Autos Damaged in Village Collision

Cars driven by Gerald L. Luedtke, 16, of R. 1, Cascade, and Eugene J. Bohn, 33, of 316 Third st., Kewaskum collided at the intersection of Bilgo Lane and Third st. near the high school at 8:35 p. m. last Friday. Luedtke said he was driving north on Bilgo Lane and did not see the Bohn vehicle until it was too late to avoid the collision. Bohn stated that as he approached the intersection he observed Luedtke coming toward him and accelerated his auto in an attempt to avoid the crash but could not get out of the way in time. Luedtke was charged with failure to yield the right of way. The entire front end of the Luedtke car and the left side, trunk and rear right side of the Bohn vehicle were damaged. Bohn's car was completely spun around in the collision.

Loretta M. Connor, 23, of R. 3, Campbellsport, was injured at 9:34 p. m. Sunday when cars driven by Arthur G. Moths, 76, R. 6, West Bend, and Roy W. Backhaus, 39, of R. 3, Campbellsport, collided at STH 45 about two miles south of Kewaskum.

Fire Damages Village Home

Fire Wednesday night caused damage estimated at close to \$2,000 to a home owned by Louis L. Bath on First st., occupied by Mr. and Mrs. Merlin Dreher and family. The fire department was called at 9:10 p. m. by a neighbor, who saw smoke pouring from the building. The house is located just two doors east of the fire station.

The fire apparently started in a gas water heater in a utility room at the rear of the home. There was no one home at the time, the Dreher family having gone to a movie at an outdoor theatre. Firemen gained entrance to the building through the rear door which had been left unlocked. But first firemen disconnected the gas outside and kept the fire confined until two of the fire fighters donned smoke masks and entered the home to find the source of the flames. Then doors and windows were opened and a hole was chopped into the utility room roof so firemen could douse the blaze.

A hole was burned in the floor under the water heater, which firemen disconnected and moved. Then the flames spread up the wood wall and between the wall to a small attic above the utility room, the interior of which also was burned and charred. After firemen had put out all of the visible flames they had to chop several holes into the wall and ceiling to get at spots that were still burning. The fire had been burning for some time before it was discovered. There was also some water and smoke damage.

Firemen spent almost two hours at the scene, fighting the blaze, removing some of the furniture, and cleaning up the mess.

Name Miss Seefeldt To Lakeland Office

Lakeland college at Sheboygan's new student body officers for 1964-65 were formally installed at the school's Honor's Day program last week. New officers recognized by the college president, Dr. John B. Morland, include Mariel Seefeldt, Kewaskum freshman, secretary.

Among other awards presented in academic and extra-curricular activities were those to the Campus Players. Miss Seefeldt was given an award for the best supporting female in the production, "The Man Who Would Be Sick." She was also presented a letter for her participation in the a capella choir.

Fred Buslaff Dies

Frederick W. Buslaff, 93, of Waucousta, passed away at St. Joseph's Community hospital, West Bend, on Wednesday, May 27. Friends may call at the Two-hig Funeral home, Campbellsport, after 2 p. m. Friday. Funeral services will be held on Saturday at 8:30 a. m. from the funeral home and at 9:00 at St. Matthew's church, Campbellsport.

MARGARET KIRSCH AND ROBERT KERN SELECTED TO RECEIVE AWARDS

Margaret Kirsch and Robert Kern have been selected to receive J. O. Reigle scholarships, according to an announcement by Regal Ware, Inc. The awards, offered every year to the graduating class of the Kewaskum Community High school, have a value of \$2,000 each. They will provide each winning student \$500 per year throughout a four year college course.

Miss Kirsch, daughter of Mr. and Mrs. Arthur Kirsch, R. 2, Campbellsport, is valedictorian of the 1964 graduating class. She has maintained an outstanding record of scholastic achievement throughout her high school career—while finding time for an impressive number of school activities. Her school organization memberships have included the Future Homemakers of America, chorus, Dramatics club, forensics, Girls Athletic association, and Future Teachers of America. Margaret's ambition is to be a social worker, and she plans to major in sociology at Carroll College, Waukesha.

Kern is the son of Mr. and Mrs. Ralph Kern, R. 1, Kewaskum. He has been an excellent student and exceptionally active in student affairs. In school athletics he participated in baseball and cross country and is a Letterman's club member. Robert was active in dramatics, member of the newspaper and annual staffs, and active in the American Field Service club. He is vice-president of the senior class and was a member of the prom court. Out-of-school activities include being president of his CYO, a delegate to Badger Boys State, and an active Rock 'n Roll musician. Robert plans to be an electrical engineer—the course of study he will pursue at the University of Wisconsin at Madison.

The J. O. Reigle Scholarships were established in 1963 by Regal Ware, Inc. to recognize the outstanding achievements of one or more students from each graduating class of the Kewaskum high school, and to assist them in obtaining college educations. To be eligible for an award, a student must be a graduating senior, have attended Kewaskum Community High school for the two previous years, have maintained a "B" average, and meet the entrance requirements of a duly recognized college or university.

COMMUNION-BREAKFAST TO HONOR GRADUATES

On Sunday, May 31, the C.Y.O. will receive Holy Communion at the 8 a. m. Mass at Holy Trinity parish. The high school seniors who are graduating will occupy the front pews. The seniors will be specially honored at the breakfast after this Mass. The 8th grade graduates of Holy Trinity will be guests. It is planned to have a speaker for the occasion.

On Sunday, the Feast of the Queenship of Mary, at 1:30 p. m. there will be the May procession and May crowning. CYO members and eighth grade graduates are asked to participate.

One of the best ways to avoid an accident is to plan evasive acts ahead of time. As you drive along, visualize what possible kinds of hazards may be waiting ahead, and what you would do to avoid them. This suggestion is offered by the Institute for Safer Living of the American Mutual Liability Insurance Company, which states that this sort of mental preparation will help the driver to instinctively take the right evasive action when a real accident is imminent.

A college graduate can expect to earn about \$125,000 more in income than a high school graduate during the normal 35 years of employment.

Sheriff of County Wm. Johnson Enters Race for Assembly

William P. Johnson

William E. (Bill) Johnson, sheriff of Washington county, announced this week that he will be a candidate for the state assembly from Washington county at the fall primary on Sept. 8.

Johnson, a native of Washington county, was born in the town of Farmington and educated in Washington county schools. He attended law enforcement school at the University of Wisconsin and FBI law enforcement extension courses. He has also been active in and is a past office holder of the Wisconsin Sheriff & Deputy Sheriffs association and served as first president of the Washington County Law Enforcement association.

Bill, as he is commonly known to all, began working for Washington county in 1922 as a highway department employee. In 1931 he transferred into the traffic department of the Washington County Sheriff's Department as a motorcycle patrolman. He served as a patrolman on motorcycle until 1940 when the motorcycles were replaced by squad cars and patrolled county highways until

he was elected sheriff in 1960 and reelected in 1962.

Bill is well known throughout Washington county and has more than 40 years of service with the county, with more than 30 years with the sheriff's department. If elected, Johnson plans to devote full time to his assembly position and promises to do his best to promote legislation for the best interests of all the people of Washington county.

Bill has been active in county Republican affairs. He served as sergeant-at-arms at the recent GOP convention, a position he also filled in 1962.

County to Observe National Shut-Ins Day Sunday, June 7

The observance of National Shut-In's Day, Sunday, June 7, will be promoted in West Bend and throughout Washington county for the ninth year by the Business and Professional Women's club of West Bend.

Heading the observance this year is Mrs. Delores Kuehl, chairman, Mrs. Lena Gatz and Miss Estelle Hilgendorf. They state the object of the day is to encourage people to visit, send flowers, a gift, a card, and to think about the many unfortunate citizens who are forced by illness and disability to remain in their homes and hospitals.

The committee further reminds us that shut-ins need contact with their fellow men. Fortunate are those shut-ins who are able to correspond or use the telephone, short wave radio, or a tape recorder. Some shut-ins organize and bring their talents together in a common cause. In that way great satisfaction is de-

rived, because they are helping their fellow men. In such groups friendship is very real and warm.

The designation of the first Sunday in June as Shut-in's Day does not mean that good deeds of thoughtfulness should be confined to that day. Rather, it should serve as a reminder that similar cheer be brought to shut-ins at proper intervals throughout the year. This should not be a one-day event, the Business Women's Shut-In's Day committee points out.

GIRL SCOUT TROOP 72

For our meeting on May 26 we went on a hike to a spot at a natural spring. We roasted weiners and ate supper. We hiked back and got into town about 8:30. We all had fun.

Debra Schlosser, Scribe

While many thousands of vehicles were inspected during recent weeks in the springtime car safety-check campaign, Safety Director Dan Schutz of the Wisconsin motor vehicle department warns: "Guiding a motor vehicle should never be allowed to become such a purely mechanical operation that one forgets to have proper regard for protecting the lives of all persons in the traffic stream. Safety-checked cars are important, but safety-minded driving habits are equally important."

Schneider Sisters Wed

Mary and Lynn Schneider, daughters of Mr. and Mrs. Walter F. Schneider, 1125 N. 26th st., Milwaukee, were married recently. They are granddaughters of Mrs. Tillie Zeimet of Kewaskum and the Schneider family formerly lived in this village several years. Mrs. Schneider is the former Frances Zeimet.

SCHNEIDER-DAOUST

Miss Lynn Schneider became the bride of Richard Daoust, son of Mr. and Mrs. Leo Daoust, 10203 W. Schlinger ave., Milwaukee, during an 11 a. m. nuptial Mass read by the Rev. J. H. Baumgartner in St. Michael's Catholic church, Milwaukee, on Saturday, April 18. White carnations with blue tips and white snapdragons banked the altar for the service.

The bride wore a gown of white peau du soie draped with chantilly lace panel front with a bouffant illusion veil. Her crown was a cluster of fabric roses holding a silk illusion finger tip veil. The bridal bouquet was a cascade of orchids and white carnations.

Barbara M. Schneider attended her sister as maid of honor, while another sister, Mary Schneider, Mrs. Kenneth Binon and Claudette Daoust, sisters of the bridegroom, served as bridesmaids. Holly Zimmerman, cousin of the bride, was the flower girl. All of the attendants wore gowns of French blue peau de soie with floating panel backs and headpieces of organza flowers. They carried cascade bouquets of bluetipped white carnations.

Gerald Ruud, a friend, served as best man for the bridegroom. Kenneth Binon, brother-in-law of the bridegroom, Daniel Kondracki, fiance of the bride's sister Mary, and Jeff Rawlins, cousin of the bridegroom, acted as groomsmen. Guests were placed by William Schneider and Gary Zimmerman, cousins of the bride.

Dinner was served to 25 guests at Como's Restaurant, followed by a reception and supper for 250 guests at the Hilton Inn, where a wedding dance also was held.

Following a wedding trip to northern Wisconsin, the newlyweds are now at home at 9718 W. Oklahoma ave., Milwaukee. The bride is a graduate of Pius High school, Milwaukee. Her husband, who graduated from Central High school, West Allis, is employed at Hein-Werner Corp., Waukesha.

SCHNEIDER-KONDRACKI

Miss Mary Schneider became the bride of Daniel Kondracki, son of Mr. and Mrs. Sidney Kondracki, 1126 S. Layton blvd., Milwaukee,

during a 10:30 a. m. nuptial service performed by the Rev. M. P. Breit at St. Michael's Catholic church, Milwaukee on Saturday, May 16.

Pink gladioli and yellow mums decorated the altar for the ceremony. An organ solo, "On This Day O Beautiful Mother," was played.

The bride wore a gown of white peau du soie, detailed with peau d'ange lace and chapel train. Her crown of crystal held a bouffant illusion veil. The bride's bouquet was a cascade of white mums and carnations and amazon lilies.

The bride's sister, Barbara M. Schneider, was her honor attendant, while Mrs. Richard Daoust, sister of the bride, Kay Zimmerman, cousin of the bride and Linda Litizia, friend of the bride, served as bridal aides. Little Marilee Zimmerman, the bride's cousin, was flower girl. All of the attendants' gowns were canary yellow peau de soie, with bell skirts and panel back. They wore pillbox hats with maline fringed veils. Their star colonial bouquets were of yellow roses and white mums.

A friend of the bridegroom, Fred Benka, served as best man. Groomsmen were Richard Daoust, brother-in-law of the bride, William Schneider, a cousin, and Dennis Blair, a friend of the couple. Ushers were Gary Zimmerman, cousin of the bride, and Michael Wiza, cousin of the bridegroom.

Dinner for 100 guests, reception for 300 guests, supper for 275 guests and a wedding dance were held at Forrest's Wavel hall.

After a honeymoon in Illinois, the young couple is now at home since May 25, at 3230 S. 49th st., Milwaukee. The bride, a graduate of Pius High school, and her husband, a South Division High school graduate, both are employed at the Wisconsin Telephone company.

JUNE BUGS HERE

You are probably noticing that the big black June bugs (maybe we should call them May bugs) are flying again and beating against your screens and windows at night. They are attracted by light and fly only at night. Fortunately they do no harm. They do not eat anything except leaves of trees—their favorite tree is the oak—and in some cases they almost defoliate some of these trees. Don't let this worry you because the tree will not be injured permanently.

This June bug is the adult stage of the big white grubworm you find in your lawn, strawberries, potatoes, and other sod crops, or crops following sod. They have a three-year cycle. Last year we had very few June bugs, so we can expect a heavy infestation of them this year or next, depending upon where we are in the cycle.

When a hen cackles a farmer never knows whether it's a lay or lie.

Our Police Chief Says

Driving north on Bilgo Lane at 3rd st., formerly motorists had to "yield the right of way" to 3rd st. traffic. This has been changed to a stop sign (arterial highway) due to accidents and the driver's view is obstructed on the southeast corner due to trees and shrubs.

Mrs. Wm. Guth Dies Monday

Mrs. William Guth, 81, nee Louisa Kirchner, a resident of the village of Kewaskum for the past 48 years, passed away quite unexpectedly of a cerebral hemorrhage at St. Joseph's Community hospital, West Bend, on Monday, May 25.

She was born April 13, 1883, in the town of Wayne, a daughter of the late Henry and Ernestina Krueger Kirchner, and was a resident of that township until coming to Kewaskum. Her marriage to William Guth took place on Feb. 6, 1904, at St. Peter's Lutheran church in the town of Wayne. He preceded her in death on Dec. 22, 1961. For the past 2½ years, Mrs. Guth had made her home with her son-in-law and daughter, Mr. and Mrs. Elmer Yoost.

Surviving are two daughters, Ella (Mrs. Lorin Backhaus) and Ocelia (Mrs. Elmer Yoost), both of Kewaskum; three grandchildren, seven great-grandchildren, two sons-in-law, one sister-in-law, two brothers-in-law and many other relatives and friends.

Funeral services were held at 2 p. m. Thursday, May 28, at Peace United Church of Christ, Kewaskum, the Rev. Edward P. Nuss officiating. Burial took place in the parish cemetery. Friends paid their respects at Miller's Funeral home from 2 p. m. Wednesday until 11 a. m. Thursday and at the church from noon until the time of services.

MRS. JAC. SCHAEFFER

Mrs. Jac. Schaeffer, 76, of 519 North st., West Bend, the former Rose Bremser, a native of the town of Kewaskum, died on Thursday morning, May 21, after a lingering illness.

Born in the town of Kewaskum on Sept. 10, 1887, she lived there until her marriage to Mr. Schaeffer in St. Michael's church, St. Michaels, on Feb. 5, 1919. They then moved to the town of Jackson, and a short time later moved to the town of Farmington where they resided until moving to West

Bend in 1950.

Mrs. Schaeffer leaves her husband, a sister, Mrs. Marie Herges of Kewaskum; a brother, John Bremser, of West Bend, and other relatives. Two children died in infancy.

Funeral services were conducted at the Schmidt Funeral home, West Bend, at 9 a. m. Saturday, May 23, and at Holy Angels church at 9:30 with the Rev. Rayner Haumsann officiating. Interment was in the church cemetery. Friends called at the funeral home from 2 p. m. Friday.

CARL BIEGLER

Carl Biegler, 72, of West Bend died unexpectedly at his home on Thursday morning, May 21.

Born in Austria, Hungary, on Oct. 1, 1891, he learned the brick laying trade in that country. He came to this country at the age of 17 and settled in Milwaukee where he worked as a brick layer. He later moved to Richfield and also lived in Kewaskum for some time before going to West Bend, where he continued as a brick layer and later worked at the West Bend Lithia Co. from 1942 to 1946 when he retired. He and the former Ella Brockhaus were married Dec. 24, 1919.

Surviving are the widow, three children, Elmer Backhaus, Grace (Mrs. Gregor Flasch) and Eugene Biegler, all of West Bend; two sisters, a brother, five grandchildren and other relatives. Another son, Pvt. Fred Backus, was killed in action in Germany in World War II in April, 1945.

Funeral services were held at St. John's Lutheran church, West Bend, at 2 p. m. Saturday, the Rev. W. P. Sauer officiating. Burial was in Washington County Memorial Park.

MRS. OSCAR GLASS

Mrs. Oscar Glass, nee Christine Schleif, 86, of West Bend, died on Saturday, May 23. A native of Five Corners in the town of Auburn, she was born Aug. 25, 1877 and married Mr. Glass at Campbellsport Nov. 29, 1904. The couple moved to West Bend from Campbellsport a number of years ago.

Her husband predeceased her in December, 1949. Surviving are three children, Irma (Mrs. Robert Hackbarth), West Bend, Charlotte (Mrs. Leo Lichtensteiger), Campbellsport, and Frederic, Campbellsport, 10 grandchildren, 12 great-grandchildren, two sisters, Mrs. Frances Thompson of Ashland, Ore. and Mrs. Katherine Giese of Coleman, Wis., and a brother, Philip Schleif, of Orville, Wash.

Funeral services were held at Immanuel United Church of Christ, West Bend, at 2 p. m. Tuesday, May 26, with the Dr. H. W. Baumer officiating. Burial was in Union cemetery, Campbellsport.

Second Phase of Hearing Program Conducted Here

The Kewaskum High school was the center for the second phase of the hearing conservation program for children. Miss Elizabeth Suliver, hearing consultant from the State Department of Public Instruction, tested the children who had not passed the initial screening.

Volunteer mothers who assisted were Mrs. Charles Miller, Mrs. John Battaglia and Mrs. Ralph Marx.

Miss Suliver invited those children with a possible hearing problem to participate in the free otological (hearing) clinic, which will be held at a later date. At that time, a medical specialist, approved by the Washington County Medical society, will examine each of the children referred. His findings and recommendations will be sent directly to the child's family physician.

The hearing conservation program is conducted periodically by the State Department of Public Instruction, in cooperation with the local school administration and the public health nurses.

CATCHING NORTHERNS IN RIVER BELOW KEWASKUM

Bass and northern fishing continues good at Big Cedar. Northerns and crappies are hitting at Little Cedar. Bank fishermen are catching a few northern on Daredevils on the Milwaukee river below Kewaskum. Fair fishing for northerns and walleyes at Pike lake. A few of the lakes are becoming cloudy due to carp action.

Two more deer were killed on Highway 41 during this past week, one north of Highway 144, the other south of 60.

The bass season opens on Wisconsin-Michigan boundary waters June 1. On inland waters north of Highway 64 and all outlying waters the season will not open until June 6.

Fishing License Violation

Fishing without a license is still the most violated conservation regulation in Wisconsin. In 1963 more than 18% of all arrests made were for violation of the fishing license laws.

Unless you are under 16 years of age, or 65 years of age and have been a resident of this state for at least the last 12 months or are blind, you must have a fishing license before you go fishing.

Resident licenses are legal only to persons who have maintained their permanent place of abode in Wisconsin for the 12 months next preceding the date of application, members of the armed services on active duty and stationed in Wisconsin and registered full time undergraduate students in residence of a college or university, public or private, located in the state and offering a bachelor's degree.

Free fishing licenses are available only to persons over the age of 65 years who reside in this state for at least the last 12 months or to inmates of county hospitals and state mental hospitals for rehabilitation purposes when requested by the superintendent of the institution, or to blind persons.

Settler's fishing licenses may be issued to bona fide settlers who have resided in this state for at least 60 days, have rented or purchased residential property, and are going to make Wisconsin their permanent home. The fee for a settler's license is the same as for a resident license.

All other persons must buy a

nonresident license.

When you purchase a resident license you sign your name to a statement that you have maintained your permanent place of abode in Wisconsin for the 12 months next preceding the date of application.

The penalty for making a false statement to obtain such a license is \$100 minimum fine to \$200 maximum fine or up to 6 months imprisonment or both.

Be sure you read what you sign and that it is the truth.

Don't Dump Minnows Overboard

Stop and think before you dump those unused minnows overboard. If you don't save them for your next fishing trip, take them home for the cat. If you have no cat, bury them in your garden because minnows make wonderful fertilizer.

Why? Dumping minnows overboard always runs the risk of introducing exotic or undesired fish. Lakes poisoned and stocked with trout can be spoiled quickly by competing minnows. How serious it would be to stock carp in a nice clear lake from the innocent contents of a minnow bucket!

Don't forget that stocking fish without a permit is illegal. It is also illegal to transport alive, rough fish such as carp, dogfish, garfish, lawyers or ellopout, lamprey eels and smelt.

FULLPAIL SALE

There will be another sale at Fullpail Sales arena, Hartford, on Wednesday, June 3. There is a great demand for good cattle in this dairy area.

Even if you are not in the market for cattle right now, why don't you go over to Ernie Kueffner's barn and watch the proceedings. It's interesting to see what happens when good cattle are in the ring. And watch the auctioneer's excitement when a good, well-qualified animal is about to be sold.

FLY CONTROL

It won't be long and the fly control program will be with us. Wouldn't it be nice if we could use just any chemical to control flies? However, the Pure Food and Drug Administration is very watchful of chemicals, and they have issued certain orders that restrict the use of some of them. We won't try to give you the information here, but the new fly control bulletin is available now. It gives a thorough discussion of fly control problems in dairy barns. We suggest you get a copy of it and follow it carefully. It will be a good one to refer to during the year.

CUT HAY EARLY

During the past week I think the hay on our Washington county fields has grown to the stage it ought to be in the average year, and we still have a while before it will be in full blossom.

We would like to ask every dairy farmer to plan to get that hay cut early. I've heard every kind of excuse you can think of for not getting out there early. Some tell me there isn't anything there; others tell me they have to plant corn; one man even said he would have to get a hand rake to rake it up.

If your hay is properly fertilized and growing on good soil, it is now near 4 to 6 inches in height. From here on it will grow even more rapidly. You should have every bit of that hay cut before it reaches full bloom.

There was a time when farmers also used the excuse that what we call haying season is the rainy season. To some extent this may be true. At that time this was a good excuse, but no longer. If the weather is such that the hay will dry, cut it and put it in the barn as hay. If we can't get it

dry, we can put it in the silo. Today we know we can make good high quality, low moisture, grass silage in a concrete silo. If you get the moisture in that silage at about 50%, if you cut it short and fill rapidly, it will keep very nicely in any reasonably good concrete silo.

I hope I have "blown holes" in every excuse that any farmer can offer for not cutting hay early. We hope every farmer in Washington county will be nearly finished with his hay-making operation by the early part of June.

Water base paints brush on easily, hold their color well and are resistant to moisture blisters, reports Glenn Barquest, University of Wisconsin agricultural engineer.

Drive so your driver's license expires before you do.

GIRL SCOUTS

Last week we had our award day with the Cadettes and our mothers. Diane Shefka was installed as a new member. Cookies and punch were served.

This week we had a cookout at the village park. We played a wide-game pertaining to Juliette Low, our founder. Dimes for Daisy were collected. Then the girls each cooked their own hamburgers on the buddy burners they had made. We did not have our campfire because of the wind.

All the girls were asked to

march in the Memorial Day parade on Saturday. We want to thank those who helped sell poppies.

Our play day will be June 17 and Day Camp is July 13 to 17.

Cedar Lake Home Expansion Begun

Ground-breaking this week at the Cedar Lake Home for the Aged, West Bend, marks the start of the home's fourth major building project within its eight-year history.

The home, having begun operation in 1957, has in the past, been expanded from eighteen to sixty beds. Ideal capacity following the new addition will total ninety-six to one hundred beds with additional living room areas and a large therapy wing.

The expansion will include two wings to be added to the present structure. One will be a therapeutic wing, which will provide adequate space for a physical therapy and an occupational therapy department. The other wing will provide 18 nursing beds, living room, nurses' station, complete bath and two utility rooms on the upper ground level. Below this, on the lower ground level, plans call for another 18 bed nursing unit, complementing the present lower annex facilities. This total of 30 beds will become a special care unit for the regressive aged.

The Cedar Lake program provides facilities for people able to care for themselves and those needing partial or complete nursing care. The basic rates of the home have remained the same since its opening: ambulatory, self-care \$150 per month (\$5.00 per diem) and nursing, \$200 per month (6.67 per diem). Services to the resident, without extra charge, included in the monthly

rate have greatly increased over the years as the home's progressive care program has evolved. Now added to the original room, board, laundry and nursing services are: occupational and physical therapy supervised by professional licensed therapists (as ordered by the resident's own physician); psychiatric consultation, and recreational therapy. Many residents come to the home to live in retirement. They participate in the home's active program. Others enter to be rehabilitated so that they can return to their own homes. People of all faiths are welcomed at Cedar Lake. Those able visit and vacation away from the home as they please.

The present expansion was voted by the Benevolent Society of the former Evangelical and Reformed church at a special meeting Feb. 1 at Fort Atkinson. Mrs. Harry Baumer of West Bend is the chairman of the Cedar Lake Home Building committee. Mrs. Baumer has ably served in this capacity for the past eight years. Other members of the building committee are the Rev. Paul Kleuter, Waubeka, and the Rev. Howard Kusler, Waukesha. William Losch, Milwaukee architect, has planned the addition which it is expected will be completed by mid-fall.

Presentation on Flowers Closes Woman's Club Year

HERMANS GIVE PROGRAM; REPRESENTATIVES TO THE STATE CONVENTION NAMED

Mr. and Mrs. Tom Herman's presentation of "Flowers for the Home" on May 16 closed the Kewaskum Woman's club's 50th year. While Tom related that the rose is the most appreciated of all flowers, that geraniums flourish in poor soil, and that grass cuttings and leaves provide the soil with the best kind of fertilizer, his partner in the Kewaskum Floral Shop, his wife Mildred, was near by, her deft fingers engaged in making three lovely floral arrangements which at the conclusion of their program went to three fortunate listeners. A striking arrangement of lavender sweet peas and white daisies in an oblong white container later graced the buffet table. For her second arrangement, Mrs. Herman chose a small white bowl to set off the radiance of red roses. A white container was likewise used to dramatize the soft, fragile beauty of the pink carnation.

During the business meeting, Mrs. Robert Kroncke and Mrs. Charles Miller were designated as official representatives to the 67th annual convention of Wisconsin's Federated Women's Clubs in Sheboygan May 19-21. The delegates will attend the Tuesday session which is International Day and with them will go Misses Laura Laghi and Mary Kroncke. Laura is concluding her year here as a representative of Italy. Mary will leave in June to spend the summer in Spain, the first local AFS student to be sent abroad.

Mmes. Ned Sengpiel, Howard Backus and Ernst Mitchell were the hostesses of the day. The American Red Cross was designated to receive the table collection.

Indians Clobber Bells, Gain WIAA Tournney Finals

SHARE SCENIC MORaine TITLE WITH GERMANTOWN

Kewaskum High school spotted Campbellsport four runs in the opening inning, then stormed back to a 16-6 victory to gain the final round of the Cedar Grove WIAA district tournament on Tuesday.

The Indians, co-champions of the Scenic Moraine conference with Germantown, both with 4-1 records, met Cedar Grove Thursday for the district championship and right to advance in tournament play. The Indians' only loss this season was an upset by Slinger in the final conference tilt, 7-3. Campbellsport reached the semi-finals in the Cedar Grove meet by beating Random Lake, 8-3, in the opening round, while Cedar Grove bested Howards Grove. Kewaskum was seeded because of its fine record and drew a bye in the opening round of tournney play.

Home runs by Terry Melius, Mike Coulter and Jim Miller sparked the slugging Indians in their win over the Bells. The winners broke a 4-4 tie with four runs in the fourth inning, scored three more times in the fifth and five times in the sixth frame.

Mike Coulter, the winning pitcher, struck out 11 Bells but walked an equal number plus hitting two batters as he was wild. But it did little harm as his mates pushed across enough runs to win easily. Coulter led his team's 15-hit attack against four Bell hurlers with four hits. Brother Bob Coulter lashed three hits, including a triple and double. Pesch had two hits for the Bells.

Lakes Team Is Shut Out at Saukville, 2-0

The Kewaskum Athletics were defeated and shut out for the second straight time at Saukville Sunday, 2-0, in Land o' Lakes league action. The Sunday before they were blanked by Cedarburg, 1-0, and now have an 0-2 record.

Koepke, Kewaskum's pitcher, hurled well enough in both games to win but received no hitting support from his mates. Koepke pitched a four hitter against Cedarburg and did even better with a three hitter at Saukville but the team hasn't scored a run as yet.

Koepke struck out 10 batters and didn't give up a single base on balls in his very well pitched game. He retired Saukville in order in six of the nine innings. W. McGaw also twirled a fine game for the winners. He, too, allowed only three hits and fanned six but walked three to take a back seat to Koepke.

Saukville scored its two runs in the very first inning and was blanked the rest of the way. Kewaskum had men on the bases in every inning but four but couldn't push any of them across the

plate. Kewaskum had two runners on base with nobody out in the second inning and failed to score. They also had two runners on in both the third and seventh innings with the same result. Weak hitting, especially in the clutches, has cost the team two setbacks.

Kewaskum's three safeties were collected by D. Theusch, T. Theusch and Koepke. There were no extra base hits in the contest.

Maybe the locals can break the ice this Sunday when they entertain Sheboygan. They should be due for a hitting rash. Sheboygan has a 1-1 record at this time.

New School Records Set

Three new Kewaskum High school track records were set this season as follows: L. Survis, discus, 130 ft., 11½ in.; J. Rindt, broad jump, tied record set by T. Koch in 1960, 18 ft., 2 in.; E. Schneider, M. Chesak, D. Survis and A. Bingen, 880 relay, 1:40.5.

HON-E-KOR HOOKS

Harold "Bud" Perkins and Harry Nischke are the first ones to get their names on the beautiful Regal Ware cup, as the winners of the two-man handicap tournament held this past weekend. They had a net of 139.

On Memorial Day, at 3:30 p. m., the first two-ball mixed foursome tournament of the season will be held. You might say it is a five-ball mixed ten-some, as the event has proven quite popular, so on

each hole it looks like a gallery is following the golfers.

Bob Schmidt sez . . . "I know it is quite impossible to know all the rules, so I'll elaborate on a few each week as we should all try to operate on the same basis. We operate under the USGA rules, unless allowed and so determined by the golf committee under local golf club options. No person can determine by himself how the rules are to be followed. I understand that one golfer was told he must take a stroke penalty on Number 2 fairway in the recent tournament as his ball was in the water on the fairway. This was not a correct penalty, as you are allowed to remove the ball from casual (not normally there) water without penalty. This is also true if there is water on the green. You may move the ball away from the water so you have a clear shot at the cup without hitting through the water, but you do not move the ball nearer the hole. Another rule that is not followed very closely is you must play the ball from tee to the next tee without substitution, unless the ball becomes so badly damaged that it is no longer able to be used. In other words, you do not hit off a good ball from tee no. 3, replace it with an old ball to hit over the trees, and then replace it again with a good ball on the green for putting. Should there be any controversy, bring it back to the golf committee for proper ruling."

Earl Conley had low gross in the Tuesday Nite Men's league on May 26 with a 38. Low net of 32 was shot by Earl Conley, Merrill Krueger, Killy Honeck and Wayland Tassar. There were seven blind bogey winners with a net of 38. The standings after play on May 26 are as follows:
