

# Kewaskum Statesman

"Gateway to the Kettle Moraine State Forest"

VOLUME 70

KEWASKUM, WISCONSIN, FRIDAY, JANUARY 8, 1965

NUMBER 10

## High School Board to Hold Meetings to Explain Building Plans, District Needs

The board of education of Kewaskum Community High school will hold a series of informational meetings to explain their proposed building plans and future district needs to the electors of the district.

The schedule of meetings is as follows:

Tuesday, Jan. 19—8 p. m. at the Kewaskum elementary school cafeteria.

Wednesday, Jan. 20—8 p. m. at the new Wayne elementary school.

Tuesday, Jan. 26—8 p. m. at the Beechwood elementary school.

Thursday, Jan. 28—8 p. m. at the Boltonville fire hall.

The meetings are open to the public. Electors of the district should choose the most convenient meeting to attend whether it is in the elementary district in which they reside or not.

The information to be presented at the meetings will include the results of the studies that have been completed by the board of education in terms of the long range plans for the district.

The board will attempt to answer any questions anyone may have.

## AFS Students to Be Woman's Club Guests

Miss Marion Evans, AFS student from Gisborne, New Zealand, and Miss Mary Kroncke, Kewaskum's first AFS student abroad, will be guest speakers when the Kewaskum Woman's club meets on Saturday, Jan. 9. Marion, who lives with the Marvin Martin family during her stay here, attends Kewaskum High school as a senior. Mary, daughter of Mr. and Mrs. Robert Kroncke, spent seven weeks last summer with the Juan Prat-Teris family at Mallorca, Spain. Mary is also a senior at Kewaskum High school.

Their appearance before the club will give many a fine opportunity to meet and become better acquainted with these young ambassadors.

The business meeting is scheduled for 2:30 with the program following at 3 o'clock in the public library. Hostesses will be Mrs. C. F. Miller and Mrs. J. Schwind.

## SCHICKERTS IN NEW HOME; KURTHS MOVE TO FOX POINT

Mr. and Mrs. Matt Schickert and family recently moved from their residence in the town of Kewaskum, east of the village, into their new home which they built at 1176 Western ave. in Kewaskum.

Mr. and Mrs. Karl Kurth and family moved from their home at 535 Keller st. to 7435 N. Boyd Way, Fox Point. Mr. Kurth, a former teacher at Kewaskum High school, now has a similar position in Milwaukee.

## SPORTSMEN TO MEET

The regular monthly meeting of the Kettle Moraine Sportsmen's association of Kewaskum will be held Tuesday evening, Jan. 12, at the Legion clubhouse. Members will be signed up for the year. Lunch will be served.

## 2nd AFS Student Here From Greece Sends Greetings

Miss Georgia Malamaki

In an airmail letter to the editor of the Statesman received the past week, Miss Georgia Malamaki, Kewaskum's second AFS student from Athens, Greece, sends season's greetings to all her friends here and enclosed a poem that she wrote for her "people in Kewaskum."

The attractive Miss Malamaki, who writes a very good letter in the English language, requested that we do not publish her letter in its entirety, but writes in part as follows:

"I hope you still remember Kewaskum's Greek friend. I would like you, if possible, to put in the Kewaskum Statesman the enclosed poem that I wrote for 'my' people in Kewaskum. Since I am not able to send my season's greetings and wishes to each one in particular, I believe you will do me this favor.

"I never stop thinking of the wonderful people I met during my staying in Kewaskum, but now my feelings get stronger and want to be expressed. I hope you will all enjoy it but I will be the most happy person because I will have the idea that I came in contact with all the people in Kewaskum during this holy and blessed season. I thank you very much.

Your Greek friend,  
Georgia Malamaki"

The poem written by Miss Malamaki follows:

Season's Greetings  
Lines for You  
So what if I am far away,  
My little town is still there  
And so are my friends:  
A home, a school, a smile, a river,  
The world!  
I know it's not a dream but truth  
itself,  
Sun will rise, the earth will turn  
And so will my memories—  
My friendship, thankfulness and  
love  
And all of you; isn't that enough?  
So what if I am far away,  
I still hear songs  
Then, you and me together.  
Rustling the leaves will whisper,

## Kathy Schiek Is Fiancee of Harvey Ramthun

Mr. and Mrs. Norbert Schiek of Long lake, R. 2, Campbellsport, announce the engagement of their daughter, Kathleen, to Harvey Ramthun, Jr., son of Mr. and Mrs. Harvey Ramthun, 1261 Fond du Lac ave., Kewaskum.

Miss Schiek is a 1964 graduate of St. Mary's Springs academy, Fond du Lac, and is presently employed at St. Agnes hospital. Mr. Ramthun is a 1960 graduate of Kewaskum High school and is employed at H. Ramthun & Son Hardware, Kewaskum.

## Schladweiler-Kertscher

Mr. and Mrs. Jerome Schladweiler of R. 1, Kewaskum, are announcing the engagement of their daughter, Helen, to Floyd Kertscher, R. 1, Random Lake. The announcement was made on Christmas Day.

## Brandt-Mueller

Mr. and Mrs. John R. Brandt, 4476 N. Morris blvd., Shorewood, formerly of R. 2, Kewaskum, announced the engagement of their daughter, Sandra Ann, on Christmas Day to Claude A. Mueller, (Continued on page 2)

Flowing the river will tell  
That we are past and future,  
Nothing and everything.  
I have a "happy" thought of you  
Let's keep it hidden in my heart.  
It's not the end; we are still  
young.

Miss Malamaki's address is: Georgia Malamaki, Xenofonos F, Athens 623, Greece.

## Mr. and Mrs. F. Felix Celebrate 25th Anniversary

On Saturday evening, Jan. 2, relatives, friends and neighbors joined Mr. and Mrs. Frank Felix of Kewaskum in a belated celebration of their 25th wedding anniversary. Dinner was served to 56 guests at the Glacier Inn after which a social gathering was held at the Felix home. Mr. and Mrs. Felix have two daughters, Jeanne and Mary Rose.

Guests for the occasion included:

Mr. and Mrs. Norbert Heiting, Gerry and Marilyn, Mr. and Mrs. Jim Fechter of Port Washington; Merin Heiting of St. Francis, Mr. and Mrs. John Heiting of Menomonee Falls, Miss Sheri Harbeck of Milwaukee, Mr. and Mrs. Al Felix, Mr. and Mrs. Don Felix, Mr. and Mrs. Mark Vogelsang, Mr. and Mrs. Henry Pastors, all of West Bend; Mr. and Mrs. Edward Hawig, Kathleen, Gerald and Jimmy of Wayne; Patsy Hawig of Fond du Lac, Arnold Thill of Campbellsport R. R., Jim Gelhar of Oakfield, Mr. and Mrs. John Felix, Mr. and Mrs. Leo Felix and David, Rose Felix and Ray Gutjahr, all of St. Kilian; Bob Felix of Appleton, Jackie Felix of Wausau, Miss Jeanne Felix of Oshkosh, and Father John Budde, Miss Olive Urban, Miss Tillie Mayer, Mrs. Ed. Dreher and Janet, Mr. and Mrs. Gilbert Reindl, Mary, Bobby and Michael, Mr. and Mrs. Bernie Barth and Theresa, Miss Mary Rimmel, Mrs. Don Harbeck, Mr. and Mrs. Bill Harbeck and Lana, Mr. and Mrs. Roman Staehler, Mr. and Mrs. Henry Timblin, all of Kewaskum.

Invited guests unable to attend were: Mrs. Anna Felix, Mr. and Mrs. Ray Ruplinger, Richard Amerling and Terry Flath, all of St. Kilian; Miss Carol Felix of West De Pere, Mr. and Mrs. Kenneth Felix of Chicago and Ed. and Gerry Dreher.

The past year, 1964, also marked the 25th anniversary year that Mr. and Mrs. Felix have been operating the Gamble Store dealership in conjunction with a radio (and later TV) service shop in Kewaskum. A diamond service award was presented to them earlier in the year in recognition of their 25 years' association with Gamble Skogmo, Inc. This award was presented by William P. Cowan, wholesale manager, at the sales luncheon held in the Morrison Hotel in Chicago, Ill. during Gamble's 1964 merchandising conference. Mr. Felix has been operating a radio service (and later a radio and TV service) in Kewaskum for the past 30 years.

## INVITED TO PRESIDENT JOHNSON'S INAUGURAL

Rev. and Mrs. Lehman Eichstedt, Jr. of R. 1, Eden, former Kewaskum residents, have received a special invitation to attend President Johnson's inaugural and will leave for Washington, D. C. soon.

Newly elected Congressman John Race is an uncle of Rev. Eichstedt.

Both Rev. and Mrs. Eichstedt were ordained recently in a Milwaukee ceremony.

## Reunion-Meeting Of Gashouse Gang Held; 49 Attend

OFFICERS ELECTED AT FIRST MEETING IN 20 YEARS; FR. MAYER, GERMANY, WRITES

Members of the old Kewaskum Gashouse Gang held a reunion-meeting on New Year's afternoon and evening, Jan. 1, at the Hon-E-Kor Country club. It was the first meeting held by the club in 20 years and after all this time a very fine turnout of 49 members attended. All had a happy reunion and real good time.

The Gashouse Gang meetings used to be held every New Year's day at Mrs. Tillie Schaeffer's Grand View lunch room and tavern (now occupied by Bunkelman's Floor Covering) at the intersection of Main st. and Fond du Lac ave. When World War II came, many members volunteered or were called into the service. During the war years a good number of servicemen and women who belonged to the club and who were not serving and fighting overseas at the time, managed to get home on furlough for the holidays for the big New Year's day meetings. After some of the members lost their lives in the war and the ranks of members thinned, interest lagged and the annual meetings were discontinued until the one held last Friday.

Mrs. Schaeffer, who always acted as a "second mother" to the gang and put out a bountiful lunch at the meetings, was not able to attend this year's reunion-meeting because of her recent hospitalization but the gang remembered her kind hospitality by chipping in for a large plant which was delivered to her on Saturday. She was very surprised and happy to think that the gang remembered her in this manner.

"Mike" Stellpfug of West Bend was the last president elected by the club and held the office for 20 years as the result of the gang disbanding. He was given a round of applause for his long tenure in office but was questioned how he held office so long without doing anything. His answer was that he never got paid either but he must have been a great president to hold office so long. Retiring president "Mike" wore his formal stovepipe hat for the meeting and recalled how he was initiated when elected 20 years ago by being pinned to the floor by members who poured beer into him through a funnel. His hair has not grown since. His bodyguard, Bill Roehrdanz of West Bend, also wore a top hat, and second assistant to the bodyguard, Officer Carl Mayer, wore an appetite.

Members present greatly favored reorganizing and again holding meetings every year, on New Year's day. The next meeting will be held on Jan. 1, 1966, at the Hon-E-Kor. As a result new officers were elected as follows:

President—"Tiny" Terlinden.  
Vice-President—Bill Roehrdanz.

Recording Secretary—Ione Terlinden.

Publicity Manager—Bill Harbeck.

(Continued on page 3)

## 25 Years Ago

Jan. 5, 1940

Johann Jacobi of Aalsmeer Oost, Holland, and Miss Tillie Schmidt of Forest lake visited Mr. and Mrs. Louis Schaefer. Mr. Jacobi is spending some time with Miss Schmidt, being here on business and for a visit. He talked about conditions in his country, including the current crises abroad. Mr. Jacobi was surprised at the number of people who speak German in this vicinity. He stated that the German people like Adolf Hitler but do not want to fight. He said over here the newspapers are filled with European news and in his country the papers are splashed with President Roosevelt and United States affairs.

A truck owned by the Weston Fruit Co. of Benton Harbor, Mich. caught fire and was completely destroyed on Hwy. 55 a mile north of Kewaskum. The machine was being towed by another truck. Eighty gallons of gasoline in the truck tank exploded and ran onto the road, burning as it ran. The flames spread to the towing truck and ignited it but the fire was extinguished before causing any damage.

Mr. and Mrs. Al Runte moved from the Driessel home on West Water st. into the lower flat of the Mrs. C. Brandstetter home on Main st.

Gov. Julius P. Heil announced his appointments for the new nine-member board of regents of the University of Wisconsin. Among the appointees is a former Kewaskum man. He is Aug. C. Backus, former Milwaukee judge, who was appointed for a five-year term.

The news staff of Kewaskum High school this year includes: Editor-in-chief, Bernice Roden; sports editor, Eddie Mesarich; society editor, Burnette Prost; news editor, Curtis Romaine; collector of grade news, Ruth Runte; glee club and dramatics, Anna Schoofs; typists, Violet Eberle, Lucille Hansen, Alice Koepsel, Claudia Beistler. Officers of the grammar room club are Lillian Werner, president; John Foerster, vice-president; Marjorie Bartelt, secretary; Donald Koerble, treasurer. Fifth grade officers in the intermediate room are Joyce Bartelt, president; Ray Keller, vice-president; Ray Schneider, secretary.

lowing saloons here: Mrs. John Guth took over her place at the corner of Main st. and Fond du Lac ave., formerly conducted by Louis Guth; John Kohn took possession of the Becker saloon on Fond du Lac ave. and Gilboy & Henning of Dundee took charge of the Meinecke saloon on Fond du Lac ave. Louis Guth moved to Allenton, where he purchased a saloon.

On account of closing down the L. Rosenheimer Malt & Grain Co. plant for repairs, there will be no electric current in the village during the daytime until further notice. Hours during which there will be electric current during this period are from 6 p. m. until 12 midnight.

John L. Gudex of the town of Auburn has announced himself as a Democratic candidate for governor. He will run as a farmer candidate.

### 68 Years Ago

1897  
At the annual school meeting Wm. Weddig was re-elected clerk. It was decided to raise \$250 for expenses. Ten cords of hard maple were contracted for with A. G. Koch at \$4 per cord. The question of building another school room on or near the present site was voted down. The board hired Gus Koepke of Campbellsport to teach the upper department and Miss Agnes Ryan of Boltonville the primary department.

Ed. Hausmann caught a fine mess of fish at Schrauth's pond.

Backing, says the Institute for Safer Living, is becoming a lost skill among many motorists. Reason, modern improvements in highways, approaches, parking areas, and driveways, have eliminated many "back-up" problems. Still it pays to be a safe and skillful backer-upper when necessity arises. Why not take a few minutes to practice backing now and then? Helps to make you a better all around driver.

There is the truth in the saying "busy as a bee." Bees in a hive must make 80,000 trips averaging a mile each to gather nectar for a pound of honey.

## ENGAGEMENTS

(Continued from page 1)

son of Mr. and Mrs. Erwin Mueller of R. 2, Kewaskum. No wedding date has been set.

### Rauch-Fischer

A summer wedding is being planned by Sheri Rauch, R. 3, West Bend, and her fiance, Douglas Fischer of Thiensville. The announcement of the engagement was made by Mrs. Ewald Rauch, mother of the bride-to-be, on Christmas Eve. Mr. Fischer is the son of Mr. and Mrs. Eldridge Fischer of Thiensville.

### Habeck-Mielke

Mr. and Mrs. Merton Habeck, West Bend, announced the engagement of their daughter, Sally, to Richard Mielke, son of Mrs. Lena Mielke of Dundee on Christmas Eve.

### Butzke-Rajek

Mrs. Myrtle Butzke, Campbellsport, on Christmas Eve announced the engagement of her daughter, Phyllis, to Alan Rajek, son of Mr. and Mrs. Ray Rajek, Campbellsport. Phyllis is a senior at Campbellsport High school and her fiance, who graduated from that high school last year, is employed at Regal Ware, Inc., Kewaskum.

### Spradau-Schellhaass

Mr. and Mrs. Eldon Spradau, Campbellsport, announce the betrothal of their daughter, Cheryl, to David Schellhaass, son of Mr. and Mrs. Carl Schellhaass, R. 2, Campbellsport. Both young people are graduates of Campbellsport High school and he is employed at Regal Ware, Inc., Kewaskum. Miss Spradau is employed at Gilbert Shoe Co., Campbellsport.

## \$1,000 in Prizes Offered by Amity In Essay Contest

### HIGH SCHOOL JUNIORS AND SENIORS ELIGIBLE

Amity Leather Products Company this week announced an essay contest that will award \$1,000.00 in cash prizes to Washington county high school juniors and seniors. The company is celebrating its 50th anniversary in 1965 and this contest is one of several events planned for the community, employees and customers.

"What Industry Means to a Community" will be the subject of the contest. Essays will be limited to 1,000 words and must be completed by April 15. Deadline date for entering the contest is Jan. 15. Full contest rules and application forms will be made available to students by Washington county high schools early next week.

Professor Francis Calkins, University of Marquette English department, will judge the contest. Essays will be scored on this basis: 30% originality, 30% content of material, 30% expression of thought, 10% grammar and punctuation. First prize will be \$350.00, with four second prizes of \$100.00 each and six third prizes of \$50.00 each. Sons and daughters of company officers will not

be eligible.

Amity Leather Products Company was founded in 1915 by Robert H. Rolfs, who heads the firm today as president. The company manufactures two of the country's top brands of personal leather goods, Amity and Rolfs. It operates plants in Wisconsin, Puerto Rico, Canada and England, and employs some 800 persons.

## Ambulance Calls

Thursday afternoon, Dec. 24—Seymour York, R. 2, Kewaskum, and Daniel Foss, Kewaskum, removed to St. Joseph's Community hospital, West Bend, with injuries suffered in an auto accident on Hwy. 45 at the Johnson Trailer Court just south of the village.

Tuesday evening, Jan. 5—Mrs. Matt Schickert, Kewaskum, removed to St. Joseph's Community hospital after giving birth to a daughter at the office of Dr. R. G. Edwards.

Motor vehicle department records at Madison show that 2,054 drivers had their licenses revoked during the first six months of 1964 following conviction on charges of operating a vehicle while intoxicated. Revocation is for 12 months. In about 20 per cent of cases, an "occupational license" is recommended by the local court, but such permit cannot be issued until a 90-day waiting period has elapsed.

Chaplain—"Mike" Stellpflug.  
No treasurer was elected because the gang has no money any way.

Long live the king! The first duty demanded of new President "Tiny" was a "round for the house." The honored president immediately obliged and was minus one \$10 bill. Then the crown, a sort of beanie with a fringe on top was placed on his head, officially proclaiming him as president. He will not be eligible for the formal stovepipe hat until graduation day next New Year's. Inauguration music was furnished by musical director Harry Koch with ear-splitting, totally un-rhythmic drumming on a serving tray until it was bent out of shape.

Gashouse Gang members who attended the reunion-meeting included: Myron Belger, Donald Seil, "Little Foot" Zeimet, "Tiny" Terlinden, Ione Terlinden, Mr. and Mrs. Bill Roehrdanz, Mr. and Mrs. Carl Mayer, Mr. and Mrs. Harold Smith, Mr. and Mrs. Ray Smith, Mr. and Mrs. Harry Koch, Mr. and Mrs. Albert "Dotz" Hron, Mr. and Mrs. Harold "Mix" Marx, Mr. and Mrs. Ralph Marx, Mr. and Mrs. "Mike" Stellpflug, Mr. and Mrs. Lee Honeck, Mr. and Mrs. Bob Staehler, Mr. and Mrs. Bill Harbeck, Mr. and Mrs. Ollie Staehler, Jr., Mr. and Mrs. Henry Becker, Mr. and Mrs. Arnold Felenz, Mr. and Mrs. Bill Martin, Mr. and Mrs. Joe Schwind, Mr. and Mrs. Bill Key, and Mr. and Mrs. Otto Weddig. Many other members were unable to attend, especially those from a distance, because of the very foggy, rainy weather.

New members initiated into the gang included Mr. and Mrs. "Bud" Korth, Mr. and Mrs. Leonard Rindt and Mr. and Mrs. Francis "Booby" Bohn. The entrance fee for joining the club is buying a "round for the house." There is no other charge. A very tasty buffet lunch was served by "Bud" and "Tudy." New Year's Eve is just basic training compared to a Gashouse meeting.

One of the charter members of the gang who was unable to be present is Chaplain (Major) William J. Mayer, who is serving with Hq 570th USA Arty. Group of the

U. S. Army in Muenster, Westfahen, Germany, at present. But Father Mayer sent a Christmas card with the greeting "Gesegnete Weihnachten und ein Glueckliches Neuer Yahr" and the following interesting letter addressed to the Gashouse Gang % Hon-E-Kor for the meeting:

24 December 1964  
Muenster, Westfahen  
Germany

Greetings from the land of Schnitzel:  
Lexy (his sister, Mrs. Bob Ours) sent me a clipping from the Kewaskum paper telling of your annual meeting. Even though I cannot be physically present I am with you in spirit. During my 30 days leave I ran into some of the old gang before leaving for my present assignment—Germany. After seven changes in orders between Korea and here I finally arrived at my present assignment. I was the first chaplain assigned to this command; several weeks after I arrived we also received a Protestant chaplain. We have a large "beat" to cover; everything north of Frankfurt, Giesser, Kassel, except Bremerhaven is my beat. This amounts to approximately 35,000 square miles. I average between 600-700 miles each week, trying to cover all of my units in two months. I travel by British Army vehicle, usually a Hillman station wagon. Last Thursday on the way back from one of these visits, a German came out of a side street and clobbered us; I came out second best—a few cracked ribs, a few more stitches in my head, a beautiful shiner, and black and blue everywhere. After two days in a British hospital I finally left to return to my unit (if I would have stayed any longer I might have upset the entire routine of British life!)

We are here on Freedom's Frontier; our closest PX and commissary are 142 miles one way; this works a bit of a hardship in the men with families but most of them are doing a good job of adjusting themselves to the situa-

tion. I hope to get a set of quarters in the dependent area in the next two weeks or look for a different home. 13 months living in a room in Korea and then coming over here and living in a small room in a BOQ is for the birds, especially since I am losing my quarters allowance. I've always enjoyed a challenge and they certainly handed me one on this assignment, but things are beginning to shape up gradually.

Most of you people were around in 1943 when I was ordained a priest and offered my First Solemn High mass at Kewaskum; if all goes well I hope to be in Kewaskum in November 1968 to celebrate my silver jubilee, 25 years a priest. I take this occasion to invite the Gashouse Gang to join me in this celebration. As I look back over the years I must admit they have been wonderful, and the fond memories of the Gashouse Gang and our exploits are a part of these memories. I am sorry that I cannot be present for your celebration this year but perhaps one of these years I will be stationed in the States and find it possible to join you on this joyous occasion.

During the past eight years I have been on active duty in the army and have seen some of the world. 1956 I travelled for the first time to New York and Chaplain's school at Ft. Slocum; from there I received my first assignment as chaplain of the 1st Tng. Regt. at Fort Jackson, S. C.; in June of 1957 I arrived in Germany and spent a pleasant five years at Babenhausen. The army finally

caught up with me and ordered me to Ft. Hamilton for four months to attend the career chaplain's course (I guess they wanted me to learn how to be a chaplain). At the school they called our class the Unteachables. On 17 December 1962 I reported in at Fifth Army Hq. in Chicago; this assignment was short-lived because the Chief of Chaplains had told me that the shortest way back to Germany was the Far East. I left Chicago on the 14th of June 1963, after a short leave I reported in at O'Hare Field on Tuesday, 9 July and nine hours later I was in Korea (i. e. flying time). I found myself assigned to the I Corps (Group) Artillery at Camp St. Barbara north of the 38th parallel. After about a month I finally liberated a jeep and trailer, mounted a red light and siren on it and became known as the Law north of the 38th parallel. With an Army Carbine (folding stock) two banana clips which held 30 rounds each and my 45 pistol I rode the range for 13 months. It was surprising how much English a Korean understood when he looked down the barrel of a 45. When I left there on 10 August there

wasn't much left between Camp Red Cloud and the DMZ, I had managed to pick up anything that wasn't nailed down and convert it into three chapels fully equipped. In fact I even managed to steal a Protestant Chaplain before the 8th Army Chaplain knew that he was in Korea. We left Korea at 1 p. m. on 10 August and at 9:15 a. m. that same morning we arrived at Travis. So the world is getting smaller the more I travel about it. Now here I am back in Germany trying to do my job as a Chaplain. It has been a rewarding work, sometimes frustrating but each day there have been new problems, new solutions, which keeps me happy, reminds me of the fact that the people I grew up with, the community in which I lived did much to help me and to make me proud that I come from Kewaskum, and that you are my friends and I am yours. God bless you and may the New Year bring to each of you peace, health and happiness.

Aufwiedersehen!  
Father Bill  
The future that we study and plan for begins today.

**DREHER**—A son, Jeffrey Charles, to Mr. and Mrs. Jules Dreher, 7518 Lincoln dr., Kenosha, Wednesday, Dec. 30. They also have two daughters. The Dreichers are former residents. She is the former Gwen Edwards. The maternal grandparents are Dr. and Mrs. R. G. Edwards and the paternal grandparents are Mr. and Mrs. Earl "Pat" Dreher.

**MURRE**—A daughter to Mr. and Mrs. Barry Murre, Box 364, Kewaskum, Thursday, Dec. 31. Mrs. Murre is the former Geraldine Nischke. The baby, born at 1:56 p. m. Thursday, was the last born at St. Joseph's Community hospital, West Bend, in the old year.

**GUNDRUM**—A son to Mr. and

Mrs. Lawrence Gundrum, R. 1, Kewaskum, Friday, Jan. 1. The baby was born at 1:07 a. m. on New Year's Day, at the time many people were out celebrating the holiday, and was the second baby born at St. Joseph's hospital in the New Year.

**SPAETH**—A daughter to Mr. and Mrs. Jerome Spaeth, 418 Fifth ave., West Bend, Friday, Jan. 1. Mrs. Spaeth is the former Diane Czaja, daughter of Mr. and Mrs. Eddie Czaja of Kewaskum. The baby, born at 2:27 a. m., was the third born at St. Joseph's hospital on New Year's Day.

**SCHICKERT**—A son to Mr. and Mrs. Donald Schickert, Campbellsport, Thursday, Dec. 31, at St. Agnes hospital, Fond du Lac.

**SCHICKERT**—A daughter to Mr. and Mrs. Mathias Schickert, 1176 Western ave., Kewaskum, Tuesday, Jan. 5.

**Richard Groh to Play Concerts With UW Band**

Richard N. Groh, 1254 Roseland Dr., Kewaskum, is among 80 students who are members of the University of Wisconsin band conducted by Prof. Raymond Dvorak which will play concerts in 13 Wisconsin communities and in Minneapolis, Minn., between university semesters Jan. 24-30. The UW band management has collaborated with local sponsors to work out the following schedule:

Sunday, Jan. 24: Afternoon concert, Viroqua High school; evening, Neillsville High school; Mon-

day, Jan. 25: Morning, Eau Claire Regis High school; afternoon, Ladysmith High school; evening, Stanley-Boyd High school; Tuesday, Jan. 26: Morning, Phillips High school; afternoon, Bruce High school; evening, Rice Lake High school; Wednesday, Jan. 27: Morning, Chetek High school; afternoon, Clear Lake High school; evening, St. Louis Park High school in Minneapolis; Thursday, Jan. 28: Afternoon, Pardeeville High school; evening, Verona High school.

The band will give two concerts in Madison, on the evening of Saturday, Jan. 30, in LaFollette High school, and on Sunday afternoon, Jan. 31, in the Wisconsin Union Theater at the university.

In addition to such time-tested novelties as the spectacular feature, "Showing Off Before Com-

pany," a show-case for band solo and ensemble talent and a hit on tours for years past, Prof. Dvorak is putting together new groups of instrumentalists and rehearsing new soloists. For example, he will feature for the first time the tuba quartet, the first such group to be formed in America. Another featured group is what Dvorak calls the "Double Double Horn Quartet," eight young men on double horns playing "Hunting Chorus" from Weber's "Der Freischutz." A third is a percussion ensemble of eight students.

A strong beef demand and reduced imports add up to cattle prices that will average about \$25.50 per hundredweight this winter.

Seem not greater than thou art.

**HOLY NAME MEN TO HOST CAMPBELLSPORT SUNDAY AT COMMUNION-BREAKFAST**

Sunday, Jan. 10, is Holy Name society Communion Sunday at Holy Trinity parish. The Holy Name men of St. Matthew's parish, Campbellsport, will join the Holy Trinity society for corporate Holy Communion and breakfast following the 8 a. m. Mass. There will be a speaker present. Society officers urge a large turnout of members. Because of the breakfast, the last Mass on Sunday will be a half hour later, at 10:30 a. m.

Wisconsin will have nearly 60 per cent more young people reaching 18 years of age in 1970 than at the present time. This means increased competition for jobs.

## County Agent News Notes

By MAURICE J. HOVLAND  
Washington County Agent

### NEW YEAR TO BEGIN WITH MANY MEETINGS

The New Year of 1965 will begin for the extension service of Washington county with a schedule of many meetings covering many different subjects.

The first of these concerns the problem of mastitis, which concerns both consumers and producers of milk. We have learned many things and made good progress the last ten years in the control of mastitis, but we still have a long way to go.

Two meetings have been scheduled for Washington county dairy producers to inform them about ways and means of helping to control mastitis, things we didn't know a few years ago. They will be held on Tuesday, Jan. 12—one at 1:30 p. m. at the Richfield fire hall, and the other at 8:00 p. m. in the extension office, court house annex, West Bend.

Two specialists from the University of Wisconsin—George Werner of the dairy science department, and Lynn Brooks of the agricultural engineering department—will present information on cow management and the necessary facilities. We also expect a veterinarian to be at each meeting, and milking machine representatives.

We have had ten men in the county operating a pilot program of mastitis control for the past ten months. These are some of the things they have said: We need large stalls with bigger vacuum lines; vacuum lines need to be washed carefully and often; teat cups need to be dipped between each two cows while milking; the platform on which the cow stands should be disinfected; use paper towels, one for each cow; milk the "clean" cows first.

Collectively, they have said: milk infected cows last; sanitation is important; pump volume, especially in cold weather, needs to be watched; warm up the pump before milking; use electric pulsators; have good equipment; always use the same kind of equipment on the same cows; have less

of a dry period before calving. These things, and many others, will be discussed at these two meetings. All dairy farmers are welcome.

### Farm Forum Club Meeting

The next meeting of the Washington County Farm Forum club will be Jan. 14. Bill Oestreich, an agricultural engineer who represents Jamesway, will talk about remodeling buildings, placement of buildings, and information of this sort.

### Series of Swine Meetings

A series of three swine meetings will be held for Washington county swine breeders. The first of these will be held the afternoon of Friday, Jan. 15, in the ex-

tension office at West Bend. Fred Giesler, University of Wisconsin livestock specialist, will be with us to talk about some of the new ideas involving proper management of the swine enterprise.

### Holstein Breeders Meeting

The Washington County Holstein Breeders association will hold their annual meeting on Monday, Jan. 18, at the Moraine Supper Club. This will be a banquet meeting, and tickets are \$2.00 each. You may get tickets for as many people as would like to attend from the board of directors of the association: John Herlamus, Christ Mayer, Herbert Lepien, Ray Bast, Fred Schroeder, Edward Melius, Robert Held and Thomas Wiedmeyer. They are al-

so available at the extension office.

The featured speaker at this program will be Ken Peissig of Badger Breeders Cooperative. Peissig has had a long history of Holstein activities. He was a farmer at one time and a classifier of Holsteins for the national association. He now works in selecting bulls for one of the largest bull studs in the country. He has been very active in youth activities, and comes to our meeting very highly recommended.

There will be some business to conduct, including election of directors. We will begin promptly at 7:30 p. m. with a delicious buffet supper. The Moraine Supper Club is located just south of West Bend on Highway 45.

### CHIMNEY FIRE AT REUBEN MARTIN HOME

Firemen from the No. 2 station on Barton ave. in West Bend were called out at 7:14 a. m. Wednesday to put out a chimney fire at the Reuben Martin home located southwest of Kewaskum in the town of Barton. The blaze started from an overheated furnace and ignited a wall. Damage to the wall and from smoke was estimated at about \$350.

It takes a good battery to start engines in cold weather. At zero degrees, battery efficiency drops to 40 per cent compared to full efficiency at 80 degrees, points out Orrin Berge, University of Wisconsin agricultural engineer.

## Day in the Life of March of Dimes Girl

**ALTHOUGH BORN with crippling, birth defects of open spine and excess water on brain, Mickey Hemicke, 4, Denver, Colo., the 1965 March of Dimes Girl, is a very busy young lady. She starts the day by combing her doll's hair then gives affectionate buss to stuffed bulldog. Short indoor canter on hobby horse comes next, and last on daily program of the active little lady is a ride aboard backyard swing. Local March of Dimes chapter contributes to Mickey's treatment. Some 250,000 American infants are born yearly with serious birth defects. Contributions to the March of Dimes support research and treatment centers seeking cause and cure of these cripples.**

Mrs. Tillie Schaeffer

## Annual Meeting, Banquet of County Holstein Breeders

EVENT AT MORAIN SUPPER  
CLUB ON MONDAY, JAN. 18;  
DIRECTORS TO BE ELECTED

The Washington County Holstein Breeders association will hold its annual meeting in 1965, on Monday, Jan. 18, according to John Horlamus, chairman. This will be a banquet meeting beginning at 7:30 p. m., at the Moraine Supper Club just south of West Bend on Hwy. 45.

Tickets are \$2.00 each, and are available from the following breeders, who are members of the board of directors of the association: John Horlamus, Christ Mayer, Herbert Lepien, Ray Bast,

Fred Schroeder, Edward Melius, Robert Held, and Thomas Wiedmeyer. They are also available at the county extension office in West Bend, and must be purchased by Jan. 15.

The usual business will be taken care of, including election of directors to the terms which expired.

Featured speaker on the program will be Ken Peissig of the Badger Breeders Cooperative, Shawano. He comes to the association highly recommended, and with a good background of varied Holstein activities. He was at one time a farmer specializing in Holsteins; he has also been a classifier of Holsteins for the national association. At the present time he manages sales and is overall business manager of Badger Breeders.

Members of the association, as well as non-members, are invited to attend this banquet and meeting.

## ADA Dist. 5 to Meet Jan. 20 at Plymouth

Two committeemen and seven delegates are to be elected at the District 5 annual meeting of the American Dairy association, in addition to complete reports of ADA activities and promotional programs, according to Sam Stanchfield, Fond du Lac, district chairman.

The meeting, scheduled on Jan. 20 in the Salem United church, Plymouth, also will have Milo K. Swanton, ADA of Wisconsin's

first general manager and one of the state's outstanding agricultural leaders during the past three decades, as the guest speaker, Stanchfield said.

Opening with a movie at 11:30 a. m., the session will begin at 1 p. m. following a hot dinner served at the meeting place, and will close about 3 p. m.

The two committeemen will be selected for three year terms from among the following, or added nominations from the floor; Robert Bird, Brownsville; Willard Maaske, Horicon; Floyd Keuler, Mayville; and Tom Devine, Rosendale.

Delegate nominees are: Ralph D. Smith, Sheboygan Falls; Don Indermuehle, Brownsville; Roger Fink, Mayville; Christ Mayer, Slinger; Robert Held, Slinger; Otto Kohlwey, Grafton; Keith Binning, Brownsville; Louis McDonald, Hartford; Harold Wallenfels, West Bend; Joseph Sartori, Plymouth; William Wenzel, Juneau; Raymond M. Bassuener, Sheboygan Falls; Merlin Bruecher, Beaver Dam; and Harvey Schneider, Waldo.

There is a distinction between thinking and knowing—the former when properly applied leads to the latter but can lead to confusion if not properly controlled and directed. There is no substitute for knowing. Thinking alone can get a fellow into a pack of trouble if he doesn't know what he's doing.

### Grogan Retires From Ziegler Co.

32 YEAR VETERAN OPENS OWN REAL ESTATE FIRM

Robert S. Grogan, 32 year veteran with B. C. Ziegler and Company, West Bend, retired from the investment company effective Jan. 1 and announced the opening of his own real estate firm in West Bend.

Widely known in real estate and financial circles, Grogan managed the real estate and brokerage department of the Ziegler firm for 22 years and served the past ten years in the underwriting division.

Grogan served as president of the Wisconsin Association of Real Estate Boards (NAREB) 1947-49 as well as a director of its nation-

al organization. Grogan also served on the Realtors Washington (D. C.) committee 1950-51. For the past two years Grogan taught real estate at the West Bend High school vocational adult course.

In his new firm Grogan will specialize in farm, residential and commercial property in West Bend and surrounding counties. His offices will be at 215 Main st.

### Cedar Lake Home Extends Services

The Cedar Lake Home at West Bend recently completed a new resident wing extending its services in a three-fold manner. The home now serves: one, the aged desiring residential living; two, those needing nursing care; and, three, it has a special care separate thirty bed unit for the senile.

Added to these services, the home has a guest room for those families who wish to leave their loved one vacation at the home while they vacation elsewhere. Also, the aged from the community can participate in occupational or physical therapy at the home on a part time basis. In addition, families can take advantage of the

day-care plan at the home if they wish, their loved one can come into the home one-half day or all day on days they select each week. The Cedar Lake Home, a non-profit institution, is operated thru the United Church of Christ to serve the aged of all faiths.

Since the home has expanded to ninety-six beds, openings occur frequently. The public is cordially invited to use the services of the home by calling for an appointment. Free counseling is also available for families caring for their aged.

### Indians Downed By Lomira, 74-63

The Kewaskum Indians resumed basketball action following the holiday recess with a non-conference game against Lomira of the Tri-County loop here Tuesday night. The Indians were surprised by the Lions, 74-63.

Lomira's Steve Sterr put on a dazzling performance to lead the Lions over the Indians as he hooped 25 points, played a whirlwind floor game, and picked the boards clean. Close on his heels was Brinkman, who swished in 18 points on 9 field goals and Laudolff chipped in 14. Bob Coulter paced the losers with 17 points, Bob Miller was next with 14 and Oelhafen added 12.

Kewaskum faltered badly in the second half to absorb the defeat. The teams were tied 12-12 at the quarter and the Indians took the lead at 31-27 at the intermission. Kewaskum returned to the floor cold and was badly outscored in the third period, 24-13, to fall behind 51-44. They were also outpointed in the final period, 23-19, to lose by 11 points despite the fact that the Indians outscored Lomira from the free throw line, 25 to 12. The Lions sank 31 field goals to only 19 for the losers.

Kewaskum will return to Scenic Moraine conference competition this Friday when they travel to Pewaukee. Pewaukee has a 1-3 record to date, just the opposite of the Indians' 3-1 record. Kewaskum, which holds a 3-way tie for second place, should be able to handle Pewaukee. Next Friday, Jan. 15, the Indians are at Random Lake. Kewaskum's scheduled opening non-conference game of the season with Plymouth here, which was postponed on Nov. 20 due to inclement weather, will be made up on Saturday, Jan. 16, in the local gym.

About 85 per cent of today's farm youth must look for occupations other than farming. A high school diploma is a must if your child expects to compete in the labor market.

By Bob Lake, Conservation Warden, Washington County

#### CHANGES MADE IN LICENSE DEPOT SET-UP

Because of changes made by the Washington County Board, residents of Washington county have been having a bit of trouble in obtaining the 1965 fishing license. Prior to Dec. 1, 1964, hunting, fishing and trapping licenses were handled by the county clerk on a fee basis paid by the Wisconsin Conservation Department. The clerk delivered the licenses to the various depots in the county, and collected after the books were sold. In the event a depot might go bad the clerk would stand the loss.

The county board decided that those who might wish to establish a license depot after Dec. 1, 1964, must pick up the books of licenses at the office of the clerk and pay cash in advance. The county will retain the fee paid by the conservation department, less five cents a license that will be retained by the depot.

It is expected that in the near future all of the old established license depots will be again selling the resident license. Due to the money involved and the few sold (\$100.00 a book) there are only four places in the county where non-resident fishing license may be obtained. Persons who may have guests coming to fish should locate the depots in advance.

The 1965 fishing license and regulations are now available in the county, and both are effective on Jan. 1. There are a few changes in the regulations. (One a bag limit of 50 on panfish—this is also the possession limit).

Economy is just a way of spending money without getting any fun out of it.

### Services Held For John Bendel

Funeral services for John Bendel, 88, of the village of Slinger, a former resident of the town of Kewaskum many years, were held at St. Peter's church, Slinger, at 10 a. m. on Saturday, Jan. 2. The Rev. Vincent Schneider was the celebrant of the requiem Mass and burial was in St. Michael's cemetery at St. Michaels.

Mr. Bendel, who made his home with a son-in-law and daughter, Mr. and Mrs. Clarence Weinert of Slinger since 1951, died at St. Joseph's hospital, West Bend, at 4 p. m. Tuesday, Dec. 29, after a short illness.

Born in the town of Kewaskum on Feb. 26, 1876, he lived on the same homestead until moving to Slinger following his retirement from farming. Mr. Bendel and the former Mathilda Wiskirchen were married at Holy Angels church, West Bend, on Nov. 26, 1911. She predeceased him on Dec. 9, 1954.

They were the parents of two children, one of whom died in infancy. Surviving is Mrs. Weinert (Gladys). Also surviving are a son-in-law, two grandchildren, four great-grandchildren, a sister, Mrs. Nic. Schneider of St. Michaels, and other relatives.

Mr. Bendel was a member of the choir of St. Michael's church for 45 years and also a member of St. Peter's Holy Name society.

Housework is something you do that nobody notices unless you don't do it.

### MEETING OF ASSOCIATION FOR RETARDED CHILDREN

The Washington County Association for Retarded Children will meet Monday, Jan. 11, at Fair Park school, West Bend, at 7:45 p. m.

The program for the evening will be a panel discussion of "The Community's Role in Retardation." Moderator for the panel will be Miss Julie Guintoli, district mental health consultant from Fend du Lac. Other panel members will be Miss Helen Degner, county public health nurse; Robert Malsch, co-ordinator of special education in the West Bend public schools; Elmer Zell, supervisor of the Youth Activity Center at the high school, and Mrs. Gordon Ohlrogge, executive housekeeper at St. Joseph's hospital.

All members, friends and anyone interested are urged to attend the meeting.

### GIRL SCOUT TROOP NO. 53

On Jan. 5 Mrs. Rosenheimer taught us choral reading. We had a roller skating party Dec. 29. We went caroling Dec. 22.

Scribe, Dori Gaffaney

A bank of infrared heat lamps will provide comfortable warmth for machinery repairs or other shop work in cold buildings. Infrared lamps are particularly useful when placed over a workbench where both heat and light are needed, says Orrin Berge, agricultural engineer at the University of Wisconsin.

### Adult Vo-ag Class Visits Stockyards

On Tuesday, Dec. 29, the Milwaukee Stockyards became a live textbook for fifty members of Roy Esser's adult vo-ag class from Kewaskum High school. The group participated in a live grading demonstration of cattle and calves and saw how various grades determine the price structure in relation to carcass value. The carcass value of animals is also known by the selling agency representative and with this knowledge he is able to work out full market value on any grade and specie of livestock.

The Milwaukee Livestock Foundation, in panel discussions around the state, has emphasized the fact that a producer shipping to the Milwaukee Stockyards is served by a competent third party in the sale of his livestock. This assures the producer of full market value. The Foundation believes that demonstrations of this type are vital to the livestock producer because it is at the market place that a farmer's toil and production cost are converted into cash.

After touring the stockyards the group visited a nearby packing plant and then returned for dinner at Robb's Stockyard Restaurant.

Barn temperatures of about 45 degrees, and relative humidity, ranging from 50 to 75 per cent are recommended for top dairy production.

## 1965 March of Dimes Is Launched To Score Birth Defects Knockout

A "one-two" punch will be aimed at the problem of birth defects this January during the annual March of Dimes campaign across the nation.

"The objective of the drive is twofold," explained Dr. Daniel Bergsma, director of the medical department of The National Foundation-March of Dimes. "More than 250,000 seriously defective children are born each year in this country—one every other minute. Given the facts, the American public will recognize the problem of birth defects for what it is—a national emergency that requires immediate action. We invite the public to help us meet this emergency."

"The second goal is money. With public contributions to the January March of Dimes, we expect to establish the additional March of Dimes-supported birth defects centers desperately needed for the faster diagnosis, evaluation and improved treatment of these defects which cripple or disfigure a child before it's born. Funds are also needed to enable scientists to continue their search for the causes and possible ways to prevent birth defects."

To support medical and scientific workers in the front lines of the battle against birth defects, The National Foundation-March of Dimes has a behind-the-lines army two million strong. These are volunteers from the more than 3,000 March of Dimes county chapters throughout the 50 states—men, women and teenagers, too, who dedicate their efforts to the success of the January campaign and the year-round programs of The National Foundation.

#### Visit 15 Million Homes

To acquaint families with the aims of The National Foundation-March of Dimes, these volunteers will join the Mothers' March at the end of the month during which some 15 million homes are visited. Other volunteers will address about 30 million informative mailers. March of Dimes volunteers also organize fund-raising events to support the work of local chap-

ters and the national organization.

These volunteers devote a great deal of energy to the important task of informing parents of defective children about the March of Dimes birth defects centers and in encouraging families to seek medical help for the afflicted child, whether from the centers or from private physicians.

About one in 10 American families experiences the heart-break caused by the birth of a seriously defective child. By no means are all of these children receiving medical attention which might make such a difference in their lives.

#### Some Give Up Hope

"Too often families are overwhelmed by helplessness and despair," Dr. Bergsma said. "They frequently give up hope without exploring all possibilities for their child. But with the continued progress of medicine in this field, conditions which were once beyond treatment can often be helped by newly-developed methods. Also, the individual's condition may change and make help a possibility."

Her parents' persistence paid off for 4-year-old Mickey Heinicke, the 1965 National March of Dimes Child. Mickey was born with a spinal deformity that paralyzed her from the waist down. At one time it seemed unlikely that she could ever walk.

Yet today the spunky youngster goes darting around with pint-sized crutches and braces. Not perfect—but certainly an improvement over crawling. The increased mobility means an expanded world to little Mickey and her family.

In research within the past few years, scientists supported by March of Dimes funds produced new or improved tests to detect inborn errors of metabolism, so that prompt treatment can prevent permanent

SQUARING OFF for a knockout blow at birth defects is Michaeline ("Mickey") Lea Heinicke, 4, Denver, the 1965 National March of Dimes Child.

damage to the infant's body or mind.

"The progress made thus far is significant and promising," Dr. Bergsma noted, "but we have taken just the first step on a long road. When the American people recognize the magnitude of the problem, they will demand and support an efficient and effective attack against the many birth defects that cripple or disfigure 700 infants each day. With their generous help, we can build up our chapter center programs and birth defects centers throughout the country and we will continue to support individual scientists in the quest for knowledge in this critical area."
