DRIVER HURT AS TRUCK GOES INTO DITCH, STRIKES TREES

Neil R. Summers, 28, of Fond du Lac suffered a head injury at 12:45 p. m. Tuesday on a town road about a mile southeast of Kewaskum when a panel truck he was driving went off the road and struck several small trees, then crossed the road and went down an enbankment and came to rest against a brush pile and snow. The mishap occurred when the rear wheels of the truck hit deep ruts and swung the vehicle a round, causing the driver to lose control.

Michael P. Berres, 19, of R. 1, Kewaskum, escaped injury last Thursday when his car, southbound on Hwy. 45, apparently skidded on the wet and slushcovered pavement and careened across the lawn at the Stanley Brodzeller home, 2037 N. Main st., West Bend, and struck the house, causing slight damage to the siding and an inside wall. The mishap occurred about 8:30 a.m.

Historymobile Will Arrive in Village Tuesday

CIVIL WAR HISTORY OF STATE WILL BE ON VIEW

Historymobile II, the State Historical society's giant mobile museum, will arrive in Kewaskum on day stay at various locations throughout Washington county. The Historymobile will be in Kewaskum all day Tuesday, following which it will move to West Bend and Jackson to be viewed by the public.

The theme of this year's Historymobile exhibition is "Wisconsin in the Civil War." It is the second unit in a series of three depicting the history of Wisconsin from geologic times to the present day.

Planned particularly as an aid in teaching Wisconsin history in Wisconsin schools, the Civil War exhibition also contains much of interest to adults. Live-sized settings and museum case displays contain hundreds of articles actually used by Wisconsin Civil War soldiers and on the home front. Fine examples of weapons, cooking and eating utensils, uniforms, surgical instruments, musical instruments, a draft drum, soldier photographs, a Medal of Honor, and personal items such as cards, diaries, pipes, razor and shaving mirror are included. There also is a display of Confederate weapons, a uniform jacket and a captured Confederate flag.

It also will be possible for any one who had an ancestor in a Wisconsin regiment during the Civil War to look up his military record when he visits the History mobile.

The schools will have regularly scheduled tours through the Historymobile during the school day, but adults are invited to visit the unit between school tours or after school

2,027 days. Some 600,637 adults work at the post office. and 1,057,227 children have viewed its displays for a total attendance of 1,657,594.

In 1962, a new, large mobile home was provided for the Historymobile. The present traveling lage from the west, passed through LIGHTED CROSS SET UP ON museum is 54 feet long and 12 Roseland Heights, and followed HILL FOR LENTEN SEASON feet wide. It and its predecessor Prospect st. across Fond du Lac have traveled a total of 48,039 miles without an accident.

Mr. and Mrs. Luie Haller are the new curators of the Historymobile, replacing Mr. and Mrs. Jake Tschudy, who had charge of the unit for eight years. The Hallers, of Portage, live in a special apartnine months of the year.

Beats Wertz in Florida Tourney

Carl Wertz, Kewaskum's champion golfer, won in the first Cast in Judicial round of the national golf tournament of golf club champions at St. Primary Here Augustine, Fla. last week before

being eliminated.

Wertz defeated Warren Ardapple of Lafayette, Ind., 6-4 on Thursday but on Friday he lost to Al Johns, defending champion Tuesday, Mar. 16, to begin a five- from Punta Gorda, Fla., one down in the second round. Johns, a resident of Florida, plays the course regularly and knows it well. Wertz, strange to the course, was troubled by a high wind blowing. However, he held his own with Johns until he failed to allow quite enough for the wind on one shot and this lost the match late in the round.

> Wertz returned to his home in Kewaskum over the weekend.

Deer Visit Village

Two large "neighborly" doe deer came-a-calling in the village Wednesday morning. Many deer have been seen on the outskirts of town frequently but this was one of the few times they came into the village limits and were seen on Main st.

The deer were seen around 7 a. m. Mrs. Clarence Reigle reported seeing the two does near her home in Roseland Heights on the west side of the village. They were also reported seen by Art. Wilke, who resides in the same area, on his way to work.

Later Pete Yearling, delivery truck driver for Regal Ware, Inc., walked into the Kewaskum Bakery and told Mrs. Ray (Claire) Schwartz, the clerk, she had a customer outside. She looked out to see one doe, standing next to the bakery and Rose Miller's tavern on Main st. Whether the doe wanted a "doe-nut" from the bakery or a short beer from Miller's will never be known.

Irish Brew For St. Patrick's

One of the pleasantest customs ever exported from Ireland is the serving of Irish Coffee. This is a beverage that has taken many sections of our country by storm, especially where coffee houses are all the rage. It's elegant, yet easy to serve at home too. Just make a carafe of quality instant coffee following the demitasse directions below. In each cup, put sugar and Irish whisky; then pour the hot demitasse over it and top with a dollop of whipped cream. If you don't have special Irish Coffee cups or goblets, use the demitasse size and, in honor of St. Patrick, paste on a shamrock or two. on a shamrock or two.
