Stachia to Close Apparel Shop, Combine Stores

Stachia's Apparel on Main st. will be closed and she will combine the business with her Fair Variety store after the first of the year, it was announced this week. Stachia said the reason for combining the two stores will be to best serve her customers.

The building presently occupied by the apparel store is owned by Stachia, who will continue to utilize it for storage and office space and will also continue window displays in the store as before. The Fair Variety store, which in the future will house both businesses, is located three doors east of Stachia's Apparel in the Louis J. Heisler building.

In addition to the regular stock, Fair Variety will again carry ladies' undies night wear, blouses sweaters, slacks and skirts, as the store did before Stachia's Apparel was opened.

Stachia's Apparel is now holding a big pre-holiday stock reduction sale and is offering terrific bargains in ladies' clothing. Turn to her advertisement on another page of this issue.

Deer Kill of 333 in County Sets Record

The deer kill in Washington county during the three-day "any deer" season which opened Saturday and closed Monday saw a record number of deer killed for so short a period with a total of 333 animals registered at county checking points.

Both hunters and conservation officials expressed their satisfaction with the results of the deer season in the county this year. Hunters who bagged deer in the area expressed their satisfaction with the animals they shot and ideal hunting conditions with the snow cover and weather, which started out cold Saturday and then warmed up Sunday and Monday.

The deadline for reporting kills at 5 p. m. Tuesday indicated that the following number of deer were registered at the various checking stations in the county: County sheriff's department—190; Hartford—67; Tally-Ho Inn—57; Klippel's Market at Richfield—19. In addition large numbers of deer shot in the surrounding area were registered at Mauthe Lake and other checking points in Fond du Lac and Sheboygan counties.

Bakery Truck Is Struck By Train At Crossing Here

REAR END OF PANEL TRUCK IS SHEARED OFF IN CRASH, DRIVER ESCAPES INJURY

A Mrs. Karl's Bakery panel truck of 1823 W. Pierce st., Milwaukee, which makes deliveries of baked goods to local stores, was struck by North Western Railway freight train No. 1640 at the First st. crossing in this village at 11:55 p. m. Monday.

The truck driver, Vik Vuk, 58 of 6082 S. 116th st., Hales Corners, luckily escaped injury in the crash in which the entire rear end of the truck, about three feet in width, was sheared off by the Diesel engine of the train.

According to train officials Engineer Charles Haughey, 62, of 12809 W. Hampton ave., Milwaukee, and Conductor Arnold Draeger, 63, of 1337 S. 106th st. Milwaukee, the northbound freight train was traveling about 35 miles per hour when it struck the truck. They said that the train was not a regularly scheduled one but on an extra run.

There are four tracks on the crossing and the crash occurred on the main track. There are no flash warning signals at the crossing, only signs. Vuk reported that he failed to see the approaching train until he was on the crossing. He accelerated his truck and almost made it across the tracks. This probably saved him from being seriously injured or killed in the crash as the engine tore off the right rear end of the vehicle.

The truck which was eastbound on First st., was tossed aside on the east side of the tracks and came to rest on the street about 29 feet from the point of impact only a few feet from the intersection with Railroad st. The sheared off rear part of the truck was thrown ahead and to the right against a corn storage crib at the Washington Farmco Co-op elevator. Loaves and slices of bread were strewn all about the scene. Damage to the truck was estimated at about \$1,000.

Kewaskum High Named to Join Little 10 Loop

Kewaskum and Campbellsport of the Scenic Moraine conference are presently mentioned as possible schools to join the six Little Ten Northern Division schools in a new conference in June of 1966.

Following last week's meeting at Mayville at which the Little Ten was dissolved as of June of 1966, Erwin Pfefferkorn, Waupun principal and conference president, again emphasized that the inequity of school enrollment of the 12 schools was the primary reason for the action.

Although they have the option to retain the "Little Ten" name, the six northern division schools have been aiming for an eight-school league. However, this idea could change. The northern schools are Berlin, Columbus, Horicon, Mayville, Ripon and Waupun.

The five Southern Division schools, West Bend, Beaver Dam, Oconomowoc, Hartford and Watertown, reportedly have an understanding among themselves to stay together until such time that something can be worked out for all of them. This could mean staying together as a nucleus for a new conference or breaking up in realigning with another league. Hartland Arrowhead had had previously dropped out of the Southern Division.

In checking with Walt Bade, basketball coach and assistant football coach at the high school, it was learned that at a recent meeting of Scenic Moraine member schools, it was decided to continue the conference with the present schools for the time being, despite rumors that Campbellsport and Kewaskum might join the Little Ten and that the urban schools near Milwaukee wanted to pull out of the conference.

The writer is of the opinion that Kewaskum should take advantage of the opportunity and make every effort to join the Little Ten conference, despite longer traveling distances, to gain greater honor and prestige, keener competition, added publicity and interest, larger attendance, compete with larger schools of equal enrollments, and other advantages.

starting at 8:00 p. m. The program is open to the public without admission charge, and all lovers of fine singing are invited to attend.

The choir is made up of young men and women of Missouri and Wisconsin Synod Lutheran churches in the greater Milwaukee area, and numbers this year close to sixty singers. The concert in West Bend has been taking place regularly every other year in November for the past eight or ten years. This year the visit to West Bend will be the last stop on an all-day trip which will see the group participating in the worship services that Sunday morning in Freistadt, and singing the complete program in Sheboygan in the afternoon.

Organized in 1937, the choir has maintained for itself throughout the past three decades a reputation for singing sacred music of a high caliber, and singing it well, yet singing it in a way that makes it appeal to the ordinary concertgoer as well as to the trained musician. Mr. Albers has led the singers since 1950, prior to which he was assistant director and a singer in the group. He is also the choir director and organist for Our Redeemer Lutheran church in Wauwatosa.

For the program on Nov. 29, the choristers will emphasize music written and arranged by musicians of the twentieth century, particularly those of the Lutheran

church, although the classical composers such as Bach, Mammerschmidt, and Pachelbel have not been neglected either. Several men on present-day music faculties of Lutheran colleges whose work is represented are Paul Bunjes and Richard Hillert of Concordia college in River Forest, Ill., Olaf Christiansen of St. Olaf college; and William Heyne of Concordia seminary in St. Louis. Two works arranged by Carl Schalk, director of music for the Lutheran Hour radio program, are also listed. And a new arrangement by Gerhard Schroth, founder and first director of the Milwaukee choir, and now director of music for the city of Rochester, Minn., is a featured song.

The choir regularly learns and presents two complete choral programs a year, in Milwaukee, and in southern Wisconsin and northern Illinois cities. Heard regularly on radio and television, the singers have also made several recordings, the most recent of which was an album of Lenten hymns for radio station KFUP in St. Louis.

Our Police Chief Says

On Wednesday we checked the ice on the river and found it only one inch thick. Watch the lights south of the Main street bridge. Keep off the ice when the red lights are on.

After watching the squabbles that often develop in the splitting up of estates, we can sympathize with the old fellow whose will contained just the following: "Being of sound mind, I spent every darned cent I had."

Indians Trounce Rosendale, 71-43

SNOWSTORM POSTPONES OPENER WITH PLYMOUTH

Due to the snowstorm last Friday, the Kewaskum Indians' non-conference opener with Plymouth here was postponed and will be made up at a later date not yet selected. The Indians did get the 1964-65 season underway Tuesday night, when they blasted Rosendale in a non-loop encounter here, 71-43.

The Dalers were no match for Kewaskum's scoring blitz and the Indians outscored them in every quarter in coasting to victory. The winners went ahead, 17-9, at the quarter and were on top, 37-26 at halftime. The Indians poured it on even more in the second half taking a 53-34 third period advantage, and increasing the margin to 28 points at the contest's end.

Ed Czaja with 16 was the top scorer for the victors, while Bob Coulter controlled the boards for the Indians. Coulter also added 13 points and Dick Wietor was the second best scorer in the game with 14. Schultz, with 10 points, paced the outclassed Dalers.

Kewaskum expects to run into much stiffer competition when they play at Cedar Grove Tuesday in another non-conference game before opening Scenic Moraine action next Friday with Slinger here. Coach Walt Bade reports that Ce-

dar Grove has another very big, strong squad.
