Scouts Return From National Jamboree, Tours

SCOUT DAVID TEESLINK REPORTS ON EXPERIENCES AND SIGHTSEEING TRIPS

Kewaskum was very well represented at the Sixth National Jamboree of Boy Scouts of America held at Valley Forge, Pa. Eleven Scouts and two leaders from here attended the Jamboree and accompanying sightseeing tours of important historical sites and places of interest. The Kewaskum group left Fond du Lac by train with Jamboree Troops 57 and 58 of the Badger Council on Monday morning, July 13, and arrived home last Sunday, July 26. The boys and leaders report having a wonderful trip and never-to-be-forgotten experience.

Local Scouts who attended the Jamboree included James Butz, Carl Freehauf, Jeff Reigle, Ken Ogi, James Manthei, David Teeslink, Gary Woolman, Joel Peterson, Joel Fehlhaber, Scott Warnings and Robert Miller. The leaders were E. "Mike" Gnacinski, scoutmaster of Troop 44, who also served as scoutmaster of Jamboree Troop 85, and Willard Manthei, advisor of Post 144 of Kewaskum, who was assistant scoutmaster of Jamboree Troop 57.

Scout David Teeslink, who was selected as news correspondent for the Kewaskum contingent by William C. Steaffens, Jamboree Scoutmaster, Troop 57, Badger Council, turned in the following account of the Jamboree trip to the Statesman:

Reporter David Teeslink

We left from Fond du Lac at 7:35 a. m. After arriving in Chicago we visited the Natural History Museum. We left Chicago at 4:30. Arrived in Washington the next morning and transferred by buses to the New Yorker Hotel in New York. We took a sightseeing trip in the afternoon which included a visit to the Statue of Liberty. The next day was spent at the World's Fair. Thursday we visited the United Nations building and the Empire State building and then left for Valley Forge.

While we were in Valley Forge some of the more interesting things we did were to swap camp patches with boys from different states and countries, to attend the night campfires at which the attendance varied from 50 to 50,000 and to hike the many beautiful trails surrounding Valley Forge. Some of the speakers we had were the President of the Boy Scouts, Lady Baden Powell, who is the wife of the founder of the Boy Scouts of England, and President Johnson. The most wonderful and beautiful thing at Valley Forge, I think, was the lighting of the 50,000 candles on the closing night. Each boy held and lit his own candle in this ceremony.

On July 25 we left Valley Forge to go to Washington. In Washington we saw or visited the following: the Capitol, the Marine Memorial, Arlington Cemetery, grave of the Unknown Soldier, change of guard at this tomb, President Kennedy's grave, the Lincoln Memorial, the Washington Memorial, the Boy Scout Memorial, and the Smithsonian Institution. Two Students From Kewaskum Register For Studies at UW

Two students from Kewaskum were among some 600 young men and women who visited the University of Wisconsin campus in Madison during the past week to register for UW studies to be started with the opening of the university's school year in September.

This past week was the sixth and last of the UW's summer registration-orientation program on the Madison campus. The program was established to help young people make their transition into university life easier both for themselves and their parents. It has been under way since June 15, and since then about 3,500 young men and women from all parts of Wisconsin and many other states have taken advantage of its opportunity to register for their university studies for the 1964-65 school year.

Under the program, the young men and women visit the campus for at least a day, often with either their mother or father or both parents, arrange for their housing if that is not already done, take some placement tests, meet some student leaders and faculty members, and register for their coming UW studies.

The new students will be returning to the UW campus Sept. 8 to continue their orientation into university life. Their fall semester classes will begin on Monday, Sept. 14.

Kewaskum students registering at the UW at Madison are Robert E. Schlamer, son of Mr. and Mrs. Robert Schlamer, 221 Clinton st., and Robert R. Kern, son of Mr. and Mrs. Ralph Kern, R. 1.

ST. JOHN'S MUSICALE TO FEATURE SWISS YODELER

On Aug. 9, at 8 p. m., the public is invited to attend an old fashioned summer musicale at St. John's United Church of Christ, Kohlsville. The featured soloist for this uplifting and entertaining event will be the internationally-recognized Swiss yodel artist, Mrs. Roy Vetterli, of New Glarus, Wis. Last season Mrs. Vetterli toured Switzerland in concert. The Sunday night before St. John's concert, she will be the guest of the Cleveland, Ohio, Chamber of Commerce, in concert in that city.

Also, invited as guest soloists, are instrumentalists John and Robert Kannenberg, sons of Mr. and Mrs. Karl Kannenberg of Germantown.

St. John's choir group will present an evening of sacred, Broadway, old-time and fun tunes. Three sacred anthems will be interpreted by the St. John's dance group. The musicale is under the direction of the Rev. L. Riesch, who will leave the pastorate of St. John's on Aug. 15.

During these places we boarded a train for Chicago.

After arriving in Chicago we visited the Museum of Science and Industry. We left Chicago at 4:00 and arrived in Fond du Lac at 7:15. After a formal dismissal we were free to go home.

Carolyn Spargo New County Home Agent

Washington county will have a new home economics agent in the county extension office beginning Aug. 1, according to E. M. Romaine, Kewaskum, chairman of the agricultural committee, and the Washington county board of supervisors.

Miss Carolyn Spargo, a native of Mineral Point, has been appointed to this position. She is a graduate of Stout State college, where she has just received her Bachelor of Science degree. Miss Spargo will replace Miss Doris Rogers, home agent in the county for the past year, who announced her resignation effective Aug. 1. She will be married in August to David Schomberg, presently a doctorate candidate at Purdue university.

Miss Spargo has distinguished herself in her schoolwork and has been very active in many of the school organizations, including Alpha Phi, Phi Epsilon Omicron, home economics club, and in 4-H clubs and state Future Homemakers of America. She received FHA and legislative scholarships to attend her school.

Her work will be primarily concerned with the homemaker program and the 4-H club girls' programs in Washington county. This includes over 1,000 homemakers and over 700 4-H club girls. She has been in training in Ozaukee county and will be assisting with the Washington county fair at Slinger next week.

Miss Rogers, a native of Cuba City, graduated from the University of Wisconsin and taught home economics in West Bend for two years. In her year as home agent, she made a host of friends throughout the county. It is the plan of Miss Rogers and Mr. Schomberg to continue for another semester at Purdue university, where she will likewise be enrolled in graduate school. In 1965 they will journey to England where Mr. Schomberg will be enrolled in a post-doctorate at Cambridge university.

Miss Rogers' cheery smile and bright red hair will be missed by the extension staff in the county, as well as by all who have known her the past year.

Diann Ramel, daughter of Mr. and Mrs. Herbert Ramel, R. 2, Kewaskum, was chosen to attend the 4-H citizenship short course in Washington, D. C. She is a member of the Kewaskum 4-H club. Diann will depart on Aug. 15 and return on Aug. 23.

25th Reunion Of Seefeldt Family Held

248 RELATIVES AT ANNUAL GATHERING IN LOCAL PARK SET ATTENDANCE RECORD

Attendance records were broken as members of the Seefeldt family gathered for their 25th reunion, Sunday, July 26, in the Kewaskum village park. The previous record of 225 in 1950 was topped Sunday by an attendance of 248.

The Rev. Martin Koehler of Fond du Lac gave the invocation prior to the 12:30 p. m. cafeteria style picnic dinner.

The afternoon's program began with the taking of a group photograph by Ray Thornton of Fond du Lac. When finally everyone was in place, the group completely filled the south side of the bandstand and stage. The program continued with enthusiastic group singing under the direction of Mariel Seefeldt of Kewaskum.

Fredric Seefeldt of Kewaskum, president, welcomed the group and conducted the business meeting.

Greetings were read from those unable to attend including relatives in Indiana, Minnesota and Alberta, Canada.

It was reported that during the past year there were seven births and five marriages. Members paused for silent prayer in memory of the two members who had passed away since the last reunion.

During the "twenty-five years in perspective" thoughts led by Mr. Seefeldt, it was recalled how the group was organized. In a conversation held in 1939 between two family members, it was mentioned that it was too bad the relatives got together only at the time of a funeral. So the following summer, notices were sent to the known descendants of Christian Friedrich Seefeldt and Anna Sophia Kobs of Plantikow, Germany. The attendance in 1940 of around 100 persons at the farm of a 90-year member, William Seefeldt near Kewaskum, encouraged a continuation. The second year the reunion changed locale and met at Lakeside Park in Fond du Lac. The following year the reunion gathered in the Kewaskum park. Seefeldts have been returning to this spot ever since.

Recognition was given to those in attendance at the first reunion. Citations were presented to the 14 members with perfect attendance: Miss Bertha Buss, Mrs. Ida Klein, Alfred Seefeldt, Arthur Seefeldt, Miss Lily Seefeldt and Louis Seefeldt, all of Kewaskum; Mr. and Mrs. Arnold Klug, Mrs. Emil Klumb and Edwin Klumb of West Bend; Mr. and Mrs. Andrew Seefeld of Campbellsport; Mrs. Malinda Krueger of Milwaukee and Mrs. Emma Rexilius of Racine.

A commendatory resolution for citation was voted for two officers, Mrs. Ray Thornton, Fond du Lac, for serving 20 years as historian, and Miss Rosella Peisker, 18 years as secretary. A special citation was presented by Mrs. Reuben Schultz, Kewaskum, to Alfred Seefeldt of Kewaskum for organizing the first reunion and his continued interest.

(Continued on page 2)

REUNION

(Continued from page 1)

Recognition was also made of the various working committees of each reunion.

The president stated, "It is the many hours all volunteered with no thought of personal gain that preserve the reunion ideal. This is what makes reunions—the people who volunteer to take care of these things—the things taken for granted. And it is the people who return year after year, some for every reunion, who have provided the encouragement to continue this work."

A commemorative reunion folder was distributed to every family and contained the day's program, history and ideals of the reunion and a listing of the highlights of 25 years.

Officers for the coming year will be: Henry Seefeld, Campbellsport, president; Harold Seefeldt, Kewaskum, vice-president; Miss Rosella Peisker, Fond du Lac, secretary; Mrs. Reuben Schultz, Kewaskum, treasurer; Mrs. Ray Thornton, Fond du Lac, historian, and Alfred Seefeldt, Kewaskum, genealogist.

Chairmen in charge of committees will be: Kitchen, Miss Sharon Klein, Kewaskum; refreshments, Edward and Harvey Klumb, West Bend; tables, Mr. and Mrs. Leslie Ostrander, Kewaskum; recreation, Mrs. Luella Albers, Campbellsport; Mrs. Paul Seefeld, Milwaukee; Mrs. Donald Seefeld, Fond du Lac; Mrs. Vernon Seefeld, Campbellsport, and Jerome Klein, Kewaskum; tickets, Mrs. Alvin Seefeld, Campbellsport.

Recognition and prizes were given to Mrs. Herman Peisker, Fond du Lac, 85, oldest lady in attendance; to George Seefeldt, Campbellsport, 81, oldest gentleman; Jeffrey Meyer, 4 months, youngest member, son of Mr. and Mrs. Ronald Meyer of Milwaukee; Mr. and Mrs. Arvin Halle, Plymouth, most recently married couple, and Mr. and Mrs. Harry Schlinsog of Loyal, couple traveling farthest distance to attend.

Deaths

ALOIS GRUBER

Alois Gruber, 49, of Plymouth, a brother of Mrs. Harvey Jandre of Kewaskum, died at the Plymouth hospital on Sunday, July 26, after a four-day illness.

He was born in Farmersville on Oct. 17, 1914, and attended St. Andrew's school in LeRoy and Mayville High school. He was married in LeRoy on July 28, 1934, to Adeline Lubke. Mr. Gruber lived in Mayville until 1944 when he entered the U. S. Army and served in a tank battalion in the Philippines.

On his return in 1946 he continued his trade as a meat cutter. He lived in Eagle River, Marion, Ind., and was employed in Sheboygan before going to Plymouth. For a short time he was employed at the Republican hotel (now Glacier Inn) in Kewaskum. Since 1963 he had been manager of the Mitchell hotel in Plymouth.

Survivors are a son, Jerrold, of Hartford and three sisters, Mrs. Jandre here, Mrs. Jerome Bowen of Dundee and Miss Helen Gruber of Milwaukee.

Funeral services were conducted at 9:30 a. m. Wednesday at St. Andrew's church, LeRoy. The Rev. Anthony Gundrum officiated and burial was in the church cemetery. Friends called at the Wittkopp Funeral home, Plymouth, until Tuesday morning when the body was moved to the Koepsell Funeral home, Mayville, to lie in state from 3 p. m. Military rites were conducted at the graveside by the Mayville American Legion post.

4-H Club News

KEWASKUM 4-H'ERS

The meeting of the Kewaskum 4-H'ers was called to order on July 9.

A report was given by Colleen Frank on the county demonstration which was attended by her. Karen Ludwig and Colleen Frank gave a report on Camp Awana. A report was given by Joan Schoofs on the Bike-O-Rama which was held on June 13. The flower watering committee gave a report on watering the flower boxes. They said that about 13 flowers are missing. Mariel Seefeldt made a motion we replace them.

The committee planning the parents night program which will be held in September is Bonnie Smith, Dawn Martin and Mariel Seefeldt.

At our next meeting we will elect new officers. They will be installed during our parents night program.

The 4-H picnic will be held in August. The committee is Diann Ramel, Colleen Frank, Linda Wiesner, Karen Ludwig, Bethana Seefeldt and Susan Bath.

The record books are due Aug. 1 at Mrs. Bunkelman's home.

Some of the 4-H'ers set up signs advertising the county fair held July 23-26.

At the last meeting Colleen Frank demonstrated how to make ambrosia.

The food committee for the next meeting is Mariel, Carol, Carlton and Bethana Seefeldt.

Nominees for ASC Committee Election In County Listed

The election of the ASC community committee for Washington county will be held by mail ballot. Ballots were mailed to eligible voters on July 24. They must be postmarked or returned in person to the Washington ASCS County Office, West Bend, by Aug. 7. Ballots will be tabulated publicly by the incumbent county committee at the ASCS office, West Bend, on Aug. 12 at 9 a. m.

George F. Nehrbass, chairman, Agricultural Stabilization and Conservation county committee, has released the slate of nominees for the ASC community committees. Nominees for townships in this area are as follows:

Town of Addison—Elmer J. Becker, Roman A. Hartmann, Theodore F. Moser, Sr., Alfred Proeber, Leo A. Ritger, Arnold S. Rosenthal, Carl W. Vogt.

Town of Barton—Arthur R. Breit, Wyman Gessner, Gilbert Gundrum, Raymond H. Justman, Edward Marx, Roman L. Otten.

Town of Farmington—Fred Belger, Merlin W. Degrutz, Lee Fickler, Philip H. Lamp, Edward J. Redig, Gregory J. Theusch, Norbert Thull.

Town of Kewaskum—Arnold S. Amerling, Leroy H. Becker, Roman Forester, Allen K. Reindl, Lloyd C. Schmidt, Allen Schoofs, Alan Stoffel.

Town of Wayne—Edwin Amerling, Harry H. Oelhafen, John F. Schuppel, Jr., Arthur Terlingen, Walter Theusch, Harold Westerman.

To be elected are three regular committee members and two alternates. The chairman, vice-chairman and regular member of the elected ASC community committee will also serve as delegate, alternate delegate and second alternate delegate, respectively, to the county convention where the ASC county committee will be chosen.

Generally, a farm owner, tenant, or sharecropper may vote if he is taking part or is eligible to take part in one or more of the programs administered by the ASC committees.

The 1964 turkey crop is expected to be six to eight per cent above last year's output. This will make the 1964 crop the second largest in history.

RESIDENTS OF CEDAR LAKE HOME HAVE ANNUAL PICNIC

Residents of Cedar Lake Home, R. 4, West Bend, were entertained at the annual picnic sponsored by the William Koehl working auxiliary of the home on Thursday, July 16.

Mrs. Ruric Wetterau, Richfield, announced that committees planned an afternoon of games followed by an outdoor barbecue and prizes consisting of small items such as handkerchiefs, sox, toilet articles, jewelry etc.

Purchase of Farm Is Revealed by Cedar Lake Home

The Benevolent Society of the United Church of Christ purchased the greater part of the Erwin Peters farm, Cedar lake, on Thursday, July 23. Atty. T. Merriam of the Merriam and Schloemer law firms, West Bend, represented E. Peters and Atty. A. Snyder of the Snyder and Becker law firm, Hartford, represented the society. At present, the society operates the Cedar Lake Home and Retreat area in Washington county. The home is in the midst of a fourth expansion and the retreat area now serves close to five thousand people a season. The Rev. L. Riesch is the superintendent of both operations.

It is interesting to note that the Cedar Lake Home and Retreat grounds was donated to the society by the son of the original settlers on the farm, William Koehl. The Peters farm, adjoining the Cedar Lake Home and Retreat grounds, has now been sold to the society by a son of the original settlers on that farm, Erwin J. Peters. Peters has retained a strip of land along Highway Z and along the German Village Road.

The Benevolent society plans to preserve as much of its land as possible for natural beauty and retreat purposes.

Democratic Poll at County Fair Favors Bob Kennedy for VP

A poll conducted by the Washington County Democratic party last weekend indicates that most Washington county voters would prefer Attorney-General Robert Kennedy as President Johnson's running mate. The poll, taken at the county fair, posed the question: "Who do you think would make the best Democratic vice-presidential candidate?"

Of 393 people polled, 193 chose Robert Kennedy, while 79 named Senator Hubert Humphrey of Minnesota. R. Sargent Shriver, head of President Johnson's anti-poverty program, received 18 votes, while Secretary of Defense Robert McNamara received 17. Republican Henry Cabot Lodge received 3 write-in votes, and segregationist George Wallace one. Eighty-three people polled indicated no preference.

Another poll conducted at the fair sought to measure the popularity of the incumbent president and governor. The question asked was: "If the presidential election were held today, which candidate would you vote for—Goldwater or Johnson? For governor of Wisconsin—Reynolds or Knowles?" A total of 277 persons responded to the poll. The Democratic party team of Johnson and Reynolds received 127 votes, as against 14 for the GOP pairing, Goldwater and Knowles. The combination of Johnson and Knowles got 35 votes, while a Goldwater-Reynolds pairing was chosen by six respondents, suggesting a significant number of "split-ticket" voters in Washington county this fall. Sixty-five people polled indicated no choice, while 23 marked John-

son only, 4 Goldwater only, 2 Reynolds only and 2 Knowles only.

The two polls were conducted in conjunction with a prize drawing. The prize, a Regal 40-cup party percolator, was won by Mrs. June Butzlaff, R. 1, Allenton.

Editor
Kewaskum Statesman
Kewaskum, Wisconsin
Dear Sir:

In a recent letter to you, the editor, a blistering attack was leveled at "some of its (the Village of Kewaskum) young residents."

I was present at what was erroneously and maliciously labeled a "dirty prank" and had been standing, in only my swimming suit, for a good three hours in what was called "dirty, filthy sewer water."

If perhaps the temper of a certain individual, who seems to feel the fellows working hard all day to clear basements of flood water lack courtesy and kindness, had been a few degrees cooler at the time she may have been able

to understand the problems involved and the reasons behind this ACCIDENT. Certainly no one with any courtesy at all would exhibit such an uncontrolled temper or such a display of audacious and arrogant behavior over a matter as small as this.

I definitely heard no outright laughter and certainly no "dirty" comments, but if anyone had the right to make such comments it was the hardworking guys who held their tempers and said little. If anyone was guilty of "immature juvenile actions" it was the party who said, "When your name is as important as ours then you can go around squirting people."

I resent being unjustly called "a young fellow with many un-called for remarks" by a quick-tempered individual who should seriously study the responsibilities of a true citizen.

Sincerely
Ralph Albrecht

CONG. VAN PELT MAKES RETURN VISIT TO FAIR

Congressman William K. Van Pelt enjoyed himself so much at the Washington county fair last Saturday afternoon that he made an unscheduled return visit Sunday afternoon.

Occasionally during his week-end at the fair, the congressman was questioned regarding his voting record over the past fourteen years. He pointed out that his record, which is comprised of the number of roll call votes on which he has made his position known since 1951, is 95 1/2 percent. The average for the rest of the members of the house is 92 percent.

Van Pelt has been in the Sixth District during the entire week and planned to spend the day in

Many members of the county-wide Van Pelt committee were on hand to welcome the congressman to Washington county during his fair visit.

MARRIAGE LICENSE

July 25—Reinhard M. Follmann, Merton Grove, Ill. and Rosalie C. Vollmer, R. 2, Kewaskum; wedding Aug. 1.

25 Years Ago

Over 100 firemen from Fredonia, Belgium and Waubeka waged an unsuccessful fight early Wednesday to save the burning warehouse and office building of the Fredonia Canning Co. Loss of the building and damage to 50,000 cases of canned goods was estimated at \$100,000. The fire started about 1:30 a. m. when all Fredonia was asleep and the alarm was given by Mr. and Mrs. Rollin Risse of Silver Creek, who were driving home from Milwaukee and aroused the town.

Recent weddings included those of Viola Ruplinger, Campbellsport, and Wilmer Kudek, R. R. Kewaskum; Eleanor Hron and Harold Marx, both of Kewaskum; Helen Bremser, St. Michaels, and George Weinert, West Bend; Marie Beilke, R. 2, Kewaskum, and Roland Rate, Allenton; Eunice Bowen and Cyril Gilboy, both of Dundee; La Verne Harter, Beechwood, and Fredrick Kleinke, R. 2, Campbellsport; Mary McCullough, St. Kilian, and Cornelius Kohl, Theresa; Beulah Schaub and August

Koch, both of Kewaskum; Olive Windorf, town of Kewaskum, and Walter Christ, West Bend; Marie Fellenz, R. 1, Kewaskum, and William Lettow, Okauchee; Virginia Bachmann, R. R. Kewaskum, and Roman Gundrum, town of Addison; Leona Ernst, West Bend, and Roy Steber, New Fane; Eunice Ohlrogge, Seymour, and Henry Lay, Kewaskum; Ruth Fluecking-er, Wayne, and Rev. Ralph Ley, Plymouth.

Development of the Kettle Moraine state forest in Sheboygan and Fond du Lac counties, including the Mauthe lake area, on an extensive scale has been started with a WPA project calling for the planting of 375,000 trees in the southwestern part. The planting program is part of a \$26,156 project. It will employ 50 men to start and 80 later. They will scalp sod, plow, improve timber stands, fence, raze undesirable structures, reforest and construct a shelter house. The project will transform the moraine region of lakes, knolls and kettle holes into a playground for southeastern Wisconsin.

Bob Rosenheimer, a member of the University of Wisconsin varsity crew, arrived at the home of his parents, Mr. and Mrs. L. P. Rosenheimer. The crew completed a

heavy schedule, racing Milwaukee, Detroit, Lincoln Park, St. John's, Culver, Aurora and Marietta and closed the season June 17 in the Poughkeepsie regatta in New York on the Hudson river. Bob held the No. 6 position in the boat. Coach Hunn said this was the finest crew he had had at Wisconsin. He rated it much better than last year's crew that led the Poughkeepsie field for two miles and finished only three-fifths of a second slower than the former record that was established by Washington's 1936 Olympic championship crew. Rosenheimer was also a member of the crew in this race. Lehman Rosenheimer and William Schaefer attended the Poughkeepsie regatta and also took in the New York World's Fair.

50 YEARS AGO

Alfred and Olga Eichstedt entertained friends at a tango party Saturday night. Music was furnished by the popular concertina band of Kewaskum.

Sunday evening the gum machine at the depot was robbed of \$2.50 and the cash drawer was also opened but there was no money in it to be taken.

Excavation was commenced for

the new residence to be erected by Jos. Schmidt in Rosenheimer's addition.

SIXTY-EIGHT YEARS AGO

Our new saloon keeper, Henry Schneider, means business. He will build an addition (48x12) on the east side of the present dance hall and it will be furnished with a hardwood floor clear through.

Drought prevails to such an extent hereabouts that Nicholas Haug, a farmer living 2 1/2 miles from town, has been compelled to haul water from the village for his cattle.

Rainbow Trout a Success

The first stages in establishing a rainbow trout fishery along the Lake Michigan shoreline have been successful. Last year, 5,000 rainbow trout at a size of 9 to 11 inches were planted in Lake Michigan. This year, several of these fish migrated back up streams along the Lake Michigan shoreline at a length of 15 to 21 inches. This is the first attempt to establish such a fishery in this area and some successful anglers have already caught these rainbows in the three to four pound class.

County Agent News Notes

Washington County Agent

COUNTY FAIR NOW HISTORY

The 1964 Washington County Fair is now history. The county extension agent, the secretaries at the extension office, the superintendents in the main exhibit building, and the superintendents of the livestock barns (mainly the vo-ag teachers) are not a bit sorry. We look upon the fair as a very successful event, and we can but measure this event by the attitudes of people. A great many people have complimented us on the fair. It naturally had problems, many of which we can overcome. We would like to give much credit to the many superintendents for the wonderful job they did. It is a great deal of work, and many steps to take, for the sheer job of doing this job. For the most part these people are unpaid. A sincere interest in boys and girls is the thing that makes these people willing to do this work. Their pay is the knowledge that these boys and girls have spent much time preparing their projects and are doing their best to present them to the public. We can't possibly list the names of all of these people, but we do want all of them to know that the 4-H program in general, the FFA chapters, and others who participated are grateful for their wonderful contributions.

Here is an interesting sidelite of the fair — Louis Wendt of Cedar lake is past 90 years old. This year he again entered white bread in the home economics display at the fair. Some of us who are less than half that age hope that, when we become anywhere near the age of 90, will be as willing to participate in the county fair as Mr. Wendt. Congratulations to Mr. Wendt for his fine spirit.

Another interesting sidelite developed in the swine show at the fair. Arnold Smith of Colgate was very pleased to find that he did very well in the swine program. His Poland China was made grand

champion. He bought this pig from one of the other breeders in the county, showed it at the fair, and placed grand champion. Arnold tells me that he wants to go ahead into a big swine breeding program now, and feels that he has some good breeding stock with which to start the business. He will be a member of the Hog Breeders association. We would like to see more people get interested in their good livestock programs through the county fair. It is another thing that makes the fair worthwhile and justifies the many hours and many steps of many people in helping to run the fair.

GROWERS VISIT STATION

Last week 19 fruit growers of Washington county visited the University of Wisconsin's new experiment station at Arlington. These are the farms where the experimental work in horticulture and other kinds of agriculture is being carried out. George Klingbiel, extension specialist in fruit

production, went along with us and told us that because the orchard is so very new there was not much they could show us at the present time.

He did take us into the orchard, however, and showed us some very interesting things. One in particular was the fact that a great deal of work is being done today on certain kinds of root stocks for apple trees. This is important, because some of these root stocks behave differently than others, and here is a good opportunity to compare one with the other.

Mr. Klingbiel also showed us the raspberry plantation as well as the strawberry plantations. This gave us an opportunity to learn what kind of experimental work is being conducted in horticulture today.

OATS CROP GOOD

Driving about the county it is very obvious that the grain is turning color. A few weeks ago this agent, along with many farmers, was pretty certain the oat

crop would be completely ruined because of the extreme drought. And, of course, it is still very dry. I noticed when driving stakes last week for the signs on our oat variety plots, that the ground had huge cracks in it. Yet the oats look good.

Form County Van Pelt Committee

A large group of county residents has been formed to promote the re-election of Representative William K. Van Pelt to Congress. The committee includes and welcomes not only Republicans, but Democrats and Independents. An active campaign is planned.

Mrs. Robert Claus is chairman of the West Bend committee as well as the county-wide group. Mrs. Claus stated, the committee feels that at this crucial time in our nation's history, it is important that we are represented by a man with courage and experience. Officers of the committee, in

addition to Mrs. Claus are: Murlin Bernd of Hartford, vice chairman; Mrs. William Butts of West Bend, secretary; Lyle Thomas of Hartford, treasurer.

In charge of the various committees throughout the county are:

Town of Barton, James Kannal; Town of Wayne, Mrs. Victor Bauer; Town of Trenton, Joseph Kowanda, Mrs. Harold Ziegler, Walter Voight; Town of Farmington, John Youngbauer; town of West Bend, Mrs. Sidney Bjorklund, James Lewis, Henry Warhanek; Town of Polk, Mrs. Jack Taylor; Richfield area, Russell Currier; Slinger area, Richard Bielinski; Jackson area, Orthwen Butzke, Franklin Pipkorn; Hartford area, John Disher, Mrs. Bernice Odgers; Kewaskum area, Alfred Seefeldt; Germantown area, Joseph Schmitz, Helmuth Prah, Gilbert Arnold, and William Sponholz.

About the time you catch up with the Joneses, they refinance.

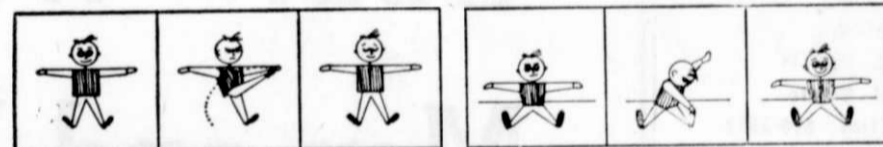

Regular Exercise Can Provide Both Physical and Mental Tonic, says AMA

Stretcher (4 to 10 times). Reach high, rise on toes. High-stepper (10 to 20 steps). Run in place, pumping knees and arms. Side Bender (6 to 15 times). Raise first one arm then the other straight over head.

Push-up (6 to 15 times). Men on hands and toes; women on hands and knees. Starting in raised position, with trunk and neck straight, lower trunk to two inches from floor and return. Curl (6 to 15 times). Starting on back with knees bent, hands behind head, tuck chin and "curl" as far forward as possible, aiming elbow to opposite knee. Stride Squat (6 to 15 times). Hands behind head, stride forward deeply with right leg. Keep left toe in place, left knee off floor. Return and exercise opposite.

Compressor (6 to 15 times). Lie spread-eagled on back. Roll onto hip and with leg and arm straight touch toe to opposite hand. Return and exercise opposite. Twister (6 to 15 times). Sit with legs and arms extended straight. Touch fingers to opposite toe. Return and exercise opposite.

ISOMETRIC EXERCISES —

The following exercises do not involve movement, but rather muscular contractions. One of their advantages is that many can be done at times and places where normal exercise would be impossible, such as in the office. Hold each contraction forcefully for six seconds. Repeating is not necessary.

- (1) Organ Grinder. Push hand against hand, then pull hand against hand.
- (2) Thinker. Push forehead against palm, then push back of head against palm(s).
- (3) Bird. Put back of hands against door jambs, then push palms in the same manner.
- (4) Sampson. Push palms against door jambs, then straighten arms high against jambs and push again.
- (5) Siesta. Sitting with back against one door jamb, push foot against other side, then push other foot in same manner.

There's more to physical fitness than mere muscles, but you can't be truly healthy and a bundle of flab at the same time.

To be physically fit you must be both medically fit and dynamically fit. The two don't necessarily go hand in hand, points out Raymond L. White, M.D., director of Environmental Medicine and Medical Services for the American Medical Association.

"Medical fitness means body soundness. This can be determined only by a medical examination. Dynamic fitness or 'action capacity' is a measurement of strength, agility and endurance," he said.

"A person who shuns activity may get a 'clean bill of health' from his doctor but if he can't endure even slight exertion, he's hardly physically fit. On the other hand, neither is the athlete with a chronic or undetected health problem."

In a sense it seems silly to be

concerned about strength and endurance in a push-button age. But the fact is, the human body was not designed for push buttons but for work, said Dr. White. "The absence of dynamic fitness through lack of physical exertion is a detriment to health. Furthermore, muscle tone, or lack of it, can be a factor in your whole outlook on life."

Strength and endurance, developed through regular exercise, leads to skill and agility and adds to poise and grace. Not only do daily tasks become easier, you also look better and so feel more at ease in social situations.

Even more evident, however, are the benefits to physical health, Dr. White pointed out.

Since exercise is a factor in weight control, it indirectly aids in preventing degenerative diseases, such as diabetes and arthritis, which are more prevalent in the obese.

Evidence indicates that exercise also may help prevent heart

and blood vessel diseases. Active people have fewer heart attacks and a better recovery rate when such attacks do occur.

The best exercise is enjoyable exercise. Activities such as hiking, swimming, skiing, tennis or gardening along with their physical benefits can provide relief from tension, thus serving as a safe, natural tranquilizer.

When there is no opportunity for taking exercise in such form, however, a daily walk and series of calisthenics can provide much the same tonic.

Above are a few examples of scientifically sound exercises, taken from the AMA pamphlet, "Physical Fitness." Used daily, they will help to increase muscular strength, body suppleness and motor reaction, and to improve circulation and other body functions.

Start out slowly, Dr. White warned, and gradually work up to the point where you can do all of these exercises quickly without stopping.

Looking Thru the Field Glasses...

By Bob Lake, Conservation Warden, Washington County

SPORTSMEN'S LICENSE ON SALE; FISHING SLOWS

Fishing pressure in Washington county was very light the past week. Big Cedar producing a few bass. The majority of the lakes in the county producing some pan-fish. Early morning and evening fishing best.

Signs of fall, the 1964-1965 issue of the sportsmen's license on sale. Eight weeks until the opening of the bow and arrow season for deer, the gun season on squirrel, rabbits, ruffed grouse and sharp-tailed grouse in northern Wisconsin.

Wild rice harvest on 70 top-producing Wisconsin waters in 13 counties will be subject to new rules this season, the conservation commission announced.

As rice ripens on various waters, signs will be posted at least 48 hours in advance specifying the opening day. Aug. 15 is the earliest date allowed. The season can last no longer than 60 days and hours are from 9:00 a. m. to 4 p. m.

Other new rules:

1. Prohibit motorboats and harvesting machines.
2. Limit the size of boats to 16 feet in length and 38 inches wide.
3. Require dealers to file reports.

The 70 rice beds to which new regulations apply are located in these counties: Ashland, Bayfield, Burnett, Douglas, Forest, Lincoln, Marinette, Oneida, Polk, Price. This past week a fawn was killed with a hay mower on a town of Trenton farm. A doe was killed on Highway 45 Saturday evening, her two fawns ran back into the woods at the Kewaskum public hunting grounds. Another doe was killed Sunday evening at Highway 41 and CTH (K).

An orange flag has been adopted as the official nautical distress signal in Wisconsin. A law passed by the 1963 legislature makes Wisconsin unique in the midwest in having formalized the signal.

Persons who see an 18 by 30 inch orange flag displayed are urged to render aid insofar as possible without endangering their own boats and passengers.

It is illegal to use the flag unless there is an emergency.

A number of hen pheasants with broods of up to eight young have been sighted at various places in the county. A few ruffed grouse are also showing.

Final Item on Park, Forest Rules

This is the fourth and final article discussing rules governing use and conduct in state parks, state forests, state fish hatcheries, campsites and other recreation areas:

1. It is unlawful to have in possession or under control, any firearm or air gun unless it is unloaded and enclosed within a carrying case, or any bow unless it is unstrung or enclosed in a carrying case, in any state park, fish hatchery, improved campsite in any state forest or similar public use area in state forests and state recreation area or within posted areas on state forests.
2. No person shall take, catch, kill, hunt, trap, pursue or otherwise disturb any wild animals or birds in any of the above mentioned places.
3. No person shall discharge any firearm or air gun at any time on Conservation Department lands in the Kettle Moraine State Forest except during the open season for game between Sept. 15 and March 31 or at authorized target ranges or at designated dog training or dog trial areas.
4. It is unlawful to be intoxicated or to engage in any violent, abusive, loud, boisterous, vulgar, lewd, wanton, obscene, or otherwise disorderly conduct tending to

create a breach of the peace or to disturb or annoy others.

5. It is unlawful to use any facility, land, or area for which a fee or charge has been established by the Conservation Commission without payment of such fee or charge.

This completes our discussion of the more important rules governing your use and conduct in state parks, state recreation areas, fish hatcheries, improved campsites in state forests, and similar public use areas. Should you have occasion to use any of these areas this year, please abide by all the rules. Your visit will be more enjoyable and your conduct will assure others visiting these areas a more enjoyable stay. BE SURE YOU HAVE AN ANNUAL PARK STICKER OR A DAILY USE STICKER.

Kewaskum Upsets League Leading West Bend, 5-3

**PORT WASHINGTON PLAYS
LAKES GAME HERE UNDER
LIGHTS SATURDAY NIGHT**

In the major upset of the season in the Land o' Lakes league, Kewaskum's cellar dwellers upset the league leading West Bend Lithias here Sunday afternoon, 5-3, dropping the Lithias into a first place tie with Grafton. The win enabled Kewaskum to pull out of last place and was only the team's second of the campaign.

The upset came on the stingy pitching of Bob Hansen, making his first start for Kewaskum, as a result of Al Koepke having a sore arm. Hansen pitched a dandy in mastering the heavy hitting Lithias. He checked them with one run and only four hits until the ninth inning, when West Bend collected two more safeties and a walk to score two more runs. In hurling his six hitter, Hansen struck out 11 Lithia batters and walked only two for a real fine job.

Mark Gonring started for West Bend and gave up four runs on six hits in the first five innings. Fran Hofmaier entered the game in the sixth and allowed one more tally and three more hits. Gonring fanned five and walked one, while Hofmaier whiffed four and walked none in three stanzas.

A walk, error and two hits gave Kewaskum two runs in their half of the very first inning. Three bingles gave the winners two more buttons in the fifth frame and the last marker came home in the eighth on a hit and sacrifice.

Heise drove in three Kewaskum runs with a single and triple and Don Meisenheimer and Don Theusch each belted a pair of hits. Weber banged out a triple and single and was the only Lithia with two safeties. Hansen showed his ability in the third inning when he struck out Ken Frank

and Ivan Seefeldt with the bases loaded.

This Saturday Kewaskum will play the only home night game of the season in entertaining Port Washington at 7:30 p. m. Port has a 3-6 record and this should be an interesting affair. The Lakes team is planning a game with the "old timers" on Sunday afternoon, Sept. 13, after the season closes.

LAND O' LAKES STANDINGS

	Won	Lost
West Bend	7	2
Grafton	7	2

SCHUPPEL SETS RECORDS AT SLINGER, CEDARBURG

Don Schuppel of Kewaskum set a new 30 lap track record of 56.25 miles per hour and a 10 lap heat record of 57.14 m.p.h. in winning at the two races at Slinger speedway Sunday night.

Schuppel also set a track record in winning the modified feature at Cedarburg raceway Wednesday night before 2,050 people. Averaging 52.85 miles per hour, Schuppel bettered Bill Johnson's mark of 52.61 set earlier this year. The win was Schuppel's second of the year at Cedarburg.

It's a lawn, lawn time from May to September. The Institute for Safer Living of the American Mutual Liability Insurance Company recommends a mid-summer sharpening for frequently used lawn mowers both power and hand types. Keeps lawns free of loose small objects to avoid nicking and dulling blades.

HON-E-KOR HOOKS

WINNERS IN MIXED TWO BALL FOURSOME

About 40 couples, undaunted by the hot and muggy weather on Sunday, July 26, turned out for the mixed two-ball foursome. Committee members for the event were Mr. and Mrs. Frank Winninghoff and Mr. and Mrs. Carl Freeze. Winners for the different events follow:

Longest drive for women on No. 1—Marjory Althaus.

Closest to basket on No. 2—Killy Honeck.

Fewest strokes on No. 3—Killy Honeck and Audrey Bartlett.

Closest to pin in one on No. 4—Erwin Werner.

Longest putt for women on No. 5—Ginny Backhaus.

Longest drive for men on No. 6—Ed. Backhaus.

Closest to pin in two on No. 7—Ernie Mitchell and Diane Albrecht.

Longest putt for men on No. 8—Werner Wilking.

Most strokes on No. 9—Ed. Frohmann and Mary Tessar.

Low net—Erwin Werner and Marcy Harbeck.

Low net—B. Ruth and M. Wietor, L. Seeger and T. Rohlinger, which resulted in a tie.

A delicious dinner was served at 7:30 consisting of rib-eye roast, baked potatoes, salad and dessert.

The next social event will be a better half get-together, a handicap tournament, followed by dinner. Committee members are Mr. and Mrs. Paul Stier and Mr. and Mrs. Bill Martin. The date—Sunday, Aug. 16. Make plans now to be on hand for lots of fun.

FATHER-SON TOURNAMENT

This Saturday and Sunday, Aug. 1-2, a father-son tournament will be held. Fathers may enter with their sons or sons-in-law and may enter with as many sons as they have. This is a handicap tourney, medal play, with no entry fee. The club championship tournament will open on Aug. 22 and continue through Aug. 30.

ment will open on Aug. 22 and continue through Aug. 30.

BETTY MEUNIER IN PRO-AM TOURNAMENT IN MILWAUKEE

Miss Betty Meunier, ladies' golf champion of Hon-E-Kor Country club, is participating in the third annual Milwaukee Jaycee golf tournament at North Shore Country club, Milwaukee, in a pro-amateur best ball competition this week. A field of 37 professional and 26 amateur women golfers and some male amateurs are entered in the meet. The defending champion in the medal play meet is Kathy Whitworth of Jal, New Mex.

The tournament entry list reads like the LPGA "Who's Who." Included are such standouts as Mickey Wright of Dallas, Tex., the tournament tour's leading money winner and victor of the first Jaycee tourney in Milwaukee; Patty Berg, of Minneapolis, who is playing her 24th season and veterans Betsy Rawls, Spartansburg, S. C., Marlene Hagge of Pensacola, Fla., Cliff Ann Creed of Alexandria, La., and Ruth Jessen of Seattle, Wash. A former Wimbledon tennis champion, Althea Gibson, of New York, also is entered. Several television personalities, including Earl Gillespie, Dick Johnson and Judy Marks, are members of pro-am teams. Joining them are Carol Jean Sorensen of Racine who annexed the state junior women's title last Saturday; Mrs. John Coleman, defending women's public links champion; Mrs. John Warner, Charlie Horvath, former senior king; Al Hattenauer, Nick Tomaro and Denny Thiet.

The tourney opened Thursday with tee time at 8:15 a. m. and foursomes teeing off every seven minutes thereafter. Miss Meunier teed off at 9:40 with Sandra Langhoefer and Mrs. John Coleman. Not up to form, Betty placed last in the 18-hole first round with a 102, highest total of the meet's first day. Leaders after the first round were Jo Ann Prentice of Pensacola, Fla. and Ruth Jessen of Seattle, Wash., tied with 71.

HON-E-KORNER

By Ginny Backhaus

On a very hot and sultry Wednesday morning, July 22, a surprisingly large number of ladies turned out for golf. Foursomes moved rather slowly around the course but finished in due time.

The longest drive on number 8 was won by the following in their respective classes: Class B—Bev O'Connor; Class C—Char Zurling; Class D—Lucille Petri.

The most 5's on the card was the event of the day. It proved very interesting with a tie between Bev O'Connor, Irene Schlefke and Eleanor Marx.

Marian Mitchell and Eleanor Marx were the lucky ladies at bridge.

On July 29 low gross was the class event and the longest putt on number 3 rounded out the event of the day.

See you all out golfing.

Lighthouse Named Youth Bowl Center

Lighthouse Lanes, West Bend, has been named an official center for All-American Youth Bowl, a national summer bowling competition for boys and girls through 18, plus a special varsity division for high school graduates under 19. The event is sponsored in Wisconsin and Upper Michigan by the Milwaukee Sentinel. Qualifying rounds are being held July 1-26.

West Bend winners will bowl in the Milwaukee Sentinel areawide tournament early in August. Winners of the areawide tournament will then represent the Sentinel in a national telephonic finals against teams from 16 other cities across the nation, in Milwaukee, Aug. 14.

In the areawide varsity competition, two boys and two girls will win an all-expense trip to New York via American Airlines Astrojet to represent the Sentinel in the national championships and see the World's Fair, Aug. 24-28.

TRACTOR SAFETY

High-speed cars and slow-speed tractors together on highways present a dangerous situation that requires extra care and caution.

Reprint From Booklet — Tractor Safety.

Cars are for riding, not for playing. Children should be asked to sit quietly while riding in passenger cars. Those who play, jump around, and roll down the windows either get hurt or distract the driver, thereby causing an accident. Children should play in playgrounds or in yards.
