Governor John W. Reynolds and his wife, Patricia, will be the honored guests at an election day luncheon in West Bend on Tuesday, Sept. 8.

Mrs. Marlin G. (Helen) Kocher, Washington county campaign manager for Governor Reynolds, announced that the luncheon will begin at 12:00 noon and will be held at the Moraine Supper club, south of West Bend on Hwy. 45. The public is cordially invited to attend the luncheon, meet the governor and his wife, and question him on the issues of the campaign. Tickets at \$1.50 apiece may be purchased from Mrs. Kocher, telephone FE 4-4287; Larry Harty, Democratic party chairman, telephone FE 4-4298; or other party members. In Kewaskum call Mrs. Marie Dei, telephone 626-2652.

Governor and Mrs. Reynolds will vote in Green Bay in the morning and then drive to West Bend. The governor was born in Green Bay on April 4, 1921. He attended schools in Green Bay and Madison and was graduated from Green Bay East High school in 1938. He went to the University of Wisconsin and received a bachelor's degree in economics in 1942.

Four years of army service followed. He was discharged in 1946 as a first lieutenant in the Counter Intelligence Corps. He then returned to the University of Wisconsin and received a law degree in 1949.

Reynolds was the district director of the Office of Price Stabilization for the northern 50 counties of Wisconsin until 1952, and from 1952 to 1958 he practiced law in Green Bay in the firm of Bittner and Reynolds. He also served as United States Commissioner for the eastern district of Wisconsin from 1955 to 1958.

In 1958 Reynolds ran as the Democratic candidate for attorney general, won a primary contest and was then elected in a near Democratic sweep of the capitol. He was returned to office in 1960 along with then Governor Gaylord Nelson, the only two Democrats re-elected that year. On Nov. 6, 1962, he was elected governor. Reynolds is seeking his second term as governor this year.

Governor and Mrs. Reynolds have three children: Katie 12 years old; Molly, 7, and James, 2.

## Open House at New Elementary School Sept. 13

The new Kewaskum Elementary school will hold an open house on Sunday, Sept. 13, from 1 - 5 p. m. so that parents and interested persons may view the new addition as well as the remainder of the physical plant.

Former pupils are certain to be surprised with some of the changes which have occurred since they attended either as elementary or secondary students.

It is the hope of the board of education that as many as possible will take this opportunity to visit the school.

Electors of the school district approved the issuance of \$250,000 in general obligation bonds for construction of the new addition to the former school building at a special referendum election held on Sept. 24 of last year. Construction was begun in November and the building was completed in time for the opening of school this week.

The new building addition connects the primary building, which contains the kindergarten and grades one and two, and the former old high school building which houses the upper elementary grades and special education facilities.

The new addition, which contains an estimated 16,000 or more square feet of floor space, contains eight classrooms, a music room, office, teachers' room and lavatory facilities. Richard Zarleng, principal, said the building program was undertaken because of the increase in enrollment and increasing demand for additional classrooms. The enrollment this year has neared the 500 mark, compared with an enrollment of 450 last school term.

## NINE IN GOP ASSEMBLY RACE, CONGRESS, SENATE RACES CREATE INTEREST

Widespread interest locally and throughout the county is expected to result in a heavy vote for the primary election next Tuesday, Sept. 8. Interest in the assembly, congressional and senatorial as well as state office contests should help swell the turnout at the polls.

Election polls in Kewaskum will be open from 9 a. m. to 6 p. m. and voting will take place in the municipal building. Balloting for the town of Kewaskum will be done at the Labor Center in this village.

In the county, interest is centered in the race for the assembly seat formerly held by the late Elmer J. Schowalter. Nine Republicans and two Democrats are in the contest to determine the candidates who will appear on the ballot for the run-off voting at the Nov. 3 general election. The nine Republicans, listed alphabetically, include Ray H. Bast, R. 1, Richfield; William H. Dieterich, R. 2, Hartford; Roland P. Jaeger, West Bend; William E. Johnson, West Bend; Robert E. Keller, Germantown; Herman H. Laabs, R. 4, West Bend; Chester R. Rumsey, R. 5, West Bend; Oscar J. Schindelholz, Hartford, and Frederick C. Schroeder, West Bend. The Democratic candidates are Lawrence E. Harty, West Bend, and Charles A. Johnson, R. 1, Allenton.

The only other contest will involve Robert H. Boltz, West Bend, and Richard A. Burg, R. 1, Slinger, both of whom seek the GOP nomination for county coroner. Robert T. Kauth, West Bend, is the Democratic candidate. Single candidates from both parties occupy the remainder of the ballot for county offices. They are:

County Clerk—Anton P. Stalal (R), incumbent, West Bend, and James B. Feiten (D), R. 1, Kewaskum; County Treasurer—Robert J. Klein (R), incumbent Rockfield, and Norman R. Ott, (D), West Bend; Sheriff—Raymond W. Jeffords (R), R. 1, Hartford, and James A. Helmer (D), West Bend; Clerk of Circuit Court—Lawrence Berend (R), incumbent, West Bend, and John Guidice (D), R. 1, Slinger; District Attorney—Richard T. ### Kratzer Appointed GOP Senior Citizen Chairman of County

A. Thomas Rose, Madison, state director of the Republican Senior Citizen Campaign program, today announced the appointment of Mike Kratzer of West Bend as Senior Citizen chairman of Washington county.

Rose, retired director of the Wisconsin State Employment Service, said when making the appointment: "We intend to locate and get out to vote the 3,514 Republicans over 60 living in Washington county. Senior citizens are a very important part of the electorate that up to this time has been largely ignored. They are interested and they want to be involved. This program is designed to do that and I am happy that Mike Kratzer has consented to head the effort in this county. Through this program we know that senior citizens will this year cast the decisive vote that will return responsible government to Wisconsin."

### Sheriff Suggests, Start New Safety Habits Labor Day

Labor Day should be the start of a "Labor Week" — a week of work on forming new fall safety habits — Sheriff Wm. E. Johnson suggested as the end-of-summer weekend approached.

"It takes a little work to change our habits when something new comes along," the sheriff pointed out, "and something new is coming along right now — the beginning of school. But it shouldn't take more than a week to shift our gears to the habits which will help insure a safe and happy year."

Sheriff Johnson suggested six basic "watchwords" for school-time safety and a simple reminder system for both adults and children. The "watchwords:"

**For adults:**  
 \* **WATCH** that school bus (don't pass when caution lights are on).

\* **WATCH** those troops of children, in midblock as well as at intersections, especially during morning rush hour and midafternoon.

\* **WATCH** those playgrounds, any time of day.

**For Children:**

\* **WATCH BOTH WAYS** before crossing every street.

\* **WATCH** your crossing guards and traffic lights.

\* **WATCH OUT** for "friendly strangers" (don't take rides or gifts from strange men).

"These watchwords can be taped up where everybody in the family will see them every morning—on a shaving mirror, the bathroom door, or the refrigerator," said the sheriff. "Within a week, the daily reminder will turn them into habits — good safety habits."

### GOP Bratwurst Fry Attracts Big Crowd

Washington county Republican organization's annual bratwurst fry drew a crowd estimated at over 400 persons to Regner City park in West Bend Saturday night. Excellent weather, delicious brats cooked by the organization's volunteer chefs, and the attendance of many office-holders and candidates, added up to an evening of election year gaiety.

Secretary of State Robert Zimmerman and his wife and Congressman William K. Van Pelt and his wife were honored guests at the event where they spent the evening greeting old friends who had arrived from a county-wide area. Both Van Pelt and Zimmerman received enthusiastic applause from the crowd after they addressed the audience briefly in regard to future state and federal legislation.

Speeches were necessarily held to a minimum because of the unusual situation presented by the large number of candidates for the assembly seat now vacant because of the death of Elmer J. Schowalter. Eight of the nine candidates were introduced by Tom Merriam, county GOP chairman. Speaking briefly, they were: Ray Bast, William Dietrich, Roland Jaeger, William Johnson, Robert Keller, Frederick Schroeder, Dr. Chester Rumsey and Herman Laabs. Oscar Schindelholz of Hartford was unable to attend. Jack Steinhilber of Oshkosh, a candidate for Congress, also addressed the crowd.

Despite some differences of opinion among the candidates there seemed to be a general unanimity of thought among them and their listeners. It appeared that "a great Republican year" was in the forecast, and that the support of women voters is to be a factor in any

effort for good government.

Almost any politician can explain to you, in great detail, why he is just the man the people need.

#### WATERFOWL REGULATIONS GIVEN; CISCO DIE AT LAKE

Fishing pressure light, fishing fair. A few walleyes at Pike lake, crappies at Little Cedar, northerns and bass at Big Cedar.

Three deer were killed on the highways of Washington county in the past ten days, two on Hwy. 41, the other on 144 at the Arthur Road.

The die off of Cisco at Big Cedar lake a week ago is a repeat of a similar occurrence in August of 1934. Lack of oxygen in the waters below 60 feet forced them up. They are unable to live in the warm water above 60 feet. In 1934 it was not a complete die off, and I do not believe that it is this year. However, from 1934 to 1945 Big Cedar produced some of the finest northern fishing in the memory of older fishermen. Perhaps history will show that this may again happen.

We can now give you the waterfowl regulations. The opening date has not been decided at this writing, but it will be either Oct. 3 or Oct. 10 at 12 noon.

The bag limit on ducks will be 4 and the possession limit 8. The bag cannot contain more than 2 mallards or 2 wood ducks or 2 in the aggregate of canvas backs and redheads. The season will run for 40 days.

The season for geese will open at the same time as ducks and run for 70 days with the exception of the quota zone at Horicon.

The quota for the Horicon area is 11,000 geese; this is 1,000 less than last year. The quota zone is the same and the regulations there will be essentially the same as last year. In the managed blinds the fee has been increased from \$3.00 to \$4.00. This year you may make a second trip if you were not successful the first trip.

The daily bag limit in the managed blinds is 1 goose of any spe-

cies. In the quota zone the bag limit is 5 geese, no more than 1 of which may be a Canada or its sub-species. The bag limit in the remainder of the state is 5 geese, no more than 2 of which may be Canadas or its sub-species. The possession limit on geese is the same as the daily bag limit.

Shooting hours in the Horicon area will be regulated similar to last year in an effort to again keep the season open as long as possible. Last year it lasted 36 days.

You will again be required to register geese killed in the Horicon area and registration stations for this purpose will be located in about the same locations as last year.

"Talk about persistence. Three times he asked me to kiss him and three times I refused."

"Then what happened?"  
"Oh, well — one can't go on like that."

The Auburn 4-H club met at the Kewaskum park on Tuesday, Aug. 11, for our meeting and picnic.

The meeting was opened by our president, Linda Nigh, with roll call on "what I took to the county fair at Fond du Lac." After the pledge of allegiance the secretary's report was read by Sandra Hoepner. The treasurer's report by Dianne Nigh was read and accepted. Bills were allowed for \$3.10 to Mrs. Petermann.

Ribbons won at the fair were handed out and each one did very well.

The next meeting at Lorina Petermann's home will be at 7 o'clock on Sept. 8.

A demonstration by Linda Nigh on "How to make a flower arrangement easy and quick" was very interesting.

Our picnic lunch of roasted wieners was enjoyed by all.

### READ WHY

**Congressman MELVIN LAIRD Urges You To Re-Elect Bill Van Pelt!**

"It certainly would be a great mistake if the voters of the Sixth District failed to return Bill Van Pelt to Congress. Bill has been a solid Republican member of the House of Representatives and has served as Republican Whip and Chairman of the Congressional delegation from our state. He has built up important seniority not only on the Science and Astronautics Committee but also on the Merchant Marine and Fisheries Committee. The Science and Astronautics Committee, of course, handles very important work and many people in Wisconsin are most concerned with the activities of his other committee, Merchant Marine and Fisheries, which handles all the conservation legislation which comes before Congress."

The Honorable Melvin Laird of Marshfield  
Congressman of the 7th District of Wisconsin

- Remember! When anyone tells you "we want a working Congressman" . . . just tell 'em we've really got one in Bill Van Pelt! His record in Congress is outstanding. His Congressional seniority and stature has come from the experience of 14 years' dedicated service to the 6th District — and the Nation!

### READ WHY

**Congressman JOHN BYRNES Urges You To Vote Sept. 8 For Van Pelt!**

"I would hope that the Republicans in the Sixth District will give Bill Van Pelt a resounding vote of confidence in the primary on September 8. He has been a determined fighter for the Republican cause and a stalwart champion for his state and District in Congress. His quiet common-sense and his integrity have won him the respect of his colleagues on both sides of the aisle. Your District will sorely miss the experience, prestige and seniority which Bill has won for himself here should he ever decide to leave Congress. He has vital Committee assignments — both on the Space Committee and the Merchant Marine and Fisheries Committee — which are of vital importance to the nation and to our state. He has assumed positions of leadership in the Republican organization in the House and in our state delegation. He has the prestige which enables him to make his voice heard in Washington. It would be many years before a new Congressman would achieve Bill's present position of influence and the District would be the loser in the meantime. I believe the needs of our party, state and nation will best be served by a strong endorsement of Bill Van Pelt in the primary and his re-election to Congress in November."

The Honorable John W. Byrnes of Green Bay  
Congressman of the 8th District of Wisconsin

HON-E-KOR HOOKS

Wertz Wins 3rd Straight Club Championship

DEFEATS M. ROSENHEIMER ON 29TH HOLE IN FINALS; OTHER CHAMPS CROWNED

Carl Wertz, Kewaskum's excellent golfer, won his third straight club championship of Hon-E-Kor Country club by defeating Mark Rosenheimer in the 36-hole finals Sunday. He has held the championship since the club was started.

Wertz is also champion of South Hills Country club at Fond du Lac, which title he won a couple of weeks ago for the second year in succession.

Carl clinched the Hon-E-Kor championship on the 29th hole Sunday (No. 2) when he went eight holes up with only seven left to play. Both he and Rosenheimer tied by shooting pars on the hole but Mark had to win it to remain in contention.

On this hole Wertz had a very good tee off shot, long and straight down the fairway against a strong wind. Rosenheimer's low tee shot went off to the left but his second long iron shot was a beauty and the ball landed on the green only a few feet from the pin. Wertz's second shot also landed on the green but near the edge of it. He two-putted for a par. Rosenheimer had only a three to four foot putt but got a very tough break when on his putt the ball balanced on the edge of the cup. If it would have rolled in he would have scored a birdie, won the hole and still been in contention. Wertz and Rosenheimer played 18 holes in the morning and teed off for the second 18 at 1 p. m.

Championships in the nine oth-

er classes were also decided Sunday when the 18-hole finals were played by the two finalists in each class. A through I. Golfers teed off every seven minutes, starting with championship down the line. Winners in each class were as follows:

- Class A—Killy Honeck  
Beat H. L. "Doc" Rumsey
- Class B—Leroy Kohl  
Beat Harlan Gruber
- Class C—Ray Keller  
Beat Paul Lemler
- Class D—Wayland Tessar  
Beat Stan Woolman
- Class E—Larry Wickert  
Beat George Fassbinder
- Class F—Francis Janous  
Beat Jack Olson
- Class G—Bob Meyer

O'CONNOR WINS HRON CUP

Finals in the A. G. Hron cup tournament were finally completed on Sunday with the two finalists, Mike O'Connor of West Bend and Paul Dean of Kewaskum playing off in an 18-hole match. The tourney, a handicap match play event, opened in July. O'Connor defeated Dean for the championship and Hron cup.

LABOR DAY FLAG TOURNEY

A flag tournament will be held on the Labor Day holiday Monday, Sept. 7. It will be family day. Hamburgers will be served and each family is to bring a dish. Reservations were to be in by Friday, Sept. 4.

HON-E-KORNER

As the second flight is completed in tournament the leaders in the semi-finals who must play the finals by Sunday, Sept. 6, are as follows: Championship — Dolly Ramthun vs. Betty Meunier;

Class A—Ann Wilking vs. Marie Wietor; Class B—LaVerne Hetzel (defeated Laura Larsen) vs. winner of Joyce Gruber and Eileen Perkins; Class C—Marge Rosenthal vs. Ginny Backhaus (defeated May Naab and Helen Kuehn); Class D—Lucille Petri (defeated Frances Rohlinger) vs. Carole Timblin (defeated Doris Sippy).

Lucky ladies at cards on Aug. 26 were Elizabeth Wiskirchen,

Ruth Held and Frances Rohlinger, bridge, and Hazel Rimmel, samba. Because of the heavy rain on Wednesday, Sept. 2, the girls spent a full day at playing cards.

Our Police Chief Says

agement of the theatre offers a reward for information leading to the apprehension of these vandals. This information will be kept confidential and we will not reveal the name of the informant under any circumstances.
