of mysterious origin destroyed a vacant house on what was the former Snapper place in the town of Auburn now a part of the Kettle Moraine area.

GIRL SCOUT NEWS

Last week we painted dish towels for gifts to our mothers. We made "Buddy Burners" this week, which we plan to cook on at our picnic on May 26 at the village park. The fly-ups visited our troop meeting.

On May 19 we are having award day from 4 to 5. The mothers are invited.

Troop No. 53

County PTA Council Installs Officers

The Washington County Council of PTA held its last meeting of the 1963-64 season on Wednesday evening, May 6, at the Washington county courthouse auditorium. Mrs. Dorothy Pabian, the first secretary of the council, installed the following officers for the coming year:

President, Mrs. Donald Wendt, R. 3, Campbellsport; 1st vice-president, Mrs. Waldemar Pusch, Hartford; 2nd vice-president, Mrs. Ione Klepfenstein, Richfield; secretary-treasurer, Melvin Walters, Barton; historian, Mrs. Robert Strohacker, West Bend.

Mrs. Pabian gave a brief talk on the history of the council. It was organized in February, 1954, at the request of local PTA units who wanted a central organization to turn to for help in solving local problems. Thus, the County Council has become more or less of a co-ordinating unit.

The program consisted of a panel discussion, "What Are the Contributions of Each Toward the Functioning of a Good School?" The following persons served on the panel:

School board member, August Koch, Kewaskum Elementary school; superintendent, Harry Sheski, Washington county schools; superintendent, Paul Loofboro, West Bend schools; administrator, George Glasrud, Germantown High school; principal, Gerald Engstad, West Bend; principal,

Donald Hanrahan, Erin school; teacher, Iola Ortmann, Barton school; parent, Mrs. Carol Fisher, Silver Maple school.

Each member of the panel briefly outlined his duties. One point which each emphasized very strongly was the need for close cooperation with each other in order to give the child the best education possible. The school board serves as a policy making body and it is the duty of the superintendent to see that these policies are carried out and to establish desirable personal relations within the school system. The principal aims to establish an understanding of the child and to improve instruction. Above all a good school begins in the home. It is up to the parent to see that the child is sent off to school with the proper attitude. A healthy, happy child enjoys school and is an asset to the classroom.

Following the comments by the various panel members, a round-table discussion was held. The audience had some very stimulating questions which brought about the discussion of various activities which PTA might take part in.

Even the happy-go-lucky dentist looks down in the mouth when he's on the job.

DAIRY MONTH BANQUET

The June Dairy Month banquet we always have in Washington county has been scheduled for June 17. We have an outstanding speaker. The banquet will be at St. John's Lutheran church in West Bend (we had thought to go somewhere else this year, but St. John's still has the largest capacity in Washington county). This year the committee decided to make this a banquet for farmers and their wives.

You will hear more about this program in the weeks ahead. Mark the date on your calendar so you will remember it.

DANDELIONS ON LAWN

You probably have a lot of dandelions growing in your lawn now. If so, remember you should have taken care of them last fall with 2,4-D. About the best thing to do if they're growing profusely right now is choose between two things: learn to love them, or try to spray them with 2,4-D. But keep that 2,4-D away from anything in your garden.

Local News Items

Local women who attended the recent annual spring luncheon session of adult members of the Wau-Bun Girl Scout Council at St. Mary's church hall, West Bend, were as follows: Meses. Eugene Gnacinski, Edward Jaycox, Ralph Marx, Ernest Mitchell, James Reigle, Roger Reindl, Henry Rosenheimer and Homer Schaub.

Mr. and Mrs. Harvey Holm of Chicago, August Ebenreiter and daughter, Mrs. Violet Foster, of Scottsburg, Ind. called on friends Wednesday.

A large number of relatives, customers and friends were entertained at a party at Heisler's tavern Saturday night in honor of the birthday of Louis J. Heisler, Sr. Refreshments and lunch were served.

At the monthly meeting of the Ladies' Altar society of Holy Trinity church Tuesday evening in the parish hall Father Jerome Ziegler gave a talk on vocations. He is one of the priests appointed by the archbishop to give vocation talks to groups in the archdiocese. Hostesses were Meses. Jac. Bruessel, Vernon Butz and Miles Campbell.

At the annual meeting of the Queen Hits bowling league held at King Pin Lanes, Campbellsport, recently, officers were elected and Joyce Schultz of Kewaskum was named president. The annual dinner was held May 6 at Bauer's.

Funeral services were held last Wednesday at Campbellsport for Oscar (Tom) Kutz, 66, who died Monday, May 4. He was a brother of Mrs. Clarence Stern of Kewaskum.

Friends and relatives gathered at the home of Mr. and Mrs. Norman Arbogash at Menomonee Falls on Sunday, May 10, in honor of their two daughters, Christine and Barbara Ellen, who received their First Holy Communion on Saturday at 10:30 at St. Agnes church, Butler, with a group of over 200 boys and girls. They are former residents of West Bend and Mrs. Arbogash is a daughter of Mr. and Mrs. William Volm of Kewaskum. Those who attended

were: Mr. and Mrs. Volm and son Billy, Peggy Larson, Mr. and Mrs. Merlin Volm and family, Mr. and Mrs. Bernard Kaehne and family, all of Kewaskum; Mr. and Mrs. Richard Weis and Joyce, Mr. and Mrs. Reggie Pierret and Mary Lynn, Mr. and Mrs. Robert Volm and Randy, all of West Bend; Mr. and Mrs. Philip Volm of Campbellsport; Mr. and Mrs. Frank Hahn, Jackie and Pat of Slinger; Mr. and Mrs. Donald Arbogash and family of Lannon, and Mr. and Mrs. John Arbogash and Susan of Milwaukee.

Save! Select your furniture at Miller's in Kewaskum. Largest selection, high quality at most reasonable prices. Open daily until 5:30, Monday and Friday to 9 p. m. Free dependable delivery.

Our Police Chief Says

TO THE PARENTS

Our most prized possession is our children! It is our hope that, by constantly reminding our children of the dangers that lurk in the associations with strangers, tragedy may be averted. The following rules may be of help to you in explaining these dangers to your children:

1. Never accept rides from strangers.
2. Never accept candy or for that matter anything from strangers.
3. Always report to the police or your parents any stranger

seen loitering on foot, or in a car near schools, playgrounds or other places where children assemble.

4. Always try to secure the license number of the car; write it with a pencil or scratch it with a stick in the road or on the sidewalk with a stone.

5. Always try to get a description of the stranger.

6. Remind your child that the police officer is his friend and that the child is to go to a police officer any time that he needs help.

Dundee

Mr. and Mrs. John Baumann and son Roger of Nelson and Mrs. Clara Meth of Alexander visited the weekend with Mr. and Mrs. Clarence Bohn and on Monday attended the funeral of Henry Ebert. On Monday evening they visited Mr. and Mrs. Walter Kre. ald before returning home on Tuesday.

Mr. and Mrs. John Ludwig of Milwaukee visited the former's brother, Vilas Ludwig and wife.

Mr. and Mrs. Carl Dins, Mr. and Mrs. Wm. Lenz and Mr. and Mrs.

Henry Pieper spent Sunday and Monday in Chicago.

The Ladies' Aid had their monthly meeting Thursday in the church basement. Mrs. Luella Alberts was hostess.

Mrs. Irene Kiesner and her father, Conrad Fritz, spent Friday and Saturday with Mr. and Mrs. Kenneth Traub in Milwaukee.

Mrs. Ralph Kutz and infant daughter returned home Friday from St. Joseph's hospital, West Bend.

Mrs. Norbert Mielke left Thursday for Cleveland, Ohio, for a week's visit with relatives.

Miss Kathleen Dins, who is attending school in Milwaukee, spent the weekend with her parents, Mr. and Mrs. Carl Dins.

Mr. and Mrs. Melvin Ramthun and family were entertained at the home of David Loehr at Campbellsport Sunday.

Mrs. Lenor Rock, Florence Seppanen, Sue Seppanen and Monty Majesky spent Mother's Day at the Syl. Majesky home, also Mr. and Mrs. George Bildes of Milwaukee.

Mrs. Clara Dins attended the funeral of a relative in Milwaukee.

Mrs. Irene Kiesner entertained at her home Sunday Mr. and Mrs. Kenneth Traub and family and Paul Fritz of Milwaukee, Mr. and Mrs. Joe Raeder and family of Cascade, Mr. and Mrs. Richard Kiesner and family of Fond du Lac, Mr. and Mrs. James Kiesner and family of Campbellsport.

A good raking and adequate fertilization are the two things that will help most in getting your lawn off to a good start, says Robert Newman, University of Wisconsin horticulturist.

Postal Changes Are Clarified By Postmaster

WINDOW SERVICE HOURS CHANGED AT POST OFFICE

The residents of Kewaskum will not be affected by the recently-announced adjustments in parcel post and post office window services, Postmaster Harry E. Koch said this week.

Koch explained his statement was prompted by some misunderstanding about the scope of these changes.

Recapping the local postal situation, the Kewaskum postmaster pointed to these facts: Money orders will be written on Saturdays as usual. Money order applications will be accepted by rural carriers on this day and also processed the same day. Parcel post deliveries will remain the same.

Effective immediately the window service hours will be as follows: Monday thru Friday the hours will be 8:30 a. m. to 5:00 p. m., on Saturdays 8:30 a. m. to 12:30 p. m. The window service will include the sale of stamps, money orders, receiving of parcels, registered mail, C. O. D. service and handing out of general delivery, plus all other miscellaneous postal business.

At the same time, Koch said he has received information on the national scope of the service adjustments which indicate very little overall effect is anticipated from the order, starting May 4.

"Many of our local people who send mail to other points, many who visit other cities and transact postal business in those areas, and many others who will be in other communities at vacation time will be interested," he explained.

He released the following national findings on the overall effect of the adjustments:

Parcel Post

1. Parcel post deliveries are not affected at all on 24,934 city routes where the carriers are "mounted" (on vehicles), on 32,299 rural delivery routes and on 7,802 contract "star" routes delivering mail. On 78,576 city delivery foot routes, parcels up to two pounds (and not bigger than a shoe box) will be delivered. About one-fourth of all parcel post packages are two pounds or less.

2. Service is effected only on

parcel post routes (about 16,000 full and part-time routes) which will be in service five instead of six days a week. Postmasters will adjust service to local parcel volumes and only an estimated 6 to 8 per cent of total parcel post will be affected in any way.

3. More postal personnel are being assigned weekend duty at many post offices, and parcels will be speeded throughout the postal system for focal deliveries at all points. This and other actions to eliminate delays will largely or entirely offset any delays that would otherwise result from the adjustment, and it is expected overall service will be improved.

4. About 28,000 smaller and medium-size post offices do not have any parcel post routes now and their service is not involved at all, of course.

Window Service

1. The only principal service affected by the consolidation of window services into one window on Saturday mornings at some post offices (about 12,000 large offices) is domestic money order service.

2. Money order sales on Saturday will—with very few exceptions—continue in about 7,000 "contract" postal stations (typically located in suburban shopping center drug stores), providing domestic money order service in virtually every city where orders are not sold at the post office on Saturdays.

3. Consolidated windows will continue to provide all essential services — stamp sales, parcel post transactions, registry, C.O.D. services, etc.

4. Post office lobbies normally open on Saturday will not be "closed down." Lobbies will be open for lock box services, mail deposit, etc.

5. Postmasters at most smaller post offices will sell, and rural carriers will continue to take applications for money orders on Saturdays. Postmasters can sell the orders if they can do so without any effect on manpower usage

(affecting about 20,000 smaller post offices). Rural carriers serving out of such offices will dispatch money orders received on Saturdays on the same day; otherwise if they serve out of larger city offices, their rural money order applications will be handled early Monday).

6. Window services in at least 20,000 post offices which have never had more than one window open on Saturdays are, of course, unchanged.

Tom Merriam Is New County GOP Chairman

The executive board of the Washington County Republican organization has appointed Attorney Tom Merriam of West Bend to lead the group after voting to accept the resignation of its former chairman. The meeting was held at the home of the vice-chairwoman, Mrs. John Disher, of Hartford. Mrs. Fern Hembel, long-time active in Republican women's activities, will succeed Merriam as secretary. A member of the county board of supervisors, she has previously held the position of secretary.

New GOP chairman, Tom Merriam, was born and raised in Washington county. He is married and has five children. A veteran of World War II, he previously attended the University of Wisconsin and Marquette university. Well known for his service to the community, he has been chairman of the March of Dimes, member of

the board of directors of the Blood Bank, and past-president of the Jr. Chamber of Commerce of West Bend. Merriam has also been active in the West Bend-Barton Sportsman's club, past-president of the West Bend Anti-tuberculosis association, and served on the board of the Red Cross. He has been active in Republican politics since 1949. The new GOP chairman is a member of the law firm of Schloemer and Merriam. At present he serves the Wisconsin Bar association on the Committees for Legal Education and Admissions to Practice.

A statement of unity and purpose, expressing the views of the new chairman and the assembled Republicans, was discussed at the meeting. It was agreed that all political efforts of the party will continue to have, as the basic aim, good government at all levels. It was also agreed that the tradition of the group was to preserve the right to differences of opinion which might exist within it. Chairman Merriam pledged to consult each delegate and alternate as to personal preferences on issues and candidates. He drew applause when he promised that no one member could "deliver the vote. Each member and delegate will do that independently and freely."

A future meeting is being planned before the state Republican convention with the purpose of exchanging ideas on the coming elections and building a calendar of future social and political events for summer and fall.

Looking Thru the Field Glasses...

By Bob Lake, Conservation Warden, Washington County

The opening of the fishing season at midnight Friday, May 8, was a flop. Very few fishermen were able to handle a boat on Wallace lake due to high winds, and those who did fished a short time. There were a number of fishermen at the Allenton creek but few fish were taken. Fishing at Wallace lake picked up Saturday and Sunday night. Lakes such as Big and Little Cedar and Pike lake produced fair catches of pike, bass and northern.

Two deer were killed over the weekend, one on Highway 41 south of 167, the other on Hwy. 60 about 1/2-mile west of CTH (C).

A large number of legal size rainbow trout were planted in Wallace lake in October, 1963. On April 30, 1964, eight hundred legal size brown trout were planted at the Allenton creek in public hunting and fishing grounds. On Friday, May 1, a large number of northern pike fry were planted at Gilbert's lake and at various places in the Milwaukee river between Kewaskum and West Bend.

The number of deer killed by cars on the highways of Washington county during the first four months of 1964 has increased over the same period in 1963. There were eight in 1963 and seventeen so far this year.

GAS IS GREAT...because

Only modern GAS ranges have burners that will last for the lifetime of the range. Gas burners never "burn out" . . . have no costly heating elements that need ever be replaced or burner switches to break down. Other features like sturdy steel construction and easy-to-clean porcelain finish help make GAS ranges the ones that last . . . and last . . . and last. So why settle for less than the long, long life of trouble-free performance you can get only from a modern GAS range?

ONLY GAS

gives you a lifetime burner

The May meeting will be on the theme of "The First Americans, the Indians." All Cubs now in Cubbing must be accompanied by their parents, as there will be awards presented. We want to see more fathers at this meeting.

Jeanette Gnacinski,
Den Mother

NOTICE

To Dog Owners of the Town of Auburn

It shall be unlawful for any person who is the owner, or in possession of, or charged with having the care of any dog, to permit the same to run at large beyond the confines of the owner's premises or premises properly occupied by said person, or to run on to the premises of another in the Town of Auburn; unless the dog is accompanied by and under the control of such person, and unless express permission therefor shall have been given by such other property owner or occupant.

It shall be unlawful for any person to keep or harbor within the limits of the township any dog which frequently or habitually barks, yelps or howls.

Any person violating any provisions of this ordinance shall be subject to a forfeiture of not less than one dollar (\$1.00) nor more than twenty-five dollars (\$25.00). Each day that the provisions of this ordinance or any part thereof are violated shall be and constitute a separate offence hereunder.

Rabies Control Program to Get Underway in County

During the past several years rabies infection in wildlife has been on the increase in Wisconsin. Skunks, raccoons and foxes are the most commonly infected wild animals.

Recently bats have been found to be a source of human exposure. In fact, all warm-blooded animals may contract rabies and become dangerous to humans. This is especially true of the unvaccinated dog. Cats, likewise, can be dangerous in spreading this disease from animals to people.

Dr. A. Erdmann, chief state-federal veterinarian, cautions the public to be very careful of exposure to rabies from either wild or domestic animals.

Washington and Ozaukee county pet owners are urged to have their pets vaccinated at one of the rabies vaccination clinics to be held on May 19-20. The Washington county clinics will be held at the old court house in West Bend, and the Hartford town hall. These clinics have been arranged by the Washington-Ozaukee County Veterinarian Medical association and the county agricultural extension office, with the 4-H clubs assisting.

All pet owners should report between 7:00 and 9:00 p. m. at one of these two centers to have their pet vaccinated. This will give good immunity for a period of at least one year. The fee for this will be \$2.00, to cover the cost of the vaccine. If any profit would be realized, it will be given to non-profit organizations within Washington county.

For further information, contact either your veterinarian, Dr. Marsh of Hartford, or one of the extension agents, Maurice Hovland or Robert Stodola.

Rabies is an acute fatal disease affecting the central nervous system of infected animals. It is caused by an ultramicroscopic filterable virus present in the saliva of infected animals. It is transmitted to man or other animals by bites when the saliva is introduced into the bite wound.

The incubation period is relatively short when the wound is located near the central nervous system as on the face or head, or when it is a deep puncture wound where the tissue has a rich supply of nerves. The average incubation periods from the time of the bite until clinical symptoms of rabies develop are generally as follows: Man, 3-9 weeks; dog, 3-6 weeks; horse and cow, 4-8 weeks; sheep and goat, 3-4 weeks; swine, 2-3 weeks.

Clinical symptoms may vary somewhat in infected animals. Basically there are three stages noted: First, a restless irritable period.

Second, a period of excitement. Vicious or aimless attacks on any moving object or animals. The animal may wander aimlessly over the country biting other dogs, domestic or wild animals that cross his path.

Third, a paralytic stage. First signs are a drooling open mouth, caused by the paralysis of the lower jaw. Efforts to swallow cause spasms of the throat muscles, a reasonable explanation for the "hydrophobia" name, meaning fear of water. The animal cannot drink because he cannot swallow. After paralysis appears, it develops rapidly, involving the body, hind parts, tail, bladder and rectum. The disease terminates fatally due to exhaustion of the animal on the 5th to the 8th day after the onset of the first symptoms.

toms.

The described symptoms are characteristic for dogs, cats, skunks, foxes, or other infected wildlife.

Cattle become restless, excitable and aggressive. They develop a characteristic eerie-sounding bellow as the disease terminates.

The horse will rub and itch at the bite location, and show fear and restlessness. He will paw and bite at the manger. Swine will attack other animals, hide in straw, gnaw at the wound. Paralysis develops rapidly in swine.

Once rabies is established in an animal or when clinical symptoms develop, there is no medication that will abort the disease. It can only end in death.

In 1963, 61 positive cases of rabies were diagnosed in 28 counties in Wisconsin. Dodge, Fond du Lac, Milwaukee and Ozaukee counties were included in these counties. Ten species of animals were infected: skunks, 16; cows, 15; cats, 8; foxes, 7; dogs, 6; bats, 5; raccoon, 1; pig, 1; horse, 1; hamster, 1.

Annual use of a rabies vaccination program for pets, such as dogs and cats, has been effective.

This gives the animal a reasonable amount of immunity against the rabies virus if he later is bitten by a rabid domestic or wild animal. However, this does not eliminate the need for a 10 to 14-day quarantine period following bites inflicted on humans to determine if clinical symptoms of rabies will develop during the 10 to 14-day period.

Elimination of ownerless or vagrant dogs and wild life such as skunks and foxes which serve as a reservoir for the rabies virus is important.

RESIDENTS OF HOME ENTERTAIN AUXILIARY

The Cedar Lake Home residents invited the one-hundred and thirty members of the William Koehl Working Auxiliary to a tea and program at the home on Wednesday evening, May 13, from seven to eight. Following the tea, the auxiliary members held their quarterly meeting.

STARTING A LAWN

How should one go about starting a lawn? Should we seed it, or buy sod? Generally speaking, if you want a lawn rapidly, within a matter of a few weeks, by all means buy sod, lay it carefully, water it well, fertilize it well, and you will have a nice-appearing lawn that you can mow before many weeks have passed.

On the other hand, if you wish to save money, and don't particu-

larly need the area for children to play, you would probably seed it. There are several choices of seed — Kentucky bluegrass, Merion bluegrass, some of the fescues, and some of the bents. The first year you will have a lot of weeds which you will want to control with chemicals.

We can't give you all the information here, but we do have a fine bulletin on establishing a lawn, which we will be glad to send to you.

Indians Win 2 More. Near Scenic Title

The Kewaskum Indians moved closer to the Scenic Moraine conference baseball championship by winning two more games the past week. The unbeaten Indians now have a 4-0 record and are alone at the top of the standings.

Last Thursday Kewaskum squeezed by Random Lake with a three-run sixth inning outburst, 4-3. In true storybook fashion, Don Zimdars, making his first appearance of the season, slammed a two-run homer to cap the Indian uprising against the Rams. Paul Kohler got the win, striking out eight, and allowing but five hits. Loser Gene Preder of Random Lake fanned seven and was also touched for five safeties. Demler of the losers was the only player to get two hits. Kewaskum was guilty of four errors. The Rams scored two runs in the first inning and one in the fifth, while the victors pushed over one in the fourth and three in the big sixth.

Kewaskum's fourth straight win came Monday with Campbellsport being a 3-1 victim. Mike Coulter's fine hurling was the decisive factor for the winners. The Indian moundsman whiffed 13 Bell swingers while walking only three in a two-hit effort. Jerry Miller had two singles in three times at bat and Zimdars two for four to lead the Indians at the plate. Kewaskum collected nine hits off of the Bell twirler. Each team was guilty of one miscue. Campbellsport scored its lone run in the third frame, while the Indians scored two in the fourth and one more in the fifth.

SCENIC MORAINES STANDINGS

	Won	Lost
KEWASKUM	4	0
Germantown	2	1
North Fondy	2	2
Campbellsport	1	2
Slinger	1	2
Random Lake	0	3

Results Thursday—Kewaskum 4, Random Lake 3; North Fondy 10, Campbellsport 3; Germantown 3, Slinger 0.

Results Monday—Kewaskum 3, Campbellsport 1; Slinger 8, Random Lake 2; Germantown 11, North Fondy 2.

Indians Beat Bells In Dual Meet, Place 2nd in Triangular

In a dual track meet at Campbellsport last Tuesday, the Kewaskum Indians easily defeated the Bells, 75-43, and in a triangular meet at North Fondy on Friday the host Orioles copped first with 79½ points, Kewaskum placed second with 43½ and Slinger ended up third with 25. Kewaskum Will Host Cedarburg In Lakes Opener

Teams in the northern division of the Land o' Lakes baseball league will open the 1964 season on Sunday, May 17, with Kewaskum hosting the strong Cedarburg nine in the opening game, an afternoon contest. Fred Bruhn will serve as manager of the team this year.

Rounding out the full slate of openers, Sheboygan will travel to West Bend, Barton goes to Grafton, and Saukville plays at Port Washington.

To get in shape for the opener Sunday, Kewaskum has played four pre-season practice games, winning two and losing two. Last Sunday the team easily bombed Barton, 15-3. In previous contests they defeated Grafton and lost to Saukville and Eden, the latter of the Rock River loop.

Kewaskum's schedule for the season follows:

- May 17—Cedarburg here
- May 24—Saukville there
- May 31—Sheboygan here
- June 9—West Bend there (8 p. m.)
- June 14—Port Washington there
- June 21—Grafton here
- June 28—Barton here
- July 5—Cedarburg there
- July 12—Saukville here
- July 19—Sheboygan there
- July 26—West Bend here

Aug. 4—Port Washington here (7:30 p. m.)
Aug. 9—Grafton there
Aug. 16—Barton there

Local Bowlers Are Winners in Men's and Women's Tourneys

Winners in the men's city bowling tournament events were announced by Jim Burckardt, tourney manager. First place winners in each event in the final listing were as follows:

Team—Arr. Metal Products, 2969 plus 212 handicap—3181.

Doubles—D. Backhaus 554 plus 120—674, and L. Boden 518 plus 98—616—1290. D. Laatsch and J. Dreher, Kewaskum, placed third with 1281. O. Ramthun, Kewaskum, and M. Serwe, Campbellsport, placed fourth with 1280.

Singles—Jim Pohn, 676 plus 52—728.

All events—Don Laatsch, 574, 611, 671 plus 102 handicap—1958.

Winners in the West Bend Women's Bowling association tournament were announced by Clara Boden, secretary. Frances Rohlinger 495 and Lorraine Korth 474, plus 114 handicap—1083, both of Kewaskum, copped first in the doubles events. Audrey McKenna and Eleanor Marx, Kewaskum, were second with 1078. Meta Heimermann, Kewaskum, took first in the singles events with 529 plus 75 handicap—604. Alice Strobel was second with 581.

Jet-smooth Luxury Chevrolet makes crooked roads feel like going straight

Chevrolet's Full Coil suspension makes the crookedest S-curve seem on the level. With a double-acting shock absorber in each corner, it takes the jumps out of bumps. With 4-link leveling control, you get away with Jet-smooth acceleration.

With built-in anti-dive control, you come to Jet-smooth stops. And with low-friction Ball-Race steering, you waltz over twisting roads as gracefully as a ballerina.

All seven Chevrolet engines are precision balanced for smooth operation. And because your Chevrolet has over 700 insulators and sound deadeners, you don't have to shout to have yourself heard.

It's Trade 'N' Travel Time at your Chevrolet dealer's—the perfect time to try the Jet-smooth ride. Find the meanest stretch of road you can. Then see for yourself how straight a crooked road can feel.
